EASEMENT DEED
(Water Utility Easement)

(Portion of Assessor's Parcel 096-0155-004-01)

FOR VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, SUNOL GLEN UNIFIED SCHOOL DISTRICT, a California Unified School District ("**Grantor**"), hereby grants to the CITY AND COUNTY OF SAN FRANCISCO, a California municipal corporation ("**Grantee**"), an easement for water pipes or pipelines and related appurtenances thereto (the "**Easement**") in, under, upon, along, and/or across a portion of Grantor's real property located in the Town of Sunol, County of Alameda, State of California, more particularly described on the attached **Exhibit A** and depicted on the attached **Exhibit B** (the "**Easement Area**"). The Easement Area is appurtenant to Grantee's adjoining real property.

Grantor will retain such rights and privileges to use the Easement Area as are not inconsistent with this Easement, subject to the conditions, covenants, and restrictions in this Deed. Grantor will not do or allow anything in, on, under, or about the Easement Area that could damage or interfere with Grantee's Facilities (as defined in Section 1 [Nature of Easement]).

1. Nature of Easement. The Easement is a perpetual, nonexclusive easement in gross for purposes of accessing, constructing, reconstructing, removing, replacing, enlarging, decreasing, maintaining, repairing, operating, inspecting, and using one or more water pipes or pipelines, with all necessary braces, footings, connections, valves, fastenings, foundation sites, and other appliances and fixtures (collectively, "**Grantee's Facilities**") in, on, under, upon, along, and across the Easement Area. The Easement includes the right of ingress and egress, and emergency access to the Easement

Area over and across adjacent lands of Grantor, over any available roadways, or such routes as may be agreed upon by Grantor and Grantee, to the extent Grantor has rights to grant such rights, and to the extent necessary for the convenience of Grantee in the enjoyment of its rights under this easement deed (“**Deed**”). Grantee is also granted the right to clear obstructions and vegetation from the Easement Area as may be required for the proper use of the other rights granted under this Deed. Grantee’s rights under this Deed may be exercised by Grantee’s agents, contractors, subcontractors, suppliers, consultants, employees, licensees, invitees, or representatives, or by other authorized persons acting for or on behalf of Grantee (collectively, “**Agents**”).

2. Subject to Superior and Prior and Existing Rights.

(a) The rights granted by this Deed are subject to any prior and existing recorded property rights of third parties, if any. Grantee will be solely liable for the interference with any prior and existing third-party rights. Grantor reserves the right to grant, at its sole and absolute discretion, nonexclusive rights to other third parties within the Easement Area, provided that any such grants will not require Grantee to relocate or remove Grantee’s Facilities or unreasonably restrict or interfere with Grantee’s rights to access, construct, reconstruct, remove, replace, maintain, repair, operate, inspect, and use Grantee’s Facilities.

(b) If Grantor or any of its agents propose or permit excavation or the installation or placement of any improvements by or on behalf of Grantor in, under, across, or above the surface of the Easement Area, prior to any such excavation, installation or placement: (i) Grantor will provide, or cause to be provided, to Grantee such plans and other pertinent documents related to such proposed excavation or improvements as are reasonably requested by Grantee, at the address for Grantee set forth in Section 9 [Notices] below, to provide Grantee an opportunity to review and comment on the proposed excavation or improvements; (ii) Grantor will obtain Grantee’s written approval of the plans and specifications for any such proposed excavation, installation or placement, which approval may be reasonably conditioned but will not be unreasonably withheld or delayed; (iii) Grantor will contact Underground Service Alert, ensure that the utilities are physically marked in the field, and provide that information to the Grantee prior to commencing any work in the Easement Area; and (iv) such excavation, installation or placement will be performed in a manner that does not endanger or damage any then-existing Grantee’s Facilities within the Easement Area.

3. Maintenance of Improvements. Grantee shall be solely responsible for repairing and maintaining all of Grantee’s facilities placed in, on, or under the Easement Area in good, safe, and secure condition, and Grantor shall have no duty whatsoever for any repair or maintenance of Grantee’s facilities. Grantor shall maintain the surface of the Easement Area, provided that any damage, subsidence, or other injury to the Easement Area to the extent resulting from the presence of Grantee’s facilities or Agents shall be remedied or repaired by Grantee.

4. Indemnification. Grantee will indemnify, defend, and hold Grantor harmless from and against any direct injury, loss, damage, or liability, costs, or expenses (including reasonable attorneys’ fees and court costs) resulting from Grantee’s use of the Easement Area, except to the extent attributable to the negligent or intentional act or omission of Grantor or its Agents.

5. Notification. Grantor and Grantee, and their respective agents and contractors, will not perform, nor permit any person or entity to perform, any excavation work on or about the Easement Area without giving at least thirty (30) days’ written notice to the other party in the manner

required by Section 9 [Notices] of this Deed (except in emergencies, where each will give prompt written notice).

6. **No Dumping or Hazardous Materials.** Grantor will not cause or permit the dumping or other disposal on or about the Easement Area of refuse, hazardous materials, or other materials that are unsightly or could pose a danger to human health or safety or to the environment.

7. **No Structures.** Grantor will not do or allow anything in, on, under, or about the Easement Area that could cause damage or interference to Grantee's Facilities. Without limiting the foregoing, Grantor agrees that, without Grantee's prior, written consent: **(a)** except as permitted by Section 2 [Subject to Superior and Prior and Existing Rights] above, no structures of any kind or character will be constructed or placed on the Easement Area; **(b)** except as permitted by Section 2 above, no excavation will occur on the Easement Area; and **(c)** no trees or other vegetation that fails to comply with the San Francisco Public Utilities Commission's Vegetation Management Policy (as it may be amended from time to time) will be planted or maintained on the Easement Area.

8. **Run with the Land.** The provisions, covenants, conditions, and restrictions provided in this Deed will be covenants running with the land pursuant to California Civil Code Sections 1468 and 1471 and will burden and benefit every person having an interest in the Easement Area. Any reference to Grantor in this Deed will include Grantor's agents and all successor owners of all or any part of the Easement Area.

9. **Notices.** Notices and other deliveries pursuant to this Deed may be delivered by private messenger service, mail, overnight courier, or delivery service. Any notice or document required or permitted to be delivered by either party will be in writing and will be deemed to be given on the date received by, or on the date receipt was refused by the party; provided, however, that all notices and documents: **(a)** mailed to a party in the United States Mail, postage prepaid, certified mail, return receipt requested, will be deemed to have been received five (5) postal days after mailing; or **(b)** delivered by a nationally recognized overnight courier or delivery service will be deemed received the next business day after deposit with a nationally recognized overnight courier or delivery service for overnight delivery. (Portion of Assessor's Parcel 096-0155-004-01)

FOR VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, the SUNOL GLEN UNIFIED SCHOOL DISTRICT, a California Unified School District (“**Grantor**”), hereby grants to the CITY AND COUNTY OF SAN FRANCISCO, a California municipal corporation (“**Grantee**”), a temporary surface easement for construction and access purposes (the “**Easement**”) in, on, over, under, upon, along, and/or across certain portions of Grantor's real property located in the Town of Sunol, County of Alameda, State of California, more particularly described on the attached **Exhibit A** and depicted on the attached **Exhibit B** (the “**Easement Area**”).

1. Nature of Easement. The Easement is an exclusive surface easement that shall be used for construction staging and general construction-related activities. Grantee's rights to use any portion of the Easement Area shall include **(a)** the right to store, use, and stage equipment, vehicles, machinery, tools, materials, supplies, and excavated soils in connection with the construction of Grantee's Regional Groundwater Storage and Recovery Project (the “**Project**”); **(b)** the right to improve, repair, and maintain the Easement Area, including grading, installation of paving and/or crushed rock, fencing, management of vegetation impinging on the Easement Area; and **(c)** such other rights as are reasonably necessary for the full enjoyment and accomplishment of the purposes of the Easement. The Easement includes the right of ingress and egress to the

Easement Area across adjacent lands of Grantor to the extent Grantor has rights to grant such rights, and to the extent necessary for the convenience of Grantee in the enjoyment of its rights under this Deed. Grantee's rights under this Deed may be exercised by Grantee's agents, utility operators, contractors, subcontractors, suppliers, consultants, employees, licensees, invitees, or representatives, or by other authorized persons acting for or on behalf of Grantee (collectively, "Agents").

2. **Term of Easement.** The term of the Easement shall commence on the date (the "Commencement Date") on which Grantee's contractor first enters the Easement Area to commence staging in connection with the Work after Grantee's issuance of a Notice to Proceed to the contractor. Grantee shall provide, or cause its contractor to provide, at least thirty (30) days' advance written notice to Grantor of the Commencement Date. At the request of either party, Grantor and Grantee shall confirm in writing the Commencement Date. The Easement shall expire on the last day of the eighteenth (18th) full calendar month after the Commencement Date; however, Grantee shall have the option to extend the term on a month-to-month basis not to exceed an additional six (6) months beyond the original expiration term of the easement. Thirty (30) days' written notice will be given to Grantor if Grantee elects to exercise its option for any such extension. Upon expiration of the extended term, Grantee shall pay Grantor an additional sum for any such extensions at the same rate paid for the initial term (prorated on a monthly basis).

3. **Restoration.** Upon the earlier of expiration of the term of the Easement or Grantee's completion of Project construction, at its sole cost and expense, Grantee shall restore, as nearly as reasonably possible, the surface of the Easement Area to its condition immediately prior to the commencement of the Work.

4. **Indemnification.** Grantee will indemnify, defend, and hold Grantor harmless from and against any direct injury, loss, damage, or liability, costs, or expenses (including reasonable attorneys' fees and court costs) resulting from Grantee's use of the Easement Area, except to the extent attributable to the negligent or intentional act or omission of Grantor or its Agents.

5. **No Dumping or Hazardous Materials.** Grantor will not cause or permit the dumping or other disposal on or about the Easement Area of refuse, hazardous materials, or other materials that are unsightly or could pose a danger to human health or safety or to the environment.

6. **Run with the Land.** The provisions, covenants, conditions, and restrictions provided in this Deed will be covenants running with the land pursuant to California Civil Code Sections 1468 and 1471 and will burden and benefit every person having an interest in the Easement Area.
