REQUEST FOR ADVANCE WRITTEN DETERMINATION

Under section 3.218 of the San Francisco Campaign and Governmental Conduct Code, each Department, Board, or Commission has adopted a Statement of Incompatible Activities ("SIA") that lists those outside activities that are inconsistent or incompatible with the duties of the officers and employees of the Department, Board, or Commission. Section III.C of the SIA permits an officer or employee to seek an Advance Written Determination whether a proposed outside activity is prohibited because it is inconsistent or otherwise in conflict with the officer's or employee's duties. A written Determination by the Decision-Maker that an activity is not incompatible with the SIA provides the Requestor immunity from any subsequent enforcement action for a violation of the SIA, if the material facts are as presented in the Requestor's written submission. A written Determination does not provide immunity from any other laws that prohibit the proposed activity. An officer or employee may also seek a written opinion from the Ethics Commission to determine whether the person's proposed activities violate the SIA or any other local law relating to conflicts of interest and governmental ethics.

To obtain a written Determination, please fill out Sections A-E legibly and completely, and submit this form to the Decision-Maker identified in Section C. Please note that the Decision-Maker may require you to provide additional information in order to make a Determination. At any time, the Decision-Maker may revoke the Determination, by providing written notice to you specifying the changed facts, circumstances or other good cause that warrants the revocation.

The Written Request

Provide a description of the proposed activity and an explanation of why the activity is not incompatible under the SIA of your Department, Board, or Commission SIA. D. Description of Proposed Activity:

I'm the owner of Boug Cali, a restaurant in the La Cocina Marketplace. I am looking to expand my restaurant to another location and will likely be applying for OEWD grants such as SF Shines, Small Business Accessibility Grant, etc. and seeking assistance from OEWD as I identify a new space. I'm seeking this waiver because my Commission, the Small Business Commission, is part of the Office of Small Business and related to OEWD.

E. Verification

I certify under penalty of perjury that the information provided on this request for Advance Written Determination is true, complete, and correct. I understand that if the Decision-Maker determines that the proposed activity is incompatible, I will not be immune from prosecution from any subsequent enforcement action brought for a violation of the SIA. I further understand that if the Decision-Maker makes a determination that the proposed activity is not incompatible, the Decision-Maker may revoke that Determination at any time based on the changed facts, circumstances, or other good cause, by providing written notice to me.
