

1 [Urging an Amendment to the Human Services Agency’s Imminent Danger Policy Regarding
2 Victims of Domestic Violence]

3 **Resolution urging the adoption of the Shelter Monitoring Committee’s**
4 **recommendations for amending the Human Services Agency’s Imminent Danger policy**
5 **as it pertains to victims of domestic violence.**

6
7 WHEREAS, Under the existing Human Services Agency’s (HSA) Imminent Danger
8 policy, families are not eligible for shelter placement or to remain in shelter for thirty days if
9 they are in an imminently dangerous situation that might cause harm to themselves, shelter
10 families, or shelter staff; and

11 WHEREAS, Recently, HSA reduced the denial of service period from thirty days to
12 fifteen days, but this is insufficient in assisting victims of domestic violence; and

13 WHEREAS, In most cases of imminent danger, all members of the family will be
14 required to leave immediately; and

15 WHEREAS, An example of imminent danger includes domestic violence incidents that
16 have occurred between people in intimate relationships – either at the shelter or up to thirty
17 days prior to the family being placed in the shelter; and

18 WHEREAS, Sixteen families received Denials of Service (DOS) from February 2014
19 through June 2015; and

20 WHEREAS, Emergency Shelter and Transitional Housing constitute a critical service
21 for families fleeing from domestic violence; and

22 WHEREAS, In FY2013-2014, city-funded emergency shelters provided 3,591 bed
23 nights to women and their children escaping domestic violence, while three transitional
24 housing programs and one permanent supportive housing program provided 11,659 bed
25 nights to women seeking longer-term stability; and

1 WHEREAS, Unfortunately, 1,893 individuals were turned away due to lack of space;
2 and

3 WHEREAS, The work of city agencies, community organizations and advocates, such
4 as the San Francisco Department on the Status of Women, the Domestic Violence
5 Consortium, and the Family Violence Council have led to ground-breaking programs, policies
6 and best practices supporting domestic violence victims and reducing domestic violence-
7 related crime; and

8 WHEREAS, Prohibiting victims of domestic violence and their families from shelter
9 goes against these ground-breaking programs, policies and best practices; and

10 WHEREAS, Domestic violence is a significant and pervasive problem affecting
11 thousands of San Francisco residents and is one of the most chronically underreported
12 crimes; and

13 WHEREAS, On November 18, 2015, the Shelter Monitoring Committee unanimously
14 approved policy recommendations to amend HSA's Imminent Danger policy as it pertains to
15 victims of domestic violence; now, therefore, be it

16 RESOLVED, That the Board of Supervisors urges the adoption of the Shelter
17 Monitoring Committee's policy recommendations to the Human Services Agency's Imminent
18 Danger policy as it relates to victims of domestic violence, including the following:

- 19 a. Prohibition of a denial of service on the basis of being a victim of domestic violence;
- 20 b. Prohibition of a denial of service based on self-disclosure of domestic violence;
- 21 c. Requirement of the use of lethality assessments upon intake to assess all families
22 for the risk of domestic violence;
- 23 d. Establishment of procedures in which shelters contact law enforcement for the
24 provision of emergency protective orders in cases of domestic violence;

25

- 1 e. An update to the shelter training manual for shelter staff on how to handle domestic
- 2 violence and other crisis situations;
- 3 f. Requirement of consistency with the San Francisco Shelter Grievance Policy; and
- 4 g. The inclusion of these policies in contracts upon renewal or establishment of new
- 5 contracts with shelter providers; and, be it

6 FURTHER RESOLVED, That the Board of Supervisors reinforces its commitment to
7 protecting and supporting victims of domestic violence in all aspects.
