18 Be it ordained by the People of the City and County of San Francisco:

19 Section 1. Findings.

20 (a) General Findings.

21 (1) The proposed Calle 24 Special Use District ("Calle 24 SUD") is bounded by  
22 the following streets:

23 (a) To the north, all lots fronting the southern side of 22nd Street from  
24 Mission Street to Potrero Avenue;

1 (b) To the east, all lots fronting the western side of Potrero Avenue from  
2 22nd Street to Cesar Chavez Street;

3 (c) To the south, all lots fronting the northern side of Cesar Chavez  
4 Street, from Potrero Avenue to Capp Street; and

5 (d) To the west, all lots fronting the western side of Capp Street from  
6 Cesar Chavez to 24th Street, then all lots fronting both sides of 24th Street to the eastern side  
7 of Bartlett Street, then all lots fronting the western side of Capp Street from 24th Street to  
8 22nd Street.

9 The proposed Calle 24 SUD additionally includes the following lots adjacent to the  
10 above boundaries: Lots 019D and 046A in Assessor's Block 3637; Lots 005 and 017A in  
11 Assessor's Block 6517; Lot 035 in Assessor's Block 6528; and Lot 003A in Assessor's Block  
12 6570.

13 (2) The Mayor's Office, the District 9 Supervisor's Office, and the public are  
14 currently engaged in a planning process to develop a comprehensive set of zoning and design  
15 controls for this area. This planning process follows the Board of Supervisors unanimous  
16 passage of Board Resolution No. 168-14, establishing the Calle 24 (pronounced  
17 "Veinticuatro") Latino Cultural District in May 2014. The stated purposes of establishing the  
18 Calle 24 Latino Cultural District were to recognize the importance of Calle 24 as a center of  
19 Latino culture and commerce and enhance the unique nature of Calle 24 as a special place  
20 for San Francisco's residents and tourists.

21 (3) ~~As part of the planning process for~~ In response to the creation of the Calle  
22 24 Latino Cultural District ~~and the proposed Calle 24 SUD~~, the City awarded a grant to the  
23 Brava Theater and the Lower 24th Street Neighbors and Merchants Association to facilitate  
24 community input in developing a Latino Cultural District Plan. A council comprised of  
25 residents, businesses, and other neighborhood stakeholders meets monthly and brings

1 together residents, workers, artists, and business owners. After a year's worth of meetings, as  
2 well as several retreats and public community input sessions, this work resulted in the Calle  
3 24 Latino Cultural District Report, which can be found in Board File No. 140421. As a result of  
4 this engagement, including but not exclusive to the report, a prohibition on storefront mergers  
5 was identified as a strategy to retain affordable retail spaces and the character of the corridor,  
6 which includes many small retail spaces. These small retail spaces enable many businesses  
7 to operate and contribute to the diverse commercial fabric along 24th Street. The report  
8 identified the merger of smaller storefronts as a leading cause of neighborhood-serving  
9 business displacement in the neighborhood.

10 (4) During the current economic boom cycle, small neighborhood-serving retail,  
11 laundromat, and grocery uses in the Calle 24 neighborhood have been particularly susceptible  
12 to displacement and closure.

13 (5) In response to these changes and in order to stabilize the displacement of  
14 these small neighborhood-serving businesses while the City and interested stakeholders have  
15 an opportunity to work collaboratively on a community planning process that may result in the  
16 designation of the propose SUD or other amendments to the Planning Code, this Board  
17 intends to place a temporary prohibition, also referred to as an interim zoning moratorium  
18 prohibition, on commercial storefront mergers over a certain size.

19 (6) These interim controls are intended to provide stability to the neighborhood  
20 during the time that the proposed Calle 24 SUD, and any other proposed Planning Code  
21 amendments, are under development and public review. In developing the controls for the  
22 proposed SUD, the Board urges the Planning Department to balance the needs for retaining  
23 neighborhood-serving retail and service uses with the desire to have more affordable housing  
24 and a vibrant small business community.

5 (b) Findings Related to Imposition of an Interim Moratorium Prohibition.

1 (1) Planning Code Section 306.7 provides for the imposition of interim zoning  
2 controls to accomplish several objectives, including preservation of historic and architecturally  
3 significant buildings and areas; preservation of residential neighborhoods; preservation of  
4 neighborhoods and areas of mixed residential and commercial uses in order to preserve the  
5 existing character of such neighborhoods and areas; and development and conservation of  
6 the City's commerce and industry to maintain the City's economic vitality, provide its citizens  
7 with adequate jobs and business opportunities, and maintain adequate services for its  
8 residents, visitors, businesses, and institutions.

9 (2) These controls are intended and designed to address problems and  
10 conditions associated with mergers of small commercial storefronts while the proposed Calle  
11 24 SUD planning process is pending so that the City can continue to preserve neighborhoods  
12 and areas of mixed residential and commercial uses in order to maintain the existing  
13 character of such neighborhoods and areas and develop and conserve the City's commerce  
14 for the reasons specified above in Subsection (a).

15 (3) This Board has considered the impact on the public health, safety, peace,  
16 and general welfare if the interim controls proposed herein were not imposed.

17 (4) This Board has determined that the public interest will be best served by  
18 imposition of these interim controls at this time in order to ensure that the legislative scheme  
19 that may be ultimately adopted is not undermined during the planning and legislative process  
20 for permanent controls, which process shall be conducted within a reasonable time.

21 (c) Planning Code Section 101.1 Findings.

22 This interim zoning moratorium prohibition advances and is consistent with: Priority  
23 Policy 1 in that the controls will preserve and enhance existing neighborhood-serving retail  
24 uses and enhance future opportunities for resident employment in and ownership of such  
25 businesses; Priority Policy 2 in that the controls will conserve and protect existing

1 neighborhood character in order to preserve the cultural and economic diversity of this  
2 neighborhood; and Priority Policy 5 in that the controls will maintain a diverse economic base  
3 by protecting our neighborhood service sector from displacement due to larger mergers and  
4 commercial office development and will enhance future opportunities for resident employment  
5 and ownership in this sector. With respect to Priority Policies 3, 4, 6, 7, and 8, the Board finds  
6 that the interim zoning ~~moratorium~~ prohibition does not, at this time, have an effect upon these  
7 policies, and thus, will not conflict with said policies.

8 (d) Environmental Findings. The Planning Department has determined that the  
9 actions contemplated in this Ordinance are in compliance with the California Environmental  
10 Quality Act (California Public Resources Code sections 21000 et seq.). The Board of  
11 Supervisors hereby affirms this determination. A copy of said determination is on file with the  
12 Clerk of the Board of Supervisors in File No. 150584 and incorporated herein by reference.

13  
14 Section 2. The following interim zoning ~~moratorium~~ prohibition shall be adopted as an  
15 Urgency Ordinance:

16 (a) The proposed Calle 24 Special Use District area ("Calle 24 SUD") shall be  
17 bounded by the following streets:

18 (1) To the north, all lots fronting the southern side of 22nd Street from Mission  
19 Street to Potrero Avenue;

20 (2) To the east, all lots fronting the western side of Potrero Avenue from 22nd  
21 Street to Cesar Chavez Street;

22 (3) To the south, all lots fronting the northern side of Cesar Chavez Street, from  
23 Potrero Avenue to Capp Street; and

24 (4) To the west, all lots fronting the western side of Capp Street from Cesar  
5 Chavez to 24th Street, then all lots fronting both sides of 24th Street to the eastern side of

1 Bartlett Street, then all lots fronting the western side of Capp Street from 24th Street to 22nd  
2 Street.

3 The proposed Calle 24 SUD additionally includes the following lots outside the above  
4 boundaries: Lots 019D and 046A in Assessor's Block 3637; Lots 005 and 017A in Assessor's  
5 Block 6517; Lot 035 in Assessor's Block 6528; and Lot 003A in Assessor's Block 6570.

6 (b) In the proposed Calle 24 SUD, neither the Planning Department nor the Planning  
7 Commission shall issue an approval or authorization for any merger of groundfloor  
8 commercial use space where the merger would result in groundfloor commercial use space  
9 greater than 799 gross square feet.

10 (c) The following districts, uses, and projects are exempt from these controls:

11 (1) Projects subject to a development agreement under Administrative Code  
12 Chapter 56 and California Government Code Sections 65864 et seq.;

13 (2) Projects that have submitted an environmental evaluation case to the  
14 Planning Department on or before June 2, 2015; and

15 (3) Projects that received a Planning Commission approval on or before June 2,  
16 2015.

17 (d) This interim zoning moratorium prohibition shall remain in effect for 45 days unless  
18 extended in accordance with California Government Code Section 65858 or permanent  
19 controls are adopted to address commercial mergers and new restaurant uses in this area,  
20 whichever first occurs.

21 (e) If application of this ordinance would have the effect of denying approvals needed  
22 for development of any multifamily housing portion of a project specified in California  
23  
24  
25

1 Government Code Section 65858(c) and (h), this ~~moratorium~~ prohibition shall not apply to that  
2 use.

3  
4 Section 3. Within 25 days of the Board's adoption of this ordinance, the Planning  
5 Department shall submit to the Clerk of the Board a written report describing the measures  
6 taken to alleviate the conditions that led to the adoption of the ordinance. Upon receipt of the  
7 report, the Clerk shall calendar a motion for the full Board to consider and approve said report.  
8 Said hearing and the action taken thereon shall be no later than 35 days after this ordinance  
9 is effective.

10  
11 Section 4. Effective Date. This urgency ordinance shall become effective immediately  
12 after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns  
13 the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the  
14 Board of Supervisors overrides the Mayor's veto of the ordinance by a 4/5ths vote.

**LEGISLATIVE DIGEST**

[Zoning - Interim Prohibition on Commercial Mergers in the Proposed Calle 24 Special Use District]

**Urgency Ordinance approving an interim prohibition on commercial storefront mergers of greater than 799 gross square feet in the proposed Calle 24 Special Use District, which generally includes all lots bounded by 22nd Street, Potrero Avenue, Cesar Chavez Street, Capp Street, and both sides of 24th Street from Capp Street to Bartlett Street, as well as certain additional adjacent lots, for 45 days in accordance with California Government Code Sections 65858 et seq.; and affirming the Planning Department's determination under the California Environmental Quality Act; and making findings of consistency with the General Plan and the eight priority policies of Planning Code Section 101.1.**

Existing Law

The geographic area encompassed by the proposed Calle 24 Special Use District is currently a mix of residential and neighborhood commercial zoning districts. Although commercial uses are generally prohibited in the areas zoned residential, the existing neighborhood commercial districts—which include, among others, the 24th Street-Mission Neighborhood Commercial Transit District and the Mission Street Neighborhood Commercial Transit District—allow commercial uses, and mergers of commercial storefronts, as of right up to a certain size and then through the conditional use permit process for larger commercial uses and mergers.

For example, within the 24th Street-Mission Neighborhood Commercial Transit District, commercial uses are permitted of up to 2,499 square feet and commercial uses equal to or greater than 2,500 square feet may be approved through a conditional use permit. Likewise, within the Mission Street Neighborhood Commercial Transit District, commercial uses are permitted below 5,999 square feet and commercial uses equal to or greater than 6,000 square feet may be approved through a conditional use permit.

Amendments to Current Law

The proposed legislation defines a proposed "Calle 24 Special Use District" area as an area generally bounded by: the southern side of 22nd Street from Mission Street to Potrero Avenue; the western side of Potrero Avenue from 22nd Street to Cesar Chavez Street; the northern side of Cesar Chavez Street, from Potrero Avenue to Capp Street; and the western side of Capp Street from Cesar Chavez to 24th Street, then both sides of 24th Street to the eastern side of Bartlett Street, and the western side of Capp Street from 24th Street to 22nd Street; along with a few additional adjacent lots (specifically, Lots 019D and 046A in Assessor's Block 3637; Lots 005 and 017A in Assessor's Block 6517; Lot 035 in Assessor's Block 6528; and Lot 003A in Assessor's Block 6570.)

Within the proposed Calle 24 (pronounced "veinticuatro"), mergers of groundfloor commercial space that would result in a space greater than 799 gross square feet would be prohibited for 45 days. This prohibition may be extended by the Board of Supervisors for up to an additional 22 months and 15 days.

#### Background Information

Interim zoning controls, including moratoria, are temporary and are designed to allow time for permanent controls to be proposed and adopted through the normal legislative process. The proposed urgency ordinance is an interim zoning moratorium and, therefore, must comply with the requirements of California Government Code Section 65858 et seq. as well as the Planning Code Section 306.7. Some of the applicable requirements include:

- Only the Board of Supervisors may adopt an interim zoning moratorium, and it must do so by urgency ordinance, which requires one reading of the Board.
- Adoption requires a four-fifths vote of the Board of Supervisors (9 votes).
- The Board of Supervisors may initially impose a moratorium for a period not to exceed 45 days.
- These controls do not need to be referred to the Planning Commission because they are not amendments of the Planning Code.
- An interim moratorium ordinance, unlike a typical ordinance, is effective immediately when the Mayor's signs the ordinance or 10 days after the Mayor receives the legislation. If the Mayor vetoes the legislation, the Board must garner a 4/5 vote to overturn the veto.
- Extension of the initial 45 day period may be for up to 22 months and 15 days, but requires:
  - Issuance of a Board of Supervisors' report 10 days before the expiration of the controls that describes the measures taken to alleviate the conditions which led to the adoption of the controls;
  - Findings for general moratorium and special findings for a moratorium affecting multifamily housing; and
  - A 4/5 vote of the Board of Supervisors.

Recipient: Mayor Ed Lee, Board of Supervisors, Planning Commissioners, and Planning Director John Rahim

Letter: Greetings,

Support and uphold our community process, and help create truly affordable housing for all, and to protect the cultural and historic assets of the Latino Cultural District.

We ask:

1. Prioritize and fast track genuinely affordable housing projects in the Mission District, including the 17th and Folsom, Shotwell and Cesar Chavez, and 1950 Mission Street sites.
2. Slow the South Mission land grab by enacting interim controls that stop luxury development in the Latino Cultural District to provide a window of time to study and develop new approaches that allow for genuinely affordable housing. The Eastern Neighborhoods plan isn't adequate for today's housing climate. As market rate housing climbs to \$1000 per square foot, mandated "Affordable Housing" is no longer affordable for the majority of current residents.
3. Protect current small business by enacting interim controls on high end restaurants and the merging of retail commercial space.

Calle 24 Latino Cultural District began in 1999 as a grass roots organization formed by community members of Calle 24 in the Mission District. We are an all-volunteer organization with diverse community council members representing merchants, residents, landlords, service non-profits, arts organizations, youth, renters, homeowners, families and artist. We have deep roots in the Mission District going back many generations. Many of our current legacy businesses are responsible for the rich social fabric and cultural richness created on 24th Street. We have grown from the bottom up to advocate for the needs of Calle 24 and the Latino Cultural District.

In May 2014, the San Francisco Board of Supervisors and the Mayor officially established the Latino Cultural District. Our task since then has been to determine the neighborhood's vision for the Latino Cultural District. Our vision, mission, goals, governance, and programs were established through this public and inclusive process.

We are proud of our community-driven process to determine the future of our community.

But we are saddened and disturbed that the ability to determine our future is disrespected by real estate and investment interests that do not understand or care about the issues of our community, especially at a time when many families, residents, artist, non-profits and small businesses are being displaced by unchecked development in our community and sky-rocketing rents.

We ask the city family to hear the voices of our community, those who have been negatively impacted, and those who bring a vision to the table to help stop the displacement and create housing that is truly for all.

Through our community process: focus groups, stakeholder interviews, and public meetings, the top priority from our forums is housing. Hundreds have seen their neighbors become displaced or homeless. Families who have lived here for decades, workers who built this city, artists, teachers, and community leaders who have contributed to making this a safe, desirable neighborhood live in fear of displacement. It is a community priority that we exist as a living cultural district, not just a colorful tourist destination.

The Latino Cultural District process was funded and supported by Mayor Ed Lee and the City and County's Office of Economic and Workforce Development.

Earlier this month, the Calle 24 Latino Cultural District finished this official community process. As a result of what we learned, we now ask the board of Supervisors and the Mayor to do the following: (see above)

While initially seems counter intuitive to seek interim controls on development of new housing, existing development projects do not supply the actual demand of existing and new residents for affordable family homes. We see the current climate of development driven purely by the market as a threat to our very existence. We are not seeking to keep people out; rather, we are trying to keep essential economic and cultural diversity in the Latino Cultural District. We must look at new alternatives that will bring economic and social justice to housing, stabilize our community and maintain the vibrancy of the Mission District.

**Subject:** I support Land Use Item 150584 storefront merger moratorium on 24th Street

Hi,

I've lived near the 24th Street corridor for more 14 years. I have a family and a limited budget. I rely on the low prices of places like Casa Lucas.

I also value the culture of the area, and welcome the creation of a Latino Cultural District. I don't want 24th Street to turn into Valencia. And I agree that storefront mergers will be an incentive to landlords to raise commercial leases when they come up.

I think a moratorium while we consider how to control the gentrification of the area is needed.

I also really enjoy living near 24th Street and haven't felt a strong need for a change.

Thank you for your attention.

Deborah

Recipient: The Archdiocese plans to evict St. Peter's Books and G.G. Tukay

Letter: Greetings,

San Francisco Archdiocese  
San Francisco Board of Supervisors

The community of the Mission District and 24th St. strongly oppose any plans to evict St. Peter's Bookstore and G.G. Tukay after years of being on 24th St. and convert the space to a high end restaurant. The plans will not only destroy the social and cultural fabric of 24th St. but displace 2 community serving businesses and heir families. We are shocked that the San Francisco Archdiocese would even consider such a move. We are opposed to the change of use from combining 2 retail to restaurant and will boycott them from forcing themselves on our community. Stop Urban Deportation.

*Re: Ordinance 150584, interim prohibition on commercial mergers in the proposed Calle 24 Special Use District (Item #5 on today's calendar)*

Dear Members of the Land Use Committee:

On behalf of Open 24<sup>th</sup>, I write to request that this proposed prohibition be re-written as a conditional use requirement and to express our opposition to it as written. Attached please find draft language for your consideration that reflects the details of our proposal.

In sum:

- The findings in the ordinance as known today state that the report Calle24 commissioned found that storefront mergers were a leading cause of displacement. In fact, the report included no such finding and the report's principal author (to whom I spoke personally) confirmed that storefront mergers did not come up as an issue at all during the year-long study. Further, we cannot find an example of a storefront merger causing displacement in the LCD.
- In introducing the bill, Supervisor Campos cited the displacement of a pet store, butcher shop, record store, grocery store, and laundromat as examples of neighborhood-serving businesses that were displaced and replaced by restaurants. We have researched each of these claims and believe them to be false.
- To date, around 400 people have signed letters in opposition to these restrictions: of these signers, 75% are residents who are dependent on the 24th Street retail corridor. Materially all are SF residents.
- In executing the study, Calle 24 made no effort to collect a representative sample of input from the neighborhood. The report's author says the report represents "a very limited view of a very limited reality... 25% of the voices in the neighborhood." Supervisor Campos also confirmed that no effort at all was made to reach Supervisor Cohen's constituents.

Our proposed changes would:

- Instead of a ban, require a conditional use permit for storefront mergers; the conditional use permit requires, among other factors, that the proposed business be neighborhood serving and respect the architectural features of the street (the key, stated concerns of the bill authors as we understand them).
- Expressly forbid storefront mergers if they displace/displaced a business of important cultural significance
- Be generally consistent with the direction we gather MAP 2020 is headed.

Whether a storefront merger serves the neighborhood is a facts-and-circumstances specific matter deserving case-by-case consideration. Certain storefront mergers are clearly neighborhood serving, vacancy rates on the street are high (>10%), and businesses that are open at night (a desire our group shares with respondents to the Calle 24 study) typically require more square footage. In addition, since Supervisor Campos had stated he will next pursue a "Japantown-like" special use district, acknowledging storefront mergers are a problem requiring a moratorium – when they are not – is a mistake and bad precedent.

Our objective is to ensure that any new commercial zoning for this area takes into account the needs of everybody locally served by the retail corridor. This is a diverse, not homogenous, population across almost every conceivable dimension.

In this file are the following supporting materials:

- Summary of misstatements made by Supervisor Campos regarding Ordinance 150584
- Photo documentation of vacant or otherwise inactive storefronts on 24<sup>th</sup> Street between Mission St and Potrero Ave.
- Community opposition to Ordinance 150584 as written
- Proposed revisions to Ordinance 150584 (clean- and red-lined versions)

We agree with the bill sponsors that the LCD includes businesses that are culturally significant and that these businesses are worthy of aide and/or protection. But this moratorium, and the "Japantown-like" Special Use District we believe Supervisor Campos will request to follow it, are bad policies that won't achieve those worthy aims. Indeed, the homogeny imposed by Japantown has condemned its merchants to constant struggle and the neighborhood to languish.

A vibrant street needs a mix of business types – day, night, food, retail, services – and such a balance cannot be maintained via a moratorium. The land use committee has a history of imposing conditional use requirements, rather than moratoria, when similar concerns have been raised in other neighborhoods. We further note the data reveal no history or impending threat of storefront mergers that would necessitate a moratorium.

We ask that you support our proposed compromise position or defer the item to allow the broader community, including Supervisor Cohen's constituents, to weigh in on the matter and to review the *bona fides* of the new findings we expect Supervisor Campos will file immediately prior to the hearing.

Unfortunately out-of-state travel requirements mean I cannot attend Monday's meeting, but supporters of Open 24<sup>th</sup> will be in attendance to reiterate these views.

Thank you very much for your time and consideration.

Best,  
Brooke Segaran

## **ORDINANCE 150584: MATERIAL MISSTATEMENTS BEING USED TO JUSTIFY BAN ON STOREFRONT MERGERS**

### **The main finding in the ordinance is false**

*Claim:* "After a year's worth of meetings, as well as several retreats and public community input sessions, this work resulted in the Calle 24 Latino Cultural District Report, which can be found in Board File 140421. The report identified the merger of smaller storefronts as a leading cause of neighborhood-serving business displacement in the neighborhood."

#### *Facts:*

- The 93-page LCD report makes absolutely no mention of storefront mergers
- The author of the report (Ana Cortez of the Garo Group) told Brooke Segaran that storefront mergers did not come up as an issue
- The LCD report is also not included in Board File 140421 – it can only be found on the Calle 24 website

### **Supervisor Campos made material misstatements when he introduced the legislation on June 2, 2015**

*Claim:* "The Latino Cultural District report identified the merger of smaller storefronts as a leading cause of neighborhood-serving business displacement in this part of the Mission...small neighborhood-serving retail include a pet store, butcher shop, record store, grocery store as well as a laundromat in the neighborhood have been displaced and replaced by restaurants. Several of these neighborhood-serving establishments operated in smaller storefront spaces. Some of the smaller spaces have been merged together to make room for a larger space that has accommodated restaurants."

#### *Facts:*

- Per above, the LCD report does not mention storefront mergers
- Laundromat: The owner decided to transition his business into a restaurant. This is an example of an entrepreneur adjusting to changing business conditions and creating jobs – not an example of displacement
- Record store: Discolandia was closed by the owner due to health problems. While unfortunate, this is clearly not an example of displacement
- Pet store and grocery store: These storefronts were closed for ~2 years before Sous Beurre Kitchen took over the lease. Neighbors have reported that these stores were very poorly frequented before they closed
- Butcher shop: Alhambra Butcher closed for 6 months before Local Mission Eatery took over the lease. Based on some Google research, it sounds like Alhambra just wasn't able to make their business work, not that they were displaced

**19 VACANT OR OTHERWISE INACTIVE STOREFRONTS ON 24TH ST BETWEEN MISSION AND POTRERO. 11% COMMERCIAL VACANCY RATE**

*Date: July 9, 2015*

**2778 24th Street**

Note: Formerly Ayutla; have heard a rumor that it has been rented out, but have yet to see any movement

**2830 24th Street**

Note: Formerly World Pioneer Video; owned by Five Markets. Owner told Brooke Segaran that she would like to combine World Pioneer Video with Five Markets to create a larger organic grocery

**2839 24th Street**

**2863 24th Street**

Notes: Same owner as 2869 24th Street. Brooke Segaran spoke with owner. Owner says they would much rather keep the spaces separate (view this as lower risk), are not even sure that the spaces could be combined

**2869 24th Street**

**2951 24th Street**

Notes: Dominguez Bakery; the store has been empty for quite some time

**2970 24th Street**

**2976 24th Street**

Note: Same owner as 2976 24th Street. Space has not been rented out yet. Combined space would be >2500 sqft so would require conditional use

**2990 24th Street**

Note: Same owner as 2976 24th Street. Space has not been rented out yet. Combined space would be >2500 sqft so would require conditional use

**3034 24th Street**

**3046 24th Street**

Note: Maurice Corner Store; owner tragically died in a fire a few months ago

**3066 24th Street**

Note: Formerly La Movida; in process of changing hands / interior renovation

**3067 24th Street**

**3103 24th Street**

Note: it's not just that the gates are pulled down, this store is clearly not in operation

**3112 24th Street**

**3205 24th Street**

Note: next to Mixcoatl; I believe it's the same owner

**3226 24th Street**

Notes: ladder implies construction but it's been in that exact position for quite some time

**3266 24th Street**

Note: The windows are blocked out with foamboard, etc.

**3268 24th Street**

## SIGNIFICANT NEIGHBORHOOD OPPOSITION TO A BAN ON STOREFRONT MERGERS

- ~400 individuals have expressed opposition to a ban on storefront mergers and Campos' vision for a "Japantown like Special Use District"
- The clear majority of those opposed are neighborhood residents dependent on the 24th Street retail corridor. Zip code analysis of respondents:
  - 94110 - 55%
  - 94107 - 9%
  - 94114 - 11%
  - Other - 25% (almost entirely SF)
- Representative comments
  - "An outright ban on mergers is an over reach and over reaction to the very real problem of displacement. Supervisor Campos should think harder about how he can be helpful in solving the complex issues faced by his constituents."
  - "I'm all for balance in the Mission. The neighborhood is changing and we need to embrace that change while preserving our neighborhood's soul and history. It can be done!"
  - "We have too many empty or shoddy looking storefronts in the 24th St corridor...it is no longer exclusively a Latino neighborhood, it is very diverse and should remain that way"
  - "With over 20 storefronts vacant in the area, it is not time for a moratorium. It is time to let go of the roots of culturalism that borders on racism by banning restaurants of a different ethnic persuasion. San Francisco is a melting pot. We don't want to create all over again the starkness of Japantown"
  - "I'm signing this petition as a long resident of the area. I think there is a big need for change in the neighborhood. It's colorful all right, dirty sidewalks and streets, drug addicts and drunks. I think it's time to welcome some new neighbors into the "hood," instead of running them out. This is a divisive illogical plan"
  - "My family and I have been life long Mission residents. My family moved here in 1910. I strongly oppose the "Calle 24" district as it does not really represent the neighborhood. The Mission is diverse, not just hispanic. 24th Street needs revitalization and the merchants that truly serve the needs of the neighborhood"
  - "I'm signing because public safety is my number one concern and 24th Street has had major violence and crime issues for as long as I've lived here. Preventing small businesses from investing in 24th will not help reduce crime in this area"
  - "I've lived one block south of 24th Street since 1993. This SUD is a poorly thought-out scheme to achieve a segregated area where none can open business save for Latinos"

Recipient: Edwin Lee, Malia Cohen, Jane Kim, and Scott Wiener

Letter: Greetings,

I strongly urge you to modify Ordinance 150584: interim prohibition on commercial mergers. Instead of an outright ban, require Conditional Use approval for mergers >799 sqft.

Supervisor Campos is falsely claiming that restaurants are displacing businesses. In introducing the bill, he cited the displacement of a pet store, butcher shop, record store, and laundromat as examples of neighborhood-serving businesses that were displaced and replaced by restaurants. Open 24th has researched these claims and believes them to be false. For example, the laundromat owner simply decided to change his business to a restaurant. Displacement is real, but just because a business closes doesn't mean it was displaced.

Storefront mergers can be good for the neighborhood and won't necessarily cause displacement. Sous Beurre Kitchen is the only recent merger. It took over 2 spaces that had been vacant for around 2 years. It significantly improved lighting around a key bus stop. It's creating jobs and is committed to fair wages. Many view it as a welcome addition to the neighborhood.

Reasonably priced markets - Casa Lucas and El Chico Produce #4 - are the other examples of mergers. Nobody would question whether these businesses good for the neighborhood.

Over 10% of the storefronts on 24th Street are already vacant or un-utilized. Other than liquor stores, few businesses are open at night and the area has one of the highest crime rates in the City. Restaurants can actually help address these issues.

Instead of an outright ban, storefront mergers should require Conditional Use approval. As you know, Conditional Use approval requires, among other things, that the business be neighborhood-serving and respect the architectural features of the street.

Right now, any storefront merger that results in a space >2500 sqft has to go through Conditional Use. Instead of banning mergers >799 sqft, we think it

makes sense to simply require Conditional Use.

In addition, mergers should be prevented if they're displacing a business of important cultural significance. That way, new neighborhood-serving businesses can open without putting cultural assets at risk.

I urge you to modify Ordinance 150584 to reflect a more balanced and inclusive approach to neighborhood development. Don't ban commercials, just require Conditional Use.

Letter: Greetings,

I strongly urge you to modify Ordinance 150584: interim prohibition on commercial mergers. Instead of an outright ban, require Conditional Use approval for mergers >799 sqft.

Supervisor Campos is falsely claiming that restaurants are displacing businesses. In introducing the bill, he cited the displacement of a pet store, butcher shop, record store, and laundromat as examples of neighborhood-serving businesses that were displaced and replaced by restaurants. Open 24th has researched these claims and believes them to be false. For example, the laundromat owner simply decided to change his business to a restaurant. Displacement is real, but just because a business closes doesn't mean it was displaced.

Storefront mergers can be good for the neighborhood and won't necessarily cause displacement. Sous Beurre Kitchen is the only recent merger. It took over 2 spaces that had been vacant for around 2 years. It significantly improved lighting around a key bus stop. It's creating jobs and is committed to fair wages. Many view it as a welcome addition to the neighborhood.

Reasonably priced markets - Casa Lucas and El Chico Produce #4 - are the other examples of mergers. Nobody would question whether these businesses good for the neighborhood.

Over 10% of the storefronts on 24th Street are already vacant or un-utilized. Other than liquor stores, few businesses are open at night and the area has one of the highest crime rates in the City. Restaurants can actually help address these issues.

Instead of an outright ban, storefront mergers should require Conditional Use approval. As you know, Conditional Use approval requires, among other things, that the business be neighborhood-serving and respect the architectural features of the street.

Right now, any storefront merger that results in a space >2500 sqft has to go through Conditional Use. Instead of banning mergers >799 sqft, we think it

makes sense to simply require Conditional Use.

In addition, mergers should be prevented if they're displacing a business of important cultural significance. That way, new neighborhood-serving businesses can open without putting cultural assets at risk.

I urge you to modify Ordinance 150584 to reflect a more balanced and inclusive approach to neighborhood development. Don't ban commercials, just require Conditional Use.

Suresh Segaran	San Francisco, CA	2015-06-26	The ordinance contains blatantly false information.
Scott Knowles	San Francisco, CA	2015-06-26	Growth and change is a natural evolution of this City. Let's not stymie progress and making the Mission a great place to live.
Brooke Segaran	San Francisco, CA	2015-06-26	The mayor should not support legislation that is based on completely false information, nor should he support divisive agendas. We need an inclusive approach to neighborhood development that truly reflects the full diversity of the neighborhood.
Lee Davis	San Francisco, CA	2015-06-26	Mayor Lee, please stop supporting this initiative. As a homeowner in the Mission I know that putting more restrictions in place won't help this area grow and thrive.
David Stewart	San Francisco, CA	2015-06-26	I don't support exclusionary and divisive measures.
Andrew Lastowka	San Francisco, CA	2015-06-26	No more special interest politics.
Robert Tillman	Sausalito, CA	2015-06-26	I have owned and operated the large laundromat and the building in which it operates at 25th and Mission. I strongly oppose this restriction on how I choose to manage my property.
Jeff Beene	San Francisco, CA	2015-06-27	Campos's illogical and deeply cynical political moves are designed to get himself to Sacramento, not to improve life in the Mission.
Robert Brust	San Francisco, CA	2015-06-28	The Mission is not a museum piece that belongs to any one political group. It is my Mission too. I thank the merchant association for their service. But no, you do not get to control the street.
David Smith	San Francisco, CA	2015-06-28	With over 20 storefronts vacant in this area, it is not time for a moratorium. It is al time to let go of the roots of culturalism that borders on racism by banning restaurants of a different ethnic persuasion. San Francisco is a melting pot. We don't want to create all over again the emptiness and starkness of Japan Town.
Kathryn Arbeit	San Francisco, CA	2015-06-28	Businesses trying to success on 24th Street need the City's support, not arbitrary and senseless obstacles like this moratorium.
Bill Ross	san bruno, CA	2015-06-28	My family and I have been life long Mission residents. My family moved here inn 1910. I strongly oppose the "Calle 24" district as it does not really represent the neighborhood. The Mission is diverse, not just hispanic. 24th Street needs revitalization and merchants that truly serve the needs of the neighborhood. Campos, not a native San Franciscan, is misguided. Sincerely, Stephanie Ross
Reynolds Cameron	San Francisco, CA	2015-06-28	Discriminatory and nativist policies are dangerous and pernicious menaces that must be opposed everywhere.
Estelle Alberts	San Francisco, CA	2015-06-28	I believe in free enterprise, we have too many empty or shoddy looking storefronts in the 24th St corridor. If someone wants to invest in the area to provide nice restaurants of any type they should be welcome to do so. It is no longer exclusively a Latino neighborhood, it is very diverse and should remain that way.
Angelos Kottas	San Francisco, CA	2015-06-29	I am disturbed by empty storefronts, and want to preserve the vibrant economy of 24th St.

Juliet Anderson	San Francisco, CA	2015-06-29	I'm signing this petition as a long resident of the area. I think there is a big need for change in the neighborhood. It's colorful all right, dirty side walks and streets, drug addicts and drunks. I think it's time to welcome some new neighbors into the "hood", instead of running them out. This is a divisive illogical plan.
Judith Berkowitz	San Francisco, CA	2015-06-29	I've lived one block south of 24th Street since 1993. This SUD is a poorly thought-out scheme to achieve a segregated area where none can open business save for Latinos. Please do not sign this proposed Ordinance. Thank you, - Judith Berkowitz
Todd Lappin	San Francisco, CA	2015-06-29	As a 25 year resident of D9, I believe 24th Street belongs to all of us.
Thomas Holton	San Francisco, CA	2015-06-29	Because what Campos is proposing is damaging to the neighborhood, and stores that open for business should be for all the people living in the area.
Grant Campbell	San Francisco, CA	2015-06-29	We need to allow the Mission to evolve, there's room for everyone and everything and our elected officials need to support the diverse needs of residents of this area.
DANIEL CHRISTMANN	San Francisco, CA	2015-06-29	I think this is oppression.
Ken Miguel	San Francisco, CA	2015-06-30	I'm signing because all San Franciscans deserve to live in neighborhoods that represent the diversity of this great city. Everyone should be able to participate in making our community a better place.
Ron Davis	San Francisco, CA	2015-06-30	I don't support these restrictions.
Bruce Williams	San Francisco, CA	2015-06-30	I'm a neighborhood resident who supports the development of 24th street for ALL the diverse residents of the neighborhood.
Daniel Bacon	San Rafael, CA	2015-06-30	San Francisco, like all cities, is constantly evolving. The Mission was once predominantly Irish, German, and French. It then evolved into a hispanic neighborhood. Now it is once again evolving into a mix of incomes and races. This is all natural and doesn't need government interference.
Ryan Sieroty	San Francisco, CA	2015-06-30	This isn't even his district!!! At what point do we let the citizens vote or let the laws of supply and demand work out? How about the supervisors dealing with our crispy street conditions and the homeless issues of camps all over this city.
Joshua Kaufman	San Francisco, CA	2015-06-30	Help support a diverse merchant corridor on 24th Street in the Mission that serves the needs of residents and local businesses.
Jose Hernandez	San Francisco, CA	2015-06-30	I'm signing because public safety is my number one concern and 24th street has had major violence and crime issues for as long as I've lived here. Preventing small businesses from investing in 24th will not help reduce crime in this area.
Charles MacInnis	SAN FRANCISCO, CA	2015-07-01	Small business owners deserve the freedom to make business decisions for themselves and their families without unnecessary local government interference.
Eric Schmitt	San Francisco, CA	2015-07-01	I don't support knee jerk politics with long term harmful consequences.
James Fong	San Francisco, CA	2015-07-01	I dislike Campos's policies
Blake Engel	San Francisco, CA	2015-07-01	I want to stop Supervisor Campos' misguided attempts to help the neighborhood which I believe to be counter-productive.
Gene Yoshida	San Francisco, CA	2015-07-02	It makes it harder for businesses to open on 24th st. when there are already too many commercial vacancies.

Name	Location	Date	Comment
Dirk Schmidt	San Francisco, CA	2015-07-02	Further development of the 24th corridor should be encouraged, not hindered. I would enhance the entire neighborhood and bring further tax revenue to the city.
Luke Andrews	San Francisco, CA	2015-07-02	This is a backwards measure that doesn't solve the problem it purports to address.
Martin Rapalski	San Francisco, CA	2015-07-03	This is ludicrous. We don't need a "Japantown" on 24th!
craig sonneborn	san francisco, CA	2015-07-03	I'm right; this is wrong!
Adam Tadesse	San Francisco, CA	2015-07-03	If Ed Lee is for it then I am totally 100% against it.
Starchild (Libertarian Party of San Francisco)	San Francisco, CA	2015-07-03	Having a housing moratorium during a housing shortage is insanity. It's like restricting farmers from growing food during a famine. NIMBYism is killing our city. Enough! ¡Basta ya!
Jeremy Wheat	San Francisco, CA	2015-07-03	I work in a small retail business whose survival is reliant on adapting. Restrict MARKET RATE AND ABOVE CONDO CONSTRUCTION and NOT SMALL BUSINESS GROWTH. This seems obvious to me. Passage of this bill can only hamstring small businesses in the restrictive Mission, a district that ALREADY savages all small businesses EXCEPT THE DYING RETAIL MODEL which current San Francisco has shown it doesn't care for. How much sense does that make?
Lloyd Whittaker II	San Francisco, CA	2015-07-03	this is anti small business. Storefront mergers are not a problem. This is a special interest ploy. A Japan town style zone is a failure waiting to begin and does not reflect either the cultural make up or inclusionary values of SF or the Mission. Vote against this moratorium.
Elizabeth Day	San Francisco, CA	2015-07-03	I have seen so many small businesses, owned by actual speaking humans, go out of business in the recent years, and that is not the direction I think this city and this neighborhood should be going. People who want chain stores can move to the suburbs, where those things exist in abundance. San Francisco should retain its uniqueness.
Adam McCauley	San Francisco, CA	2015-07-04	Long ago I supported Campos, and I'm now very sorry I did. I have no idea why he's doing this or why Mayor Lee is supporting it, because as a longtime resident of the 24th st corridor it seems like a stupid idea that hurts business.
Fred Sharples	San Francisco, CA	2015-07-04	I've lived in the Mission for over 29 years. My children were born here. I want the Mission to have a place for artists and families of all ethnicities & cultures.
Robin Whiteside	San Francisco, CA	2015-07-04	These restaurants provide higher wage jobs for local residents, and help the economic energy of the Mission. Campos just doesn't seem to understand the Mission as well as we long term multi-generational residents do.
Patrick Collins	San Francisco, CA	2015-07-05	Dear Mayor Lee, As a long time resident of the Mission area and a firm supporter of yours, I'm disappointed that you may be supporting this moratorium on storefront mergers on 24th St. 24th St. needs to continue to evolve as a vibrant commercial corridor and this moratorium can only be detrimental to this. Please reconsider your support for this measure. Thank you!
Aubrey Freedman	San Francisco, CA	2015-07-05	There should be less laws, not more, trying to dictate what consenting buyers and sellers of businesses want to do. This ordinance is just another attempt to stop change, which is inevitable.
Judy Minton	San Francisco, CA	2015-07-11	I'm signing because I support maintaining the cultural integrity of the 24th street corridor while developing a vibrant business community and neighborhood. I believe that it is possible to have both.
Huey Kwik	Palo Alto, CA	2015-07-11	I'm signing because I don't want David Campos to have any moratoriums.
Erik Goldman	San Francisco, CA	2015-07-12	these proposals are overreaching and don't address the core issues

Gary Siegel	San Francisco, AL	2015-07-12	I agree that mergers may be good for the area
Mike Sullivan	San Francisco, CA	2015-07-12	Because not all change is bad
Michael Mahoney	San Francisco, CA	2015-07-12	I believe David Campos' solutions never benefit the city and never make the city a better place.
Stephen Hallowell	San Francisco, CA	2015-07-12	Restricting commerce does not benefit the neighborhood. It restricts the creation of jobs. Hoping that nothing will change is rarely a winning strategy.
christian Dauer	San Francisco, CA	2015-07-12	An outright ban on mergers is an over reach and over reaction to the very real problem of displacement. Supervisor.Campos should think harder about how he can be helpful in solving the complex issues faced by his constituents.
Terri Hanagan	San Francisco, CA	2015-07-12	This City has gone "unlivable".
Fernando Ventresca	San Francisco, CA	2015-07-12	I'm all for balance in the Mission. The neighborhood is changing and we need to embrace that change while preserving our neighborhood's soul and history. It can be done!
Ray Everett	San Francisco, CA	2015-07-12	Supervisor Campos is wrong-headed on nearly everything, and would prefer to see abandoned buildings over vibrant, job-creating shops and restaurants. Tell him he's wrong.
Kimball Diamond	Berkeley, CA	2015-07-12	I lived on 24th St. for 8 years, during which time I had the opportunity to witness the evolution of demographics from high upper middle class to upper class, with the 'entry point' essentially landing at \$1mil and up for a single family residence. I benefitted from that transition professionally, however, from a social perspective couldn't have been more unhappy. The change of dynamics centers on the money, inevitable, and all the concomitant attitudes it carries with it. Lay people don't understand the planning process, much less have any practical experience in evolving 'highest and best use' practices in the city. This proposal is short sighted, and apparently ignorant of the realities present on 24th St. for decades; storefronts vacant for many years, unaffordable commercial rents, next to no parking for merchants and their customers, prohibitive land use practices. The list is endless. Some of these problems are endemic to SF. Others are neighborhood specific. 24th St. holds great promise, but with the monied nimby's driving public policy, it promises to develop into another precious little monochromatic, homogeneous retail corridor with little to offer in the way of neighborhood or community.
Nicola Chipps	San Francisco, CA	2015-07-12	I am an employee of a 15 year old Noe Valley retail and restaurant business and we need progress!
Sam magruder	San Francisco, CA	2015-07-12	So sick of the Hippocrates who claim to want healthy communities with jobs but then try to stop people from creating good jobs.
Jeffrey McCarthy	San Francisco, CA	2015-07-12	Campos is in ill informed politician only concerned with appeasing the vocal minority in the mission. He needs to be stopped and voted out of office so real impact can be made to protect the mission and SF
Edward Fine	San Francisco, CA	2015-07-12	It is already too hard to open a small business. Making it harder will only increase the storefront vacancy rate. Opening a storefront can often take over a year, will making it even harder actually improve things?
Charles King	Edgewood, MD	2015-07-12	I support an revitalized mission and urban renewal
Roger Bass	San Francisco, CA	2015-07-13	Suppressing market-driven change is a bad idea. If restaurants see opportunity, they should be able to do what they need, via the regular planning process.
James Swetnam	San Francisco, CA	2015-07-13	David campos needs to stop pandering and start focusing on real solutions.

It's not the sole responsibility of the private sector to take care of those in need. That's why we pay our taxes. He will ultimately make it unaffordable for the single family home owners
Heather Ali	San Francisco, CA	2015-07-13	I work very close to 24th and I walk it quite a bit. This is an important issue to me.
Geraud Boyer	San Francisco, CA	2015-07-13	I am signing this because you should not interfere with businesses
christina waters	Anderson, IN	2015-07-13	I believe that restaurant fronts should be allowed to occupy space. Especially if they are not hurting other businesses.
Kathryn Arbeit	San Francisco, CA	2015-07-13	I support local business and this ban on mergers would eliminate one tool that they have used to grow and thrive in the area.

Let's worry about the homeless street scene, crime and dirty streets before we create new ordinances to make business even more difficult in San Francisco.
Khanh pham	San Francisco, CA	2015-07-13	the leadership and policies in this city willingly choke progress at all costs, and mainly for political gains.

Alexandra Shepard	San Francisco, CA	2015-07-13	I support a constantly changing and improving city.

## **Open 24<sup>th</sup> Petition: Launched 6/8/2015**

Members of the Land Use Committee:

I'm writing to urge you to oppose Supervisor Campos' proposed ban on storefront mergers in the Mission's 24th Street retail corridor. I also urge you to oppose any future measures, such as a Special Use District, that effectively grant Calle 24 veto rights over which businesses are allowed to open in the neighborhood.

**Calle 24 is an exclusionary special interest group that only represents a subset of the neighborhood's population.** The board of Calle 24 is required to be materially of one ethnic group and look after that ethnic group's purported interests as defined by the board. The population represented by Calle 24 is only a subset of the neighborhood's diverse population.

**The retail restrictions advanced by Supervisor Campos and Calle 24 do not represent the interests of the entire neighborhood.** When Campos announced this legislation, he said that new restaurants are not neighborhood-serving. But Campos is only defining "neighborhood-serving" based on what Calle 24 wants.

Many neighborhood residents want fewer vacant storefronts and more sit-down restaurants open at night (to be economically viable, these businesses often require footprints larger than the existing spaces). Today, the neighborhood has a double digit commercial vacancy rate, with many storefronts sitting vacant for months. Few businesses other than liquor stores are open at night.

**Neighborhood retail corridors should serve all neighborhood residents.** The existing planning process provides the tools needed to ensure a vibrant retail corridor that meets the needs of the neighborhood's diverse population. Blunt measures that preference a special interest group are not appropriate, and the proposed ban on storefront mergers is just a preview of what's to come.

**Let's not let our neighborhoods be held hostage by special interests with a divisive policy agenda.** I urge you, our elected representatives, to unite San Francisco and oppose such divisive policies.

Instead of being the champions of good government, which liberals are nationally, SF progressives continue with their misguided strategy of wrecking city planning and administration in an attempt to protect their working class and disadvantaged constituents. Often by using transparently false justifications. The unintended though obvious consequence of inefficient and irrational governance is the accelerated gentrification.  The only possible way that this proposal can work is if it keeps a street of empty storefronts blighting the neighbourhood and reducing property values. That is no way to fight for the poor or immigrants and it's certainly no way to run a city.

I am deeply offended by Sup. Campos' and Calle 24's misguided efforts halt change along the 24th Street retail corridor. I love 24th Street, and patronize businesses both old and new, but the truth is there are many many vacancies on the street. There is plenty of room for everyone who wants to do business there, and there is absolutely no reason to control the addition of new local serving businesses for the very diverse population of the Mission. Although it is not a current proposal, I especially object to the idea that Calle 24 desires veto power over new businesses in the Mission. Rather than embracing diversity, Calle 24 is trying to enforce a racial purity which is not and never has been a characteristic of the Mission or San Francisco. I implore you to oppose this legislation.

## **Open 24<sup>th</sup> Petition: Launched 5/7/2015**

**I am writing to express my strong opposition to legislation restricting new businesses that Supervisor David Campos will be introducing in the coming weeks.** According to Campos' office, the legislation will aim to prevent new "full service" restaurants and restrict the merging of storefronts in the Lower 24th Street retail corridor.

This legislation would have a significant, negative impact on the community, fostering conditions that will lead to:

- **More empty storefronts.** The vacancy rate on 24th Street appears to be well over 10%, a significant increase since 2012. Empty storefronts don't create jobs or create a vibrant neighborhood. Making it even more difficult to open a business will only increase the vacancy rate
- **Unmet resident needs.** The neighborhood served by the 24th Street retail corridor has always enjoyed evolving and unparalleled diversity. The area has cultural traditions worth of protection and support. However, it is also the only East-West retail area in the Mission. The area needs to serve all residents, including those who want "full service" restaurants. Entrepreneurs should be allowed to start businesses that meet any resident's needs
- **Reduced safety.** The area already has one of SF's highest crime rates. Only 1 in 3 storefronts on 24th Street are open past 8pm. Of those that are open, 1 in 5 are liquor stores. Full service restaurants stay open late and promote safety. Vacant storefronts and liquor stores do not. Furthermore, these additional restrictions would make it even more challenging for businesses to meet the latest building codes, including those that reduce fire risk and increase ADA accessibility.

**Help keep 24th Street open to businesses that can meet everybody's needs. Help keep 24th Street open for business. Vote "no" on Campos' proposal.**

We need to encourage small business owners in the area, and I fear this policy will drive them away. Also, keep in mind that Noe Valley tried this on the other end of 24th a few years ago... and they ended up with a strip of banks and title companies instead of small locally owned shops and restaurants.

I strongly believe that the new businesses along 24th street have complimented existing business, enhanced diversity, upgraded the offerings for residents and increased visits/patronage from outside the neighborhood.  David Campos is well-meaning and works hard but he should put his energy into other areas of local business versus trying to stop entrepreneurs from opening new businesses in shuttered/poorly maintained buildings or stopping current business owners who's businesses are doing poorly from selling.  I think Campos and his team should be helping the existing business owners improve/evolve their business so it can remain viable - any business needs to annually assess oppty and threats to their business and make appropriate changes.....he should also target landlords who are not maintaining their properties - commerial and residential....  When a landlord decides to sell a building that has not been maintained for years....let's not demonize that new owner for coming in and cleaning up a building that 1) may be a safety hazard physically 2) run down buildings can attract a bad element/crime/safety issues 3) may have many renting violations, sub-leasing, too many people in an apartment, fire hazard, etc.  Let's try to 'fix' these businesses and properties BEFORE they are sold or go out of business - it's not the new entrepreneurs that are the issue but the existing business owners/landlords who are not evolving their entities.  Run down store fronts, run down buildings.....much more the issue than the new businesses that invest in those properties once they become available.....

Subject: Opposition to Proposed Restriction of Development on 24th Street

Dear Land Use Committee,

As a resident in District 9, I am writing to convey my strong opposition to Supervisor Campos' proposed restrictions on new business and residential development on the 24th Street Corridor.

While gentrification is a crisis in our community, **further restrictions on development are not the answer to the current housing crisis**. Basic laws of supply and demand dictate that when there is more supply, prices ease across the market. As I am sure the committee knows, further restricting housing supply will have the converse impact of raising prices and creating even more pressure on below market rental units. Decades of over-regulation of residential development in San Francisco landed us in this situation - further regulation will not save us; it will make things worse.

With regard to restricting business/restaurant development, "no high end restaurants" and "no combined storefronts" would be **detrimental our neighborhood safety and local jobs**. There are nearly 20 vacant storefronts on 24th Street, and it's an area of high (and violent) crime. As someone who lives a few blocks away, I would prefer any restaurant that is open (and thereby lit) to a dark street of closed businesses and vacant storefronts. Restaurants are labor intensive businesses - filling those vacant units with any type of restaurant (or other business) could significantly increase job opportunities in the neighborhood.

Supervisor Campos is laudable in his efforts to maintain and support a cultural district on Calle 24, but it is intended to be a cultural - not regulatory - district. If you want to ensure the cultural vibrancy of 24th Street, discouraging small business development is not the way to do it.

Thanks for considering my views.

Your neighbor,

Subject: Support safety and vibrancy on 24th Street  
To: [malia.cohen@sfgov.org](mailto:malia.cohen@sfgov.org)

Dear Supervisor Cohen,

My husband Jeff and I are new residents in your district, having just purchased a home at 1494 Rhode Island in Potrero Hill. We are excited to be part of the community and to engage with you on important issues.

**I am writing to express to the Land Use Committee my strong opposition to legislation restricting new businesses that Supervisor Campos will be introducing in the coming weeks.** According to Campos' office, the legislation would aim to prevent new "full service" restaurants and restrict the merging of storefronts in the Inner Mission's 24th Street retail corridor.

Jeff and I have many friends that live just over the 23rd Street bridge in the Mission that would be negatively impacted by Supervisor Campos' proposal. We are looking forward to both exploring local businesses both on 18th Street in Potrero and along 24th Street in the Inner Mission. Supervisor Campo's legislation would choke just the type of local businesses that we like to support and would be a detriment to community-wide safety.

The proposed legislation would have a significant, negative impact on the community by:

- **Increasing the number of vacant storefronts** - there appear to be at least 19 vacant storefronts on 24th Street today, representing a vacancy rate of over 10%. The vacancy rate appears to be increasing. There are few of the types of businesses Campos is targeting. We do not need to make it even harder for small business owners to open on 24th Street. If anything, we need to make it easier. Vacant storefronts are NOT good for anybody.
- **Reducing safety** - the area already has a lot of crime. It doesn't feel safe to walk on 24th Street, a street that provides access to BART, at night. Fewer than 1 in 3 storefronts on 24th Street are open past 8pm. Of those that are open at night, 1 in 5 are liquor stores. Vacant storefronts do not improve safety. The types of businesses targeted by Campos' legislation would be open at night and improve lighting in the area. I would like to be able to feel safe walking to BART from my new home, and the Supervisor Campos proposal will make 24th Street more dangerous.
- **Reducing the utility of 24th Street for all residents** - The Mission has always enjoyed unparalleled and evolving diversity. Residents need businesses that meet their needs, and business owners need to be allowed meet all residents' needs. Many Inner Mission residents frequent and want more of the types of businesses that will be targeted by Campos' legislation.

**Please help keep 24th Street open to businesses that can meet everybody's needs. Help keep 24th Street open for business. Vote "no" on Campos' proposal.**

I look forward to meeting you and engaging on this and other key issues that impact our district.

Thank you,

Kathryn Arbeit

To Malia Cohen, Scott Wiener, Jane Kim, and David Campos:

As a concerned resident living on Utah between 24th and 25th St, I would like the Land Use Committee to hear my voice when it comes to proposed legislation by David Campos which would restrict the types of new businesses that could be opened on the 24th Street corridor. The way I understand it, this legislation would prevent the merging of storefronts and would specifically work to prevent new restaurants to open up along the corridor.

Right now, when I walk down 24th Street I feel very much a part of this community--I see neighbors sitting in front of their homes on the stoop, or washing their cars, or skateboarding to Potrero Del Sol. I love the art, the smell of food being cooked, and the diverse friendly faces that I pass daily. What I don't like is the vacancy rate (more than 10% of storefronts are vacant) among storefronts along the corridor, or the fact that among non-vacant storefronts, many of them close relatively early (among non-vacant storefronts, I'd guess that ~30% of them close by 8pm). I don't like that I often have to walk all the way to Valencia if I want a little variety in my restaurant choices. I don't like that many of the storefronts are liquor stores or low-inventory corner stores. I don't like that Jack's has been sitting vacant for over a year, or that the truly decrepit Utah Hotel at 1310 Utah is a hotbed for drug dealing, prostitution, police activity, trash all over the street, and loud violent altercations at night.

More than that, what I don't like is the crime and vagrancy along 24th street that is enabled by a largely sleepy nighttime corridor. With businesses closing before dark, and other businesses completely empty, there is a lot of visible homelessness on 24th Street after dark. The foot traffic among taxpaying citizens just basically drops off after 8pm, and that sets the stage for bad actors to occupy the area for the night.

I have seen dozens of examples of people sleeping, binge drinking, eating, doing intravenous drugs, urinating, defecating, and fornicating in storefront entryways (usually vacant storefronts, since there's nobody with a vested interest to tell the vagrants to move along). What I really don't like is hearing from my girlfriend or other dear female friends that when they walk to my house from Bart, they get harassed--catcalled, followed, even physically grabbed by their arms (or worse). I believe that if more of these storefronts were occupied by thriving businesses serving the needs of their community, the more vibrant and (more importantly) the safer the corridor would be. **There would be more light, more attentive eyeballs, cleaner sidewalks, less non-art graffiti, less gang activity, and greatly increased economic activity along the corridor if there were more thriving businesses open late.**

I urge all of you to consider that 24th street should be a safe and pleasant place for all residents of the Inner Mission, and that this proposed legislation is antithetical to any mission of making this neighborhood safer and inclusive. I urge you to vote no on Campos' proposal and rethink the implications of these restrictive policies.

Sincerely,

Hello,

I have been living on 24th street for several years and was recently made aware that **Supervisor David Campos is planning to introduce legislation that would prevent the opening of new full-service restaurants and prevent combining of storefronts on my street. I am writing to express my strong opposition to these measures.**

There are already at least 20 vacant storefronts on the street, which not only represent a missed opportunity for aspiring small business owners but also a risk to public safety. Of the storefronts that are occupied, most are not open at night. The legislation proposed by Supervisor Campos specifically targets business that would be open at night and make the area safer. Vacant storefronts do not help anyone and I'm against any measure that would increase their numbers.

The people who would be affected by this proposed legislation are not big corporations, but members of our community who may have long-standing dreams of owning a restaurant, as well as the people whom they would employ. The recently-opened restaurants are primarily owned by locals who care about the neighborhood.

While I appreciate the underlying intent, I do not believe this legislation will have any effect on the real problem of housing costs in the neighborhood.

If you'd like to contact me, I'd be happy to discuss my concerns.

Sincerely,

Hello,

I have been a San Francisco resident for more than 10 years, and consider the City my home. I was concerned to learn recently that Supervisor David Campos intends to present legislation preventing the opening of new businesses such as full-service restaurants or that would otherwise involve combined storefronts.

Although this legislation is intended for the Mission District, as a San Francisco resident of the Inner Richmond, I am concerned for what this means for the City as a whole. I appreciate the underlying sentiment of the legislation, but having seen my husband, himself an immigrant, struggle with his dream to open his own full service restaurant here in the City, I have concerns about the stifling effect on our small business community.

Walking through the City, including the Mission, I see many vacant storefronts. One recent (short) stroll through the neighborhood yielded a count of nearly 20 vacant storefronts that are not helpful to residents and do nothing to inspire local tourism. I am against any measure that would increase their numbers, or restrict small business, as I believe the Campos legislation would.

Those affected by this legislation are not faceless corporations, but are neighbors in our community - and in my case, a family member - who have long-standing dreams for opening a business in this wonderful City.

Thank you for the opportunity to let me air my concerns.

Best,

Dear SF Land Use Committee,

It is my understanding that in the coming weeks Supervisor David Campos will introduce legislation restricting some new business activity along the Mission/24<sup>th</sup> Street corridor. **I am writing today to the Land Use Committee my opposition to this legislation.** According to Campos' office, the legislation would aim to prevent new "full service" restaurants and restrict the merging of storefronts in the Inner Mission's 24th Street retail corridor.

I believe that this legislation would have a negative impact on the community. By limiting business activity compared to current legislation, Campos' new legislation may increase the number of vacant storefronts or not enable currently vacant storefronts to lease to tenants that can start new businesses that will serve the community. Vacant storefronts do not bring jobs to the community, nor do they bring tax revenue. Vacant storefronts also reduce safety – the more people, clean walkways and lighting the safer it will be to be out on the streets and enjoy of services of both existing and new businesses. Finally, I believe that small business entrepreneurs should have the freedom to establish new endeavors in accordance with current legislation that will suit the needs of the population; it is not a precedent that San Francisco as a whole can afford if we want to keep this city a great place to live.

**Help keep 24th Street open to businesses that can meet everybody's needs, vote "no" on Campos' proposal.**

Dear Members of the Land Use Committee,

I am writing to express to the Land Use Committee my strong opposition to legislation restricting new businesses that Supervisor David Campos will be introducing in the coming weeks.

I've been a resident of the Mission for the last 6 years. I started and ran a small business in San Francisco from 2009-2013. I'm deeply familiar with how hard it is to start a business in San Francisco, with its complicated regulatory framework, and difficult tax requirements -- even compared to surrounding communities. Making it even harder to open businesses strikes me as a bizarre choice for the 24th Street corridor, especially given its staggering number of unused storefronts. We walked up and down the street between Mission & Potrero and found almost 20 storefronts that were abandoned or otherwise unused. Commercial turnover is unavoidable, but this level of abandoned storefronts is unusual for a city that is so vibrant in other neighborhoods.

I've founded a small business here. It's already hard enough already -- let's not make it harder with arbitrary restrictions.

This legislation would have a significant, negative impact on the community by:

- Increasing the number of vacant storefronts - there appear to be at least 19 vacant storefronts on 24th Street today, representing a vacancy rate of over 10%. The vacancy rate appears to be increasing. There are few of the types of businesses Campos is targeting. We do not need to make it even harder for small business owners to open on 24th Street. If anything, we need to make it easier. Vacant storefronts aren't good for anybody
- Reducing safety - the area already has a lot of crime. It doesn't feel safe to walk on 24th Street, a street that provides access to BART, at night. Fewer than 1 in 3 storefronts on 24th Street are open past 8pm. Of those that are open at night, 1 in 5 are liquor stores. Vacant storefronts do not improve safety. The types of businesses targeted by Campos' legislation would be open at night and improve lighting in the area
- Reducing the utility of 24th Street for all residents - The Mission has always enjoyed unparalleled and evolving diversity. Residents need businesses that meet their needs, and business owners need to be allowed meet all residents' needs. Many Inner Mission residents frequent and want more of the types of businesses that will be targeted by Campos' legislation

I live close by, enjoy the restaurants on 24th Street and have quite a few friends who live in that area. Please help keep 24th Street open to businesses that can meet everybody's needs!

Dear Land Use Committee Members,

I'm a homeowner in the Mission (2850 Cesar Chavez @ Hampshire). My family and I have lived in the area for 6 years. We love the diversity and energy of this neighborhood and plan to continue to build our family here. We've noticed the steady deterioration of the area with sad hearts - many boarded up storefronts on 24th street, litter, poor street and sidewalk conditions. This is why I am writing to express to the Land Use Committee my strong opposition to legislation restricting new businesses that Supervisor David Campos will be introducing in the coming weeks. According to Campos' office, the legislation aims to prevent new "full service" restaurants and restrict the merging of storefronts in the Inner Mission's 24th Street retail corridor.

I think this legislation would have a significant, negative impact on the community by:

- Increasing the number of vacant storefronts - there are **at least 20 vacant storefronts** on 24th Street today (I counted this on my way home from work the other day!), and there are so few of the types of businesses Campos is targeting. We do not need to make it even harder for small business owners to open on 24th Street. **If anything, we need to make it easier.**
- Reducing safety - the area is already a high crime area. To me, as a woman and mom, it doesn't feel safe to walk on 24th Street, a street that provides access to BART, at night. Only 1 in 4 businesses on 24th Street are open past 8pm and of those that are open, 1 in 5 are corner stores that sell liquor.
- Reducing the utility of 24th Street for all residents - The Mission has always enjoyed unparalleled and evolving diversity. Residents need businesses that meet their needs, and business owners need to be allowed meet those needs. Many Mission residents support the types of businesses that will be targeted by Campos' legislation.

Dear Land Use Committee,

I'm writing to **strongly oppose** the new legislation proposed by Supervisor David Campos to prevent full-service restaurants and combined storefronts from coming to 24<sup>th</sup> street.

I live on 25<sup>th</sup> Street in the Mission, and I walk down 24<sup>th</sup> street everyday. Why would we want to prevent new restaurants that will make the neighborhood more vibrant and safer for our families? Why do we not want to encourage new businesses to come to the mission? I love many of the small businesses in my neighborhood, but I don't love all the empty storefronts and I don't love that my entire neighborhood shuts down at 6pm. I want to be proud of my neighborhood, and I want to feel safe.

Please do not prevent new, diverse businesses from coming to my neighborhood – we need them.

To the Land Use Committee,

I am writing to express my strong opposition to the legislation that Supervisor David Campos will be introducing that would significantly restrict growth in the Inner Mission's 24th Street retail corridor. According to Campos' office, they plan to prevent new "full service" restaurants and restrict the merging of storefronts in the neighborhood.

There are a number of ways that the legislation will impact the neighborhood - more vacant storefronts, increasing safety concerns, and lack of needed businesses in the area. There is a significant amount of vacant storefronts already on 24th between Mission and Potrero (at least 19) and many businesses (<30%) that close by 8pm. As a single woman who would like to continue using public transport (BART at 24th) and my own two feet to get around, these facts make those options much more uncomfortable. Finally, the businesses that will be targeted by this legislation meet the needs of the residents there - the economics of retail and food services will make sure that the ones that are not will fail. The legislation is creating unnecessary obstacles for small business owners to open on 24th Street.

Though I do not live in the Inner Mission, I live about 10 blocks away and frequently traffic the area. I also fear that the legislation would create a dangerous precedent to stifle the growth of new small businesses in the city.

Thank you for your consideration.

Dear Land Use Committee:

I'm writing to express my opposition to legislation to restrict new businesses that I understand Supervisor David Campos may be introducing in the coming days. My understanding is that this legislation would prevent full service restaurants and storefront mergers on 24th Street retail corridor.

I live at the other end of the Mission, near 14th and Valencia, but frequent all parts of the Mission including 24th Street; I shop and dine there at least once per week, using my bicycle as transportation. I love the 24th Street corridor, but have been troubled that it hasn't lived up to its potential. This legislation would represent a big step in the wrong direction.

First, I am concerned about crime and safety on the 24th Street corridor. I've had two bicycles stolen in the past four years that were locked on 24th Street. Both times, the locks were broken while I was eating dinner nearby. The issue seems to be that there are too many vacant storefronts, and too few stores are open into the evenings. The street often feels empty, dark and dangerous even when it's not late at night (like, anytime after 8pm).

Second, I'm troubled by the possibility of a dangerous precedent being set -- the precedent of a group of people who claim to speak for everyone (when they do not), determining what types of stores may open and who they can appeal to. 24th Street serves a diverse group of people, not just from the immediate vicinity but also from nearby neighborhoods. As one of those people, I like the full service restaurants on the street and think 24th Street should have more of them; I don't want to see additional hurdles put in place to prevent them, especially with so many vacant storefronts. Furthermore, I think combining storefronts is a great option to make opening more types of stores and restaurants economically feasible -- especially the type that may stay open later in the evenings.

Please vote "no" on Campos' proposal -- it would be a huge step backward for 24th Street and for residents across all of San Francisco.

Sincerely,

Dear Ms. Christensen;

I have read that Supervisor David Campos will be introducing legislation that would place significant additional restrictions on the types of new businesses allowed in the Inner Mission's 24th Street retail corridor. The legislation as reported would place a moratorium on new "full service" restaurant and restrict the merging of storefronts

I am strongly opposed to this legislation. The 24th Street retail corridor needs more, not fewer, open businesses. There are at least 19 vacant storefronts on the street today.

Are empty store fronts what is meant as preserving "Mission culture"? I believe all the residents of the city deserve the freedom to make their community what they will and what they want. Not using political power to suffocate free agreements between consenting people. Using the power of zoning to restrict the neighborhood to liquor stores and pizza by the slice places isn't progressive. Its anti-progressive.

In the south, where I am from, people used to use the political process to restrict blacks moving into their neighborhoods. Here and now the political process seems to be publically used, without any shame or irony, to restricting people of a certain class and education from being welcomed in the city. It may not be racist but it is classist, and it isn't and shouldn't be, what San Francisco should be about.

Votes on things such as this define what San Francisco is about and I hope you will oppose Campos' hyper-conservatism and promote a San Francisco that is welcoming of everyone; all races, occupations, genders, and classes.

Thanks,

Ian

Hello,

As a resident of San Francisco I am writing in opposition to legislation that Supervisor David Campos will soon introduce based on recommendations from Calle 24 to restrict new full service restaurants and merging storefronts on 24th Street.

24th Street is a major east-west corridor that is a central consumer marketplace for Mission residents. It is home to small businesses that feed the cultural spirit of the neighborhood. If anything, it should be easier for a small business to open a storefront; the moratorium of full service restaurants places even more limitations on the retail opportunities on 24th Street.

Although this is part of legislation that puts a halt to market-rate housing projects, it is a poorly conceived concession and should be rescinded. There is already a storefront vacancy of more than 10%. As market value of real estate in the Mission continues to climb, there is no reason why such premium retail space should sit empty and lawmakers should be optimizing opportunities for all businesses catering to all demographics in the local area.

24th Street is one of the more unsafe neighborhoods in San Francisco and the empty storefronts add to the feeling of ambient danger. Maximizing the utilization of retail space can only make it a safer place to live and shop. Because of the heavy pedestrian traffic from the BART stop on 24th St., lawmakers should be taking strides to reduce crime rather than passing measures that keep a block feeling sketchy.

In short, 24th street has premium retail space that not being used to its full potential, and there is no reason for it given the skyrocketing real estate market and the cultural wealth the Mission has to offer. Don't make it harder for small businesses; do not go forward with the legislation barring new full service restaurants and merging storefronts.

Hello,

***I am writing to express to the Land Use Committee my strong opposition to legislation restricting new businesses that Supervisor David Campos will be introducing in the coming weeks. According to Campos' office, the legislation would aim to prevent new "full service" restaurants and restrict the merging of storefronts in the Inner Mission's 24th Street retail corridor.***

*This legislation would have a significant, negative impact on the community by:*

- ***Increasing the number of vacant storefronts*** - there appear to be at least 19 vacant storefronts on 24th Street today, representing a vacancy rate of over 10%. The vacancy rate appears to be increasing. There are few of the types of businesses Campos is targeting. We do not need to make it even harder for small business owners to open on 24th Street. If anything, we need to make it easier. Vacant storefronts aren't good for anybody
- ***Reducing safety*** - the area already has a lot of crime. It doesn't feel safe to walk on 24th Street, a street that provides access to BART, at night. Fewer than 1 in 3 storefronts on 24th Street are open past 8pm. Of those that are open at night, 1 in 5 are liquor stores. Vacant storefronts do not improve safety. The types of businesses targeted by Campos' legislation would be open at night and improve lighting in the area
- ***Reducing the utility of 24th Street for all residents*** - The Mission has always enjoyed unparalleled and evolving diversity. Residents need businesses that meet their needs, and business owners need to be allowed meet all residents' needs. Many Inner Mission residents frequent and want more of the types of businesses that will be targeted by Campos' legislation

***Help keep 24th Street open to businesses that can meet everybody's needs. Help keep 24th Street open for business. Vote "no" on Campos' proposal.***

Sincerely,

Matthew R. Schindel

Hello Members of the Land Use Committee,

**I am writing to express to the Land Use Committee my strong opposition to legislation restricting new businesses that Supervisor David Campos will be introducing in the coming weeks.** According to Campos' office, the legislation would aim to prevent new "full service" restaurants and restrict the merging of storefronts in the Inner Mission's 24th Street retail corridor.

This legislation is out of touch with the 24th St Mission neighborhood's needs and would drive further harm to the neighborhood in the following ways:

- **Increasing the number of vacant storefronts.** The vacancy rate is currently greater than 10% and appears to be increasing. Vacant storefronts are not good for anyone – neighbors, tourists, small business owners, etc.
- **Reducing safety.** I often commute in and out of BART, but I do not feel comfortable walking after dark, especially because with the high level of vacancies, I often feel alone. The area needs more businesses that would remain open after 5pm and would make the area more well-lit and, therefore, safer and more inviting.
- **Reducing the utility of 24th Street for all residents** – Just as the 24<sup>th</sup> ST Mission BART area has changed in recent years with a new residents, so, too, have the commercial needs of the neighborhood. I often find that I have to leave the 24<sup>th</sup> St area in order to find the types of restaurants and shops that I'm looking for. There is not sufficient diversity in business offerings and the result is decreased foot traffic, which leads to vacancies, decreased local revenue, unsafe conditions, etc.

**Help keep 24th Street open for business. Vote "no" on Campos' proposal.**

Sincerely,

Cara Delzer

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

(a) General Findings.

(1) The Mayor’s Office, the District 9 Supervisor’s Office, and the public are currently engaged in a planning process to consider amendments to the existing zoning and design controls for this area and a special use district potentially to be created in the future. Such a planning process will consider, among other things, the findings of the Calle 24 Latino Cultural District Report and whether or not to amend the existing zoning and design controls to include preservation of important cultural facilities to certain communities in the Mission, including but not limited to the communities discussed within the Calle 24 (pronounced “Veinticuatro”) Latino Cultural District created by the Board of Supervisors in May 2014 pursuant to Board Resolution No. 168-14.

(2) The proposed special use district will include the properties bounded by the following streets:

- (a) To the north, all lots fronting the southern side of 22nd Street from Mission Street to Potrero Avenue;
- (b) To the east, all lots fronting the western side of Potrero Avenue from 22nd Street to Cesar Chavez Street;
- (c) To the south, all lots fronting the northern side of Cesar Chavez Street, from Potrero Avenue to Capp Street; and

(d) To the west, all lots fronting the western side of Capp Street from Cesar Chavez to 24th Street, then all lots fronting both sides of 24th Street to the eastern side of Bartlett Street, then all lots fronting the western side of Capp Street from 24th Street to 22nd Street.

The proposed SUD shall additionally include the following lots adjacent to the above boundaries: Lots 019D and 046A in Assessor's Block 3637; Lots 005 and 017A in Assessor's Block 6517; Lot 035 in Assessor's Block 6528; and Lot 003A in Assessor's Block 6570.

(3) During the current economic boom cycle, small neighborhood-serving retail, laundromat, and grocery uses in the Mission's neighborhood commercial districts have been particularly susceptible to closure. Certain such closure may affect residents of the Mission, including but not limited to those residents, businesses and other neighborhood stakeholders who are discussed in the Calle 24 Latino Cultural District Report.

(4) In response to these changes and in order to stabilize these small neighborhood-serving businesses while the City and interested residents, businesses and other stakeholders in the Mission have an opportunity to work collaboratively on a community planning process that may result in the designation of a SUD, this Board intends to place a temporary zoning control, also referred to as an interim zoning control, on commercial storefront mergers over a certain size, so that a merger of adjacent existing retail space will require the sponsor of such a proposal to apply for and obtain Planning Commission approval of a conditional use authorization for such a merger pursuant to Planning Code Section 303.

(5) These interim controls are intended to provide stability to the neighborhood during the time that any Planning Code amendments are under development and public review. In developing the controls for the proposed SUD, the Board urges the Planning Department to balance the need for retaining neighborhood-serving retail and service uses with the desire to have a vibrant small business community.

(b) Findings Related to Imposition of an Interim Zoning Controls.

(1) Planning Code Section 306.7 provides for the imposition of interim zoning controls to accomplish several objectives, including preservation of historic and architecturally significant buildings and areas; preservation of residential neighborhoods; preservation of neighborhoods and areas of mixed residential and commercial uses in order to preserve the existing character of such neighborhoods and areas; and development and conservation of the City's commerce and industry to maintain the City's economic vitality, provide its citizens with adequate jobs and business opportunities, and maintain adequate services for its residents, visitors, businesses, and institutions.

(2) These controls are intended and designed to address problems and conditions associated with mergers of small commercial storefronts while a neighborhood planning process is pending so that the City can continue to preserve commercial areas and areas of mixed residential and commercial uses in order to maintain the existing character of such

neighborhoods and areas and develop and conserve the City's commerce for the reasons specified above in Subsection (a).

(3) This Board has considered the impact on the public health, safety, peace, and general welfare if the interim controls proposed herein were not imposed.

(4) This Board has determined that the public interest will be best served by imposition of these interim controls at this time in order to ensure that the legislative scheme that may be ultimately adopted is not undermined during the planning and legislative process for permanent controls, which process shall be conducted within a reasonable time.

(c) Planning Code Section 101.1 Findings.

This interim zoning control advances and is consistent with: Priority Policy 1 in that the controls will preserve and enhance existing neighborhood-serving retail uses and enhance future opportunities for resident employment in and ownership of such businesses; Priority Policy 2 in that the controls will conserve and protect existing neighborhood character in order to preserve the cultural and economic diversity of this neighborhood; and Priority Policy 5 in that the controls will protect against certain types of larger mergers [and commercial office?] that may not maintain a diverse economic base or enhance future opportunities for resident employment and ownership in this sector. With respect to Priority Policies 3, 4, 6, 7, and 8, the Board finds that the interim zoning control does not, at this time, have an effect upon these policies, and thus, will not conflict with said policies.

(d) Environmental Findings. The Planning Department has determined that the actions contemplated in this Ordinance are in compliance with the California Environmental Quality Act (California Public Resources Code sections 21000 et seq.). The Board of Supervisors hereby affirms this determination. A copy of said determination is on file with the Clerk of the Board of Supervisors in File No. \_\_\_\_\_ and incorporated herein by reference.

Section 2. The following interim zoning control shall be adopted as an Urgency Ordinance:

(a) The area that shall be subject to these interim zoning controls is bounded by the following streets:

(1) To the north, all lots fronting the southern side of 22nd Street from Mission Street to Potrero Avenue;

(2) To the east, all lots fronting the western side of Potrero Avenue from 22nd Street to Cesar Chavez Street;

(3) To the south, all lots fronting the northern side of Cesar Chavez Street, from Potrero Avenue to Capp Street; and

(4) To the west, all lots fronting the western side of Capp Street from Cesar Chavez to 24th Street, then all lots fronting both sides of 24th Street to the eastern side of Bartlett Street, then all lots fronting the western side of Capp Street from 24th Street to 22nd Street.

The proposed SUD additionally includes the following lots outside the above

boundaries: Lots 019D and 046A in Assessor's Block 3637; Lots 005 and 017A in Assessor's Block 6517; Lot 035 in Assessor's Block 6528; and Lot 003A in Assessor's Block 6570.

(b) In the proposed SUD, neither the Planning Department nor the Planning Commission shall issue an approval or authorization for any merger of ground floor commercial use space where the merger would result in ground floor commercial use space greater than 799 gross square feet unless the applicant applies for and the Planning Commission grants a conditional use authorization for such merger pursuant to Planning Code Section 303. For all developments which result in the merger of ground floor commercial use space greater than 799 gross square feet, the Planning Commission shall consider the following in place of current subsection (4) of Planning Code Section 303(c): "(4) whether the proposed development displaces or displaced a business of important cultural significance to the community."

(c) The following districts, uses, and projects are exempt from these controls:

(1) Projects subject to a development agreement under Administrative Code Chapter 56 and California Government Code Sections 65864 et seq.;

(2) Projects that have submitted an environmental evaluation case to the Planning Department on or before June 2, 2015; and

(3) Projects that received a Planning Commission approval on or before June 2, 2015.

(d) This interim zoning control shall remain in effect for 45 days unless extended in accordance with California Government Code Section 65858 or permanent controls are adopted to address commercial mergers and new restaurant uses in this area, whichever first occurs.

(e) If application of this ordinance would have the effect of denying approvals needed for development of any multifamily housing portion of a project specified in California Government Code Section 65858(c) and (h), this moratorium shall not apply to that use.

Section 3. Within 25 days of the Board's adoption of this ordinance, the Planning Department shall submit to the Clerk of the Board a written report describing the measures taken to alleviate the conditions that led to the adoption of the ordinance. Upon receipt of the report, the Clerk shall calendar a motion for the full Board to consider and approve said report. Said hearing and the action taken thereon shall be no later than 35 days after this ordinance is effective.

Section 4. Effective Date. This urgency ordinance shall become effective immediately after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance by a 4/5ths vote.

(d) To the west, all lots fronting the western side of Capp Street from Cesar Chavez to 24th Street, then all lots fronting both sides of 24th Street to the eastern side of Bartlett Street, then all lots fronting the western side of Capp Street from 24th Street to 22nd Street.

The proposed SUD shall additionally include the following lots adjacent to the above boundaries: Lots 019D and 046A in Assessor's Block 3637; Lots 005 and 017A in Assessor's Block 6517; Lot 035 in Assessor's Block 6528; and Lot 003A in Assessor's Block 6570.

(3) During the current economic boom cycle, small neighborhood-serving retail, laundromat, and grocery uses in the Mission's neighborhood commercial districts have been particularly susceptible to closure. Certain such closure may affect residents of the Mission, including but not limited to those residents, businesses and other neighborhood stakeholders who are discussed in the Calle 24 Latino Cultural District Report.

(4) In response to these changes and in order to stabilize these small neighborhood-serving businesses while the City and interested residents, businesses and other stakeholders in the Mission have an opportunity to work collaboratively on a community planning process that may result in the designation of a SUD, this Board intends to place a temporary zoning control, also referred to as an interim zoning control, on commercial storefront mergers over a certain size, so that a merger of adjacent existing retail space will require the sponsor of such a proposal to apply for and obtain Planning Commission approval of a conditional use authorization for such a merger pursuant to Planning Code Section 303.

(5) These interim controls are intended to provide stability to the neighborhood during the time that any Planning Code amendments are under development and public review. In developing the controls for the proposed SUD, the Board urges the Planning Department to balance the need for retaining neighborhood-serving retail and service uses with the desire to have a vibrant small business community.

The proposed SUD additionally includes the following lots outside the above:

I am speaking to you on behalf of the Liberty Hill Neighborhood Association. This is an organization of homeowners, renters, and businesses in the nearby Mission community. We strongly support interim controls for the proposed 24th St. cultural district. Interim control is vital to support and protect the commercial spaces that comprise the unique cultural entities that is the Mission.

We urge you to support and protect this special part of the Mission, the future special use district and future Latino Cultural District.

Liberty-Hill neighbors value the diversity that characterizes the streets of the Mission. The heart and soul of this important and vibrant community is 24th street. San Francisco would suffer a huge loss if this unique neighborhood is not preserved and protected.

Many of the community serving businesses that these interim controls will protect provide jobs for our neighbors, friends and families. This is where we go to shop, for services, to eat and drink. This is where we bring out of town visitors.

The arts are a particular source of pride. The Mission murals are a treasure and a unique resource we can all appreciate. They need to be in their proper environment, not in antiseptic, homogenized surroundings. Open 24th proposes to eviscerate any real sense of place, context, and most of all, identity.

The murals and businesses must be surrounded by the community and the culture that created them.

Thank you.

Risa Teitelbaum

**Calle 24 Latino Cultural District**

Dear Supervisors, Planning Commissioners and Mayor Ed Lee,

Please support our efforts to protect our small mom and pop businesses and the historical and cultural aspect they bring to Calle 24 and the Latino Cultural District.

These efforts will help stabilize Calle 24 and the Latino Cultural District by maintaining small retail space that is affordable to everyone. Historically Calle 24 based on its size has small footprints that allows for mom and pop business to thrive and create the beauty and culture that is 24<sup>th</sup>.

We are seeing a trend that merges small retail space or by evicting current small mom and pop merchants for larger higher end restaurants. Help us preserve affordability, small mom and pop businesses and the rich culture that is 24<sup>th</sup>.

**Subject:** 24th St business restrictions / requesting 30-day rule

Hi Malia,

I'm writing in response to the legislation Supervisor Campos announced yesterday which would put a moratorium on retail mergers >799 sqft in the Mission's 24th St retail corridor. Supervisor Breed's office tells me that this legislation will most likely be sent to the land use committee, and that your office is on point for determining when the legislation will be discussed.

**Open 24th has already driven a remarkable amount of community opposition to additional business restrictions in the area. A triple-digit number of residents sent letters to the land-use committee objecting to the concept before Campos even introduced legislation.**

**The public would best be served if a minimum of a 30-day hold was placed on this legislation.** This would allow for adequate time for the public to learn about and respond to this legislation, which would have a material impact on a critical retail corridor for the neighborhood. The area in question is already suffering from double digit vacancy rates and unacceptable levels of crime.

I'd greatly appreciate it if your office could keep me informed about timing and process for this proposal.

Please let me know if you have any questions - I'm happy to discuss live.

Best,  
Brooke

Dear Members of the Land Use Committee:

I'm writing to let you know about Open 24th, an organization I recently founded. Our mission is to drive resident support of and investment in businesses in the Inner Mission's 24th St. retail corridor. **Open 24th is rallying grassroots opposition to upcoming legislation from Supervisor Campos which would create additional restrictions on the types of new businesses allowed to open in the area.**

Even though we only launched a few days ago, Open 24th has already driven over 40 passionate letters from residents throughout San Francisco expressing their strong opposition to additional new business restrictions in the area.

**Open 24th's very strong request is that any business restrictions proposed by Supervisor Campos are subject to the 30-day rule.** This week, Hillary Ronen, one of Campos' legislative aides, told me that the business restrictions would most likely be announced within the next 2 weeks as "interim controls" and would not be subject to the 30-day rule. These sorts of restrictions would be on par with a housing moratorium. They would have a meaningful impact on the neighborhood. As such, it is only fair that the entire community is given appropriate time to learn about and respond to the proposal before a decision is made. To date, very little information has been publicly shared about the specifics of the proposal except on [Calle24's website](#) and in a [San Francisco Business Times article](#).

I know you've received numerous letters explaining why further restrictions on businesses on 24th Street would be unnecessary and harmful. [Open 24th's website](#) also has details. What you may be more interested in at this point is a bit of context. I have lived in SF since 2007, and on 24th Street since 2011. My husband and I are very committed to the neighborhood, and I have a particular passion for supporting small businesses. I specialized in this at eBay, and I was raised by a single mother who ran a small auto insurance agency to provide for me and my brother.

A few months ago, I started investigating ways to better support small businesses in my immediate neighborhood. My initial focus was exploring how resident investment could improve access to capital for new and existing businesses. But as I learned about the business environment in the neighborhood, it became clear that engaging in the legislative process was a "must do." I was frankly quite surprised to learn that further restrictions on new businesses would even be considered for the neighborhood given the number of empty storefronts and the existing conditional use process. As I spoke with others, it became clear that they shared similar concerns and that Calle24's proposals were not representative of the needs or desires of the entire resident or business community. Hence Open 24th's initial focus on organizing grassroots opposition to any additional new business restrictions.

I am hopeful that as a City we can come together to develop creative, practical ways to address the need for more affordable and market-rate housing, and for preserving the art and cultural traditions that are an important part of the Mission's character. But preventing new small businesses from coming into the neighborhood will not help existing businesses. Instead, it will lead to more empty storefronts, fewer jobs, reduced

safety, and unmet resident needs.

I would welcome the opportunity to personally meet with any of you to discuss this important issue. Thank you very much for your attention to this matter, and to your consideration of the request to ensure that any proposed business restrictions are given appropriate time for full community input.

Best,
