

1 **[Resolution opposing State Senate Bill 792 Tidelines and submerged land: City and**
2 **County of San Francisco: Candlestick Point]**

3
4 **Resolution urging California State Legislators to oppose State Senate Bill 792 Tidelines**
5 **and submerged land: City and County of San Francisco: Candlestick Point which**
6 **would allow the sale of 42 acres of state parkland including parts of the Candlestick**
7 **Point State Park for private development.**

8
9 WHEREAS, It is normal and customary for the Board of Supervisors to provide a
10 resolution for or against State legislation that substantially effects the residents of San
11 Francisco; and

12 WHEREAS, SB 792 is premature and preempts the process for public input and
13 environmental assessment since the Environmental Impact Reports for the proposed
14 development on Candlestick Point and the Hunters Point Shipyard will not be released until
15 the fall of 2009; and

16 WHEREAS, SB 792 is unnecessary because the lead developer in the project has
17 already been given development authority over more than 700 acres at Candlestick Point and
18 the Hunter Point Shipyard; and

19 WHEREAS, SB 792 is fiscally irresponsible and would set a dangerous precedent
20 since the State of California purchased this beautiful waterfront parkland for \$10 million in
21 1977 and this land represents a valuable and irreplaceable asset to the state of California that
22 should not be disposed of for private development; and

23 WHEREAS, SB 792 would be detrimental to Candlestick Point State Park by
24 authorizing the sale of nearly one third of parkland and public open space that is currently
25 used by the residents and families of Bayview Hunters Point; and

SUPERVISOR DALY, AVALOS
BOARD OF SUPERVISORS

1 WHEREAS, We have letters of opposition from members of the community in direct
2 opposition to SB 792 because of the impact of environmental racism caused by selling a
3 clean park to a private developer for condominium construction denying Bayview Hunters
4 Point residents equal access to healthy open space as is enjoyed by other neighborhoods in
5 San Francisco; and

6 WHEREAS, SB 792 adversely affects the residents of Bayview Hunters Point and the
7 City of San Francisco as a whole; now, therefore, be it

8 RESOLVED, That it be the official policy of the City and County of San Francisco to
9 oppose SB 792 in its current form; and, be it

10 RESOLVED, That the Board of Supervisors urges California State Legislators to
11 oppose State SB 792; and, be it

12 RESOLVED That the Board of Supervisors directs the City Clerk to forward this
13 resolution to San Francisco's Sacramento Delegation; and, be it

14 FURTHER RESOLVED Board reminds City lobbyist, Lynn Suter, to accurately
15 represent the City and County of San Francisco policy in Sacramento.
