6	Market RED Districts, tend to provide jobs and continuation of small-scale service and light
7	industrial activities. These uses tend to be small in scale, to serve primarily a walk-in trade,
8	and cause a minimum of interference with nearby streets and properties. Accordingly, this
9	Section recognizes the public advantages of these uses and establishes conditions for their
10	continued operation.
11	(a) Exemption from Termination Provisions. The following nonconforming uses in R
