For purposes of this section, "film industry" or "related field" shall include, but is not limited to, areas such as: performing and creative arts; film production, film or sound technology services and facilities; film-related education; presentation and production; and interactive multimedia.

All nominees are subject to confirmation by the Board of Supervisors. If the Board neither confirms nor rejects a nominee within 45 days of the date that the Mayor transmits the nomination to the Clerk of the Board or the Rules Committee nominates a candidate for the Board's approval, the nominee shall be deemed approved. To stagger the terms of the members, the initial appointments to the Commission shall be as follows: the Mayor shall nominate three members to serve terms of four years, two members to serve a term of three years, and one member to serve a term of two years. The Rules Committee of the Board of Supervisors shall nominate three members to serve terms of four years, and two members to serve terms of three years. Thereafter, all commissioners shall serve for four-year terms. Vacancies shall be filled by the nominating authority. Vacancies occurring during a term shall be filled for the unexpired term.

The President of the Arts Commission shall serve as a non-voting, ex officio member.

**(b) Commission Purpose and Duties.**

The Commission shall develop, recognize, and promote film activities in the City. The members shall work together to explore and promote long-term goals for film making as a major emphasis of the City's economic and cultural base, and encourage the recognition of film arts as an art form with widespread economic components.

In addition to the powers set forth in Section 4.102, and subsection (c), below, the Film Commission's powers shall include, but are not limited to:

(1) Appointing an Executive Director, who shall have significant professional experience in film production or the film industry. The Executive Director shall serve at the Film Commission's pleasure. The Executive Director shall act as the department head and appointing officer of the Commission under Charter Section 4.126. The Executive Director shall supervise the Commission's staff, and shall have other duties and responsibilities as provided in this Section or by ordinance of the Board of Supervisors;

(2) Subject to the budgetary and fiscal provisions of the Charter, overseeing all funding and City activities related to film and video intended for public broadcast by the City's public, educational and governmental access channels; and

(c) **Issuance of Film Permits; Appeal.** Except for departments in which the Charter vests exclusive jurisdiction over property under their control, the Film Commission shall have the authority to issue permits for film production on City property or in public rights-of-way within the City and County of San Francisco, and may delegate this responsibility to the Executive Director. Where film production is to take place on City property under the jurisdiction of City departments, neither the Film Commission nor the Executive Director may grant a permit to use such property without the prior consent of the department head or his or her designee. The Commission may issue a permit that involves a street closure provided that the Commission must obtain all prior approvals as required by the City law and procedures governing street closure permits generally.

Where the Executive Director denies an application for a film permit the applicant may, within 10 calendar days of the denial, appeal the denial to the Commission or to a committee that the Commission designates to hear such appeals. The permit decisions of the Executive Director, the Commission, or its designated committee shall be the City's final action on film permits.
