

1 [WATER RATES]

2  
3 **Ordinance approving revised schedule of rates to be charged by the**  
4 **San Francisco Public Utilities Commission for water service to its retail customers**  
5 **inside and outside the City and County of San Francisco.**

6 Be it ordained by the People of the City and County of San Francisco:

7  
8 Section 1. The Public Utilities Commission adopted on April 23, 2002, its Resolution  
9 No.02-0072, after having held a public hearing on April 23, 2002, to consider a proposal for a  
10 8.6% rate increase for water service and water supplied to its retail customers inside and  
11 outside the City and County of San Francisco. Members of the public have been given an  
12 opportunity to express, and have expressed their views on the recommended Schedule of  
13 Rates. Pursuant to a published notice of intention of the Public Utilities Commission to adopt  
14 a revised Schedule of Rates to be charged for retail water service inside and outside the City  
15 and County of San Francisco and a public hearing held on April 23, 2002, a copy of said  
16 Schedule of Rates being on file in the office of the Secretary of the Commission, the  
17 Commission recommended a 8.6% rate increase as enumerated in the Schedule of Rates to  
18 be charged for retail water service inside and outside the City and County of San Francisco.

19 Section 2. The foregoing rate schedule is for the purpose of meeting operating  
20 expenses, including employee wage rate and fringe benefits, purchasing or leasing or  
21 supplies, equipment or materials, meeting financial reserve needs and requirements,  
22 obtaining funds for capital projects necessary to maintain service within existing service areas  
23 and other budgetary requirements of the Public Utilities Commission's water service  
24 enterprise.  
25

1           Section 3. The Public Utilities Commission, in accordance with applicable laws,  
2 recommended the revised Schedule of Rates to be charged for retail water service based  
3 upon the water service enterprise budget for the current and ensuing fiscal year, and all the  
4 data supporting such conclusions. The Public Utilities Commission has submitted to this  
5 Board in support of said Schedule the data upon which it is based for the current fiscal year  
6 (2001-2002) and the ensuing fiscal year (2002-2003).

7           Section 4. This Board of Supervisors hereby finds that said Schedule will provide  
8 revenues adequate to fund the 2002-2003 departmental budget and will be sufficient to pay,  
9 for the balance of the current year and for the ensuing fiscal year, expenses of every kind and  
10 nature incidental to the operation and maintenance of the San Francisco water service  
11 enterprise, together with the interest and sinking fund charges for any bonds issued for the  
12 acquisition, construction or extension of the San Francisco water service enterprise, without  
13 tax subsidy.

14           Section 5. The Certificate of Determination of Exemption/Exclusion From  
15 Environmental Review on file in Board of Supervisors File No. 020904 states that  
16 the adoption of the schedule, as stated herein, is exempt from environmental review  
17 requirements in accordance with California Public Resources Code Section 21080(b)(8).
