

RESTATED OPTION AGREEMENT

(MOUNTAIN VIEW WHISMAN/TYRELLA PROPERTY)

This Restated Option Agreement ("**Agreement**"), dated for reference purposes only as of _____, 2013, is made and entered into by and between MV URBAN VILLAGE HOMES, LLC, a California limited liability company ("**Optionee**") and THE CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("**City**"), acting by and through its Public Utilities Commission (the "**SFPUC**").

A. City currently owns certain real property, consisting of approximately 6.4 acres, located between Whisman Road and Tyrella Avenue in the City of Mountain View, Santa Clara County, California, as more particularly described in the attached **Exhibit A** and as shown generally on the map attached as **Exhibit A-1** (the "**Property**").

B. The SFPUC issued a Request for Qualifications and Proposals prepared by the SFPUC and dated February 13, 2004, as amended, by the First Second, Third, Fourth, Fifth, and Sixth Amendments (collectively the "**RFQ/P**"). Optionee's predecessor-in-interest, MasterDevCo, submitted proposals in response to the RFQ/P. Optionee covenants that it has read the RFQ/P and agrees to strictly abide by all of its terms and conditions which are incorporated herein by this reference; provided, in the event of any conflict between the terms of this RFQ/P and this Agreement, the terms of this Agreement shall prevail.

C. Pursuant to the RFQ/P and SFPUC Resolution No. _____, SFPUC and KMJ Urban Communities, LLC, a California limited liability company ("**KMJ**") entered into the Option Agreement dated November 15, 2005, approved by the Board of Supervisors, pursuant to Resolution No. _____, adopted on _____, as amended by the First Amendment to Option Agreement dated July 12, 2007, the Second Amendment to Option Agreement dated January 26, 2009, the Third Amendment to Option Agreement dated June 15, 2009, the Fourth Amendment to Option Agreement dated November 6, 2009, the Fifth Amendment to Option Agreement dated March 8, 2010, and the Sixth Amendment to Option Agreement dated May 15, 2010, (collectively, as amended, the "**Former Option Agreement**") providing for KMJ's option to purchase the Property (as more particularly described in the Former Option Agreement).

D. Pursuant to the Former Option Agreement, (i) KMJ agreed to pay City Eight Million One Hundred Thousand Dollars (\$8,100,000) as the purchase price for the Property, (ii) KMJ paid City the aggregate sum of Six Hundred Thousand Dollars (\$600,000) as a non-refundable deposit to be applied against the purchase price for the Property, and (iii) KMJ had until December 30, 2010 to (a) pay City the additional sum of One Hundred Fifty Thousand Dollars (\$150,000) due as a further non-refundable deposit to be applied against the purchase price for the Property and (b) to exercise its option to purchase the Property. Although, prior to December 30, 2010, City and KMJ engaged in negotiations regarding a further extension of the option exercise date and the date upon which Optionee was to pay City additional amounts as further non-refundable deposits against the total purchase price, City and KMJ reached no further agreement and, accordingly, the Former Option Agreement expired by its terms on December 30, 2010.

E. Since the termination of the Former Option Agreement, KMJ and Summerhill Homes, LLC, a California limited liability company, formed Optionee to demonstrate to City that KMJ has sufficient financial resources to satisfy Optionee's obligations arising under this Agreement, and such other purposes specified in agreement(s) to which the City is not a party. Accordingly, Optionee desires to enter into this Agreement to grant Optionee an option purchase the Property from City, and City is willing to grant Optionee such option, on the terms and conditions set forth herein.

(a) Property Included in Option. Subject to and in accordance with the terms, covenants, and conditions set forth herein, City hereby grants to Optionee, as of the Approval Date, and Optionee hereby accepts from City, an option to purchase the Property (the "**Option**"). Additionally, in accordance with the terms of the Easement Agreement, City shall

reserve an easement over the Property necessary to access the Easement Area (as defined in **Paragraph 18(a)** below) and shall reserve the right to install, inspect, use, maintain, construct, improve, alter, expand, operate, remove, and replace water pipelines, drainage pipelines, hatch covers, wells, and other surface and subsurface utility facilities, together with all appurtenances thereto (together, the “**SFPUC Facilities**”), in, under, on, or about the Easement Area for the transportation or distribution of water and other utilities.

(b) **Option Consideration.** Pursuant to the Former Option Agreement, Optionee has deposited with City the sum of Six Hundred Thousand Dollars (\$600,000) (the “**Former Deposit**”). Upon the occurrence of the Approval Date (defined below), Optionee shall be obligated to pay to City the additional sum of Three Hundred Thousand Dollars (\$300,000) (the “**Renewal Deposit**”), which shall be paid within thirty (30) days of the Approval Date. Upon receipt of the Renewal Deposit sum, City shall hold the total amount of Nine Hundred Thousand Dollars (\$900,000) as nonrefundable consideration for the Option (the “**Option Consideration**”). Upon the Closing Date, if any, the Option Consideration shall be applied to the Purchase Price, as defined in **Paragraph 3** below. Subject to the following sentence, if Optionee does not exercise the Option by the Option Exercise Deadline (as defined in **Paragraph 2(c)** below, then City shall keep the Option Consideration, and this Agreement shall terminate. City will refund the sum of One Hundred Fifty Thousand Dollars (\$150,000) of the Renewal Deposit only, however, plus any amounts due and owing to the Title Company relating to this transaction, in the event that (i) Optionee terminates this Agreement pursuant to the terms of **Paragraph 7** (in which case, notwithstanding anything to the contrary in this Agreement, if Optionee has not yet paid City the Renewal Deposit, Optionee may instead pay City the sum of One Hundred Fifty Thousand Dollars (\$150,000), with no obligation to pay the remainder of the Renewal Deposit to the City); or (ii) the Closing does not occur on or before the Closing Date because of City’s default under this Agreement. The date upon which City executes and delivers this Agreement to Optionee after the approval by the San Francisco Board of Supervisors and the Mayor of San Francisco of this Agreement and the Easement Agreement is hereby called the “**Approval Date.**” The “**Execution Date**” is the date on which Optionee duly executes and delivers this Agreement to City for its approval as required by applicable law.

(c) **Exercise of Option.** Optionee may exercise the Option, if at all, by giving written notice to City of the exercise of the Option (the “**Option Notice**”) no earlier than the Approval Date, and no later than 5:00 p.m. local time in San Francisco on the date that is eighteen (18) months after the Approval Date (the “**Option Exercise Deadline**”), unless otherwise extended pursuant to the terms hereof. The Option Consideration shall be applied to the Purchase Price at the Closing. If Optionee fails to exercise the Option before the Option Exercise Deadline, or if Optionee terminates this Agreement pursuant to the terms of **Paragraph 7** below, the Option shall terminate and be of no further force or effect. Time is of the essence with respect to the date of delivery for the Option Notice and all other dates relative to the Option, and failure to exercise by such date and time shall absolutely and finally terminate the Option.

(d) **Extension of Exercise Right.** Notwithstanding any other provisions hereof, Optionee may elect to extend the Option Exercise Deadline by an additional six (6) months (“**Extended Option Exercise Deadline**”) by delivering written notice of such election (the “**Extension Notice**”) to City and making an additional nonrefundable payment to City of

One Hundred Fifty Thousand Dollars (\$150,000) (the "**Option Extension Consideration**") not later than thirty (30) days prior to the originally scheduled Option Exercise Deadline. The Option Extension Consideration shall also be applied against the Purchase Price at the Closing.

(e) **Effectiveness of Option Notice.** The Option Notice shall only be effective if: (i) Optionee is not in breach of this Agreement at the time of the giving of such Option Notice and (ii) the Option Notice and, if applicable, the Extension Notice and the Option Extension Consideration, are delivered to the Real Estate Director of the SFPUC on or before the respective dates and times set forth above with respect to each such instrument or payment, at the address set forth below for the delivery of notices. Upon valid exercise of the Option, there shall be no conditions precedent to Optionee's obligation to purchase the Property pursuant to the terms set forth in this Agreement.

3. **Purchase Price.**

(a) The purchase price for the Property shall be the amount set forth in **Paragraph 1** above (the "**Purchase Price**"). The Purchase Price shall be payable by Optionee to City as follows:

(i) Optionee has submitted to City one (1) or more certified or cashiers checks, payable to City, in the aggregate total amount of the Renewal Deposit. Thereafter, City shall hold the Former Deposit and the Renewal Deposit as the Option Consideration for its own account. City shall have no obligation to invest the Option Consideration in any manner, and there shall be no interest accrued or payable with respect to the Option Consideration whether at Closing or upon any return of the Option Consideration pursuant to **Paragraph 2(b) (i) –(iii)** above. Upon Closing, if any, the Option Consideration, and the Option Extension Consideration, if any, without interest, shall be credited toward the portion of the Purchase Price payable at Closing.

(ii) Optionee shall deliver the balance of the Purchase Price, excluding the Option Consideration and the Option Extension Consideration, if any, payable to City at Closing into escrow with the title company identified in **Paragraph 1** [Basic Terms] above (the "**Title Company**") on or before the Closing Date, as defined in **Paragraph 11** [Close of Escrow] below.

4. **Condition Precedent.** It shall not be a condition precedent to the exercise of the Option or to the Closing that Optionee obtain any development rights for the Property. Optionee has entered into this Agreement with the understanding that it shall negotiate with the City of Mountain View and any other relevant governmental entity whose consent is necessary for Optionee to acquire any development rights that it desires, and that this negotiation may occur before or after the exercise of the Option and the Closing Date. During the term of the Option, to the extent that the current record owner of the Property is required to consent to a request or application for any entitlements for the Property sought by Optionee and within ten (10) days of Optionee's written request therefor, City shall provide written authorization on City's letterhead for Optionee to apply for and obtain such entitlements with respect to the Property that may be reasonably required by the City of Mountain View in connection therewith. Further, the parties acknowledge that the City of Mountain View may require its own environmental review of any

proposed plans to use or develop the Property. Notwithstanding the foregoing, City's obligation to authorize Optionee to apply for entitlements for the Property shall not require City to incur any risk, legal or other liabilities, or any costs or expenses of any kind, permit any work to commence on the Property (except as authorized pursuant to the Permit), or to agree to any mitigation measures that may affect other City property in connection therewith. City has no regulatory approval authority for any subsequent use of the Property and the Property shall be conveyed in its "AS-IS" condition without express or implied representation or warranty of any kind, provided however, nothing in this Paragraph 4 will affect or detract from, or diminish the reasonableness of Optionee's reliance on, the City's representations and warranties set forth in **Paragraph 16(b)** of this Agreement.

5. Title.

(a) Upon valid exercise of the Option, payment of the portion of the Purchase Price payable at Closing, and the performance of Optionee's other obligations according to the terms hereof, City shall convey its right, title, and interest in and to the Property to Optionee by quitclaim deed in the form attached hereto as **Exhibit B** (the "**Deed**"). Title to the Property shall be subject to (a) nondelinquent liens of local real estate taxes and assessments, (b) all existing exceptions and encumbrances, whether or not disclosed by a current preliminary title report or the public records or any other documents discoverable or reviewed by Optionee, and any other exceptions to title which would be disclosed by an accurate and thorough investigation, survey, or inspection of the Property, (c) all items of which Optionee has actual or constructive notice or knowledge as of the Close of Escrow, (d) the reservation of easement described in **Section 18** [Use Agreements] attached hereto, and (e) the exceptions set forth in **Exhibit C** (the "**Permitted Title Exceptions**") attached hereto. City shall convey title to the Property to Optionee in the name of the entity identified in **Paragraph 1** [Basic Terms] above. Without limiting the foregoing, Optionee acknowledges that prior to the date of this Agreement, City has made available for inspection by Optionee, without warranty, and Optionee has had the opportunity to conduct an independent review of Chicago Title Company, preliminary title report number 12-98020330-MC dated March 18, 2012, together with all subsequent amendments thereto, including the report dated May 18, 2012 and the report dated February 13, 2013. Notwithstanding any provisions herein to the contrary, all of City's right, title, and interest in and to all SFPUC Facilities (as defined in the Easement Agreement) shall remain with City and are specifically excluded from the Option and any conveyance described herein or contemplated hereby.

(b) Optionee understands and agrees that the right, title, and interest in the Property to be transferred to Optionee shall not exceed that vested in City and that City is under no obligation to furnish any policy of title insurance in connection with this transaction. Optionee recognizes that any fence or other physical or natural monument of the Property's boundary lines may not correspond to the legal description of the Property. City shall not be responsible for any inaccuracies in the legal descriptions, any discrepancies in the parcel area or location of the property lines, or any other matters that an accurate survey or inspection might reveal. It is Optionee's sole responsibility to obtain a survey and policy of title insurance, if desired, and to record the Deed on the Closing Date in the official records of the County in which the Property is situated. Notwithstanding the foregoing,

(i) City represents that, to its actual knowledge, the Property is and, at Closing, will be free of the liens of any and all mechanics' and materialmen's liens, judgment liens, deeds of trust, mortgages, assignments of rents, financing statements, creditors' claims, rights of tenants, or other occupants (collectively, "**Monetary Liens**"); and

(ii) subject to the termination of this Agreement, and except as deemed necessary by City to protect its interest in the Property or to access, inspect, install, use, maintain, construct, improve, alter, expand, operate, remove, and replace City's SFPUC Facilities on the Property, City shall make no changes to the Property, including title thereto, from and after the expiration of the Due Diligence Period, to and through the Closing, without obtaining Optionee's prior written consent, and further, City covenants that it shall not without Optionee's prior written consent, voluntarily permit the recording of any liens or encumbrances on the Property that cannot reasonably be removed before the Closing (and in the event of such recording, shall cause such liens or encumbrances to be removed from title prior to the Closing). At Closing, City shall pay off and remove from title all Monetary Liens. Permitted Title Exceptions exclude Monetary Liens (save and except only for nondelinquent liens of real estate taxes and assessments).

(c) Within five (5) business days after the Execution Date, Optionee shall order a preliminary title report for City covering the Property, at Optionee's cost, and as a precondition to the Closing, must provide evidence to City of title insurance coverage for City's retained easement rights evidenced by the commitment of the Title Company to issue to City at Closing, and at the cost of Optionee, an ALTA Extended Coverage Owner's Form 2006 policy of title insurance in a form reasonably acceptable to City (the "**Title Policy**") in the amount of One Million Five Hundred Thousand Dollars (\$1,500,000), insuring City's rights of access to and use of the Easement Area free of the liens of any and all deeds of trust, mortgages, assignments of rents, financing statements, creditors' claims, rights of tenants, or other occupants, and all other exceptions, liens, and encumbrances except solely for (i) the lien of real property taxes, not yet due or payable, provided City shall be shown as exempt from such taxes in the Title Policy; (ii) the Easement Agreement; and (iii) any exceptions identified in the preliminary title report ordered for and delivered to City by Optionee after the Execution Date as described above approved by City on or before the end of the Due Diligence Period. The Title Policy shall provide full coverage against mechanics' and materialmen's liens arising out of the construction, repair or alteration of any of the Easement Area, shall not contain any exclusion from coverage for creditor's rights or bankruptcy, and shall contain an affirmative endorsement that there are no violations of restrictive covenants, if any, affecting the Easement Area and such special endorsements as City may reasonably request. The Title Policy shall also provide for reinsurance with direct access with such companies and in such amounts as City may reasonably request.

(d) From and after the Closing, City's rights and title to use and enjoy the Easement Area pursuant to the Easement Agreement as stated in **Paragraph 18(a)** shall unconditionally be and remain at all times a servitude on the Property prior and superior in right and interest to all other liens, charges, or interests of any party that may be recorded by or on behalf of Optionee, including, without limitation, the lien of any deed of trust, mortgage, or other

lien or encumbrance of any kind (collectively, "**Junior Liens**") other than the Permitted Title Exceptions. In the event that any Junior Lien in favor of any lender of, investor in, or creditor or contractor of Optionee is recorded before the Easement Agreement is recorded, Optionee or its successor in interest shall either (i) immediately cause such Junior Lien to be discharged and removed from title with respect to the Property or (ii) cause the holder or beneficiary of such Junior Lien to promptly execute and deliver to City for recording an agreement reasonably acceptable to City and the holder or beneficiary of such Junior Lien and in a reasonably recordable form subordinating such Junior Lien to the Easement Agreement.

6. **Reserved.**

7. **Due Diligence.**

(a) Optionee shall have a period of thirty (30) days commencing on the effective date of the Permit (defined below) to be issued by City to Optionee and thirty (30) days following the Approval Date (the "**Due Diligence Period**") in which to investigate each and every aspect of the Property, including, without limitation, the physical condition of the Property, including the soils condition and the presence or absence of any Hazardous Materials in, on, under, or about the Property (the "**Environmental Condition**"). At his option, and at his sole and absolute discretion, the General Manager of the SFPUC may extend the Due Diligence Period upon Optionee's written request supported by evidence satisfactory to the General Manager of the SFPUC that such extension is warranted and is in City's best interest. Optionee expects to conduct a title survey during the Due Diligence Period. If such title survey discloses that (i) the location of easements identified in the existing preliminary report for the Property or in other Disclosure Material are significantly different than described in the preliminary report, underlying recorded documents, and in the other Disclosure Materials, and such difference; (ii) would not have been anticipated by a prudent developer; (iii) would prevent a commercially reasonable developer with experience developing real property in the Bay Area from developing the Property as proposed by Optionee; and (iv) causes Optionee to terminate this Agreement, then such discovery shall constitute a material undisclosed condition relative to the Property for purposes of this **Paragraph 7**. As used in this Agreement, "**Hazardous Material**" shall mean any material that, because of its quantity, concentration, or physical or chemical characteristics, is deemed by any federal, state, or local governmental authority to pose a present or potential hazard to human health or safety or to the environment, and that may require remedial action by way of an abatement or clean-up order from an governmental or quasi-governmental entity with jurisdiction. Hazardous Material includes, without limitation, any material or substance defined as a "hazardous substance," or "pollutant" or "contaminant" under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("**CERCLA**", also commonly known as the "Superfund" law), as amended, (42 U.S.C. Sections 9601 *et seq.*), or under Section 25281 of the California Health & Safety Code; any "hazardous waste" as defined in Section 25117 or listed under Section 25140 of the California Health & Safety Code; and petroleum, including crude oil or any fraction, and natural gas or natural gas liquids.

(b) In connection with any entry by Optionee or its Agents (as defined in **Paragraph 19(e)** [Parties and Their Agents] below) onto the Property, Optionee shall minimize, to the extent possible, interference with uses being made of the Property and otherwise in a manner and on terms and conditions acceptable to City. All entries by Optionee or its Agents

onto the Property to perform any investigations on the Property shall be made only pursuant to the terms and conditions of a permit to enter in the form of **Exhibit E** attached hereto (the "**Permit**"), which, if not previously granted, shall be executed and delivered by the parties on or promptly after the Execution Date.

(c) Without limiting the foregoing, prior to any entry to perform any on-site testing, Optionee shall give City written notice thereof, including the identity of the company or persons who will perform such testing, the precise time and location of the testing, and the proposed scope of the testing. City acknowledges that Optionee likely will seek to conduct a "Preliminary Environmental Assessment" of the Property and that Optionee may provide a single notice including all anticipated elements of such testing. City shall have the right, at its reasonable discretion, to limit or condition the proposed testing to that which is reasonable and customary by written notice to Optionee within ten (10) business days after City's receipt of Optionee's notice. If City does not approve, either with or without limitations or conditions, any request within such ten (10) business days after City's receipt of Optionee's notice, then the Due Diligence Period shall be extended, on a day-for-day basis, for each day of delay after such ten (10) business day period caused by City's delay in such approval. The approved scope of work will be attached as an exhibit to the Permit. If Optionee or its Agents take any sample from the Property in connection with any approved testing, Optionee shall, upon request, provide to City a portion of such sample being tested to allow City to perform its own testing. City or its representative may be present to observe any testing or other inspection performed on the Property. Optionee shall promptly deliver to City copies of any reports (including drafts) relating to any testing or other inspection on the Property performed by Optionee or its Agents, but shall not deliver copies of any such reports to any other person or entity, unless required by applicable law or court order, without Optionee's prior, written approval. Optionee shall keep all test results and information strictly confidential, and shall indemnify, reimburse, defend and hold City harmless from and against any loss, cost, expense, or damage resulting from Optionee's failure to keep any information obtained from an inspection or testing of the Property strictly confidential; provided, however, Optionee shall not be liable if and to the extent Optionee's disclosure of such information is required by applicable law or a court order.

(d) Notwithstanding anything in this Paragraph 7 to the contrary, Optionee can elect to terminate this Agreement, for any or no reason, at any time on or before expiration of the Due Diligence Period, by delivering a written termination notice to City. If Optionee elects to terminate this Agreement within the Due Diligence Period following its investigation, then Optionee shall, on or before the expiration of the Due Diligence Period, deliver to City a written notice that Optionee is terminating this Agreement (the "**Due Diligence Termination Notice**"). If at the end of the Due Diligence Period, Optionee fails to give City a written notice accepting the condition of the Property, including the Environmental Condition, then Optionee shall be deemed to have disapproved the condition of the Property, including the Environmental Condition, and this Agreement will terminate. No such termination or deemed termination by Optionee shall relieve Optionee of any obligations arising under this Agreement prior to such termination or deemed termination, including, without limitation, Optionee's obligation to pay City the Renewal Deposit in accordance with Section 2(b) above.

(e) Optionee acknowledges that in connection with the RFQ/P and the Optionee's execution of this Agreement, City has disclosed the documents and/or the matters

relating to the Property referred to in **Exhibit D** (Disclosure Materials) attached hereto (collectively, the "**Disclosure Materials**"). Optionee further agrees that no information contained or referred to, directly or indirectly, in the Disclosure Materials and delivered to Optionee in connection with the RFQ/P and on or before Optionee's execution of this Agreement is a "material undisclosed condition." Additionally, Optionee acknowledges and agrees that it has had sufficient opportunity to review all of the Disclosure Materials. Nothing contained in **Exhibit D** (Disclosure Matters) shall limit any of the provisions of this **Paragraph 7** or relieve Optionee of its obligations to conduct a diligent inquiry hereunder, nor shall any such matters limit any provisions of **Paragraph 8** [As is Condition] or **Paragraph 9** [Release of City] below.

(f) If this Agreement is terminated or deemed terminated before the end of the Due Diligence Period, neither party shall have any further rights or obligations hereunder except for any provisions which, by their express terms, survive termination or deemed termination of this Agreement and any obligations expressly set forth hereunder arising prior to such termination or deemed termination, including, without limitation, Optionee's obligation to pay City the Renewal Deposit pursuant to Section 2(b).

(g) The provisions of this **Paragraph 7** shall survive the termination or expiration of this Agreement.

8. As Is Condition.

(a) Optionee understands and agrees that City is selling and Optionee is purchasing the Property strictly on an "AS IS WITH ALL FAULTS" basis. Neither City, nor any of its Agents, have made any representations or warranties of any kind, express or implied, as to any matters concerning the Property, including, without limitation, the acreage or size of the Property, the condition of title, the zoning and land use regulations, development potential, the structural condition of any improvements on the Property, soil or groundwater conditions, Hazardous Materials or environmental conditions, suitability of the Property for Optionee's intended uses, or any other characteristics of the Property, provided, however, that nothing in this **Paragraph 8** will affect or detract from, or diminish the reasonableness of Optionee's reliance on, City's representations and warranties set forth in **Paragraph 16(b)** below. Without limiting the foregoing, City does not guarantee the legal, physical, geological, environmental, title, or other conditions of the Property, nor does City assume any responsibility for the compliance of the Property or its use with any statute, ordinance, or regulation. It is Optionee's sole responsibility to determine all building, planning, zoning, and other regulations relating to the Property and the uses to which it may be put. City has not obtained any consents or authorizations relative to the sale of the Property or the granting of the Easement Agreement, other than such consents or authorizations as have been disclosed to Optionee in writing from the date of the RFQ/P to the date of this Agreement.

(b) Optionee is entering into this Agreement based upon its own willingness to negotiate with the City of Mountain View and others for development rights for the Property. It shall not be a condition precedent to the exercise of the Option or to the Closing that Optionee obtain any development rights for the Property. Optionee has entered into this Agreement with the understanding that it shall negotiate with the City of Mountain View or any other governmental entity for any development rights that it desires, and that this negotiation may

occur before or after the exercise of the Option and the Closing Date. The Property shall be conveyed in its "AS-IS" condition without express or implied representation or warranty of any kind; provided, however, that nothing in this **Paragraph 8** will affect or detract from, or diminish the reasonableness of Optionee's reliance on, City's representations and warranties set forth in **Paragraph 16(b)** below.

(c) City believes that its sale of the Property to Optionee is exempt from the Subdivision Map Act pursuant to the California Government Code §66428(a)(2), and that the preparation or recordation of a parcel map is not required in connection with City's conveyance to Optionee. City makes no representations or warranties as to the truth or accuracy of these beliefs, and Optionee acknowledges and agrees that it has made and is relying upon its own investigation into these matters, and releases City from any liability relating to the Subdivision Map Act or the failure to record a parcel map. City further notes that an exemption with respect to a City conveyance may not affect or limit Optionee's existing or future compliance obligations.

(d) **Reserved.**

(e) California law requires owners of nonresidential real property to disclose to purchasers the presence or potential presence of certain hazardous materials. Accordingly, Optionee is hereby advised that occupation of the Property may lead to exposure to hazardous materials such as, but not limited to, gasoline, diesel, and other vehicle fluids, vehicle exhaust, tobacco smoke, methane, and building materials containing chemicals, such as formaldehyde. Optionee acknowledges that closed and operational groundwater monitoring wells were previously located on the Property in connection with the discovery by the Environmental Protection Agency of certain tetrachloroethylene (TCEs) on industrial property across Whisman Road from the Property. City does not know whether the groundwater on the Property has been affected by the TCEs discovered near the Property; however, the groundwater on the Property may have been affected by such TCEs. By execution of this Agreement, Optionee acknowledges that the notices and warnings set forth above satisfy the requirements of California Health and Safety Code Section 25359.7 and related statutes.

9. **Release of City.**

(a) As part of Optionee's agreement to purchase the Option and to accept the Property on an "AS IS WITH ALL FAULTS" basis as set forth in **Paragraph 8**, and without limiting such agreement, Optionee, on behalf of itself and its successors and assigns, waives its right to recover from, and forever irrevocably releases and discharges, City, its Agents, and their respective heirs, successors, legal representatives, and assigns, from any and all demands, claims, legal or administrative proceedings, losses, liabilities, damages, penalties, fines, liens, judgments, costs, and expenses (including, without limitation, attorneys' fees), whether direct or indirect, known or unknown, foreseen or unforeseen, that may arise on account of or in any way be connected with the RFQ/P, the Property, or City's or its Agents' past use of the Property, including, without limitation, the environmental condition of the Property, the presence of any Hazardous Material on, in, or about the Property, and any law, rule, regulation, order, or requirement related thereto. This release specifically includes any claim of indemnification, reimbursement, contribution, or other compensation arising under any federal, state, or local

statute, ordinance, regulation, rule, or law now or hereafter existing relating to environmental matters, industrial hygiene, or Hazardous Materials. Nothing in this **Paragraph 9**, however, shall serve to release City from any claims based on City's breach of its obligations under this Agreement or under the Easement Agreement. Additionally, nothing in this **Paragraph 9** will affect or detract from, or diminish the reasonableness of Optionee's reliance on, City's representations and warranties set forth in **Paragraph 16(b)** below. This release shall survive the expiration or termination of this Agreement.

(b) In connection with the foregoing release, Optionee expressly waives the benefits of Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR EXPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN TO HIM MUST HAVE MATERIALLY AFFECTED THE SETTLEMENT WITH THE DEBTOR.

10. Close of Escrow.

(a) Upon the receipt of a valid Option Notice, City shall deposit an executed copy of this Agreement with the Title Company. This Agreement shall serve as the instructions to the Title Company as the escrow holder for consummation of the purchase and sale contemplated hereby. City and Optionee shall execute such supplementary escrow instructions as may be appropriate to enable the Title Company to comply with the terms of this Agreement. The Title Company shall be the Reporting Person, as that term is used in Section 6045(e) of the United States Internal Revenue Code and the regulations promulgated thereunder.

(b) The closing of the sale of the Property (the "**Closing**") shall be any time after the Approval Date selected by Optionee; provided that the selected date is no earlier than sixty (60) days after the date of the Option Notice, unless otherwise agreed to in writing by the parties, and no later than twenty (20) months following the Approval Date, unless extended pursuant to the terms of **Paragraph 2(d)** above, in which case the Closing shall occur no later than the date that is twenty-six (26) months after the Approval Date. If the Closing does not occur on or before the time designated herein for any reason other than a default by City, then this Agreement shall terminate and City shall retain the Option Consideration, and the Option Extension Consideration, if any, pursuant to **Paragraph 14** [Liquidated Damages] below.

(c) At or before the Closing, City shall deposit into escrow the following items: (i) the duly executed and acknowledged Deed conveying City's interest in the Property to Optionee as provided herein; and (ii) the duly executed and acknowledged Easement Agreement. At or before the Closing, Optionee shall deposit into escrow the following items: (a) the funds necessary to close this transaction, including but not limited to the sums required to pay to City the portion of the Purchase Price payable at Closing; (b) the closing certificate in the form attached hereto as **Exhibit F** (the "**Closing Certificate**"), and (c) the duly executed and

acknowledged Easement Agreement. City and Optionee shall each deposit such other instruments as are reasonably required by the Title Company or otherwise required to close the escrow and consummate the purchase of the Property in accordance with the terms hereof.

11. Prorations, Costs, and Expenses.

(a) Any real property taxes and assessments; annual permits and/or inspection fees (calculated on the basis of the period covered); and any other expenses normal to the operation and maintenance of the Property, shall all be prorated as of 12:01 a.m. on the date the Deed is recorded, on the basis of a three hundred sixty-five (365)-day year. Any delinquent rents or permit fees collected after the Closing shall be paid immediately to City. Optionee shall use commercially reasonable efforts to collect such delinquent rents and permit fees; provided, however, City reserves its right to sue a tenant or permittee for damages suffered by City as a result of the failure to pay such rent or fees to City which were payable prior to the Closing Date.

(b) Optionee shall pay any and all escrow fees, recording costs, documentary transfer taxes, title premiums, and other costs and expenses in connection with the close of escrow and the purchase contemplated hereby.

12. Loss.

(a) Optionee accepts the risk that all or any portion of the Property may be damaged, injured, or destroyed, in whole or in part, by fire, earthquake, or other casualty prior to the Closing. Optionee shall have no right to reduce the Purchase Price or terminate this Agreement as a result of any such damage, injury, or destruction to the Property that occurs between the date of this Agreement and the Closing.

(b) Optionee accepts the risk that a portion of the Property may be temporarily or permanently condemned or taken, or threatened to be condemned or taken, prior to the Closing. Optionee shall have no right to terminate this Agreement as a result of any such actual or threatened condemnation or taking that occurs between the date of this Agreement and the Closing; provided, however, if a taking or condemnation occurs between the date of this Agreement and the Closing, Optionee shall receive a credit against the portion of the Purchase Price payable at Closing hereunder equal to the amount of any condemnation award actually collected by City as a result of any such condemnation. If the condemnation award has not been collected as of the Closing, then City shall assign the right to receive such award to Optionee, and Optionee shall not receive any credit against the Purchase Price.

13. Confirmation of Sale by City's Board of Supervisors and Mayor.

(a) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, OPTIONEE ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THE SALE OF THE OPTION UNLESS AND UNTIL A RESOLUTION OF CITY'S BOARD OF SUPERVISORS SHALL HAVE BEEN DULY ENACTED APPROVING THIS AGREEMENT AND THE EASEMENT AGREEMENT, AND AUTHORIZING THE TRANSACTION CONTEMPLATED HEREBY, AND CITY'S MAYOR APPROVES OF

SAME. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER, EXCEPT FOR THE OBLIGATIONS SET FORTH IN **PARAGRAPH 13(b)** BELOW, ARE CONTINGENT UPON THE DUE ENACTMENT AND APPROVAL OF SUCH A RESOLUTION, AND THIS AGREEMENT SHALL BE AUTOMATICALLY TERMINATED IF CITY'S BOARD OF SUPERVISORS AND MAYOR DO NOT APPROVE THIS AGREEMENT AND THE EASEMENT AGREEMENT AT THEIR RESPECTIVE SOLE DISCRETION. APPROVAL OF THE TRANSACTION CONTEMPLATED HEREBY BY ANY DEPARTMENT, COMMISSION, OR AGENCY OF CITY SHALL NOT BE DEEMED TO IMPLY THAT SUCH RESOLUTION WILL BE ENACTED OR APPROVED, NOR WILL ANY SUCH DEPARTMENT, COMMISSION, OR AGENCY APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY OTHER THAN AS SET FORTH IN **PARAGRAPH 13(b)** BELOW.

(b) The SFPUC shall submit a resolution to the Board of Supervisors and Mayor requesting approval of the transaction contemplated hereby and approval of this Agreement and the Easement Agreement and it shall remove the Property from the market and shall not directly negotiate with any other party for the sale of the Property pending the outcome of such request for approval. Nothing in the foregoing, however, shall eliminate or lessen the absolute and sole discretion of the Board of Supervisors and Mayor to reject, condition, or otherwise refuse to approve the proposed resolution or to sell or not sell the Option on any conditions, at any time, and in any manner that the Board of Supervisors and Mayor deem appropriate.

(c) City has determined that this Option is exempt from the California Environmental Quality Act ("CEQA") as a categorical exemption Class XX for the reasons set forth in a Planning Department memorandum dated December 19, 2012. Such determination is not binding upon the City of Mountain View, nor has City determined any relevance to, the proposed use of the Property, which shall be subject to any environmental review to be conducted by the City of Mountain View.

(d) **The General Manager of the SFPUC, in consultation with, and subject to approval as to form by, the City Attorney's Office, shall have the right to grant approvals or make determinations under this Agreement and to make nonmaterial modifications or nonmaterial amendments to this Agreement, subject to applicable law, without obtaining the prior approval of City's Board of Supervisors, including by way of example amendments that insert or nonmaterially alter the legal descriptions for the Real Property. Material amendments, however, including, without limitation, amendments that modify the amount or timing of consideration to be received by City, extend the Closing Date or waive, modify, or extend any time periods for performance of other conditions shall require SFPUC approval, and may be subject to Board of Supervisor's approval by duly enacted Resolution.**

14. Liquidated Damages.

(a) If Optionee fails to perform any of its obligations hereunder, including, without limitation, its obligation to pay the balance of the portion of the Purchase Price payable at Closing as and when required hereunder, then City shall be

entitled to retain the Option Consideration, and the Option Extension Consideration, if any, (including any interest thereon) as liquidated damages as City's sole and exclusive remedy if the Closing is not consummated because of Optionee's failure to perform its obligations under this Agreement. In such instance all right, title, and interest shall continue to remain vested in City free of any claim of Optionee or those claiming through Optionee. Optionee and City agree that City's actual damages, in the event of failure to consummate this sale due to Optionee's failure to perform, would be extremely difficult or impracticable to determine and considering the circumstances existing on the date hereof, the amount of the Option Consideration, plus the Option Extension Consideration, if any, (including any interest thereon), is a reasonable estimate of the damages that City would incur in such event.

Initials: Optionee: _____ City: _____

(b) In the event Optionee fails to satisfy any post-closing obligation, then City shall have all rights and remedies available at law or in equity.

(c) In no event shall Optionee be entitled to, and City shall not be liable for, any special, consequential, indirect, or incidental damages arising out of or in connection with this Agreement or the Property, regardless of whether any claim is based on contract or tort. Subject to **Paragraph 17** [Brokers] below, if City defaults under or breaches this Agreement and fails to sell the Property in accordance herewith, Optionee shall have the right, as its sole remedy, either (i) to terminate this Agreement by giving written notice to City and receiving the full return of the Option Extension Consideration, if any, which return shall operate to release City from any and all liability hereunder, or (ii) to enforce specific performance of City's obligation to sell the Property to Optionee in accordance with this Agreement.

15. Notices. Any notices required or permitted to be given under this Agreement shall be in writing and shall be delivered (a) in person, (b) by certified mail, postage prepaid, return receipt requested, or (c) by U.S. Express Mail or commercial overnight courier that guarantees next day delivery and provides a receipt, and such notices shall be addressed to the parties as follows:

16. Representations and Warranties.

(a) Optionee makes the following representations and warranties as of the date of this Agreement and at all times throughout the term of this Agreement:

(i) Optionee represents and warrants to City that Optionee is the type of legal identity identified in **Paragraph 1** [Basic Terms] above, duly organized and validly existing under the laws of the State identified in **Paragraph 1** [Basic Terms] above, and is in good standing under the laws of, and qualified to do business in, the State of California.

(ii) Optionee represents and warrants to City that this Agreement and any and all documents executed by Optionee which are to be delivered to City at Closing: (i) are and at the time of Closing will be duly authorized, executed, and delivered by Optionee; (ii) are and at the time of Closing will be legal, valid, and binding obligations of Optionee, enforceable against Optionee in accordance with the terms hereof; and (iii) do not and at the time of Closing will not violate any provision of any agreement or judicial order to which Optionee is a party or to which Optionee is subject.

(iii) Optionee represents and warrants to City that it has not been suspended, disciplined, or disbarred by, or prohibited from contracting with, any federal, state, or local government agency. In the event Optionee has been so suspended, disbarred, disciplined, or prohibited from contracting with any governmental agency, it shall immediately notify City of same and the reasons therefor, together with any relevant facts or information requested by City. Any suspension, debarment, discipline, or prohibition may result in the termination or suspension of this Agreement.

(iv) Optionee represents and warrants to City that no document or instrument furnished or to be furnished by Optionee to City in connection with this Agreement contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

(v) Optionee represents and warrants to City that the persons signing on behalf of Optionee below have been fully authorized to do so on behalf of Optionee. The foregoing representations and warranties and any other representations and warranties of Optionee contained herein or in other agreements or documents executed by Optionee in connection herewith, shall survive the Closing Date.

(b) City makes the following representations and warranties as of the date of this Agreement:

(i) To City's actual knowledge, there is no litigation pending or threatened against City with respect to the Property or any basis therefore.

(ii) City does not have actual knowledge of any condemnation, either instituted or planned to be instituted, by any governmental or quasi-governmental agency that could detrimentally affect the use, operation, or value of the Property.

(iii) To City's actual knowledge, this Agreement and all documents executed by City that are to be delivered to Optionee at the Closing are, or at the Closing will be, duly executed and delivered by City and do not, and at the Closing will not, violate

any provision of any agreement or judicial order to which City is a party or to which the Property is subject.

(c) For the purposes of this Agreement (including, without limitation, the representations or disclosures made by City in **Exhibit D, Paragraph 5(b)(i), Paragraph 13(c), Paragraph 16(b)**, or elsewhere in this Agreement) the phrase "City's actual knowledge" shall mean, at the time of the applicable representation, the actual knowledge of City's Director of Real Estate John Updike.

17. Brokers. The parties represent and warrant to each other that no broker or finder was involved in arranging or bringing about this transaction and that there are no claims or rights for brokerage commissions or finder's fees in connection with the transactions contemplated by this Agreement. If any person brings a claim for a commission or finder's fee based on any contact, dealings, or communication with Optionee or City, then the party through whom such person makes a claim shall defend the other party from such claim, and shall indemnify the other party from, and hold harmless the indemnified party against, any and all costs, damages, claims, liabilities, or expenses (including, without limitation, reasonable attorneys' fees and disbursements) that the indemnified party incurs in defending against the claim. The provisions of this **Paragraph 17** shall survive the Closing.

18. Use Agreements.

(a) **Easement Agreement.** City currently maintains underground pipelines and appurtenances in an eighty (80)-foot wide area of land traversing the entire Property (the "**Easement Area**"). Concurrently with the recordation of the Deed, the parties shall execute and record a reservation of easement in the form attached hereto as **Exhibit G** (the "**Easement Agreement**"). Pursuant to the terms of the Easement Agreement, City will reserve the right to access the Easement Area as necessary and an exclusive right to, among other things, install, inspect, use, maintain, construct, improve, alter, expand, operate, remove, and replace water pipelines, drainage pipelines, hatch covers, wells, and other surface and subsurface utility facilities in, under, on, and about the Easement Area. Optionee shall be required to limit its use of the Easement Area as stated in the Easement Agreement, including, without limitation, restrictions relating to the placement of utilities only along and within the northern edge of the easement as specifically indicated on the site plan attached as **Exhibit J**, and for pedestrian and bike trails, street, and open space usage and other uses that do not interfere with, restrict access to, or endanger the SFPUC Facilities in, under, on, or about the Easement Area, all pursuant to the terms of the Easement Agreement. Any and all of Optionee's activities in, on, under, or about the Easement Area shall be subject and subordinate at all times to City's use of City's Easement Area for its water delivery system and in compliance with the restrictions on such use as stated in the Easement Agreement. City and Optionee agree that Exhibit B to the Easement Agreement as attached to this Agreement depicts the anticipated, approximate location of the Easement Area and that the Easement Area will constitute an eighty-foot (80') wide area that crosses the Property commencing from the eastern border of Tyrella Avenue and ending on the western border of Whisman Drive. Once the subdivision map process is complete, Exhibit B and Exhibit B-1 to the Easement Agreement will be updated and replaced with a formal plat and legal description of the Easement Area (providing for an eighty-foot (80') width across its entire length across the Property from the eastern border of Tyrella Avenue to the western border of

Whisman Drive) to be generated by Buyer's engineer and approved by the City prior to the Closing and recordation of the Easement Agreement. The provisions of this **Paragraph 18(a)** shall survive the Closing Date.

(b) **Bicycle/Pedestrian Trail.** As disclosed to KMJ in the RFQ/P, the City of Mountain View, California requested that City provide the City of Mountain View with the right to use portions of the Property and the Easement Area for the construction of and use as a trail for pedestrians and bikes and for use as open space. Because City will transfer the entire Property to Optionee and reserve certain rights in the Easement Area, Optionee acknowledges that, at its sole discretion, the City of Mountain View may ask Optionee to provide the City of Mountain View with similar use rights requested of City. Optionee also acknowledges that the City of Mountain View may request Optionee to construct certain improvements on the Easement Area such as the trail for pedestrians and bikes and certain open space improvements. Optionee agrees that City's review and approval of all plans and specifications for any utilities and improvements on the Easement Area shall be required prior to constructing or installing any such improvements, and any agreements made with any person or entity, including, without limitation the City of Mountain View, regarding any use of the Easement Area shall be subject to the terms of the Easement Agreement and City's approval rights set forth therein. To the extent City's approval of such improvements is required under the terms and conditions of the Easement Agreement, City will consider potential environmental impacts and may conduct additional review or rely upon the City of Mountain View's environmental review, if any. Optionee also acknowledges that City's review and approval requirements for the use of the bicycle/pedestrian trail as set forth in the Easement Agreement shall be in addition to any other fees or requirements imposed by the City of Mountain View in conjunction with any approval of Optionee's proposed project. The provisions of this **Paragraph 18(b)** shall survive the Closing Date.

19. Miscellaneous.

(a) **Successors and Assigns.** This Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors, heirs, legal representatives, administrators, and assigns. Optionee's rights and obligations hereunder shall not be assignable without the prior written consent of City; provided, however, even if City approves any such proposed assignment, in no event shall Optionee be released of any of its obligations hereunder.

(b) **Amendments.** This Agreement may be amended or modified only by a written instrument signed by the Optionee and City.

(c) **Governing Law.** This Agreement shall be governed by, subject to, and construed in accordance with the laws of the State of California and City's Charter and Administrative Code.

(d) **Merger of Prior Agreements.** This Agreement, together with the attached exhibits and the Certificate by Optionee submitted herewith, contain any and all representations, warranties, and covenants made by Optionee and City and constitutes the entire understanding between the parties hereto with respect to the subject matter hereof. Any prior

correspondence, memoranda, or agreements, including the Former Option Agreement and any instruments, agreements, or understandings reached in connection therewith, are replaced in total by this Agreement together with the Exhibits hereto.

(e) **Parties and Their Agents.** The term “**Optionee**” as used herein shall include the plural as well as the singular. If Optionee consists of more than one individual or entity, then the obligations under this Agreement imposed on Optionee shall be joint and several. As used herein, the term “**Agents**” when used with respect to either party shall include the agents, officers, members, directors, partners, employees, commissioners, contractors, subcontractors, and representatives of such party.

(f) **Interpretation of Agreement.** The article, section, paragraph, and other headings of this Agreement and the table of contents are for convenience of reference only and shall not affect the meaning or interpretation of any provision contained herein. Whenever the context so requires, the use of the singular shall be deemed to include the plural and vice versa, and each gender reference shall be deemed to include the other and the neuter. This Agreement has been executed between persons sophisticated and knowledgeable in the matters dealt with herein. In addition, each party has been represented by experienced and knowledgeable legal counsel. Accordingly, any rule of law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Agreement against the party that has drafted it is not applicable and is waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the purposes of the parties.

(g) **Attorneys’ Fees.** If either party hereto fails to perform any of its respective obligations under this Agreement or if any dispute arises between the parties hereto concerning the meaning or interpretation of any provision of this Agreement, then the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party on account of such default or in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys’ fees and disbursements. For purposes of this Agreement, the reasonable fees of attorneys of City’s Office of City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney’s services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney’s Office.

(h) **Time of Essence.** Time is of the essence with respect to the performance of the parties’ respective obligations contained herein and with respect to all dates set forth herein, including but not limited to Option Notice and the Closing Date.

(i) **No Merger.** The obligations contained herein shall not merge with the transfer of title to the Property but shall remain in effect until fulfilled.

(j) **No Liability of City Officials, Employees, and Agents.** Notwithstanding anything to the contrary in this Agreement, no elective or appointive board, commission, member, officer, employee, or agent of City shall be personally liable to Optionee, its successors,

and assigns, in the event of any default or breach by City or for any amount which may become due to Optionee, its successors, and assigns, or for any obligation of City under this Agreement.

(k) Conflicts of Interest. Through its execution of this Agreement, Optionee acknowledges that it is familiar with the provisions of Section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Sections 87100 et seq. and Sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provisions and agrees that if it becomes aware of any such fact during the term of this Agreement, Optionee shall immediately notify City.

(l) Sunshine Ordinance. Optionee understands and agrees that under City's Sunshine Ordinance (San Francisco Administrative Code, Chapter 67) and the State Public Records Law (Government Code Section 6250 et seq.), this Agreement and any and all records, information, and materials submitted to City hereunder are public records subject to public disclosure. Optionee hereby acknowledges that City may disclose any records, information, and materials submitted to City in connection with this Agreement.

(m) Tropical Hardwoods and Virgin Redwoods. City urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood product, virgin redwood, or virgin redwood wood product except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code.

(n) Recording. Following the Approval Date and provided that this Agreement remains in effect, Optionee may record a memorandum of this Agreement (and City agrees to execute such memorandum) in the form of **Exhibit H** attached hereto; provided that Optionee shall concurrently deliver to City a recordable termination of option quitclaim deed in substantially the form of **Exhibit I** attached hereto which City shall be authorized to unilaterally record in the event (but only in the event) that this Agreement is terminated and Optionee no longer has any rights with respect to the Property pursuant to the terms hereof.

(o) Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

(p) MacBride Principles - Northern Ireland. City urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.5, et seq. City also urges companies to do business with corporations that abide by the MacBride Principles. Optionee acknowledges that it has read and understands the above statement of City concerning doing business in Northern Ireland.

(q) No Joint Venture. The Optionee is not a state or governmental actor with respect to any activity conducted by the Optionee hereunder. This Agreement does not constitute authorization or approval by City of any activity conducted by the Optionee. This Agreement does not create a partnership or joint venture between City and the Optionee as to any activity conducted by the Optionee relating to this Agreement or otherwise.

(r) **Severability.** If any provision of this Agreement or the application thereof to any person, entity, or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this Agreement shall be valid and be enforceable to the fullest extent permitted by law, unless enforcement of this Agreement as so modified would be unreasonable or grossly inequitable under all of the circumstances as would frustrate the fundamental purposes of this Agreement.

(s) **Waiver.** No waiver by any party of any of the provisions of this Agreement shall be effective unless in writing and signed by an officer or other authorized representative of the waiving party, and only to the extent expressly provided in such written waiver. No waiver shall be deemed a subsequent or continuing waiver of the same, or any other, provision of this Agreement.

(t) **Contribution Limits; Contractors Doing Business with City.** Through its execution of this Agreement, Optionee acknowledges that it is familiar with Section 1.126 of City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with City, for the rendition of personal services, for the furnishing of any material, supplies or equipment to City, or for selling or leasing any land or building to or from City, whenever such transaction would require approval by a City elective officer, or the board on which that City elective officer serves, shall make any contribution to such an officer, or candidate for such an office, or committee controlled by such officer or candidate at any time from the commencement of negotiations for such contract until (1) the termination of negotiations for such contract; or (2) three months have elapsed from the date the contract is approved by a City elective officer, or the board on which that City elective officer serves.

(u) **RFQ/P.** Except as specifically modified or superseded by the terms of this Agreement, all terms and provisions of the RFQ/P, as amended, shall remain unmodified and in full force and effect.

(v) **Regulatory Approvals.** Optionee acknowledges and agrees that City is entering into this Agreement in its capacity as a property owner and not as a regulatory agency with police powers. Nothing in this Agreement shall limit in any way Optionee's obligation to obtain any applicable regulatory approvals from governmental departments, boards, or commissions that have now or will have jurisdiction related to Optionee's proposed project on the Property ("**Regulatory Approvals**"). Optionee shall be solely responsible for obtaining any and all such Regulatory Approvals, which may include, without limitation, the following entitlements that Optionee intends to or may seek: a Planned Development Permit, Tentative Map, Development Review Committee, Parks Commission Review, permits or approvals issued in compliance or in connection with the California Environmental Quality Act, Grading and Improvement Plans, Final Map, Demolition and Grading Permit, and Building House Permits

(w) **Assignment.** The parties acknowledge and agree that City is entering into this Agreement based on the selection of KMJ under the RFQ/P because of KMJ's special skills, experience, and capabilities, as enhanced by its combination with Summerhill to form Optionee.

Optionee may not assign or transfer any of its rights or obligations under this Agreement without City's prior written consent, which consent may be withheld at City's sole discretion.

(x) **Risk of Entitlements.** Optionee acknowledges and agrees that it is proceeding at its own risk and expense to obtain the Regulatory Approvals and without any assurance that the Regulatory Approvals will be obtained by Optionee.

(y) **Indemnity.** Optionee shall indemnify, protect, defend, and hold harmless City and City's officers, agents, and employees, from and against any and all claims, demands, losses, liabilities, damages, liens, injuries, penalties, fines, lawsuits, and other proceedings, judgments, and awards and costs and expenses, including, without limitation, reasonable attorneys' and consultants' fees and costs through appeal ("**Losses**"), arising out of or related to any activity of Optionee, its members, or its agents, employees, or contractors, under this Agreement, except to the extent such Losses are caused solely by the negligence or willful misconduct of City.

(z) **Ownership of Materials.** In the event this Agreement is terminated, all entitlement applications, studies, environmental reports, and other development documents and materials, and all interim reports and investigations prepared by or on behalf of the Optionee in connection with the Property, the Regulatory Approvals or the project Optionee is proposing other than Optionee's architectural plans and financial documentation (the "**Materials**"), will automatically and immediately become the property of City. City shall not be required to return any of Optionee's architectural plans to Optionee, but City shall not be authorized to use the architectural plans for any purposes. In furtherance and not in limitation of the foregoing, Optionee shall assign, in a writing satisfactory to City, and deliver to City, any and all copies of Materials within fifteen (15) days after written demand from City following the termination of this Agreement. City may use the Materials for any purpose whatsoever relating to the Property, without cost or liability therefor to the Optionee or any other person or entity. Optionee shall include in all contracts and authorizations for services pertaining to the Materials an express agreement by the person or entity performing such services that City shall own such Materials and may use such Materials without compensation or payment from City. Optionee makes no representations or warranty with respect to the accuracy or completeness of the Materials.

Such policies shall also provide for severability of interests and that an act or omission of one of the named insureds which would void or otherwise reduce coverage shall not reduce or void the coverage as to any insured, and shall afford coverage for all claims based on acts, omissions, injury or damage which occurred or arose (or the onset of which occurred or arose) in whole or in part during the policy period.

(c) All policies shall be endorsed to provide thirty (30) days' prior written notice to City of cancellation, intended non-renewal, or material reduction in coverage.

If the general commercial practice in the City and County of San Francisco is to carry liability insurance in an amount or coverage materially greater than the amount or coverage then being carried by Permittee for risks comparable to those associated with the Permit Area, then City in its sole discretion may require Permittee to increase the amounts or coverage carried by Permittee hereunder to conform to such general commercial practice.

(h) Permittee's compliance with the provisions of this Section shall in no way relieve or decrease Permittee's indemnification obligations under this Permit or any of Permittee's other obligations hereunder. Notwithstanding anything to the contrary in this Permit, this Permit shall terminate immediately, without notice to Permittee, upon the lapse of any required insurance coverage. Permittee shall be responsible, at its expense, for separately insuring Permittee's property.

If after such written notice Permittee fails to complete the requested work within the prescribed time limits, City shall have the right to perform the requested work and charge Permittee all costs and expenses incurred by City in performing the work. Such amount shall be due and payable upon City's demand. In the event of an emergency City may, at its sole option and without notice, alter,

remove or protect at Permittee's sole expense, any and all facilities, improvements, plantings, or other property installed or placed in, on, under, or about the Permit Area by Permittee. The owner of such utility facilities shall, upon written or oral notice by City that an emergency exists, take immediate action at its sole expense to protect, remove or relocate such facilities as required by City to meet the emergency.

9. Signs. Permittee shall not place, erect, or maintain any sign, advertisement, banner, or similar object in, on, or about the Permit Area without PUC's prior written consent, which PUC may withhold at its sole discretion.

10. Surrender. Upon the expiration of this Permit or within ten (10) days after any sooner revocation or other termination of this Permit, Permittee shall surrender the Permit Area in the same condition as received, free from hazards and clear of all debris. At such time, Permittee shall remove all of its property from the Permit Area and any signs.

11. Repair of Damage. If any portion of the Permit Area or any property of City located on or about the Permit Area is damaged or threatened by any of the activities conducted by Permittee or anyone acting by or through Permittee hereunder, Permittee shall immediately, at its sole cost, notify City by facsimile of such damage or threat. City may, but shall not be obligated, to remedy such damage or threat at Permittee's sole cost, or City may elect to witness Permittee's repair work. In the event City elects not to remedy such damage or threat, Permittee shall repair any and all such damage and restore the Permit Area or property to its previous condition subject to City's inspection, review and approval. City has no responsibility or liability of any kind with respect to any utilities that may be on, in, or under the Permit Area. Permittee has the sole responsibility to locate such utilities and other existing facilities and protect them from damage. Permittee shall be solely responsible for arranging and paying directly for any utilities or services necessary for its activities hereunder; provided, Permittee shall obtain City's prior, written approval to the provision of such services or utilities in, on, under, or through the Permit Area.

12. City's Right to Cure Defaults by Permittee. If Permittee fails to perform any of its obligations under this Permit to restore the Permit Area, remove or alter facilities, or repair damage, or if Permittee defaults in the performance of any of its other obligations under this Permit, then City may, at its sole option, remedy such failure for Permittee's account and at Permittee's expense by providing Permittee with three (3) days' prior written or oral notice of City's intention to cure such default (except that no such prior notice shall be required in the event of an emergency as determined by City). Such action by City shall not be construed as a waiver of any rights or remedies of City under this Permit, and nothing herein shall imply any duty of City to do any act that Permittee is obligated to perform. Permittee shall pay to City upon demand, all costs, damages, expenses or liabilities incurred by City, including, without limitation, reasonable attorneys' experts' and consultants' fees, in remedying or attempting to remedy such default. Permittee's obligations under this Section shall survive the termination of this Permit.

13. No Costs to City. Permittee shall bear all costs or expenses of any kind or nature in connection with its use of the Permit Area, and shall keep the Permit Area free and clear of any liens or claims of lien arising out of or in any way connected with its use of the Permit Area.

14. Indemnity. Permittee shall indemnify, defend, reimburse, and hold harmless City, its officers, agents, employees and contractors, and each of them, from and against any and all demands, claims, legal or administrative proceedings, losses, costs, penalties, fines, liens, judgments, damages and liabilities of any kind ("**Claims**"), arising in any manner out of (a) any injury to or death of any person or damage to or destruction of any property occurring in, on, or about the Permit Area, or any part thereof, whether such injury, death, damage, or destruction is caused by the person or property of Permittee, its officers, directors, members, employees, agents, consultants, contractors or subcontractors (collectively, "**Agents**"), its invitees, guests or business visitors (collectively, "**Invitees**") relating to any use or activity under this Permit, (b) any failure by Permittee to faithfully observe or perform any of the terms, covenants, or conditions of this Permit, (c) the use of the Permit Area or any activities conducted thereon by Permittee, its Agents, or Invitees, or (d) any release or discharge, or threatened release or discharge, of any Hazardous Material caused or allowed by Permittee, its Agents, or Invitees, on, in, under, or about the Permit Area, any improvements, or into the environment; except solely to the extent of Claims resulting directly from the negligence or willful misconduct of City or City's authorized representatives. Permittee's obligations under this Section 14 shall also exclude any Claims to the extent resulting from (w) the City's breach or default under this Permit, (x) any failure or malfunction of the City's pipeline facilities to the extent not caused by Permittee or its Agents or Invitees, (y) any Hazardous Materials on or about the Permit Area that pre-existed Permittee's or its Agents' or Invitees' entry onto the Permit Area or (z) any other pre-existing conditions which are discovered by Permittee. In addition to Permittee's obligation to indemnify City, Permittee specifically acknowledges and agrees that it has an immediate and independent obligation to defend the City from any claim that actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent, or false, which obligation arises at the time such claim is tendered to Permittee by City and continues at all times thereafter. The foregoing indemnity shall include, without limitation, reasonable attorneys', experts' and consultants' fees and costs, investigation and remediation costs, and all other reasonable costs and expenses incurred by the indemnified parties, including, without limitation, damages for decrease in the value of the Permit Area and claims for damages or decreases in the value of adjoining property. Permittee's obligations under this Section shall survive the expiration or other termination of this Permit.

15. Waiver of Claims.

(a) Neither City nor any of its commissions, departments, boards, officers, agents, or employees shall be liable for any damage to the property of Permittee, its officers, agents, employees, contractors, or subcontractors, or their employees, or for any bodily injury or death to such persons, resulting or arising from the condition of the Permit Area, its use by Permittee, or resulting from any pipeline break or from any pipeline repair or maintenance activities.

(b) Permittee acknowledges that this Permit is freely revocable by City (subject to the terms and provisions of Section 2(j) of this Permit) and in view of such fact, Permittee expressly assumes the risk of making any expenditures in connection with this Permit, even if such expenditures are substantial. Without limiting any indemnification obligations of Permittee or other waivers contained in this Permit and as a material part of the consideration for this Permit, Permittee fully RELEASES, WAIVES, AND DISCHARGES forever any and all claims, demands, rights, and causes of action against, and covenants not to sue, City, its departments, commissions, officers, directors, and employees, and all persons acting by, through or under each

of them, under any present or future laws, statutes, or regulations, including, but not limited to, any claim for inverse condemnation or the payment of just compensation under law or equity, in the event that City exercises its right to terminate this Permit consistent with the terms of Section 2(j) hereof.

(c) Permittee acknowledges that it will not be a displaced person at the time this Permit is terminated or revoked or expires by its own terms, and Permittee fully RELEASES, WAIVES, AND DISCHARGES forever any and all claims, demands, rights, and causes of action against, and covenants not to sue, City, its departments, commissions, officers, directors, and employees, and all persons acting by, through or under each of them, under any present or future laws, statutes, or regulations relating to displacement, including, without limitation, any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws.

(d) City would not be willing to give this Permit in the absence of a waiver of liability for consequential or incidental damages due to the acts or omissions of City or its Agents, and Permittee expressly assumes the risk with respect thereto. Accordingly, without limiting any indemnification obligations of Permittee or other waivers contained in this Permit and as a material part of the consideration for this Permit, Permittee fully RELEASES, WAIVES, AND DISCHARGES forever any and all claims, demands, rights, and causes of action against for consequential and incidental damages and covenants not to sue for such damages, City, its departments, commissions, officers, directors, and employees, and all persons acting by, through or under each of them, arising out of this Permit or the uses authorized hereunder, including, without limitation, any interference with uses conducted by Permittee pursuant to this Permit, regardless of the cause, and whether or not due to the negligence of City or its Agents, except for the negligence and willful misconduct of City or its Agent.

(e) As part of Permittee's agreement to accept the Permit Area in its "As Is" condition as provided below, and without limiting such agreement, Permittee on behalf of itself and its successors and assigns, waives its right to recover from, and forever releases and discharges, City and its Agents, and their respective heirs, successors, administrators, personal representatives, and assigns, from any and all Claims, whether direct or indirect, known or unknown, foreseen and unforeseen, that may arise on account of or in any way be connected with the physical or environmental condition of the Permit Area and any related improvements or any law or regulation applicable thereto, or the suitability of the Permit Area for Permittee's intended use.

(f) In connection with the foregoing releases, Permittee acknowledges that it is familiar with Section 1542 of the California Civil Code, which reads:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

Permittee acknowledges that the releases contained herein include all known and unknown, disclosed and undisclosed, and anticipated and unanticipated claims. Permittee realizes and acknowledges that it has agreed upon this Permit in light of this realization and, being fully aware of this situation, it nevertheless intends to waive the benefit of Civil Code

Section 1542, or any statute or other similar law now or later in effect. The releases contained herein shall survive any termination of this Permit.

(c) Except as expressly provided to the contrary, all approvals, consents and determinations to be made by City hereunder may be made in the sole and absolute discretion of City. (d) This instrument (including the exhibit(s) hereto) contains the entire agreement between the parties and all prior written or oral negotiations, discussions, understandings and agreements are merged herein. (k) Subject to the prohibition against assignments or other transfers by Permittee hereunder, this Permit shall be binding upon and inure to the benefit of the parties and their respective heirs, representatives, successors and assigns. (l) Any sale or conveyance of the property burdened by this Permit by City shall automatically revoke this Permit. **DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS
AND GRANT OF EASEMENT**

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS AND GRANT OF EASEMENT (this "**Agreement**") dated for reference purposes only as of _____, is made by and between MV URBAN VILLAGE HOMES, LLC, a California limited liability company ("**Buyer**"), and the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("**City**"), acting by and through its Public Utilities Commission ("**SFPUC**").

RECITALS

WHEREAS, concurrently herewith, City is selling to Buyer that certain property situated in the County of Santa Clara, State of California, described on Exhibit A hereto (the "**Property**"), in order for Buyer to develop the Property as a residential development;

WHEREAS, City maintains certain underground water pipelines and certain related facilities on the Property, which facilities shall remain on the Property and limit the acceptable uses of the surface of the Property;

WHEREAS, City's Public Utilities Commission passed Resolution No. 12-0104, and City's Board of Supervisors passed Resolution No. _____, each approving the sale of the Property to Buyer provided that City reserves for itself an access easement to and an easement to among other things, access, inspect, install, use, maintain, construct, improve, alter, expand, operate, remove, and replace the water pipelines and related facilities used and maintained by City and provided further that Buyer's use of the Property is restricted so as to prevent any interference with City's facilities; and

WHEREAS, City and Buyer desire to sell and purchase the Property with the easement reservation, on the terms and conditions set forth below.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, City and Buyer hereby agree as follows:

1. Reservation of Easement. Subject to Buyer's uses as permitted pursuant to paragraph 3 below, City hereby reserves for itself, its successors and assigns, an exclusive, perpetual easement (the "**Easement**") for pedestrians and vehicles (i) over and across an eighty (80) foot wide area of the Property that traverses the entire Property as shown in **Exhibit B** and described in **Exhibit B-1** (the "**Easement Area**") to access, inspect, install, use, maintain, construct, improve, alter, expand, operate, remove, and replace water pipelines, drainage pipelines, hatch covers, wells, and other surface and subsurface utility facilities in, under, on, or about the Easement Area for the transportation or distribution of water and other utilities, together with all appurtenances thereto (together, the "**SFPUC Facilities**"), and (ii) over and across the areas of the Property required by the City for ingress to and egress from the Easement Area and to use as a staging area during the installation, maintenance, construction, improvement, or alteration of the SFPUC Facilities. For the purposes of clause (ii) of the immediately preceding sentence, City's rights of ingress and egress shall be limited to the driveway entrance to the Easement Area abutting on Tyrella Avenue on the westerly side of the Easement Area and the driveway entrance to the Easement Area abutting on Whisman Drive Avenue on the easterly side of the Easement Area (collectively, the "**Driveways**") so long as the Driveways remain open and accessible for City's use as provided in paragraph 2 below. The Easement includes the right to enlarge, modify, expand, replace, and reconstruct the SFPUC Facilities, along with the right to enter onto the Easement Area in order to perform such activities. This right shall include the right to add additional underground pipelines and related facilities in and along the Easement Area. Buyer is aware that the Easement Area constitutes a portion of City's water pipeline delivery system. Notwithstanding anything to the contrary in this Agreement, any and all of Buyer's activities on the Easement Area shall be subject and subordinate at all times to City's use of the Easement Area for its water delivery system. Any pipelines or utilities installed by City shall be located underground, and only necessary appurtenances (such as hatch covers and other facilities that do not unreasonably interfere with Buyer's surface use of the Property) shall be located at or above the surface.

2. Access and Repair by City.

(a) Access to Property by City. City hereby reserves for itself and its designated agents, the right to enter the Easement Area and any portion thereof through the Property at all reasonable times to inspect the Easement Area and the SFPUC Facilities and/or to do any maintenance, repairs, or installations to the Easement Area or the SFPUC Facilities. In the event of any emergency, as determined by City, City may, at its sole option, enter the Property and alter or remove any improvements or personal property on or about the Easement Area. So long as the Driveways remain open and accessible for City's uses as provided and contemplated by this Agreement, City's rights of access shall be limited to the Driveways; provided, however, that if the Driveways are ever made inaccessible for such City uses, City shall have the right to use any and all

means City considers appropriate to gain access to any portion of the Easement Area. Any such entry shall not be deemed to be a forcible or unlawful entry onto the Property.

(b) **Repair, Installation, and Inspection.** City shall have the right at all times, to gain access to, inspect, install, use, maintain, construct, improve, alter, expand, operate, repair, and remove SFPUC Facilities and utility facilities on and in the Easement Area (together, the “**SFPUC Maintenance Activities**”). Buyer shall not engage in or permit any use of the Easement Area that would restrict City’s access to the Easement Area at any time by SFPUC staff, construction equipment, or vehicles. City shall bear the expense of any such SFPUC Maintenance Activities, unless the need is occasioned by the acts, omissions, or negligence of Buyer, its officers, employees, agents, contractors, or subcontractors (collectively, “**Agents**”), or its invitees, lessees of all or any portion of the Property, guests, or business visitors (collectively, “**Invitees**”). Without limiting City’s rights hereunder, Buyer shall promptly, at City’s written request, alter or remove at its sole expense any and all of its improvements and remove any parked vehicles as may be necessary to avoid any actual or potential interference with the SFPUC Facilities or SFPUC Maintenance Activities. In any such request, City shall have the right to specify reasonable time limits for completion of the work. If after such written notice Buyer fails to complete the requested work within the prescribed time limits, City shall have the right to perform the requested work and charge Buyer all costs and expenses incurred by City in performing the work. Such amount shall be due and payable upon City’s demand. City shall use its reasonable good faith efforts to conduct any activities on the Property allowed under this paragraph 2 in a manner that, to the extent practicable, will minimize any disruption to Buyer’s use and Buyer’s improvements hereunder. In addition, City shall not require the removal of any of Buyer’s permitted improvements hereunder unless such removal is necessary to perform any SFPUC Maintenance Activities, including, without limitation, SFPUC’s ability to gain access to the pipelines or to perform the installation or repair work permitted hereunder. City shall not be liable in any manner, and Buyer hereby waives any claims, for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of City’s entry onto or use of the Property, except to the extent resulting directly from the negligence or willful misconduct of City or its agents. In the event that City removes any pavement, landscaping, or other improvements in the exercise of its rights hereunder, City shall have no obligation to replace such pavement, landscaping, or other improvements.

3. **Buyer’s Use of Property.** Buyer shall limit its use of the Easement Area to (a) pedestrian and bike trails, (b) linear curb-side street parking, emergency vehicle access and open space usage, and (c) construction and maintenance of certain improvements on the surface of the Easement Area including, without limitation, street lighting and associated conduits, decorative entry monuments, roadways, curbs, gutters, sidewalks, walkways, landscaped areas (including irrigation), playing fields, and minor and incidental structures such as arbors or trellises, so long as such improvements do not interfere with or restrict access to, or endanger the existing or anticipated SFPUC Facilities (collectively, “**Permitted Uses**”). Except as specifically stated in this Agreement, Buyer shall not construct or place any temporary or permanent structure or improvement in, on, under or about the Easement Area. Further, City’s review and approval of all plans and specifications for any utilities and improvements on the Easement Area, which City will give or withhold in the exercise of its reasonable discretion, shall be required prior to the construction or installation of any such improvements. For purposes hereof, asphalt, concrete, and cementitious concrete driveways, sidewalks, and parking areas, sheds and storage facilities, and fences shall be deemed

"improvements." Any agreements made with any person or entity, including, without limitation, the City of Mountain View, regarding any use of the Easement Area shall be subject to the terms of this Easement Agreement, including City's approval rights. Buyer shall not plant any trees, shrubs, or other plants in the Easement Area except in a manner consistent with Section 13 (including specifically subsection 13.005 and 13.006) of the SFPUC Right-of-Way Integrated Vegetation Management Policy, as it may be amended from time to time, or such replacement policy for vegetation and other improvements on City's pipeline property. Buyer shall restore promptly any excavated areas with new vegetation (including irrigation and maintenance until established) and erosion control netting, all as may be requested by City. Buyer shall not cause or permit the dumping or other disposal on or about the Easement Area of refuse, hazardous materials, or other materials that are unsightly or could pose a danger to human health or safety or to the environment. Buyer shall, at all times and at its sole cost, maintain the Easement Area in a good, clean, safe, and secure condition and maintain and repair the Driveways so they are open and accessible at all times for City's use and access as contemplated herein. Buyer and its Agents shall work closely with City personnel to avoid disruption (even if temporary) of SFPUC Facilities, in, under, on, or about the Easement Area. In no event will Buyer be required to pay City rent or any other financial consideration to the City in order to use the Easement Area, or in order to install and maintain any pipelines pursuant to the terms of Section 4(d) below, or otherwise.

4. Covenants Regarding Use. As a material inducement to City to enter into the sale of the Property and this Agreement, Buyer covenants with City as follows:

(a) Authorization. Before beginning any work in the Easement Area, Buyer shall obtain any and all permits, licenses, and approvals of all regulatory agencies and other third parties that are required by any applicable law to commence, complete, and maintain the permitted work.

(b) Restrictions on Heavy Equipment and Vehicles. To prevent damage to City's underground pipelines, Buyer shall strictly adhere to the following restrictions when using vehicles and equipment within twenty (20) feet of City's pipelines; provided, however, that Buyer may seek variances from the following requirements in connection with the Permitted Uses from the SFPUC General Manager and the SFPUC General Manager's approval of such requests shall be subject to the sole and absolute discretion of the SFPUC General Manager.

(i) It shall be Buyer's sole responsibility to ensure that the depth of soil cover over the tops of City's pipelines is, at all times, at least three (3) feet for steel cylinder pipe and four (4) feet for reinforced pre-stressed concrete cylinder pipe to accommodate the loading as defined below in item (ii). If any equipment with axle loading exceeds the weight stated in item (ii) below or if the depth of soil cover is less than stated above, Buyer shall submit to SFPUC, for review and approval, engineering calculations prepared by a registered civil engineer to provide adequate protection of the pipelines showing that City's pipelines will not be adversely affected.

(ii) The effects of vehicle and equipment loads to the pipelines must not exceed the effects of the "AASHO Standard H-10 Loading." H-10 loading is defined as loading caused by a two-axle truck with a gross weight of ten (10) tons (20,000 lbs.), axles fourteen (14) feet apart, and rear axle carrying eight (8) tons (16,000 lbs.). Buyer shall be responsible to provide SFPUC adequate evidence that Buyer's equipment and vehicles meet the foregoing requirements.

(iii) Buyer shall not use vibrating compaction equipment unless it first obtains SFPUC's written approval.

(iv) If the depth of the soil cover over City's pipelines (determined by potholing or other proof procedure) is less than the minimum stated in (i) above, unless an alternate method is approved by SFPUC, all excavation and grading over the pipeline shall be performed manually. For any machinery equipment excavation and grading over and within twenty (20) feet on each side of the centerline of the pipelines (measured on the surface), Buyer shall submit a written proposal together with all supporting calculations and data to SFPUC for review and approval. In any case, the two (2) feet of soil around each pipeline shall be removed manually or by other methods approved by SFPUC with due care as provided below.

(c) Exercise of Due Care. Buyer shall use, and shall cause its Agents to use due care at all times to avoid any damage or harm to City's water pipelines or other property. City shall have the right to approve and oversee any excavation work. When conducting any excavation work on the Easement Area, Buyer shall mark, at its own expense, the location of City's water transmission mains within the Easement Area and shall not use any pick, plow, or other sharp tool to remove the two feet of soil around the transmission mains, provided that Buyer may use hand shovels or pneumatic shovels in compliance with all other terms and conditions of this Agreement. Any damage to the coating of either pipeline shall be repaired by Buyer, at its own expense, prior to backfilling.

(d) Covenant to Protect SFPUC Facilities. Buyer shall protect the SFPUC Facilities from any damage, injury, or disturbance arising out of the use of the Property by Buyer, its Agents or Invitees. If Buyer or any of its Agents or Invitees damages, injures, or disturbs any of the SFPUC Facilities, or any portion of the SFPUC Facilities (including monuments), Buyer shall immediately notify City of that occurrence. City may, without limiting any of its other rights hereunder, take all actions it deems proper to repair such SFPUC Facilities (including relocation of monuments) at Buyer's sole expense.

(e) Installation of Pipes by Buyer. Buyer shall obtain City's prior, written approval prior to installing any pipelines in, on, or under the Easement Area, including, without limitation approval of the plans and specifications for such pipelines and the method and timing of the installations. If Buyer installs any new underground pipes in the Easement Area, Buyer shall use, or cause to have used, steel, ductile iron or cast iron pipe for the entire crossing. The clear distance between the bottom of any pipes installed by Buyer and the top of City's existing and any proposed future water lines shall not be less than twelve inches (12"). Buyer shall not install, maintain, or operate within the Easement Area any pipelines, electrical or gas conduits, or other utilities that run alongside or parallel to City's existing or future water lines or utilities in the Easement Area nor shall Buyer erect, maintain, or operate on or under the Easement Area any above-ground or underground structures. Buyer shall install above-ground markers identifying the location of any underground facilities installed pursuant to this Agreement. City may adopt from time to time such rules and regulations as may be necessary or appropriate to safeguard against corrosion of City's pipelines and related facilities. Buyer shall comply with all such rules and regulations upon receipt of a copy thereof. Buyer shall not permit any other entity or person to install any pipelines for such

entity's or person's benefit in, on, or under the Easement Area without first obtaining City's prior, written approval.

5. Improvements. In no event shall the construction or installation of any improvements or the making of any alterations impair the use or operation of the SFPUC Facilities, or any portion thereof, or City's access thereto. Buyer shall provide to City not less than thirty (30) days' advance written notice of any contemplated improvements or alterations, together with a copy of the applicable plans and specifications. City shall have the right to object to any improvements or alterations described in subparagraph 3(c) above that it reasonably believes will interfere with the existing or anticipated SFPUC Facilities or SFPUC Maintenance Activities; provided, Buyer may use the Easement Area for pedestrian and bike trail, street, and open space usage as set forth in paragraph 3 above.

6. Repairs and Maintenance. Buyer hereby assumes full and sole responsibility for the condition, operation, repair, maintenance, and management of the Property and any improvements thereon (excluding the SFPUC Facilities). In the case of damage to or destruction of the improvements, Buyer shall, at its sole cost and with reasonable promptness and diligence, either restore the improvements or demolish and remove them (including all debris) from the Property, except to the extent such damage or destruction was caused by the negligence or willful misconduct of City or its agents in which case City shall restore, repair, or rebuild the improvements.

7. Monuments. Buyer acknowledges that the City's existing monuments on the Property are in good condition. During the installation of any permitted facilities hereunder and at all times during Buyer's use of the Property, Buyer shall protect and safeguard City's monuments. If Buyer damages a monument necessitating resurvey, repair, or replacement, Buyer shall, at Buyer's expense, (i) perform such work and, if appropriate, file a land surveyor's map in the County of Santa Clara, (ii) furnish a recorded surveyor's map to the SFPUC for its records, (iii) install any such new monuments, which shall be of the same type and quality as used by City, at the locations selected by City, and (iv) install a "marker post" next to the monuments. All monuments and markers to be installed pursuant to this paragraph 7 shall be subject to City's reasonable approval. City may, at any time, replace missing monuments or install new monuments on the Property.

8. Indemnity. Buyer shall indemnify, defend, and hold harmless City, its officers, agents, employees, and contractors, and each of them, from and against any and all demands, claims, legal or administrative proceedings, losses, costs, penalties, fines, liens, judgments, damages, and liabilities of any kind ("**Claims**") arising in any manner out of (a) any injury to or death of any person or damage to or destruction of any property occurring in, on, or about the Property, (b) any failure by Buyer to faithfully observe or perform any of the terms, covenants, or conditions of this Agreement, or (c) any release or discharge of any hazardous material on or about the Property; except solely to the extent of Claims resulting directly from (x) the negligence or willful misconduct of City or City's authorized representatives, (y) the malfunction of the SFPUC Facilities to the extent not caused by Buyer or its Agents or Invitees, or (z) City's breach of its obligations pursuant to this Agreement. In addition to Buyer's obligation to indemnify City, Buyer specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim that actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent, or false, which obligation arises at the time such claim is tendered

to Buyer by City and continues at all times thereafter. The foregoing indemnity shall include, without limitation, reasonable attorneys' and consultants' fees, investigation and remediation costs, and all other reasonable costs and expenses incurred by the indemnified parties.

9. Waiver of Claims.

(a) Waiver. Buyer covenants and agrees that City shall not be responsible for or liable to Buyer for, and, to the fullest extent allowed by Law, Buyer hereby waives all rights against City and its Agents and releases City and its Agents from, any and all Claims relating to any injury, accident, or death of any person or loss or damage to any property, in, or about the Property, from any cause whatsoever. Nothing herein shall relieve City from liability to the extent caused by (a) the negligence or willful misconduct of City or its Agents, (b) the malfunction of the SFPUC Facilities to the extent not caused by Buyer or its Agents or Invitees, or (C) City's breach of its obligations pursuant to this Agreement, but City shall not be liable under any circumstances for any consequential, incidental, or punitive damages. City would not be willing to enter into this Agreement or sell the Property to Buyer in the absence of a waiver of liability for consequential or incidental damages resulting from the acts or omissions of City or its Agents, and Buyer expressly assumes the risk with respect thereto. Accordingly, as a material part of the consideration for this Agreement, Buyer fully RELEASES, WAIVES, AND DISCHARGES forever any and all claims, demands, rights, and causes of action, and covenants not to sue, City and its Agents, for any matters arising out of this Agreement or the Easement, except to the extent such claims result from the negligence and willful misconduct of City or its Agents, the malfunction of the SFPUC Facilities to the extent not caused by Buyer or its Agents or Invitees, or City's breach of its obligations pursuant to this Agreement.

(b) Release of all Claims. In connection with the foregoing releases, Buyer acknowledges that it is familiar with Section 1542 of the California Civil Code, which reads:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

Buyer acknowledges that the releases contained herein include all known and unknown, disclosed and undisclosed, and anticipated and unanticipated claims. Buyer realizes and acknowledges that it has agreed upon this Agreement in light of this realization and, being fully aware of this situation, it nevertheless intends to waive the benefit of Civil Code Section 1542, or any statute or other similar law now or later in effect. The releases contained herein shall survive any termination of this Agreement.

Initials: Buyer: _____

10. City's Right to Cure Buyer's Defaults. If Buyer defaults in the performance of any of its obligations under this Agreement, then City may, at its sole option and at the discretion of the General Manager, remedy such failure on behalf of Buyer and at Buyer's expense at any time thereafter with ten (10) days' prior written notice of City's intention to cure such default (except that no such notice shall be required in the event of an emergency as determined by City). Such action

by City shall not be construed as a waiver of any rights or remedies of City under this Agreement. Nothing herein shall imply any duty of City to do any act that Buyer is obligated to perform under any provision of this Agreement. Buyer shall pay to City, promptly upon demand, all sums reasonably expended by City, or other costs, damages, expenses, or liabilities incurred by City, including, without limitation, reasonable attorneys' fees, in remedying or attempting to remedy such default. The remedy herein is in addition to any other remedy available to City at law or in equity as a result of any such default.

11. No Joint Venture. This Agreement does not create a partnership or joint venture between City and Buyer as to any activity. Buyer is not a state actor with respect to any activity conducted by Buyer on, in, or under the Property. The execution of this Agreement by City does not constitute authorization or approval by City of any activity conducted by Buyer on, in or relating to the Property.

12. Notices. Except as otherwise expressly provided herein, any notices given under this Agreement shall be effective only if in writing and given by delivering the notice in person, by sending it first class mail or certified mail with a return receipt requested or overnight courier, return receipt requested, with postage prepaid, addressed as follows:

Any reference to Buyer herein shall include successor owners of all or any part of the Property and all rights and obligations of Buyer shall accrue to and be imposed upon any and all successor owners of the Property, provided that Buyer and each successor owner who transfers all of his, her, or its entire ownership interest in the Property or any lot or parcel within the Property shall have no further obligation under this Agreement to the extent such obligation is based upon or results from facts, circumstances, actions, or inactions that occur or arise after the effective date of any such transfer, or that occurred or arose before such owner owned any portion of the Property. Any reference to City herein shall include successor owners of all or any part of the City's water delivery system, and all rights and obligations of City shall be accrued to and be imposed upon any and all successor owners of such water delivery system. Additionally, City acknowledges that Buyer shall have the right to assign all of its rights and obligations under this Easement, including, without limitation, under Section 8 hereof, to the homeowner's association (the "**Association**") to be formed by Buyer in connection with Buyer's development of the Property. The timing of such assignment shall be chosen by Buyer, but shall not occur before the Association has been formed, has obtained commercial general liability insurance, and has commenced its operations. From and after the assignment of Buyer's rights and obligations under this Agreement to the Association, Buyer and Buyer's individual homebuyers and their respective successors and assigns shall have no further obligations under this Agreement, including, without limitation, under Section 8 hereof. Notwithstanding the foregoing, the then owners of the Property will be obligated to perform any and all of the obligations of the Buyer under this Agreement, including under Section 8 hereof, but only if the Association has been dissolved or is no longer in existence, or if the Association or its insurers have not promptly responded to any claim that falls within the scope of the indemnity in Section 8 hereof, or if the Association or its insurers fail to perform the obligations of the Buyer under Section 8 hereof.

14. General Provisions. (a) This Agreement may be amended or modified only by a writing signed by City and Buyer. (b) No waiver by any party of any of the provisions of this Agreement shall be effective unless in writing and signed by an officer or other authorized representative, and only to the extent expressly provided in such written waiver. (c) All approvals and determinations of City requested, required, or permitted hereunder may be made by the General Manager of the SFPUC. (d) This instrument (including the exhibits hereto) contains the entire agreement between the parties and all prior written or oral negotiations, discussions, understandings, and agreements are merged herein. (e) The section and other headings of this Agreement are for convenience of reference only and shall be disregarded in the interpretation of this Agreement. (f) Time is of the essence. (g) This Agreement shall be governed by California law and City's Charter and

Administrative Code. (h) If either party commences an action against the other or a dispute arises under this Agreement, the prevailing party shall be entitled to recover from the other reasonable attorneys' fees and costs. For purposes hereof, reasonable attorneys' fees of City shall be based on the fees regularly charged by private attorneys in San Francisco with comparable experience. (i) If Buyer consists of more than one person then the obligations of each person shall be joint and several. (j) Notwithstanding anything to the contrary contained in this Agreement, Buyer acknowledges and agrees that no officer or employee of City has authority to commit City to this Agreement unless and until a resolution of City's PUC and Board of Supervisors approving this Agreement shall have been duly adopted and approved by City's Mayor. Therefore, any obligations or liabilities of City hereunder are contingent upon enactment of such a resolution and ordinance, and this Agreement shall be null and void if City's PUC, Board of Supervisors, and Mayor do not approve this Agreement, at their respective sole discretion.

15. Compliance with Laws. Buyer shall, at its expense, comply with all laws, regulations, ordinances, and orders of any governmental or other regulatory entity and all covenants, restrictions, and provisions of record, whether presently in effect or subsequently adopted and whether or not in contemplation of the parties in its use of the Easement Area.

BUYER REPRESENTS AND WARRANTS TO CITY THAT IT HAS READ AND UNDERSTANDS THE CONTENTS OF THIS AGREEMENT, HAS HAD AN OPPORTUNITY TO REVIEW AND DISCUSS IT WITH COUNSEL OF ITS CHOOSING, AND AGREES TO COMPLY WITH AND BE BOUND BY ALL OF ITS PROVISIONS
