RE: Application for Entertainment Commission, Seat 3

July 19, 2012

Dear Board of Supervisors,

My name is Naomi Akers, and I would be honored for you to consider my application for the San Francisco Entertainment Commission, Seat 3, representing Public Health.

As a San Francisco native, I have enjoyed our wonderful City's dynamic nightlife since the age of 18. I have always loved to dance and love music. Nightclubs have been a huge part of my life: my development, social scene, entertainment, exercise and later employment related activities. Our nightlife is what makes our City exceptional and a magnet for visitors from Burlingame to Barcelona. Our nightlife scene is a rich part of our culture, vibrancy and economy. It is a treasure that should be cultivated and preserved. This is one reason I am interested in the Entertainment Commission.

Throughout the 90s I worked with various club promoters in nightclubs as security, door person and go-go dancer. For the past 15 years, I have volunteered in club promotion for fundraising activities for social service organizations and public health issues that I am passionate about.

I have worked in the fields of human services and public health since 1992 and I am a strong proponent of evidence informed, community-driven approaches to problem solving. My work has allowed me to cross paths with people of all different socio and economic backgrounds, as well as race, sexual orientation, and gender. I am currently the Executive Director of the St. James Infirmity, a unique peer-based health clinic in San Francisco, serving sex workers of all genders and orientations.

I have served on various advisory groups and boards (see attached CV) and am familiar with how to work collaboratively and purposely and feel that I would bring a strong sense of passion for preserving our nightclub vitality and economy, an enthusiastic work ethic to tackle the commitment as a Commissioner and a fresh public health perspective. These are some of the reasons why I would like to be considered for the Entertainment Commission.

Please also consider my CV and I am of course at your service to answer any questions you might have about who I am and what I would bring to the position. I would be honored to serve our City and to make our nightlife that much greater.

Respectfully,

Naomi Akers

OFFICE OF CIVIC ENGAGEMENT & IMMIGRANT AFFAIRS

Edwin M. Lee, Mayor
Adrienne Pon, Executive Director

June 25, 2011

To Whom it May Concern,

Please let this letter of reference serve as confirmation that Mr. Gilberto Alexander served on the San Francisco Immigrant Rights Commission from 2004 to 2010, completing terms as both Vice Chair and Program Committee Chair. The Commission is a 15-member advisory body to the Mayor and Board of Supervisors on issues of concern to immigrant and language minority communities in San Francisco.

Mr. Alexander was a very active and involved commissioner who represented the issues of immigrant communities in a fair, balanced and credible manner.

His attendance record and work ethic were excellent. He was instrumental in helping the Commission accomplish its goals and objectives and was always prepared and well-informed. He was also a very hard working Commissioner, always willing to fill in for other Commissioners who were not available. He was well liked by his fellow Commissioners and respectful at all times to the staff.

While serving as the Program Committee Chair, Mr. Alexander took his volunteer responsibilities seriously, helping each year to analyze data submitted by city departments in compliance with the city's language access laws. As vice chair, he was reliable and provided a calm and steady leadership presence to the Commission.

Mr. Alexander is a strong candidate for employment and we hope you will consider his candidacy- you will not be disappointed.

Sincerely,

Adrienne Pon
Executive Director
