5 **SECTION 3. General Authority.**

6 The Controller is hereby authorized and directed to set up appropriate accounts for the
7 items of receipts and expenditures appropriated herein.

8 **SECTION 3.1 Two-Year Budget.**

9 For departments for which the Board of Supervisors has authorized, or the Charter
10 requires, a fixed two-year budget, appropriations in this ordinance shall be available for
11 allotment by the Controller on July 1st of the fiscal year in which appropriations have
12 been approved. The Controller is authorized to adjust the two-year budget to reflect
13 transfers and substitutions consistent with City's policies and restrictions for such
14 transfers. The Controller is further authorized to make adjustments to the second year
15 budgets consistent with Citywide estimates for salaries, fringe benefits, and work
16 orders.
17

18 **SECTION 4. Interim Budget Provisions.**

19 All funds for equipment and new capital improvements shall be held in reserve until final
20 enactment of the budget. No new equipment or capital improvements shall be
21 authorized during the interim period other than equipment or capital improvements that,
22 in the discretion of the Controller, is reasonably required for the continued operation of
23 existing programs or projects previously approved by the Board of Supervisors.
24 Authorization for the purchase of such equipment may be approved by the Board of
25

1 Supervisors.

2
3 During the period of the interim Annual Appropriation Ordinance and interim Annual
4 Salary Ordinance, no transfer of funds within a department shall be permitted without
5 approval of the Controller, Mayor's Budget Director and the Chair of the Budget and
6 Finance Committee.

7
8 When the Budget and Finance Committee or Budget and Appropriations Committee
9 reserves selected expenditure items pending receipt of additional information from
10 departments, upon receipt of the required information to the satisfaction of that
11 committee, the Controller may release the previously reserved funds with no further
12 action required by the Board of Supervisors.

13
14 If the Budget and Finance Committee or Budget and Appropriations Committee
15 recommends a budget that increases funding that was deleted in the Mayor's Budget,
16 the Controller shall have the authority to continue to pay these expenses until final
17 enactment of the budget.

18
19 **SECTION 4.1 Interim Budget – Positions.**

20 No new position may be filled in the interim period with the exception of those positions
21 which in the discretion of the Controller are critical for the operation of existing
22 programs, are for projects previously approved by the Board of Supervisors, are
23 required for emergency operations, are positions that would result in a net increase in
24 revenues, or are positions required to comply with law. New positions shall be defined
25 as those positions that are enumerated in the Mayor's

1 budget for the current fiscal year but were not enumerated in the appropriation and
2 salary ordinances for the prior fiscal year, as amended, through June 30 of the prior
3 fiscal year. In the event the Mayor has approved the reclassification of a position in the
4 department's budget for the current fiscal year, the Controller shall process a temporary
5 or "tx" requisition at the request of the department and subject to approval of the Human
6 Resources Director. Such action will allow for the continued employment of the
7 incumbent in their former position pending action on the proposed reclassifications.

8

9 If the Budget and Finance Committee or Budget and Appropriations Committee of the
10 Board of Supervisors recommends a budget that reinstates positions that were deleted
11 in the Mayor's Budget, the Controller and the Human Resources Director shall have the
12 authority to continue to employ and pay the salaries of the reinstated positions until final
13 enactment of the budget.

14

15 **SECTION 5. Transfers of Functions and Duties.**

16 Where revenues for any fund or department are herein provided by transfer from any
17 other fund or department, or where a duty or a performance has been transferred from
18 one department to another, the Controller is authorized and directed to make the related
19 transfer of funds, provided further, that where revenues for any fund or department are
20 herein provided by transfer from any other fund or department in consideration of
21 departmental services to be rendered, in no event shall such transfer of revenue be
22 made in excess of the actual cost of such service.

23

24 Where a duty or performance has been transferred from one department to another or
25 departmental reorganization is effected as provided in the Charter, in addition to any

1 required transfer of funds, the Controller and Human Resources Director are authorized
2 to make any personnel transfers or reassignments between the affected departments
3 and appointing officers at a mutually convenient time, not to exceed 100 days from the
4 effective date of the ordinance or Mayoral memorandum transferring the duty or
5 function. The Controller, the Human Resources Director and Clerk of the Board of
6 Supervisors, with assistance of the City Attorney, are hereby authorized and directed to
7 make such changes as may be necessary to conform to all applicable ordinances to
8 reflect said reorganization, transfer of duty or performance between departments.

9

10 **SECTION 5.1 Agencies Organized Under One Department.**

11 Where one or more offices or agencies are organized under a single appointing officer
12 or department head, the component units may continue to be shown as separate
13 agencies for budgeting and accounting purposes to facilitate reporting. However, the
14 entity shall be considered a single department for purposes of employee assignment
15 and seniority, position transfers, and transfers of monies among funds within the
16 department, and reappropriation of funds.

17

18 **SECTION 5.2 Continuing Funds Appropriated.**

19 In addition to the amount provided from taxes, the Controller shall make available for
20 expenditure the amount of actual receipts from special funds whose receipts are
21 continuously appropriated as provided in the Municipal Codes.

22

23 **SECTION 5.3 Multi-Year Revenues.**

24 In connection with money received in one fiscal year for departmental services to be
25 performed in a subsequent year, the Controller is authorized to establish an account for

1 depositing revenues that are applicable to the ensuing fiscal year. Said revenue shall be
2 carried forward and become a part of the funds available for appropriation in said
3 ensuing fiscal year.

4

5 **SECTION 5.4 Contracting Funds.**

6 All money received in connection with contracts under which a portion of the moneys
7 received is to be paid to the contractors and the remainder of the moneys received
8 inures to the City shall be deposited in the Treasury.

9

10 (a) That portion of the money received that under the terms of the contract inures to
11 the City shall be deposited to the credit of the appropriate fund.

12

13 (b) That portion of the money received that under the terms of the contracts is to be
14 paid to the contractor shall be deposited in special accounts and is hereby appropriated
15 for said purposes.

16

17 **SECTION 5.5 Real Estate Services.**

18 Rents received from properties acquired or held in trust for specific purposes are hereby
19 appropriated to the extent necessary for maintenance of said properties, including
20 services of the General Services Agency.

21

22 Moneys received from lessees, tenants, or operators of City-owned property for the
23 specific purpose of real estate services relative to such leases or operating agreements
24 are hereby appropriated to the extent necessary to provide such services.

25

1 **SECTION 5.6 Collection Services.**

2 In any contracts for the collection of unpaid bills for services rendered to clients,
3 patients, or both by the Department of Public Health in which said unpaid bills have not
4 become delinquent pursuant to Article V of Chapter 10 of the Administrative Code, the
5 Controller is hereby authorized to adjust the estimated revenues and expenditures of
6 the various divisions and institutions of the Department of Public Health to record such
7 recoveries. Any percentage of the amounts, not to exceed 25% percent, recovered from
8 such unpaid bills by a contractor is hereby appropriated to pay the costs of said
9 contract. The Controller is authorized and is hereby directed to establish appropriate
10 accounts to record total collections and contract payments relating to such unpaid bills.

11

12 **SECTION 5.7 Contract Amounts Based on Savings.**

13 When the terms of a contract provide for payment amounts to be determined by a
14 percentage of cost savings or previously unrecognized revenues, such amounts as are
15 actually realized from either said cost savings or unrecognized revenues are hereby
16 appropriated to the extent necessary to pay contract amounts due. The Controller is
17 authorized and is hereby directed to establish appropriate accounts to record such
18 transactions.

19

20 **SECTION 6. Bond Interest and Redemption.**

21 In the event that estimated receipts from other than utility revenues, but including
22 amounts from ad-valorem taxes, shall exceed the actual requirements for bond interest
23 and redemption, said excess shall be transferred to a General Bond Interest and
24 Redemption Reserve account. The Bond Interest and Redemption Reserve is hereby
25 appropriated to meet debt service requirements including printing of bonds, cost of bond

1 rating services, funds due to the Internal Revenue Service, and the legal opinions
2 approving the validity of bonds authorized to be sold not otherwise provided for herein.

3
4 Issuance, legal, and financial advisory service costs, including the reimbursement of
5 departmental services in connection therewith, for debt instruments issued by the City,
6 to the extent approved by the Board of Supervisors in authorizing the debt, may be paid
7 from the proceeds of such debt and are hereby appropriated for said purposes.

8
9 To the extent bond rating fees are incurred and payable prior to the issuance of Board
10 of Supervisors authorized Certificates of Participation due to unexpected changes in
11 market conditions causing a delay in issuance, such fees may be paid from funds
12 appropriated for annual Certificates of Participation debt service that exceed the actual
13 requirements for bond interest and redemption.

14

15 **SECTION 7. Allotment Controls.**

16 Since several items of expenditures herein appropriated are based on estimated
17 receipts, income, or revenues which may not be fully realized, it shall be incumbent
18 upon the Controller to establish a schedule of allotments, of such duration as the
19 Controller may determine, under which the sums appropriated to the several
20 departments shall be expended. The Controller shall revise such revenue estimates
21 periodically. If such revised estimates indicate a shortage, the Controller shall hold in
22 reserve an equivalent amount of the corresponding expenditure appropriations set forth
23 herein until the collection of the amounts as originally estimated is assured, and in all
24 cases where it is provided by the Charter that a specified or minimum tax shall be levied
25 for any department the amount of appropriation herein provided derived from taxes shall

1 not exceed the amount actually produced by the levy made for such department.

2

3 The Controller, in issuing payments or in certifying contracts, purchase orders, or other
4 encumbrances pursuant to Section 3.105 of the Charter, shall consider only the allotted
5 portions of appropriation items to be available for encumbrance or expenditure and shall
6 not approve the incurring of liability under any allotment in excess of the amount of such
7 allotment. In case of emergency or unusual circumstances which could not be
8 anticipated at the time of allotment, an additional allotment for a period may be made on
9 the recommendation of the department head and the approval of the Controller. After
10 the allotment schedule has been established or fixed, as heretofore provided, it shall be
11 unlawful for any department or officer to expend or cause to be expended a sum greater
12 than the amount set forth for the particular activity in the allotment schedule so
13 established, unless an additional allotment is made, as herein provided.

14

15 Allotments, liabilities incurred, and expenditures made under expenditure appropriations
16 herein enumerated shall in no case exceed the amount of each such appropriation,
17 unless the same shall have been increased by transfers or supplemental appropriations
18 made in the manner provided by Section 9.105 of the Charter.

19

20 **SECTION 7.1 Prior Year Encumbrances.**

21 The Controller is hereby authorized to establish reserves for the purpose of providing
22 funds for adjustments in connection with liquidation of encumbrances and other
23 obligations of prior years.

24

25

1 **SECTION 7.2 Equipment Purchases.**

2 Funds for the purchase of items of equipment having a value of over \$20,000 and a
3 useful life of three years and over shall only be purchased from appropriations
4 specifically provided for equipment or lease-purchased equipment, including equipment
5 from capital projects. Departments may purchase additional or replacement equipment
6 from previous equipment or lease-purchase appropriations, or from citywide equipment
7 and other non-salary appropriations, with approval of the Mayor's Office and the
8 Controller.

9
10 Where appropriations are made herein for the purpose of replacing automotive and
11 other equipment, the equipment replaced shall be surrendered to the General Services
12 Agency and shall be withdrawn from service on or before delivery to departments of the
13 new automotive equipment. When the replaced equipment is sold, in lieu of being
14 traded-in, the proceeds shall be deposited to a revenue account of the related fund.
15 Provided, however, that so much of said proceeds as may be required to affect the
16 purchase of the new equipment is hereby appropriated for the purpose. Funds herein
17 appropriated for automotive equipment shall not be used to buy a replacement of any
18 automobile superior in class to the one being replaced unless it has been specifically
19 authorized by original appropriation ordinance.

20
21 Appropriations for equipment from current funds shall be construed to be annual
22 appropriations and unencumbered balances shall lapse at the close of the fiscal year.

23
24 **SECTION 7.3 Enterprise Deficits.**

25 Funds appropriated herein to meet estimated enterprise deficits shall be made available

1 to each such enterprise only to the extent that an actual deficit shall exist and not to
2 exceed the amount herein provided. Any amount not required for the purpose of
3 meeting an enterprise fund deficit shall be transferred back to the General Fund at the
4 end of each fiscal year unless otherwise appropriated by ordinance.

5

6 **SECTION 7.4 Public Utilities Commission Debt Service.**

7 The San Francisco Public Utilities Commission shall, in coordination with the
8 Controller's Office, record and report the use of debt service appropriations in their
9 respective debt service funds consistent with the Schedule of Bond Redemption and
10 Interest Statement included herein and as required pursuant to Governmental
11 Accounting Standards Board (GASB) and Generally Accepted Accounting Principles
12 (GAAP) accounting rules, requirements and practices. The Controller is hereby
13 authorized to make all associated net-zero appropriation transfers to ensure compliant
14 financial reporting.

15

16 **SECTION 8. Expenditure Estimates.**

17 Where appropriations are made for specific projects or purposes which may involve the
18 payment of salaries or wages, the head of the department to which such appropriations
19 are made, or the head of the department authorized by contract or interdepartmental
20 order to make expenditures from each such appropriation, shall file with the Controller,
21 when requested, an estimate of the amount of any such expenditures to be made during
22 the ensuing period.

23

24 **SECTION 8.1 State and Federal Funds.**

25 The Controller is authorized to increase federal and state funds that may be claimed

1 due to new General Fund expenditures appropriated by the Board of Supervisors. The
2 Human Resources Director is authorized to add civil service positions required to
3 implement the programs authorized by these funds. The Controller and the Human
4 Resources Director shall report to the Board of Supervisors any actions taken under this
5 authorization before the Board acts on the Annual Appropriation and Annual Salary
6 Ordinances.

7

8 **SECTION 8.2 State and Federal Funding Restorations.**

9 If additional state or federal funds are allocated to the City to backfill state or federal
10 reductions, the Controller shall backfill any funds appropriated to any program to the
11 General Reserve.

12

13 **SECTION 8.3 Process for Addressing General Fund Revenue Shortfalls**

14 Upon receiving Controller estimates of revenue shortfalls that exceed the value of the
15 General Reserve and any other allowances for revenue shortfalls in the adopted City
16 budget, the Mayor shall inform the Board of Supervisors of actions to address this
17 shortfall. The Board of Supervisors may adopt an ordinance to reflect the Mayor's
18 proposal or alternative proposals in order to balance the budget.

19

20 **SECTION 9. Interdepartmental Services.**

21 The Controller is hereby authorized and directed to prescribe the method to be used in
22 making payments for interdepartmental services in accordance with the provisions of
23 Section 3.105 of the Charter, and to provide for the establishment of interdepartmental
24 reserves which may be required to pay for future obligations which result from current
25 performances. Whenever, in the judgment of the Controller, the amounts which have

1 been set aside for such purposes are no longer required or are in excess of the amount
2 which is then currently estimated to be required, the Controller shall transfer the amount
3 no longer required to the fund balance of the particular fund of which the reserve is a
4 part. Provided further that no expenditure shall be made for personnel services, rent,
5 equipment, or capital outlay purposes from any interdepartmental reserve or work order
6 fund without specific appropriation by the Board of Supervisors.

7

8 The amount detailed in departmental budgets for services of other City departments
9 cannot be transferred to other spending categories without prior agreement from both
10 the requesting and performing departments.

11

12 The Controller, pursuant to the provisions of Charter Section 3.105, shall review and
13 may adjust charges or fees for services that may be authorized by the Board of
14 Supervisors for the administration of the Technology Marketplace. Such fees are hereby
15 appropriated for that purpose.

16

17 **SECTION 10. Positions in the City Service.**

18 Department heads shall not make appointments to any office or position until the
19 Controller shall certify that funds are available.

20

21 Funds provided herein for salaries or wages may, with the approval of the Controller, be
22 used to provide for temporary employment when it becomes necessary to replace the
23 occupant of a position while on extended leave without pay, or for the temporary filling
24 of a vacancy in a budgeted position. The Controller is authorized to approve the use of
25 existing salary appropriations within departments to fund permanent appointments of up

1 to six months to backfill anticipated vacancies to ensure implementation of successful
2 succession plans and to facilitate the transfer of mission critical knowledge. The
3 Controller shall provide a report to the Board of Supervisors every six months
4 enumerating permanent positions created under this authority.

5

6 Appointments to seasonal or temporary positions shall not exceed the term for which
7 the Controller has certified the availability of funds.

8

9 The Controller shall be immediately notified of a vacancy occurring in any position.

10

11 **SECTION 10.1 Positions, Funds, and Transfers for Specific Purposes.**

12 Funds for personnel services may be transferred from any legally available source on
13 the recommendation of the department head and approval by the City Administrator,
14 Board, or Commission, for departments under their respective jurisdiction, and on
15 authorization of the Controller with the prior approval of the Human Resources Director
16 for:

17

18 (a) Lump sum payments to officers, employees, police officers and fire fighters other
19 than elective officers and members of boards and commissions upon death or
20 retirement or separation caused by industrial accident for accumulated sick leave
21 benefits in accordance with Civil Service Commission rules.

22

23 (b) Payment of the supervisory differential adjustment, out of class pay, or other
24 negotiated premium to employees who qualify for such adjustment provided that the
25 transfer of funds must be made from funds currently available in departmental

1 personnel service appropriations.

2

3 (c) Payment of any legal salary or fringe benefit obligations of the City, including
4 amounts required to fund arbitration awards.

5

6 (d) The Controller is hereby authorized to adjust salary appropriations for positions
7 administratively reclassified or temporarily exchanged by the Human Resources
8 Director provided that the reclassified position and the former position are in the same
9 functional area.

10

11 (e) Positions may be substituted or exchanged between the various salary
12 appropriations or position classifications when approved by the Human Resources
13 Director as long as said transfers do not increase total departmental personnel service
14 appropriations.

15

16 (f) The Controller is hereby authorized and directed upon the request of a
17 department head and the approval by the Mayor's Office to transfer from any legally
18 available funds amounts needed to fund legally mandated salaries, fringe benefits, and
19 other costs of City employees. Such funds are hereby appropriated for the purpose set
20 forth herein.

21

22 (g) The Controller is hereby authorized to transfer any legally available funds to
23 adjust salary and fringe benefit appropriations as required under reclassifications
24 recommended by the Human Resources Director and approved by the Board of
25 Supervisors in implementing the Management Compensation and Classification Plan.

1 Amounts transferred shall not exceed the actual amount required including the cost to
2 the City of mandatory fringe benefits.

3

4 (h) Pursuant to California Labor Code Section 4850.4, the Controller is authorized to
5 make advance payments from departments' salary accounts to employees participating
6 in CalPERS who apply for disability retirement. Repayment of these advanced disability
7 retirement payments from CalPERS and from employees are hereby appropriated to the
8 departments' salary account.

9

10 (i) For purposes of defining terms in Administrative Code Section 3.18, the
11 Controller is authorized to process transfers where such transfers are required to
12 administer the budget through the following certification process: In cases where
13 expenditures are reduced at the level of appropriation control during the Board of
14 Supervisors phase of the budget process, the Chair of the Budget and Finance
15 Committee, on recommendation of the Controller, may certify that such a reduction
16 does not reflect a deliberate policy reduction adopted by the Board. The Mayor's
17 Budget Director may similarly provide such a certification regarding reductions during
18 the Mayor's phase of the budget process.

19

20 **SECTION 10.2 Professional Services Contracts.**

21 Funds appropriated for professional service contracts may be transferred to the account
22 for salaries on the recommendation of the department head for the specific purpose of
23 using City personnel in lieu of private contractors with the approval of the Human
24 Resources Director and the Mayor and certification by the Controller that such transfer
25 of funds would not increase the cost of government.

1 **SECTION 10.3 Surety Bond Fund Administration.**

2 The Controller is hereby authorized to allocate funds from capital project appropriations
3 to the San Francisco Self-Insurance Surety Bond Fund, as governed by Administrative
4 Code Section 10.100-317 and in accordance with amounts determined pursuant to
5 Administrative Code Section 14B.16.

6

7 **SECTION 10.4 Salary Adjustments, Memoranda of Understanding (MOUs).**

8 The Controller is authorized and directed to transfer from the Salary and Benefits
9 Reserve, or any legally available funds, amounts necessary to adjust appropriations for
10 salaries and related mandatory fringe benefits of employees whose compensation is
11 pursuant to Charter Sections A8.403 (Registered Nurses), A8.404 (Transit Operators),
12 A8.409 (Miscellaneous Employees), A8.405 and A8.590-1 through A8.590-5 (Police and
13 Firefighters), revisions to state law, or collective bargaining agreements adopted
14 pursuant to the Charter or arbitration award. The Controller and Human Resources
15 Director are further authorized and directed to adjust the rates of compensation to
16 reflect current pay rates for any positions affected by the foregoing provisions.

17

18 Adjustments made pursuant to this section shall reflect only the percentage increase
19 required to adjust appropriations to reflect revised salary and other pay requirements
20 above the funding level established in the base and adopted budget of the respective
21 departments.

22

23 The Controller is authorized and directed to transfer from reserves or any legally
24 available funds amounts necessary to provide costs of non-salary benefits in ratified
25 Memoranda of Understanding or arbitration awards or Board of Supervisors approved

employee and retiree health and dental rates. The Controller's Office shall report to the Budget and Finance Committee or Budget and Appropriations Committee on the status of the Salary and Benefits Reserve, including amounts transferred to individual City departments and remaining Reserve balances, as part of the Controller's Six and Nine Month Budget Status Reports.

SECTION 10.5 MOUs to be Reflected in Department Budgets.

Should the City adopt an MOU with a recognized employee bargaining organization during the fiscal year which has fiscal effects, the Controller is authorized and directed to reflect the budgetary impact of said MOU in departmental appropriations by transferring amounts to or from the Salary and Benefits Reserve, or, for self-supporting or restricted funds, to or from the respective unappropriated fund balance account. All amounts transferred pursuant to this section are hereby appropriated for that purpose.

SECTION 10.6 Funding Memoranda of Understanding (MOUs).

Whenever the Board of Supervisors has ratified by ordinance or resolution Memoranda of Understanding with recognized employee organizations or an arbitration award has become effective, and said memoranda or award contains provisions requiring the expenditure of funds, the Controller, on the recommendation of the Human Resources Director, shall reserve sufficient funds to comply with such provisions and such funds are hereby appropriated for such purposes. The Controller is hereby authorized to make such transfers from funds hereby reserved or legally available as may be required to make funds available to departments to carry out the purposes required by the Memoranda of Understanding or arbitration award.

1 **SECTION 10.7 Fringe Benefit Rate Adjustments.**

2 Appropriations herein made for fringe benefits may be adjusted by the Controller to
3 reflect revised amounts required to support adopted or required contribution rates. The
4 Controller is authorized and is hereby directed to transfer between departmental
5 appropriations and the General Reserve or other unappropriated balance of funds any
6 amounts resulting from adopted or required contribution rates and such amounts are
7 hereby appropriated to said accounts.

8

9 When the Controller determines that prepayment of the employer share of pension
10 contributions is likely to be fiscally advantageous, the Controller is authorized to adjust
11 appropriations and transfers in order to make and reconcile such prepayments.

12

13 **SECTION 10.8 Police Department Uniformed Positions.**

14 Positions in the Police Department for each of the various ranks that are filled based on
15 the educational attainment of individual officers may be filled interchangeably at any
16 level within the rank (e.g., Patrol Officer Q2, Q3 or Q4, Sergeant Q50, Q51, Q52). The
17 Controller and Human Resources Director are hereby authorized to adjust payrolls,
18 salary ordinances, and other documents, where necessary, to reflect the current status
19 of individual employees; provided however, that nothing in this section shall authorize
20 an increase in the total number of positions allocated to any one rank or to the Police
21 Department.

22

23 **SECTION 10.9 Holidays, Special Provisions.**

24 Whenever the Mayor formally declares that any day is a holiday for City employees
25 under the terms of a Memorandum of Understanding, the Controller, with the approval

1 of the Mayor's Office, is hereby authorized to make such transfer of funds not to exceed
2 the actual cost of said holiday from any legally available funds.

3

4 **SECTION 10.10 Litigation Reserve, Payments.**

5 The Controller is authorized and directed to transfer from the Reserve for Litigation
6 Account for General Fund supported departments or from any other legally available
7 funds for other funds, amounts required to make payments required to settle litigation
8 against the City that has been recommended by the City Attorney and approved by the
9 Board of Supervisors in the manner provided in the Charter. Such funds are hereby
10 appropriated for the purposes set forth herein.

11

12 Amounts required to pay settlements of claims or litigation involving the Public Utilities
13 Commission are hereby appropriated from the Public Utilities Commission Wastewater
14 Enterprise fund balance or the Public Utilities Commission Water Enterprise fund
15 balance, as appropriate, for the purpose of paying such settlements following final
16 approval of those settlements by resolution or ordinance.

17

18 **SECTION 10.11 Changes in Health Services Eligibility.**

19 Should the Board of Supervisors amend Administrative Code Section 16.700 to change
20 the eligibility in the City's Health Service System, the Controller is authorized and
21 directed to transfer from any legally available funds or the Salary and Fringe Reserve
22 for the amount necessary to provide health benefit coverage not already reflected in the
23 departmental budgets.

24

25 **Section 10.12 Workers' Compensation Alternative Dispute Resolution Program**

1 Resolutions 85-19 and 86-19 authorized the Department of Human Resources to enter
2 Workers' Compensation Alternative Dispute Resolution (ADR) Labor-Management
3 Agreements with the San Francisco Firefighters' Association, Local 798, and San
4 Francisco Police Officers Association, respectively. These Agreements require the City
5 to allocate an amount equal to 50% of the ADR program estimated net savings, as
6 determined by actuarial report, for the benefit of active employees. The Controller is
7 authorized and directed to transfer from any legally available funds the amount
8 necessary to make the required allocations. This provision will terminate if the parties
9 agree to terminate the Agreements.

10

11 **SECTION 11. Funds Received for Special Purposes, Trust Funds.**

12 The Controller is hereby authorized and directed to continue the existing special and
13 trust funds, revolving funds, and reserves. The receipts in and expenditures from each
14 such fund are hereby appropriated in accordance with law and the conditions under
15 which each such fund was established.

16

17 The Controller is hereby authorized and directed to set up additional special and trust
18 funds and reserves as may be created either by additional grants and bequests or
19 under other conditions, and the receipts in each fund are hereby appropriated in
20 accordance with law for the purposes and subject to the conditions under which each
21 such fund is established.

22

23 **SECTION 11.1 Special and Trust Funds Appropriated; Approval of Certain Grant**
24 **Agreements under Charter Section 9.118**

25 Whenever the City and County of San Francisco shall receive for a special purpose

1 from the United States of America, the State of California, or from any public or
2 semi-public agency, or from any private person, firm or corporation, any moneys, or
3 property to be converted into money, the Controller shall establish a special fund or
4 account evidencing the said moneys so received and specifying the special purposes
5 for which they have been received and for which they are held. Said account or fund
6 shall be maintained by the Controller as long as any portion of said moneys or property
7 remains.

8

9 Recurring grant funds which are detailed in departmental budget submissions and
10 approved by the Mayor and Board of Supervisors in the annual budget shall be deemed
11 to have met the requirements of Administrative Code Section 10.170 for the approval to
12 apply for, receive, and expend said funds and shall be construed to be funds received
13 for a specific purpose as set forth in this section. Where the amount of a recurring grant
14 that is detailed in a departmental budget submission exceeds \$1 million or the duration
15 exceeds ten years, the grant agreement shall be deemed approved by the Board of
16 Supervisors under Charter Section 9.118. Positions specifically approved by granting
17 agencies in said grant awards may be filled as though said positions were included in
18 the annual budget and Annual Salary Ordinance, provided however that the tenure of

1 Effective July 1, 2026, the State is transitioning the Mental Health Services Fund
2 (MHSF) to the Behavioral Health Services Fund (BHSF). Pursuant to Welfare and
3 Institutions Code Section 5893, counties are required to establish a local BHSF in which
4 to allocate BHSA subventions and to spend funds consistent with their Three-Year
5 Integrated Plan (IP) and related updates. On this date, any unspent local MHSF monies
6 are considered “converted” into BHSA monies and must be expended consistent with
7 the requirements of the BHSF. The Controller is authorized to transfer funds, including
8 fund balance, and appropriation authority, between and within accounts related to

5 less than 1% of the total of all taxes and assessments levied on the secured roll for that
6 year for participating entities in the county as provided by Revenue and Taxation Code
7 Section 4703. The Board of Supervisors authorizes the Controller to make timely
8 property tax distributions to the Office of Community Investment and Infrastructure, the
9 Treasure Island Development Authority, and City Infrastructure Financing Districts as
10 approved by the Board of Supervisors through the budget, through development pass-
11 through contracts, through tax increment allocation pledge agreements and ordinances,
12 and as mandated by State law.

13

14 The Controller is authorized to adjust the budget to conform to assumptions in final
15 approved property tax rates and to make debt service payments for approved general
16 obligation bonds accordingly.

17

18 The Controller is authorized and directed to recover costs from the levy, collection, and

20 Fund, approved annually by resolution of the Board of Supervisors, includes a collection
21 fee of 0.25% of the fund collected for the purpose of the General Obligation Bond debt
22 service. An amount sufficient to pay this fee is hereby appropriated within the General

10 credited to, and made available in, the appropriation from which said aid was provided.

11

12 **SECTION 12.6 Department of Public Health Transfer Payments, Indigent Health**

13

14

15 **Revenues, and Realignment Funding to Offset for Low Income Health Programs.**

16 To more accurately reflect the total net budget of the Department of Public Health, this
17 ordinance shows net revenues received from certain state and federal health programs.
18 Funds necessary to participate in such programs that require transfer payments are
19 hereby appropriated. The Controller is authorized to defer surplus transfer payments,
20 indigent health revenues, and Realignment funding to offset future reductions or audit

22 individuals.

23

24 **SECTION 12.7 Municipal Transportation Agency.**

25 Consistent with the provisions of Article VIII A of the Charter, the Controller is authorized

11 approved by the Board of Supervisors.

12

13 **SECTION 12.9 Hetch Hetchy Power Stabilization Fund.**

14

15 Hetch Hetchy has entered into a long-term agreement to purchase a fixed amount of
16 power. Any excess power from this contract will be sold back to the power market.

17

18 To limit Hetch Hetchy's risk from adverse market conditions in the future years of the
19 contract, the Controller is authorized to establish a power stabilization account that
20 reserves any excess revenues from power sales in the early years of the contract.
21 These funds may be used to offset potential losses in the later years of the contract.
22 The balance in this fund may be reviewed and adjusted annually.

23

24 The power purchase amount reflected in the Public Utility Commission's expenditure
25 budget is the net amount of the cost of power purchased for Hetch Hetchy use. Power
purchase appropriations may be increased by the Controller to reflect the pass through

1 costs of power purchased for resale under long-term fixed contracts previously
2 approved by the Board of Supervisors.

3

4 **SECTION 12.10 Closure of Special Funds, Projects, and Accounts**

5 In accordance with Administrative Code Section 10.100-1(d), if there has been no

7 and repealed. The Controller is hereby authorized and directed to reconcile and balance
8 funds, projects and accounts, and to close completed projects. The Controller is
9 directed to create a clearing account for the purpose of balancing surpluses and deficits
10 in such funds, projects and accounts, and funding administrative costs incurred to
11 perform such reconciliations.

12

13

14 From time to time, the Controller shall submit a report to the Board of Supervisors and
15 the Mayor identifying funds in Article XIII of Chapter 10 of the Administrative Code or in
16 other sections of the Municipal Code that have had no expenditure activity for the past
17 two fiscal years and were enacted at least four years before the date of the report.
18 Before including a fund on the report, the Controller shall notify the department
19 responsible for administering the fund, if any. Funds identified on the Controller's report
20 shall be repealed 90 days after the date of the Controller's report. After such time, the
21 City Attorney is authorized to cause the removal from the Municipal Code references to
22 funds that have been repealed under this Section.

23

24 This budget ordinance appropriates fund balance from active project closeouts in
25 continuing funds in the General Fund and a number of special revenue and enterprise
funds. The Controller is directed to deappropriate projects to realize the fund balance
used as a source in the adopted budget.

1

2 SECTION 12.11 Charter-Mandated Baseline Appropriations.

3 The Controller is authorized to increase or reduce budgetary appropriations as required
4 by the Charter for baseline allocations to align allocations to the amounts required by

7 baseline allocations as required under the Charter and the Municipal Code.

8

9 SECTION 12.12 Parking Tax Allocation.

10 The Controller is authorized to increase or decrease final budgetary allocation of
11 parking tax in-lieu transfers to reflect actual collections to the Municipal Transportation

13 approval prior to any expenditure supported by allocations that accrue to the Agency
14 that are greater than those already appropriated in the Annual Appropriation Ordinance.

15

17 Pursuant to Board of Supervisors Ordinance 215-12, the Successor Agency to the San
18 Francisco Redevelopment Agency (also known as the Office of Community Investment
19 and Infrastructure, or OCII) is a separate legal entity from the City and its budget is
20 subject to separate approval by resolution of the Board of Supervisors. The Controller is
21 authorized to transfer funds and appropriation authority between and within accounts
22 related to former San Francisco Redevelopment Agency (SFRA) fund balances to serve
23 the accounting requirements of the OCII, the Port, the Mayor's Office of Housing and
24 Community Development and the City Administrator's Office and to comply with state
25 requirements and applicable bond covenants.

1 The Purchaser is authorized to allow the OCII and departments to follow applicable
2 contracting and purchasing procedures of the former SFRA and waive inconsistent
3 provisions of the San Francisco Administrative Code when managing contracts and
4 purchasing transactions related to programs formerly administered by the SFRA.

5
6 If, during the course of the budget period, the OCII requests departments to provide
7 additional services beyond budgeted amounts and the Controller determines that the
8 Successor Agency has sufficient additional funds available to reimburse departments
9 for such additional services, the departmental expenditure authority to provide such
10 services is hereby appropriated.

11
12 When 100% of property tax increment revenues for a redevelopment project area are
13 pledged based on an agreement that constitutes an enforceable obligation, the
14 Controller will increase or decrease appropriations to match actual revenues realized for
15 the project area.

16
17 The Mayor's Office of Housing and Community Development is authorized to act as the
18 fiscal agent for the Public Initiatives Development Corporation (PIDC) and receive and
19 disburse PIDC funds as authorized by the PIDC bylaws and the PIDC Board of
20 Directors.

21
22 **SECTION 12.14 CleanPowerSF.**
23 CleanPowerSF customer payments and all other associated revenues deposited in the
24 CleanPowerSF special revenue fund are hereby appropriated in the amounts actually
25 received by the City in each fiscal year. The Controller is authorized to disburse the
revenues appropriated by this section as well as those appropriated yet unspent from
prior fiscal years to pay power purchase obligations and other operating costs as

1 provided in the program plans and annual budgets, as approved by the Board of
2 Supervisors for the purposes authorized therein.

3

4 **SECTION 12.15 Unclaimed Funds Escheatment Noticing & Accounting**

5 **Procedures**

6 Pursuant to Government Code Sections 50055 and 50057, the Board of Supervisors
7 authorizes the Treasurer to transfer to the General Fund without publication of a notice
8 in a newspaper the following amounts that remain unclaimed in the treasury of the City
9 or in the official custody of an officer of the City for a period of at least one year: (1) any
10 individual items of less than \$15; and (2) any individual items of \$5,000 or less if the

17 consultant or witness services, to support the City Attorney's legal advice, advocacy,
18 and litigation in preparation for or response to policies, actions, threats, and other
19 decisions by the federal government. The City Attorney shall report all such grants and
20 gifts to the Controller and the Mayor's Budget Office, in addition to any other applicable
21 reporting requirements in the Administrative Code and the Campaign and Governmental
22 Conduct Code.

23

24 **SECTION 14. Departments.**

25 The term department as used in this ordinance shall mean department, bureau, office,
utility, agency, board, or commission, as the case may be. The term department head
as used herein shall be the chief executive duly appointed and acting as provided in the

1 Charter. When one or more departments are reorganized or consolidated, the former
2 entities may be displayed as separate units, if, in the opinion of the Controller, this will
3 facilitate accounting or reporting.

4 (a) The Public Utilities Commission shall be considered one entity for budget
5 purposes and for disbursement of funds within each of the enterprises. The entity shall
6 retain its enterprises, including Water, Hetch Hetchy, Wastewater, and the Public
7 Utilities Commission, as separate utility fund enterprises under the jurisdiction of the
8 Public Utilities Commission and with the authority provided by the Charter. This section
9 shall not be construed as a merger or completion of the Hetch Hetchy Project, which
10 shall not be deemed completed until a specific finding of completion has been made by
11 the Public Utilities Commission. The consolidated agency will be recognized for
12 purposes of determining employee seniority, position transfers, budgetary authority, and
13 transfers or reappropriation of funds.

14

15 (b) There shall be a General Services Agency, headed by the City Administrator,
16 including the Department of Telecommunication and Information Services, and the
17 Department of Administrative Services. The City Administrator shall be considered one
18 entity for budget purposes and for disbursement of funds.

19

20 (c) There shall be a Human Services Agency, which shall be considered one entity
21 for budget purposes and for disbursement of funds. Within the Human Services Agency
22 shall be two departments: (1) the Department of Human Services, under the Human
23 Services Commission, and (2) the Department of Disability and Aging Services
24 ("DAAS"), under the Disability and Aging Services Commission, which includes Adult
25 Protective Services, the Public Administrator/Public Guardian, the Mental Health
Conservator, the Department of Disability and Aging Services, the County Veterans'

1 Service Officer, and the In-Home Supportive Services Program. This budgetary
2 structure does not affect the legal status or structure of the two departments. The

3

4 Human Resources Director and the Controller are authorized to transfer employees,
5 positions, and funding in order to effectuate the transfer of the program from one
6 department to the other. The consolidated agency will be recognized for purposes of
7 determining employee seniority, position transfers, budgetary authority and transfers or
8 reappropriation of funds.

9

10 The departments within the Human Services Agency shall coordinate with each other
11 and with the Disability and Aging Services Commission to improve delivery of services,
12 increase administrative efficiencies and eliminate duplication of efforts. To this end, they
13 may share staff and facilities. This coordination is not intended to diminish the authority
14 of the Disability and Aging Services Commission over matters under the jurisdiction of
15 the Commission.

16

17 The Director of the Disability and Aging Services Commission also may serve as the
18 department head for DAAS, and/or as a deputy director for the Department of Human
19 Services, but shall receive no additional compensation by virtue of an additional
20 appointment. If an additional appointment is made, it shall not diminish the authority of
21 the Disability and Aging Services Commission over matters under the jurisdiction of the
22 Commission.

23

24

25

(d) There shall be an Agency for Human Rights, which shall be considered one
entity for budget purposes and for disbursement of funds. Within the Agency shall be

1 two departments: (1) the Human Rights Commission, led by the Executive Director
2 under its Commission, and (2) the Department on the Status of Women, led by the
3 Director under the Commission on the Status of Women. This budgetary structure does
4 not affect the legal status or structure of the two departments. The Human Resources
5 Director and the Controller are authorized to transfer employees, positions, and funding
6 in order to effectuate the transfer of the program from one department or division to the
7 other. The consolidated agency will be reorganized for purposes of determining
8 employee seniority, position transfers, budgetary authority and transfers or
9 reappropriation of funds.

10

11 The Executive Director of the Human Rights Commission will lead the Agency for
12 Human Rights. The Executive Director will ensure that the departments within the
13 Agency shall coordinate with each other to improve delivery of services, increase
14 administrative efficiencies, and eliminate duplication of efforts. To this end, they may
15 share staff and facilities. This coordination is not intended to diminish the authority of

16

17 the two commissions—the Human Rights Commission and the Commission on the
18 Status of Women—over matters under their respective jurisdictions.

19 Neither the Executive Director of the Human Rights Commission nor the Director of the
20 Department on the Status of Women shall receive additional compensation by virtue of
21 their role in the Agency.

22

23 (e) The Local Agency Formation Commission (LAFCo) is a separate legal entity
24 established under state law and is not a department or agency of the City. Because the
25 City has a legal obligation to provide funds to LAFCo, this ordinance includes an
appropriation for that purpose. Although LAFCo is not part of the Board of Supervisors
or subject to the Board's oversight and direction, this ordinance includes appropriations

1 to LAFCo in the Board of Supervisors budget for administrative reasons related to the
2 format of this ordinance. Any transfers of funds to LAFCo from other appropriations in
3 the budget are prohibited without approval by a subsequent ordinance. City staff,
4 including but not limited to the Clerk of the Board of Supervisors, may not perform work
5 for LAFCo, except as authorized by a memorandum of understanding between the City
6 and LAFCo, subject to any required approvals.

7

8 **SECTION 15. Travel Reimbursement and Cell Phone Stipends.**

9 The Controller shall establish rules for the payment of all amounts payable for travel for
10 officers and employees, and for the presentation of such vouchers as the Controller
11 shall deem proper in connection with expenditures made pursuant to this Section. No
12 allowance shall be made for traveling expenses provided for in this ordinance unless
13 funds have been appropriated or set aside for such expenses in accordance with the
14 provisions of the Charter.

15

16

17 The Controller may advance the sums necessary for traveling expenses, but proper
18 account and return must be made of said sums so advanced by the person receiving
19 the same within ten days after said person returns to duty in the City, and failure on the
20 part of the person involved to make such accounting shall be sufficient cause for the
21 Controller to withhold from such persons pay check or checks in a sum equivalent to the
22 amount to be accounted.

23

24 In consultation with the Human Resources Director, the Controller shall establish rules
25 and parameters for the payment of monthly stipends to officers and employees who use
their own cells phones to maintain continuous communication with their workplace, and
who participate in a Citywide program that reduces costs of City-owned cell phones.

1

2 SECTION 15.1 State of California Travel Program.

3 To ensure cost effective rates and charges and reduce administrative burdens and
4 costs associated with expense reimbursement for City business-related travel and field
5 expenses, the Controller's Office is authorized to implement rules and regulations
6 required of departments that participate in the State of California's Statewide Travel
7 Program, administered by the California Department of General Services, which
8 provides access to state-negotiated rates with hotel, airline, and car rental providers in
9 adherence with the state's competitive procurement solicitation and contract award
10 rules and regulations. In compliance with rules and regulations established by the
11 Controller, which may be updated from time to time, departments are permitted to
12 participate in the State of California Travel Program as per the pre-established terms
13 and conditions required by the State for local governments. The Controller's Accounting
14 Policies and Procedures manual shall include the State of California Travel Program

15

16

17 rules and regulations. This provision shall satisfy San Francisco Administrative Code
18 approval, including Section 21.16 Use of Purchasing Agreements and Reciprocal
19 Agreements with Other Public and Non-Profit Agencies, for travel and related services
20 procured through the State of California Travel Program.

21

23 The Controller is hereby authorized to establish a Contributed Revenue and Adjustment
24 Reserve to accumulate receipts in excess of those estimated revenues or unexpended
25 appropriations stated herein. Said reserve is established for the purpose of funding the
budget of the subsequent year, and the receipts in this reserve are hereby appropriated
for said purpose. The Controller is authorized to maintain an Audit and Adjustment

1 Reserve to offset audit adjustments and to balance expenditure accounts to conform to
2 year-end balancing and year-end close requirements.

3

4 **SECTION 17. Airport Service Payment.**

5 The moneys received from the Airport's revenue fund as the Annual Service Payment
6 provided in the Airline-Airport Lease and Use Agreement are in satisfaction of all
7 obligations of the Airport Commission for indirect services provided by the City to the
8 Commission and San Francisco International Airport and constitute the total transfer to
9 the City's General Fund.

10

11 The Controller is hereby authorized and directed to transfer to the City's General Fund
12 from the Airport revenue fund with the approval of the Airport Commission funds that
13 constitute the annual service payment provided in the Airline - Airport Lease and Use
14 Agreement in addition to the amount stated in the Annual Appropriation Ordinance.

15

16

17 On the last business day of the fiscal year, unless otherwise directed by the Airport
18 Commission, the Controller is hereby authorized and directed to transfer all moneys
19 remaining in the Airport's Contingency Account to the Airport's Revenue Fund. The
20 Controller is further authorized and directed to return such amounts as were transferred
21 from the Contingency Account, back to the Contingency Account from the Revenue
22 Fund Unappropriated Surplus on the first business day of the succeeding fiscal year,
23 unless otherwise directed by the Airport Commission.

24

25 **SECTION 18. Pooled Cash, Investments.**

The Treasurer and Controller are hereby authorized to transfer available fund balances
within pooled cash accounts to meet the cash management of the City, provided that

1 special and non-subsidized enterprise funds shall be credited interest earnings on any
2 funds temporarily borrowed therefrom at the rate of interest earned on the City Pooled
3 Cash Fund. No such cash transfers shall be allowed where the investment of said funds
4 in investments such as the pooled funds of the City is restricted by law.

5

6 **SECTION 19. Matching Funds for Federal or State Programs.**

7 Funds contributed to meet operating deficits or to provide matching funds for federal or
8 state aid (e.g. Medicaid under SB 855 or similar legislation for Zuckerberg San
9 Francisco General Hospital) are specifically deemed to be made exclusively from local
10 property and business tax sources.

11

12 **SECTION 20. Advance Funding of Bond Projects – City Departments.**

13 Whenever the City has authorized appropriations for the advance funding of projects
14 which may at a future time be funded from the proceeds of general obligation, revenue,

15

16 or lease revenue bond issues or other legal obligations of the City, the Controller shall
17 recover from bond proceeds or other available sources, when they become available,
18 the amount of any interest earnings foregone by the General Fund as a result of such
19 cash advance to disbursements made pursuant to said appropriations. The Controller
20 shall use the monthly rate of return earned by the Treasurer on City Pooled Cash Fund
21 during the period or periods covered by the advance as the basis for computing the
22 amount of interest foregone which is to be credited to the General Fund.

23

24 **SECTION 21. Advance Funding of Projects – Transportation Authority.**

25 Whenever the San Francisco County Transportation Authority requests advance
funding of the costs of administration or the costs of projects specified in the City and

1 County of San Francisco Transportation Expenditure Plan which will be funded from
2 proceeds of the transactions and use tax as set forth in Article 14 of the Business and
3
4 Tax Regulations Code, the Controller is hereby authorized to make such advance. The
5 Controller shall recover from the proceeds of the transactions and use tax when they
6 become available, the amount of the advance and any interest earnings foregone by the
7 City General Fund as a result of such cash advance funding. The Controller shall use
8 the monthly rate of return earned by the Treasurer on General City Pooled Cash funds
9 during the period or periods covered by the advance as the basis for computing the
10 amount of interest foregone which is to be credited to the General Fund.

11

12 **SECTION 22. Controller to Make Adjustments, Correct Clerical Errors.**

13 The Controller is hereby authorized and directed to adjust interdepartmental
14 appropriations, make transfers to correct objects of expenditures classifications, and to
15 correct clerical or computational errors as may be ascertained by the Controller to exist
16 in this ordinance. The Controller shall file with the Clerk of the Board a list of such
17 adjustments, transfers, and corrections made pursuant to this Section.

18

19 The Controller is hereby authorized to make the necessary transfers to correct objects
20 of expenditure classifications, and corrections in classifications made necessary by
21 changes in the proposed method of expenditure.

22

23 **SECTION 22.1 Controller to Implement New Financial and Interfacing**

The Controller is authorized to transfer revenues among City departments to comply with provisions in the state budget.

SECTION 24. Use of Permit Revenues from the Department of Building Inspection.

Permit revenue funds from the Department of Building Inspection that are transferred to other departments as shown in this budget shall be used only to fund the planning, regulatory, enforcement, and building design activities that have a demonstrated nexus

with the projects that produce the fee revenues.

SECTION 25. Board of Supervisors Official Advertising Charges.

The Board of Supervisors is authorized to collect funds from enterprise departments to place official advertising. The funds collected are automatically appropriated in the budget of the Board of Supervisors as they are received.

SECTION 26. Work Order Appropriations.

1 as well as services provided by City departments to external agencies, including but not
2 limited to the Office of Community Investment and Infrastructure, the Treasure Island
3 Development Authority, the School District, and the Community College District.
4 Revenues for services from external agencies shall be appropriated by the Controller in
5 accordance with the terms and conditions established to perform the service.

6

7 **SECTION 26.1 Property Tax System**

8 In order to minimize new appropriations to the property tax system replacement project,
9 the Controller is authorized and directed to apply operational savings from the offices of
10 the Tax Collector, Assessor, and Controller to the project. No later than June 1, 2018,
11 the Controller shall report to the Budget and Legislative Analyst's Office and Budget and
12 Finance Committee on the specific amount of operational savings, including details on
13 the source of such savings, in the budgets of Tax Collector, Assessor, and Controller

14

15

16 that are re-allocated to the Property Tax System Replacement Project.

17

18 **SECTION 26.2 Assessment Appeals System**

19 In order to minimize appropriations to the online assessment appeals application filing
20 system project, the Controller is authorized and directed to apply any operating
21 balances from the Assessment Appeals Board of the Board of Supervisors to the project
22 through Fiscal Year 2029-30.

23

24 **SECTION 27. Revenue Reserves and Deferrals.**

25 The Controller is authorized to establish fee reserve allocations for a given program to
the extent that the cost of service exceeds the revenue received in a given fiscal year,
including establishment of deferred revenue or reserve accounts. In order to maintain

1| balance between budgeted revenues and expenditures, revenues realized in the fiscal
2| year preceding the year in which they are appropriated shall be considered reserved for
3| the purposes for which they are appropriated.

4|

5| **SECTION 28. Close-Out of Reserved Appropriations.**

6| On an annual basis, the Controller shall report the status of all reserves, their remaining
7| balances, and departments' explanations of why funding has not been requested for
8| release. Continuation of reserves will be subject to consideration and action by the
9| Budget and Finance Committee or Budget and Appropriations Committee. The
10| Controller shall close out reserved appropriations that are no longer required by the

14|

15|

16| Consistent with Charter Section 3.105(d), the Controller is authorized to reserve
17| expenditures in the City's budget equal to uncertain revenues, as deemed appropriate
18| by the Controller. The Controller is authorized to remove, transfer, and update reserves
19| to expenditures in the budget as revenue estimates are updated and received in order
20| to maintain City operations.

21|

22| **SECTION 29. Appropriation Control of Capital Improvement Projects and**
23| **Equipment.**

24| Unless otherwise exempted in another section of the Administrative Code or Annual
25| Appropriation Ordinance, and in accordance with Administrative Code Section 3.18,

Board-approved capital project. The Controller shall approve transfers only if they do

1 not materially change the size or scope of the original project. Annually, the Controller
2 shall report to the Board of Supervisors on transfers of funds that exceed 10% of the
3 original appropriation to which the transfer is made.

4

5 The Controller is authorized to approve substitutions within equipment items purchased
6 to equip capital facilities providing that the total cost is within the Board-approved capital
7 project appropriation.

13 (COP)-funded capital projects across General Fund departments to ensure the most
14
15 efficient and cost-effective administration of COP funds, provided there is no net
16 increase or decrease in project budgets.

17

18 The Controller is hereby authorized to revise COP debt service appropriations within
19 General Fund supported COP debt service funds for authorized but unissued debt, in
20 order to make final debt service payments due upon issuance of authorized debt. Such
21 revisions shall not increase or decrease approved expenditure authority and shall only
22 be done for the purpose of reducing interest costs in future years. Such revisions shall
23 only be made if the Controller determines it is financially advantageous to do so.

24
