LEGISLATIVE DIGEST

[Administrative Code - Domestic Violence Data Reporting]

Ordinance amending the Administrative Code to require the Police Department and the District Attorney to submit monthly reports to the Board of Supervisors regarding the number of cases of domestic violence.

Existing Law

Current City law does not require the Police Department or the District Attorney to submit monthly reports to the Board of Supervisors regarding the number of cases of domestic violence.

Amendments to Current Law

The proposal is an ordinance that would amend the Administrative Code to require the Police Department and the District Attorney to submit monthly reports to the Board of Supervisors regarding the number of cases of domestic violence.

The Police Department would report:

- The number of calls for service for Domestic Violence that the Police Department received from the Department of Emergency Management in the prior month; and
- The number of Domestic Violence cases that the Police Department presented to the District Attorney in the prior month, and of those cases, the number in which a child or children were present and/or a firearm was present.

The District Attorney would report:

- The number of Domestic Violence cases that the District Attorney charged in the prior month, and what charges were filed in those cases; and
- The number of Domestic Violence cases resolved in the prior month, and the outcome of those cases, including disposition by dismissal, diversion, acquittal, conviction, release to another court or agency, or other means.

In addition, the Police Department and the District Attorney would report the same information listed above for the period from September 1, 2019 to September 1, 2021.

The reports would not include any information identifying specific individuals.

Background Information

The Administrative Code requires the Police Department to issue a written report every three months disclosing, among other things, the number of domestic violence incidents reported during the previous quarter.
