

2025 Program Overview

FEMA

Our Mission

Do the **Most Good** for the **Most People**

- Preparing Themselves and Family
- Preparing with Neighbors, Assisting those in need
- Responding as part of the Neighborhood Emergency Response Team

Our Origin Story

- Loma Prieta Earthquake, October 1989
- September 1990, first NERT graduates: 24 Marina residents
- In 1993, SFFD NERT became a registered FEMA-compliant CERT Program

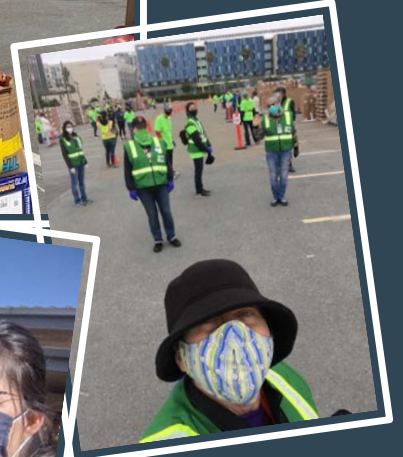

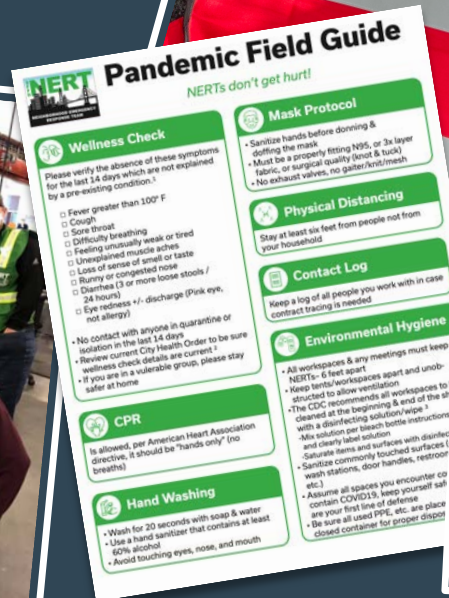

NERT Program Today

- SFFD-led training through:
 - NERT Basic - 6 classes (24hr)
 - SF Ready Seminar- 90 Min
 - LISTOS - Preparedness for
 - Underserved/At Risk Communities (8hr)
 - Map Your Block - 90 min
- We deliver **whole community preparedness** for residents to enable their own resilience.

Qualified **Force Multiplier** for The City

- 2017 Extreme Heat Event
- 2018-19 NorCal Fire Events
- 2020 COVID-19 Pandemic

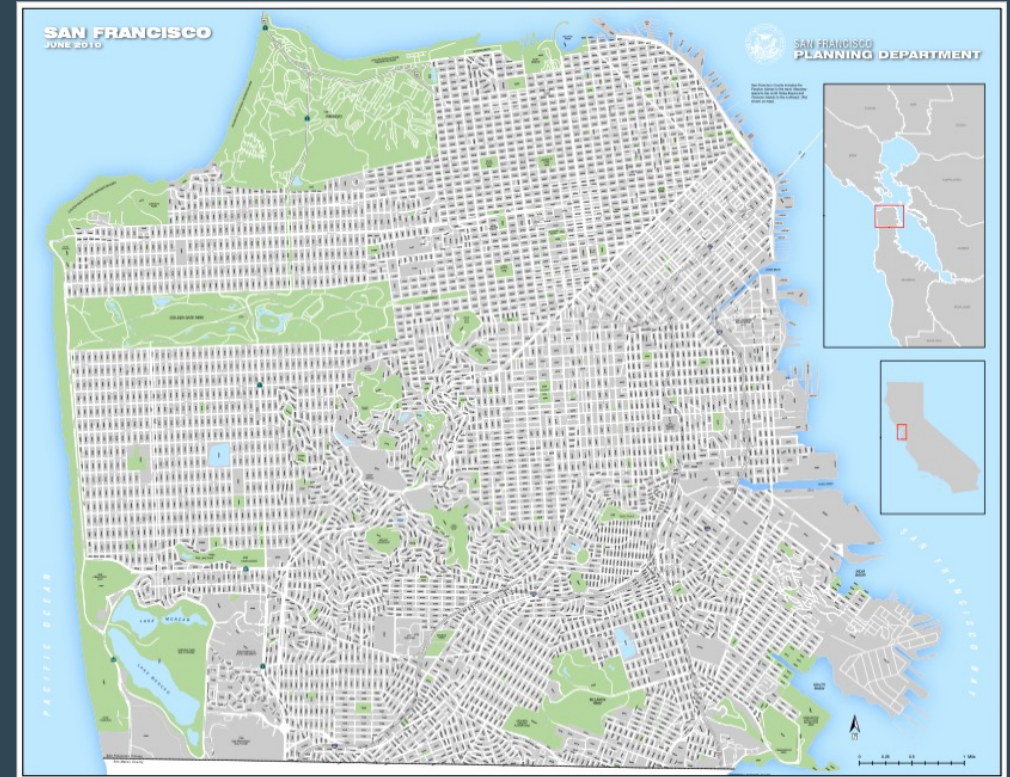

NERT Activities

- NERT Tabling Events
- Drills – 2 Citywide Drills (April & October)
- Monthly Skills Training
- Neighborhood meetings hosted by Neighborhood Coordinators

Opportunities for Community Engagement & Equity

- 7,000 blocks
- About **one** NERT per block
- 4% of the population would put **five** per block
- Only **3%** of 108 neighborhoods have a response cache
- Equity says **all** should have resources

NERT's Future

- Foster program participation
- Teen NERT
- Medical Reserve Corps
with San Francisco Dept of Public Health
- Disaster Corps
- Collaboration with city agencies on community outreach
with Department of Emergency Management

A penny of prevention becomes dollars of service!

Support our community vision to
make San Francisco Ready & Resilient
