STATEMENT OF PURPOSE

This report was prepared in response to an Ordinance (BF 150584), introduced by Mayor Edwin M. Lee and Supervisor David Campos on June 2, 2015, and passed into law on August 4, 2015 (Enactment No. 133-15). This Ordinance established interim zoning controls that prohibit the Planning Department or the Planning Commission from issuing an approval or authorization of any merger of ground floor commercial use space where the merger would result in ground floor commercial use space greater than 799 gross square feet in the proposed Calle 24 Special Use District (Calle 24 SUD). This prohibition is in effect for 45 days from that date that the Ordinance was enacted.

The proposed Calle 24 SUD encompasses the area bounded by all lots fronting the southern side of 22nd Street from Mission Street to Potrero Avenue; all lots fronting the western side of Potrero Avenue from 22nd Street to Cesar Chavez Street; all lots fronting the northern side of Cesar Chavez Street, from Potrero Avenue to Capp Street; all lots fronting the western side of Capp Street from Cesar Chavez to 24th Street, then all lots fronting both sides of 24th Street to the eastern side of Bartlett Street, then all lots fronting the western side of Capp Street from 24th Street to 22nd Street. The Calle 24 SUD also includes the following lots outside of the boundaries listed above: Lots 019D and 046A in Assessor's Block 3637; Lots 005 and 017A in Assessor's Block 6517; Lot 035 in Assessor's Block 6528; and Lot 003A in Assessor's Block 6570.

The Ordinance directs the Planning Department to submit a written report to the Clerk of the Board within 25 days of the Board's adoption of the Ordinance describing the measures taken to alleviate the conditions that led to the adoption of the ordinance. Upon receipt of the report, the Ordinance directs the Clerk of the Board to calendar a motion for the full Board of Supervisors (Board) to consider and approve this report.

BACKGROUND

This Ordinance was introduced as part of the Calle 24 planning process underway within the Mission District's 24th Street commercial corridor. In May 2014 the Board of Supervisors unanimously approved establishment of the Calle 24 Latino Cultural District (Board Resolution No. 168-14). One aim of the Calle 24 Latino Cultural District is to recognize the 24th Street

corridor, broadly defined as the area encompassed by Cesar Chavez Street to the south, 22nd Street to the north, Potrero Avenue to the east and Capp Street to the west, as the center of Latino culture and commerce, and 24th Street as a special place for the City's residents and tourists worthy of enhancement. The Calle 24 Latino Cultural District also envisioned a forthcoming Calle 24 SUD encompassing the 24th Street corridor.

As part of the Calle 24 Latino Cultural District effort, the City awarded a grant to two community groups, the Brava Theater and the Lower 24th Street Neighbors and Merchants Association, to lead a community planning process. The process focused on gathering community input regarding current concerns about the 24th Street corridor. It also sought to define the corridor's boundaries and develop land use, economic development and community development strategies to stabilize and enhance the corridor's businesses and overall character.

The planning process identified the corridor's boundaries as being very similar to those found in the Calle 24 Latino Cultural District. It also envisioned a special use district as a means to address land use concerns within the corridor.

The planning process found the loss of small, affordable retail spaces as a salient concern in the corridor. These retail spaces serve many functions. They provide financially accessible spaces for local entrepreneurs and relevant goods and services to neighborhood residents. These spaces also create a diverse commercial offering, lending character and appeal to the 24th Street corridor.

Existing land use controls allow the merger of multiple commercial spaces, including these smaller retail spaces, into larger and fewer spaces. In the context of an economic boom, and given said controls on commercial space mergers, these smaller retail spaces were found to be particularly susceptible to loss. To address this, Supervisor Campos and the Mayor's Office introduced the subject Ordinance, which is intended to provide stability to the neighborhood while long term land use strategies are developed through the Calle 24 planning process.

During the 45-day prohibition, neither the Planning Department nor the Planning Commission can issue an approval or authorization for the merger of ground floor commercial use space where the merger would result in ground floor commercial use space greater than 799 gross square feet in the Calle 24 SUD. The following projects are exempt from the prohibition:

- (1) Projects subject to a development agreement under Administrative Code Chapter 56 and California Government Code Sections 65864 et seq.;
- (2) Projects that have submitted an environmental evaluation case to the Planning Department on or before June 2, 2015; and
- (3) Projects that received a Planning Commission approval on or before June 2, 2015.

REQUIRED BOARD ACTION

The Board may approve or disapprove this report.

ENVIRONMENTAL REVIEW

This Report was determined not to be a project per State CEQA Guidelines, Sections 15378 and 15060(c)(2), because it does not result in a physical change to the environment.

RECOMMENDATION

The Planning Department is recommending that the issues outlined in the subject Ordinance be addressed through the ongoing Calle 24 planning process.

BASIS FOR RECOMMENDATION

The Calle 24 planning process represents the best means to achieve Ordinance's intentions given the past and continued involvement of a wide array of stakeholders. Since its inception, the Calle 24 planning process has involved 24th Street merchants, neighborhood residents and City staff in the identification of corridor concerns. The short term controls in the Ordinance were developed from months of collaboration and outreach between various community stakeholders and City staff, including the Offices of the Mayor and Supervisor Campos.

As envisioned in subject Ordinance, the Calle 24 planning process has begun formulating long term land use regulations, economic development strategies and community development initiatives that best address identified corridor concerns. With respect to land use controls, the following strategies are under consideration:

- Development of a Calle 24 Special Use District
- Conditional Use authorization for changes in use and/or replacement of legacy businesses
- Heightened regulation on the concentration of eating and drinking establishments
- Revised height controls for alterations and new construction
- Relaxed regulation on food processing uses along 24th Street

Much like the short term controls in the subject Ordinance, the long term strategies will also be vetted through a community stakeholder process. Further, the long term land use strategies will require review and recommendation from the Planning Commission and the Board of Supervisor's Land Use and Transportation Committee prior to consideration at the Board of Supervisors. Taken together, this affords a robust process and assures the Ordinance's intentions are realized.

[Zoning - Interim Prohibition on Commercial Mergers in the Proposed Calle 24 Special Use District]

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

(a) General Findings.

(1) The proposed Calle 24 Special Use District (“Calle 24 SUD”) is bounded by the following streets:

(a) To the north, all lots fronting the southern side of 22nd Street from Mission Street to Potrero Avenue;

1 (b) To the east, all lots fronting the western side of Potrero Avenue from
2 22nd Street to Cesar Chavez Street;

3 (c) To the south, all lots fronting the northern side of Cesar Chavez
4 Street, from Potrero Avenue to Capp Street; and

5 (d) To the west, all lots fronting the western side of Capp Street from
6 Cesar Chavez to 24th Street, then all lots fronting both sides of 24th Street to the eastern side
7 of Bartlett Street, then all lots fronting the western side of Capp Street from 24th Street to
8 22nd Street.

9 The proposed Calle 24 SUD additionally includes the following lots adjacent to the
10 above boundaries: Lots 019D and 046A in Assessor's Block 3637; Lots 005 and 017A in
11 Assessor's Block 6517; Lot 035 in Assessor's Block 6528; and Lot 003A in Assessor's Block
12 6570.

13 (2) The Mayor's Office, the District 9 Supervisor's Office, and the public are
14 currently engaged in a planning process to develop a comprehensive set of zoning and design
15 controls for this area. This planning process follows the Board of Supervisors unanimous
16 passage of Board Resolution No. 168-14, establishing the Calle 24 (pronounced
17 "Veinticuatro") Latino Cultural District in May 2014. The stated purposes of establishing the
18 Calle 24 Latino Cultural District were to recognize the importance of Calle 24 as a center of
19 Latino culture and commerce and enhance the unique nature of Calle 24 as a special place
20 for San Francisco's residents and tourists.

21 (3) ~~As part of the planning process for~~ In response to the creation of the Calle
22 24 Latino Cultural District ~~and the proposed Calle 24 SUD~~, the City awarded a grant to the
23 Brava Theater and the Lower 24th Street Neighbors and Merchants Association to facilitate
24 community input in developing a Latino Cultural District Plan. A council comprised of
25 residents, businesses, and other neighborhood stakeholders meets monthly and brings

1 together residents, workers, artists, and business owners. After a year's worth of meetings, as
2 well as several retreats and public community input sessions, this work resulted in the Calle
3 24 Latino Cultural District Report, which can be found in Board File No. 140421. As a result of
4 this engagement, including but not exclusive to the report, a prohibition on storefront mergers
5 was identified as a strategy to retain affordable retail spaces and the character of the corridor,
6 which includes many small retail spaces. These small retail spaces enable many businesses
7 to operate and contribute to the diverse commercial fabric along 24th Street. The report
8 identified the merger of smaller storefronts as a leading cause of neighborhood-serving
9 business displacement in the neighborhood.

10 (4) During the current economic boom cycle, small neighborhood-serving retail,
11 laundromat, and grocery uses in the Calle 24 neighborhood have been particularly susceptible
12 to displacement and closure.

13 (5) In response to these changes and in order to stabilize the displacement of
14 these small neighborhood-serving businesses while the City and interested stakeholders have
15 an opportunity to work collaboratively on a community planning process that may result in the
16 designation of the propose SUD or other amendments to the Planning Code, this Board
17 intends to place a temporary prohibition, also referred to as an interim zoning moratorium
18 prohibition, on commercial storefront mergers over a certain size.

19 (6) These interim controls are intended to provide stability to the neighborhood
20 during the time that the proposed Calle 24 SUD, and any other proposed Planning Code
21 amendments, are under development and public review. In developing the controls for the
22 proposed SUD, the Board urges the Planning Department to balance the needs for retaining
23 neighborhood-serving retail and service uses ~~with the desire to have more affordable housing~~
24 and a vibrant small business community.

25 (b) Findings Related to Imposition of an Interim Moratorium Prohibition.

1 (1) Planning Code Section 306.7 provides for the imposition of interim zoning
2 controls to accomplish several objectives, including preservation of historic and architecturally
3 significant buildings and areas; preservation of residential neighborhoods; preservation of
4 neighborhoods and areas of mixed residential and commercial uses in order to preserve the
5 existing character of such neighborhoods and areas; and development and conservation of
6 the City's commerce and industry to maintain the City's economic vitality, provide its citizens
7 with adequate jobs and business opportunities, and maintain adequate services for its
8 residents, visitors, businesses, and institutions.

9 (2) These controls are intended and designed to address problems and
10 conditions associated with mergers of small commercial storefronts while the proposed Calle
11 24 SUD planning process is pending so that the City can continue to preserve neighborhoods
12 and areas of mixed residential and commercial uses in order to maintain the existing
13 character of such neighborhoods and areas and develop and conserve the City's commerce
14 for the reasons specified above in Subsection (a).

15 (3) This Board has considered the impact on the public health, safety, peace,
16 and general welfare if the interim controls proposed herein were not imposed.

17 (4) This Board has determined that the public interest will be best served by
18 imposition of these interim controls at this time in order to ensure that the legislative scheme
19 that may be ultimately adopted is not undermined during the planning and legislative process
20 for permanent controls, which process shall be conducted within a reasonable time.

21 (c) Planning Code Section 101.1 Findings.

22 This interim zoning moratorium prohibition advances and is consistent with: Priority
23 Policy 1 in that the controls will preserve and enhance existing neighborhood-serving retail
24 uses and enhance future opportunities for resident employment in and ownership of such
25 businesses; Priority Policy 2 in that the controls will conserve and protect existing

1 neighborhood character in order to preserve the cultural and economic diversity of this
2 neighborhood; and Priority Policy 5 in that the controls will maintain a diverse economic base
3 by protecting our neighborhood service sector from displacement due to larger mergers and
4 commercial office development and will enhance future opportunities for resident employment
5 and ownership in this sector. With respect to Priority Policies 3, 4, 6, 7, and 8, the Board finds
6 that the interim zoning ~~moratorium~~ prohibition does not, at this time, have an effect upon these
7 policies, and thus, will not conflict with said policies.

8 (d) Environmental Findings. The Planning Department has determined that the
9 actions contemplated in this Ordinance are in compliance with the California Environmental
10 Quality Act (California Public Resources Code sections 21000 et seq.). The Board of
11 Supervisors hereby affirms this determination. A copy of said determination is on file with the
12 Clerk of the Board of Supervisors in File No. 150584 and incorporated herein by reference.

13
14 Section 2. The following interim zoning ~~moratorium~~ prohibition shall be adopted as an
15 Urgency Ordinance:

16 (a) The proposed Calle 24 Special Use District area ("Calle 24 SUD") shall be
17 bounded by the following streets:

18 (1) To the north, all lots fronting the southern side of 22nd Street from Mission
19 Street to Potrero Avenue;

20 (2) To the east, all lots fronting the western side of Potrero Avenue from 22nd
21 Street to Cesar Chavez Street;

22 (3) To the south, all lots fronting the northern side of Cesar Chavez Street, from
23 Potrero Avenue to Capp Street; and

24 (4) To the west, all lots fronting the western side of Capp Street from Cesar
25 Chavez to 24th Street, then all lots fronting both sides of 24th Street to the eastern side of

1 Bartlett Street, then all lots fronting the western side of Capp Street from 24th Street to 22nd
2 Street.

3 The proposed Calle 24 SUD additionally includes the following lots outside the above
4 boundaries: Lots 019D and 046A in Assessor's Block 3637; Lots 005 and 017A in Assessor's
5 Block 6517; Lot 035 in Assessor's Block 6528; and Lot 003A in Assessor's Block 6570.

6 (b) In the proposed Calle 24 SUD, neither the Planning Department nor the Planning
7 Commission shall issue an approval or authorization for any merger of groundfloor
8 commercial use space where the merger would result in groundfloor commercial use space
9 greater than 799 gross square feet.

10 (c) The following districts, uses, and projects are exempt from these controls:

11 (1) Projects subject to a development agreement under Administrative Code
12 Chapter 56 and California Government Code Sections 65864 et seq.;

13 (2) Projects that have submitted an environmental evaluation case to the
14 Planning Department on or before June 2, 2015; and

15 (3) Projects that received a Planning Commission approval on or before June 2,
16 2015.

17 (d) This interim zoning moratorium prohibition shall remain in effect for 45 days unless
18 extended in accordance with California Government Code Section 65858 or permanent
19 controls are adopted to address commercial mergers and new restaurant uses in this area,
20 whichever first occurs.

21 (e) If application of this ordinance would have the effect of denying approvals needed
22 for development of any multifamily housing portion of a project specified in California
23
24
25

1 Government Code Section 65858(c) and (h), this moratorium prohibition shall not apply to that
2 use.

3
4 Section 3. Within 25 days of the Board's adoption of this ordinance, the Planning
5 Department shall submit to the Clerk of the Board a written report describing the measures
6 taken to alleviate the conditions that led to the adoption of the ordinance. Upon receipt of the
7 report, the Clerk shall calendar a motion for the full Board to consider and approve said report.
8 Said hearing and the action taken thereon shall be no later than 35 days after this ordinance
9 is effective.

10
11 Section 4. Effective Date. This urgency ordinance shall become effective immediately
12 after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns
13 the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the
14 Board of Supervisors overrides the Mayor's veto of the ordinance by a 4/5ths vote.
