Supervisor Matt Haney - Chair
Budget and Appropriations Committee

City Hall - Board of Supervisors
1 Dr. Carlton B. Goodlett Place, Room 244,
San Francisco, CA 94102-4689

Dear Supervisor Haney,

I hope you will support Supervisor Peskin's Chinatown Restaurant Support and Food Security” program. As we all look forward to the \$500 million State relief grants for Small Business. By the time things get sorted out and State figures out the review process or who qualifies to receive any part of these grants. San Francisco Chinatown will lose another legacy business and soon a San Francisco historic tourist attraction will have more boarded up storefronts.

Chinatown restaurants have a huge disadvantage of surviving in this district. Compared to other neighborhoods, families with paychecks are able to work at home or receive unemployment. Ordering Take Out meals for pick up is usually available within minutes of their front door steps.

Chinatown however, residents are of low income, Immigrants Seniors are on fixed incomes and family members are without jobs. Chinatown restaurants on Grant ave and side streets, survive on at least 70% sales to seasonal tourists, 20% locals and 10% from the neighborhood. With tourism plenty much non existent, indoor and outdoor dining shut down, SRO residents unable to buy prepared meals on a regular basis. Food To Go sales from the 20% local San Franciscans is just not enough to break even.

This designated \$1.9 million Chinatown Restaurant Support and Food Security” program is important to this Community. Buying meals from stuggling restaurants and providing food for the residents is a win for both dire situations and very

successful. However, the money has run out for most of these programs. Sam Wo Restaurant is down to only one now.

<https://www.sfchronicle.com/food/amp/Longtime-owner-of-Chinatown-institution-Sam-Wo-15812552.php?fbclid=IwAR3c8xMTNTnDXZioQGIXbi9VR5wNaZxq8boGWDifQb33W-pfG4S8qdQJRcc>

The discouraging attempts of applying and competing for City or State grants have proven to be unreliable and disappointing during the first, and second round funding of PPP and Grants. Many of the immigrant businesses were either delayed getting the final answers or later to be rejected for unexplained reasons. At best, simply saying funds have runned out.

What really saved many Chinatown restaurants from closing were the meal programs funded by the generosity of private non profits in San Francisco and Oakland. Therefore, please support Supervisor Peskin proposed legislation to set aside the \$1.9 million to continue the meal programs. Chinatown restaurants will have a better chance of surviving until Spring when the Vaccine becomes available to the masses.

Thank you for your time and support. Many Chinatown and important Legacy business need your support.

100 Restaurants America Can't Afford to Lose

Just posted by Esquire Magazine. 12/12/2021

Sam Wo (San Francisco, CA): I love the new-school takes on SF Chinatown from chefs like Brandon Jew. But Sam Wo's represents something else, something deeper. The origins are murky but the original restaurant probably sprang up right after the 1906 earthquake. For decades it hosted famous patrons—Bukowski, Ginsberg, Conan O'Brien—along with hungry Bay Area residents, including my family. This is probably why I took my wife on our first date there. Esquire has written, in recent years, that tech money has turned San Francisco restaurants into a reflection of Silicon Valley; there's a lot of technical mastery but the soul is missing. Restaurants like Wo's are more important than ever, serving as a connection to the past, without dipping into schmaltz or nostalgia. — DD

Have a great week.

Hi Linda,

I could not wait until Agenda Item #10 to leave my public comment at today's Budget and Finance Committee meeting.

If this is acceptable, here is my written version of my public comment:

Dear Budget and Finance Committee,

My name is Tiffany Ng. I work at the Chinese Progressive Association. We are a community organization that primarily serves the low-income Chinese immigrant families in SF. I urge you all to approve the \$1.9 million funding initiative to help sustain Chinatown Restaurants and provide food relief for SRO residents. In one of the densest neighborhoods in SF, the meals provided would help reduce COVID19 exposure and alleviate ongoing food insecurity for so many people especially the elders and families with young children.

In the last few months, we've seen so many long standing legacy businesses such as New Asia Restaurant and now Far East Cafe closing. Now we have a chance to pause more closures and provide opportunity to over 60 businesses in Chinatown to feed the community and provide employment to workers. For a long-term just recovery in San Francisco, we need our restaurants to thrive as businesses, community institutions, and employers. Furthermore, we need to continue to strengthen business strategies, protect workers rights and ensure workplace safety and health. Please approve this funding! We need it! Thank you.
