I am in full support of the resolution to make SF a sanctuary city for the Transgender et al community!

I am a Licensed Clinical Social Worker who specializes in gender affirming mental health. I have worked clinically with this population since 2008 and have met with thousands of clients for 1:1 psychotherapy, group psychotherapy, and surgery assessments.

SF has been a long-standing leader in gender inclusion. This resolution provides needed protection for the community and those who serve them.

Thank you!

Sandra Hall, LCSW
