To Whom it May Concern,

I am writing to you in support of Mr. Hanley Chan's application for appointment to the San Francisco Veterans Affairs Commission. I have known Handley for the past sixteen years. First as his instructor at City College of San Francisco and later as a personal friend.

I have always been impressed by Hanley's energy and interest in public service and his very professional attitude in getting things done.

Hanley would make an important addition to the Veterans Affairs Commission not only through his own personal experiences in the military but also due to his compassion and empathy for his fellow citizens.

Therefore, I would highly recommend without any approbation Hanley Chan's appointment to the San Francisco Veterans Affairs Commission.

Please feel free to contact me if you desire any additional information.

Sincerely,

San Francisco Board of Supervisors  
C/O: Rules Committee  
1 Dr. Carlton B. Goodlett Place  
San Francisco, California 94102

Dear Supervisors Safai, Stefani & Yee,

On behalf of Hanley Chan, I wish to express my complete support of his appointment to the San Francisco Veterans Affairs Commission. Mr. Chan and I have worked together over the past several years and based upon that experience I believe he would be an excellent addition to the commission.

We have worked together on several initiatives and projects in San Francisco on behalf of the veterans and military community. Among these projects have been large and small-scale fundraising efforts for our Military Support Fund; a permanent financial resource for military families in need of specialized healthcare services or equipment and Puppies for Patriots; a program providing service dogs to veterans. His ongoing support of our organization and continued services has enabled us to serve more than 50 veterans or military members in the San Francisco Bay Area.

Mr. Chan, is a caring and passionate advocate who like myself, believes that the Veterans Affairs Commission can do so much for San Francisco's veterans community, far beyond its current capacity. It is with gratitude that I and our Board of Director ask that you strongly consider appointing Hanley Chan to this commission. If there are any questions or if you would like more information about the work Mr. Chan has done with our organization, please contact me directly.

All the best,

**Subject:** Letter of Recommendation of Hanley Chan for the Veterans Affairs Commission

Dear Alisa and The Board:

My Name is Johnson Hor. San Francisco is my hometown. I am recommending another San Francisco native - Hanley Chan who I've learned is a fellow Civil Grand Jury past participant as me. He cares for San Francisco and our residents. He understands what it means to serve the community from serving on the Sunshine Ordinance Task Force to being a former Aviation Ordinance man for the US Navy and a Army Tanker for The California National Guard. He would be a good selection to be on the Veteran Affairs Commission as he would be an advocate for those who need assistance and an attentive ear. He was appointed by President Obama to the Selective Service District Appeals Board, was a board member of the American Legion chapter and a life member of the American Legion. I often see him at the Cathay Post events volunteering his time.

Plus, I've known Hanley for well-over a decade. And find him to be trustworthy, and a friend indeed. Thank you for your time. He will serve San Francisco and the veterans who call San Francisco home as well as those who are transient to San Francisco as the gateway to other communities.

**Subject:** Letter or Recommendation for Hanley Chan/San Francisco Commission of Veterans Affairs

Dear SF Board of Supervisors,

I am most pleased to recommend Hanley Chan for appointment to your Commission of Veteran Affairs.

Hanley is a committed resident who continues to serve his City and Community.

As a native San Franciscan, his loyalty and service to San Francisco is longstanding, continuous, and impressive:

- Former Aviation Ordnanceman for US Navy
  - Army Tanker for California National Guard.
  - Sunshine Ordinance Task Force
  - SF Civil Grand Jury
  - Selective Service District Appeals Board, appointed by President Obama
  - Former Board and current Life member of the American Legion
- Llife Member of Disabled American Veteran

Hanley has the experience and background to be a remarkable asset to the Commission. As a Veteran, he knows first hand the challenges and issues facing our Veterans. He has the boots on the ground interacting with Veterans – this perspective is a major plus to the skill set that he would bring to the Commission.

His sincere desire to address and seek answers on homelessness, job training, healthcare, mental health issues, substance abuse, and other Veteran problems is admirable and genuine.

He will make a fine addition to the Commission and I urge you to appoint him with the confidence in knowing that he will serve with distinction and be a valued asset to the Veterans of San Francisco.

Hanley Chan (no relation!) has my highest recommendation!

Sincerely,

Suzanne Lee Chan  
Former Fremont City Council (2008-16)

**RE: Hanley Chan, applicant to SF Veterans Affairs Commission**

To whom it may concern:

I am writing on behalf of San Francisco born and bred Hanley Chan, a dignified and stellar military American veteran who served our nation proudly and valiantly. Mr. Chan has tremendous support in our Northern California communities for his years of public and military service where he served our country as an Aviation Ordnancemen for US Navy and as an Army Tankerman with the California National Guard. Mr. Chan also served on the Sunshine Ordinance Task Force, the San Francisco Civil Grand Jury and was appointed by President Barack Obama to the Selective Service District Appeals Board.

As a current life member of the American Legion, Mr. Chan was also a life member of the Disabled American Veteran organization. As an advocate to curtail homelessness among American Veterans, Mr. Chan will work tirelessly to provide a needed perspective in the Commission. Mr. Chan will contribute his experience to resolve and address many pressing issues and topics that have plagued our veterans, from mental illness to unemployment. I have known Mr. Chan as a fellow community leader and public servant. As a political leader with the Friends of the Filipino American Community and as past president of the Filipino American Democratic Club of San Mateo County, I have seen Mr. Chan extend his helping hand to increase public awareness of the plight of countless veterans and to work for the public causes and leaders who can make a difference in the lives of veterans and the disadvantaged. Mr. Chan has a great heart and a great understanding of our diverse communities. He will work diligently and sincerely for the good of many people.

Sincerely,

Rules Committee Members Safai, Yee, and Stefani,

Please, DO recommend Hanley Chan for the vacant seat on the SF Veterans Affairs Commission.

I am proud to have been asked by Hanley Chan to support his application for the currently vacant seat

I have known him for over a dozen years, from when we both served on the same SF Grand Jury.

Since then, I have encountered him in other of his "good government" activities,

when he served on the Sunshine Ordinance Task Force.

Whenever I brought a complaint to an SOTF hearing,

Hanley was quiet, analytic, prudent, and courteous in questioning

me and other witnesses about a pending complaint.

His varied military service and subsequent continued advocacy on behalf of vets

is another aspect -- and tribute-- to his character and dedication to improving

life for SF's residents and for our local government.

I hope to be present at his swearing-in.

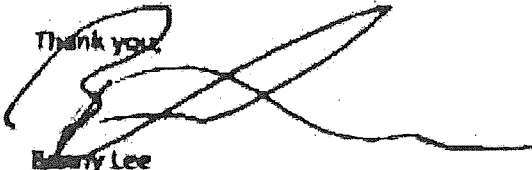

Bob Planthold

Dear Board of Supervisor,

My name is Benny Lee and I am giving my support to Hanley Chan for the San Francisco Veterans Affairs Commission. I believe Mr. Chan has the qualification to be a member of the commission, he is a community leader that goes above and beyond to help others. He has been instrumental in pushing for veteran health care and rights. I've been a San Leandro councilmember for 6 years and never seen a person, so dedicated in helping his community. I believe that Mr. Chan will make a valuable addition to the City and County of San Francisco. If I could be of further assistance, please do not hesitate to contact me at (510) 308-2238 or [blee@sanleandro.org](mailto:blee@sanleandro.org).

Thank you,

Dear San Francisco Board of Supervisor,

I am writing this letter in support of Hanley Chan for the Veterans Affairs Commission, he is a disabled veteran and a community leader. Hanley has demonstrated his leadership by taking initiatives in being a board member of a veteran organization like American Legion and Disabled American Veteran. Hanley is a district appeals board member for the Selective Services System appointed by President Obama. I hope you will consider him for the appointment of Commissioner for the Veterans Affairs Commission. If you have any questions please feel free to contact me.

## VETERANS AFFAIRS SUMMARY

---

I am a United States Army Veteran with 5 years of active duty service, including a deployment to Afghanistan. I am committed to continuing to serve my community in the city and county of San Francisco. I am passionate about helping address the challenges facing transitioning Veterans and their families, including health care, employment, skills translation, and homelessness. As a San Francisco resident, I am active in local charities like the SF-Marin Food Bank, the Community Housing Partnership, Wreaths Across America, and the 9/11 Day of Service. As a Veteran in the technology industry, I am an advocate for Veteran hiring at Facebook and VetsInTech. I would be honored to serve on the Veterans Affairs Commission and have the opportunity to support Veterans in the city and county of San Francisco.

Having served as an officer in the active-duty United States Air Force for four years and the active Reserves for six years; I have a unique perspective of the intersection of civilian and military life. My service included a 10-month tour as part of a Provincial Reconstruction Team in Southern Afghanistan. While deployed, I focused on advising local Afghan officials on how to develop the foundations of a civic society supported by government services.
My time in the military included service alongside individuals from different countries -- Afghans, Romanian, Brits and Germans. Additionally, while in Afghanistan, my experiences included supporting and advising communities rich in diversity of thought, spirituality, identity and disability.
In my current reserve capacity, I serve at the Defense Innovation Unit Experimental (DIUx), located at Moffett Field, CA. In my position as a Business Development and Engagement executive, I interact with Bay Area venture capitalists, technology companies and military servicemembers with the goal of accelerating commercial innovation within the Department of Defense.
These experiences, both domestic and abroad, have shaped my ability to understand, interact with and support multiple different communities, all of which have representation in the City and County of San Francisco.

**Business and/or professional experience:**

Director of Sales, WalkMe Inc.  
- Lead a team of Mid-Market and Enterprise sales reps, delivering training solutions for companies facing digital adoption challenges within their technology stack

Business Development, Defense Innovation Unit Experimental (DIUx) - Department of Defense (Moffett Field, CA)  
- Liase with and develop relationships between venture captial, technology companies, elected officials in D.C., systems integrators and the larger Department of Defense with the goal of accelerating the development of technology for combat use.

Public Relations / Public Affairs, United States Air Force (New Mexico, New York City and Afghanistan)  
- Develop and distribute media products that inform the public about the Air Force's strategic initiatives and efforts in national defense.

**Civic Activities:**

USAF Reserve Officer (Rank: Major (select))

I have lived in the City for over 50 years in various neighborhoods (i.e. Sunset, Marina), attended schools in the City (grammar school, high school, graduate school), raised a family in the City, and worked for over 30 years in the financial district of the City. I have witnessed the changes in neighborhoods, ethnicity, race, and sexual orientation. In addition, I served on active duty in the U.S. Air Force in the Vietnam War era in 1968-1969. Due to these experiences, I feel I am uniquely qualified to serve on the Veterans Affairs Commission.

**Business and/or professional experience:**

1994-2009 ABL Financial - Collateral Auditor for this financial services company specializing in verifying the accuracy of accounts receivable and inventory collateral which secures asset based loans from middle-market lenders.

1978-1993 Crocker Bank, Union Bank, The Pacific Bank - Credit Officer and Commercial Lending Officer for these three commercial banks located in downtown San Francisco. Served as a Credit Officer for all three banks. Developed and managed a middle market loan portfolio consisting of various local companies (i.e. retail/wholesale, manufacturing, service, CPA and legal firms).

**Civic Activities:**

Worked at the Institute on Aging in San Francisco helping elderly people afflicted with Alzheimer's disease.

Worked for VITA (Volunteer Income Tax Assistance) doing tax returns for low income Hispanics.

## Summary

A military veteran with 30 years of experience in Logistics Supportability Engineering; Maintenance, Production, and Quality Control Management; Missile Maintenance and Electronics Engineering Technology within the defense industry. Gained additional experience in Network Systems Administration, Information System Security, and Sales/Marketing. Significant experience in combat systems to subsystems diagnostic analysis, test procedure development, hardware, and software Infrastructure Technical Writing throughout the system life cycle phases and system software used to control electro-mechanical and hydraulic subsystems of wheeled, track and amphibious vehicles diesel engine(s), power-train, turret, and weapon fire control systems.

## Intuitive Skills:

- \* Logic and reasoning to identify strengths and weaknesses of alternative solutions
- \* Conclusions and/or approaches to solving problems

## Training Status:

Volunteering Medical Assistance, Logistical Engineering Pro Bono Consulting

Independent Studies: Mathematics, System Software & Hardware Architecture

## Civilian Career Experience Positions Summary (15 years)

- \* Volunteer San Francisco Veterans Affairs Health Care System (Hours To Date: )
- \* Network Systems Administrator (Intern Heald College)
- \* Farm Manager (Averett Family Farm)
- \* Logistics Engineer (Vehicle; Turret; Weapons Electronics; Diagnostics; Direct-General Dynamics)
- \* Logistics Engineer (Turret; Weapons Electronics; Diagnostics; Contractor-General Dynamics)
- \* Senior Electronics Engineering Technologist (Chandler/May Inc)
- \* Senior Electronics Technology Instructor/Writer (Analytical Services, Inc)

## Military Career Experience Positions Summary (20 years United States Army):

- \* Supervisor, Maintenance (Logistics Management)
  - \* Shop Manager, Maintenance (Logistics Management)
  - \* Section Manager, Electronics Engineering Technologist (Diagnostics)
  - \* Electronics Engineering Technologist (Verification; Test; Diagnostics; Troubleshooting;)
-

## Experience

### **Volunteer - Medical Support Assistant**

April 2017 - Present

Perform backup support and limited certain clinical duties within the mental health administrative office under the direction of the physician's and administrative personal. Duties include scheduling appointments, call back appointment reminders to patients, mail service and maintaining medical records to specific process guidelines.

Successfully applies active listening skills by giving full attention to what other people are saying, taking the time to understand the points being made, asking questions as appropriate, and not interrupting at inappropriate times.

### **Network Systems Administrator (Internship) at Heald College**

September 2013 - April 2015 (1 year 8 months)

As a intern Network Systems Administrator worked for Senior Network Administrator in support of the technology needs for 1,150 local campus students and staff. Our team provided computer and network support for 525 Windows 7 clients on HP hardware, and maintained server infrastructure running Windows Server 2003/2008/2012 & VMware vSphere 5 on Dell PowerEdge and HP boxes. Job tasks included being a member of the IT support team, configuring and managing network switches, and monitoring and updating Active Directory memberships and GPOs. Data was protected through daily backups via Veritas Backup Exec. We managed the local Exchange 2003 e-mail system. I also helped maintained a Cisco VoIP. In addition, I helped with the local Trend OfficeScan antivirus system virus definitions update.

- Successfully removed and installed hardware components (graphics cards, hard drives, RAM)
- Successfully installed/updated and performed administrator tasks in Windows and Linux Operating systems
- Successfully installed operating systems using imaging software on client computers.
- Performed maintenance tasks for system to operate efficiently and corrected various types of faults with the operating systems
- Performed security administration and removed various types of viruses from infected operating systems
- Installed, updated and performed administer tasks for Microsoft Server 2008/2012
- Successfully created basic algorithms in the C programming language
- Successfully created new databases and tables using Microsoft SQL Server 2008/2012
- Collected/summarized data into tangible information from databases & created specific queries
- Performed backup/drop/restore of databases using Microsoft SQL Server 2008/2012

### **Farm Manager**

September 2011 - February 2013 (1 year 6 months)

Provided technical assistance to various computer users. Answered questions and resolved computer problems for clients in person. Provided assistance concerning the use of computer hardware and software, including printing, installation, word processing, electronic mail, and operating systems.

Assisted farm owner with the daily operations of the farm to include directing crop production operations, such as planning, tilling, planting, fertilizing, cultivating, spraying, or harvesting. Set up and operated hay rakes and haybine equipment. Operated tractors, self-propelled machinery cultivate and harvest crops. Maintained farm vehicles, implements, and mechanical equipment. Instrumental in the grinding and mixing of feed to the right mixture for the proper nutritional feeding of the cattle. Distributed feed in the right amount for the feeding of the cattle. Maintained farms facilities, irrigation, fences, and animal shelters. Assisted owner in administrator antibiotics, medicines, nutrients and performing castration of steers prior to resell.

**Logistics Engineer (Vehicle; Turret; Weapons Fire Control; Diagnostics; Technical Writer) at General Dynamics**

February 2007 - July 2011 (4 years 6 months)

- \* Performance logistics support analysis, to include maintenance and diagnostic task development on various land and amphibious combat vehicle projects within General Dynamics Land Systems for Department of Defense and overseas clients.
- \* Performed supportability analysis on turret weapon and fire control station using requirements documents and past technical experience.
- \* Successfully performed Reliability-Centered Maintenance Analysis (RCMA) for combat vehicles and their specific subsystems.
- \* Headed up design Failure Modes and Effects Analysis (FMECA) for the various subsystems of the various combat vehicles in the performance of reliability and maintainability engineering tasks.
- \* Interacted with engineers for Level of Repair Analysis (LORA) and presented findings in a work group meeting for the various subsystems within the combat vehicles
- \* Prepared new repair parts for entry into the DoD supply chain system based upon DoD Acquisition policies, procedure and regulations.
- \* Compiled Logistic Management Information for the development of logistics support plans and LSAR for the various combat vehicle projects

\* Worked with the following types of subsystems and shop replaceable units: power distribution, microprocessors and control electronic circuits, electric drive motors, hydraulic valves and actuators rated at 3,750 Nominal psi and 30,000 intensified psi, NBC Filtration units, Environmental Control units to include air handling/compressor/motor units; CAN BUS; turret weapons and Fire Control electronics and various types of sensors and electric circuits.

• Reviewed Preliminary Design Review technical documents for technical errors needing correction, which was instrumental in Engineering Integrated Product Team's meeting a 96% pass in support of the Integrated Defense Acquisition, Technology, and Logistics Life Cycle Management System Milestone requirements.

**Logistics Engineer (Turret, Weapons Fire Control Systems; Diagnostics Technical Writer; Contracts)**

October 2004 - January 2007 (2 years 4 months)

- Contracted to General Dynamics Expeditionary Fighting Vehicle project to develop diagnostic procedures for the turret weapons fire control system.
- Responsible for the development and authoring of the "Interactive Electronic Technical Manual (IETM)" maintenance and repair tasks for the Mk46 30mm two-man weapon system feed subsystem, and gun control subsystem for the USMC EFV program.
- Responsible for successfully developing and authoring Interactive Electronic Technical Manual (IETM) maintenance and repair tasks for Mk46 30mm turret weapon system platform thermal sensors, optics, gyro, computing, and other hardware.

**Senior Electronics Engineering Technologist**

June 2004 - November 2004 (6 months)

Worked integration of computer networking equipment into unmanned aerial vehicle shelters

**Senior Electronics Technology Instructor/Writer**

November 2002 - June 2004 (1 year 8 months)

- Successfully taught over 1,865 hours of classroom instruction in the areas of basic and advanced electronic circuits to include microwave and radar basic systems.
- Developed lesson plans and training materials using the principles and methods for curriculum and training design, teaching and instruction for individuals and groups.
- Monitored student progress and measured training effect outcomes through various testing and practical methodologies.
- Developed storyboards, video and graphics for Computer Based Training (CBT) program providing instruction on electrical theory and use of general purpose electronic test equipment.

**Supervisor(Maintenance; Production; Quality Control; Logistics Management; Electronics Technology) at US Army**

September 1997 - November 2002 (5 years 3 months)

- Advised Maintenance Officer in determining and administering operational policies, planning maintenance operations and on all matters concerning subordinate personnel.
- Directly managed eight Section Leaders and the combined number of 52 maintenance personnel.
- Coordinated the support maintenance and work flow of the following sections: Production Control and Shop Supply, Quality Control/Quality Assurance, Communications Electronics Repair, Armament Repair, Land Combat Support System (LCSS), Integrated Family of Test Equipment (IFTE), various types of combat vehicles equipped with the TOW II Missile System, Multiple Launch Rocket System (MLRS), and system-associated trainers and test equipment.
- Used military-specific MRP software for inventory control, production control and integrated automation system; continually updated and validated maintenance records.
- Increased/decreased 26,342 lines of shop repair parts based upon demand forecasting and ensured the turn-in of all excess repair parts back to the supply chain, while ensuring they were properly packaged for shipping saving the US Army millions of dollars in the reduction of excess serviceable and unserviceable repair parts on-hand.
- Performed failure-based root cause analysis on subsystems submitted to maintenance shops and their work flow through the maintenance process resulting in improvements developing in the form of engineering change requests.
- Chosen above peers to serve as a chief instructor of training facility successfully managing the class assignments of 22 instructors and 144 students with outstanding results for the United States Military, Department of Defense and foreign national students enrolled in the Missile and Munitions program of instruction.
- Instructor/Technical Writer successfully teaching over 1,700 hours of classroom instruction in the areas of basic and advanced electronic circuits to include microwave and radar basic systems.

**Supervisor (Maintenance, Production, Quality Control, & Logistics Management) at US Army**

August 1991 - September 1997 (6 years 2 months)

Brief description: With its extended range performance, the TOW Weapon System is the long-range precision, heavy anti-tank and assault weapon system of choice for the U.S. Army Stryker, Bradley Fighting

Vehicle, ITAS High-Mobility Multipurpose Wheeled Vehicle and Light Armored Vehicle-Anti-tank platforms. The TOW weapon system will be in service with the U.S. military beyond 2050.

- Reviewed financial reports for Life Cycle Cost Analysis (LCCA) on all Various TOWII Missile System variants within the Division and Regiment.
- Supervised Team Leads for field service teams and shop maintenance technicians in the repair of subsystems submitted to maintenance shop, as well as the training of all subordinates.
- Managed the preparation of records and reports; applies production and quality control principles and procedures to maintenance operations; determines appropriate method for repair or fabrication; plans and organizes work area layout; schedules, assigns, and coordinates work according to the availability and capability of personnel and equipment.
- Enforced safety regulations to ensure a safe working environment for all subordinate technicians and customers.
- Planned and established work schedules, assignments, and production sequences to meet production goals. Inspected materials, products, or equipment to detect defects or malfunctions.
- Performed direct support and general support maintenance and repair on TOWII HMMWV and Bradley turret mounted TOW II Missile Guidance system and launcher to include Night Vision Sights, battery chargers and other types of electro-mechanical equipment.

**Section Manager, Electronics Engineering Technology (Production & Quality Control/Diagnostics) at US Army**

June 1988 - July 1991 (3 years 2 months)

Quality Control/Quality Assurance Inspector

- Inspected incoming system/subsystems for technical compliance with processes for turn-in to the maintenance shop for repair.
- Performed in-process inspections of work being performed by shop technicians in accordance with technical manuals and standards of repair for subsystem line replaceable units, as well as compliance with Department of Defense soldiering standards.
- Performed final inspections on shop repaired subsystems being placed back into the supply system for stockage replenishments and return to customer units, as well as unserviceable repair parts inspections for disposal through return to supply system.

### Shop Team Leader

- Established work loads and subsystem repair priorities; conducted inservice staff training; demonstrated proper maintenance and troubleshooting techniques; recommended maintenance procedures; implemented quality control measures; established and maintained maintenance records and provided technical guidance to subordinate repair technicians in field maintenance teams ranging from several two person teams to five shop personnel.
- Provided technical assistance to customer units performing operator maintenance on a fleet of ground mounted and Bradley Fighting vehicles.
- Installed equipment modifications and troubleshot missile weapon systems at a tier II electronic technician level.

### **Electronics Engineering Technologist (Missile Maintenance Technology; Diagnostics, Logistics) at US Army**

July 1982 - May 1988 (5 years 11 months)

#### Brief Description:

#### Job Tasks/Results:

- \* Performed system verification, test, troubleshooting, repair, modification developmental utilizing diagnostic test equipment on the missile systems fire control, acquisition and targeting guidance computer electronics, control instrumentation, and launcher specific Line Replaceable Units (LRUs), malfunctioning circuit cards to the component level while applying the principles and theories of electro-mechanical operations, pneumatic and hydraulic sub-systems.
- \* Reviewed manufacturing technical manuals, wiring diagrams, schematic drawings, test procedures to inspect, perform diagnostic tests, troubleshoot malfunctioning systems and adjust subsystem components to specified tolerances.
- \* Used various types of oscilloscopes, digital multi-meters, frequency counters, function generators, digital logic probes, calipers, pneumatic and hydraulic test equipment.
- \* Located and replaced malfunctioning components by using repair parts manuals and preparing maintenance/supply forms for the procurement of replacement parts through the DOD supply system.

\* Developed technical reports to assist upper level technical managers development of engineering change requests for further equipment modifications.

\* Provided technical assistance to customer units operators and maintainers.

### PROFESSIONAL EXPERIENCE

#### Director of Development and Community Outreach | VetsinTech San Francisco, CA

2017 – 2018

Established and led comprehensive partnership engagements, community relations, and fundraising plans. Partnered with top regional companies to advance pipelines of employment, educational programs, entrepreneurial networks, and tech-specific resources to 12 nationwide chapters and over 27,000 local military veterans.

- Doubled company earnings by systematically prioritizing development goals, matching stakeholder needs with innovative partnership agreements, and redesigning company annual calendar around strategic benchmarking, philanthropic patterns, and prioritized workflows with targets for the executive team.
- Key participant in formulating strategic communications, including monthly newsletters, press releases, earned media, marketing communications, and talking points for programmatic and public engagements.
- Advised elected officials and staff on policy solutions and legislation related to the employment and training of veterans in tech fields through nontraditional programs, degree certifications, and apprenticeship programs.
- Ensured compliance reports and project deliverables were on time, within scope, and under budget for all federal/state grants and foundation/corporate/individual gifts.

#### Chief of Staff | Office of the Provost and Executive Vice Chancellor University of California, Riverside, CA

2015 – 2017

Partnered with the Provost and Executive Vice Chancellor to oversee the entire academic mission of one of the most diverse major research universities in the country. Served as a member of the senior leadership team and principal advisor, providing executive-level analytical, policy, and strategic support on initiatives affecting 9 major academic colleges/units, over 900 faculty and over 22,000 students, with a budget of over \$800 Million.

- Managed the 16-member Deans' Council agenda, tracked the numerous projects affecting the academic mission of the university, and provided policy recommendations with thorough data-driven approaches.
- Compiled and analyzed system-wide program, performance, and budget metrics to create key performance indicators and develop more effective programs, staff development, and business operating procedures.
- Key participant in formulating the university's internal and external strategic communications in collaboration with the Chancellor's Office and Office of Governmental and Community Relations.
- Oversaw the approval of expenditures for the Provost/EVC immediate office, reporting lines, and the Strategic Investment Fund in conjunction with the Chancellor's Executive Officer.
- Represented the Provost/EVC while making commitments, negotiating politically-sensitive agreements, and issuing contracts/MOUs with staff, faculty, community organizations, and government representatives.
- Advanced relations and campus initiatives with high-profile audiences, including members of Congress, Board of Regents, State legislators, national higher education organizations, and key alumni/development prospects.
- Directed an institutional ethnography and survey of 36 curriculum programs to map gaps/overlap and level of institutionalization across the different constituent populations to increase efficiency of the programs.
- Designed and delivered enterprise system to support a strategic cluster hiring initiative of 300 new faculty members (a 33% increase staggered over 3 years).

**Fellow | School of Social and Political Science  
University of Edinburgh, Edinburgh, UK**

2013 – 2014

Designed and directed a transformative research program across two European country sites. Managed grant budget, university relations, regulatory compliance, contract negotiations, and international research staff.

- Designed the experimental protocol and survey instruments, managed operations between universities, recruited over 2,000 prospective participants, and conducted the research in Edinburgh and Barcelona.
- Collected survey and physiological data (in English, Spanish, and Catalan) while overseeing the assembly, coding, secure storage, and analysis of a data archive with over 1 Million data points.
- Recruited, trained, and managed 14 multidisciplinary research assistants for various aspects of the project.

**Director and Lecturer | Junior Fellows Program and Department of Political Science  
University of Florida, Gainesville, FL**

2009 – 2015

Developed and led a comprehensive fellowship and mentorship program that provided an advanced research curriculum and hands-on training for undergraduate students. Taught several political science courses and earned a PhD while conducting cutting-edge research that led to the publication of several peer-reviewed works.

- Designed, piloted, and ushered curriculum through the various academic and board committees using qualitative and quantitative performance measurements to benchmark progress and develop the program.
- Created system to screen, interview, and match Junior Fellow candidates with supervisors and research projects to ensure a productive professional relationship for undergraduate students (126 students to date).
- Coordinated twelve public-facing workshops, weekly guest speaker series, and capstone event each semester.

**Military Intelligence Officer | United States Army  
Various Locations**

2004 – 2008

Established and implemented post-level policies, managed internal/external strategic communications, and coordinated several Army-wide initiatives that required the management of cross-functional groups.

- Collected, analyzed, and synthesized intelligence data gathered from various samples of US and ally units during battlefield operations to realign US Army combined arms training and develop new US Army doctrine.
- Planned, coordinated, and supervised several high-profile events and major projects, including the logistical move of the US Armor School to the US Maneuver Center of Excellence, the 2007 Armor Warfighter Conference, the first Operations Security (OPSEC) Plan and OPSEC Order.
- Acquired the ability to manage stress and cope with ambiguity in a wide variety of situations while maintaining the operational readiness of a M1A1 Tank Platoon capable of an 18-hour deployment for any worldwide contingency mission.

February 5, 2019

Supervisor Hillary Ronen  
Chair, Rules Committee  
Board of Supervisors  
City and County of San Francisco

Dear Supervisors Ronen, Walton, and Mar:

Thank you for your consideration in reappointing me to the Veterans Affairs Commission. I currently serve as the Commission Vice President, after serving as Secretary and completing a partial Board-appointed term from February 2017 to January 2019. I am one of the few Commissioners who has served as enlisted and officer, for a total of seven years of service, and represent a new era of veterans that desperately need more engagement and organizing in San Francisco – post-9/11 veterans. I bring over two decades of experience as a Military Intelligence officer, as an academic and senior university administrator with a PhD in political science, and public service. During my short tenure in the Commission, I have undertaken a number of projects to better organize, mobilize, and represent veterans in our community:

- Spearheaded logistical and outreach efforts to host the inaugural 9/11 Day of Service in 2018, in collaboration with the Interfaith Council, the Aging and Adult Services Commission, veteran service organizations, the San Francisco Fire Department, and regional nonprofits, to pack nearly 300,000 meals with 9,534 recruited volunteers.
- Organized and hosted the Veterans Mayoral Candidate Forum in May 2018 with the top four mayoral candidates, over 100 influential attendees, and information booths from non-profit service providers, voter education, and the Veterans Affairs Administration.
- Established the Veterans Recognition Initiative with the Mayor's Office of Neighborhood Services in August 2018.
- Organized and led a Veterans and First-Generation Student Resources Forum at City College in January 2018.
- Helped diversify the Commission by recruiting three current members of the Commission – one API, one LGBTQ, and one woman of color.
- Reorganized Commission assignments to streamline communications with the Board of Supervisors and Office of the Mayor in November 2017 and created a designated liaison program for each Supervisor, leading to the more efficient dissemination of the State of the San Francisco Veterans Report and monthly communications.
- Represented veterans and liaised with the Commission as a member of the Geary Community Advisory Committee since 2017, advising the SFMTA staff and project teams on two major projects, totaling over \$300 Million of infrastructural investment, and relaying information on the Geary Rapid Project and the Geary Corridor Improvement Project to the community with a particular focus on neighbors with disabilities and veterans using the 38 and 38R to access the Veterans Affairs Hospital.

- Worked with the Department of Housing and Supportive Services, Veterans Affairs Administration, the Presidio Trust, and veteran-service organizations to get a better understanding of the issues affecting the 27,000 veterans in San Francisco.

Looking forward to 2019, I am currently spearheading efforts to host the first-ever Veterans Affairs Summit with City Departments and local veteran-service organizations, organizing the inaugural Commission retreat this spring, and once again leading the efforts to host the 9/11 Day of Service and the Veterans and First-Generation Student Resources Forum at City College. I also look forward to working more collaboratively with members of the Board of Supervisors on legislation that supports our veterans in the community and ensure that Board has direct access to the Commission in their implementation of policy solutions by strengthening our Board liaison program.

Thank you once again for your time and consideration.

Sincerely,

I was medically retired from the Navy after eight years on active duty, and prior to moving to San Francisco for a job I experienced first-hand the difficulty that some veterans have in transitioning to the civilian workforce. I believe that the experience I gained in navigating medical, career, and financial benefits from the Department of Veterans Affairs would be useful not only to the Commission, but to the San Francisco veterans community as a whole.

My recent transition from active duty service (following five years as a commissioned officer in the United States Air Force) to full-time civilian status has provided me intimate knowledge of the circumstances in front our most recent veterans. While my time in the service leading Airmen has given me direct insight into the challenges faced by the current generation of servicemembers, my experience helping my grandfather (a retired, Vietnam era Air Force Veteran) navigate the cumbersome VA system to gain affordable access to assisted living imparted in me a deep, personal motivation to help do whatever I can to make sure we as a society do whatever we can to fulfill the promises we made to those who wore the uniform. While I am a relatively new San Franciscan, I hope to quickly become an active and deeply engaged member of this city, starting with helping a population of sisters and brothers-in-arms achieve the level of dignity, respect, and service to which they are entitled.

**Business and/or professional experience:**

From December 2013 to November 2018, I served on active duty as an officer in the United States Air Force at Tyndall Air Force Base, Florida and Edwards Air Force Base, California. I had the opportunity to lead teams of over 250 Airmen from diverse backgrounds in aircraft sustainment, logistics, and acquisitions to support our country's servicemembers and strategic objectives. After leaving active duty, I accepted a commission in the California Air National Guard and currently serve in traditional, part time status at Fresno Air National Guard Base. I also serve full time as a public servant for the County of San Mateo, where I am an associate management analyst in the county's Budget, Policy, and Performance Unit.

**Civic Activities:**

I have been a member of Team Rubicon, a veteran-centric emergency response and recovery service organization, for the past year. With TR, I worked with fellow veterans, servicemembers, and non-military volunteers to assist homeowners whose property was destroyed in last year's Southern California wildfires. I also volunteer weekly at the Free Farmstand at Parque de los Ninos in the Mission, where I help serve any and all members of the community by providing fresh, local produce with no preconditions.

## 2017 Gender Analysis of Commissions and Boards: Executive Summary

### Overview

A 2008 City Charter Amendment passed by the voters of San Francisco enacted a city policy that membership of Commissions and Boards reflect the diversity of the population. As part of this measure, the Department on the Status of Women is required to conduct a biennial gender analysis of Commissions and Boards. Data was collected from 57 policy bodies with a total of 540 members primarily appointed by the Mayor and Board of Supervisors.

### Gender Analysis Findings

#### Gender

- Women’s representation on Commissions and Boards in 2017 is 49%, equal to the female population in San Francisco.
- Since 2007 there has been an overall increase of women on Commissions with women comprising 54% of Commissioners in 2017.
- Women’s representation on Boards has declined to 41% this year following a period of steady increases over the past 3 reports.

**Figure 1: 10-Year Comparison of Women’s Representation on Commissions and Boards**

Sources: Department Survey, Mayor's Office, 311.

#### Race and Ethnicity

- While 60% of San Franciscans are people of color, 53% of appointees are racial and ethnic minorities.
- Minority representation on Commissions decreased from 60% in 2015 to 57% in 2017.
- Despite a steady increase of people of color on Boards since 2009, minority representation on Boards, at 47%, remains below parity with the population.
- Asian, Latinx/Hispanic, and multiracial individuals are underrepresented on Commissions and Boards.
- There is a higher representation of White and Black/African American members on policy bodies than in the San Francisco population.

**Figure 2: 8-Year Comparison of Minority Representation on Commissions and Boards**

Sources: Department Survey, Mayor's Office, 311.

**Race and Ethnicity by Gender**

- In San Francisco, 31% of the population are women of color. Although representation of women of color on Commissions reaches parity with the population, only 19% of Board members are women of color.
- Men of color comprise 26% of both Commissioners and Board members compared to 29% of the San Francisco population.
- The representation of White men on policy bodies is 28%, exceeding the 22% of the San Francisco population, while White women are at parity with the population at 19%.
- Underrepresentation of Asian and Latinx/Hispanic individuals is seen among both men and women.
  - One-tenth of Commissioners and Board members are Asian men and 12% are Asian women compared to 16% and 18% of the population, respectively.
  - Latinos are 6% of Commissioners and Board members and Latinas are 4% of Commissioners and Board members compared to 8% and 7% of San Franciscans, respectively.

**Additional Demographics**

- Among Commissioners and Board members, 17% identify as lesbian, gay, bisexual, or transgender (LGBT).
- Individuals with a disability comprise 11% of appointees on policy bodies, just below the 12% of the adult population with a disability in San Francisco.
- Representation of veterans on Commissions and Boards is 13%, exceeding the 4% of San Franciscans that have served in the military.

**Budget**

- Women and women of color, in particular, are underrepresented on the policy bodies with the largest budgets while exceeding or nearing parity on policy bodies with the smallest budgets.
- Minority representation on policy bodies with both the largest and smallest budgets is at least 60%, equal to the population.

## December 2017

## **Acknowledgements**

This report is dedicated in memory of the late Mayor Edwin M. Lee, who made an inclusive San Francisco a priority, including through the appointment of numerous women to public policy bodies throughout the City.

The San Francisco Department on the Status of Women would like to thank the various commission secretaries and department staff who graciously assisted in collecting and providing information about their respective commissions and boards. We also want to thank Francis Tsang, Deputy Chief of Staff for the Office of Mayor Edwin M. Lee, as well as the 311 Information Directory Department ("311") for providing much of the data necessary for the completion of this report.

The data collection and analysis for this report was conducted by Public Policy Fellow Nami Yokogi with support from Workplace Policy and Legislative Director Elizabeth Newman, Associate Director Carol Sacco, and Director Emily Murase, PhD, at the San Francisco Department on the Status of Women.

This document was presented to and adopted by the San Francisco Commission on the Status of Women in December 2017.

## I. Introduction

The central question of this report is whether appointments to public policy bodies of the City and County of San Francisco are reflective of the population at large.

In 1998, San Francisco became the first city in the world to pass a local ordinance reflecting the principles of the United Nations Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW), also known as the "Women's Human Rights Treaty."<sup>1</sup> The Ordinance requires City government to take proactive steps to ensure gender equality and specifies "gender analysis" as a preventive tool to identify and address discrimination.<sup>2</sup> Since 1998, the Department on the Status of Women (Department) has used this tool to analyze operations of 11 City departments.

In 2007, the Department used gender analysis to analyze the number of women appointed to City Commissions, Boards, and Task Forces.<sup>3</sup> Based on these findings, a City Charter Amendment was developed by the Board of Supervisors for the June 2008 election. The Amendment, which voters approved overwhelmingly, made it City policy that:

1. Membership of Commissions and Boards reflect the diversity of the San Francisco population;
2. Appointing officials be urged to support the nomination, appointment, and confirmation of these candidates; and
3. The San Francisco Department on the Status of Women is required to conduct a gender analysis of Commissions and Boards to be published every 2 years.<sup>4</sup>

This 2017 gender analysis assesses the representation of women; racial and ethnic minorities; lesbian, gay, bisexual, and transgender (LGBT) individuals; people with disabilities; and veterans on San Francisco Commissions and Boards appointed by the Mayor and the Board of Supervisors.<sup>5</sup>

<sup>1</sup> While 188 of the 193 member states of the United Nations, including all other industrialized countries, have ratified the Women's Human Rights Treaty, the U.S. has not. President Jimmy Carter signed the treaty in 1980, but it has been languishing in the Senate ever since, due to jurisdictional concerns and other issues. ## II. Methodology and Limitations

This report focuses on City and County of San Francisco Commissions and Boards whose jurisdiction is limited to the City, that have a majority of members appointed by the Mayor and Board of Supervisors, and that are permanent policy bodies.<sup>6</sup> Generally, *Commission* appointments are made by the Mayor and *Board* appointments are made by members of the Board of Supervisors. For some policy bodies, however, the appointments are divided between the Mayor, the Board of Supervisors, and other agencies. *Commissions* tend to be permanent policy bodies that are part of the City Charter and oversee a department or agency. *Boards* are typically policy bodies created legislatively to address specific issues.

The gender analysis in this report reflects data from the Commissions and Boards that provided information to the Department through survey, the Mayor's Office, and the Information Directory Department (311), which collects and disseminates information about City appointments to policy bodies. Based on the list of Commissions and Boards that are reported by 311, data was compiled from 57 policy bodies with a total of 540 appointees. A Commissioner or Board member's gender identity, race/ethnicity, sexual orientation, disability status, and veteran status were among data elements collected on a voluntary basis. In many cases, identities are vastly underreported due to concerns about social stigma and discrimination. Thus, data on lesbian, gay, bisexual, transgender (LGBT) identity, disability, and veteran status of appointees were limited, incomplete, and/or unavailable for many appointees, but included to the extent possible. As the fundamental objective of this report is to surface patterns of underrepresentation, every attempt has been made to reflect accurate and complete information in this report.

For the purposes of comparison in this report, data from the *U.S. Census 2011-2015 American Community Survey 5-Year Estimates* is used to reflect the current San Francisco population. Charts 1 and 2 in the Appendix show these population estimates by race/ethnicity and gender.

---

<sup>6</sup> It is important to note that San Francisco is the only jurisdiction in the State of California that is both a city and a county. Therefore, while in other jurisdictions, the Human Services Commission is typically a county commission that governs services across multiple cities and is composed of members appointed by those cities, the San Francisco case is much simpler. All members of Commissioner and Boards are appointed either by the San Francisco Mayor or the San Francisco County Board of Supervisors which functions as a city council.

### III. San Francisco Population Demographics

An estimated 49% of the population in San Francisco are women and approximately 60% of residents identify as a race or ethnicity other than White. Four in ten San Franciscans are White, one-third are Asian, 15% are Hispanic or Latinx, and 6% are Black or African American.

The racial and ethnic breakdown of San Francisco’s population is shown in the chart below. Note that the percentages do not add up to 100% since individuals may be counted more than once.

Figure 1: San Francisco Population by Race/Ethnicity

Source: 2011-2015 American Community Survey 5-Year Estimates.

A more nuanced view of San Francisco’s population can be seen in the chart below, which shows race and ethnicity by gender. Most racial and ethnic groups have a similar representation of men and women in San Francisco, though there are about 15% more White men than women (22% vs. 19%) and 12% more Asian women than men (18% vs. 16%). Overall, 29% of San Franciscans are men of color and 31% are women of color.

Figure 2: San Francisco Population by Race/Ethnicity and Gender

Source: 2011-2015 American Community Survey 5-Year Estimates.

The U.S. Census and *American Community Survey* do not count the number of individuals who identify as lesbian, gay, bisexual, or transgender (LGBT). However, there are several reputable data sources that estimate San Francisco has one of the highest concentrations of LGBT individuals in the nation. A 2015 Gallup poll found that among employed adults in the San Francisco Metropolitan Area, which includes San Francisco, Alameda, Contra Costa, Marin, and San Mateo counties, 6.2% identify as LGBT, the largest percentage of any populous area in the U.S. The 2010 U.S. Census reported 34,000 same-sex couples in the Bay Area, with an estimated 7,600 male same-sex couples and 2,700 female same-sex couples in the City of San Francisco, approximately 7% of all households. In addition, the Williams Institute at the University of California Los Angeles estimates that 4.6% of Californians identify as LGBT, which is similar across gender (4.6% of males vs. 4.5% of females). The Williams Institute also reported that roughly 92,000 adults ages 18-70 in California, or 0.35% of the population, are transgender. These sources suggest between 5-7% of the San Francisco adult population, or approximately 36,000-50,000 San Franciscans, identify as LGBT.

Women are slightly more likely than men to have one or more disabilities. For women 18 years and older, 12.1% have at least one disability, compared to 11.5% of adult men. Overall, about 12% of adults in San Francisco live with a disability.

Figure 3: San Francisco Adults with a Disability by Gender

Source: 2011-2015 American Community Survey 5-Year Estimates.

In terms of veterans, according to the U.S. Census, 3.6% of the adult population in San Francisco has served in the military. There is a drastic difference by gender. More than 12 times as many men are veterans, at nearly 7% of adult males, than women, with less than 1%.

## IV. Gender Analysis Findings

On the whole, appointees to Commissions and Boards reflect many aspects of the diversity of San Francisco. Among Commissioners and Board members, nearly half are women, more than 50% are people of color, 17% are LGBT, 11% have a disability, and 13% are veterans. However, Board appointees are less diverse than Commission appointees. Below is a summary of key indicators, comparing them between Commissions and Boards. Refer to Appendix II for a complete table of demographics by Commissions and Boards.

Figure 5: Summary Data Comparing Representation on Commissions and Boards, 2017

	Commissions	Boards
<b>Number of Policy Bodies Included</b>	40	17
<b>Filled Seats</b>	350/373 (6% vacant)	190/213 (11% vacant)
<b>Female Appointees</b>	54%	41%
<b>Racial/Ethnic Minority</b>	57%	47%
<b>LGBT</b>	17.5%	17%
<b>With Disability</b>	10%	14%
<b>Veterans</b>	15%	10%

The next sections will present detailed data, compared to previous years, along the key variables of gender, ethnicity, race/ethnicity by gender, sexual orientation, disability, veterans, and policy bodies by budget size.

**A. Gender**

Overall, the percentage of female appointees to City Commissions and Boards is 49%, equal to the female percentage of the San Francisco population. A 10-year comparison of the gender diversity on Commissions and Boards shows that the percentage of female Commissioners has increased over the 10 years since the first gender analysis of Commissions and Boards in 2007. At 54%, the representation of women on Commissions currently exceeds the percentage of women in San Francisco (49%). The percentage of female Board appointees declined 15% from the last gender analysis in 2015. Women make up 41% of Board appointees in 2017, whereas women were 48% of Board members in 2015. A greater number of Boards were included this year than in 2015, which may contribute to the stark difference from the previous report. This dip represents a departure from the previous trend of increasing women’s representation on Boards.

**Figure 6: 10-Year Comparison of Women’s Representation on Commissions and Boards**

Sources: Department Survey, Mayor’s Office, 311.

The next two charts illustrate the Commissions and Boards with the highest and lowest percentage of female appointees in 2017. Data from the two previous gender analyses for these Commissions and Boards is also included for comparison purposes. Of 54 policy bodies with data on gender, roughly one-third (20 Commissions and Boards) have more than 50% representation of women. The greatest women’s representation is found on the Commission on the Status of Women and the Children and Families Commission (First 5) at 100%. The Long Term Care Coordinating Council and the Mayor’s Disability Council also have some of the highest percentages of women, at 78% and 75%, respectively. However, the latter two policy bodies are not included in the chart due to lack of prior data.

Figure 7: Commissions and Boards with Most Women

**Commissions and Boards with Highest Percentage of Women,  
2017 Compared to 2015, 2013**

Sources: Department Survey, Mayor’s Office, 311.

There are 14 Commissions and Boards that have 30% or less women. The lowest percentage is found on the Oversight Board of the Office of Community Investment & Infrastructure where currently none of the five appointees are women. The Urban Forestry Council and the Workforce Investment Board also have some of the lowest percentages of women members at 20% and 26%, respectively, but are not included in the chart below due to lack of prior data.

Figure 8: Commissions and Boards with Least Women

**Commissions and Boards with Lowest Percentage of Women,  
2017 Compared to 2015, 2013**

**B. Ethnicity**

Data on racial and ethnic background were available for 286 Commissioners and 183 Board members. More than half of these appointees identify as people of color. However, representation of people of color on Commissions and Boards falls short of parity with the approximately 60% minority population in San Francisco. In total, 53% of appointees identify as racial and ethnic minorities. The percentage of minority Commissioners decreased from 2015, while the percentage of minority Board members has been steadily increasing since 2009. Yet, communities of color are represented in greater numbers on Commissions, at 57%, than Boards, at 47%, of appointees. Below is the 8-year comparison of minority representation on Commissions and Boards. Data on race and ethnicity were not collected in 2007.

**Figure 9: 8-Year Comparison of Minority Representation on Commissions and Boards**

Sources: Department Survey, Mayor's Office, 311.

The racial and ethnic breakdown of Commissioners and Board members as compared to the San Francisco population is presented in the next two charts. There is a greater number of White and Black/African American Commissioners in comparison to the general population, in contrast to individuals identifying as Asian, Latinx/Hispanic, multiracial, and other races who are underrepresented on Commissions. One-quarter of Commissioners are Asian compared to more than one-third of the population. Similarly, 11% of Commissioners are Latinx compared to 15% of the population.

Figure 10: Race/Ethnicity of Commissioners Compared to San Francisco Population

Sources: Department Survey, Mayor's Office, 311.

A similar pattern emerges for Board appointees. In general, racial and ethnic minorities are underrepresented on Boards, except for the Black/African American population with 16% of Board appointees compared to 6% of the population. White appointees far exceed the White population with more than half of appointees identifying as White compared to about 40% of the population. Meanwhile, there are considerably fewer Board members who identify as Asian, Latinx/Hispanic, multiracial, and other races than in the population. Particularly striking is the underrepresentation of Asians, where 17% of Board members identified as Asian compared to 34% of the population. Additionally, 9% of Board appointees are Latinx compared to 15% of the population.

Figure 11: Race/Ethnicity of Board Members Compared to San Francisco Population

Sources: Department Survey, Mayor's Office, 311.

Of the 37 Commissions with information on ethnicity, more than two-thirds (26 Commissions) have at least 50% of appointees identifying as persons of color and more than half (19 Commissions) reach or exceed parity with the nearly 60% minority population. The Commissions with the highest percentage of minority appointees are shown in the chart below. The Commission on Community Investment and Infrastructure and the Southeast Community Facility Commission both are comprised entirely of people of color. Meanwhile, 86% of Commissioners are minorities on the Juvenile Probation Commission, Immigrant Rights Commission, and Health Commission.

**Figure 12: Commissions with Most Minority Appointees**

Sources: Department Survey, Mayor's Office, 311.

Seven Commissions have fewer than 30% minority appointees, with the lowest percentage of minority appointees being found on the Building Inspection Commission at 14% and the Historic Preservation Commission at 17%. The Commissions with the lowest percentage of minority appointees are shown in the chart below.

Figure 13: Commissions with Least Minority Appointees

Sources: Department Survey, Mayor's Office, 311.

For the 16 Boards with information on race and ethnicity, nine have at least 50% minority appointees. The Local Homeless Coordinating Board has the greatest percentage of members of color with 86%. The Mental Health Board and the Public Utilities Rate Fairness Board also have a large representation of people of color at 69% and 67%, respectively. Meanwhile, seven Boards have a majority of White members, with the lowest representation of people of color on the Oversight Board at 20% minority members, the War Memorial Board of Trustees at 18% minority members, and the Urban Forestry Council with no members of color.

Figure 14: Minority Representation on Boards

Sources: Department Survey, Mayor's Office, 311.

**C. Race/Ethnicity by Gender**

Minorities comprise 57% of Commission appointees and 47% of Board appointees. The total percentage of minority appointees on Commissions and Boards in 2017 is 53% compared to about 60% of the population. There are slightly more women of color on Commissions and Boards at 27% than men of color at 26%. Women of color appointees to Commissions reach parity with the population at 31%, while women of color are 19% of Board members, far from parity with the population. Men of color are 26% of appointees to both Commissions and Boards, below the 29% men of color in the San Francisco population.

**Figure 15: Women and Men of Color on Commissions and Boards**

Sources: Department Survey, Mayor's Office, 311, 2011-2015 American Community Survey 5-Year Estimates.

The next chart illustrates appointees' race and ethnicity by gender. The gender distribution in most racial and ethnic groups on policy bodies is similar to the representation of men and women in minority groups in San Francisco except for the White population. White men represent 22% of San Francisco population, yet 28% of Commission and Board appointees are White men. Meanwhile, White women are at parity with the population at 19%. Women and men of color are underrepresented across all racial and ethnic groups, except for Black/African American appointees. Asian women are 12% of appointees, but 18% of the population. Asian men are 10% of appointees compared to 16% of the population. Latina women are 4% of Commissioners and Board members, yet 7% of the population, while 6% of appointees are Latino men compared to 8% of San Franciscans.

### D. Sexual Orientation

While it is challenging to find accurate counts of the number of lesbian, gay, bisexual, and transgender (LGBT) individuals, a combination of sources, noted in the demographics section, suggests between 4.6% and 7% of the San Francisco population is LGBT. Data on sexual orientation and gender identity was available for 240 Commission appointees and 132 Board appointees. Overall, about 17% of appointees to Commissions and Boards are LGBT. There is a large LGBT representation across both Commissioners and Board members. Three Commissioners identified as transgender.

Figure 17: LGBT Commission and Board Appointees

Sources: Department Survey, Mayor's Office, 311.

**E. Disability.**

An estimated 12% of San Franciscans have a disability. Data on disability was available for 214 Commission appointees and 93 Board appointees. The percentage of Commission and Board appointees with a disability is 11.4% and almost reaches parity with the 11.8% of the adult population in San Francisco that has a disability. There is a much greater representation of people with a disability on Boards at 14% than on Commissions at 10%.

**Figure 18: Commission and Board Appointees with Disabilities**

Sources: Department Survey, Mayor's Office, 311.

## F. Veterans

Veterans are 3.6% of the adult population in San Francisco. Data on military service was available for 176 Commission appointees and 81 Board appointees. Overall, veterans are well represented on Commissions and Boards with 13% of appointees having served in the military. However, there is a large difference in the representation of veterans on Commissions at 15% compared to Boards at 10%. This is likely due to the 17 members of Veterans Affairs Commission of which all members must be veterans.

Figure 19: Commission and Board Appointees with Military Service

### G. Policy Bodies by Budget Size

In addition to data on the appointment of women and minorities to Commissions and Boards, this report examines whether the demographic make-up of policy bodies with the largest budget (which is often proportional to the amount of influence in the City) are representative of the community. On the following page, Figure 19 shows the representation of women, people of color, and women of color on the policy bodies with the largest and smallest budgets.

Though the overall representation of female appointees (49%) is equal to the City's population, Commissions and Boards with the highest female representation have fairly low influence as measured by budget size. Although women's representation on the ten policy bodies with the largest budgets increased from 30% in 2015 to 35% this year, it is still far below parity with the population. The percentage of women on the ten bodies with the smallest budgets grew from 45% in 2015 to 58% in 2017.

With respect to minority representation, the bodies with both the largest and smallest budgets exceed parity with the population. On the ten Commissions and Boards with the largest budgets, 60% of appointees identify as a racial or ethnic minority; meanwhile 66% of appointees identify as a racial or ethnic minority on the ten Commissions and Boards with the smallest budgets. Minority representation on the ten largest budgeted policy bodies was slightly greater in 2015 at 62%, while there was a 21% increase of minority representation on the ten smallest budgeted policy bodies from 52% in 2015.

Percentage of women of color on the policy bodies with the smallest budgets is 30% and almost reaches parity with the population in San Francisco. However, women of color are considerably underrepresented on the ten policy bodies with the largest budgets at 18% compared to 31% of the population.

Sources: Department Survey, Mayor's Office, 311, FY17-18 Annual Appropriation Ordinance, FY17-18 Mayor's Budget Book.

The following two tables present the demographics of the Commissions and Boards overseeing some of the City's largest and smallest budgets.

Of the ten Commissions and Boards that oversee the largest budgets, women make up 35% and women of color are 18% of the appointees. The Commission on Community Investment and Infrastructure is the most diverse with people of color in all appointed seats and women comprising half of the members. The Municipal Transportation Agency (MTA) Board of Directors and Parking Authority Commission has the next largest representation of women with 43%. Four of the ten bodies have less than 30% female appointees. Women of color are near parity on the Police Commission at 29% compared to 31% of the population. Meanwhile, the Public Utilities Commission and Human Services Commission have no women of color.

Overall, the representation of minorities on policy bodies with the largest budgets is equal to that of the minority population in San Francisco at 60% and four of the ten largest budgeted bodies have greater minority representation. Following the Commission on Community Investment and Infrastructure with 100% minority appointees, the Health Commission at 86% minority appointees, the Aging and Adult Services Commission at 80% minority appointees, and the Police Commission with 71% minority appointees have the next highest minority representation. In contrast, the Airport Commission has the lowest minority representation at 20%.

Commissions and Boards with the smallest budgets exceed parity with the population for women’s and minority representation with 58% women and 66% minority appointees and are near parity with 30% women of color appointees compared to 31% of the population. The Long Term Care Coordinating Council has the greatest representation of women at 78%, followed by the Youth Commission at 64%, and the City Hall Preservation Advisory Commission at 60%. Five of the ten smallest budgeted bodies have less than 50% women appointees. The Southeast Community Facility Commission, the Youth Commission, the Housing Authority Commission, and the Public Utilities Rate Fairness Board have more than 30% women of color members.

Of the eight smallest budgeted policy bodies with data on race and ethnicity, more than half have greater representation of racial and ethnic minority and women of color than the population. The Southeast Community Facility Commission has 100% members of color, followed by the Housing Authority Commission at 83%, the Sentencing Commission at 73%, and the Public Utilities Rate Fairness Board at 67% minority appointees. Only the Historic Preservation Commission with 17% minority members, the City Hall Preservation Advisory Commission at 20% minority members, and the Reentry Council with 57% minority members fall below parity with the population.

## V. Conclusion

Per the 2008 Charter Amendment, the Mayor and Board of Supervisors are encouraged to make appointments to Commissions, Boards, and other policy bodies that reflect the diverse population of San Francisco. While state law prohibits public appointments based solely on gender, race and ethnicity, sexual orientation, or disability status, an awareness of these factors is important when appointing individuals to serve on policy bodies, particularly where they may have been historically underrepresented.

Since the first gender analysis of appointees to San Francisco policy bodies in 2007, there has been a steady increase of female appointees. There has also been a greater representation of women on Commissions as compared to Boards. This continued in 2017 with 54% female Commissioners. However, it is concerning that the percentage of female Board members has dropped from 48% in 2015 to 41% in 2017.

People of color represent 60% of the San Francisco population, yet only represent 53% of appointees to San Francisco Commissions and Boards. There is a greater representation of people of color on Commissions than Boards. However, Commissions have fewer appointees identified as ethnic minorities this year, 57%, than the 60% in 2015, while the representation of people of color on Boards increased from 44% in 2015 to 47% in 2017. There is still a disparity between race and ethnicity on public policy bodies and in the population. Especially Asians and Latinx/Hispanic individuals are underrepresented across Commissions and Boards while there is a higher representation of White and Black/African American appointees than in the general population. Women of color are 31% of the population and comprise 31% of Commissioners compared to 19% of Board members. Meanwhile, men of color are 29% of the population and 26% of Commissioners and Board members.

This year there is more data available on sexual orientation, veteran status, and disability than previous gender analyses. The 2017 gender analysis found that there is a relatively high representation of LGBT individuals on the policy bodies for which there was data at 17%. Veterans are also highly represented at 13%, and the representation of people with a disability in policy bodies almost reaches parity with the population with 11.4% compared to 11.8%.

Finally, the policy bodies with larger budgets have a smaller representation of women at 35% while Commissions and Boards with smallest budgets are 58% female appointees. While minority representation exceeds the population on the policy bodies with both the smallest and largest budgets, women of color are considerably underrepresented on the largest budgeted policy bodies at 18% compared to 31% of the population.

This report is intended to inform appointing authorities, including the Mayor and the Board of Supervisors, as they carefully select their designees on key policy bodies of the City & County of San Francisco. In the spirit of the charter amendment that mandated this report, diversity and inclusion should be the hallmark of these important appointments.

**Authority:**

---

Administrative Code, Section 5.100 et seq. (Added by Ord. 449-82, amended by Ordinance Nos. 33-94, 224-94, 97-97, and 245-09).

---

**Board Qualifications:**

---

The Veterans Affairs Commission consists of a total of seventeen (17) members, twelve (12) of whom are appointed by the Board of Supervisors and five (5) of whom are appointed by the Mayor as follows:

- At least three (3) must be women veterans (at least two (2) members shall be appointed by the Board);
- Two (2) members who served in the Armed Forces of the United States and who have a physical disability arising from that service (the Mayor and Board of Supervisors shall each appoint at least one (1) member), in accordance with the definitions applied in such cases by the Veterans' Administration; and
- All members shall reside in the City and County of San Francisco. The Board of Supervisors may only waive this requirement by Ordinance.

The term of each member of the Commission shall be four (4) years; provided, however, that the members first appointed shall, by lot, classify their terms so that three (3) members shall serve a one-year term, four (4) members shall serve a two-year term, four (4) members shall serve a three-year term and four (4) members shall serve a four-year term. On the expiration of these and all successive terms, their successors shall be appointed for a four-year term in a manner similar to that described for the initial members. In the event a vacancy occurs during the term of office of any member, a successor shall be appointed for the unexpired portion of the term of the office vacated in a manner similar to that described for the initial members.

San Francisco  
BOARD OF SUPERVISORS

The Commission shall directly advise the Mayor and the Board of Supervisors on all matters affecting veterans of the Armed Forces of the United States of America, on the problems, interests and needs of veterans who are residents of the City and County of San Francisco and on the coordination of economic development, health care, and social services programs as they relate to veterans who are residents of the City and County of San Francisco.

The Commission shall have the power and duty to:

- Hold hearings and submit recommendations to the Board of Supervisors and the Mayor regarding the problems, interests, and needs of veterans; and
- Make recommendations to the Board of Supervisors and the Mayor concerning the coordination of economic development health care and social services programs as they relate to veterans who are residents of the City and County of San Francisco.

Reports: The Commission shall render an annual written report of its activities to the Board of Supervisors and the Mayor.

Sunset Date: None referenced.
