**Re: Transmittal of Planning Department Case Number 2013.0860T
Formula Retail Use for Hayes-Gough NCT District
Board File No. 130486
Planning Commission Action: Continue Indefinitely**

Dear Ms. Calvillo and Supervisor Breed,

On August 1, 2013, the Planning Commission conducted a duly noticed public hearing at regularly scheduled meetings to consider the proposed Ordinance, introduced by Supervisor Breed that would change the definition of Formula Retail in the Hayes Gough NCT District. At the hearing, the Planning Commission voted to continue the item indefinitely.

As a result of this action, the Commission will not hear this item again unless Supervisor Breed extends the time allowed for the Commission to review the proposed legislation.

Supervisor, please advise the Clerk of the Board at your earliest convenience if you wish to provide more time for the Commissions to review the proposed Ordinance.

If you have any questions or require further information please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "AM-Rodgers", with a horizontal line extending to the right.
