

## Paratransit Broker and Operating Agreement Contract Extension

The San Francisco Municipal Transportation Agency (SFMTA) proposes to authorize a two-year extension of Contract No. SFMTA-2016-17, the Paratransit Broker and Operating Agreement with Transdev Services, Inc., extending the term from July 1, 2026 to June 30, 2028, and increasing the not-to-exceed contract amount. The action would also authorize the Director of Transportation to submit the contract extension to the Board of Supervisors for approval. The Agreement provides administrative, operational, and management services for the federally mandated ADA paratransit program, including eligibility review, quality monitoring, subcontractor management, and fare media administration, and does not authorize or involve any new construction, physical improvements, or changes in the operation of transportation facilities.

### Approval Action:

San Francisco Board of Supervisors

Not a "project" under CEQA pursuant to CEQA Guidelines Sections 15060(c) and 15378(b) because the action would not result in a direct or a reasonably foreseeable indirect physical change to the environment.
