7a. Grant Source Agency: **California Department of Health Care Services**

b. Grant Pass-Through Agency (if applicable): **N.A.**

8. Proposed Grant Project Summary:

**The Behavioral Health Continuum Infrastructure Program (BHCIP) Round 5 grant will help fund the acquisition of a site at 1660 Mission Street to serve as a comprehensive “one-stop” site for accessing San Francisco Department of Public Health’s (DPH) behavioral health services (BHS) and beginning treatment. As key components, the facility will feature three BHCIP-eligible service types: 1) Behavioral Health Urgent Care, 2) Narcotic Treatment Program (NTP) Medication Unit, and 3) Office-Based Opioid Treatment. These programs will relocate to 1660 Mission from an existing leased site at 1380 Howard Street that is outdated and cannot be expanded to meet the need for these behavioral health services in San Francisco.**

**At 1660 Mission, the behavioral health programs will be co-located with San Francisco City Clinic, a sexual health clinic operated by DPH’s Population Health Division. 1660 Mission is also the possible site for a 24/7 center available for law enforcement to safely transfer individuals intoxicated in public, where they can be monitored, stabilized, and connected to appropriate care.**

**Behavioral health staff at 1660 Mission will provide assessment, initiation of medication treatment, and make referrals to ongoing treatment at BHS’s outpatient, intensive, and residential treatment sites. The site will also include new space for BHS Office of Coordinated Care outreach and case management teams to meet with clients to provide wraparound services, including California Advancing and Innovating Medi-Cal (CalAIM) Enhanced Care Management. This co-location of services will improve care for priority populations, including people who are experiencing homelessness and/or transitioning from hospitalization or jail.**

9. Grant Project Schedule, as allowed in approval documents, or as proposed:

End-Date: **06/30/2027**

10a. Amount budgeted for contractual services: **\$0**

b. Will contractual services be put out to bid? **N.A.**

c. If so, will contract services help to further the goals of the Department’s Local Business Enterprise (LBE) requirements? **N.A.**

d. Is this likely to be a one-time or ongoing request for contracting out? **N.A.**

11a. Does the budget include indirect costs?  Yes  No

b1. If yes, how much? **N.A.**

b2. How was the amount calculated? **N.A.**

c1. If no, why are indirect costs not included?

Not allowed by granting agency

To maximize use of grant funds on direct services

Other (please explain):

c2. If no indirect costs are included, what would have been the indirect costs? **10% of Direct Costs**

12. Any other significant grant requirements or comments:

**We respectfully request for approval to accept and expend these funds from the Date of Execution of the agreement. The Department received the grant on June 23, 2023, for a total of \$10,000,000 for the period starting from the Date of Execution to June 30, 2027.**

**The grant does not require an ASO amendment and does not create net new positions.**

**The California Department of Health Care Services (DHCS) has designated Advocates for Human Potential, Inc. (AHP) as the Third-Party Administrator to administer the grant program and to communicate with Applicant with respect to grant administration in connection with the California Behavioral Health Continuum Infrastructure Program (BHCIP).**

14. The Departmental ADA Coordinator or the Mayor's Office on Disability have reviewed the proposal and concluded that the project as proposed will be in compliance with the Americans with Disabilities Act and all other Federal, State and local disability rights laws and regulations and will allow the full inclusion of persons with disabilities. These requirements include, but are not limited to:

1. Having staff trained in how to provide reasonable modifications in policies, practices and procedures;
2. Having auxiliary aids and services available in a timely manner in order to ensure communication access;
3. Ensuring that any service areas and related facilities open to the public are architecturally accessible and have been inspected and approved by the DPW Access Compliance Officer or the Mayor's Office on Disability Compliance Officers.

If such access would be technically infeasible, this is described in the comments section below:
