City Librarian
San Francisco Public Library

San Francisco, CA 94102

Dear Luis,

On behalf of our Board of Directors, I am pleased to inform you that Friends of the San Francisco Public Library has approved funding for The Mix at SFPL, the new teen digital media center.

We will provide funding for up to \$480,000 contingent on our ability to raise philanthropic support for The Mix at SFPL. These funds may be used for furniture, equipment or fixtures for The Mix, or other SFPL Main Library improvements associated with The Mix.

The programming developed for The Mix will allow for activities to take place not only at the Main Library but at the 27 branch libraries throughout San Francisco as well as with partnered entities to support critical thinking, inventiveness and skill building for youth important to their preparation for college, the workforce, and citizenship in a democracy in the 21st century. We are excited about the possibilities The Mix will provide.

Thank you for this opportunity to support our city's greatest public assets – our libraries.

Best regards,

Scott C. Staub
