Application for Boards / Commissions / Committees / Task Forces INSTRUCTIONS AND APPLICATION

San Francisco is a diverse City and County with a wide range of people and issues affecting it. In order to take advantage of the extensive experience and knowledge available throughout our communities, various Boards/Commissions/Committees/Task Forces have been established to bring that knowledge together. These groups and their membership requirements are established by legislation approved through the local, state, and/or federal government.

In addition to setting up the purpose and goals of the various groups, the governing legislation outlines the type of person - in terms of desirable skills and/or knowledge - who can contribute their knowledge and perspective. In this manner, a group of San Franciscans, who are representative of the City and County, can be active participants in addressing issues affecting the entire City and County.

If you are interested in serving the City and County of San Francisco, the following procedures are provided:

1. A list of vacancies and expected vacancies, with their qualifications, can be found at the Office of the Clerk of the Board of Supervisors, at the San Francisco Main Public Library, and online on the Board of Supervisors' website (<http://www.sfbos.org/vacancy>). Please review this list for positions of interest.
2. Submit an application (http://www.sfbos.org/vacancy_application)
(List all of the appropriate seat number(s) and/or category/categories for which you qualify. We request applications be received ten (10) days before the scheduled hearing.)

Applicants may also need to submit a Form 700, Statement of Economic Interests (<https://www.fppc.ca.gov/Form700.html>), along with their application for all bodies listed in [Campaign and Governmental Conduct Code, Section 3.1-103\(a\)\(1\)](#).

3. If the seat(s) you are applying for is vacant and requires the Board of Supervisors' confirmation, the Rules Committee may schedule your application for review. Applicants should expect to appear before the Rules Committee to speak on their qualifications and answer questions during a public hearing.
(There are no set instructions on what you are expected to present to the Rules Committee; however, a brief description of how your qualifications distinguish you from other applicants, reasons for your interest in the subject, and/or a short summarization on why you would make a good candidate is appropriate.)
4. The Rules Committee may or may not make a recommendation for appointment. If a recommendation is made by the Rules Committee, the recommendation is forwarded to the Board of Supervisors for approval. It generally takes approximately 15 days from the date the Rules Committee makes their recommendation, for the individual to become officially appointed.
5. Depending on the type of organization, a new appointee may need to take an Oath of Office.

If there are no vacancies, your application will be retained for one year. If any openings occur during this time, your application will be submitted to the Rules Committee for review.

If you have any further questions, please contact the Rules Committee Clerk at (415) 554-5184. If you require detailed information concerning the operations of a particular Board/Commission/Committee/Task Force, please contact the administering department directly.

(Applications must be submitted to BOS-Appointments@sfgov.org or to the mailing address listed above.)

I am thrilled to submit my application for the San Francisco Entertainment Commission, Seat 1, Neighborhood Representative for a fourth term. As a native San Franciscan, born and raised in this wonderful city, I have a deep appreciation for its diverse communities, neighborhoods, and the rich culture it offers. I currently reside in the Excelsior neighborhood and have been fortunate to have worked in the Mid-Market/Civic Center, South of Market, and Tenderloin areas for almost two decades. I have had the opportunity to experience San Francisco's rich and diverse offerings of entertainment, nightlife, arts, and culture.
As a proud resident of San Francisco, I understand the importance of promoting safe and inclusive experiences; supporting small businesses, nightlife industry, event and festival producers, and legacy institutions that serve the community and the economic diversity of our city. I am committed to diversity, radical inclusion, and building a beloved community through access, awareness, and opportunities for the underrepresented.
I have worked in various capacities in community engagement, civic leadership, and city government, serving on the Entertainment Commission and the Department of Children, Youth and Their Families, as well as in the trenches with SF community-based organizations, such as GLIDE, Filipino American Development Foundation, and SOMA Pilipinas. Throughout my work, I have always maintained a deep cultural sensitivity and a strong commitment to San Francisco's most vulnerable communities.
My experiences have taught me the value of listening to people from all walks of life and how their lives have been transformed by their experience through direct services provided by our community-based organizations. I have had the honor of hearing the stories and truths of program participants, program staff, volunteers, and major funders. These voices and truths have driven my passion and commitment to the important work we do every day, serving the San Francisco community.
In summary, my qualifications represent the diverse communities of San Francisco, including neighborhoods, ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and other relevant demographic qualities. I am committed to ensuring that all communities have access to safe and inclusive experiences and opportunities to thrive. I am committed to serving and advocating for the people of San Francisco, and I am eager to continue serving as the Neighborhood Representative on the San Francisco Entertainment Commission.
