July 31, 2018

Board of Supervisors
City and County of San Francisco
City Hall, Room 244
1 Dr. Carlton B Goodlett Pl
San Francisco, CA 94102

President and Members:

On November 10, 2017, the Board of Supervisors ("BOS") passed Resolution 399-17. This resolution urged the SFPD to submit to the BOS a six-month report on the department's progress on preventing and investigating automobile break-ins, bicycle theft and residential burglaries in the City. The following is the inaugural report of the Neighborhood Property Crime Units. The next six-month report will be submitted to the BOS on or before December 31, 2018, and then annually every year thereafter.

This report will provide an overview of the following:

- Neighborhood Property Crime Units
- BOS Recommended Strategies
- SFPD Neighborhood Property Crime Pilot District Stations
- Community Outreach
- Resources Needed
- Data/Metrics stemming from the Departments efforts

SFPD will be available to present and discuss this report, at the Board's request, any time after the August recess.

Respectfully submitted,

WILLIAM SCOTT
Chief of Police

cc: Mayor London Breed
Angela Calvillo, Clerk of the Board

Neighborhood Property Crime Units

The SFPD Neighborhood Property Crime Units serve to strengthen existing structures within the Police Department to combat automobile break-ins, bicycle theft, residential burglaries, and other neighborhood property crime (burglary, larceny-theft, and motor vehicle theft). The goal of these units also includes the following:

- Improve coordination and communication
- Create transparency and accountability data metrics
- Create a centralized General Crimes Unit to support the districts
 - Tackle Residential, Commercial, and Auto Burglaries
 - Network with District Attorney
 - Focus on prolific offenders
- District Station Captains designate a property crime liaison
 - Provide community groups with information on crime strategies, trends, and prevention

BOS Recommended Strategies to Include in the Plan(s)

- Collaboration among District Captains, Staff, and Centralized Units
- Development of neighborhood specific priorities and strategies for property crime reductions
- Reassign officers to increase foot patrols
- Share property crime data with other City Departments and Law Enforcement partners
- Share data with the public

SFPD Neighborhood Property Crime Pilot

- January of 2018 Pilot District Stations: Taraval and Mission
 - SFPD Pilot goal – All 10 district stations follow the lead of Taraval and Mission Stations by the end of 2018
- Crime Strategies Coordinator will join SFPD by the end of 2018 to work with District Station Captains and centralized units
 - Assess and analyze results from Taraval and Mission Pilot program in order to modify tactics

Pilot Station: Taraval

- January 2018: Implemented the Neighborhood Crimes Unit
- Three tiered approach – Enforcement, Education, and Environment
 - Taraval Neighborhood Team (“TNT”), foot beat officers, patrol officers, and public outreach - Park Smart campaign
- Property Crime Liaison
- Targeted areas include: Stonestown Galleria, Park Merced, Irving Street, West Portal Avenue, and Ocean Avenue

- Focused efforts based on peak times/days for the majority of residential and auto burglary hits
- Uniform and Plain Clothes patrols in affected areas
- Educate merchant and neighborhood associations
- Collaborate with the Stonestown Galleria Director of Security
- Officers provided with up to date pin maps and information of theft from vehicle incidents
- Special Operations Bureau deployment support

Pilot Station: Mission

- January 2018: Implemented the Neighborhood Crimes Unit
- Three tiered approach – Enforcement, Education and Environment
- Property Crime Liaison
- Focused efforts based on peak times/days for the majority of residential and auto burglary hits
- Targeted areas include residential areas and retail parking lots
- Increase number of foot beat officers
- Plainclothes officers continue to conduct focused operations
- Bait car/bike operations
- Surveillance team deployment
- Operations involving vehicles without proper DMV issued license plates (paper plates)

Community Outreach

- The Department continues to engage in community outreach efforts and public education campaigns directly and through partnerships including:
 - Park Smart Campaign
 - District Community Police Advisory Boards (CPABs)
 - Local community groups
 - The Ambassador Program
 - SF Safety Awareness for Everyone (SF SAFE)
 - Collaboration with other City agencies to identify and place signage in hot spot areas
 - Evaluate environmental design in neighborhoods to reduce/eliminate potential target areas (Fix it Team)
 - Information provided to the community by District Captains through newsletters to include crime analysis data, offender information, and prevention techniques

Resources Needed to Support the Strategy

Additional resources were requested and approved in this year's budget, allowing for an anticipated increase of SFPD officer staffing by 26 in FY 2018/19 and by 76 in FY 2019/20. With these resources, the Department will make adjustments as trends and analysis dictate. We will continue to assess staffing needs through our Staffing Analysis Task Force and through analysis of data derived from the Neighborhood Property Crime Unit District Station Pilot program.

9 WHEREAS, The Board of Supervisors desires to strengthen existing structures within
10 the Police Department to bolster the Department's efforts to combat automobile break-ins,
11 bicycle theft, residential burglaries, and other neighborhood property crime (burglary, larceny-
12 theft, motor vehicle theft), and to improve coordination and communication among different
13 Police Districts and centralized units of the Department, including but not limited to the Crime
14 Strategies Unit; and

15 WHEREAS, The Board desires to create transparency and accountability data metrics
16 for automobile break-ins, bicycle theft, and other neighborhood property crime and for the
17 Department's efforts to combat such crime; and

18 WHEREAS, Police data show that from 2016 to 2017 automobile break-ins have
19 increased 25% in San Francisco and in some neighborhoods have increased more than 50%;
20 and

21 WHEREAS, Automobile break-ins are often devastating for people who depend on
22 their cars to make a living and care for their families; and

23 WHEREAS, Automobile break-ins and bicycle theft can be detrimental to low income
24 people who often cannot afford to fix a broken window or to buy a new bicycle; and
25

1 WHEREAS, More than an estimated 3,800 bicycles were stolen last year with only 68
2 recovered by SFPD, costing San Franciscans an estimated cost of over \$5 million; and

3 WHEREAS, There was a 70% increase in bicycle theft between 2007-2012; and

4 WHEREAS, Our communities deserve to have these issues dealt with effectively and
5 without delay; and

6 WHEREAS, The Chief of Police has informed the Board that he intends to hire a Crime
7 Strategies Coordinator that will be responsible for monitoring citywide crime trends, tracking,
8 mapping and investigative efforts, which will include addressing Neighborhood Automobile
9 Break-Ins, Bicycle Theft, and Property Crime; and

10 WHEREAS, The Chief of Police has created a centralized General Crimes Unit that will
11 be responsible for investigating residential and commercial burglaries, and auto burglaries
12 involving serial burglars in multi-district neighborhoods; the General Crimes Unit will network
13 with District Station Captains and District staff assigned to focus on automobile break-ins,
14 bicycle theft, and other neighborhood property crimes to develop strategies to identify and
15 apprehend prolific property crime offenders; and

16 WHEREAS, As part of this Citywide coordinated effort, the Chief of Police also intends
17 to deploy officers in each Police District who will focus on proactively and comprehensively
18 preventing, reporting, and investigating automobile break-ins, bicycle theft, and other
19 neighborhood property crime; enforcing laws to deter neighborhood property crime; and assist
20 with responding to 911 and 311 calls for service related to automobile break-ins, bicycle theft,
21 and other neighborhood property crime; and

22 WHEREAS, District Station Captains will assign an officer focused on Automobile
23 Break-ins, Bicycle Theft, and Other Neighborhood Property Crime who will serve as a liaison
24 and coordinate with neighborhood community groups and provide the community with
25 information on crime strategies, trends, prevention and other data on property crime; and

1 WHEREAS, Each District Station Captain will identify an officer who will be responsible
2 for coordinating proactive and comprehensive crime deterrence strategies and assign the
3 investigation of property crimes committed in their respective District boundaries through the
4 use of data-driven, innovative investigative techniques and approaches, such as,
5 neighborhood foot patrols, community education on crime prevention, use of undercover
6 officers, and other appropriate strategies and tactics to prevent and address auto break-ins,
7 bicycle theft, and other property crimes, with each District's efforts; and

8 WHEREAS, District Station Captains will assign an officer focused on automobile
9 break-ins, bicycle theft, and neighborhood property crime issues to serve as the official point
10 of contact for the public and community on the District's property crime issues; and will
11 actively communicate with the Crime Strategies Coordinator, share information with other
12 Districts and with other City departments, at the direction of the District Captain and the Chief
13 of Police to coordinate crime prevention strategies and resources for effective crime
14 prevention efforts on a Citywide basis; and

15 WHEREAS, The Police Department will also support Districts by providing resources
16 from centralized units; and

17 WHEREAS, District Station Captains will assign an officer who will be responsible for
18 coordinating their District's efforts on curtailing and investigating automobile break-ins, bicycle
19 theft, and other neighborhood property crimes whose nature, frequency, or pervasiveness
20 impairs the sense of security and quality of life of those who live or work in affected
21 neighborhoods, including California Penal Code, Sections 459 (Auto Burglary and
22 Residential/Commercial Burglary), 484, 487, and 488 (Theft of Property, including bicycle
23 thefts); now, therefore, be it

24 RESOLVED, That the Board of Supervisors urges the Chief of Police to develop a
25 Comprehensive Plan and to implement a Citywide strategy focused on neighborhood

1 Automobile Break-Ins, Bicycle Theft, and property crime with focused staffing at the District
2 level; and, be it

3 FURTHER RESOLVED, That the Board urges the Chief of Police to include in this Plan
4 a Citywide coordinated effort through the hiring of a Crime Strategies Coordinator and
5 commitment of District Station Captains to assign at least one officer at each Police District
6 station focused on coordinating efforts deterring Automobile Break-ins, Bicycle Theft, and
7 Property crimes; and, be it

8 FURTHER RESOLVED, That the Board urges the Chief of Police to include in the plan
9 strategies for reducing automobile break-ins, bicycle theft, and residential burglaries,
10 including; (1) encouraging full and open communication and collaboration among District
11 Captains and staff focused on neighborhood property crime and community members; (2)
12 development of neighborhood-specific priorities and strategies to reduce automobile break-
13 ins, bicycle theft, and other property crimes; (3) the assignment of officers to foot patrols; (4)
14 ensuring productive communication and coordination among the staff focused on
15 neighborhood property crime in the different Police Districts and centralized units in the
16 Department; (5) sharing property crime data with other City departments, Local, State and
17 Federal law enforcement partners, including, but not limited to the District Attorney's Office;
18 and (6) sharing property crime data with the public online where appropriate and permitted by
19 law; and to recommend initial minimum dedicated staffing levels for District's efforts on
20 addressing automobile break-ins, bicycle theft, and property crime; and, be it

21 FURTHER RESOLVED, That the Board urges the Chief of Police to share this initial
22 Plan and Strategy to the Board of Supervisors within 60 days of this Resolution's passage;
23 and be it

24 FURTHER RESOLVED, That the Board urges the Chief of Police to submit to the
25 Board of Supervisors a six-month report between June 1 and July 1 of next year and a twelve-

1 month report between November 1 and December 1 of next year on the plan's execution;
2 describing the Department's progress on preventing and investigating automobile break-ins,
3 bicycle theft, and other property crime in the City, including data and metrics stemming from
4 the Department's efforts; an, be it

5 FURTHER RESOLVED, That the report should also identify if any further resources or
6 funding are needed to support the plan's success; and, be it

7 FURTHER RESOLVED, That the Board urges the Chief of Police to submit to the
8 Board of Supervisors a report annually every year thereafter; and, be it

9 FURTHER RESOLVED, That the Board commits to dedicating necessary resources
10 and funding to the Chief of Police's comprehensive plan and Citywide Strategy to address
11 automobile break-ins, bicycle theft, and other property crime.
