3 **Resolution supporting the California Million Solar Roofs initiative (SB 1).**

4

5

WHEREAS, The California Million Solar Roofs bill (SB1) is the most ambitious solar legislation ever introduced in the United States and would provide ten years of incentives to help bring solar energy into the mainstream in California; and,

6

7

8

WHEREAS, Solar energy provides a clean, safe source of energy for California that helps reduce air pollution, fight global warming and increase energy independence; and,

9

10

11

WHEREAS, Solar energy produces electricity during peak demand when energy is most needed and most expensive; and

12

13

WHEREAS, Solar energy allows electricity to be generated at the source where it is consumed and helps strengthen the electricity grid and reduce our vulnerability to rolling blackouts or other failures of the electric grid; and

14

15

16

17

WHEREAS, San Francisco strongly supports the rapid expansion of solar and other renewable sources of energy to reduce our dependence on fossil fuels; now, therefore, be it
