Dear Government Audit and Oversight Committee Members,

I am Casimir, an advocate for open government and transgender resident of San Francisco. We cannot oversee what we cannot see. Require GEO Group and CDCR to release inspection reports, incident logs, staffing ratios, occupancy levels, and grievance outcomes each month. Publish them online. If they refuse, bring them back for a follow-up hearing. Sunlight is step one.

And as an actor that has been privilege to getting to tell the story of Compton's Cafeteria Riot through immersive storytelling, it's an absolute disgrace on behalf of history that a carceral facility operates at the cross section of Turk and Taylor.

Thank you for your time,
Casimir Kotarski
