Secretary**

**Monique Mustapha
Asst. Secretary**

**Patrick O’Riordan,
C.B.O., Director**

Ordinance amending the Planning and Building Codes to codify the annual waiver of awning replacement fees and awning sign fees applied for during the month of May, to annually waive fees for new awning installations applied for during the month of May, and to indicate that the Planning Code and Building Code waivers pertaining to pedestrian street lighting as well as awning replacement, awning installation, and awning sign fees are keyed to permit application in May rather than permit issuance in May; affirming the Planning Department’s determination under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and making findings of public necessity, convenience, and welfare pursuant to Planning Code, Section 302.

This amendment was heard at the Code Advisory Committee (CAC) meeting on March 8, 2023. The CAC recommended the adoption of ordinance File No. 230212 amending the Planning and Building Codes as written, with added language that the fee waiver for awnings should include legalization of unpermitted awnings.

The Building Inspection Commission met and held a public hearing on March 15, 2023 regarding File No. 230212 on the proposed amendment to the Planning and Building Codes referenced above. The Commissioners voted unanimously to **recommend approval** of the proposed Ordinance.
