DEPARTMENT MISSION

Prioritize public safety by restoring accountability and appropriate consequences to the criminal justice system. The Department believes in responsible reforms, giving offenders the opportunity to address the root causes of their criminal behavior, and developing innovative programs to serve as tools for rehabilitation. SFDA is committed to creating a safer, stronger San Francisco that supports crime victims, survivors, and their loved ones. The office is dedicated to reducing mass incarceration and recidivism, while eliminating racial and class inequities in the criminal justice system.
