Hi Alisa,

Item 32 was presented with the department's FY 2021-22 & 2022-23 budget in June because it has a budgetary impact. As a result, the item was not approved by June 30, 2021 and we are now requesting to add "retroactive" for the COLA to be effective July 1, 2021.

Please let me know if you need anything else.

Thank you,
