- SFCTA Resolution programming the SFCTA's share of LPP formulaic funds to SFPW
- CTC Resolution programming LPP formulaic funds to two SFPW street resurfacing projects

Departmental representative to receive a copy of the adopted resolution:

Name: Rachel Alonso (Rachel.Alonso@sfdpw.org)
Phone: 415.554.4139

Interoffice Mail Address: Public Works, 1155 Market Street, 4th Floor

Certified copy required: Yes No

(Note: certified copies have the seal of the City/County affixed and are occasionally required by funding agencies. In most cases ordinary copies without the seal are sufficient).

Senate Bill 1 Local Partnership Program Formulaic Funds State Grant Funds

Summary

San Francisco Public Works requests authorization to accept and expend \$4,198,000 Senate Bill (SB1) Local Partnership Program (LPP) formulaic funds. Public Works will use available formulaic funding for two street resurfacing projects.

Background

On April 28, 2017, the Governor of California signed the Road Repair and Accountability Act of 2017, also known as Senate Bill 1, a transportation funding package of more than \$50 billion over the next 10 years that increases funding for local streets and roads, multi-modal improvements, and transit operations in California. \$100 million is appropriated annually through the LPP Formulaic Fund program.

San Francisco Public Works worked with the San Francisco County Transportation Authority (SFCTA) to request formulaic funding for Public Works' street resurfacing projects. On January 31, 2018, the California Transportation Commission adopted and programmed \$4,198,000 in FY2017-2018 and FY2018-2019 LPP Formulaic Program funds for two San Francisco Public Works street resurfacing projects. The two projects are:

- **Parkmerced/Twin Peaks/Glen Park Residential Pavement Renovation:** Street resurfacing of 2.8 miles of residential streets (forty-three blocks) in the Parkmerced, Twin Peaks, and Glen Park neighborhoods in San Francisco. The project consists of repairs to the road base, paving work, curb ramp construction, and sidewalk and curb repairs.

- **Alemaney Boulevard Pavement Renovation:** Street resurfacing of 1.3 miles of a key arterial in San Francisco. The project consists of repairs to the road base, paving work, curb ramp construction, and sidewalk and curb repairs.
