1 [Follow-Up Board Response - 2014-2015 Civil Grand Jury Report - CleanPowerSF At Long  
2 Last]

3 **Motion responding to the Civil Grand Jury's request to provide a status update on the**  
4 **Board of Supervisors' response to Recommendation No. 4 contained in the 2014-2015**  
5 **Civil Grand Jury Report, entitled "CleanPowerSF At Long Last."**

6  
7 WHEREAS, The 2014-2015 San Francisco Civil Grand Jury published a report, entitled  
8 "CleanPowerSF At Long Last" (Report) on July 16, 2015; and

9 WHEREAS, The Board of Supervisors' Government Audit and Oversight Committee  
10 (GAO) conducted a public hearing to hear and respond to the Report on October 1, 2015; and

11 WHEREAS, the Board of Supervisors adopted Resolution No. 384-15 reflecting the  
12 GAO responses to the Report on October 6, 2015, a copy of which is on file with the Clerk of  
13 the Board of Supervisors in File No. 150605; and

14 WHEREAS, Recommendation No. 4 states: "That San Francisco Public Utilities  
15 Commission (SFPUC) integrate the GoSolarSF program into CleanPowerSF to take  
16 advantage of their complementary relationship"; and

17 WHEREAS, The Board of Supervisors on October 6, 2015, responded in Resolution  
18 No. 384-15 that Recommendation No. 4 "will be implemented for reasons as follows: As the  
19 SFPUC's response indicates, CleanPowerSF is designed so that "its customers will be able to  
20 access GoSolarSF incentives. [But] the amount of funding CleanPowerSF will contribute to  
21 GoSolarSF has not yet been determined." The Board of Supervisors enthusiastically supports  
22 this integration and though it cannot predict exactly when the effort will be completed, the  
23 Board anticipates it to be one year after the CleanPowerSF rollout in the Spring of 2016, or by  
24 May 2017"; and  
25

1           WHEREAS, the GAO conducted an additional hearing on January 14, 2016, to receive  
2 an update from City departments on Recommendation No. 4; now, therefore, be it

3           MOVED, That Recommendation No. 4 will not be implemented for reasons as follows:  
4 Though the Board of Supervisors enthusiastically supports this effort, and though the relevant  
5 department, the San Francisco Public Utilities Commission, is actively working to implement it,  
6 the restrictive response options imposed by the Civil Grand Jury process prevent the Board  
7 from offering an accurate response. The recommendation involves a multi-year effort being  
8 conducted outside of the Board's direct authority, and there is no response option for that  
9 situation; and, be it

10           FURTHER MOVED, That the Board of Supervisors urges the Mayor to cause the  
11 implementation of accepted recommendation through his/her department heads and through  
12 the development of the annual budget.
