Resolution approving and authorizing termination of the Lease Disposition and Development Agreement for the rehabilitation and lease of the Geneva Office Building and Powerhouse with the Friends of the Geneva Office Building and Powerhouse and authorizing the General Manager of the Recreation and Park Department, or designee, to execute a termination agreement.

WHEREAS, The City and County of San Francisco (City) owns the Geneva Office Building and Powerhouse (Car Barn), located at 2301 San Jose Avenue in San Francisco's District 11; and

WHEREAS, In 2004, jurisdiction over the Car Barn was transferred from City's Municipal Transportation Agency (SFMTA) to the Recreation and Park Department (RPD), to be used for recreational purposes and related uses consistent with the RPD's mission (Board of Supervisors Resolution 193-04; File No. 040320), with SFMTA retaining jurisdiction over the adjacent Cameron Beach Rail Yard; and

WHEREAS, The Friends of the Geneva Office Building and Powerhouse (Friends), a community based nonprofit public benefit corporation, wishes to support RPD's use and operation of the Car Barn, and to work cooperatively with RPD to develop and manage the Car Barn; and

WHEREAS, Between 2007 and 2013, the Friends received seed funding from the City, RPD, SFMTA, and the Department of Children Youth and Families to support the capital campaign for the rehabilitation of the Car Barn as well as youth arts programming; and

WHEREAS, On April 21, 2014, in Board of Supervisors Resolution 393-14, the Board of Supervisors approved a Lease Disposition and Development Agreement (LDDA) between the City and Friends, to govern the rehabilitation of the Car Barn by Friends; and

WHEREAS, The LDDA establishes conditions that City and Friends must satisfy before City and Friends would execute a proposed ground lease (Lease), under which Friends would renovate, improve and operate the Car Barn, and City would deliver possession of the Car Barn to Friends for such purposes, and the LDDA includes a schedule of performance with deadlines for satisfying the closing conditions; and

WHEREAS, As a condition to the closing under the LDDA, Friends, with cooperation from RPD, must obtain funding to complete construction drawings and perform the project; and

WHEREAS, RPD and Friends anticipated that Friends would obtain funding from a variety of sources, such as grants, tax credits, and private donations; however given the high costs for the restoration project, Friends reports that fundraising for the project has proven to be exceptionally difficult and that it will be unable to meet the funding requirements of the LDDA; and

WHEREAS, Rather than waiting to terminate the LDDA administratively after the deadlines have passed for Friends' performance, Friends has agreed to an early voluntary termination of the LDDA, which would allow RPD to begin more quickly to explore and implement other means of performing the restoration and improvement project, possibly resulting in an earlier commencement of recreational activities in the Car Barn; and

WHEREAS, On August 20, 2015, the Recreation and Park Commission recommended that the Board of Supervisors approve an LDDA termination agreement between RPD and Friends (Termination Agreement), a copy of which proposed Termination Agreement is on file with the Clerk of the Board of Supervisors in File No. <u>150890</u>; now, therefore, be it

RESOLVED, That in accordance with the recommendation of the Recreation and Park Commission, the Board of Supervisors hereby approves the Termination Agreement and the termination of the LDDA as contemplated therein, and authorizes the General Manager of the RPD to execute the Termination Agreement in substantially the form presented to this Board; and, be it

FURTHER RESOLVED, That within 30 days of the Termination Agreement being fully executed by all parties, RPD shall provide the final document to the Clerk of the Board for inclusion in the official file.
