Application for Boards / Commissions / Committees / Task Forces INSTRUCTIONS AND APPLICATION

San Francisco is a diverse City and County with a wide range of people and issues affecting it. In order to take advantage of the extensive experience and knowledge available throughout our communities, various Boards/Commissions/Committees/Task Forces have been established to bring that knowledge together. These groups and their membership requirements are established by legislation approved through the local, state, and/or federal government.

In addition to setting up the purpose and goals of the various groups, the governing legislation outlines the type of person - in terms of desirable skills and/or knowledge - who can contribute their knowledge and perspective. In this manner, a group of San Franciscans, who are representative of the City and County, can be active participants in addressing issues affecting the entire City and County.

If you are interested in serving the City and County of San Francisco, the following procedures are provided:

1. A list of vacancies and expected vacancies, with their qualifications, can be found at the Office of the Clerk of the Board of Supervisors, at the San Francisco Main Public Library, and online on the Board of Supervisors' website (<http://www.sfbos.org/vacancy>). Please review this list for positions of interest.
2. Submit an application (http://www.sfbos.org/vacancy_application)
(List all of the appropriate seat number(s) and/or category/categories for which you qualify. We request applications be received ten (10) days before the scheduled hearing.)

Applicants may also need to submit a Form 700, Statement of Economic Interests (<https://www.fppc.ca.gov/Form700.html>), along with their application for all bodies listed in [Campaign and Governmental Conduct Code, Section 3.1-103\(a\)\(1\)](#).

3. If the seat(s) you are applying for is vacant and requires the Board of Supervisors' confirmation, the Rules Committee may schedule your application for review. Applicants should expect to appear before the Rules Committee to speak on their qualifications and answer questions during a public hearing.
(There are no set instructions on what you are expected to present to the Rules Committee; however, a brief description of how your qualifications distinguish you from other applicants, reasons for your interest in the subject, and/or a short summarization on why you would make a good candidate is appropriate.)
4. The Rules Committee may or may not make a recommendation for appointment. If a recommendation is made by the Rules Committee, the recommendation is forwarded to the Board of Supervisors for approval. It generally takes approximately 15 days from the date the Rules Committee makes their recommendation, for the individual to become officially appointed.
5. Depending on the type of organization, a new appointee may need to take an Oath of Office.

If there are no vacancies, your application will be retained for one year. If any openings occur during this time, your application will be submitted to the Rules Committee for review.

If you have any further questions, please contact the Rules Committee Clerk at (415) 554-5184. If you require detailed information concerning the operations of a particular Board/Commission/Committee/Task Force, please contact the administering department directly.

(Applications must be submitted to BOS-Appointments@sfgov.org or to the mailing address listed above.)

I have worked in the San Francisco Mission District as the Executive Director of Holy Family Day Home (HFDH) for nearly six years. I am the first BIPOC leader of HFDH in its 120 years of operation.

My background is in social justice and the progressive education movement. During my time with HFDH, we have created a food stability program that feeds our community and the community at large weekly. We have expanded our mental health services to include onsite play therapy and family therapy. Under my leadership, we have created an inclusive learning environment for all children and families, reflecting our community's cultural diversity. We have expanded our services in the past six years, and now 82% of our families are subsidized. Nearly 60% of our community is LatinX struggling under the weight of the past two years. I feel very connected to the community in District 8 and look forward to moving to the area, but for now, I am caring for my aging parents in San Jose.
