RE: File Numbers 140526 and 140528 through 140550: Memoranda of Understanding (MOU)
between the City and County of San Francisco and various collective bargaining units.

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of 24 MOUs between the City and County of San Francisco and various employee collective bargaining units. The amendments apply to MOUs for the period commencing July 1, 2014 through June 30, 2017, affecting 20,304 authorized positions with a salary base of approximately \$1.73 billion and an overall pay and benefits base of approximately \$2.26 billion.

Our analysis finds that the amendments to the MOUs result in increased costs to the City of approximately \$52.8 million in FY 2014-15, \$125.9 million in FY 2015-16 and \$20.1 million in FY 2016-17. As a percentage of FY 2014-15 base wage and fringe costs these represent cost increases of 2.3%, 5.6%, and 8.9% respectively. Our cost estimates assume that premiums, overtime, and other adjustments grow consistently with wage changes.

Increased costs are driven by general wage increases to all of the 20,304, authorized positions, in addition to other various other provisions affecting terms and conditions of employment, employer paid health benefits and special pay for members of the collective bargaining units. See Attachments A and B for a detailed listing and analysis of the costs for the affected MOUs.

If you have additional questions or concerns please contact me at 554-7500 or Drew Murrell of my staff at 554-7647.

Sincerely,

Ben Rosenfield
Controller

Analyses for MOUs with Nurses, Police, and Firefighters are presented in separate letters. MOUs with Municipal Transit Agency (MTA) staff in bargaining units Electricians Local 6, Local 1414 Automotive Machinists, TWU-200 (SEAM), TWU Local 250-A Auto Service Worker, TWU Local 250-A Transit Operator, TWU Local 250-A Transit Fare Inspector, and Municipal Executives' Association (MEA) are negotiated directly with MTA and still pending agreement. MTA employees in those units are excluded from this analysis. A subset of MTA staff in the SEIU bargaining unit job classes considered "service critical" also negotiate directly with MTA and are excluded here.

The information below details the results of the analysis of the costs or savings resulting from amendments to the affected MOUs:

Citywide

Wages

The City and the bargaining units included in this analysis have agreed to a wage increase for all covered employees of 3% in October 2014, 3.25% in October 2015, and between 2.25% and 3.25%, depending on inflation as measured by the Consumer Price Index (CPI), in July of 2016. In calculating CPI, the Controller's Office will use the Consumer Price Index – All Urban Consumers (CPI-U) as reported by the Bureau of Labor Statistics for the San Francisco Metropolitan Statistical Area. The growth rate will be calculated using the percentage change in the price index from February 2015 to February 2016. The value of this increase is currently projected to be 2.49%.

With the exception of internal adjustments and parity increases, all units and their represented members follow the citywide pattern for wage increases. Adjustments and exceptions to this pattern for the units listed below are described in detail in this attachment.

- Deputy Probation Officers Association (DPOA)
- Deputy Sheriffs' Association (DSA)
- Sheriffs' Managers & Supervisors Association (MSA)
- District Attorney Investigators' Association (DAIA)
- International Brotherhood of Electrical Workers, Local 6 (IBEW Local 6)
- International Federation of Professional and Technical Engineers Local 21, AFL, CIO (IFPTE Local 21)

- Teamsters, Local 856 Multi-Unit (Teamsters Local 856)

San Francisco International Airport Employee Transit Pilot Program

The San Francisco International Airport (SFIA) will implement an employee transit pilot program encouraging employees to use mass transportation to commute to and from SFIA work locations. The City and the affected unions have included changes to the MOU's that incorporate this change. Our analysis projects that this change will result in approximately \$0.4 million of increased costs to the City during FY 2014-15 and \$0.5 million of increased costs in FY 2015-16 and 2016-17. This pilot program will be evaluated in FY 2015-16 to determine whether it will be continued.

Compensatory Time Off

The City and 13 of the 24 unions have agreed to include changes to the MOUs affecting the compensation method for compensatory time earned by covered members. Employees occupying certain executive, administrative, or professional positions are not paid for overtime worked but instead are granted compensatory time off at the rate of one-and-one-half times for time worked in excess of regular work schedules. Under the amended MOUs, an employee who is appointed to a position in another department will have his or her entire compensatory time balance paid out at the rate of the underlying classifications prior to appointment. Similarly, an employee who is appointed to a position in a higher classification that allows for paid overtime will have his or her entire compensatory time balance paid out at the rate of the lower classification prior to promotion. Our analysis projects that the implementation of this change will result in no increased costs to the City during the term of the agreements. Over the long term, this change is likely to result in lower payouts than would otherwise have been made.

Paperless Pay

The City and the unions have agreed to implement a Citywide Paperless Pay Policy that will apply to all City employees. Under the policy, all employees shall be able to access their pay advices electronically, and will have, regardless of employee start date, two options for receiving pay; direct deposit or bank card. Upon implementation of the policy paper pay advices will no longer be available with the exception of those employees without computer access. Our analysis projects that this change will result in approximately \$60,000 of total cost savings to the City from FY 2014-15 through FY 2016-17.

Our analysis projects that this agreement will result in approximately \$1.1 million of increased costs to the City during FY 2014-15, \$2.5 million of increased costs in FY 2015-16 and \$4.1 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

Our analysis projects that this agreement will result in approximately \$0.2 million of increased costs to the City during FY 2014-15, \$0.6 million of increased costs in FY 2015-16 and \$1.0 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

File Number 140529 – Deputy Probation Officers' Association (DPOA)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 160 authorized positions with a salary base of approximately \$15.2 million and an overall pay and benefits base of approximately \$18.6 million.

Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

File Number 140530 – Deputy Sheriff's Association (DSA)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 769 authorized positions with a salary base of approximately \$73.2 million and an overall pay and benefits base of approximately \$90.0 million.

Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

The City and the union have also agreed to reinstate the annual salary survey market wage adjustment which was suspended under the previous MOU. Our analysis assumes that no market wage adjustments will occur during the contract period, as the most recent findings from a DHR market wage survey found that salaries for DSA members compared favorably with other agencies.

Outside of the scope of the MOU, the City has recognized the need to begin to pay for overtime worked by members that participate in regular daily briefings outside of their normal shift schedule. The MOU requires the City to pay, at a straight time rate, the first one-quarter hour in excess of eight hours per day that results from the daily briefings. Our analysis reflects this change as a savings from what would otherwise be required to pay at an overtime rate of time and a half.

Finally, the City and the union have agreed to revise longevity pay eligibility requirements to require all members hired after July 1, 2014 to have completed 18 years of service as sworn members prior to receiving longevity pay. Prior MOU language made members eligible after 5 years of service. Savings from this provision will occur outside of the contract period. The current estimated annual value of this premium pay is \$1.1 million.

File Number 140541 – Sheriff's Managers & Supervisors Association (MSA)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 98 authorized positions with a salary base of approximately \$12.1 million and an overall pay and benefits base of approximately \$14.7 million.

Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

As with Sheriff's Deputies, the City and the union have agreed to reinstate the annual salary survey market wage adjustment which was suspended under the previous MOU. Our analysis assumes that no market wage adjustments will occur during the contract period, as the most recent findings from a DHR market wage survey found that salaries for MSA members compared favorably with other agencies.

MSA also mirrored the agreement with Sheriff's Deputies and the City to adopt revisions to longevity pay eligibility to require all members hired after July 1, 2014 to have

completed 18 years of service as sworn members prior to receiving longevity pay. Prior MOU language made members eligible after 5 years of service. Savings from this provision will occur outside of the contract period. The current estimated annual value of this premium pay is \$0.2 million.

Finally, our cost estimates include increased overtime costs of approximately \$0.1 million annually as a result of increases to release and training and training time for unit members. Sheriff's Department staffing models require that any additional release time granted to Lieutenants and Sergeants be backfilled by staff in the same job classes at overtime compensation rates.

File Number 140531 – District Attorney Investigators' Association (DAIA)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 42 authorized positions with a salary base of approximately \$4.5 million and an overall pay and benefits base of approximately \$5.6 million.

Our analysis projects that this agreement will result in approximately \$0.2 million of increased costs to the City during FY 2014-15, \$0.4 million of increased costs in FY 2015-16 and \$0.5 million of increased costs in FY 2016-17. Note that these amounts exclude bargaining unit members at MTA as they negotiate separately with MTA.

Our analysis projects that this agreement will result in approximately \$0.9 million of increased costs to the City during FY 2014-15, \$2.3 million of increased costs in FY 2015-16 and \$3.6 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

If the parties are unable to reach an agreement on further wage adjustments by September 30, 2014, either party may move the dispute to interest arbitration pursuant to Charter Sections A8.409 through A8.409-9.

In addition, the MOU explicitly ends the provision granting additional special acting assignment pay for the PUC/CIP Planning Function at the conclusion of the contract on June 30, 2017. This is outside of the costing period and not included in our analysis. We project that the expiration of this special pay will result in cost savings of approximately \$70,000 annually.

Our analysis projects that this agreement will result in increased costs to the City during the contract period of less than \$0.1 million. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

File Number 140535 – Laborers International Union, Local 261 (Laborers, Local 261)

Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

File Number 140537 – Municipal Attorneys' Association (MAA)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 434 authorized positions with a salary base of approximately \$78.5 million and an overall pay and benefits base of approximately \$101.1 million.

Our analysis projects that this agreement will result in approximately \$2.1 million of increased costs to the City during FY 2014-15, \$4.9 million of increased costs in FY 2015-16 and \$8.0 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

Further, the City and the union have agreed to adopt a Standby Duty list pilot program to respond to officer involved shootings/in-custody deaths, search warrant review or homicides. Attorney's on Standby Duty will be on call and available outside of regular business hours and ready to report for duty. Attorneys designated on Standby Duty will receive eight (8) hours of administrative leave per week of Standby Duty, which will be capped at forty (40) hours per calendar year in addition to any administrative leave granted under the MOU. The Department of Public Health intends to reopen the BHC before the end of FY 2014-15, which is contingent upon the center receiving a Residential Care Facilities for the Elderly (RCFE) license from the state. Our costing estimates assume a full year of BHC costs at \$61,000 in FY 2014-15 and no costs thereafter.

File Number 140543 – The International Union of Operating Engineers and Stationary Engineers, Local 39 (Stationary Engineers, Local 39)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 645 authorized positions with a salary base of approximately \$56.1 million and an overall pay and benefits base of approximately \$73.8 million.

Our analysis projects that this agreement will result in approximately \$1.0 million of increased costs to the City during FY 2014-15, \$5.0 million of increased costs in FY 2015-16 and \$7.7 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

Additionally, this agreement grants all members a 6% base wage increase effective October 11, 2014 in lieu of the 7.5% multiple license premium in the previous agreement. Our analysis finds the cost of the 6% base wage increase will be \$3.3 million in FY 2014-15 and \$4.8 million annually thereafter, offset by \$3.9 million in projected savings per year from elimination of the multiple license premium.

File Number 140544 – Supervising Probation Officers (SPO)

Our analysis projects that this agreement will result in approximately \$0.1 million of increased costs to the City during FY 2014-15, \$0.2 million of increased costs in FY 2015-16 and \$0.2 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

File Number 140545 – Teamsters, Local 856 Multi-Unit (Teamsters Local 856)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 106 authorized positions with a salary base of approximately \$9.5 million and an overall pay and benefits base of approximately \$12.3 million.

Our analysis projects that this agreement will result in approximately \$0.3 million of increased costs to the City during FY 2014-15, \$0.7 million of increased costs in FY 2015-16 and \$1.1 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

File Number 140546 – Transport Workers Union, AFL-CIO Local 200

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 19 authorized positions with a salary base of approximately \$1.9 million and an overall pay and benefits base of approximately \$2.5 million. Note that these amounts exclude bargaining unit members at MTA as they negotiate separately with MTA.

Our analysis projects that this agreement will result in approximately \$0.1 million of increased costs to the City during FY 2014-15, \$0.1 million of increased costs in FY 2015-16 and \$0.2 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter "Agreement") is entered into by the City and County of San Francisco (hereinafter "City") and the International Federation of Professional and Technical Engineers, Local 21, AFL-CIO-CLC (hereinafter "Union"). It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City, the Union, and represented employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.

ARTICLE I: REPRESENTATION

I.A. RECOGNITION

1. The City recognizes the Union as the exclusive bargaining representative for all employees of the City in those units listed in Appendix "A" of this Agreement. The terms and conditions of this Agreement shall also be automatically applicable to any classification for which the Union has become appropriately recognized during the term of this Agreement.
 1. Successor Representation
2. The City agrees to recognize the Union as the collective bargaining representative of any classification that constitutes a successor classification to a classification that the Union currently represents. Subject to applicable appellate review procedures, the Department of Human Resources shall make the final determination when there is a question as to whether or not a new classification is a successor class.
 2. Unit Assignment Resolution
3. For any classifications assigned to bargaining units represented by Local 21 as a result of the settlement of the unit assignment dispute between the City, Local 21 and MEA, the City agrees to meet and confer with Local 21 over subjects within the scope of bargaining and covered by Charter Section A8.409. Any issues that are not resolved through the meet and confer process shall be resolved through arbitration. Any economic benefits shall be implemented at the start of the succeeding fiscal year.
4. The City makes no commitment or promise of wage or benefit improvement with regard to such negotiations.

I.B. NO WORK STOPPAGES

5. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union will not authorize or engage in any strike, slowdown or work stoppage. It shall not be a violation of this Agreement for an employee to honor a primary picket line sanctioned by the Central Labor Council or the Building and Construction Trades Council; provided however, that an employee shall first notify an appropriate supervisor of the employee's intended actions. Provided further that nothing in this Section shall limit the City's right to enforce the provisions of Section 8.346 of the Charter.

I.C. MANAGEMENT RIGHTS

6. Except as otherwise provided in this Agreement, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.

ARTICLE I – REPRESENTATION.

7. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public, and exercise control and discretion over the City's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment specified in this Agreement.

I.D. UNION/CITY COMMITTEES

1. Union/City Relations Committee

8. The parties have established a Union/City Relations Committee with equal representation from both the City and the Union.
9. The Union/City Relations Committee shall meet at a minimum on a quarterly basis, and in addition, as needed to address matters the parties agree are of mutual concern which arise during the course of this Agreement. By mutual agreement, the Committee may discuss grievance matters subject to arbitration.
10. The Committee is specifically empowered to establish such sub-committees as may be needed to consider and recommend solutions to workplace issues and concerns.
- a. For the term of this Agreement, there shall be a sub-committee established to discuss the City's use of bargaining unit members who are exempt from Civil Service pursuant to Charter Sections 10.104-16, 10.104-17, and 10.104-18. The sub-committee will examine the use of such positions and the reasons for such use. The Union acknowledges that appointments are a Civil Service carve-out under Charter Section A8.409-3, and not subject to the grievance procedure.
11. In Fiscal Years 2012-2013 and 2013-2014, the Union/City Relations Committee shall also discuss any ongoing issues related to the City's Personal Services Contracts database, and options for addressing the safety of represented employees at the worksite and in surrounding neighborhoods.

2. Internal Placement Committee

12. A joint DHR/Local 21 committee created in 2003-04 shall continue for the duration of this Agreement and shall meet monthly, or as otherwise agreed to by the parties, to review scheduled and anticipated displacements and to review reappointment and alternative internal placement plans and options.

ARTICLE I – REPRESENTATION

I.E. GRIEVANCE PROCEDURES

13. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.

1. Definition

14. A grievance is defined as an allegation by an employee, a group of employees or the Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement, or divisional, departmental or City rules, policies or procedures subject to the scope of bargaining as set forth in Section VI.A. of this Agreement.

15. A grievance does not include the following:

16. a. All civil service rules excluded pursuant to Section VI.A.

17. b. Performance evaluations, provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the performance evaluation except by mutual agreement.

18. c. In the event of an unfavorable performance rating, the employee shall be entitled to a performance review conference with the author and the reviewer of the performance evaluation. The employee shall be entitled to Union representation at said conference.

19. d. Written reprimands or oral reprimands which are reduced to writing and placed in the employee's personnel file, provided however, that employees shall be entitled to append a written rebuttal to any written reprimand or oral reprimand which is reduced to writing and placed in the employee's personnel file. The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the reprimand, unless extended by mutual agreement.

2. Time Limits

20. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing. A "working day" is defined as any Monday through Friday, excluding legal holidays granted by the City and County of San Francisco.

ARTICLE I – REPRESENTATIO.

21. If the Union fails to file a written grievance appeal within the specified timelines at any step of the appropriate grievance procedure, the grievance shall be considered withdrawn.

22. If the City fails to respond to a grievance within the specified timelines at any step of the appropriate grievance procedure, the Union may move the grievance to the next step. Should the Union fail to advance the grievance to the next step within ninety (90) days of the City's failure to respond within the specified applicable timeline, the grievance shall be considered withdrawn.

3. Grievance Description

23. The Union and City agree that all grievances will be filed listing the following information:

24. a. The basis and date of the grievance as known at the time of submission;

25. b. The section(s) of the contract which the Union believes has been violated; and

26. c. The remedy or solution being sought by the Grievant and/or Union.

4. Steps of the Procedure

27. A grievance regarding a dispute over contract interpretation shall be filed at the lowest step in the grievance procedure in which the City's representative would have the authority to make a final and binding resolution of the grievance, provided, however, that a grievance may not be filed at a Step higher than Step 2, except by mutual agreement of the parties. In the event a grievance is filed at a Step in the grievance procedure which the City deems inappropriate, the City's representative with whom the grievance was filed shall remand the grievance to the appropriate Step.

28. Step 1: An employee shall discuss the grievance informally with his/her immediate supervisor as soon as possible but in no case later than twenty (20) working days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved. The grievant may have a Union representative present.

4. Reappointment Within Six Months

257. An employee who has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the employee would have been entitled to if promoted directly to the intermediate classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.

d. Reemployment in a Formerly Held Classification.

ARTICLE III – PAY, HOURS AND BENEFITS

258. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formerly held on a permanent basis shall receive a salary step in the salary grade for the classification closest to, but not below, the prior salary amounts, provided that salary shall not exceed the maximum of the salary grade.

292. The appointing officer shall have full discretion to approve or deny requests for voluntary time off based on the operational needs of the department and any court decrees or orders pertinent thereto. However, as authorized by and pursuant to the restrictions of the Annual Salary Ordinance, the "Z" symbol may be suspended to allow overtime payment, subject to the availability of funds, and pursuant to approval of the Director of Human Resources. The "Z" symbol may be suspended for individual positions in a classification. Employees in positions whose "Z" symbol has been suspended may not earn/accrue compensatory time for the duration of the suspension of the "Z" symbol.

Overtime for employees working a 9/80 schedule is based on the FLSA workweek designated in such a schedule.
- 304. d. Those employees subject to the provisions of the Fair Labor Standards Act who are required or suffered to work overtime shall be paid in salary unless the employee and the Appointing Officer mutually agree that in lieu of paid overtime, the employee shall be compensated with compensatory time off. Compensatory time shall be earned at the rate of time and one-half.
- 305. e. An employee who is appointed to a position in another department shall have his or her entire compensatory time balances paid out at the rate of the underlying classification prior to appointment.

309. b. An employee may carry forward one hundred twenty (120) hours of earned but unused compensatory time into the next fiscal year.

310. Compensatory time earned will be reported to each employee.

311. In order to allow employees the opportunity to take compensatory time off (CTO), upon receipt of such notice of accrual of one hundred and sixty (160) hours of accrued compensatory time, the employee shall request days off as CTO within the next three (3) to six (6) month period. The department shall not unreasonably deny a CTO request pursuant to this paragraph. CTO will be taken in full workday blocks unless an alternative is mutually agreed upon. Scheduling shall be by mutual agreement.

312. Compensatory time cannot be cashed out. Exceptions to normal work schedules for which no extra compensation is authorized may be granted in accordance with section 1.3 of the Annual Salary Ordinance.

3. Part-Time Employees

313. Part-time employees shall not be entitled to overtime compensation or time off for work performed in excess of their specified normal hours until they exceed eight (8) hours per day or forty (40) hours per week.

III.H. FAIR LABOR STANDARDS ACT

314. To the extent that the Agreement fails to afford employees the overtime or compensatory time off benefits to which they are entitled under the Fair Labor Standards Act, the Agreement is amended to authorize and direct all City Departments to ensure that their employees receive, at a minimum, such Fair Labor Standards Act Benefits.

III.I. HOLIDAYS

315. Except when normal operations require, or in an emergency, employees shall not be required to work on the following days hereby declared to be holidays for such employees:

Floating Holidays may be taken in hourly increments up to and including the number of hours contained in the employee's regular shift. Employees (both full-time and part-time) must complete six (6) months continuous service to establish initial eligibility for the floating days off. Floating Holidays received in one fiscal year but not used shall be carried forward to the next succeeding fiscal year. The maximum number of floating holidays carried forward to a succeeding fiscal year shall not exceed the total number of floating holidays received in the previous fiscal year, and at no time shall employees be able to accumulate more than 64 hours of floating holidays. No compensation of any kind shall be earned or granted for floating days off not taken.
320. Notwithstanding the paragraphs above, any unused floating holidays accrued from July 1, 2010 through June 30, 2013, may be carried over to be used in Fiscal Years 2012-13, 2013-14 and 2014-15.
321. During Fiscal Years 2012-13, 2013-14 and 2014-15, floating holidays must be used before vacation days or hours are taken; provided however that this limitation (i.e., use of floating holidays before vacation) will not apply in cases in which use of the floating holiday will cause a loss of vacation due to the accrual maximums. Floating holidays are to be scheduled per mutual agreement, based on operational needs of the department.
322. In addition, any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States.
323. For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under his/her jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Section 7.702 of the Charter. Those employees who work on a Friday which is observed as a holiday in lieu of a

1. Holiday Compensation for Time Worked

324. Employees required by their respective City representative to work on any of the above-specified or to substitute holidays excepting Fridays observed as holidays in lieu of holidays falling on Saturday, shall be paid for the legal holiday plus extra compensation of one (1) additional day's pay at time and one-half (1-1/2) the usual rate in the amount of twelve (12) hours' pay for eight (8) hours worked or a proportionate amount of less than eight (8) hours worked; provided, however, that at an employee's request and with the approval of the appointing officer, an employee may be granted compensatory time off in lieu of paid overtime.

325. Executive, administrative and professional employees designated with the "Z" symbol and who the City believes are exempt under the provisions of the Fair Labor Standards Act shall not receive extra compensation for holiday work but may be granted time off equivalent to the time worked at the rate of one and one-half (1½) times for work on the holiday.

2. Holidays for Employees on Work Schedules Other Than Monday Through Friday

326. Employees assigned to seven (7) day-operation departments or employees working a five (5) day work week other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.

327. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, s/he shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate employer representative. Such days off must be taken within the current or next fiscal year. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule.

328. Departments will use their best efforts to grant each employee qualifying for paid holidays at least one (1) of the following two (2) holidays off: Christmas Day and the following New Year's Day.

3. Holiday Pay for Employees Laid Off

329. An employee who is laid off at the close of business the day before a holiday who has worked not less than five (5) previous consecutive workdays shall be paid for the holiday.

4. Employees Not Eligible for Holiday Compensation

330. Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time work schedule (not regularly scheduled), or persons employed on as-needed, seasonal or project basis for less than six (6) months continuous service, or persons on leave without pay status both immediately preceding and immediately following the legal holiday shall not receive holiday pay.

5. Part-time Employees Eligible for Holidays

331. Part-time employees who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holiday pay on a proportionate basis.

332. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

333. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appropriate employer representative.

6. Holiday Compensation for Employees Working Alternative Work Schedules

334. Nine (9), ten (10) and twelve (12) hour employees shall receive full holiday compensation for the regularly scheduled shift worked on a holiday.

7. Z Employees

335. No designated “Z” employee shall receive overtime pay for working on a holiday. All such overtime shall be compensated in the form of compensatory time accrued.

III. J. VACATION

1. Definitions

336. “Continuous service” for vacation allowance purposes means paid service pursuant to a regular work schedule which is not interrupted by a breach in paid service.

2. Award and Accrual of Vacation

337. Vacation benefits are set pursuant to the Charter as follows:

ARTICLE III – PAY, HOURS AND BENEFITS

338. An employee does not accrue vacation allowance in the first year of continuous service, however, at the end of one (1) year of continuous service, an employee shall be awarded a vacation allowance computed at the rate of .0385 of an hour for each hour of paid service in the preceding year.
339. At the end of five (5) years of continuous service, an employee shall be awarded a one-time vacation allowance computed at the rate of .01924 of an hour for each hour of paid service in the preceding year except that the amount of the vacation allowance shall not exceed forty (40) hours.
340. At the end of fifteen (15) years of continuous service, an employee shall be awarded a one-time vacation allowance computed at the rate of .01924 of an hour for each hour of paid service in the preceding year except that the amount of the vacation allowance shall not exceed forty (40) hours.
341. The maximum number of vacation hours an employee may accrue consists of two hundred and forty (240) hours carried forward from prior years plus the employee's maximum vacation entitlement which is based on the number of years of service. The maximum number of vacation hours which an employee may accrue is as follows:

<u>Years of Continuous Service</u>	<u>Maximum Accrual</u>
1 through 5 years	320 hours
more than 5 through 15 years	360 hours
more than 15 years	400 hours

III.K. TIME OFF FOR VOTING

342. If an employee does not have sufficient time to vote outside of working hours, the employee may request so much time off as will allow time to vote, in accordance with the State Election Code.

III.L. PROVISIONAL EMPLOYEES

343. Non-permanent employees, defined as employees with no permanent classification or employees with a permanent classification serving in another classification, shall be entitled to the following:
344. 1. Non-permanent employees shall be treated as permanent employees with respect to health and welfare benefits, compensation and salary steps, seniority, retirement (upon completion of 1040 hours in any twelve month period), and leave benefits, including but not limited to sick leave, vacation and personal leave.
345. 2. Upon permanent appointment, time worked as a provisional appointment in the same classification under the same appointing authority shall be treated as time worked and credited to the employee's probationary period as defined and

administered by the Civil Service Commission. Provided however, upon permanent appointment, all employees must serve no less than a thirty-day probationary period as defined and administered by the Civil Service Commission regardless of time worked in the provisional appointment.

III.M. PER-DIEM REHABILITATION PROFESSIONALS

346. In lieu of benefits, Per Diem (as-needed) employees shall be paid at a wage rate no lower than step 5. When an as-needed per-diem accepts a regularly-scheduled position (FT or PT, permanent or provisional civil service status) he/she shall be paid at no lower than a step 3 wage rate, but dependent upon their experience, may be placed at a higher step at the discretion of the Appointing Officer. Per-diem employees who accept employment to a permanent or provisional civil service position, will receive all the benefits granted to a permanent employee with the exception of health and retirement benefits, which will accrue upon the completion of 1040 hours for employees granted provisional positions, and “just cause,” which will be available to the employee upon completion of the equivalent of a probationary period (when appointed provisionally) or the completion of a probationary period (when appointed to a permanent position).

III.N. HEALTH AND WELFARE AND DENTAL INSURANCE

1. City Contribution

347. The City agrees to maintain health and dental benefits at present levels for the life of the Agreement.

a. Health Coverage Effective January 1, 2014 Through December 31, 2014

1) Medically Single (Employee Only)

348. Effective January 1, 2014 through December 31, 2014, for “medically single employees” (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the “medically single employee” (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City’s premium contribution will not fall below the lesser of: (a) the “average contribution” as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the “average contribution,” one hundred percent (100%) of the premium.
349. For the period January 1, 2014 through December 31, 2014 only, for “medically single employees” (Employee Only) who elect to enroll in the highest cost plan, the City shall contribute ninety percent (90%) of the premium for the second highest cost plan, plus fifty percent (50%) of the difference between: (a) ninety percent (90%) of the premium for the second highest cost plan, and (b) one hundred percent (100%) of the premium for the highest cost plan.

2) Dependent Coverage (Employee Plus One; Employee Plus Two or More)

350. Effective January 1, 2014 through December 31, 2014, the City shall contribute up to 75% of the dependent rate charged by the City to employees for Kaiser coverage at the dependent plus two or more level.

b. Health Coverage Effective January 1, 2015

351. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the City's contribution of a percentage of those premiums and the employee's payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

352. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2) Employee Plus One:

353. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) Employee Plus Two or More:

354. For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

4) Contribution Cap

355. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

356. For purposes of this agreement, and any resulting agreements under paragraph 358, to ensure that all employees enrolled in health insurance through the City's Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the City's contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

c. Medically Single Employees Outside of Health Coverage Areas

357. The provisions in paragraphs 348, 349, and 352 above shall not apply to "medically single employees" (Employee Only) who are permanently assigned by the City to work in areas outside of the health coverage areas of Kaiser and Blue Shield for the term of this Agreement. For such "medically single employees" (Employee Only), the City shall continue to contribute one hundred percent (100%) of the premium for the employees' own health care benefit coverage.

d. Agreement Not to Renegotiate Contributions in 2014

358. The terms described in paragraphs 351 through 356 above will be effective in calendar year 2015, and the parties agree not to seek to modify this agreement through the term of any MOU entered into prior to, or in the spring of, 2014.

e. Other Terms Negotiable

359. While the parties have agreed in paragraph 358 not to negotiate any changes to the Percentage-Based Contribution Model, the parties are free to make economic proposals to address any alleged impact of the health contribution levels described above or other health related issues not involving the percentage-based contribution model (e.g. wellness and transparency).

f. Other Agreements

360. Should the City and any recognized bargaining unit reach a voluntarily bargained agreement that results in City contributions to health insurance premiums exceeding those provided by the Percentage-Based Contribution Model, the City agrees to offer the entire alternate model to the Union as a substitute.

ARTICLE III – PAY, HOURS AND BENEFITS

2. Dental Benefits

361. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.

3. Benefits While on Unpaid Leave

362. As set forth in Administrative Code Section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.

4. Hetch Hetchy Stipend

363. As provided in the Annual Salary Ordinance, for employees assigned to Hetch Hetchy, the City will pay a stipend to employees residing in designated zip code areas enrolled in the Health Services System with employee plus two or more dependents where HMOs are not available and such employees are limited to enrollment in Plan 1.

5. Life Insurance

364. The City will provide \$50,000 in term life insurance to each employee.

III.O. RETIREMENT

1. Retirement Payments

365. The SFERS shall process and pay retirement claims in the following manner:

<u>BENEFIT</u>	<u>PROCESSING TIME</u>
Initial monthly retirement allowance	60 days maximum 90% within 60 days
Withdrawal of contributions	6 weeks maximum 85% paid in 30 days
Death benefit	30 days maximum 90% paid within 30 days of filing appropriate papers

366. Represented employees agree to pay their own employee retirement contribution to SFERS. For employees who became members of SFERS prior to November 2, 1976 (Charter Section A8.509 Miscellaneous Plan), the City shall pick up one-half percent (0.5%) of the total employee retirement contribution.

2. Retirement Restoration Payment

367. For employees who retire prior to July 1, 2013 and whose final compensation for retirement purposes was impacted by the wage reduction in Fiscal Years 2010-2011 or 2011-2012 described in Section III.A. of the parties' 2006-2012 Agreement, the City will make available restoration pay in a lump sum equivalent to the pensionable value of the wage reduction described in Section III.A. of that Agreement for the period used by the applicable retirement system to determine the employee's final compensation for retirement purposes (Final Compensation Period).
368. Should employees who retire prior to July 1, 2013 wish to receive retirement restoration, they must, at least thirty (30) days prior to the last date of employment, agree to re-designate any floating holidays they have taken during the Final Compensation Period in excess of four (4) floating holidays to vacation days upon retirement. This re-designation shall not apply to floating holidays carried over from a prior fiscal year. Once they have taken four (4) floating holidays during the Final Compensation Period, such employees will not be eligible to take any floating holidays during the last thirty (30) days of their employment except for floating holidays accrued before July 1st of the fiscal year in question.
369. The parties acknowledge that any City pick-up of employee retirement contributions, as well as other forms of payments (including without limitation payments for health and welfare insurance premiums) and accrued but unpaid leave accounts, are not considered a part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.
370. The City will not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board indicates that such contributions are taxable income subject to withholding. Each employee shall be solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefor.

3. Quarterly Report and Annual Meeting

371. The San Francisco Employees Retirement System shall provide upon request a quarterly report to the Union detailing its current holdings and its annual return on investments. The Retirement System shall also meet each Fall during the term of this Agreement after their annual audit to review their portfolio with the Union on request. The Union will attempt to provide specific questions and items of interest in advance to SFERS to assist in setting an appropriate agenda.

ARTICLE III – PAY, HOURS AND BENEFITS

4. Safety Retirement

372. If the voters approve an amendment to Charter Section A8.506-2 to delete the “no net increase in cost” requirement in that section, the City agrees to meet and confer with the Union over a mutually satisfactory contract amendment with PERS to effect safety retirement improvements. As set forth in Charter Section A8.409-5, the parties acknowledge that this paragraph is not subject to Charter Section A8.409’s impasse resolution procedures.

373. Non-permanent employees who have earned not less than 1,040 hours of compensation during any twelve-month period shall become eligible for membership in the San Francisco Retirement System and shall be required to enroll.

5. Release Time for Pre-Retirement Planning Seminars

374. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one (1) day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.

375. Employees must provide at least two (2) weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee’s attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.

376. All such seminars must be located within the Bay Area.

377. This section shall not be subject to the grievance procedure.

6. Miscellaneous Retirement Improvement

378. The City agrees to meet and confer with Local 21 over possible Charter amendments, including early retirement incentives, to enhance miscellaneous retirement benefits. As set forth in Charter Section A8.409-5, the parties acknowledge that this paragraph is not subject to Charter Section A8.409’s impasse resolution procedures.

III.P. STATE DISABILITY INSURANCE (SDI)

379. For any bargaining unit, covered by this Agreement, that has elected coverage in SDI the payment of sick leave pursuant to Rule 20 of the Civil Service Commission shall not affect and shall be supplementary to payments from SDI. An employee entitled to SDI shall receive in addition thereto such portion of his/her accumulated sick leave with pay as will equal, but not exceed, the regular bi-weekly take-home earnings of the employee, excluding optional deductions. Such supplementary payments shall continue for the duration of the employee’s illness or disability or until sick leave with pay credited to the employee is exhausted, whichever occurs first. At the employee’s option, his/her

ARTICLE III – PAY, HOURS AND BENEFITS

accrued vacation, and compensatory time off (for non-Z employees only) can also be integrated with SDI payments in the same manner as sick leave.

- 380. Any over-payments of SDI coverage will be returned to the employee no later than the second pay period following departmental notification to the Controller's Payroll & Personnel Division.
- 381. During the term of the Agreement, all classifications added to an existing bargaining unit that is covered by State Disability Insurance ("SDI") shall automatically be enrolled in SDI. If a new bargaining unit is created or if the Union gains recognition for additional bargaining units, the Union shall certify in writing to the Employee Relations Director whether such units shall be enrolled in SDI.

III.Q. WORKERS' COMPENSATION LEAVE

Workers' Compensation Supplementation (Shadow Sick Leave Account)

- 382. An employee who is absent because of an occupational or non-occupational disability and who is receiving Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule.
- 383. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the appointing officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.
- 384. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available.
- 385. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.

ARTICLE III – PAY, HOURS AND BENEFITS

386. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.

III.R. LONG TERM DISABILITY

387. The City shall provide to employees with six (6) months continuous service a Long-Term Disability (LTD) plan that provides, after a ninety (90) day elimination period, sixty-six percent (66%) salary (subject to integration) up to age sixty-five (65). Employees who receive payment under the LTD plan shall not be eligible to continue receiving payments under the City's Catastrophic Illness Program.

III.S. RETURN TO WORK

388. The City will make a good faith effort to return and reassign employees who have sustained an occupational injury or illness where the employee's doctor certifies that the employee is temporarily unable to perform specified aspects of his or her regular job duties. Duties of this modified assignment may differ from the employee's regular job duties and/or from job duties regularly assigned to employees in the injured employee's class.

389. Where appropriate temporary modified duty is not available within the employee's classification, on the employee's regular shift, and in the employee's department, the employee may be temporarily assigned to work in another classification, on a different shift, and/or in another department, subject to the approval of the Appointing Officer or designee.

390. Neither the decision to provide or deny modified duty, nor the impact of such a decision shall be subject to grievance or arbitration.

391. It is also understood that modified duty assignments are temporary only; modified duty assignments for employees temporarily unable to perform regular job duties may not exceed three (3) months. An employee assigned to temporarily modified duty assignment shall receive his/her regular base rate of pay and shall not be eligible for any other additional compensation (premiums) and/or out of class assignment pay as may be provided under this Agreement.

392. The City reserves the right to take any action necessary to comply with its obligations under the Americans with Disabilities Act, the Fair Employment and Housing Act and all other applicable federal, state and local disability anti-discrimination statutes. Requests for accommodation under the ADA or FEHA shall be governed under separate City procedures under those laws.

ARTICLE III – PAY, HOURS AND BENEFITS

III.T. SICK LEAVE

393. Employees shall be entitled to accumulate up to 1040 hours of sick leave. For employees who have a balance above the 1040 hour cap as of July 1, 2012, the remaining balance will continue without further accumulation until the employee's sick leave usage brings the total below the 1040 hour cap.

III.U. PARENTAL RELEASE TIME

394. Upon proper advance notification, employees may be granted up to 40 hours Parental Leave – two hours of which will be paid leave each semester – each year to participate in the activities of a school or licensed child day care facility of the employee's biological, adopted or foster child or a child for whom the employee has parental or child rearing responsibilities (including a grandchild or child of a domestic partner) and who is residing in the employee's household. Parental Leave shall not exceed eight hours in any calendar month of the year.
395. In order to qualify for Parental Leave, the employee must give reasonable notice to his/her immediate supervisor prior to taking the time off. The employee must provide written verification from the school or licensed child day care facility that he/she participated in school/child care related activities on a specific date and at a particular time, if requested by management.
396. The employee may utilize either existing vacation, compensatory time off, or personal (unpaid) leave to account for absences after the two paid hours per semester have been used.
397. Denial of Parental Leave under this section is not subject to the grievance process.

III.V. LIABILITY

398. The City shall defend and indemnify an employee against any claim or action against the employee or account of any act or omission in the scope of the employee's employment with the City, in accord with, and subject to, the provisions of California Government Code Sections 825 et seq. and 995 et seq. Nothing herein is deemed to supersede referenced State law.

IV.A. EMPLOYEE DEVELOPMENT FUND

401. Until such funds are exhausted, and subject to approval by the appointing officer or appropriate designee, an employee may utilize up to a maximum of \$2,000 per fiscal year for tuition, registration fees, books, and other materials for internal or external training programs, professional conferences, professional association memberships and desired licenses relevant to the employee's current classification. Solely at the discretion of the appointing officer or designee, such funds may be supplemented with department funds budgeted for training.
402. Any employee who is entitled to reimbursement under the Employee Development Fund during the term of the MOU may apply for such reimbursement at any time during the same fiscal year and will be reimbursed at that time, provided that the funds for that fiscal year have not been exhausted. However, in the event that payment is required for training, professional conference or coursework in the previous fiscal year, but proof of completion is not available until the following fiscal year, if receipts are submitted sufficiently in advance of the Controller's year-end closing date, then expenses may be paid out of that prior year's funds. In any event, if not reimbursed out of the prior year's funds, the employee shall be eligible for reimbursement for such training or coursework in the next fiscal year out of the next fiscal year's available funds.
403. Employee Development Funds will be encumbered at the time that the employee submits his or her Departmentally-approved request to DHR, provided that the employee includes certificate of registration and proof of payment with his or her request to DHR. In the event that it is not possible to provide certification of registration and/or proof of payment, the employee must provide sufficient documentation regarding the course, training program, professional conference, professional association membership or desired license and the anticipated cost of such training program, professional conference, professional association membership or desired license. In the event that DHR rejects the employee's request, such encumbered funds shall be returned to the Employee Development Fund balance. Encumbered funds will not be paid out until the employee provides proof of satisfactory completion and proof of payment. Encumbered funds not used by June 30th of each fiscal year shall be released back into the Employee Development Fund to reimburse employees who submitted a Departmentally-approved request for reimbursement during that same fiscal year but who did not receive reimbursement due to the unavailability of funds at the time.
404. In addition, subject to approval by the appointing officer or designee, employees may utilize up to \$500 of the funds available to them for that fiscal year under this article to

ARTICLE IV – TRAINING, CAREER DEVELOPMENT AND INCENTIVES

405. Unused funds shall not be carried over from year to year and shall not carryover beyond the expiration of this MOU.
406. Employees shall not be required to utilize these funds for Department-mandated training or for certificates, licenses or registrations required by the City or the State as a condition of employment (however, the costs of continuing education for these certificates, licenses or registrations may be reimbursed through the Employee Development Fund).
407. The Union agrees to work cooperatively with the City to help build City University – a program intended to ensure San Francisco has the most educated and highly trained workforce possible. City University is a partnership between the City, learning institutions, the business community and labor organizations which shall create new sources of funding and new opportunities to professionally develop City employees.

415. Employees in the above listed classifications shall be entitled to sufficient educational leave with pay to attend Department approved training courses, workshops and seminars necessary to fulfill mandatory re-licensure requirements for licenses required as a condition of employment. If the leave provided in the preceding paragraph is not sufficient to meet this need over the re-licensure cycle, an employee in the listed classifications shall receive additional leave. ARTICLE V: WORKING CONDITIONS

V.A. HEALTH AND SAFETY

418. The City acknowledges its responsibility to provide safe, healthful work environments for City employees.
419. When an employee, in good faith, believes that a condition exists which is immediately dangerous to life or health, and that continuing to work under such conditions poses risks beyond those normally associated with the nature of the job, the employee shall so notify the supervisor and explain why he/she believes it is unsafe. If the Department agrees that the assignment is hazardous or unsafe, the employee shall be reassigned, if possible, until the hazard is eliminated or until the employee has been provided with the necessary safeguards.
420. If the Department and the employee, or his/her designated representative, do not concur, the potentially hazardous condition shall be evaluated by the departmental Occupational Safety and Health (OSH) staff, or a member of the DPH OSH Program staff, if the Department does not have professional OSH staff.
421. If the Departmental or DPH OSH staff, and the employee and his/her representative do not agree the potentially hazardous condition will be evaluated by a panel of three (3) City OSH professionals who have not been involved in either of the previous evaluations.
422. Such evaluations shall be performed by appropriate health and/or safety staff (6141 OSH Manager; 6139 Senior Industrial Hygienist; 6138 Industrial Hygienist; 5177 Safety Officer; 6130 Safety Analyst) by close of business the next business day.
423. In the event that either the employee or the Union disagrees with the evaluation of the three person panel, they may appeal to a neutral arbitrator for an expedited hearing; the arbitrator shall be selected in advance and may be an outside (non-City) health and safety expert.
424. Upon request, the City shall provide the union departmental lists on a quarterly basis containing the vital information on all work-related injuries and illnesses. Vital information shall include the nature of the illness or injury, dates, time lost, corrective action, current status of employee and work location.

V.C. VIDEO DISPLAY EQUIPMENT WORKING CONDITIONS

426. The City and the Union agree that employees working on video display equipment shall have safe and healthy work environments.
427. This environment shall avoid excessive noise, crowding, contact with fumes and other unhealthy conditions. The City agrees upon request of the Union to meet and confer on ways to design the flow of work to avoid long, uninterrupted use of video display equipment by employees.
1. Eye Examinations
428. All represented employees, who are health service system members, shall be eligible for one (1) annual VDT examination and prescribed eyewear.
2. Breaks
429. Every employee working on video display equipment shall be required to take a break away from his/her screen of at least fifteen (15) minutes after two (2) hours' work. In the event that normal work schedule does not provide a lunch or rest break every two (2) hours, the employee shall be assigned duties away from the video display screen for fifteen (15) minutes after two (2) hours of work.
3. Physical Plant
430. The Board of Supervisors agrees to provide, subject to the budgetary and fiscal provisions of the Charter, the following physical equipment and work environment for users of video display equipment:
431. a. Where necessary, effective glare screens shall be affixed to the front of such machines;
432. b. Adjustable chairs, footrests and tables to allow for adjustment of individual machines to provide each operator with optimum comfort and the minimum amount of physical stress;
433. c. Optimal lighting conditions adapted to accommodate the types of equipment in use at each work site shall be provided;
434. d. Prior to the acquisition of additional or replacement machines, the City agrees to meet and consult with the Union on the design of the machines, including such features as separate keyboards, tiltable screens, phosphor colors, brightness controls and any other features relating to operator health and well being. The City will give the Union as much advance notice as possible of such changes.

ARTICLE V – WORKING CONDITIONS

V.D. ALTERNATIVE, LIGHT AND/OR MODIFIED DUTY ASSIGNMENTS

437. The City Departments shall make good faith efforts to develop alternative assignments for disabled or pregnant employees whose doctors certify that they are temporarily unable to perform specified aspects of their regular job duties if, in the particular situation,

438. 1. There is sufficient work which the employee can perform available within the employee's job classification in the department, and

439. 2. In the opinion of the department head, assigning the work to the disabled employee or pregnant employee can be done without adversely affecting the operation of the department.

440. In the event a City-wide policy on alternative, light and/or modified duty assignments is proposed during the life of the Agreement, the parties agree to reopen this Section (V.D.) to meet and confer regarding such policy.

441. The City shall provide annual audiometric examinations in accordance with the City's Hearing Conservation Program.

V.E. PROTECTIVE CLOTHING

442. No employee in a classification covered by this Agreement shall be required to work in a location where he/she comes in contact with raw sewage or toxic or hazardous chemicals or substances if not provided with protective clothing as deemed appropriate for the purpose by the employee and his/her Appointing Officer.

V.G. UNIFORM ALLOWANCE

445. Employees, excluding as-needed employees, who are required to wear and supply their own uniform or lab coat or smock in the course of their duties and who are employed on September 1 of any year covered by the Agreement, shall be paid an annual uniform allowance of \$175.00, or, in the case of lab coats or smocks, \$100.00 no later than the first pay period in December of each year. The Department shall fix the appropriate amount for the allowance after meeting and conferring with the Union prior to September 1 of each year.
446. New employees (excluding as-needed employees) who are required by the Department of Public Health to wear scrubs in the course and scope of their employment will be provided with five (5) scrubs within two weeks of appointment.
447. The Department of Public Health shall furnish employees (excluding as-needed employees) who are required by the Department of Public Health to wear scrubs in the course and scope of their employment with up to two (2) replacement scrubs in any twelve-month period. Scrubs shall also be replaced by the Department of Public Health if they are damaged in the course of the employee's performance of his or her duties.

V.H. UNIFORM ALLOWANCE (COMPUTER OPERATORS)

448. For employees in the Units 8Z and 11O, when properly working on machines, the City will provide smocks for the individuals occupying positions in Units 8Z and 11O, provided, however, that only those employees presently receiving said smocks shall continue to receive them. Smocks will be replaced at the City's expense when they are unserviceable, but in any event, not more than one smock per employee per year shall be issued. Total cost to the City of this provision shall not exceed one thousand dollars (\$1,000) per fiscal year in each year of this agreement.

450. The City shall bear the full cost of fingerprinting whenever such is required of the employee.

ARTICLE V – WORKING CONDITIONS

V.K. TELECOMMUTING

451. The City and the Union recognize that telecommuting programs represent good public policy. Pursuant to the 2003-2006 Agreement, the Government Efficiency Committee reviewed the feasibility of implementing a telecommuting policy for the classifications represented by the Union.
452. Thereafter, the City convened a telecommuting committee (including representatives from City departments and the Union) which developed a comprehensive policy and program regarding telecommuting. Based on the recommendations of the committee, the City implemented a Citywide Telecommuting Policy and Program, copies of which are available on the Department of Human Resources Website at www.sfdhr.org and incorporated herein for reference purposes only.
453. An employee who meets the eligibility criteria and program guidelines may apply to participate in the Telecommuting Program. As described more fully in the Telecommuting Program materials, telecommuting is a cooperative arrangement subject to the telecommuting appeal process. Either a telecommuting employee or the City may end a telecommuting arrangement at any time. However, telecommuting arrangements will not be denied or ended for an arbitrary or capricious reason. Neither the Telecommuting Program nor this Section V.K. are subject to the grievance and arbitration procedure of this Agreement.

454. Upon request the City will provide Rehabilitation Professionals at California Children Services/Medical Treatment Union (CCS/MTU) pagers with voicemail and/or access to voicemail.

V.M. PAPERLESS PAY POLICY

455. Effective on a date to be established by the Controller, but not sooner than September 1, 2014, the City shall implement a Citywide Paperless Pay Policy. This policy will apply to all City employees, regardless of start date.
456. Under the policy, all employees shall be able to access their pay advices electronically, and print them in a confidential manner. Employees without computer access shall be able to receive hard copies of their pay advices through their payroll offices upon request. Upon implementation of the policy, other than for employees described in the preceding sentence, paper pay advices will no longer be available.
457. Under the policy, all employees (regardless of start date) will have two options for receiving pay: direct deposit or bank card. Employees not signing up for either option will be defaulted into bank cards.

ARTICLE V - WORKING COND. JNS

- 458. Prior to implementing this policy, the City will give all employee organizations a minimum of 30-days' advance notice.

- 459. The union hereby waives any further right to meet and confer over the Citywide Paperless Pay Policy or its implementation, including meet and confer over the effects of the policy.

ARTICLE VI: IMPLEMENTATION AND TERM OF AGREEMENT

VI.A. SCOPE OF AGREEMENT

462. Nothing contained in this Agreement shall have application to changes of Civil Service Rules excluded from bargaining pursuant to Charter Section 8.409-3, which reads as follows:
463. Notwithstanding any other provisions of this charter, or of the ordinances, rules or regulations of the city and county of San Francisco and its departments, boards and commissions, the city and county of San Francisco, through its duly authorized representatives, and recognized employee organizations representing classifications of employees covered by this part shall have the mutual obligation to bargain in good faith on all matters within the scope of representation as defined by Government Code section 3504, relating to the wages, hours, benefits and other terms and conditions of city and county employment, including the establishment of procedures for the resolution of grievances concerning the interpretation or application of any agreement, and including agreements to provide binding arbitration of discipline and discharge; provided, however that, except insofar as they affect compensation, those matters within the jurisdiction of the civil service commission which establish, implement and regulate the civil service merit system shall not be subject to bargaining under this part: the authority, purpose definitions, administration and organization of the merit system and the civil service commission; policies, procedures and funding of the operations of the civil service commission and its staff; the establishment and maintenance of a classification plan including the classification and reclassification of positions and the allocation and reallocation of positions to the various classifications; status rights; the establishment of standards, procedures and qualifications for employment, recruitment, application, examination, selection, certification and appointment; the establishment, administration and duration of eligible lists; probationary status and the administration of probationary periods, except duration; pre-employment and fitness for duty medical examinations except for the conditions under which referrals for fitness for duty examinations will be made, and the imposition of new requirements; the designation of positions as exempt, temporary, limited tenure, part-time, seasonal or permanent; resignation with satisfactory service and reappointment; exempt entry level appointment of the handicapped; approval of payrolls; and conflict of interest. Nothing in this paragraph shall limit the obligation of the civil service commission to meet and confer as appropriate under state law.

VI.B. SAVINGS CLAUSE

464. Should any part of this Memorandum be determined to be contrary to law, such invalidation of that part or portion of this Agreement shall not invalidate the remaining portions hereof. In the event of such determination the parties agree to immediately meet and confer in an attempt to agree upon a provision for the invalidated portion which meets with the precepts of the law.

ARTICLE VI – IMPLEMENTATION AND TERM OF AGREEMENT

465. Any term of condition of this Agreement which conflicts with the Fair Labor Standards Act, Title U.C.C. Sections 201 et seq. and/or the rules and regulations thereof, shall be null and void so long as said Act and/or the rules and regulations thereto continue to be applicable to the City and County of San Francisco. Should any dispute over the application of the Act occur, the parties agree to meet and confer to resolve the dispute before taking other action.

VI.C. AMENDMENT OR MODIFICATION

APPENDIX B: SCHEDULES OF COMPENSATION

(To be appended by September 30, 2014)

APPENDIX C: CIP ADDENDUM

**CAPITAL IMPROVEMENT PLAN PROJECTS MOU ADDENDUM
TO THE 2012-2014 MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY AND COUNTY OF SAN FRANCISCO AND
THE INTERNATIONAL FEDERATION OF PROFESSIONAL
AND TECHNICAL ENGINEERS, LOCAL 21, AFL-CIO**

Introduction

San Francisco faces an unprecedented challenge: to restore its aging water system to ensure a reliable Bay Area water supply and avoid system outages which could be caused by natural disasters. The City faces similar challenges in maintaining, restoring, and improving other essential City infrastructure components.

The parties recognize that achievement of this goal requires an extraordinary level of labor-management cooperation, and that disagreements regarding contracting out, terms and conditions of employment, hiring and promotion methods, and other matters have the potential to interfere with implementation of the City's capital projects. The parties further recognize that the success of the City's capital projects will require new and innovative approaches in many employment-related areas including recruitment, hiring, promotion, training, work rules, compensation, evaluation, and management.

The purpose of this Agreement is to promote the efficiency of design, construction management and project management operations for the City's capital projects and provide for efficient resolution of labor disputes and grievances, thereby promoting the public interest in assuring the timely and economical completion of capital projects.

Findings

WHEREAS, the City is or will be engaged in a number of significant capital projects in the coming years which will require that work proceed in an efficient manner without delay or disruption because of disagreements between the City and the Union; and

WHEREAS, the largest capital project the City faces is the modernization and repair of the Hetch Hetchy water supply system;

WHEREAS, the voters passed Propositions A and E, ensuring that funding is available to complete this ambitious program in a timely manner; and

APPENDIX C

WHEREAS, the voters have found that “the protection, maintenance and repair of the [Hetch Hetchy water supply] system are among their highest priorities”; and

WHEREAS, the PUC CIP consists of approximately 38 infrastructure improvement projects for regional water and approximately 39 infrastructure improvement projects for local water and may in the future also consist of a Clean Water Improvement Program and a Repair and Replacement Program; and

WHEREAS, successful completion of the PUC CIP is of the utmost importance to the general public in the San Francisco Bay Area and the state; and

WHEREAS, the Public Utilities Commission (PUC), the Department of Public Works (DPW) and the Department of Human Resources are strategic partners on the PUC CIP and have entered into MOUs memorializing their agreements to share responsibility for completion of the PUC CIP; and

WHEREAS, successful completion of City capital projects is of the utmost importance to the general public; and

WHEREAS, the interests of the general public, the City and County of San Francisco and IFPTE, Local 21 are best served if the work on all capital projects proceeds in an efficient manner without delay or disruption because of disagreements between the City and the Union; and

WHEREAS, the City and the Union desire to establish specific and unique terms and conditions of employment to ensure the City's capital projects are completed with utmost quality, with in-house staff to the greatest extent practicable and on-time and on-budget; and

WHEREAS, through this Agreement, the City and the Union desire to encourage close cooperation which ensures that a satisfactory and harmonious relationship will exist among the parties; and

WHEREAS, the current collective bargaining agreement between Local 21 and the City shall be amended by the Board of Supervisors to incorporate this Agreement; and

WHEREAS, this Agreement shall not replace, interfere, abrogate, diminish or modify the terms and conditions of the parties' existing collective bargaining agreement except as specifically amended; and

WHEREAS, the parties signatory to this Agreement pledge their full good faith and trust to work towards a mutually satisfactory completion of the City's capital projects.

ARTICLE III – STAFFING

3.1 Principles

- 3.1.1 The parties agree that in order to maximize City employment opportunities, it is necessary to hire and promote highly qualified employees quickly and efficiently. The parties acknowledge that many employees involved in capital projects possess state licenses in engineering, architecture and other specialties; such licenses often establish a candidate's minimum qualifications for employment; and, with respect to licensed professionals, employment and promotional decisions are best addressed at the departmental level.
- 3.1.2 The parties agree that the hiring methods employed on the CIP and other capital projects throughout the City should be fair, should honor the merit system, should command public confidence, and should be focused on creating a talented city workforce.
- 3.1.3 The parties agree that this Article covers matters within the jurisdiction of the Civil Service Commission and shall be administered subject to Civil Service Commission Rules and procedures.

APPENDIX C

3.2 Hiring

3.3 Technical Engineers

3.3.1 The parties agree that employees in technical engineering classifications are necessary and critical to the successful completion of the CIP. The City and the Union conducted a utilization study of the technical engineering classifications and have agreed to implement some of the recommendations.

ARTICLE IV – CONTRACTING

4.1 Principles

4.1.1 The parties commit to delivering the CIP and related projects with the highest quality and on-time and on-budget.

4.1.2 The parties commit to use in-house staff to perform engineering, planning, architectural, construction management, program management and project management work where feasible and practicable given the needs and schedule of the CIP and related projects.

4.1.3 The parties agree that contracting-out may be necessary in some circumstances and that disagreements over decisions to contract-out shall be fact-based and shall utilize the criteria set forth herein.

4.1.4 The parties acknowledge that the process set forth herein is intended as a pilot designed to improve communication and decision making with regard to contracting issues at PUC and DPW.

4.1.5 The parties acknowledge that this is a pilot process limited to contracting decisions at PUC and DPW, but mutually desire that successful outcomes will motivate other City departments to utilize this pilot process or related processes for contracting decisions.

4.2 Standards for Contracting-Out. The parties recognize that under Civil Service Commission guidelines contracting-out work may be necessary for the following reasons:

4.2.1 Specialized Expertise. The City may contract-out specialized services for which City staff do not possess the necessary specialized skills or experience.

4.2.2 Peak Workloads. The City may contract-out to address temporary peak workloads. Temporary peak workloads are situations where City staff are capable of providing needed services, but sufficient staff are not available to meet project deadlines and the

APPENDIX C

work is not forecasted to be sufficient to sustain the hiring of additional, qualified permanent employees without risk of layoff or displacement.

4.2.3 Emergencies and/or Unanticipated Events or Delays. The City may contract-out work necessary to address emergencies, unanticipated events or delays.

4.3 Process for Contracting-Out. The City commits to engage in the following process with the Union before issuing an RFP/RFQ for outside engineering, planning, architectural, construction management, program management and project management or related services:

4.3.1 Specialized Expertise. Before determining the RFP/RFQ is necessary because the City lacks specialized expertise to handle specialized work or projects the PUC and DPW will:

- a. Poll other City departments to see if such specialized expertise exists;
- b. Engage in forecasting with other City departments to assess whether an in-house position with the specialized expertise can be supported;
- c. Post the need for specialized skills on email or other systems to enable in-house employees to apply for specialized positions;
- d. Determine the extent to which on-going training by City-staff and existing contractors to employees seeking new skills or job opportunities can mitigate the need to rely upon additional contractors for such specialized expertise;
- e. To the extent applicable, use information contained in the PUC-developed Skills Bank to determine staff availability and training needs.

4.3.2 Peak Workload. Before determining the RFP/RFQ is necessary to address a peak workload, the PUC and DPW will engage in forecasting with other City departments to determine whether the City can sustain the hiring of additional permanent employees without risk of layoff or displacement.

4.3.3 Emergencies, Unanticipated Events or Delays. Before determining the RFP/RFQ is necessary to address emergencies, unanticipated events or delays, the PUC and DPW will articulate to the union, in writing, the nature of the emergency or unanticipated delay and explain how the RFP/RFQ is designed to cure that emergency or unanticipated delay. For emergencies that imminently threaten health and safety, the procedures set forth in this Article shall be followed at the earliest practicable time after imminent health and safety concerns have been addressed.

4.3.4 The PUC and DPW will endeavor to regularly present its contracting needs to the JUCC Staffing and Contracting Subcommittee with as much advance notice as practicable. At a minimum, the PUC and DPW will notify the Subcommittee, by providing a draft

APPENDIX C

RFP/RFQ, at least 11 working days prior to publicly advertising or requesting Civil Service Commission approval (whichever is earlier) for an RFP/RFQ for engineering, planning, architectural, project management, program management, construction management or related services, unless such minimum period is waived by Local 21. In the notice, the PUC and DPW will identify the need for such contracting consistent with the criteria in Sections 4.2 and 4.3. The Subcommittee will meet to discuss the rationale for contracting-out within five working days of notice being provided. The Subcommittee may recommend modifications or alternatives to such contracting, provided that such recommendations or alternatives be forwarded to the Assistant General Manager for Infrastructure at PUC or the Deputy Director of Engineering at DPW within 11 working days of notice, except by mutual agreement.

- 4.4 Prop. J Contracts. Nothing herein is intended to alter or diminish the City's rights or obligations with respect to contracting under Charter Section 10.104 (15).
- 4.5 Appeals. If the Union disagrees with the decision to contract out, it may pursue available remedies before the Civil Service Commission or the Board of Supervisors with respect to Prop J. contracts desired under Charter Section 10.104 (15). The decision to contract out shall not be grievable.

 - (1) is operating a vehicle during paid work time on more than fifty-percent (50%) of the Covered Employee's work days on average over the prior three (3) months. Vacation, sick leave, administrative leave time and all other leave shall be excluded when determining whether a Covered Employee operates a vehicle on more than fifty-percent (50%) of his or her work days; or,
 - (2) is actually operating, ready to operate, or immediately available to operate Equipment other than a vehicle during the course of the Covered Employee's paid work time.
- x. "Substance Abuse Prevention Coordinator" (SAPC) means a licensed physician, psychologist, social worker, certified employee assistance professional, or nationally certified addiction counselor with knowledge of and clinical experience in the diagnosis and treatment of drug and alcohol-related disorders. The SAPC will be chosen by the City.

APPENDIX E

- y. "Split Specimen" means a part of the oral fluid specimen in drug testing that is retained unopened for a confirmation test (if required) or in the event that the employee requests that it be tested following a verified positive test of the primary specimen or a verified Adulterated or Substituted Specimen test result.
- z. "Substituted Specimen" means a specimen with laboratory values that are so diminished that they are not consistent with oral fluid and which shall be deemed a violation of this policy, and shall be processed as if the test results were positive.

4. COVERED CLASSIFICATIONS

All employees shall be subject to post-Accident testing under this Agreement. All employees who perform Safety-Sensitive Functions, as defined in this Policy, shall be subject to reasonable suspicion testing.

5. SUBSTANCES TO BE TESTED

a. The City shall test, at its own expense, for alcohol and/or the following drugs:

- (1.) Amphetamines
- (2.) Barbiturates
- (3.) Benzodiazepines
- (4.) Cocaine
- (5.) Methadone
- (6.) Opiates
- (7.) PCP
- (8.) THC (Cannabis)

b. Prescribed Drugs or Medications.

The City recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist, or health care professional has informed the employee (orally or on the medication bottle) will interfere with job performance, including driving restrictions or restrictions on the use of Equipment, the employee is required to immediately notify the designated Department representative of those restrictions before performing his/her job functions.

- (1) Upon receipt of a signed release from the Covered Employee's licensed healthcare provider, the department representative may consult with Covered Employee's healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available, or none is given, the department representative may consult with any City-licensed

APPENDIX E

healthcare provider before making a final determination whether the employee may perform his/her job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing his or her job functions.

- (2) If a Covered Employee is temporarily unable to perform his or her job because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This temporary modified duty reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or has not been cleared by a licensed healthcare provider to return to work without restrictions, the City may extend the temporary modified duty assignment for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is reasonably anticipated to be able to return to work without restrictions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco

APPENDIX E

(excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.

- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.
- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if he or she fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

APPENDIX E

- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) first designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident and telephone the union(s) second designated representative on file with DHR. For purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for two designated representatives are on file with DHR.

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct "on-site" tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are "Non-Negative," a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1.) A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a "Refusal to Submit."
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained

APPENDIX E

breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.

- (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer's recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.
 - (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory

APPENDIX E

shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform him or her of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the

APPENDIX E

employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).

- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

a. Substance Abuse Prevention and Detection Threshold Levels.

For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

- b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing his or her job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

1. Is confirmed to have tested positive for alcohol or drugs;
 2. Refuses to Submit to testing; or
 3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties' MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
 - c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that he or she has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test

APPENDIX E

within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, he or she shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. ADOPTION PERIOD

This Policy shall go into effect on June 30, 2014.

13. JOINT CITY/UNION COMMITTEE

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint City/Union Committee shall be established with two (2) members from the City and two (2) members from each Union, except that no Union shall be required to participate. The Committee shall meet on an annual basis and, in addition, on an as-needed basis to address any implementation issues and review available data concerning the implementation of this policy.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part of this policy will not invalidate the remaining parts. If operational barriers arise that make implementation of any part of this policy impossible or impracticable, such operational barriers will not invalidate the remaining parts of this policy. In the event of a determination that a part of the policy is contrary to law or if operational barriers arise, the parties agree, with the intent of the parties hereto, to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law, or which will remove the operational barrier. Should the parties fail to agree on a resolution, the matter will be submitted to binding arbitration using the factors set forth in Charter section A8.409-4(d), and, as appropriate, Charter section 8A.104(n). Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

SIDELETTER

Health at Home Productivity

The National Association for Home Care and Hospice and the California Association for Health Services at Home provide best practices and guidelines for health at home programs and recommend basing patient visits per day on factors like geography and patient acuity. To better ensure the financial sustainability of the Health at Home program and to be consistent with best practices for providing high-quality care to patients, the Department of Public Health (DPH) and the Union are committed to moving towards such an acuity-based and geography-based model to determine patient visits per day for employees who work in the Health at Home program.

Until a new model is implemented, productivity standards shall continue as follows:

The Productivity Standard for Health at Home is the following (or its equivalent):

- Four (4) case manager revisits per day, or
- Five (5) non-case manager revisits per day (Carry-calls)

It is understood, reflecting the Oasis paperwork required on these visits that, in calculating the above standard:

1. A new referral or new admission is equal to two (2.0) revisits.
2. A re-certification visit is equal to 1.5 revisits.
3. A resumption of care visit is equal to 1.5 revisits.

These standards will expire and will no longer be applicable effective October 1, 2014 or as soon as practicable thereafter should more time be needed to implement a new model and complete impasse procedures, if any. DPH will meet with affected staff to review methods for determining acuity and to solicit recommendations for a new model. Prior to implementation, DPH will provide to Local 21 notice and the opportunity to meet and confer regarding proposed changes to workload and/or impacts that fall within the scope of bargaining. This meet-and-confer shall be subject to the impasse resolution procedures of Charter Section A.8409-4 et seq., and neutral chairperson Katherine Thomson, or another mutually agreed upon arbitrator, will retain jurisdiction of this matter.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter "Agreement") is entered into by the City and County of San Francisco (hereinafter "City") and the International Federation of Professional and Technical Engineers, Local 21, AFL-CIO-CLC (hereinafter "Union"). It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City, the Union, and represented employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.

ARTICLE I: REPRESENTATION

I.A. RECOGNITION

1. The City recognizes the Union as the exclusive bargaining representative for all employees of the City in those units listed in Appendix "A" of this Agreement. The terms and conditions of this Agreement shall also be automatically applicable to any classification for which the Union has become appropriately recognized during the term of this Agreement.
 1. Successor Representation
2. The City agrees to recognize the Union as the collective bargaining representative of any classification that constitutes a successor classification to a classification that the Union currently represents. Subject to applicable appellate review procedures, the Department of Human Resources shall make the final determination when there is a question as to whether or not a new classification is a successor class.
 2. Unit Assignment Resolution
3. For any classifications assigned to bargaining units represented by Local 21 as a result of the settlement of the unit assignment dispute between the City, Local 21 and MEA, the City agrees to meet and confer with Local 21 over subjects within the scope of bargaining and covered by Charter Section A8.409. Any issues that are not resolved through the meet and confer process shall be resolved through arbitration. Any economic benefits shall be implemented at the start of the succeeding fiscal year.
4. The City makes no commitment or promise of wage or benefit improvement with regard to such negotiations.

I.B. NO WORK STOPPAGES

5. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union will not authorize or engage in any strike, slowdown or work stoppage. It shall not be a violation of this Agreement for an employee to honor a primary picket line sanctioned by the Central Labor Council or the Building and Construction Trades Council; provided however, that an employee shall first notify an appropriate supervisor of the employee's intended actions. Provided further that nothing in this Section shall limit the City's right to enforce the provisions of Section 8.346 of the Charter.

I.C. MANAGEMENT RIGHTS

6. Except as otherwise provided in this Agreement, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.

ARTICLE I – REPRESENTATIO:

7. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public, and exercise control and discretion over the City's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment specified in this Agreement.

I.D. UNION/CITY COMMITTEES

1. Union/City Relations Committee

8. The parties have established a Union/City Relations Committee with equal representation from both the City and the Union.
9. The Union/City Relations Committee shall meet at a minimum on a quarterly basis, and in addition, as needed to address matters the parties agree are of mutual concern which arise during the course of this Agreement. By mutual agreement, the Committee may discuss grievance matters subject to arbitration.
10. The Committee is specifically empowered to establish such sub-committees as may be needed to consider and recommend solutions to workplace issues and concerns.
- a. For the term of this Agreement, there shall be a sub-committee established to discuss the City's use of bargaining unit members who are exempt from Civil Service pursuant to Charter Sections 10.104-16, 10.104-17, and 10.104-18. The sub-committee will examine the use of such positions and the reasons for such use. The Union acknowledges that appointments are a Civil Service carve-out under Charter Section A8.409-3, and not subject to the grievance procedure.
11. In Fiscal Years 2012-2013 and 2013-2014, the Union/City Relations Committee shall also discuss any ongoing issues related to the City's Personal Services Contracts database, and options for addressing the safety of represented employees at the worksite and in surrounding neighborhoods.
2. Internal Placement Committee
12. A joint DHR/Local 21 committee created in 2003-04 shall continue for the duration of this Agreement and shall meet monthly, or as otherwise agreed to by the parties, to review scheduled and anticipated displacements and to review reappointment and alternative internal placement plans and options.

248. 4. Subject to the requirements set forth in this section, Appointing Officers may seek approval to place incumbent employees at a rate of pay in an extended range based on consideration of whether the adjustment would serve one or more of the following purposes:

 - (b) to compensate an employee exercising a special skill;
 - (c) to compensate for a special project of limited duration; and/or
 - (d) to recognize exemplary performance.
249. 5. Subject to the requirements as set forth in this section, Appointing Officers may select employees in the above eligible classifications for temporary placement in an extended range. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.

d. Reemployment in a Formerly Held Classification.

276. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.

347. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, s/he shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate employer representative. Such days off must be taken within the current or next fiscal year. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule.

348. Departments will use their best efforts to grant each employee qualifying for paid holidays at least one (1) of the following two (2) holidays off: Christmas Day and the following New Year's Day.

3. Holiday Pay for Employees Laid Off

ARTICLE III – PAY, HOURS AND BENEFITS

352. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

353. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appropriate employer representative.

6. Holiday Compensation for Employees Working Alternative Work Schedules

354. Nine (9), ten (10) and twelve (12) hour employees shall receive full holiday compensation for the regularly scheduled shift worked on a holiday.

7. Z Employees

355. No designated “Z” employee shall receive overtime pay for working on a holiday. All such overtime shall be compensated in the form of compensatory time accrued.

361. The maximum number of vacation hours an employee may accrue consists of two hundred and forty (240) hours carried forward from prior years plus the employee's maximum vacation entitlement which is based on the number of years of service. The maximum number of vacation hours which an employee may accrue is as follows:

<u>Years of Continuous Service</u>	<u>Maximum Accrual</u>
1 through 5 years	320 hours
more than 5 through 15 years	360 hours
more than 15 years	400 hours

Provided however, upon permanent appointment, all employees must serve no less than a thirty-day probationary period

ARTICLE III – PAY, HOURS AND BENEFITS

as defined and administered by the Civil Service Commission regardless of time worked in the provisional appointment.

III.M. PER-DIEM REHABILITATION PROFESSIONALS

366. In lieu of benefits, Per Diem (as-needed) employees shall be paid at a wage rate no lower than step 5. When an as-needed per-diem accepts a regularly-scheduled position (FT or PT, permanent or provisional civil service status) he/she shall be paid at no lower than a step 3 wage rate, but dependent upon their experience, may be placed at a higher step at the discretion of the Appointing Officer. Per-diem employees who accept employment to a permanent or provisional civil service position, will receive all the benefits granted to a permanent employee with the exception of health and retirement benefits, which will accrue upon the completion of 1040 hours for employees granted provisional positions, and “just cause,” which will be available to the employee upon completion of the equivalent of a probationary period (when appointed provisionally) or the completion of a probationary period (when appointed to a permanent position).

~~1) Medically Single (Employee Only)~~

- ~~368. From July 1, 2012 to December 31, 2013 for “medically single employees” (Employee Only) (i.e., benefited employees not receiving contributions paid by the City for dependent health care benefits), the City shall contribute all of the premium for the employees’ own health care benefit coverage.~~

~~2) Dependent Coverage (Employee Plus One; Employee Plus Two or More)~~

- ~~369. From July 1, 2012 through December 31, 2013, for Dependent Coverage (Employee Plus One; Employee Plus Two or More), the City shall contribute up to 75% of the dependent rate charged by the City to employees for Kaiser coverage at the dependent plus two or more level.~~

ba. Health Coverage Effective January 1, 2014 Through December 31, 2014

1) Medically Single (Employee Only)

370. Effective January 1, 2014 through December 31, 2014, for “medically single employees” (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the “medically single employee” (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City’s premium contribution will not fall below the lesser of: (a) the “average contribution” as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the “average contribution,” one hundred percent (100%) of the premium.

371. For the period January 1, 2014 through December 31, 2014 only, for “medically single employees” (Employee Only) who elect to enroll in the highest cost plan, the City shall contribute ninety percent (90%) of the premium for the second highest cost plan, plus fifty percent (50%) of the difference between: (a) ninety percent (90%) of the premium for the second highest cost plan, and (b) one hundred percent (100%) of the premium for the highest cost plan.

2) Dependent Coverage (Employee Plus One; Employee Plus Two or More)

372. Effective January 1, 2014 through December 31, 2014, the City shall contribute up to 75% of the dependent rate charged by the City to employees for Kaiser coverage at the dependent plus two or more level.

eb. Health Coverage Effective January 1, 2015

373. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the City’s contribution of a percentage of those premiums and the employee’s payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

374. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City’s contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

ARTICLE III – PAY, HOURS AND BENEFITS

2) Employee Plus One:

375. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) Employee Plus Two or More:

376. For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

4) Contribution Cap

377. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

378. For purposes of this agreement, and any resulting agreements under paragraph 380, to ensure that all employees enrolled in health insurance through the City's Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the City's contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

dc. Medically Single Employees Outside of Health Coverage Areas

379. The provisions in paragraphs 370, 371, and 374 above shall not apply to "medically single employees" (Employee Only) who are permanently assigned by the City to work in areas outside of the health coverage areas of Kaiser and Blue Shield for the term of this Agreement. For such "medically single employees" (Employee Only), the City

ARTICLE III – PAY, HOURS AND BENEFITS

shall continue to contribute one hundred percent (100%) of the premium for the employees' own health care benefit coverage.

ed. Agreement Not to Renegotiate Contributions in 2014

380. The terms described in paragraphs 373 through 378 above will be effective in calendar year 2015, and the parties agree not to seek to modify this agreement through the term of any MOU entered into prior to, or in the spring of, 2014.

fe. Other Terms Negotiable

381. While the parties have agreed in paragraph 380 not to negotiate any changes to the Percentage-Based Contribution Model, the parties are free to make economic proposals to address any alleged impact of the health contribution levels described above or other health related issues not involving the percentage-based contribution model (e.g. wellness and transparency).

gf. Other Agreements

382. Should the City and any recognized bargaining unit reach a voluntarily bargained agreement that results in City contributions to health insurance premiums exceeding those provided by the Percentage-Based Contribution Model, the City agrees to offer the entire alternate model to the Union as a substitute.

2. Dental Benefits

383. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.

3. Benefits While on Unpaid Leave

384. As set forth in Administrative Code Section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.

ARTICLE III – PAY, HOURS AND BENEFITS

4. Hetch Hetchy Stipend

385. As provided in the Annual Salary Ordinance, for employees assigned to Hetch Hetchy, the City will pay a stipend to employees residing in designated zip code areas enrolled in the Health Services System with employee plus two or more dependents where HMOs are not available and such employees are limited to enrollment in Plan 1.

5. Life Insurance

386. The City will provide \$50,000 in term life insurance to each employee.

1. Retirement Payments

387. The SFERS shall process and pay retirement claims in the following manner:

<u>BENEFIT</u>	<u>PROCESSING TIME</u>
Initial monthly retirement allowance	60 days maximum 90% within 60 days
Withdrawal of contributions	6 weeks maximum 85% paid in 30 days
Death benefit	30 days maximum 90% paid within 30 days of filing appropriate papers

388. Represented employees agree to pay their own employee retirement contribution to SFERS. For employees who became members of SFERS prior to November 2, 1976 (Charter Section A8.509 Miscellaneous Plan), the City shall pick up one-half percent (0.5%) of the total employee retirement contribution.

2. Retirement Restoration Payment

389. For employees who retire prior to July 1, 2013 and whose final compensation for retirement purposes was impacted by the wage reduction in Fiscal Years 2010-2011 or 2011-2012 described in Section III.A. of the parties' 2006-2012 Agreement, the City will make available restoration pay in a lump sum equivalent to the pensionable value of the wage reduction described in Section III.A. of that Agreement for the period used by the applicable retirement system to determine the employee's final compensation for retirement purposes (Final Compensation Period).

ARTICLE III – PAY, HOURS AND BENEFITS

390. Should employees who retire prior to July 1, 2013 wish to receive retirement restoration, they must, at least thirty (30) days prior to the last date of employment, agree to re-designate any floating holidays they have taken during the Final Compensation Period in excess of four (4) floating holidays to vacation days upon retirement. This re-designation shall not apply to floating holidays carried over from a prior fiscal year. Once they have taken four (4) floating holidays during the Final Compensation Period, such employees will not be eligible to take any floating holidays during the last thirty (30) days of their employment except for floating holidays accrued before July 1st of the fiscal year in question.

391. The parties acknowledge that any City pick-up of employee retirement contributions, as well as other forms of payments (including without limitation payments for health and welfare insurance premiums) and accrued but unpaid leave accounts, are not considered a part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.

392. The City will not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board indicates that such contributions are taxable income subject to withholding. Each employee shall be solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefor.

3. Quarterly Report and Annual Meeting

393. The San Francisco Employees Retirement System shall provide upon request a quarterly report to the Union detailing its current holdings and its annual return on investments. The Retirement System shall also meet each Fall during the term of this Agreement after their annual audit to review their portfolio with the Union on request. The Union will attempt to provide specific questions and items of interest in advance to SFERS to assist in setting an appropriate agenda.

4. Safety Retirement

394. If the voters approve an amendment to Charter Section A8.506-2 to delete the "no net increase in cost" requirement in that section, the City agrees to meet and confer with the Union over a mutually satisfactory contract amendment with PERS to effect safety retirement improvements. As set forth in Charter Section A8.409-5, the parties acknowledge that this paragraph is not subject to Charter Section A8.409's impasse resolution procedures.

396. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one (1) day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.

397. Employees must provide at least two (2) weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.

398. All such seminars must be located within the Bay Area.

399. This section shall not be subject to the grievance procedure.

6. Miscellaneous Retirement Improvement

400. The City agrees to meet and confer with Local 21 over possible Charter amendments, including early retirement incentives, to enhance miscellaneous retirement benefits. As set forth in Charter Section A8.409-5, the parties acknowledge that this paragraph is not subject to Charter Section A8.409's impasse resolution procedures.

An employee entitled to SDI shall receive in addition thereto such portion of his/her accumulated sick leave with pay as will equal, but not exceed, the regular bi-weekly take-home earnings of the employee, excluding optional deductions. Such supplementary payments shall continue for the duration of the employee's illness or disability or until sick leave with pay credited to the employee is exhausted, whichever occurs first. At the employee's option, his/her accrued vacation, and compensatory time off (for non-Z employees only) can also be integrated with SDI payments in the same manner as sick leave.

403. Any over-payments of SDI coverage will be returned to the employee no later than the second pay period following departmental notification to the Controller's Payroll & Personnel Division.
404. During the term of the Agreement, all classifications added to an existing bargaining unit that is covered by State Disability Insurance ("SDI") shall automatically be enrolled in SDI. If a new bargaining unit is created or if the Union gains recognition for additional bargaining units, the Union shall certify in writing to the Employee Relations Director whether such units shall be enrolled in SDI.

III.Q. WORKERS' COMPENSATION LEAVE

Workers' Compensation Supplementation (Shadow Sick Leave Account)

405. An employee who is absent because of an occupational or non-occupational disability and who is receiving Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule.
406. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the appointing officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.

ARTICLE III – PAY, HOURS AND BENEFITS

407. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available.
408. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
409. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.

III.R. LONG TERM DISABILITY

410. The City shall provide to employees with six (6) months continuous service a Long-Term Disability (LTD) plan that provides, after a ninety (90) day elimination period, sixty-six percent (66%) salary (subject to integration) up to age sixty-five (65). Employees who receive payment under the LTD plan shall not be eligible to continue receiving payments under the City's Catastrophic Illness Program.

III.S. RETURN TO WORK

411. The City will make a good faith effort to return and reassign employees who have sustained an occupational injury or illness where the employee's doctor certifies that the employee is temporarily unable to perform specified aspects of his or her regular job duties. Duties of this modified assignment may differ from the employee's regular job duties and/or from job duties regularly assigned to employees in the injured employee's class.
412. Where appropriate temporary modified duty is not available within the employee's classification, on the employee's regular shift, and in the employee's department, the employee may be temporarily assigned to work in another classification, on a different shift, and/or in another department, subject to the approval of the Appointing Officer or designee.
413. Neither the decision to provide or deny modified duty, nor the impact of such a decision shall be subject to grievance or arbitration.

ARTICLE III – PAY, HOURS AND BENEFITS

414. It is also understood that modified duty assignments are temporary only; modified duty assignments for employees temporarily unable to perform regular job duties may not exceed three (3) months. An employee assigned to temporarily modified duty assignment shall receive his/her regular base rate of pay and shall not be eligible for any other additional compensation (premiums) and/or out of class assignment pay as may be provided under this Agreement.
415. The City reserves the right to take any action necessary to comply with its obligations under the Americans with Disabilities Act, the Fair Employment and Housing Act and all other applicable federal, state and local disability anti-discrimination statutes. Requests for accommodation under the ADA or FEHA shall be governed under separate City procedures under those laws.

III.T. SICK LEAVE

416. Employees shall be entitled to accumulate up to 1040 hours of sick leave. For employees who have a balance above the 1040 hour cap as of July 1, 2012, the remaining balance will continue without further accumulation until the employee's sick leave usage brings the total below the 1040 hour cap.

Parental Leave shall not exceed eight hours in any calendar month of the year.
418. In order to qualify for Parental Leave, the employee must give reasonable notice to his/her immediate supervisor prior to taking the time off. The employee must provide written verification from the school or licensed child day care facility that he/she participated in school/child care related activities on a specific date and at a particular time, if requested by management.
419. The employee may utilize either existing vacation, compensatory time off, or personal (unpaid) leave to account for absences after the two paid hours per semester have been used.

ARTICLE III – PAY, HOURS AND BENEFITS

420. Denial of Parental Leave under this section is not subject to the grievance process.

III.V. LIABILITY

421. The City shall defend and indemnify an employee against any claim or action against the employee or account of any act or omission in the scope of the employee's employment with the City, in accord with, and subject to, the provisions of California Government Code Sections 825 et seq. and 995 et seq. 424. Until such funds are exhausted, and subject to approval by the appointing officer or appropriate designee, an employee may utilize up to a maximum of \$1500 \$2,000 per fiscal year for tuition, registration fees, books, and other materials for internal or external training programs, professional conferences, professional association memberships and desired licenses relevant to the employee's current classification. Solely at the discretion of the appointing officer or designee, such funds may be supplemented with department funds budgeted for training.
425. Any employee who is entitled to reimbursement under the Employee Development Fund during the term of the MOU may apply for such reimbursement at any time during the same fiscal year and will be reimbursed at that time, provided that the funds for that fiscal year have not been exhausted. However, in the event that payment is required for training, professional conference or coursework in the previous fiscal year, but proof of completion is not available until the following fiscal year, if receipts are submitted sufficiently in advance of the Controller's year-end closing date, then expenses may be paid out of that prior year's funds. In any event, if not reimbursed out of the prior year's funds, the employee shall be eligible for reimbursement for such training or coursework in the next fiscal year out of the next fiscal year's available funds.
- ~~426. Notwithstanding the above paragraph, employees who expended funds in Fiscal Year 2011-2012, but who did not receive reimbursement due to the unavailability of funds at the time, may apply for such reimbursement no later than September 28, 2012 and be reimbursed out of the Fiscal Year 2012-2013 available funds.~~
427. Employee Development Funds will be encumbered at the time that the employee submits his or her Departmentally-approved request to DHR, provided that the employee includes certificate of registration and proof of payment with his or her request to DHR. In the event that it is not possible to provide certification of registration and/or proof of payment, the employee must provide sufficient documentation regarding the course, training program, professional conference, professional association membership or desired license and the anticipated cost of such training program, professional conference, professional association membership or desired license. In the

Encumbered funds will not be paid out until the employee provides proof of satisfactory completion and proof of payment. Encumbered funds not used by June 30th of each fiscal year shall be released back into the Employee Development Fund to reimburse employees who submitted a Departmentally-approved request for reimbursement during that same fiscal year but who did not receive reimbursement due to the unavailability of funds at the time.

428. In addition, subject to approval by the appointing officer or designee, employees may utilize up to \$500 of the funds available to them for that fiscal year under this article to pay for up to one-half of the cost of necessary travel outside of the nine Bay Area Counties for approved training. Travel reimbursement rates shall be as specified in the Controller's travel policy memo. However, Employee Development Funds may not be used for food.
429. Unused funds shall not be carried over from year to year and shall not carryover beyond the expiration of this MOU.
430. Employees shall not be required to utilize these funds for Department-mandated training or for certificates, licenses or registrations required by the City or the State as a condition of employment (however, the costs of continuing education for these certificates, licenses or registrations may be reimbursed through the Employee Development Fund).
431. The Union agrees to work cooperatively with the City to help build City University – a program intended to ensure San Francisco has the most educated and highly trained workforce possible. City University is a partnership between the City, learning institutions, the business community and labor organizations which shall create new sources of funding and new opportunities to professionally develop City employees.

APPENDIX C: CIP ADDENDUM

**CAPITAL IMPROVEMENT PLAN PROJECTS MOU ADDENDUM
TO THE 2012-2014 MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY AND COUNTY OF SAN FRANCISCO AND
THE INTERNATIONAL FEDERATION OF PROFESSIONAL
AND TECHNICAL ENGINEERS, LOCAL 21, AFL-CIO**

Introduction

San Francisco faces an unprecedented challenge: to restore its aging water system to ensure a reliable Bay Area water supply and avoid system outages which could be caused by natural disasters. The City faces similar challenges in maintaining, restoring, and improving other essential City infrastructure components.

The parties recognize that achievement of this goal requires an extraordinary level of labor-management cooperation, and that disagreements regarding contracting out, terms and conditions of employment, hiring and promotion methods, and other matters have the potential to interfere with implementation of the City's capital projects. The parties further recognize that the success of the City's capital projects will require new and innovative approaches in many employment-related areas including recruitment, hiring, promotion, training, work rules, compensation, evaluation, and management.

The purpose of this Agreement is to promote the efficiency of design, construction management and project management operations for the City's capital projects and provide for efficient resolution of labor disputes and grievances, thereby promoting the public interest in assuring the timely and economical completion of capital projects.

Findings

WHEREAS, the City is or will be engaged in a number of significant capital projects in the coming years which will require that work proceed in an efficient manner without delay or disruption because of disagreements between the City and the Union; and

WHEREAS, the largest capital project the City faces is the modernization and repair of the Hetch Hetchy water supply system;

WHEREAS, the voters passed Propositions A and E, ensuring that funding is available to complete this ambitious program in a timely manner; and

APPENDIX C

WHEREAS, the voters have found that “the protection, maintenance and repair of the [Hetch Hetchy water supply] system are among their highest priorities”; and

WHEREAS, the PUC CIP consists of approximately 38 infrastructure improvement projects for regional water and approximately 39 infrastructure improvement projects for local water and may in the future also consist of a Clean Water Improvement Program and a Repair and Replacement Program; and

WHEREAS, successful completion of the PUC CIP is of the utmost importance to the general public in the San Francisco Bay Area and the state; and

WHEREAS, the Public Utilities Commission (PUC), the Department of Public Works (DPW) and the Department of Human Resources are strategic partners on the PUC CIP and have entered into MOUs memorializing their agreements to share responsibility for completion of the PUC CIP; and

WHEREAS, successful completion of City capital projects is of the utmost importance to the general public; and

WHEREAS, the interests of the general public, the City and County of San Francisco and IFPTE, Local 21 are best served if the work on all capital projects proceeds in an efficient manner without delay or disruption because of disagreements between the City and the Union; and

WHEREAS, the City and the Union desire to establish specific and unique terms and conditions of employment to ensure the City's capital projects are completed with utmost quality, with in-house staff to the greatest extent practicable and on-time and on-budget; and

WHEREAS, through this Agreement, the City and the Union desire to encourage close cooperation which ensures that a satisfactory and harmonious relationship will exist among the parties; and

WHEREAS, the current collective bargaining agreement between Local 21 and the City shall be amended by the Board of Supervisors to incorporate this Agreement; and

WHEREAS, this Agreement shall not replace, interfere, abrogate, diminish or modify the terms and conditions of the parties' existing collective bargaining agreement except as specifically amended; and

WHEREAS, the parties signatory to this Agreement pledge their full good faith and trust to work towards a mutually satisfactory completion of the City's capital projects.

- 3.1.1 The parties agree that in order to maximize City employment opportunities, it is necessary to hire and promote highly qualified employees quickly and efficiently. The parties acknowledge that many employees involved in capital projects possess state licenses in engineering, architecture and other specialties; such licenses often establish a candidate's minimum qualifications for employment; and, with respect to licensed professionals, employment and promotional decisions are best addressed at the departmental level.
- 3.1.2 The parties agree that the hiring methods employed on the CIP and other capital projects throughout the City should be fair, should honor the merit system, should command public confidence, and should be focused on creating a talented city workforce.
- 3.1.3 The parties agree that this Article covers matters within the jurisdiction of the Civil Service Commission and shall be administered subject to Civil Service Commission Rules and procedures.

APPENDIX C

3.2 Hiring

- 3.2.1 Continuous Testing. As permitted under Civil Service Rule III, the Union agrees to the use of continuous testing for all classes covered by this agreement.
- 3.2.2 Certification Rules. In accordance with Civil Service Rule 113, the parties agree to the following certification rules for covered classes:
- a. Rule of the List. Classes 5211 (Senior Engineer), 5212 (Principal Engineer), 5270 (Senior Architect), 5273 (Principal Architect) and 5275 (Senior Landscape Architect) shall utilize the Rule of the List.
 - b. Rule of Seven scores. Classes 5174 (Administrative Engineer), 5241 (Engineer), 5268 (Architect) and 5274 (Landscape Architect) shall utilize a ranked list and the Rule of Seven scores.
 - c. Rule of Five scores. Classes 5266 (Architectural Assistant II) and 5272 (Landscape Architect Associate II) shall utilize a ranked list and the same certification rule (Rule of Five scores) currently used by Class 5207 (Associate Engineer).
 - d. Rule of Three scores. Classes 5260 (Architectural Assistant I), 5261 (Architectural Assistant II), 5262 (Landscape Architectural Associate I) and 5265 (Architectural Associate I) shall utilize a ranked list and the same certification rule (Rule of Three scores) currently used for Class 5201 (Junior Engineer) and Class 5203 (Assistant Engineer).
 - e. Other Covered Classes. Consistent with Civil Service Rules, the basic certification will be Rule of Three scores unless the parties mutually agree to a broader certification rule. All other covered classes shall continue to utilize existing certification rules. All certification rules may be modified by mutual agreement.
- 3.2.3 Selection by Appointing Authority. In accordance with Civil Service Rule 113, the Departments shall apply merit-based criteria in considering all qualified candidates for a position including procedures similar to those utilized for provisional hiring. Such procedures shall be developed, promulgated and distributed by the Department of Human Resources.
- 3.2.4 MTA. In accordance with Charter Section 8A.104, MTA's human resources director assumes the powers and duties of the City's Director of Human Resources; including those related to testing, certification and selection, for service critical classes at MTA.
- 3.2.5 Appeals. Nothing herein shall waive an employee's right to pursue available remedies before the Civil Service Commission in accordance with Civil Service Commission Rules. The Union agrees not to appeal to the Civil Service Commission the utilization of continuous lists or the application of the certification rules set forth in this

APPENDIX C

Agreement. Neither hiring decisions nor any other provision of this Section shall be grievable under either the provisions of this Agreement or the parties' MOU.

3.3 Technical Engineers

3.3.1 The parties agree that employees in technical engineering classifications are necessary and critical to the successful completion of the CIP. The City and the Union conducted a utilization study of the technical engineering classifications and have agreed to implement some of the recommendations.

ARTICLE IV – CONTRACTING

4.1 Principles

4.1.1 The parties commit to delivering the CIP and related projects with the highest quality and on-time and on-budget.

4.1.2 The parties commit to use in-house staff to perform engineering, planning, architectural, construction management, program management and project management work where feasible and practicable given the needs and schedule of the CIP and related projects.

4.1.3 The parties agree that contracting-out may be necessary in some circumstances and that disagreements over decisions to contract-out shall be fact-based and shall utilize the criteria set forth herein.

4.1.4 The parties acknowledge that the process set forth herein is intended as a pilot designed to improve communication and decision making with regard to contracting issues at PUC and DPW.

4.1.5 The parties acknowledge that this is a pilot process limited to contracting decisions at PUC and DPW, but mutually desire that successful outcomes will motivate other City departments to utilize this pilot process or related processes for contracting decisions.

4.2 Standards for Contracting-Out. The parties recognize that under Civil Service Commission guidelines contracting-out work may be necessary for the following reasons:

4.2.1 Specialized Expertise. The City may contract-out specialized services for which City staff do not possess the necessary specialized skills or experience.

4.2.2 Peak Workloads. The City may contract-out to address temporary peak workloads. Temporary peak workloads are situations where City staff are capable of providing needed services, but sufficient staff are not available to meet project deadlines and the

APPENDIX C

work is not forecasted to be sufficient to sustain the hiring of additional, qualified permanent employees without risk of layoff or displacement.

4.2.3 **Emergencies and/or Unanticipated Events or Delays.** The City may contract-out work necessary to address emergencies, unanticipated events or delays.

4.3 **Process for Contracting-Out.** The City commits to engage in the following process with the Union before issuing an RFP/RFQ for outside engineering, planning, architectural, construction management, program management and project management or related services:

4.3.1 **Specialized Expertise.** Before determining the RFP/RFQ is necessary because the City lacks specialized expertise to handle specialized work or projects the PUC and DPW will:

- a. Poll other City departments to see if such specialized expertise exists;
- b. Engage in forecasting with other City departments to assess whether an in-house position with the specialized expertise can be supported;
- c. Post the need for specialized skills on email or other systems to enable in-house employees to apply for specialized positions;
- d. Determine the extent to which on-going training by City-staff and existing contractors to employees seeking new skills or job opportunities can mitigate the need to rely upon additional contractors for such specialized expertise;
- e. To the extent applicable, use information contained in the PUC-developed Skills Bank to determine staff availability and training needs.

4.3.2 **Peak Workload.** Before determining the RFP/RFQ is necessary to address a peak workload, the PUC and DPW will engage in forecasting with other City departments to determine whether the City can sustain the hiring of additional permanent employees without risk of layoff or displacement.

4.3.3 **Emergencies, Unanticipated Events or Delays.** Before determining the RFP/RFQ is necessary to address emergencies, unanticipated events or delays, the PUC and DPW will articulate to the union, in writing, the nature of the emergency or unanticipated delay and explain how the RFP/RFQ is designed to cure that emergency or unanticipated delay. For emergencies that imminently threaten health and safety, the procedures set forth in this Article shall be followed at the earliest practicable time after imminent health and safety concerns have been addressed.

4.3.4 The PUC and DPW will endeavor to regularly present its contracting needs to the JUCC Staffing and Contracting Subcommittee with as much advance notice as practicable. At a minimum, the PUC and DPW will notify the Subcommittee, by providing a draft

APPENDIX C

RFP/RFQ, at least 11 working days prior to publicly advertising or requesting Civil Service Commission approval (whichever is earlier) for an RFP/RFQ for engineering, planning, architectural, project management, program management, construction management or related services, unless such minimum period is waived by Local 21. In the notice, the PUC and DPW will identify the need for such contracting consistent with the criteria in Sections 4.2 and 4.3. The Subcommittee will meet to discuss the rationale for contracting-out within five working days of notice being provided. The Subcommittee may recommend modifications or alternatives to such contracting, provided that such recommendations or alternatives be forwarded to the Assistant General Manager for Infrastructure at PUC or the Deputy Director of Engineering at DPW within 11 working days of notice, except by mutual agreement.

- 4.4 Prop. J Contracts. Nothing herein is intended to alter or diminish the City's rights or obligations with respect to contracting under Charter Section 10.104 (15).
- 4.5 Appeals. If the Union disagrees with the decision to contract out, it may pursue available remedies before the Civil Service Commission or the Board of Supervisors with respect to Prop J. contracts desired under Charter Section 10.104 (15). The decision to contract out shall not be grievable.

ARTICLE V – COMPENSATION

5.1 Principles

- 5.1.1 Recognizing the challenging goals of the CIP and other major capital projects, the parties agree that a flexible compensation structure is necessary. In particular, incentives may be appropriate to encourage and recognize employees who assume additional responsibilities, develop and utilize specialized skills through classroom and on-the-job training, and exhibit leadership, initiative and creativity in their field.

NOW, THEREFORE, IT IS AGREED BETWEEN AND AMONG THE PARTIES HERETO, AS FOLLOWS:

1. In any budget proposal for FY 2009-2010, the Mayor will reflect a reduction of the aggregate dollar value of Professional and Specialized Services (including Personal Service Contracts (PSCs)) paid through the General Fund by not less than \$25 million and, if practicable, by as much as \$30 million relative to the value of such services in FY 2008-2009.
2. The City has recommended to the Board the elimination of the CPI for contracts, materials, and supplies for FY 09-10. (Est. \$13.5 million)
3. Through FY 2009-2010, the City agrees to use its best efforts to establish opportunities for individuals on the holdover list for Local 21 classifications to obtain employment in the City's enterprise departments.
4. During FY 2009-2010, the City will subject departmental requests for requisition approval by general fund departments to increased scrutiny. The process, involving the Mayor's Office and the Department of Human Resources, requires submissions of organizational charts and additional justification to obtain approvals. Approvals will be based on criteria including: (i) whether the positions are revenue-generating; (ii) whether they are needed to meet safety-related, legal or contractual requirements; (iii) the extent to which the position affects a core City function; and (iv) the impact of filling the positions on the general fund.
5. The City will meet quarterly with the Union to provide information on its efforts pursuant to paragraph 3, and on all departmental requests and approvals under paragraph 4.
6. The Mayor's Chief of Staff will conduct a review by July 1, 2009 to determine whether the design and construction management work proposed by the Recreation and Park Department at Palega Playground should be performed by the Department of Public Works and to explore possible ways to resolve any future disputes involving the MOU between DPW and Rec and Park. As part of this review, the Chief of Staff shall chair a meeting of representatives of Local 21, DPW and Rec and Park. The Chief of Staff will prepare a document memorializing his determinations. Nothing in this paragraph shall prejudice the Union's right to pursue legal action against the Civil Service Commission with respect to its decision to permit a PSC contract covering the Palega Playground work.
7. The City and Local 21 agree to establish a special joint citywide Labor-Management subcommittee to the PEC joint labor management committee created in section 7a. of this appendix:

 - (2) is actually operating, ready to operate, or immediately available to operate Equipment other than a vehicle during the course of the Covered Employee's paid work time.
- x. "Substance Abuse Prevention Coordinator" (SAPC) means a licensed physician, psychologist, social worker, certified employee assistance professional, or nationally certified addiction counselor with knowledge of and clinical experience in the diagnosis and treatment of drug and alcohol-related disorders. The SAPC will be chosen by the City.

APPENDIX E

- y. "Split Specimen" means a part of the oral fluid specimen in drug testing that is retained unopened for a confirmation test (if required) or in the event that the employee requests that it be tested following a verified positive test of the primary specimen or a verified Adulterated or Substituted Specimen test result.
- z. "Substituted Specimen" means a specimen with laboratory values that are so diminished that they are not consistent with oral fluid and which shall be deemed a violation of this policy, and shall be processed as if the test results were positive.

4. COVERED CLASSIFICATIONS

All employees shall be subject to post-Accident testing under this Agreement. All employees who perform Safety-Sensitive Functions, as defined in this Policy, shall be subject to reasonable suspicion testing.

5. SUBSTANCES TO BE TESTED

- a. The City shall test, at its own expense, for alcohol and/or the following drugs:

- (1.) Amphetamines
- (2.) Barbiturates
- (3.) Benzodiazepines
- (4.) Cocaine
- (5.) Methadone
- (6.) Opiates
- (7.) PCP
- (8.) THC (Cannabis)

- b. Prescribed Drugs or Medications.

The City recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist, or health care professional has informed the employee (orally or on the medication bottle) will interfere with job performance, including driving restrictions or restrictions on the use of Equipment, the employee is required to immediately notify the designated Department representative of those restrictions before performing his/her job functions.

- (1) Upon receipt of a signed release from the Covered Employee's licensed healthcare provider, the department representative may consult with Covered Employee's healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available, or none is given, the department representative may consult with any City-licensed

APPENDIX E

healthcare provider before making a final determination whether the employee may perform his/her job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing his or her job functions.

- (2) If a Covered Employee is temporarily unable to perform his or her job because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This temporary modified duty reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or has not been cleared by a licensed healthcare provider to return to work without restrictions, the City may extend the temporary modified duty assignment for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is reasonably anticipated to be able to return to work without restrictions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco

APPENDIX E

(excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.

- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.
- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if he or she fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

APPENDIX E

- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) first designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident and telephone the union(s) second designated representative on file with DHR. For purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for two designated representatives are on file with DHR.

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct "on-site" tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are "Non-Negative," a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1.) A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a "Refusal to Submit."
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained

APPENDIX E

breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.

- (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer's recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.
 - (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory

APPENDIX E

shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform him or her of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the

APPENDIX E

employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).

- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

a. Substance Abuse Prevention and Detection Threshold Levels.

For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

CONTROLLED SUBSTANCE *	SCREENING LEVEL	CONFIRMATION LEVEL
Amphetamines	25 ng/ml **	5 ng/ml**
Barbiturates	50 ng/ml***	20 ng/ml***
Benzodiazepines	20 ng/ml***	0.5 ng/ml***

- b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing his or her job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

1. Is confirmed to have tested positive for alcohol or drugs;
 2. Refuses to Submit to testing; or
 3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties' MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
 - c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that he or she has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test

APPENDIX E

within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, he or she shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. ADOPTION PERIOD

This Policy shall go into effect on June 30, 2014.

13. JOINT CITY/UNION COMMITTEE

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint City/Union Committee shall be established with two (2) members from the City and two (2) members from each Union, except that no Union shall be required to participate. The Committee shall meet on an annual basis and, in addition, on an as-needed basis to address any implementation issues and review available data concerning the implementation of this policy.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part of this policy will not invalidate the remaining parts. If operational barriers arise that make implementation of any part of this policy impossible or impracticable, such operational barriers will not invalidate the remaining parts of this policy. In the event of a determination that a part of the policy is contrary to law or if operational barriers arise, the parties agree, with the intent of the parties hereto, to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law, or which will remove the operational barrier. Should the parties fail to agree on a resolution, the matter will be submitted to binding arbitration using the factors set forth in Charter section A8.409-4(d), and, as appropriate, Charter section 8A.104(n). Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

Health at Home Productivity

The National Association for Home Care and Hospice and the California Association for Health Services at Home provide best practices and guidelines for health at home programs and recommend basing patient visits per day on factors like geography and patient acuity. To better ensure the financial sustainability of the Health at Home program and to be consistent with best practices for providing high-quality care to patients, the Department of Public Health (DPH) and the Union are committed to moving towards such an acuity-based and geography-based model to determine patient visits per day for employees who work in the Health at Home program.

Until a new model is implemented, productivity standards shall continue as follows:

The Productivity Standard for Health at Home is the following (or its equivalent):

- Four (4) case manager revisits per day, or
- Five (5) non-case manager revisits per day (Carry-calls)

It is understood, reflecting the Oasis paperwork required on these visits that, in calculating the above standard:

1. A new referral or new admission is equal to two (2.0) revisits.
2. A re-certification visit is equal to 1.5 revisits.
3. A resumption of care visit is equal to 1.5 revisits.

These standards will expire and will no longer be applicable effective October 1, 2014 or as soon as practicable thereafter should more time be needed to implement a new model and complete impasse procedures, if any. DPH will meet with affected staff to review methods for determining acuity and to solicit recommendations for a new model. Prior to implementation, DPH will provide to Local 21 notice and the opportunity to meet and confer regarding proposed changes to workload and/or impacts that fall within the scope of bargaining. This meet-and-confer shall be subject to the impasse resolution procedures of Charter Section A.8409-4 et seq., and neutral chairperson Katherine Thomson, or another mutually agreed upon arbitrator, will retain jurisdiction of this matter.
