21 Be it ordained by the People of the City and County of San Francisco:

22 Section 1. Findings. The Board of Supervisors of the City and County of San
23 Francisco hereby find and determine that:
24
25

1 (a) Pursuant to Planning Code Section 302, the Board of Supervisors finds that this
2 ordinance will serve the public necessity, convenience and welfare, for the reasons set forth in
3 Planning Commission Resolution No. 17771, and incorporates such reasons by this
4 reference thereto. A copy of said resolution is on file with the Clerk of the Board of
5 Supervisors in File No. 081620.

6 (b) Pursuant to Planning Code Section 101.1, the Board of Supervisors finds that the
7 ordinance is consistent with the Priority Policies of Section 101.1(b) of the Planning Code and
8 with the General Plan and hereby incorporates a report containing those findings as if fully set
9 forth herein. A copy of said report is on file with the Clerk of the Board of Supervisors in File
10 No. 081620.

11 (c) The Planning Department concluded environmental review of this ordinance
12 pursuant to the California Environmental Quality Act, Public Resources Code Section 2100 et
13 seq. Documentation of that review is on file with the Clerk of the Board of Supervisors in File
14 No. 081620.

15 Section 2. The San Francisco Planning Code is hereby amended by amending Section
16 140(a), to read as follows:

17 SEC. 140. ALL DWELLING UNITS IN ALL USE DISTRICTS TO FACE ON AN OPEN
18 AREA.

19 (a) With the exception of dwelling units in single room occupancy buildings in the
20 South of Market base area, in each dwelling unit in any use district, the required windows (as
21 defined by Section ~~501.4~~ 504 of the San Francisco Housing Code) of at least one room that
22 meets the 120-square-foot minimum superficial floor area requirement of Section ~~501.1~~ 503 of
23 the Housing Code shall face directly on an open area of one of the following types:
24
25

1 (1) A public street, public alley at least 25 feet in width, side yard at least 25 feet in
2 width, or rear yard meeting the requirements of this Code; provided, that if such windows are
3 on an outer court whose width is less than 25 feet, the depth of such court shall be no greater
4 than its width; or

5 (2) An open area (whether an inner court or a space between separate buildings on
6 the same lot) which is unobstructed (except for fire escapes not projecting more than
7 necessary for safety and in no case more than four feet six inches, chimneys, and those
8 obstructions permitted in Sections 136(c)(14), (15), (16), (19), (20) and (29) of this Code) and
9 is no less than 25 feet in every horizontal dimension for the floor at which the dwelling unit in
10 question is located and the floor immediately above it, with an increase of five feet in every
11 horizontal dimension at each subsequent floor.

12 Section 3. The San Francisco Planning Code is hereby amended by amending Section
13 151, to read as follows:

14 SEC. 151. SCHEDULE OF REQUIRED OFF-STREET PARKING SPACES.

15 Off-street parking spaces shall be provided in the minimum quantities specified in the
16 following table, except as otherwise provided in Section 151.1 and Section 161 of this Code.
17 Where the building or lot contains uses in more than one of the categories listed, parking
18 requirements shall be calculated in the manner provided in Section 153 of this Code. Where
19 off-street parking is provided which exceeds certain amounts in relation to the quantities
20 specified in this table, as set forth in Section 204.5 of this Code, such parking shall be
21 classified not as accessory parking but as either a principal or a conditional use, depending
22 upon the use provisions applicable to the district in which the parking is located. In
23 considering an application for a conditional use for any such parking, due to the amount being
24
25

1 provided, the City Planning Commission shall consider the criteria set forth in Section 157 of
 2 this Code.

1 (a) In S Districts, additional height up to 10 percent of the heights shown on Maps 1H,
2 2H and 7H of the Zoning Map may be allowed as an extension of the upper tower, provided
3 that the volume of the upper tower as extended is reduced by the percentage shown in Chart
4 B C of Section ~~270(4)~~ 271 of this Code.

5 (b) This additional height may be allowed pursuant to the provisions of Section 309
6 only to the extent it is determined that the upper tower volume is distributed in a way that will
7 add significantly to the sense of slenderness of the building and to the visual interest to the
8 termination of the building, and that the added height will improve the appearance of the sky-
9 line when viewed from a distance, will not adversely affect light and air to adjacent properties,
10 and will not add significant shadows to public open spaces.

12 Section 6. The San Francisco Planning Code is hereby amended by amending Section
13 816, to read as follows:

14 SEC. 816. SLR -- SERVICE/LIGHT INDUSTRIAL/RESIDENTIAL MIXED USE
15 DISTRICT.

16 The Service/Light Industrial/Residential (SLR) Mixed Use District is designed to
17 maintain and facilitate the growth and expansion of small-scale light industrial, home and
18 business service, wholesale distribution, arts production and performance/exhibition activities,
19 live/work use, general commercial and neighborhood-serving retail and personal service
20 activities while protecting existing housing and encouraging the development of housing and
21 live/work space at a scale and density compatible with the existing neighborhood.

22 Housing and live/work units are encouraged over ground floor commercial/service/light
23 industrial activity. New residential or mixed use developments are encouraged to provide as
24 much mixed-income rental housing as possible. Existing group housing and dwelling units
25

1 would be protected from demolition or conversion to nonresidential use by requiring
 2 conditional use review.

3 General office, hotels, nighttime entertainment, movie theaters, adult entertainment and
 4 heavy industrial uses are not permitted.

SPECIFIC PROVISIONS FOR SLI DISTRICTS

Article Code Section	Other Code Section	Zoning Controls
§ 817.23 § 890.133		– Only those medical cannabis dispensaries that can demonstrate to the Planning Department they were in operation as of April 1, 2005 and have remained in continuous operation or that were not in continuous operation since April 1, 2005, but can demonstrate to the Planning Department that the reason for their lack of continuous operation was not closure due to an actual violation of federal, state or local law, may apply for a medical cannabis dispensary permit in an SLI District.
817.33	§§ 249.35, 817.32, 890.113	Fringe Financial Services are P subject to the controls set forth in Section 817.32 for Financial Services and the restrictions set forth in Section 249.35, including, but not limited to, the proximity restrictions set forth in Subsection 249.35(c)(3).

Section 8. The San Francisco Planning Code is hereby amended by amending Section 817, to read as follows:

SEC. 818. SSO -- SERVICE/SECONDARY OFFICE DISTRICT.

1 The Service/Secondary Office District (SSO) is designed to accommodate small-scale
 2 light industrial, home and business services, arts activities, live/work units, and small-scale,
 3 professional office space and large-floor-plate "back office" space for sales and clerical work
 4 forces. Nighttime entertainment is permitted as a conditional use. Dwelling units and group
 5 housing are permitted as conditional uses. Demolition or conversion of existing group housing
 6 or dwelling units requires conditional use authorization.

7 Office, general commercial, most retail, service and light industrial uses are principal
 8 permitted uses. Large hotel, movie theater, adult entertainment and heavy industrial uses are
 9 not permitted.

10 Small hotels of 75 rooms or less are permitted in this District only as a conditional use.
 11 Any such conditional use authorization requires a conditional use finding that disallows project
 12 proposals that displace existing Production, Distribution and Repair (PDR) uses.

Section 10. The San Francisco Planning Code is hereby amended by amending Section 710.1, to read as follows:

SEC. 710.1. NC-1 – NEIGHBORHOOD COMMERCIAL CLUSTER DISTRICT.

NC-1 Districts are intended to serve as local neighborhood shopping districts, providing convenience retail goods and services for the immediately surrounding neighborhoods primarily during daytime hours.

These NC-1 Districts are characterized by their location in residential neighborhoods, often in outlying areas of the City. The commercial intensity of these districts varies. Many of these districts have the lowest intensity of commercial development in the City, generally consisting of small clusters with three or more commercial establishments, commonly grouped around a corner; and in some cases short linear commercial strips with low-scale, interspersed mixed-use (residential-commercial) development.

Building controls for the NC-1 District promote low-intensity development which is compatible with the existing scale and character of these neighborhood areas. Commercial development is limited to one story. Rear yard requirements at all levels preserve existing backyard space.

NC-1 commercial use provisions encourage the full range of neighborhood-serving convenience retail sales and services at the first story provided that the use size generally is limited to 3,000 square feet. However, commercial uses and features which could impact

1 residential livability are prohibited, such as auto uses, financial services, general advertising
 2 signs, drive-up facilities, hotels, and late-night activity; eating and drinking establishments are
 3 restricted, depending upon the intensity of such uses in nearby commercial districts.

4 Housing development in new buildings is encouraged above the ground story in
 5 most districts. Existing residential units are protected by prohibitions of conversions
 6 above the ground story and limitations on demolitions.

Section 11. The San Francisco Planning Code is hereby amended by amending Section 711.1, to read as follows:

SEC. 711.1. NC-2 – SMALL-SCALE NEIGHBORHOOD COMMERCIAL DISTRICT.

The NC-2 District is intended to serve as the City's Small-Scale Neighborhood Commercial District. These districts are linear shopping streets which provide convenience goods and services to the surrounding neighborhoods as well as limited comparison shopping goods for a wider market. The range of comparison goods and services offered is varied and often includes specialty retail stores, restaurants, and neighborhood-serving offices. NC-2 Districts are commonly located along both collector and arterial streets which have transit routes.

These districts range in size from two or three blocks to many blocks, although the commercial development in longer districts may be interspersed with housing or other land uses. Buildings typically range in height from two to four stories with occasional one-story commercial buildings.

1 The small-scale district controls provide for mixed-use buildings which approximate or
 2 slightly exceed the standard development pattern. Rear yard requirements above the ground
 3 story and at residential levels preserve open space corridors of interior blocks.

4 Most new commercial development is permitted at the ground and second stories.
 5 Neighborhood-serving businesses are strongly encouraged. Eating and drinking and
 6 entertainment uses, however, are confined to the ground story. The second story may be
 7 used by some retail stores, personal services, and medical, business and professional offices.
 8 Parking and hotels are monitored at all stories. Limits on late-night activity, drive-up facilities,
 9 and other automobile uses protect the livability within and around the district, and promote
 10 continuous retail frontage.

11 Housing development in new buildings is encouraged above the ground story. Existing
 12 residential units are protected by limitations on demolition and upper-story conversions.

Section 12. The San Francisco Planning Code is hereby amended by amending Section 712.1, to read as follows:

SEC. 712.1. NC-3 – MODERATE-SCALE NEIGHBORHOOD COMMERCIAL DISTRICT.

NC-3 Districts are intended in most cases to offer a wide variety of comparison and specialty goods and services to a population greater than the immediate neighborhood, additionally providing convenience goods and services to the surrounding neighborhoods. NC-3 Districts are linear districts located along heavily trafficked thoroughfares which also serve as major transit routes.

NC-3 Districts include some of the longest linear commercial streets in the City, some of which have continuous retail development for many blocks. Large-scale lots and buildings and wide streets distinguish the districts from smaller-scaled commercial streets, although the districts may include small as well as moderately scaled lots. Buildings typically range in height from two to four stories with occasional taller structures.

NC-3 building standards permit moderately large commercial uses and buildings. Rear yards are protected at residential levels.

A diversified commercial environment is encouraged for the NC-3 District, and a wide variety of uses are permitted with special emphasis on neighborhood-serving businesses. Eating and drinking, entertainment, financial service and certain auto uses generally are permitted with certain limitations at the first and second stories. Other retail businesses,

1 personal services and offices are permitted at all stories of new buildings. Limited storage and
 2 administrative service activities are permitted with some restrictions.

3 Housing development in new buildings is encouraged above the second story. Existing
 4 residential units are protected by limitations on demolitions and upper-story conversions.

1 Section 12. The San Francisco Planning Code is hereby amended by amending 713.1,
2 to read as follows:

3 SEC. 713.1. NC-S – NEIGHBORHOOD COMMERCIAL SHOPPING CENTER
4 DISTRICT.

5 NC-S Districts are intended to serve as small shopping centers or supermarket sites
6 which provide retail goods and services for primarily car-oriented shoppers. They commonly
7 contain at least one anchor store or supermarket, and some districts also have small medical
8 office buildings. The range of services offered at their retail outlets usually is intended to serve
9 the immediate and nearby neighborhoods. These districts encompass some of the most
10 recent (post-1945) retail development in San Francisco's neighborhoods and serve as an
11 alternative to the linear shopping street.

12 Shopping centers and supermarket sites contain mostly one-story buildings which are
13 removed from the street edge and set in a parking lot. Outdoor pedestrian activity consists
14 primarily of trips between the parking lot and the stores on-site. Ground and second stories
15 are devoted to retail sales and some personal services and offices.

16 The NC-S standards and use provisions allow for medium-size commercial uses in low-
17 scale buildings. Rear yards are not required for new development. Most neighborhood-serving
18 retail businesses are permitted at the first and second stories, but limitations apply to fast-food
19 restaurants and take-out food uses. Some auto uses are permitted at the first story. Limited
20 storage and administrative service activities are permitted with some restrictions.

21 Housing development in new buildings is permitted. Existing residential units are
22 protected by limitations on demolitions and prohibitions of upper-story conversions.

19 Section 14. The San Francisco Planning Code is hereby amended by amending

20 Section 714.1, to read as follows:

21 SEC. 714.1. BROADWAY NEIGHBORHOOD COMMERCIAL DISTRICT.

22 The Broadway Neighborhood Commercial District, located in the northeast quadrant of

23 San Francisco, extends along Broadway from west of Columbus Avenue to Osgood Place. It

24 is part of a larger commercial area which includes North Beach to the north, Chinatown to the

1 south and west, and Jackson Square to the southeast. Broadway's fame and popularity as a
2 Citywide and regional entertainment district is derived from a concentration of nightclubs,
3 music halls, adult theaters, bars, and restaurants between Grant Avenue and Montgomery
4 Street. These places attract locals and visitors alike, mainly in the evening and late-night
5 hours. In addition to the entertainment and some retail businesses, Broadway contains many
6 upper-story residential hotels. Due to its proximity to downtown, there is strong pressure to
7 develop upper-story offices.

8 The Broadway District controls are designed to encourage development that is
9 compatible with the existing moderate building scale and mixed-use character, and maintain
10 the district's balance of entertainment uses, restaurants, and small-scale retail stores. New
11 buildings exceeding 40 feet in height will be carefully reviewed and rear yards at residential
12 levels are protected. Most commercial uses in new buildings are permitted at the first two
13 stories. Neighborhood-serving businesses are strongly encouraged. In order to protect the
14 livability of the area, limitations apply to new fast-food restaurants and adult entertainment
15 uses at the first and second stories, as well as late-night activity. Financial services are
16 allowed on the ground story subject to certain limitations. Nonretail offices are prohibited in
17 order to prevent encroachment of the adjoining downtown office uses. Due to the high traffic
18 volume on Broadway, most automobile and drive-up uses are prohibited in order to prevent
19 further traffic congestion. Parking garages are permitted if their ingress and egress do not
20 disrupt the traffic flow on Broadway.

21 Housing development in new buildings is encouraged above the second story. Existing
22 housing is protected by limitations on demolitions and upper-story conversions.

Section 15. The San Francisco Planning Code is hereby amended by amending Section 715.1, to read as follows:

SEC. 715.1. CASTRO STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Castro Street District is situated in Eureka Valley, close to the geographic center of San Francisco between the Mission District, Twin Peaks, and Upper Market Street. The physical form of the district is a crossing at Castro and 18th Streets, the arms of which contain many small, but intensely active commercial businesses. The multi-purpose commercial district provides both convenience goods to its immediate neighborhood as well as comparison shopping goods and services on a specialized basis to a wider trade area. Commercial businesses are active both in the daytime and late into the evening and include a number of gay-oriented bars and restaurants, as well as several specialty clothing and gift stores. The district also supports a number of offices in converted residential buildings.

1 The Castro Street District controls are designed to maintain existing small-scale
 2 development and promote a balanced mix of uses. Building standards permit small-scale
 3 buildings and uses and protect rear yards above the ground story and at residential levels. In
 4 new buildings, most commercial uses are permitted at the ground and second stories. Special
 5 controls are necessary to preserve the existing equilibrium of neighborhood-serving
 6 convenience and specialty commercial uses. In order to maintain convenience stores and
 7 protect adjacent residential livability, controls prohibit additional eating and drinking
 8 establishments and permit with certain limitations new late-night uses, adult and other
 9 entertainment, and financial service uses. The continuous retail frontage is maintained by
 10 prohibiting most automobile and drive-up uses.

11 Housing development in new buildings is encouraged above the second story. Existing
 12 housing units are protected by limitations on demolitions and upper-story conversions.

		(1) The large fast food restaurant will be located in an existing building that:
		(a) Is situated within the Castro Street NCD and adjacent to the Upper Market Street NCD, and
		(b) Straddles the intersection of Castro and Market Streets, where heavy pedestrian traffic already exists for the many retail businesses in the area, and the addition of a large fast food restaurant would not cause additional burdens to the street;
		(2) The large fast food restaurant will be located in a building jointly occupied by a nonprofit community group providing medical, cultural, social, or other community services to the Castro Street NCD;
		(3) The fast food restaurant will contribute substantially to the financial ability of the nonprofit community group's ability to locate and operate in that building by paying the nonprofit's rent and maintenance costs for the building for at least seven years and by making a one-time cash contribution of \$120,000 to an AIDS-related community group;
		(4) That portion of the building occupied by the community use shall be at least twice the floor area occupied by the large fast food restaurant; and
		(5) No conditional use granted pursuant to this Section may exceed a period of 15 years unless a new conditional use application is filed and granted by the City Planning Commission or Board of Supervisors on appeal.

14 Section 16. The San Francisco Planning Code is hereby amended by amending
15 Section 716.1, to read as follows:

16 SEC. 716.1. INNER CLEMENT STREET NEIGHBORHOOD COMMERCIAL
17 DISTRICT.

18 The Inner Clement Street Commercial District is located on Clement Street between
19 Arguello Boulevard and Funston Avenue in the eastern portion of the Richmond District of
20 northwest San Francisco. The district provides a wide selection of convenience goods and
21 services for the residents of the Inner Richmond neighborhood. Inner Clement Street has one
22 of the greatest concentrations of restaurants of any commercial street in San Francisco,
23 drawing customers from throughout the City and region. There are also a significant number
24 of professional, realty, and business offices as well as financial institutions. The pleasant
25

1 pedestrian character of the district is derived directly from the intensely active retail frontage
 2 on Clement Street.

3 The Inner Clement Street District controls are designed to promote development that is
 4 consistent with its existing land use patterns and to maintain a harmony of uses that supports
 5 the district's vitality. The building standards allow small-scale buildings and uses, protecting
 6 rear yards above the ground story and at residential levels. In new development, most
 7 commercial uses are permitted at the first two stories, although certain limitations apply to
 8 uses at the second story. Special controls are necessary to preserve the equilibrium of
 9 neighborhood-serving convenience and comparison shopping businesses and protect
 10 adjacent residential livability. These controls prohibit additional financial service and limit
 11 additional eating and drinking establishments, late-night commercial uses and ground-story
 12 entertainment uses. In order to maintain the street's active retail frontage, controls also
 13 prohibit most new automobile and drive-up uses.

14 Housing development is encouraged in new buildings above the ground story. Existing
 15 residential units are protected by prohibitions on upper-story conversions and limitations on
 16 demolitions.

Section 17. The San Francisco Planning Code is hereby amended by amending Section 717.1, to read as follows:

SEC. 717.1. OUTER CLEMENT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

1 The Outer Clement Street Neighborhood Commercial District is located on Clement
2 Street between 19th Avenue and 27th Avenue in the western portion of the Richmond District.
3 The shopping area contains small-scale convenience businesses, as well as many
4 restaurants and a movie theater. The district's restaurants serve a neighborhood and Citywide
5 clientele during the evening hours, while convenience shopping uses cater for the most part to
6 daytime neighborhood shoppers. Outer Clement Street contains many mixed-use buildings
7 with some fully commercial and fully residential buildings interspersed between them.

8 The Outer Clement Street District controls are designed to promote development that is
9 in keeping with the district's existing small-scale, mixed-use character. The building standards
10 monitor large-scale development and protect rear yards at all levels. Future commercial
11 growth is directed to the ground story in order to promote more continuous and active retail
12 frontage. Additional eating and drinking establishments are prohibited, while ground-story
13 entertainment and financial service uses are monitored in order to limit the problems of traffic,
14 congestion, noise and late-night activity associated with such uses and to protect existing
15 neighborhood-serving businesses. Other controls restricting late-night activity, hotels,
16 automobile uses, and drive-up facilities are designed to preserve the low-intensity character of
17 the district.

18 Housing development in new buildings is encouraged above the ground story. Existing
19 residential units are protected by prohibitions of upper-story conversions and limitations on
20 demolitions.

Section 18. The San Francisco Planning Code is hereby amended by amending Section 718.1, to read as follows:

SEC. 718.1. UPPER FILLMORE STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Upper Fillmore Street Neighborhood Commercial District is situated in the south-central portion of Pacific Heights. It runs north-south along Fillmore Street from Jackson to Bush and extends west one block along California and Pine Streets. This medium-scaled, multi-purpose commercial district provides convenience goods to its immediate neighborhood as well as comparison shopping goods and services on a specialized basis to a wider trade

1 area. Commercial businesses are active during both day and evening and include a number
 2 of bars, restaurants, specialty groceries, and specialty clothing stores.

3 The Upper Fillmore District controls are designed to protect the existing building scale
 4 and promote new mixed-use development which is in character with adjacent buildings.
 5 Building standards regulate large lot and use development and protect rear yards above the
 6 ground story and at residential levels. Most commercial uses are permitted at the first two
 7 stories of new buildings. Special controls are designed to preserve the existing equilibrium of
 8 neighborhood-serving convenience and specialty commercial uses. In order to maintain
 9 convenience stores and protect adjacent livability, additional eating and drinking
 10 establishments are prohibited and ground-story entertainment and financial service uses are
 11 limited. In order to promote continuous retail frontage, drive-up and most automobile uses are
 12 prohibited.

13 Housing development in new buildings is encouraged above the second story. Existing
 14 residential units are protected by limitations on demolitions and upper-story conversions.

10 Section 19. The San Francisco Planning Code is hereby amended by amending
11 Section 719.1, to read as follows:

12 SEC. 719.1. HAIGHT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

13 Northwest of the City's geographical center, the Haight Street Neighborhood
14 Commercial District is located in the Haight-Ashbury neighborhood, extending along Haight
15 Street between Stanyan and Central Avenue, including a portion of Stanyan Street between
16 Haight and Beulah. The shopping area provides convenience goods and services to local
17 Haight-Ashbury residents, as well as comparison shopping goods and services to a larger
18 market area. The commercial district is also frequented by users of Golden Gate Park on
19 weekends and by City residents for its eating, drinking, and entertainment places. Numerous
20 housing units establish the district's mixed residential-commercial character.

21 The Haight Street District controls are designed to protect the existing building scale
22 and promote new mixed-use development which is in character with adjacent buildings. The
23 building standards regulate large-lot and use development and protect rear yards above the
24 ground story and at residential levels. To promote the prevailing mixed-use character, most
25

1 commercial uses are directed primarily to the ground story with some upper-story restrictions
 2 in new buildings. In order to maintain the balanced mix and variety of neighborhood-serving
 3 commercial uses and regulate the more intensive commercial uses which can generate
 4 congestion and nuisance problems, special controls prohibit additional eating and drinking
 5 uses, restrict expansion and intensification of existing eating and drinking establishments, and
 6 limit entertainment and tourist hotels. Prohibitions of most automobile and drive-up uses
 7 protect the district's continuous retail frontage.

8 Housing development in new buildings is encouraged above the ground story. Existing
 9 residential units are protected by prohibition of upper-story conversions and limitations on
 10 demolitions.

Section 20. The San Francisco Planning Code is hereby amended by amending Section 720.1, to read as follows:

SEC. 720.1. HAYES-GOUGH NEIGHBORHOOD COMMERCIAL DISTRICT.

1 The Hayes-Gough Neighborhood Commercial District is located within walking distance
 2 of the Civic Center, lying west of Franklin Street and east of Laguna Street, with its southern
 3 tip resting at Lily Street. This mixed-use commercial district contains a limited range of retail
 4 commercial activity, which primarily caters to the immediate needs of the neighborhood. The
 5 few comparison goods that it does provide attract clientele from a wider area outside its
 6 neighborhood, mostly the Performing Arts and Civic Center workers and visitors. There are a
 7 number of restaurants and art galleries, but other types of retail activity are limited.

8 The Hayes-Gough District controls are designed to allow for growth and expansion that
 9 is compatible with the existing building and use scales. Building standards protect the
 10 moderate building and use size and require rear yards at residential levels. To maintain the
 11 mixed-use character of the district, most commercial uses are permitted at the first and
 12 second stories and housing is strongly encouraged at the third story and above. In order to
 13 encourage lively pedestrian-oriented commercial activity, but restrict certain sensitive and
 14 problematic uses, eating and drinking, and entertainment uses are directed to the ground
 15 story. Retail sales activity, especially neighborhood-serving businesses, is further promoted
 16 by restricting new ground-story medical, business and professional offices. To protect
 17 continuous frontage, drive-up and most automobile uses are prohibited.

18 Housing development in new buildings is encouraged above the second story. Existing
 19 residential units are protected by limitations on demolitions and upper-story conversions.

Section 21. The San Francisco Planning Code is hereby amended by amending Section 721.1, to read as follows:

SEC. 721.1. UPPER MARKET STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

1 The Upper Market Street Neighborhood Commercial District, on Market Street from
2 Church to Castro, and on side streets off Market, is situated at the border of the Eureka
3 Valley, Buena Vista, and Duboce Triangle neighborhoods. Upper Market Street is a multi-
4 purpose commercial district that provides limited convenience goods to adjacent
5 neighborhoods, but also serves as a shopping street for a broader trade area. A large number
6 of offices are located on Market Street within easy transit access to downtown. The width of
7 Market Street and its use as a major arterial diminish the perception of the Upper Market
8 Street District as a single commercial district. The street appears as a collection of dispersed
9 centers of commercial activity, concentrated at the intersections of Market Street with
10 secondary streets.

11 The Upper Market Street district controls are designed to promote moderate-scale
12 development which contributes to the definition of Market Street's design and character. They
13 are also intended to preserve the existing mix of commercial uses and maintain the livability of
14 the district and its surrounding residential areas. Large-lot and use development is reviewed
15 for consistency with existing development patterns. Rear yards are protected at residential
16 levels. To promote mixed-use buildings, most commercial uses are permitted with some
17 limitations above the second story. In order to maintain continuous retail frontage and
18 preserve a balanced mix of commercial uses, ground-story neighborhood-serving uses are
19 encouraged, and eating and drinking, entertainment, and financial service uses are limited.
20 Continuous frontage is promoted by prohibitions of most automobile and drive-up uses.

21 Housing development in new buildings is encouraged above the second story. Existing
22 upper-story residential units are protected by limitations on demolitions and upper-story
23 conversions.

19 Section 22. The San Francisco Planning Code is hereby amended by amending
 20 Section 722.1, to read as follows:

21 **SEC. 722.1. NORTH BEACH NEIGHBORHOOD COMMERCIAL DISTRICT.**

22 The North Beach Neighborhood Commercial District is a nonlinear district centered on
 23 Columbus Avenue, located in the valley between Telegraph Hill and Nob Hill north of
 24 Broadway. North Beach functions as a neighborhood-serving marketplace, citywide specialty
 25 shopping, and dining district, and a tourist attraction, as well as an apartment and residential

1 hotel zone. Traditionally, the district has provided most convenience goods and services for
2 residents of North Beach and portions of Telegraph and Russian Hills. North Beach's eating,
3 drinking, and entertainment establishments remain open into the evening to serve a much
4 wider trade area and attract many tourists. The balance between neighborhood-serving
5 convenience stores and Citywide specialty businesses has shifted gradually, as some
6 convenience stores have been replaced by bakeries, ice cream parlors, and restaurants. The
7 proliferation of financial services has also upset the district's balance of uses. The relocation
8 of business and professional offices from downtown to North Beach threatens the loss of
9 upper-story residential units.

10 The North Beach District controls are designed to ensure the livability and
11 attractiveness of North Beach. Building standards limit new development to a small to
12 moderate scale. New buildings which exceed 40 feet in the 65-foot height district will be
13 carefully reviewed, and rear yards are protected above the ground story and at residential
14 levels. Most new commercial development is permitted at the first two stories. Small-scale,
15 neighborhood-serving businesses are strongly encouraged. Special controls limit additional
16 ground-story eating and drinking, entertainment, and business and professional office uses.
17 Financial services are prohibited from locating in the portion of the district south of Union
18 Street, while new financial services locating in the portion of the district north of Union Street
19 are limited. Restrictions on automobile and drive-up uses are intended to promote continuous
20 retail frontage and maintain residential livability.

21 In keeping with the district's existing mixed-use character, housing development in new
22 buildings is encouraged above the second story. Existing residential units are protected by
23 prohibitions of upper-story conversions and limitations on demolitions.

16 Section 23. The San Francisco Planning Code is hereby amended by amending
17 Section 723.1, to read as follows:

18 SEC. 723.1. POLK STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

19 Sitting in the gulch between Nob and Russian Hills and Pacific Heights, the Polk Street
20 Neighborhood Commercial District extends for a mile as a north-south linear strip, and
21 includes a portion of Larkin Street between Post and California Streets. Polk Street's dense
22 mixed-use character consists of buildings with residential units above ground-story
23 commercial use. The district has an active and continuous commercial frontage along Polk
24 Street for almost all of its length. Larkin Street and side streets in the district have a greater
25

1 proportion of residences than Polk Street itself. The district provides convenience goods and
 2 services to the residential communities in the Polk Gulch neighborhood and to the residents
 3 on the west slopes of Nob and Russian Hills. It has many apparel and specialty stores, as well
 4 as some automobile uses, which serve a broader trade area. Commercial uses also include
 5 offices, as well as movie theaters, restaurants, and bars which keep the district active into the
 6 evening.

7 The Polk Street District controls are designed to encourage and promote development
 8 which is compatible with the surrounding neighborhood. The building standards monitor large-
 9 scale development and protect rear yards at residential levels. Consistent with Polk Street's
 10 existing mixed-use character, new buildings may contain most commercial uses at the first
 11 two stories. The controls encourage neighborhood-serving businesses, but limit new eating,
 12 drinking, other entertainment, and financial service uses, which can produce parking
 13 congestion, noise and other nuisances or displace other types of local-serving convenience
 14 goods and services. They also prohibit new adult entertainment uses. Restrictions on drive-up
 15 and most automobile uses protect the district's continuous retail frontage and prevent further
 16 traffic congestion.

17 Housing developed in new buildings is encouraged above the second story, especially
 18 in the less intensely developed portions of the district along Larkin Street. Existing housing
 19 units are protected by limitations on demolitions and upper-story conversions.

Section 24. The San Francisco Planning Code is hereby amended by amending Section 724.1, to read as follows:

SEC. 724.1. SACRAMENTO STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

Located in the Presidio Heights neighborhood in north-central San Francisco, the Sacramento Street Neighborhood Commercial District functions as a small-scale linear shopping area. It extends along Sacramento Street between Lyon and Spruce. Interspersed among residential buildings and garages, the district's daytime-oriented retail stores provide a limited array of convenience goods to the immediate neighborhood. Sacramento Street also has many elegant clothing, accessory, and antique stores and services, such as hair salons, which attract customers from a wider trade area. Its numerous medical and business offices draw clients from throughout the City. Evening activity in the district is limited to one movie theater, a few restaurants, and some stores near Presidio Avenue.

The Sacramento Street District controls are designed to promote adequate growth opportunities for development that is compatible with the surrounding low-density residential neighborhood. The building standards monitor large-scale development and protect rear yards at the grade level and above. Most new commercial development is permitted at the first story; general retail uses are permitted at the second story only if such use would not involve conversion of any existing housing units. Special controls are designed to protect existing neighborhood-serving ground-story retail uses. New medical service offices are prohibited at all stories. Personal and business services are restricted at the ground story and prohibited on upper stories. Limits on new ground-story eating and drinking uses, as well as new

entertainment and financial service uses, are intended to minimize the environmental impacts generated by the growth of such uses. The daytime orientation of the district is encouraged by prohibiting bars and restricting late-night commercial activity. New hotels and parking facilities are limited in scale and operation to minimize disruption to the neighborhood. Most new automobile and drive-up uses are prohibited to promote continuous retail frontage.

Housing development in new buildings is encouraged above the second story. Existing residential units are protected by limitations on demolitions and prohibitions of upper-story conversions.

724.38	790.84	Boundaries: Sacramento Street Neighborhood Commercial District Controls: A residential use may be converted to an Other Institution, Large, Educational Service use as defined by Section 790.50 as a conditional use, if, in addition to the criteria set forth in Section 303, the Planning Commission finds that:
		1) The residential use is comprised of a single dwelling unit in a building that is otherwise used for non-residential uses; and
		2) No legally residing residential tenant will be displaced.

Section 25. The San Francisco Planning Code is hereby amended by amending Section 725.1, to read as follows:

SEC. 725.1. UNION STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Union Street Commercial District is located in northern San Francisco between the Marina and Pacific Heights neighborhoods. The district lies along Union Street between Van Ness Avenue and Steiner, including an arm extending north on Fillmore Street to Lombard. The shopping area provides limited convenience goods for the residents of sections of the

1 Cow Hollow, Golden Gate Valley, and Pacific Heights neighborhoods immediately
2 surrounding the street. Important aspects of Union Street's business activity are eating and
3 drinking establishments and specialty shops whose clientele comes from a wide trade area.
4 There are also a significant number of professional, realty, and business offices. Many
5 restaurants and bars as well as the district's two movie theaters are open into the evening
6 hours, and on weekends the street's clothing, antique stores and galleries do a vigorous
7 business.

8 The Union Street District controls are designed to provide sufficient growth
9 opportunities for commercial development that is in keeping with the existing scale and
10 character, promote continuous retail frontage, and protect adjacent residential livability. Small-
11 scale buildings and neighborhood-serving uses are promoted, and rear yards above the
12 ground story and at all residential levels are protected. Most commercial development is
13 permitted at the first two stories of new buildings, while retail service uses are monitored at
14 the third story and above. Controls are necessary to preserve the remaining convenience
15 businesses and to reduce the cumulative impacts which the growth of certain uses have on
16 neighborhood residents. Such controls prohibit additional eating and drinking establishments
17 and limit entertainment and financial service uses. Most automobile and drive-up uses are
18 prohibited in order to maintain continuous retail frontage and minimize further traffic
19 congestion.

20
21 Housing development in new buildings is encouraged above the second story. Existing
22 residential units are protected by limitations on demolitions and upper-story conversions.

17 Section 26. The San Francisco Planning Code is hereby amended by amending
18 Section 726.1, to read as follows:

19 **SEC. 726.1. VALENCIA STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

20
21 The Valencia Street Commercial District is located near the center of San Francisco in
22 the Mission District. It lies along Valencia Street between 14th and Army Street, and includes
23 a portion of 16th Street extending west towards Dolores Street. The commercial area provides
24 a limited selection of convenience goods for the residents of sections of the Mission and
25

1 Dolores Heights. Valencia Street also serves a wider trade area with its retail and wholesale
2 home furnishings and appliance outlets. The commercial district also has several automobile-
3 related businesses and large light manufacturing operations. Eating and drinking
4 establishments contribute to the street's mixed-use character and activity in the evening
5 hours. A number of upper-story professional and business offices are located in the district,
6 some in converted residential units.

7
8 The Valencia Street District has a pattern of large lots and businesses, as well as a
9 sizable number of upper-story residential units. Controls are designed to permit moderate-
10 scale buildings and uses, protecting rear yards above the ground story and at residential
11 levels. New neighborhood-serving commercial development is encouraged mainly at the
12 ground story. While offices and general retail sales uses may locate at the second story of
13 new buildings under certain circumstances, most commercial uses are prohibited above the
14 second story. In order to protect the balance and variety of retail uses and the livability of
15 adjacent uses and areas, most eating and drinking and entertainment uses at the ground
16 story are limited. Continuous retail frontage is promoted by prohibiting drive-up facilities, some
17 automobile uses, and new nonretail commercial uses.

18 Housing development in new buildings is encouraged above the ground story. Existing
19 residential units are protected by prohibitions on upper-story conversions and limitations on
20 demolitions.

1 District. Controls: Within the FFSRUD and its 1/4 mile buffer, fringe
2 financial services are NP pursuant to Section 249.35. Outside the
3 FFSRUD and its 1/4 mile buffer, fringe financial services are P subject
4 to the restrictions set forth in Subsection 249.35(c)(3).

5
6 Section 27. The San Francisco Planning Code is hereby amended by amending
7 Section 727.1, to read as follows:

8 SEC. 727.1. 24TH STREET – MISSION NEIGHBORHOOD COMMERCIAL DISTRICT.

9
10 The 24th Street – Mission Neighborhood Commercial District is situated in the Inner
11 Mission District on 24th Street between Bartlett Street and San Bruno Avenue. This mixed-
12 use district provides convenience goods to its immediate neighborhood as well as comparison
13 shopping goods and services to a wider trade area. The street has a great number of Latin
14 American restaurants, grocery stores, and bakeries as well as other gift and secondhand
15 stores. Most commercial businesses are open during the day while the district's bars,
16 restaurants, and movie theater are also active in the evening. Dwelling units are frequently
17 located above the ground-story commercial uses.

18 The 24th Street – Mission District controls are designed to provide potential for new
19 development consistent with the existing scale and character. Small-scale buildings and
20 neighborhood-serving uses are encouraged, and rear yard corridors above the ground story
21 and at residential levels are protected. Most commercial uses are encouraged at the ground
22 story, while service uses are permitted with some limitations at the second story. Special
23 controls are necessary to preserve the unique mix of convenience and specialty commercial
24 uses. In order to maintain convenience stores and protect adjacent livability, new bars and
25

1 fast-food restaurants are prohibited, and limitations apply to the development and operation of
 2 ground-story full-service restaurants, take-out food and entertainment uses. Continuous retail
 3 frontage is maintained and encouraged by prohibiting most automobile and drive-up uses.

4 Housing development in new buildings is encouraged above the ground story. Existing
 5 housing units are protected by prohibitions on upper-story conversions and limitations on
 6 demolitions.

16 Section 28. The San Francisco Planning Code is hereby amended by amending
17 Section 728.1, to read as follows:

18
19 **SEC. 728.1. 24TH STREET – NOE VALLEY NEIGHBORHOOD COMMERCIAL**
20 **DISTRICT.**

21 The 24th Street – Noe Valley Neighborhood Commercial District is situated along 24th
22 Street between Chattanooga and Diamond in the Noe Valley neighborhood of central San
23 Francisco. This daytime-oriented, multi-purpose commercial district provides a mixture of
24 convenience and comparison shopping goods and services to a predominantly local market
25

1 area. It contains primarily retail sales and personal services at the street level, some office
 2 uses on the second story, and residential use almost exclusively on the third and upper
 3 stories.

4 The 24th Street – Noe Valley District controls are designed to allow for development
 5 that is compatible with the existing small-scale, mixed-use neighborhood commercial
 6 character and surrounding residential area. The small scale of new buildings and
 7 neighborhood-serving uses is encouraged and rear yard open space corridors at all levels are
 8 protected. Most commercial uses are directed to the ground story and limited at the second
 9 story of new buildings. In order to maintain the variety and mix of retail sales and services
 10 along the commercial strip and to control the problems of traffic, congestion, noise and late-
 11 night activity, certain potentially troublesome commercial uses are regulated. Additional eating
 12 and drinking establishments are prohibited, and ground-story entertainment and financial
 13 service uses are restricted to and at the ground story. Prohibitions on drive-up and most
 14 automobile uses help prevent additional traffic and parking congestion.
 15

16 Housing development in new buildings is encouraged above the ground story. Existing
 17 housing units are protected by prohibitions on upper-story conversions and limitations on
 18 demolitions.

For the purposes of this Section, a 'basic neighborhood service' shall be considered to include, but not necessarily be limited to, the following: hardware stores, shoe repair facilities, bookstores, and grocery stores that sell a wide variety of staple goods and collect less than 50% of gross receipts from the sale of alcoholic beverages; (2) Should the full-service restaurant seek the use of public sidewalk space through the Department of Public Works or another City agency, such use is conducted in a manner consistent with: (A) nearby commercial and residential uses and structures, and (B) the width of the sidewalk along the subject property and adjacent properties. New, expanded, or intensified use of public sidewalk space for a full-service restaurant authorized under this Section shall require a new conditional use authorization pursuant to Section 303; (3) The Planning Commission has approved no more than a total of three (3) full-service restaurants in accordance with this Section. Section 29. The San Francisco Planning Code is hereby amended by amending Section 729.1, to read as follows:

SEC. 729.1. WEST PORTAL AVENUE NEIGHBORHOOD COMMERCIAL DISTRICT.

Located in the southwestern part of the City, the West Portal Avenue Neighborhood Commercial District stretches for three long blocks along West Portal Avenue from Ulloa Street to 15th Avenue and extends one block east along Ulloa Street from the Twin Peaks Tunnel entrance to Claremont Boulevard. West Portal Avenue provides a selection of goods and services for customers coming mainly from the surrounding west of Twin Peaks and Sunset single-family residential neighborhoods. The lively, small-scale retail frontage is

1 interrupted at several locations by large-scale financial institutions which take up a large
2 amount of commercial ground-story frontage. More than half of the number of medical,
3 professional and business offices are located at the ground level. Except for one three-movie
4 theater complex, West Portal offers no entertainment uses and its restaurants are mainly
5 family-oriented.

6
7 The West Portal Avenue District controls are designed to preserve the existing family-
8 oriented, village character of West Portal Avenue. The building standards limit building heights
9 to 26 feet and two stories and maintain the existing pattern of rear yards at the ground level
10 and above. The height, bulk and design of new development, especially on large lots, should
11 respect the small-scale character of the district and its surrounding residential neighborhoods.
12 Lot mergers creating large lots are discouraged. Individual nonresidential uses require
13 conditional use permits above 2,500 square feet and are restricted to 4,000 square feet as an
14 absolute limit to conform with the existing small use sizes in the district.

15 Special controls on commercial uses are designed to protect the existing mix of
16 ground-story retail uses and prevent further intensification and congestion in the district. No
17 new financial services are permitted. Because the district and surrounding neighborhoods are
18 well served by the existing number of eating and drinking establishments, new bars,
19 restaurants and take-out food generally are discouraged: any proposed new establishment
20 should be carefully reviewed to ensure that it is neighborhood-serving and family-oriented,
21 and will not involve high-volume take-out food or generate traffic, parking, or litter problems.
22 Large fast-food restaurants and small self-service restaurants are prohibited. Medical,
23 business or professional services are permitted at the first two stories, but additional ground-
24 story locations are to be closely monitored to ensure that the current balance between retail
25

1 and office uses is maintained. Existing service stations are encouraged to continue operating,
 2 but changes in their size, operation, or location are subject to review. Other automotive uses
 3 are prohibited. The neighborhood-oriented, retail character of the district is further protected
 4 by prohibiting hotels and nonretail uses. The daytime orientation of the district is maintained
 5 by prohibitions of entertainment uses and late-night commercial operating hours.

6 Housing development is limited. Existing residential units are protected by limitations
 7 on demolition and prohibition of upper-story conversions; new construction is to be carefully
 8 reviewed to ensure appropriate scale, design and compatibility with adjacent development.

1 Section 30. The San Francisco Planning Code is hereby amended by amending
2 Section 730.1, to read as follows:

3 **SEC. 730.1. INNER SUNSET NEIGHBORHOOD COMMERCIAL DISTRICT.**
4

5 The Inner Sunset Neighborhood Commercial District is located in the Inner Sunset
6 neighborhood, consisting of the NC-2 district bounded by Lincoln Way on the north, Fifth
7 Avenue on the east, Kirkham Street on the south, and Nineteenth Avenue on the west. The
8 shopping area provides convenience goods and services to local Inner Sunset residents, as
9 well as comparison shopping goods and services to a larger market area. The commercial
10 district is also frequented by users of Golden Gate Park on weekends and by City residents
11 for its eating, drinking, and entertainment places. Numerous housing units establish the
12 district's mixed residential-commercial character.

13 The Inner Sunset District controls are designed to protect the existing building scale
14 and promote new mixed-use development which is in character with adjacent buildings. The
15 building standards regulate large-lot and use development and protect rear yards above the
16 ground story and at residential levels. To promote the prevailing mixed use character, most
17 commercial uses are directed primarily to the ground story with some upper-story restrictions
18 in new buildings. In order to maintain the balanced mix and variety of neighborhood-serving
19 commercial uses and regulate the more intensive commercial uses which can generate
20 congestion and nuisance problems, special controls prohibit additional eating and drinking
21 uses, restrict expansion and intensification of existing eating and drinking establishments, and
22 limit entertainment and tourist hotels. Prohibitions of most automobile and drive-up uses
23 protect the district's continuous retail frontage.
24
25

1 Housing development in new buildings is encouraged above the ground story. Existing
 2 residential units are protected by prohibition of upper-story conversions and limitations on
 3 demolitions.

7
8 Section 31. The San Francisco Planning Code is hereby amended by amending
9 Section 731.1, to read as follows:

10 SEC. 731.1. NCT-3 -- MODERATE-SCALE NEIGHBORHOOD COMMERCIAL
11 TRANSIT DISTRICT.

12 NCT-3 Districts are transit-oriented moderate- to high-density mixed-use
13 neighborhoods of varying scale concentrated near transit services. The NCT-3 Districts are
14 mixed use districts that support neighborhood-serving commercial uses on lower floors and
15 housing above. These districts are well-served by public transit and aim to maximize
16 residential and commercial opportunities on or near major transit services. The district's form
17 can be either linear along transit-priority corridors, concentric around transit stations, or
18 broader areas where transit services criss-cross the neighborhood. Housing density is limited
19 not by lot area, but by the regulations on the built envelope of buildings, including height, bulk,
20 setbacks, and lot coverage, and standards for residential uses, including open space and
21 exposure, and urban design guidelines. Residential parking is not required and generally
22 limited. Commercial establishments are discouraged or prohibited from building accessory off-
23 street parking in order to preserve the pedestrian-oriented character of the district and prevent
24
25

1 attracting auto traffic. There are prohibitions on access (i.e. driveways, garage entries) to off-
2 street parking and loading on critical stretches of NC and transit streets to preserve and
3 enhance the pedestrian-oriented character and transit function.

4 NCT-3 Districts are intended in most cases to offer a wide variety of comparison and
5 specialty goods and services to a population greater than the immediate neighborhood,
6 additionally providing convenience goods and services to the surrounding neighborhoods.
7 NCT-3 Districts include some of the longest linear commercial streets in the City, some of
8 which have continuous retail development for many blocks. Large-scale lots and buildings and
9 wide streets distinguish the districts from smaller-scaled commercial streets, although the
10 districts may include small as well as moderately scaled lots. Buildings may range in height,
11 with height limits varying from four to eight stories.

12 NCT-3 building standards permit moderately large commercial uses and buildings.
13 Rear yards are protected at residential levels.

14 A diversified commercial environment is encouraged for the NCT-3 District, and a wide
15 variety of uses are permitted with special emphasis on neighborhood-serving businesses.
16 Eating and drinking, entertainment, and financial service uses generally are permitted with
17 certain limitations at the first and second stories. Auto-oriented uses are somewhat restricted.
18 Other retail businesses, personal services and offices are permitted at all stories of new
19 buildings. Limited storage and administrative service activities are permitted with some
20 restrictions.
21

22 Housing development in new buildings is encouraged above the second story. Existing
23 residential units are protected by limitations on demolitions and upper-story conversions.

Section 32. The San Francisco Planning Code is hereby amended by amending Section 732.1, to read as follows:

SEC. 732.1. PACIFIC AVENUE NEIGHBORHOOD COMMERCIAL DISTRICT.

The Pacific Avenue Neighborhood Commercial District, on Pacific Avenue from just east of Polk Street to all four corners of Pacific Avenue and Jones Street, is situated on the north slope of the Nob Hill neighborhood and south of the Broadway Tunnel. Pacific Avenue is a multi-purpose, small-scale mixed-use neighborhood shopping district on a narrow street that provides limited convenience goods to the adjacent neighborhoods.

The Pacific Avenue Neighborhood Commercial District controls are designed to promote a small, neighborhood serving mixed-use commercial street that preserves the surrounding neighborhood residential character. These controls are intended to preserve

1 livability in a largely low-rise development residential neighborhood, enhance solar access on
 2 a narrow street right-of-way and protect residential rear yard patterns at the ground floor.

Section 33. The San Francisco Planning Code is hereby amended by amending
Section 733.1, to read as follows:

1 SEC. 733.1. UPPER MARKET STREET NEIGHBORHOOD COMMERCIAL TRANSIT
2 DISTRICT.

3 The Upper Market Street Neighborhood Commercial Transit District is located on
4 Market Street from Church to Noe Streets, and on side streets off Market. Upper Market
5 Street is a multi-purpose commercial district that provides limited convenience goods to
6 adjacent neighborhoods, but also serves as a shopping street for a broader trade area. A
7 large number of offices are located on Market Street within easy transit access to downtown.
8 The width of Market Street and its use as a major arterial diminish the perception of the Upper
9 Market Street Transit District as a single commercial district. The street appears as a
10 collection of dispersed centers of commercial activity, concentrated at the intersections of
11 Market Street with secondary streets.

12 This district is well served by transit and is anchored by the Market Street subway (with
13 stations Church Street and Castro Street) and the F-Market historic streetcar line. All light-rail
14 lines in the City traverse the district, including the F, J, K, L, M, and N, and additional key
15 cross-town transit service crosses Market Street at Fillmore and Castro Streets. Additionally,
16 Market Street is a primary bicycle corridor. Housing density is limited not by lot area, but by
17 the regulations on the built envelope of buildings, including height, bulk, setbacks, and lot
18 coverage, and standards for residential uses, including open space and exposure, and urban
19 design guidelines. Residential parking is not required and generally limited. Commercial
20 establishments are discouraged or prohibited from building accessory off-street parking in
21 order to preserve the pedestrian-oriented character of the district and prevent attracting auto
22 traffic. There are prohibitions on access (i.e. driveways, garage entries) to off-street parking
23 and loading on Market and Church Streets to preserve and enhance the pedestrian-oriented
24 character and transit function.

1 The Upper Market Street district controls are designed to promote moderate-scale
 2 development which contributes to the definition of Market Street's design and character. They
 3 are also intended to preserve the existing mix of commercial uses and maintain the livability of
 4 the district and its surrounding residential areas. Large-lot and use development is reviewed
 5 for consistency with existing development patterns. Rear yards are protected at all levels. To
 6 promote mixed-use buildings, most commercial uses are permitted with some limitations
 7 above the second story. In order to maintain continuous retail frontage and preserve a
 8 balanced mix of commercial uses, ground-story neighborhood-serving uses are encouraged,
 9 and eating and drinking, entertainment, and financial service uses are limited. Ground floor-
 10 commercial space is required along Market and Church Streets. Most automobile and drive-
 11 up uses are prohibited or conditional.

12 Housing development in new buildings is encouraged above the second story. Existing
 13 upper-story residential units are protected by limitations on demolitions and upper-story
 14 conversions.
