9 Be it ordained by the People of the City and County of San Francisco:

10 Section 1. The 24<sup>th</sup> and York Mini Park is a Mission District community resource.  
11 Created in the mid-1970s by community artists, the murals on three sides of the Mini Park  
12 define the space and are a cultural treasure.

13 Section 2. The neighborhood community has not been able to fully enjoy the Mini  
14 Park, however, because the current layout of the park provides limited access and amenities  
15 for visitors.

16 Section 3. The Recreation and Parks Department has undertaken to plan a new layout  
17 for the Mini Park and to design integrated play structures for neighborhood children. The play  
18 structures are designed to replicate characters from the murals.

19 Section 4. Precita Eyes Muralists is a non-profit multipurpose community arts  
20 organization. One of only three community mural centers in the United States, the  
21 organization sponsors and implements ongoing art projects throughout the Bay Area and  
22 internationally. Precita Eyes Muralists specializes in painted and tile art projects that have  
23 their genesis in community participation and collaboration.

24 Section 5. Precita Eyes Muralists has worked for three decades to maintain and  
25 enhance the 24<sup>th</sup> and York Mini Park murals. The organization is located within one block of

1 the park site. Precita Eyes Muralists has volunteered its time and dedicated its resources to  
2 assist in the development of the design for the renovation. The organization has been  
3 instrumental in the planning and design of the major park elements. In particular, Precita  
4 Eyes Muralists is uniquely qualified to procure and install the artistic tile on the park elements.

5 Section 6. The San Francisco Board of Supervisors hereby authorizes the Recreation  
6 and Park Department to award a contract to or otherwise identify Precita Eyes Muralists as a  
7 sole source subcontractor for the procurement and installation of the art elements for the 24<sup>th</sup>  
8 and York Mini Park. The contract or the scope of work to be performed by Precita Eyes  
9 Muralists is exempt from the competitive procurement requirements of San Francisco  
10 Administrative Code Chapter 6. Precita Eyes Muralists shall comply with all applicable laws in  
11 the performance of this work.
