12
13 WHEREAS, The average monthly rent for a two-bedroom apartment in San Francisco
14 jumped from \$2,611 in 2011 to \$4,550 in 2019, an increase of almost 75% in eight years,
15 according to real estate analyst Rent Jungle; for a family of four with an annual income
16 equaling San Francisco's 2018 area median income ("AMI") of \$118,400, a monthly rent
17 payment of \$4,550 consumes 46% of the family's monthly income; while low income San
18 Francisco households earning less than 50% of AMI have faced significant rent burdens for
19 decades, the City's high cost of housing now burdens even moderate income households with
20 an annual income of up to 200% of AMI; high housing costs across the Bay Area have caused
21 displacement, the loss of cultural and ethnic diversity in some communities, transportation
22 pressures, and overall social and economic hardship; and

23 WHEREAS, The City and County of San Francisco, through the Mayor's Office of
24 Housing and Community Development ("MOHCD"), is a leader in the creation and
25 preservation of affordable housing, offering a variety of loan and grant programs to

1 individuals, community-based organizations, and housing developers to create and maintain
2 affordable housing and provide essential community and supportive services; the funding for
3 these loans and grants comes from a variety of sources, all of which are restricted to
4 affordable housing and are subject to various housing program restrictions; and

5 WHEREAS, Among its programs, MOHCD administers the Small Sites Program
6 ("SSP") for the purpose of preserving and stabilizing San Francisco's existing rental housing
7 stock of buildings that are up to 25 units and occupied by low- to moderate-income tenants
8 who are vulnerable to displacement due to market-driven increases in evictions; the SSP
9 helps San Franciscans avoid displacement eviction by removing small properties from the
10 speculative market, stabilizing housing for current tenants of those properties, and converting
11 the properties to permanently affordable housing; and

12 WHEREAS, The SSP funds administered by MOHCD include the Preservation and
13 Seismic Safety Program ("PASS Program"), which provides low-cost and long-term financing
14 for the acquisition, rehabilitation, and preservation of multi-family housing as well as seismic
15 retrofits; the PASS Program plays a critical role in advancing the City's anti-eviction and
16 preservation strategies like the SSP by providing access to a nimble source of financing not
17 currently available on the conventional market; and

18 WHEREAS, MOHCD has the following six SSP and PASS Program loan transactions
19 that it expects to close within the next one to four months: 1) 1201 Powell Street, a 17 unit
20 multifamily residential property with one ground floor commercial tenant; 2) 462 Green Street,
21 a seven unit multifamily residential property; 3) 4830 Mission, a 21 unit multifamily residential
22 property with six ground floor commercial tenants; 4) 3280-17th Street, an 11 unit multifamily
23 residential property with five ground floor commercial tenants; 5) 1411 Florida Street, a seven
24 unit multifamily residential property and; 6) 65 Woodward Street, a six unit multifamily
25

1 residential property (each a "Project" and collectively, the "Projects"); the total amount of the
2 Project loans will not exceed \$48,656,000; and

3 WHEREAS, The form of loan documents (the "Loan Documents") evidencing and
4 securing the SSP and PASS Program loans for the Projects are on file with the Clerk of the
5 Board in File No. 190575, and include: a Declaration of Restrictions restricting each Project to
6 affordable housing; a Loan Agreement; four Promissory Notes; and two Deeds of Trust; a
7 Declaration of Restrictions will restrict each Project as affordable housing to low- and
8 moderate-income households with annual maximum rent and income established by MOHCD
9 as long as all or any portion of the buildings remain on the property, but in no event less than
10 75 years; the Declaration of Restrictions for each Project will not be subordinated to any third
11 party financing instrument; and

12 WHEREAS, The Planning Department, by letter dated May 13, 2019, found that each
13 of the proposed Project loans is not considered a project under the California Environmental
14 Quality Act ("CEQA", Public Resources Code, Section 21000 et seq.) pursuant to CEQA
15 Guidelines, Section 15060 and Chapter 31 of the City's Administrative Code, and is
16 consistent, on balance, with the General Plan, and the eight priority policies of Planning Code,
17 Section 101.1, which letter is on file with the Clerk of the Board of Supervisors in File
18 No. 190575, and incorporated herein by this reference; now, therefore, be it

19 RESOLVED, This Board affirms the Planning Department's determination under CEQA
20 and finds that each of the proposed Project loans is consistent, on balance, with the General
21 Plan, and with Planning Code, Section 101.1 for the reasons set forth in the Director of
22 Planning's letter; and, be it

23 FURTHER RESOLVED, That the Board of Supervisors hereby approves the Loan
24 Documents, and authorizes the Director of MOHCD or the Director's designee to negotiate
25 and enter into agreements based upon and substantially in the form of the Loan Documents

1 for each of the Projects (including, without limitation, modifications of the Loan Documents,
2 and preparation and attachment of, or changes to, any of all of the exhibits and ancillary
3 agreements) and any other documents or instruments necessary in connection therewith; that
4 the Director determines, in consultation with the City Attorney, are in the best interest of the
5 City, do not materially increase the obligations or liabilities for the City or materially diminish
6 the benefits of the City, or are necessary or advisable to effectuate the purposes and intent of
7 this Resolution and are in compliance with all applicable laws, including the City Charter; and,
8 be it

9 FURTHER RESOLVED, That the Board of Supervisors hereby authorizes and
10 delegates to the Director of MOHCD and/or the Director of Property, and their designees, the
11 authority to undertake any actions necessary to protect the City's financial security in each of
12 the Projects and enforce the affordable housing restrictions, which may include, without
13 limitation, acquisition of a Project site upon foreclosure and sale at a trustee sale, acceptance
14 of a deed in lieu of foreclosure, or curing the default under a senior loan; and, be it

15 FURTHER RESOLVED, That all actions authorized and directed by this Resolution and
16 heretofore taken are hereby ratified, approved and confirmed by this Board of Supervisors;
17 and be it

18 FURTHER RESOLVED, That within thirty (30) days of the Loan Documents being fully
19 executed by all parties, MOHCD shall provide the Loan Agreement to the Clerk of the Board
20 for inclusion into the official file.

Item 8 File 19-0575	Department: Mayor's Office
--------------------------------------	--------------------------------------

EXECUTIVE SUMMARY

Legislative Objectives

The proposed resolution would: (1) authorize the Director of the Mayor's Office of Housing and Community Development (MOHCD) to execute documents relating to loans for the acquisition, rehabilitation, or permanent financing of six project sites pursuant to the Small Sites Program and Preservation and Seismic Safety Program for a total loan amount not to exceed \$48,656,000; (2) confirm the Planning Department's determination under the California Environmental Quality Act; and (3) find that the project loans are consistent with the City's General Plan and the priority policies of Planning Code Section 101.1.

Key Points

- Between June and August 2019, MOHCD expects to close loan transactions with Chinatown Community Development Center and Mission Economic Development Agency for six small sites with a total of 69 residential units using funding available through the Small Sites Program, the Preservation and Seismic Safety Program, and the Downtown Neighborhoods Preservation Fund.
- The loan documents restrict each project as affordable housing to low- and moderate-income households with annual maximum rent and income established by MOHCD for no less than 75 years.

Fiscal Impact

- The proposed sources and uses of funds for the acquisition, rehabilitation, and permanent financing of the six project sites total \$45,583,568.
- Total development costs per residential unit range from \$474,528 to \$872,353, and the cost per residential square foot ranges from \$680 to \$1,671.

Policy Consideration

- The proposed subsidies for three of the six small sites exceed program limits set forth in the Notice of Funding Availability for the Small Sites Program and the Downtown Neighborhoods Preservation Fund, but do not exceed the overall \$400,000 per unit cap established by the Small Sites Program. Because the proposed subsidies exceed the limits defined in the Notice of Funding Availability, approval of the proposed resolution is a policy matter for the Board of Supervisors.
- MOHCD records a deed restriction on each property that requires that the project be operated as affordable housing in perpetuity as a condition of financing, but the City does not own the properties.

Recommendation

- Approval of the proposed resolution is a policy matter for the Board of Supervisors.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that has a term of more than ten years is subject to Board of Supervisors approval by resolution.

BACKGROUND

Small Sites Program

The Small Sites Program is an acquisition and rehabilitation loan program administered by the Mayor's Office of Housing and Community Development (MOHCD) for multi-family rental buildings of 5 to 25 dwelling units in San Francisco. The program seeks to protect and establish permanent affordable housing in small properties throughout the city that are vulnerable to market pressure resulting in property sales, increased evictions, and rising tenant rents. The Small Sites Program provides loans to non-profit and for-profit entities to purchase and rehabilitate existing residential buildings and restrict them for the long term as affordable housing. The program goals are to:

- 1) Protect and stabilize housing for current tenants at a range of income levels, as long as at least 75 percent of the building's tenants have an income at or below 80 percent of the area median income (AMI)¹;
- 2) Increasing the supply of permanently affordable rental housing by restricting Small Sites Program properties to serve households with average incomes at 80 percent of AMI;
- 3) Ensure that Small Sites Program properties operate with sufficient cash flow to adequately care for the property and repay debt obligations, including Small Sites Program loans, which the City will reinvest into future Small Sites Program properties.

The Program Guidelines for the Small Sites Program sets the maximum City subsidy including acquisition, rehabilitation, and permanent financing at:

- a. \$300,000 per unit for buildings with 10 to 25 units
- b. \$375,000 per unit for buildings with 3 to 9 units
- c. \$175,000 per bedroom for group or single room occupancy housing

Additional subsidy may be considered on a case-by-case basis, but may not exceed \$400,000 per unit in any case. To calculate the maximum per-unit subsidy, income generating commercial space may be counted as a unit.

Preservation and Seismic Safety Program

The Preservation and Seismic Safety Program (PASS) provides low-cost and long-term financing to fund seismic retrofits, as well as the acquisition, rehabilitation, and preservation of

¹ The 2019 AMI in San Francisco for a family of four is \$123,150. Eighty percent of AMI for a family of four is \$98,500. The maximum monthly rent for a 1-bedroom unit for a household with 80 percent of AMI is \$1,970 with utilities.

affordable multi-family housing. PASS was created to complement the City's anti-displacement and preservation strategy, including the Small Sites Program. PASS is funded by repurposing \$260.7 million in underutilized bond authority from the 1992 Seismic Safety Loan Program. The initial round of PASS funding was issued in February 2019.

Downtown Neighborhood Preservation Fund

The Downtown Neighborhoods Preservation Fund was established by the Board of Supervisors in 2016 as a result of the sale of City-owned property and approval of a street vacation necessary for the development of the Oceanwide Center located at 50 First Street. The Downtown Neighborhoods Preservation Fund may be used exclusively for the acquisition and preservation of housing within a one-mile radius of the Oceanwide Center. The funding goals include:

- 1) Protect and stabilize housing for residents of the Downtown area at a range of income levels, so long as a majority of the building's tenants have an income at or below 80 percent of AMI;
- 2) Remove existing rental housing properties from the speculative market, while increasing the supply of permanently affordable rental housing;
- 3) Create financially stable, self-sustaining housing that serves multiple generations of low- to moderate-income households by ensuring that properties operate with sufficient cash flow to adequately care for the property and repay debt obligations; and
- 4) Complement the work under the Small Sites Program by giving priority to buildings with 26 or more residential units.

Downtown Neighborhoods Preservation Fund subsidies may not exceed \$250,000 per dwelling unit.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would: (1) authorize the Director of the Mayor's Office of Housing and Community Development to execute documents relating to loans for the acquisition, rehabilitation, or permanent financing of six project sites pursuant to the Small Sites Program and Preservation and Seismic Safety Program for a total loan amount not to exceed \$48,656,000; (2) confirm the Planning Department's determination under the California Environmental Quality Act; and (3) find that the project loans are consistent with the City's General Plan and the priority policies of Planning Code Section 101.1.

Between June and August 2019, MOHCD expects to close loan transactions with Chinatown Community Development Center and Mission Economic Development Agency for the following six sites:

- 1) 1201 Powell Street, a 17-unit residential property with one ground floor commercial tenant
- 2) 462 Green Street, a 7-unit residential property

- 3) 4830 Mission Street, a 21-unit residential property with 6 ground floor commercial tenants
- 4) 3280 17th Street, an 11-unit residential property with 5 ground floor commercial tenants
- 5) 1411 Florida Street, a 7-unit residential property
- 6) 65 Woodward Street, a 6-unit residential property

The loan documents will restrict each project as affordable housing to low- and moderate-income households with annual maximum rent and income established by MOHCD as long as all or any portion of the buildings remain on the property, but in no event less than 75 years.

Loan Terms

A summary of the key loan terms for the Small Sites Program, PASS, and the Downtown Neighborhoods Preservation Fund are shown in Table 1 below.

Table 1: Key Loan Terms

Loan Fund	Term	Interest Rate	Subsidy Limit
			\$300,000/unit (10-25 units) \$375,000/unit (3-9 units)
Small Sites Program	40 years	3% residual receipts ^a	\$175,000/BR (SRO or group)
PASS - Market Rate Loan	40 years	5.16725%	N/A
PASS - Below Market Rate Loan	40 years	1.38908%	N/A
PASS - Deferred Loan	40 years	1.38908%	N/A
Downtown Neighborhood Preservation Fund	40 years	3% residual receipts ^a	\$250,000/unit

^a For any year when the replacement reserve balance is less than 1.5 times the original replacement reserve amount, 1/3 is retained by the sponsor, and the other 2/3 is deposited into the replacement reserve. In the event that the replacement reserve balance is greater than 1.5 the original amount, then the City would receive repayment on the loan.

Loan repayment obligations on the Small Sites Program and Downtown Neighborhood Preservation Fund loans are limited to the availability of residual receipts, or annual cash flow after operating costs have been paid. Interest not paid to the City each year due to lack of available residual receipts will be forgiven and will not accrue.

The PASS Market Rate and Below Market Rate loans must be repaid in monthly installments on a 40-year amortization schedule. The PASS Deferred loan is repayable as a balloon due at maturity.

FISCAL IMPACT

The proposed sources and uses of funds for the acquisition, rehabilitation, and permanent financing of the six project sites total \$45,583,568, as shown in Table 2 below.

The proposed resolution would authorize a total loan amount not to exceed \$48,656,000, which is \$4,221,226 greater than the proposed loan amount of \$44,434,774. According to Mr. Jonah Lee, Director of Portfolio Management and Preservation at MOHCD, the additional not to exceed authorization reflects a standard contingency of approximately 10 percent across the portfolio of projects to mitigate unforeseen conditions resulting in changes to the project budgets such as emergency repairs related to health and safety, cost overruns, and delays.

Three of the six sites have commercial tenants. According to Ms. Cindy Heavens, Project Manager at MOHCD, the only case in which the proposed loan financing would be used to improve the commercial spaces would be if required seismic safety retrofits or other code-required building improvements must be applied to the entire envelope of the building. Otherwise, the proposed loan financing would not be used to improve the commercial spaces or lower commercial lease payments.

Development Cost and Subsidy per Unit

Total development costs per residential unit² range from \$474,528 to \$872,353, and the cost per residential square foot ranges from \$680 to \$1,671, as shown in Table 2 below.

As discussed above, the maximum Small Sites Program subsidy per unit is \$300,000 for buildings with 10 to 25 units and \$375,000 for buildings with 3 to 9 units. In extreme cases, subsidies up to \$400,000 per unit may be considered. The Small Sites Program subsidy for the six projects ranges from \$0 to \$391,234, as shown in Table 3 below.

² Total development cost per unit does not include commercial units, which are not eligible for subsidies, although commercial lease payments contribute to the property's cash flow used for loan repayments.

Table 3: Cost and Subsidy per Unit

^a The Downtown Neighborhoods Preservation Fund subsidy of \$342,444 exceeds the limit of \$250,000 per unit, due in part to the subsidy limits having been tailored for the average per unit subsidy expected for larger sites (above 25 units).

^b The Small Sites Program subsidies for 462 Green Street and 65 Woodward Street exceed the limit of \$375,000 per unit for buildings with 3 to 9 units, but are below the absolute maximum of \$400,000 per unit. According to MOHCD, the subsidies exceed the limit on 65 Woodward Street due to unforeseen dry rot and essential life and safety repairs that were discovered during the course of construction. On 462 Green Street, the subsidies exceed the limit because the sponsor is pursuing the creation of an Accessory Dwelling Unit (ADU), which had timeline and cost impacts on the project.

Fund Balances

The proposed loan amounts represent 15 to 26 percent of the current fund balance for the funding sources, as shown in Table 4 below.

Table 4: Small Sites Program and Preservation and Seismic Safety Program Fund Balances

Fund	Current Balance	Proposed Loan Amount	Percent of Fund	Final Balance
Small Sites Program	\$80,042,509	\$19,645,772	25%	\$60,396,737

Total	\$190,370,806	\$44,343,774	23%	\$145,936,032

POLICY CONSIDERATION**Subsidy Limits**

The proposed subsidies for three of the six small sites exceed the program limits set forth in the Notice of Funding Availability for the Small Sites Program and the Downtown Neighborhoods Preservation Fund, but do not exceed the overall \$400,000 per unit cap established by the Small Sites Program. The primary driver of the costs in excess of the program limits for 1201 Powell and 65 Woodward was the need to address seismic and other essential life and safety upgrades that the project sponsor discovered during the course of construction. For 462 Green, the project sponsor pursued the creation of an accessory dwelling unit, which had timeline and cost impacts. Therefore, approval of the proposed resolution is a policy matter for the Board of Supervisors.

City Loans for Privately-Owned Sites

To preserve affordability long term, the City typically ground leases a City-owned property to a non-profit entity to develop, maintain, and manage the site. Under the Small Sites Program, the City provides permanent financing for the acquisition and rehabilitation of sites that are not owned by the City. According to Mr. Lee, the Small Sites Program must compete with profit-motivated developers to remove properties from the speculative real estate market, so the City uses a public-private partnership model designed to execute transactions quickly. As a condition of receiving the City's Small Sites Program financing, MOHCD records a deed restriction on each property that requires that the project be operated as affordable housing in perpetuity.

RECOMMENDATION

Approval of the proposed resolution is a policy matter for the Board of Supervisors.

2. Obligations Secured. This Deed of Trust is given for the purpose of securing the following (collectively, the "Secured Obligations"):

(a) performance of all present and future obligations of Trustor set forth in the Agreement related to the Market Rate Loan, the BMR Loan and the Deferred Loan, specifically compliance with certain restrictions on the use of the Property recited in that certain Declaration of Restrictions executed by Trustor, dated as of the date of and being recorded concurrently with this Deed of Trust, as it may be amended from time to time, the market rate promissory note dated the date of this Deed of Trust made by Trustor to the order of Beneficiary (as it may be amended from time to time, the "Market Rate Note"), the below market rate promissory note dated the date of this Deed of Trust made by Trustor to the order of Beneficiary (as it may be amended from time to time, the "BMR Note"), the deferred promissory note dated the date of this Deed of Trust made by Trustor to the order of Beneficiary (as it may be amended from time to time, the "Deferred Note"), and performance of each agreement incorporated by reference, contained therein, or entered into in connection with the Agreement;

Dollars [Amount in numbers] (\$ _____ .00), with interest, according to the terms of the Agreement and the Market Rate Note;

(c) payment of the indebtedness evidenced by the Agreement and the BMR Note in the original principal amount of [Amount in text and underlined] and No/100 Dollars [Amount in numbers] (\$ _____ .00), with interest, according to the terms of the Agreement and the BMR Note;

(e) payment of any additional sums Trustor may borrow or receive from Beneficiary, when evidenced by another note (or any other instrument) reciting that payment is secured by this Deed of Trust.

3. Assignment of Rents.

(a) Assignment as Additional Security. Trustor hereby irrevocably grants, transfers, and assigns to Beneficiary all of its right, title, and interest in and to the Rents as additional security for the Secured Obligations. Subject to the provisions of subsection 3(d) below, Beneficiary hereby confers upon Trustor a license ("License") to collect and retain the Rents as they become due and payable, so long as no Event of Default exists and is continuing. If an Event of Default has occurred and is continuing, Beneficiary shall have the right, which it may choose to exercise in its sole discretion, to terminate this License without notice to or demand upon Trustor, and without regard to the adequacy of Beneficiary's security under this Deed of Trust.

(b) Collection and Application of Rents. Subject to the License granted to Trustor under subsection 3(a) above, Beneficiary has the right, power, and authority to collect any and all Rents. Subject to the License granted to Trustor under subsection 3(a) above, Trustor hereby appoints Beneficiary its attorney-in-fact to perform any and all of the following acts, if and at the times when Beneficiary in its sole discretion may so choose:

1. Demand, receive, and enforce payment of any and all Rents; or
2. Give receipts, releases, and satisfactions for any and all Rents; or
3. Sue either in the name of Trustor or in the name of Beneficiary for any and all Rents.

Beneficiary's right to the Rents does not depend on whether or not Beneficiary takes possession of the Property. In Beneficiary's sole discretion, it may choose to collect Rents either with or without taking possession of the Property. Beneficiary shall apply all Rents

collected by it in the manner provided under this Deed of Trust. If an Event of Default occurs while Beneficiary is in possession of all or part of the Property and is collecting and applying Rents as permitted under this Deed of Trust, Beneficiary, Trustee and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Deed of Trust and at law or in equity, including the right to exercise the power of sale granted hereunder.

(c) Beneficiary Not Responsible. Under no circumstances shall Beneficiary have any duty to produce Rents from the Property. Regardless of whether or not Beneficiary, in person or by agent, takes actual possession of the Real Property and Improvements, Beneficiary is not and shall not be deemed to be:

1. A "mortgagee in possession" for any purpose; or
2. Responsible for performing any of the obligations of the lessor under any lease; or
3. Responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair, or control of the Property; or
4. Liable in any manner for the Property or the use, occupancy, enjoyment or operation of all or any part of it.

(d) Election by Beneficiary. Upon the occurrence and during the continuance of an Event of Default, Beneficiary, at its option, may exercise its rights under this Section or otherwise provided under applicable law (including, but not limited to, under Section 2938 of the California Civil Code).

4. Trustor's Covenants. To protect the security of this Deed of Trust, Trustor agrees as follows:

(a) to perform the Secured Obligations in accordance with their respective terms;

(b) to keep the Land and the Improvements in good condition and repair, normal wear and tear and acts of God excepted; not to remove or demolish any Improvements without Beneficiary's prior written consent; to complete or restore promptly and in good and workmanlike manner any Improvement constructed, damaged or destroyed on the Land; to pay when due all claims for labor performed and materials furnished therefor, subject to Trustor's right to contest any claim in good faith; to comply with all laws affecting the Project, subject to Trustor's right to contest any claim in good faith; not to commit or permit waste with respect to the Land or the Improvements; not to commit, suffer or permit any act upon the Land or the Improvements in violation of law, including Environmental Laws; and to do all other acts made reasonably necessary by the character or use of the Land and the Improvements;

(c) to provide, maintain and deliver to Beneficiary property and liability insurance as required under the Agreement and apply any insurance proceeds as provided below;

(d) to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and reasonable attorneys' fees and costs incurred in any such action or proceeding in which Beneficiary or Trustee may appear and in any suit brought by Beneficiary to foreclose this Deed of Trust following an Event of Default;

(e) to pay in accordance with the Agreement, but in each case prior to delinquency: (i) all taxes and assessments affecting the Property, including assessments on appurtenant water stock; and (ii) all encumbrances, charges and liens, with interest, on the Property or any part thereof that appear to be prior or superior hereto;

(f) should Trustor fail to make any payment or to do any act as herein provided, then, without: (i) obligation to do so; (ii) notice to or demand upon Trustor; or (iii) releasing Trustor from any obligation hereof, Beneficiary or Trustee may: (A) make or do the same in any manner and to the extent as it deems necessary to protect the security hereof; (B) appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; (C) pay, purchase, contest or compromise any encumbrance, charge or lien that in its judgment appears to be prior or superior hereto; and (D) in exercising these powers, pay necessary expenses, employ counsel and pay reasonable attorneys' fees and costs, and Trustor consents to Beneficiary's and/or Trustee's entry upon the Land and Improvements for any purpose set forth in this Subsection, including Beneficiary's exercise of its rights under California Code of Civil Procedure Section 564(c); and

(g) to reimburse within five (5) days of demand all sums expended by Beneficiary or Trustee pursuant to this Deed of Trust, with interest at an annual rate of interest equal to the lesser of: (i) ten percent (10%); or (ii) the maximum lawful rate from date of expenditure to the date of payment.

5. Insurance and Condemnation Proceeds.

(a) Trustor hereby assigns to Beneficiary any award of damages arising from the condemnation of all or any part of the Property for public use and any insurance proceeds arising from injury to all or any part of the Property or the Project.

(b) Any condemnation award or insurance proceeds must be paid to Beneficiary or, if Beneficiary has consented to subordinate the lien of this Deed of Trust to the lien of another lender for the Project, according to the provisions in the senior lender's loan documents.

(c) If a condemnation award or insurance proceeds are paid to Beneficiary, Beneficiary will release or authorize the release of funds to Trustor, provided that the funds will be used for the reconstruction of the Project in accordance with: (i) projections demonstrating that reconstruction is economically feasible; and (ii) Trustor's construction budget, each of which must be satisfactory to Beneficiary in its reasonable discretion. In all other cases, Beneficiary may choose in its discretion to apply funds to Trustor's obligations under the Market Rate Note, the BMR Note, the Deferred Note, and the Agreement or to any senior obligations, in accordance with the respective priorities of the approved lienholders as their interests may appear of record, with the remaining funds, if any, released to Trustor.

(d) Trustor agrees that Beneficiary's application or release of funds pursuant to this Section will not cure or waive any default or Notice of Default (as defined below) or invalidate any act by Beneficiary performed following a default pursuant to any City Document unless the default has been cured by the application or release of funds.

6. Further Agreements. Trustor further acknowledges and agrees as follows:

(a) Beneficiary does not waive its right either to require prompt payment when due of all other sums secured by this Deed of Trust or to declare Trustor in default for failure to pay timely by accepting payment of any sum secured hereby after its due date.

(b) Trustee may reconvey any part of the Property at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the Market Rate Note, the BMR Note, and the Deferred Note for endorsement without affecting the liability of any entity or person for payment of the indebtedness secured hereby.

(c) Upon: (i) written request of Beneficiary stating that all obligations secured hereby have been paid or performed; (ii) Beneficiary's surrender of this Deed of Trust and the Market Rate Note, the BMR Note, and the Deferred Note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose; and (iii) payment of its fees, if any, Trustee shall reconvey the Property then held hereunder without covenant or warranty.

(d) As additional security, Trustor hereby irrevocably, absolutely and unconditionally assigns to Beneficiary all Rents, whether now due, past due or to become due, subject to Beneficiary's grant to Trustor of a license to collect and retain Rents as they become due and payable so long as Trustor has not defaulted in performance of the Secured Obligations.

(e) Any voluntary or involuntary conveyance, sale, encumbrance, pledge or other transfer of all or any interest in the Property or in Trustor, including a security

interest, in violation of the Agreement will constitute an Event of Default (as defined below) giving Beneficiary the right to exercise its remedies at law or in equity.

(f) For the purposes of this Deed of Trust, Beneficiary from time to time may substitute a successor or successors to Trustee named herein or acting hereunder by instrument in writing executed by Beneficiary and duly acknowledged and recorded in the office of the recorder of San Francisco County, which instrument shall be conclusive proof of proper substitution of a successor trustee or trustees. Without conveyance from Trustee, any successor or substitute trustee will succeed to all title, estate, rights, powers and duties of Trustee. The instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the recording information for this Deed of Trust and the name and address of the new Trustee.

(g) This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns, provided that this subsection does not constitute Beneficiary's consent to any transfer in violation of this Deed of Trust. The term Beneficiary shall mean the holder of the Market Rate Note, the BMR Note, or the Deferred Note, whether or not named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and the singular number includes the plural.

(h) Trustee accepts this Trust when this duly executed and acknowledged Deed of Trust is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

7. Beneficiary's Rights Following Default. Upon any default by Trustor in performance of the Secured Obligations following expiration of any applicable notice and cure periods ("Event of Default"):

(a) Trustor's license to collect and retain Rents will terminate automatically.

(b) Trustor consents to Beneficiary's entry upon and taking possession of the Property or any part thereof, at any time after the occurrence of an Event of Default without notice, either in person, by agent or by a receiver to be appointed by a court without regard to the adequacy of any security for the indebtedness hereby secured to sue for or otherwise collect and apply Rents, less costs and expenses of operation and collection, including those of the Property, in its own name or in the name of Trustor. Beneficiary's collection and application of Rents shall not cure or waive any Event of Default or Notice of Default or invalidate any act done pursuant to any notice.

(c) Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of

written notice of default and of election to cause to be sold the Property ("Notice of Default"), and:

i. Trustee shall cause the Notice of Default to be filed for record. Beneficiary also shall deposit with Trustee this Deed of Trust, the Market Rate Note, the BMR Note, the Deferred Note, and all documents evidencing expenditures secured hereby.

ii. After the lapse of time then required by law following the recordation of a Notice of Default, and notice of sale ("Notice of Sale") having been given as then required by law, Trustee without demand on Trustor may sell the Property at the time and place fixed in the Notice of Sale either as a whole or in separate parcels in any order at public auction to the highest bidder for cash in lawful money of the United States payable at time of sale. Trustee may postpone sale of all or any portion of the Property by public announcement at the time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to any purchaser a trustee's deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the trustee's deed of any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale.

iii. After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: (A) all sums expended under the terms of this Deed of Trust not then repaid, with accrued interest at the highest rate allowed by law in effect at the date hereof; (B) all other sums then secured hereby; and (C) the remainder, if any, to the person or persons legally entitled thereto.

8. Notice of Default to Trustor: The undersigned Trustor requests that a copy of any Notice of Default and of any Notice of Sale hereunder be mailed to it at its address set forth above or any succeeding address given by notice in accordance with the Agreement.

(b) payment of the indebtedness evidenced by the Agreement and the SSP Note in the original principal amount of [Amount in text and underlined] and No/100 Dollars (\$Amount in numbers; (\$_____ .00)]), with interest, according to the terms of the Agreement and the SSP Note; and

(c) payment of any additional sums Trustor may borrow or receive from Beneficiary, when evidenced by another note (or any other instrument) reciting that payment is secured by this Deed of Trust

3. Assignment of Rents.

(a) Assignment as Additional Security. Trustor hereby irrevocably grants, transfers, and assigns to Beneficiary all of its right, title, and interest in and to the Rents as additional security for the Secured Obligations. Subject to the provisions of subsection 3(d) below, Beneficiary hereby confers upon Trustor a license ("License") to collect and retain the Rents as they become due and payable, so long as no Event of Default exists and is continuing. If an Event of Default has occurred and is continuing, Beneficiary shall have the right, which it may choose to exercise in its sole discretion, to terminate this License without notice to or demand upon Trustor, and without regard to the adequacy of Beneficiary's security under this Deed of Trust.

(b) Collection and Application of Rents. Subject to the License granted to Trustor under subsection 3(a) above, Beneficiary has the right, power, and authority to collect any and all Rents. Subject to the License granted to Trustor under subsection 3(a) above, Trustor hereby appoints Beneficiary its attorney-in-fact to perform any and all of the following acts, if and at the times when Beneficiary in its sole discretion may so choose:

1. Demand, receive, and enforce payment of any and all Rents; or
2. Give receipts, releases, and satisfactions for any and all Rents; or
3. Sue either in the name of Trustor or in the name of Beneficiary for any and all Rents.

Beneficiary's right to the Rents does not depend on whether or not Beneficiary takes possession of the Property. In Beneficiary's sole discretion, it may choose to collect Rents either with or without taking possession of the Property. Beneficiary shall apply all Rents collected by it in the manner provided under this Deed of Trust. If an Event of Default occurs while Beneficiary is in possession of all or part of the Property and is collecting and applying Rents as permitted under this Deed of Trust, Beneficiary, Trustee and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Deed of Trust and at law or in equity, including the right to exercise the power of sale granted hereunder.

(c) Beneficiary Not Responsible. Under no circumstances shall Beneficiary have any duty to produce Rents from the Property. Regardless of whether or not Beneficiary, in person or by agent, takes actual possession of the Real Property and Improvements, Beneficiary is not and shall not be deemed to be:

1. A "mortgagee in possession" for any purpose; or
2. Responsible for performing any of the obligations of the lessor under any lease; or
3. Responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair, or control of the Property; or
4. Liable in any manner for the Property or the use, occupancy, enjoyment or operation of all or any part of it.

(d) Election by Beneficiary. Upon the occurrence and during the continuance of an Event of Default, Beneficiary, at its option, may exercise its rights under this Section or otherwise provided under applicable law (including, but not limited to, under Section 2938 of the California Civil Code).

4. Trustor's Covenants. To protect the security of this Deed of Trust, Trustor agrees as follows:

(a) to perform the Secured Obligations in accordance with their respective terms;

(b) to keep the Land and the Improvements in good condition and repair, normal wear and tear and acts of God excepted; not to remove or demolish any Improvements without Beneficiary's prior written consent; to complete or restore promptly and in good and workmanlike manner any Improvement constructed, damaged or destroyed on the Land; to pay when due all claims for labor performed and materials furnished therefor, subject to Trustor's right to contest any claim in good faith; to comply with all laws affecting the Project, subject to Trustor's right to contest any claim in good faith; not to commit or permit waste with respect to the Land or the Improvements; not to commit, suffer or permit any act upon the Land or the Improvements in violation of law, including Environmental Laws; and to do all other acts made reasonably necessary by the character or use of the Land and the Improvements;

(c) to provide, maintain and deliver to Beneficiary property and liability insurance as required under the Agreement and apply any insurance proceeds as provided below;

(d) to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and reasonable attorneys' fees and costs incurred in any such action or proceeding in which Beneficiary or Trustee may appear and in any suit brought by Beneficiary to foreclose this Deed of Trust following an Event of Default;

(e) to pay in accordance with the Agreement, but in each case prior to delinquency: (i) all taxes and assessments affecting the Property, including assessments on appurtenant water stock; and (ii) all encumbrances, charges and liens, with interest, on the Property or any part thereof that appear to be prior or superior hereto;

(f) should Trustor fail to make any payment or to do any act as herein provided, then, without: (i) obligation to do so; (ii) notice to or demand upon Trustor; or (iii) releasing Trustor from any obligation hereof, Beneficiary or Trustee may: (A) make or do the same in any manner and to the extent as it deems necessary to protect the security hereof; (B) appear in and defend any action or proceeding purporting to affect the

security hereof or the rights or powers of Beneficiary or Trustee; (C) pay, purchase, contest or compromise any encumbrance, charge or lien that in its judgment appears to be prior or superior hereto; and (D) in exercising these powers, pay necessary expenses, employ counsel and pay reasonable attorneys' fees and costs, and Trustor consents to Beneficiary's and/or Trustee's entry upon the Land and Improvements for any purpose set forth in this Subsection, including Beneficiary's exercise of its rights under California Code of Civil Procedure Section 564(c); and

(g) to reimburse within five (5) days of demand all sums expended by Beneficiary or Trustee pursuant to this Deed of Trust, with interest at an annual rate of interest equal to the lesser of: (i) ten percent (10%); or (ii) the maximum lawful rate from date of expenditure to the date of payment.

5. Insurance and Condemnation Proceeds.

(a) Trustor hereby assigns to Beneficiary any award of damages arising from the condemnation of all or any part of the Property for public use and any insurance proceeds arising from injury to all or any part of the Property or the Project.

(b) Any condemnation award or insurance proceeds must be paid to Beneficiary or, if Beneficiary has consented to subordinate the lien of this Deed of Trust to the lien of another lender for the Project, according to the provisions in the senior lender's loan documents.

(c) If a condemnation award or insurance proceeds are paid to Beneficiary, Beneficiary will release or authorize the release of funds to Trustor, provided that the funds will be used for the reconstruction of the Project in accordance with: (i) projections demonstrating that reconstruction is economically feasible; and (ii) Trustor's construction budget, each of which must be satisfactory to Beneficiary in its reasonable discretion. In all other cases, Beneficiary may choose in its discretion to apply funds to Trustor's obligations under the SSP Note and the Agreement or to any senior obligations, in accordance with the respective priorities of the approved lienholders as their interests may appear of record, with the remaining funds, if any, released to Trustor.

(d) Trustor agrees that Beneficiary's application or release of funds pursuant to this Section will not cure or waive any default or Notice of Default (as defined below) or invalidate any act by Beneficiary performed following a default pursuant to any City Document unless the default has been cured by the application or release of funds.

6. Further Agreements. Trustor further acknowledges and agrees as follows:

(a) Beneficiary does not waive its right either to require prompt payment when due of all other sums secured by this Deed of Trust or to declare Trustor in default

for failure to pay timely by accepting payment of any sum secured hereby after its due date.

(b) Trustee may reconvey any part of the Property at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the SSP Note for endorsement without affecting the liability of any entity or person for payment of the indebtedness secured hereby.

(c) Upon: (i) written request of Beneficiary stating that all obligations secured hereby have been paid or performed; (ii) Beneficiary's surrender of this Deed of Trust and the SSP Note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose; and (iii) payment of its fees, if any, Trustee shall reconvey the Property then held hereunder without covenant or warranty.

(d) As additional security, Trustor hereby irrevocably, absolutely and unconditionally assigns to Beneficiary all Rents, whether now due, past due or to become due, subject to Beneficiary's grant to Trustor of a license to collect and retain Rents as they become due and payable so long as Trustor has not defaulted in performance of the Secured Obligations.

(e) Any voluntary or involuntary conveyance, sale, encumbrance, pledge or other transfer of all or any interest in the Property or in Trustor, including a security interest, in violation of the Agreement will constitute an Event of Default (as defined below) giving Beneficiary the right to exercise its remedies at law or in equity.

(f) For the purposes of this Deed of Trust, Beneficiary from time to time may substitute a successor or successors to Trustee named herein or acting hereunder by instrument in writing executed by Beneficiary and duly acknowledged and recorded in the office of the recorder of San Francisco County, which instrument shall be conclusive proof of proper substitution of a successor trustee or trustees. Without conveyance from Trustee, any successor or substitute trustee will succeed to all title, estate, rights, powers and duties of Trustee. The instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the recording information for this Deed of Trust and the name and address of the new Trustee.

(g) This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns, provided that this subsection does not constitute Beneficiary's consent to any transfer in violation of this Deed of Trust. The term Beneficiary shall mean the holder of the SSP Note, whether or not named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and the singular number includes the plural.

(h) Trustee accepts this Trust when this duly executed and acknowledged Deed of Trust is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

7. Beneficiary's Rights Following Default. Upon any default by Trustor in performance of the Secured Obligations following expiration of any applicable notice and cure periods ("Event of Default"):

(a) Trustor's license to collect and retain Rents will terminate automatically.

(b) Trustor consents to Beneficiary's entry upon and taking possession of the Property or any part thereof, at any time after the occurrence of an Event of Default without notice, either in person, by agent or by a receiver to be appointed by a court without regard to the adequacy of any security for the indebtedness hereby secured to sue for or otherwise collect and apply Rents, less costs and expenses of operation and collection, including those of the Property, in its own name or in the name of Trustor. Beneficiary's collection and application of Rents shall not cure or waive any Event of Default or Notice of Default or invalidate any act done pursuant to any notice.

(c) Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold the Property ("Notice of Default"), and:

i. Trustee shall cause the Notice of Default to be filed for record. Beneficiary also shall deposit with Trustee this Deed of Trust, the SSP Note and all documents evidencing expenditures secured hereby.

ii. After the lapse of time then required by law following the recordation of a Notice of Default, and notice of sale ("Notice of Sale") having been given as then required by law, Trustee without demand on Trustor may sell the Property at the time and place fixed in the Notice of Sale either as a whole or in separate parcels in any order at public auction to the highest bidder for cash in lawful money of the United States payable at time of sale. Trustee may postpone sale of all or any portion of the Property by public announcement at the time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to any purchaser a trustee's deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the trustee's deed of any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale.

iii. After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: (A) all sums expended under the terms of this Deed of Trust not then repaid, with accrued interest at the highest rate allowed by law in effect at the date hereof; (B) all other sums then secured hereby; and (C) the remainder, if any, to the person or persons legally entitled thereto.

8. Notice of Default to Trustor. The undersigned Trustor requests that a copy of any Notice of Default and of any Notice of Sale hereunder be mailed to it at its address set forth above or any succeeding address given by notice in accordance with the Agreement.

[Project Name]
[Property Address]

THIS LOAN AGREEMENT ("Agreement") is entered into as of [_____], by and between the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation (the "City"), represented by the Mayor, acting by and through the Mayor's Office of Housing and Community Development ("MOHCD"), and **[BORROWER'S NAME IN BOLD, CAPITAL LETTERS]**, [a California nonprofit public benefit corporation] [a California limited partnership] [a California limited liability company] ("Borrower").

RECITALS

A. On July 18, 2014, the Citywide Affordable Housing Loan Committee authorized the Small Sites Acquisition and Rehabilitation Loan Program ("Small Sites Program") for the purpose of preserving and stabilizing San Francisco's existing rental housing stock of buildings that are up to 25 units and occupied by low- to moderate-income tenants who are vulnerable to displacement due to market-driven increases in evictions. Through this approval, MOHCD is authorized to provide loans to individual entities for acquisition and rehabilitation of specific existing residential buildings.

B. On November 3, 1992, the voters of the City and County of San Francisco approved Proposition A, which provided for the issuance of up to \$350 million in general obligation bonds to establish and fund a Seismic Safety Loan Program. On November 8, 2016, the voters of the City and County of San Francisco approved Proposition C expanding the permitted use of the bonds to finance the costs to acquire, improve, rehabilitate and convert at-risk multi-unit residential buildings to permanent affordable housing. [Use if SSP Funding Sources include 2015 GO Bond proceeds] [Under Chapter 66 of the San Francisco Administrative Code and the Preservation and Seismic Safety ("PASS") Program Regulations adopted by MOHCD, the City is authorized to provide a portion of proceeds of the bonds (the "2016 GO Bond (Series 2019A)", and collectively with the 2015 GO Bond, the "Bonds") under this Agreement to Borrower for the preservation of affordable housing. The proceeds of the Bonds and the [Fees] are collectively referred to as the "Funds".] [Use if SSP Funding Sources do not include 2015 GO Bond proceeds] [Under Chapter 66 of the San Francisco Administrative Code and the Preservation and Seismic Safety ("PASS") Program Regulations adopted by MOHCD, the City is authorized to provide a portion of proceeds of the bonds (the "2016 GO Bond (Series 2019A)", and the "Bonds") under this Agreement to Borrower for the preservation of affordable housing. The proceeds of the Bonds and the [Fees] are collectively referred to as the "Funds".]

[Alternatives C-H are below for SSP funding sources. Select and revise and re-letter as appropriate. If multiple funding source recitals are used, adjust defined terms accordingly so that "Funds" covers all sources. For example, if using HOME funds and CDBG funds, define the

HOME funds as ("HOME Funds"), the CDBG funds as ("CDBG Funds") and together with the HOME Funds, (the "Funds")].

C. Under the Inclusionary Affordable Housing Program set forth in Sections 415.1 *et seq.* of the San Francisco Planning Code, the Citywide Affordable Housing Fund receives in-lieu Affordable Housing Fees ("Funds") paid by housing developers to satisfy requirements of the Inclusionary Affordable Housing Program. The City may use the Funds to finance affordable housing preservation and development. MOHCD administers the Funds pursuant to Section 10.100-49 of the San Francisco Administrative Code and enforces agreements relating to them.

D. Pursuant to Section 423.5 of the San Francisco Planning Code ("Section 423.5"), the Citywide Affordable Housing Fund receives from the San Francisco Department of Building Inspection a percentage of impact fees paid by sponsors of developments located in Designated Affordable Housing Zones in the Eastern Neighborhoods Program Area ("Fees"). The City may use the Fees received by the Citywide Affordable Housing Fund (the "Funds") to finance housing affordable to qualifying households and related improvements according to the permitted uses set forth in Section 423.5. MOHCD administers the Funds pursuant to Section 10.100-49 of the San Francisco Administrative Code and enforces agreements relating to them.

E. On November 3, 2015, the voters of the City and County of San Francisco approved Proposition A, which provided for the issuance of up to \$310 million in general obligation bonds to finance the construction, acquisition, improvement, rehabilitation, preservation and repair of certain affordable housing improvements (the "2015 GO Bond"). A portion of the Small Sites Program loan will be comprised of 2015 GO Bond proceeds.

F. Under the Inclusionary Affordable Housing Program set forth in Sections 415.1 *et seq.* of the San Francisco Planning Code, the Citywide Affordable Housing Fund receives in-lieu Affordable Housing Fees ("Fees") paid by housing developers to satisfy requirements of the Inclusionary Affordable Housing Program. The City may use the Fees received by the Citywide Affordable Housing Fund to finance housing affordable to qualifying households. MOHCD administers the Fees pursuant to Section 10.100-49 of the San Francisco Administrative Code and enforces agreements relating to them. A portion of the Small Sites Program Loan will be comprised of Citywide Affordable Housing Fees.

G. On August 19, 2005, the Board of Supervisors approved Ordinance No. 217-05 (the "Ordinance"), adding a new Section 318 to the San Francisco Planning Code (now numbered Section 418), which, among other things, established a new Rincon Hill Downtown Residential District. The Ordinance imposed a South of Market (SoMa) Community Stabilization Fee of \$14 per square foot on residential development and a Rincon Hill Community Improvements Impact Fee of \$11 per square foot within the new Residential District. The money collected from the SoMa Community Stabilization Fee, along with up to \$6 million transferred from the Rincon Hill Community Improvements Fund for enumerated types of improvements in SoMa, including affordable housing, is in a separate fund called the SoMa Community Stabilization Fund (the "Funds"), which must be used to address various impacts of destabilization on residents and businesses in SoMa. (c) Borrower must have closed the [Additional Grant or Loan Name] loan or delivered to the City satisfactory evidence that Borrower has obtained commitments for any additional financing that may be required for the Project, in amounts and from lenders or investors satisfactory to the City in its sole discretion.

(d) Any lender with a security interest or other party with an interest in the Property must have agreed to subordinate its interest in the Site to the Declaration of Restrictions by instrument satisfactory in form and substance to the City.

(e) Borrower must have delivered to the City insurance endorsements and, if requested by the City, copies of policies for all insurance required under Exhibit L of this Agreement.

(e) Borrower must have delivered to the City a preliminary report on title for the Site dated no earlier than thirty (30) days before the Agreement Date.

(f) Borrower must have submitted a "Phase I" environmental report for the Site, or any other report reasonably requested by the City, prepared by a professional hazardous materials consultant acceptable to the City.

(g) The Declaration of Restrictions, SSP Deed of Trust, and PASS Deed of Trust must have been recorded as valid liens in the Official Records, subject only to the Permitted Exceptions.

(h) The Escrow Agent must have committed to provide to the City the Title Policy in form and substance satisfactory to the City.

(i) Borrower must have delivered to the City satisfactory evidence that current tenants in Project are aware of the transfer of property, the change in regulation to rents, and any rent increases that will be implemented as a result of the Project.

(j) Borrower must have income certified the existing tenants residing on the Site and deliver sufficient evidence to the City that 66% of the Units occupied as of the Agreement Date are occupied by households with a combined average income at or below 80% Median Income. For the purposes of this Agreement, Borrower may include any Units that are vacant as of the Agreement Date in such calculation, using the maximum household income allowable pursuant to Exhibit A for each such vacant Unit.

[Add any other conditions to closing contained in the Loan Evaluation.]

4.4 Disbursement of Funds. Following satisfaction of the conditions in **Section 4.3**, the City will authorize the Escrow Agent to disburse Funds for [acquisition of][permanent financing for] the Project, as provided in the City's escrow instructions.

4.5 Disbursements. The City's obligation to approve any expenditure of Funds after the Loan closing is subject to Borrower's satisfaction of the following conditions precedent.

(a) Borrower must have delivered to the City an Expenditure Request in form and substance satisfactory to the City, together with: (i) copies of invoices, contracts or other documents covering all amounts requested; (ii) a line item breakdown of costs to be covered by the Expenditure Request; and (iii) copies of checks issued to pay expenses covered in the previous Expenditure Request. The City may grant or withhold its approval of any line item contained in the Expenditure Request that, if funded, would cause it to exceed the budgeted line item as previously approved by the City. Additionally, the City must approve all requested reallocations of Funds for line items previously approved by the City.

(b) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, may have occurred that remains uncured as of the date of the Expenditure Request.

(c) With respect to any Expenditure Request that covers rehabilitation or construction costs, Borrower must have certified to the City that the Project complies with the labor standards set forth in **Exhibit E, Section 1**, if applicable.

(d) The Loan must be in balance.

4.6 Loan In Balance. The City may require Borrower to pay certain costs incurred in connection with the Project from sources of funds other than the Loan at any time the City determines that the Loan is out of balance. When the City is satisfied that the Loan is again in balance, the City will recommence making Disbursements for Expenditure Requests meeting the conditions set forth above.

4.7 Reserved

4.8 Limitations on Approved Expenditures. The City may refuse to approve any expenditure: (a) during any period in which an event that, with notice or the passage of time or both, would constitute an Event of Default remains uncured, or during the pendency of an uncured Event of Default; or (b) for disapproved, unauthorized or improperly documented expenses. The City is not obligated to approve expenditure of the full Funding Amount unless approved Expenditure Requests support disbursement of the full Funding Amount, and in no event may the aggregate amount of all Funds disbursed to Borrower under this Agreement exceed the Funding Amount.

ARTICLE 6 MARKETING

6.1 Marketing and Tenant Selection Plan. No later than sixty (60) days after the Agreement Date, Borrower must deliver to the City for the City's review and approval an

affirmative plan for initial and ongoing marketing of the Units and a written tenant selection procedure for initial and ongoing renting of the Units based on MOHCD's then-current form of marketing and tenant selection plan (the "Marketing and Tenant Selection Plan"), all in compliance with the restrictions set forth in **Exhibit A** and in form and substance acceptable to the City. Borrower must obtain the City's approval of reasonable alterations to the Marketing and Tenant Selection Plan. Borrower must market and rent the Units in the manner set forth in the Marketing and Tenant Selection Plan, as approved by the City. Before marketing any Units, Borrower must provide the City with updated implementation and contact information.

6.2 Affirmative Marketing and Tenant Selection Plan Requirements. Borrower's Marketing and Tenant Selection Plan must address how Borrower intends to market vacant Units and any opportunity for placement on the Waiting List, as defined in 6.5. The Marketing and Tenant Selection Plan shall include as many of the following elements as are appropriate to the Project, as determined by the City: [Add any project-specific requirements.]

(a) A reasonable accommodations policy that indicates how Borrower intends to market Units to disabled individuals, including an indication of the types of accessible Units in the Project, the procedure for applying, and a policy giving disabled individuals a priority in the occupancy of accessible Units.

(b) A plan that satisfies the requirement to give preference in occupying units first to Certificate of Preference Holders in accordance with the Operational Rules and the Preferences Ordinance.

(c) A plan that satisfies the requirement to give preference in occupying units second to Displaced Tenant Preference Certificate Holders in accordance with the Operational Rules and the Preferences Ordinance; provided, however, that depending on the requirements of non-City funding approved by the City for the Project, the preferences set forth in this paragraph may not apply.

(d) A list of local neighborhood newspapers, community-oriented radio stations, on the internet and in other media that are likely to reach low-income households in which the apartments will be advertised. All advertising must display the Equal Housing Opportunity logo.

(e) Copies of draft notices to be sent to neighborhood-based, nonprofit housing corporations and other low-income housing advocacy organizations that maintain waiting lists or make referrals for below-market-rate housing.

(f) Notices to SFHA.

(g) Notices to MOHCD.

(h) To the extent practicable, Borrower must give preference to potential tenants who have been displaced from other units in the City by rehabilitation or construction work financed in whole or part by the City. To implement this requirement, Borrower agrees to

give preferential consideration to applications of displaced persons provided to Borrower by the City.

(i) To the extent practicable, without holding Units off the market, the community outreach efforts listed above must take place before advertising vacant Units or open spots on the Waiting List to the general public.

(j) An acknowledgement that, with respect to vacant Units, the marketing elements listed above shall only be implemented if there are no qualified applicants interested or available from the Waiting List.

6.3 Marketing and Tenant Selection Plan & Tenant Screening Criteria Requirements.

(a) Borrower's Marketing and Tenant Selection Plan shall comply with the requirements of the Tenant Selection Plan Policy as set forth in the attached **Exhibit H**. The Marketing and Tenant Selection Plan must be kept on file at the Project at all times.

(b) Borrower's tenant screening criteria must comply with the Tenant Screening Criteria Policy set forth in the attached **Exhibit I**.

6.4 Marketing Records. Borrower must keep records of: (a) activities implementing the Marketing and Tenant Selection Plan; (b) advertisements; and (c) other community outreach efforts.

6.5 Waiting List. Borrower's Marketing and Tenant Selection Plan must contain, at a minimum, policies and criteria that provide for the selection of tenants from a written waiting list that complies with the Marketing and Tenant Selection Plan (the "Waiting List"). Each Waiting List shall be valid for a six (6) month period following the lottery date, at which time such Waiting List shall expire. The Marketing and Tenant Selection Plan may allow an applicant to refuse an available Unit for good cause without losing standing on the Waiting List but shall limit the number of refusals without cause as approved by the City. The Waiting List and the previous expired Waiting Lists must be kept on file at the Project for three (3) years after the expiration of such lists.

ARTICLE 7. AFFORDABILITY AND OTHER LEASING RESTRICTIONS.

7.1 Term of Leasing Restrictions. Borrower acknowledges and agrees that the covenants and other leasing restrictions set forth in this Article will remain in full force and effect for the Compliance Term and survive the prior repayment or other satisfaction of the Loan, termination of this Agreement or reconveyance of the SSP Deed of Trust and PASS Deed of Trust; and (b) following the expiration of the Compliance Term with respect to any Unit then occupied by a Qualified Tenant, until the Qualified Tenant voluntarily vacates his/her Unit or is evicted lawfully for just cause.

7.2 Borrower's Covenant; Rent Restrictions.

(a) Borrower covenants to rent all Units at all times to households certified as Qualified Tenants at initial occupancy and at the Rent described in this Agreement. Notwithstanding the foregoing, only 66% of the households occupying Units on the Agreement Date must be income certified as Qualified Tenants on the Agreement Date, provided that all such households enter into a lease with Borrower in a form approved by City on or before the Agreement Date. Borrower may include any Units that are vacant as of the Agreement Date in its calculation of the percentage of Qualified Tenants, using the maximum household income allowable set forth in **Exhibit A** for each such Unit, so long as Borrower rents the Units to Qualified Tenants at such rates. Borrower will rent all Units that are occupied as of the Agreement Date at the initial Rent set forth in **Exhibit A**, as adjusted thereafter in accordance with this **Section 7**.

(b) A Qualified Tenant at initial occupancy may not be required to vacate the Unit due to subsequent rises in household income. In no event will any Qualified Tenant be required to pay Rent in excess of 30% of 120% Median Income except as provided in **Section 7.3(d)**.

(c) Required Rents for the Units as of the Agreement Date will be as set forth in **Exhibit A**.

(d) After the Agreement Date, the Rent for each Unit that becomes vacant shall be set at the amount necessary to bring the Project's combined average Rents for all Units as close as is possible to the amount calculated as 30% of 80% Median Income, but no more than 30% of 120% Median Income.

7.3 Rent Adjustments and Restrictions. Rent for all Units shall be increased annually by the greater of: (x) the percentage change in annual operating expenses, up to a maximum of 3.5%, or (y) 2%, except as follows:

(a) Phased Increases. [Delete and re-letter sections and section references if no phased increases] Increases in Rent for existing Qualified Tenants occupying Units ___ and ___ shall be increased on the specified anniversaries of the Agreement Date according to the table set forth in **Exhibit A**. After such phased increases, Rent shall be adjusted as otherwise described in this **Section 7**.

(a) Reserved.

(b) Severely Rent Burdened Qualified Tenants. If the Rent increase described in this **Section 7** results in any Qualified Tenant household becoming Severely Rent Burdened, Borrower is not required to increase the Rent of the Severely Rent Burdened Qualified Tenant until such time as the Qualified Tenant is no longer Severely Rent Burdened, provided that: (i) Borrower first demonstrates to the satisfaction of MOHCD, in MOHCD's sole discretion, that the Project maintains short- and long-term financial sustainability in the form of positive cash flow, adequately funded reserves, and other indicators as MOHCD may reasonably request; (ii) at each annual income recertification, the ability of all households to pay required rent increases will be reassessed, as will the Borrower cash flow, to ensure short- and long-term financial sustainability if Borrower elects not to impose the required annual Rent increase for any Severely

Rent Burdened Qualified Tenant; and (iii) all Regulatory Obligations continue to be met. Similarly, if the circumstances described in this subsection are met, a Unit becomes vacant and a Qualified Tenant demonstrates to Borrower that it is Severely Rent Burdened, Borrower may reduce such Qualified Tenant's Rent to a level no lower than 40% of that Qualified Tenant's gross monthly income, thus resulting in a higher Rent that will be required for the vacant Unit. If more than one Qualified Tenant is eligible for such a Rent reduction, the reduction shall be equally distributed among such eligible Qualified Tenants.

(c) Recovery of Project Expenses. With the City's prior written approval, Rent increases for Units exceeding the amounts permitted by the first sentence of **Section 7.3** may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) in no event may single or aggregate Rent increases exceed ten percent (10%) per year unless such an increase is contemplated in a City-approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed 30% of 120% Median Income. The City's approval for such Rent increases under this subsection shall not be unreasonably withheld.

(d) Rent Subsidy Programs. For those households that hold rent subsidy vouchers, such as Section 8 and VASH, on an annual basis Borrower shall request and use best efforts to receive an increase in contract rent equivalent to the percentage change in Fair Market Rent or equivalent payment standard, whichever is greater. For any Qualified Tenant participating in a rent or operating subsidy program where the rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program, and provided the Qualified Tenant paid portion of Rent does not exceed 30% of 120% Median Income. For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, there is no limit on the increase in Rent charged as long as it does not exceed 30% of 120% Median Income.

(e) Recovery of Property Tax Increases. In addition to the Rent increases contemplated in this **Section 7** and with the City's prior written approval, if a Qualified Tenant's household income exceeds eighty percent (80%) of California Median Income (as published by the California Department of Housing and Community Development) during occupancy of a Unit, Borrower may adjust the charges for Rent for such Qualified Tenant to absorb the amount of property taxes attributable to the Qualified Tenant's Unit as a result of the loss of the State of California's welfare exemption for low-income housing properties. The City may, in its sole discretion, require that Rent increases allowed under this subsection be implemented over a period of time in order to reduce the burden on an existing Qualified Tenant. Rents charged under this subsection may not exceed 30% of 120% Median Income. The City's approval for such Rent increases shall not be unreasonably withheld. If such Qualified Tenant's household income subsequently decreases and the Unit becomes eligible for the California welfare property tax exemption, Borrower may reduce such Qualified Tenant's Rent by the amount of property tax savings attributable to the Qualified Tenant's Unit, as provided in **Section 7.3(b)**.

(f) Excess Rent. If Borrower increases Rents or offers a vacant Unit for rent at a rate that exceeds the rules described in this Agreement, the resulting excess cash flow will be

paid by Borrower to the Qualified Tenants who were overcharged, and Borrower's actions will constitute an Event of Default pursuant to **Section 19**.

7.4 Certification.

(a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project must be required to sign and deliver to Borrower a certification in the form shown in **Exhibit C** in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant. In addition, each person must provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective Qualified Tenant's income. Certifications provided to and accepted by the SFHA will satisfy this requirement.

(b) Each Qualified Tenant in the Project must recertify to Borrower on an annual basis his/her household income.

(c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year must be maintained on file at Borrower's principal office, and Borrower must file or cause to be filed copies thereof with the City promptly upon request by the City.

7.5 Form of Lease. The form of lease for Qualified Tenants must provide for termination of the lease and consent to immediate eviction for failure to qualify as a Qualified Tenant if the Qualified Tenant has made any material misrepresentation in the initial income certification.

7.6 Nondiscrimination. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Qualified Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.

7.7 Security Deposits. Security deposits may be required of tenants only in accordance with applicable state law and this Agreement. Any security deposits collected must be segregated from all other funds of the Project in an Account held in trust for the benefit of the tenants and disbursed in accordance with California law. The balance in the trust account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits returned to tenants.

[Delete the following and renumber if Project does not have Commercial Space.]

7.8 Commercial Space. All leases of Commercial Space must be to a bona fide third party tenant capable of performing its financial obligations under its lease, which must reflect arms'-length transactions at the then-current market rental rates for comparable space, *provided that*, leases for Public Benefit Purposes may be at below-market rates so long as the sum of Project Income and Commercial Income meets approved cash flow requirements for the Project. Allowed uses of Commercial Space must be consistent with all applicable development plans and local planning and building codes and be reasonably compatible with the design and purpose of the Project. If a lease of Commercial Space does not restrict its use to Public Benefit Purposes, all Surplus Cash generated from the lease shall (a) then be directed toward repayment of the Loan; or (b) be used for a Public Benefit Purpose. All Surplus Cash shall be subject to the MOHCD Policy on the Use of Residual Receipts.

ARTICLE 8 MAINTENANCE AND MANAGEMENT OF THE PROJECT.

8.1 Borrower's Responsibilities.

(a) Subject to the rights set forth in **Section 8.2**, Borrower will be specifically and solely responsible for causing all maintenance, repair and management functions performed in connection with the Project, including selection of tenants, recertification of income and household size, evictions, collection of rents, routine and extraordinary repairs and replacement of capital items. Borrower must maintain or cause to be maintained the Project, including the Units and common areas, in a safe and sanitary manner in accordance with local health, building and housing codes, California Health and Safety Code 17920:10 and any applicable provisions of 24 CFR Part 35.

8.2 Contracting With Management Agent.

(a) Borrower may contract or permit contracting with a management agent for the performance of the services or duties required in **Section 8.1(a)**, subject to the City's prior written approval of both the management agent and, at the City's discretion, the management contract between Borrower and the management agent, *provided, however*, that the arrangement will not relieve Borrower of responsibility for performance of those duties. Any management contract must contain a provision allowing Borrower to terminate the contract without penalty upon no more than thirty (30) days' notice. As of the Agreement Date, the City has approved [Name of Borrower's management agent] as Borrower's management agent, subject to approval of the management contract.

(b) The City will provide written notice to Borrower of any determination that the contractor performing the functions required in **Section 8.1(a)** has failed to operate and manage the Project in accordance with this Agreement. If the contractor has not cured the failure within a reasonable time period, as determined by the City, Borrower must exercise its right of termination immediately and make immediate arrangements for continuous and continuing performance of the functions required in **Section 8.1(a)**, subject to the City's approval.

8.3 Borrower Management. Borrower may manage the Project itself only with the City's prior written approval. The City will provide written notice to Borrower of any determination that Borrower has failed to operate and manage the Project in accordance with this Agreement, in which case, the City may require Borrower to contract or cause contracting with a management agent to operate the Project, or to make other arrangements the City deems necessary to ensure performance of the functions required in **Section 8.1(a)**.

ARTICLE 9 GOVERNMENTAL REQUIREMENTS.

9.1 Borrower Compliance. Borrower must comply, and where applicable, require its contractors to comply, with all applicable Laws governing the use of Funds for the construction, rehabilitation and/or operation of the Project, including those set forth in **Exhibit E**. Borrower acknowledges that its failure to comply with any of these requirements will constitute an Event of Default under this Agreement. Subject to **Section 23.1**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

ARTICLE 10 PROJECT MONITORING, REPORTS, BOOKS AND RECORDS.

10.1 Generally.

(a) Borrower understands and agrees that it will be monitored by the City from time to time to assure compliance with all terms and conditions in this Agreement and all Laws. Borrower acknowledges that the City may also conduct periodic on-site inspections of the Project. Borrower must cooperate with the monitoring by the City and ensure full access to the Project and all information related to the Project as reasonably required by the City.

(b) Borrower must keep and maintain books, records and other documents relating to the receipt and use of all Funds, including all documents evidencing any Project Income and Project Expenses. Borrower must maintain records of all income, expenditures, assets, liabilities, contracts, operations, tenant eligibility and condition of the Project. All financial reports must be prepared and maintained in accordance with GAAP as in effect at the time of performance.

(c) Borrower must provide written notice of the replacement of its executive director, director of housing development, director of property management and/or any equivalent position within thirty (30) days after the effective date of such replacement.

10.2 Reserved

10.3 Annual Reporting. Borrower must file with the City annual report forms (the "Annual Monitoring Report") that include audited financial statements with an income and expense statement for the Project covering the applicable reporting period, a statement of balances, deposits and withdrawals from all Accounts, line item statements of Project Expenses, Project Income, Residual Receipts and any Distributions made, evidence of required insurance, a description of marketing activities and a rent roll, no later than one hundred fifty (150) days after

the end of Borrower's fiscal year. The Annual Monitoring Report must be in substantially the form attached as **Exhibit G** or as later modified during the Compliance Term.

10.4 Capital Needs Assessment. Borrower must deliver to MOHCD an updated CNA every seven (7) years after the Completion Date for approval. The updated CNA must include an analysis of Borrower's actual expenditures for capital needs compared to the most recently approved CNA, Borrower's 20-Year Proforma and initial Annual Operating Budget and its then-current Annual Operating Budget.

[Use first alternative for direct financing. Use second alternative for takeout financing.]

[10.5 Project Completion Report. Within the specific time periods set forth below after the completion of rehabilitation or construction, the lease-up and/or permanent financing of the Project, as applicable, Borrower must provide to the City the reports listed below certified by Borrower to be complete and accurate. Subsequent to the required submission of the reports listed below, Borrower shall provide to the City information or documents reasonably requested by the City to assist in the City's review and analysis of the submitted reports:

(a) within one hundred-eighty (180) days after the Completion Date, a report on use of Small Disadvantaged Business Enterprises as defined in the SBE Manual, including the type of work and the dollar value of such work;

(b) within ninety (90) days after the Completion Date, a report demonstrating compliance with all requirements regarding relocation, including the names of all individuals or businesses occupying the Site on the date of the submission of the application for Funds, those moving in after that date, and those occupying the Site upon completion of the Project.

(c) within one hundred-eighty (180) days after the Completion Date, and if the Project has used federal funds, a report demonstrating compliance with all requirements regarding HUD Section 3 and MOHCD Section 3 hiring goals, including documentation of total labor hours worked on the Project, total Section 3 hours worked, total wages paid, total Section 3 wages paid, and the names of all individuals employed to comply with the Section 3 and Section 3 goals, including the total hours worked for each individual and total wages paid to each individual.]

[10.5 Reserved]

10.6 Response to Inquiries. At the request of the City, its agents, employees or attorneys, Borrower must respond promptly and specifically to questions relating to the income, expenditures, assets, liabilities, contracts, operations and condition of the Project, the status of any mortgage encumbering the Project and any other requested information with respect to Borrower or the Project.

10.7 Delivery of Records. At the request of the City, made through its agents, employees, officers or attorneys, Borrower must provide the City with copies of each of the following documents, certified in writing by Borrower to be complete and accurate:

(a) all tax returns filed with the United States Internal Revenue Service, the California Franchise Tax Board and/or the California State Board of Equalization on behalf of Borrower and any general partner or manager of Borrower;

(b) all certified financial statements of Borrower and, if applicable, its general partner or manager, the accuracy of which must be certified by an auditor satisfactory to the City; and

(c) any other records related to Borrower's ownership structure and the use and occupancy of the Site.

10.8 Access to the Project and Other Project Books and Records. In addition to Borrower's obligations under Sections 2.4, 10.1, 10.3, 10.4, 10.6 and 10.7 and any other obligations to provide reports or maintain records in any City Document, Borrower agrees that duly authorized representatives of the City will have: (a) access to the Project throughout the Compliance Term to monitor the progress of work on the Project and compliance by Borrower with the terms of this Agreement; and (b) access to and the right to inspect, copy, audit and examine all books, records and other documents Borrower is required to keep at all reasonable times, following reasonable notice, for the retention period required under Section 10.9

10.9 Records Retention. Borrower must retain all records required for the periods required under applicable Laws.

ARTICLE 11 USE OF INCOME FROM OPERATIONS.

11.1 Project Operating Account.

(a) Borrower must deposit all Project Income promptly after receipt into a segregated depository account (the "Project Operating Account") established exclusively for the Project. Withdrawals from the Project Operating Account may be made only in accordance with the provisions of this Agreement and the approved Annual Operating Budget, as it may be revised from time to time with the City's approval. Borrower may make withdrawals from the Project Operating Account solely for the payment of Project Expenses. Withdrawals from the Project Operating Account (including accrued interest) for other purposes may be made only with the City's express prior written approval.

(b) Borrower must keep accurate records indicating the amount of Project Income deposited into and withdrawn from the Project Operating Account and the use of Project Income. Borrower must provide copies of the records to the City upon request.

ARTICLE 12 REQUIRED RESERVES.

12.1 Replacement Reserve Account.

(a) Commencing no later than sixty (60) days after the Agreement Date, or any other date the City designates in writing, Borrower must establish or cause to be established

a segregated interest-bearing replacement reserve depository account (the "Replacement Reserve Account"). On or before the 15th day of each third month following establishment of the Replacement Reserve Account, Borrower must make quarterly deposits from Project Income into the Replacement Reserve Account in the amount necessary to meet the requirements of this Section. The City may review the adequacy of deposits to the Replacement Reserve Account periodically and require adjustments as it deems necessary.

(b) Borrower must make an initial deposit into the Replacement Reserve Account in an amount equal to [Amount in text (\$_____)]. Thereafter, quarterly deposits must equal the higher of (i) the amount needed under Borrower's approved Capital Needs Assessment (CNA), or (ii) 1/4th of the applicable amount set forth in the chart below. Borrower may request adjustments every seven (7) years based on its most recently approved CNA.

No. of Units	Replacement Reserve Deposits Per-Unit, Per-Year
Less than or equal to 10	400
11-25	350

(c) In addition, if at any time the balance of the Replacement Reserve Account is below one and a half (1.5) times the original capitalized replacement reserve balance set forth in Section 12.1(b) above, Borrower shall deposit into the Replacement Reserve Account the funds that would otherwise be allocated to the City's share of Residual Receipts until it reaches that amount. Any Residual Receipts remaining above that amount shall be paid to the City in accordance with the Notes.

(d) Borrower may withdraw funds from the Replacement Reserve Account solely to fund capital improvements for the Project, such as replacing or repairing structural elements, furniture, fixtures or equipment of the Project that are reasonably required to preserve the Project. Borrower may not withdraw funds (including any accrued interest) from the Replacement Reserve Account for any other purpose without the City's prior written approval.

12.2 Operating Reserve Account.

(a) Commencing no later than sixty (60) days after the Agreement Date, or any other date the City designates in writing, Borrower must establish or cause to be established a segregated interest-bearing operating reserve depository account (the "Operating Reserve Account") by depositing funds in an amount equal to [Amount in text (\$_____)]. The City may review the adequacy of deposits to the Operating Reserve Account periodically and require adjustments as it deems necessary.

(b) No less than annually after establishing the Operating Reserve Account and continuing until the Compliance Term has expired, Borrower must make additional deposits, if necessary, to bring the balance in the Operating Reserve Account to an amount equal to twenty-five percent (25%) of the prior year's actual Project Expenses.

(c) Borrower may withdraw funds from the Operating Reserve Account solely to alleviate cash shortages resulting from unanticipated and unusually high maintenance expenses, seasonal fluctuations in utility costs, abnormally high vacancies and other expenses that vary seasonally or from month to month in the Project. Borrower may not withdraw funds (including any accrued interest) from the Operating Reserve Account for any other purpose without the City's prior written approval.

[If approved in the Loan Evaluation, tenant improvement and replacement reserves may be established for Projects with Commercial Space. Sample language below.]

12.3 Commercial Space Reserve Account(s). In addition to the reserve requirements set forth above, Borrower may establish the following reserve accounts: (a) a tenant improvements reserve in the amount of [Amount in text (\$ _____)]; and (b) a replacement reserve account for the Commercial Space in an amount equal to [amount in text (\$ _____)].

[Update numbering if above is included]

12.3 Other Reserve Requirements. Borrower shall establish an interest-bearing vacancy reserve depository account for the [Add requirements for any other project-specific reserve accounts: "Vacancy Reserve Account" to cover lost monthly rental income during the rehabilitation of Unit[s] __ in the amount of \$ _____ (the "Initial Deposit") into the Vacancy Reserve Account on the Agreement Date.

Borrower may use the funds from the Initial Deposit only for the payment of Project Expenses, and may only withdraw amounts each month equivalent to what would have been the monthly rent for the Units that are vacant due to the Project rehabilitation. If the Unit __ rehabilitation is completed in less than twelve (12) months from the Agreement Date, the remaining balance from the Initial Deposit shall be deposited in the Operating Reserve Account.]

ARTICLE 13 DISTRIBUTIONS.

13.1 Definition. "Distributions" refers to cash or other benefits received as Project Income from the operation of the Project and available to be distributed to Borrower or any party having a beneficial interest in the Project, but does not include reasonable payments for property management, asset management or other services performed in connection with the Project.

13.2 Conditions to Distributions. The 20-Year Cash Flow Proforma attached hereto as Exhibit B-2 includes projections of annual Distributions. Exhibit B-2 is not intended to impose limits on the amounts to be annually distributed. Distributions for a particular fiscal year may be made only following: (a) City approval of the Annual Monitoring Report submitted for that year; (b) the City's determination that Borrower is not in default under this Agreement or any other agreement entered into with the City and County of San Francisco or the City for the Project; and (c) the City's determination that the amount of the proposed Distribution satisfies the conditions of this Agreement. The City will be deemed to have approved Borrower's written request for approval of a proposed Distribution unless the City delivers its disapproval or request for more information to Borrower within thirty (30) business days after the City's receipt of the request for approval.

13.3 Prohibited Distributions. No Distribution may be made in the following circumstances:

- (a) when a written notice of default has been issued by any entity with an equitable or beneficial interest in the Project and the default is not cured within the applicable cure periods; or
- (b) when the City determines that Borrower or Borrower's management agent has failed to comply with this Agreement; or
- (c) if required debt service on all loans secured by the Project and all operating expenses have not been paid current; or
- (d) if the Replacement Reserve Account, Operating Reserve Account or any other reserve account required for the Project is not fully funded under this Agreement; or
- (e) if the Loan is to be repaid from Residual Receipts, Borrower failed to make a payment when due on a Payment Date and the sum remains unpaid; or
- (f) during the pendency of an uncured Event of Default (including Borrower's failure to provide its own funds at any time the City determines the Loans are out of balance) under any City Document.

13.4 Borrower's Use of Residual Receipts for Development. To the extent that making a Distribution is not inconsistent with any other financing agreement for the Project, and subject to the limitations in this Article, with the City's prior written approval, Borrower may retain a portion of Residual Receipts in lieu of using them to repay the Loan in an amount consistent with the Residual Receipts Policy attached hereto as Exhibit K. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the Notes.

ARTICLE 14 SYNDICATION PROCEEDS.

14.1 Distribution and Use. If Borrower is a limited partnership or limited liability company, and unless otherwise approved by the City in writing, Borrower must allocate, distribute and pay or cause to be allocated, distributed and paid all net syndication proceeds and all loan and grant funds as specified in the Table. Borrower must notify the City of the receipt and disposition of any net syndication proceeds received by Borrower during the term of this Agreement.

ARTICLE 15 DEVELOPER FEES.

15.1 Amount. Borrower is entitled to receive fees from the Loan in a total amount not to exceed [Amount in text] Dollars (\$[Numerical amount]) for developing the Project ("Developer Fees"), payable as described in **Section 15.2**.

[Use for Direct Financing, or delete for Take Out Financing.]

15.2 Payment.

(a) At Completion. If any Loan proceeds remain after payment of all costs and expenses described in **Exhibit B-1**, excluding Borrower's Development Consulting Fee in the amount of [amount in text] Dollars (\$ _____) and the Developer Overhead/Profit (Fee) in the amount of [amount in text] Dollars (\$ _____), and following issuance by the San Francisco Department of Building Inspection of a Notice of Completion or similar document approved by MOHCD signifying full completion of the rehabilitation of the Site, Borrower shall receive such Loan proceeds up to the amount of the Developer Fees on the Completion Date. In its sole discretion, MOHCD may withhold the portion of Developer Fees payable to Borrower on the Completion Date by the amount of any development costs incurred in connection with the Project that exceed the Project's projected \$ _____ total development costs, up to \$ _____.

(b) From Residual Receipts. Subject to **Section 12.1(c)**, if any Developer Fee remains unpaid after Completion excluding any portion of the Developer Fee withheld by MOHCD pursuant to **Section 5.2(a)**, 50% of Residual Receipts shall be retained by Borrower in payment of its remaining unpaid Developer Fee and 50% of Residual Receipts shall be used to repay the Loan, until such time as the full remaining unpaid Developer Fee is paid.

(c) From Refinancing Proceeds. If any Developer Fee remains unpaid at the time Borrower refinances the Project, the remaining unpaid fee may be paid out of the proceeds from the refinancing of the Project.

ARTICLE 16 TRANSFERS.

16.1 Permitted Transfers/Consent. Borrower may not cause or permit any voluntary transfer, assignment or encumbrance of all or any portion of its interest in the Site or Project or of any ownership interests in Borrower, or lease or permit a sublease on all or any part of the Project, other than: (a) leases, subleases or occupancy agreements to occupants of Units; or [(b) leases, subleases, or occupancy agreements for the Commerical Space with City's prior approval;] (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.

ARTICLE 17 INSURANCE AND BONDS.

17.1 Borrower's Insurance. Subject to approval by the City's Risk Manager of the insurers and policy forms, Borrower must obtain and maintain, or cause to be obtained and

maintained, insurance and bonds as set forth in **Exhibit L** throughout the Compliance Term of this Agreement at no expense to the City.

ARTICLE 18 GOVERNMENTAL APPROVALS.

18.1 Compliance. Borrower covenants that it has obtained or will obtain in a timely manner and comply with all federal, state and local governmental approvals required by Law to be obtained for the Project. Subject to **Section 23.1**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

ARTICLE 19 DEFAULT.

19.1 Event of Default. Any material breach by Borrower of any covenant, agreement, provision or warranty contained in this Agreement or in any of the City Documents that remains uncured upon the expiration of any applicable notice and cure periods contained in any City Document will constitute an "Event of Default," including the following:

(a) Borrower fails to make any payment required under this Agreement within ten (10) days after the date when due; or

(b) Any lien is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the SSP Deed of Trust, the PASS Deed of Trust, or the Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(c) Borrower fails to perform or observe any other term, covenant or agreement contained in any City Document, and the failure continues for thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(d) Any representation or warranty made by Borrower in any City Document proves to have been incorrect in any material respect when made; or

(e) All or a substantial or material portion of the improvements on the Site is damaged or destroyed by fire or other casualty, and the City has determined upon restoration or repair that the security of the SSP Deed of Trust or the PASS Deed of Trust has been impaired or that the repair, restoration or replacement of the improvements in accordance with the requirements of the SSP Deed of Trust and PASS Deed of Trust is not economically practicable or is not completed within two (2) years of the receipt of insurance proceeds; or all or a

substantial or material portion of the improvements is condemned, seized or appropriated by any non-City Governmental Agency or subject to any action or other proceeding instituted by any non-City Governmental Agency for any purpose with the result that the improvements cannot be operated for their intended purpose; or

(f) Borrower is dissolved or liquidated or merged with or into any other entity; or, if Borrower is a corporation, partnership, limited liability company or trust, Borrower ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than ten (10) days; or, if Borrower is an individual, Borrower dies or becomes incapacitated; or all or substantially all of the assets of Borrower are sold or otherwise transferred except as permitted under **Section 16.1**; or

(g) Without the City's prior written consent, Borrower assigns or attempts to assign any rights or interest under any City Document, whether voluntarily or involuntarily, except as permitted under **Section 16.1**; or

(h) Without the City's prior written consent, Borrower voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any portion of the ownership interests in Borrower or of its right, title or interest in the Project or the Site except as permitted under **Article 16**; or

(i) Without the City's prior written consent, Borrower transfers, or authorizes the transfer of, funds in any Account required or authorized under this Agreement; or

(j) The SSP Deed of Trust, the PASS Deed of Trust, or the Declaration of Restrictions ceases to constitute a valid and indefeasible perfected lien on the Site and improvements, subject only to Permitted Exceptions; or

(k) Borrower is subject to an order for relief by the bankruptcy court, or is unable or admits in writing its inability to pay its debts as they mature or makes an assignment for the benefit of creditors; or Borrower applies for or consents to the appointment of any receiver, trustee or similar official for Borrower or for all or any part of its property (or an appointment is made without its consent and the appointment continues undischarged and unstayed for sixty (60) days); or Borrower institutes or consents to any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, custodianship, conservatorship, liquidation, rehabilitation or similar proceeding relating to Borrower or to all or any part of its property under the laws of any jurisdiction (or a proceeding is instituted without its consent and continues undismissed and unstayed for more than sixty (60) days); or any judgment, writ, warrant of attachment or execution or similar process is issued or levied against the Site, the improvements or any other property of Borrower and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(l) Any material adverse change occurs in the financial condition or operations of Borrower, such as a loss of services funding or rental subsidies, that has a material adverse impact on the Project; or

(m) Borrower fails to make any payments or disbursements required to bring the Loan in balance after the City determines that the Loan is out of balance; or

(n) Borrower ceases rehabilitation or construction of the Project for a period of fifteen (15) consecutive working days, and the cessation is not excused under **Section 19.3**; or

(o) Borrower is in default of its obligations with respect to any funding obligation (other than the Loan) for the Project, and the default remains uncured following the expiration of any applicable cure periods; or

(p) Borrower is in default of its obligations under any other agreement entered into with the City and County of San Francisco, and the default remains uncured following the expiration of any applicable cure periods.

19.2 Remedies. During the pendency of an uncured Event of Default, the City may exercise any right or remedy available under this Agreement or any other City Document or at law or in equity. All of the City's rights and remedies following an Event of Default are cumulative, including:

(a) The City at its option may declare the unpaid principal balance of the Notes, together with default interest as provided in the Notes and any other charges due under the Notes and the other City Documents, immediately due and payable without protest, presentment, notice of dishonor, demand or further notice of any kind, all of which Borrower expressly waives.

(b) The City at its option may terminate all commitments to make Disbursements or to release the Site from the SSP Deed of Trust, the PASS Deed of Trust, or the Declaration of Restrictions, or, without waiving the Event of Default, the City may determine to make further Disbursements or to release all or any part of the Site from the SSP Deed of Trust, the PASS Deed of Trust, or the Declaration of Restrictions upon terms and conditions satisfactory to the City in its sole discretion.

(c) The City may perform any of Borrower's obligations in any manner, in the City's reasonable discretion.

(d) The City, either directly or through an agent or court-appointed receiver, may take possession of the Project and enter into contracts and take any other action the City deems appropriate to complete or construct all or any part of the improvements, subject to modifications and changes in the Project the City deems appropriate.

(e) The City may apply to any court of competent jurisdiction for specific performance, or an injunction against any violation, of this Agreement or for any other remedies or actions necessary or desirable to correct Borrower's noncompliance with this Agreement.

(f) Upon the occurrence of an Event of Default described in **Section 19.1(k)**, the unpaid principal balance of the Notes, together with default interest as provided in the Notes and any other charges due under the Notes and the other City Documents, will become due and payable automatically. [Be sure that this provision correctly refers to the Subsection on bankruptcy/insolvency default. This is a bankruptcy-specific provision. It does not duplicate § 19.2(a) and may NOT be deleted.]

(g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Notes, even if it causes the principal balance to exceed the face amount of the Notes, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.

19.3 Force Majeure. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes for either; governmental restrictions, regulations or controls; judicial orders; enemy or hostile governmental actions; civil commotion; fire or other casualty and other causes beyond the control of the party obligated to perform. The occurrence of a force majeure event will excuse Borrower's performance only in the event that Borrower has provided notice to the City within thirty (30) days after the occurrence or commencement of the event or events, and Borrower's performance will be excused for a period ending thirty (30) days after the termination of the event giving rise to the delay.

ARTICLE 20 REPRESENTATIONS AND WARRANTIES.

20.1 Borrower Representations and Warranties. As a further inducement for the City to enter into this Agreement, Borrower represents and warrants as follows:

(a) The execution, delivery and performance of the City Documents will not contravene or constitute a default under or result in a lien upon assets of Borrower under any applicable Law, any Charter Document of Borrower or any instrument binding upon or affecting Borrower, or any contract, agreement, judgment, order, decree or other instrument binding upon or affecting Borrower.

(b) When duly executed, the City Documents will constitute the legal, valid and binding obligations of Borrower. Borrower hereby waives any defense to the enforcement of the City Documents related to alleged invalidity of the City Documents.

(c) No action, suit or proceeding is pending or threatened that might affect Borrower or the Project adversely in any material respect.

(d) Borrower is not in default under any agreement to which it is a party, including any lease of real property.

(e) None of Borrower, Borrower's principals or Borrower's general contractor has been suspended or debarred by the Department of Industrial Relations or any Governmental Agency, nor has Borrower, any of its principals or its general contractor been suspended, disciplined or prohibited from contracting with any Governmental Agency.

(f) The Loan is in balance, and the Funding Amount, together with all other committed sources of financing for the Project, are sufficient to complete the Project in accordance with this Agreement.

(g) All statements and representations made by Borrower in connection with the Loan remain true and correct as of the date of this Agreement.

ARTICLE 21 NOTICES.

21.1 Written Notice. All notices required by this Agreement must be made in writing and may be communicated by personal delivery, by a nationally recognized courier that obtains receipts, facsimile (if followed within one (1) business day by first class mail) or by United States certified mail, postage prepaid, return receipt requested. Delivery will be deemed complete as of the earlier of actual receipt (or refusal to accept proper delivery) or five (5) days after mailing, *provided that* any notice that is received after 5 p.m. on any day or on any weekend or holiday will be deemed to have been received on the next succeeding business day. Notices must be addressed as follows:

To the City: Mayor's Office of Housing and Community Development
1 South Van Ness Avenue, 5th Floor
San Francisco, CA 94103
Attn: Director

To Borrower: [Borrower's name]
[Borrower's address]
San Francisco, CA [Zip code]

or any other address a party designates from time to time by written notice sent to the other party in manner set forth in this Section.

21.2 Required Notices. Borrower agrees to provide notice to the City in accordance with Section 21.1 of the occurrence of any change or circumstance that: (a) will have an adverse effect on the physical condition or intended use of the Project; (b) causes the Loan to be out of balance; or (c) will have a material adverse effect on Borrower's operation of the Property or ability to repay the Loan.

[May add if requested.]

21.3 Notice to Limited Partner. The City agrees to deliver a copy of any notice of default to Borrower's limited partner at the address set forth below at the same time and in the same manner as notice is delivered to Borrower. The City's failure to deliver notice under this Section will not affect or impair the City's right to enforce its rights at law or in equity arising by reason of an Event of Default.

ARTICLE 22 HAZARDOUS SUBSTANCES.

22.1 Borrower's Representations. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct except as disclosed in the [Add reference here to any existing environmental reports and date] or otherwise in writing: (a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in residences and offices and in compliance with Environmental Laws; (c) the Site does not consist of any landfill or contain any underground storage tanks; (d) the improvements on the Site do not consist of any asbestos-containing materials or building materials that contain any other Hazardous Substances; (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on, under or about the Site; and (f) the Site is not subject to any claim by any Governmental Agency or third party related to any Environmental Activity or any inquiry by any Governmental Agency (including the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.

22.2 Covenant. Unless the City otherwise consents in writing, at all times from and after the date of this Agreement, at its sole expense, Borrower must: (a) comply with all applicable Environmental Laws relating to the Site and the Project, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Laws or that is not customary and incidental to the intended use of the Site, *provided that* nothing contained in this Section will prevent Borrower from contesting, in good faith and by appropriate proceedings, any interpretation or application of Environmental Laws; and (b) deliver to the City notice of the discovery by Borrower of any event rendering any representation contained in this Section incorrect in any respect promptly following Borrower's discovery.

ARTICLE 23 INDEMNITY.

23.1 Borrower's Obligations. Borrower must Indemnify the City and its respective officers, agents and employees (individually or collectively, an "Indemnitee") against any and all Losses arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in **Article 22** above); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) injury or death to persons or damage to property or other loss occurring on or in connection with the Site or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any action or inaction by the City under, the City Documents; (f) the occurrence, before the expiration of the Compliance Term, of any Environmental Activity or any failure of Borrower or any other person to comply with all applicable Environmental Laws relating to the Project or the Site; (g) the occurrence, after the Compliance Term, of any Environmental Activity resulting directly or indirectly from any Environmental Activity occurring before the Compliance Term; (h) any liability of any nature arising from Borrower's contest of or relating to the application of any Law, including any contest permitted under **Sections 9.1, 18.1 and 22.2**; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Governmental Agency, whether meritorious or not, that directly or indirectly relates to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (h) above, *provided that* no Indemnitee will be entitled to indemnification under this Section for matters caused solely by its own gross negligence or willful misconduct. In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower must answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

23.2 No Limitation. Borrower's obligations under **Section 23.1** are not limited by the insurance requirements under this Agreement.

ARTICLE 24 GENERAL PROVISIONS.

24.1 Subordination. The SSP Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a "Senior Lien"), but only if MOHCD determines, in its sole discretion, that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval.

24.2 No Third Party Beneficiaries. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.

24.3 No Claims by Third Parties. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Project. Borrower must include this requirement as a provision in any contracts for the development of the Project.

24.4 Entire Agreement. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. No alteration or variation of the terms of this Agreement will be valid unless made in writing and signed by the parties hereto. No oral understandings or agreements not incorporated herein will be binding on the City or Borrower.

24.5 City Obligations. The City's sole obligation under this Agreement is limited to providing the Funds as described in this Agreement, up to the Funding Amount. Under no circumstances, including breach of this Agreement, will the City be liable to Borrower for any special or consequential damages arising out of actions or failure to act by the City in connection with any of the City Documents.

24.6 Borrower Solely Responsible. Borrower is an independent contractor with the right to exercise full control of employment, direction, compensation and discharge of all persons assisting in the performance contemplated under this Agreement. Borrower is solely responsible for: (a) its own acts and those of its agents, employees and contractors and all matters relating to their performance, including compliance with Social Security, withholding and all other Laws governing these matters and requiring that contractors include in each contract that they will be solely responsible for similar matters relating to their employees; (b) any losses or damages incurred by Borrower, any of its contractors or subcontractors and the City and its officers, representatives, agents and employees on account of any act, error or omission of Borrower in the performance of this Agreement or any other City Document and the development and operation of the Project; and (c) all costs and expenses relating to Borrower's performance of obligations under the City Documents, the delivery to the City of documents,

information or items under or in connection with any of the City Documents and taxes, fees, costs or other charges payable in connection with the execution, delivery, filing and/or recording of any City Document or document required under any City Document.

24.7 No Inconsistent Agreements. Borrower warrants that it has not executed and will not execute any other agreement(s) with provisions materially contradictory or in opposition to the provisions of this Agreement.

24.8 Inconsistencies in City Documents. In the event of any conflict between the terms of this Agreement and any other City Document, the terms of this Agreement control unless otherwise stated; *provided, however*, that any provision in this Agreement in conflict with any Law will be interpreted subject to that Law.

24.9 Governing Law. This Agreement is governed by California law without regard to its choice of law rules.

24.10 Joint and Several Liability. If Borrower consists of more than one person or entity, each is jointly and severally liable to the City for the faithful performance of this Agreement.

24.11 Successors. Except as otherwise limited herein, the provisions of this Agreement bind and inure to the benefit of the undersigned parties and their heirs, executors, administrators, legal representatives, successors and assigns. This provision does not relieve Borrower of its obligation under the City Documents to obtain the City's prior written consent to any assignment or other transfer of Borrower's interests in the Loan, the Site or the ownership interests in Borrower.

24.12 Attorneys' Fees. If any legal action is commenced to enforce any of the terms of this Agreement or rights arising from any party's actions in connection with this Agreement, the prevailing party will have the right to recover its reasonable attorneys' fees (including allocated fees of the City Attorney's Office) and costs of suit from the other party, whether incurred in a judicial, arbitration, mediation or bankruptcy proceeding or on appeal. For the purposes of this Agreement, reasonable fees of attorneys in the City Attorney's office will be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter of law for which the City Attorney's services were rendered, who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney's Office. An award of attorneys' fees and costs will bear interest at the default rate under the Notes from the date of the award until paid.

24.13 Severability. The invalidity or unenforceability of any one or more provisions of this Agreement will in no way affect any other provision.

24.14 Time. Time is of the essence in this Agreement. Whenever the date on which an action must be performed falls on a Saturday, Sunday or federal holiday, the date for performance will be deemed to be the next succeeding business day.

24.15 Further Assurances. Borrower agrees to: (a) pursue in an effective and continuous manner; (b) use best efforts to achieve; and (c) take all actions reasonably required by the City from time to time to confirm or otherwise carry out the purpose of this Agreement.

24.16 Binding Covenants. The provisions of the City Documents constitute covenants running with the land and will be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title or interest in whatever form, including leasehold interests, in or to any part of the Property, except that the same will terminate and become void automatically at the expiration of the Compliance Term of this Agreement. Any attempt to transfer any right, title or interest in the Property in violation of these covenants will be void.

24.17 Consent. Except as expressly provided otherwise, whenever consent or approval of a party is required in any City Document, that party agrees not to withhold or delay its consent or approval unreasonably.

24.18 Counterparts. This Agreement may be executed in any number of counterparts, all of which will constitute but one agreement.

24.19 Borrower's Personnel. The Project shall be implemented only by competent personnel under the direction and supervision of Borrower.

24.20 Borrower's Board of Directors. Borrower shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in Borrower's bylaws and other governing documents, and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Borrower's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Borrower of its obligations under this Agreement.

First Source Hiring Requirements and Numerical Goals

[Required for all loan above \$200,000 or funded with Prop. A or HOME funds; otherwise ("Intentionally omitted.")]

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83) as incorporated into MOHCD's Section 3 Plan. [Use if CityBuild project: Sponsor shall work with CityBuild to meet Section 3 requirements.]

1. Section 3 Requirements.

(a) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u ("Section 3"), based on Borrower's receipt of City funds under MOHCD's Section 3 Plan. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3 be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing, to the greatest extent feasible.

(b) The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

(c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and to post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference and set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions and the qualifications for each, the name and location of the person(s) taking applications for each of the positions and the anticipated date work will begin.

(d) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135 and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

(e) The contractor will certify that any vacant employment positions, including training positions, that are filled: (i) after the contractor is selected but before

the contract is executed; and (ii) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

(f) Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default and debarment or suspension from future HUD assisted contracts.

2. Recommended Minimum Numerical Goals. Contractors may demonstrate compliance with the "greatest extent feasible" requirement of Section 3 by meeting the numerical goals set forth below for training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns, which represent minimum numerical goals.

(a) Training and Employment of Section 3 Residents (24 CFR § 135.30(b)). Contractors and subcontractors may demonstrate compliance by committing to employ Section 3 residents as thirty percent (30%) of the aggregate number of new hires (full-time employees for permanent, temporary or seasonal employment) and an overall goal of thirty percent (30%) of total work hours for the entire project.

(b) Contracts with Section 3 Business Concerns (24 CFR § 135.30). Contractors and subcontractors may demonstrate compliance with the requirements of this part by committing to award to Section 3 business concerns:

(i) At least ten percent (10%) of the total dollar amount of all Section 3 covered contracts for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and

(ii) At least three percent (3%) of the total dollar amount of all other Section 3 covered contracts.

EXHIBIT E
Governmental Requirements

1. Prevailing Wages and Working Conditions.

Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.61. Borrower agrees to require its Contractors and Subcontractors performing (i) labor in the construction of a "public work" as defined in California Labor Code Section 1720 et seq. (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling if paid for in whole or part out of public funds), or (ii) Covered Construction at the Project or Site to (1) pay workers performing such work not less than the Prevailing Rate of Wages, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, "Prevailing Wage Requirements"). Borrower agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements.

If applicable, Borrower shall include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract shall name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any Contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Borrower's failure to comply with its obligations under this Section shall constitute a material breach of the Agreement. A Contractor's or Subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party.

2. Environmental Review. The Project must meet the requirements of the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

3. Conflict of Interest.

(a) Except for approved eligible administrative or personnel costs, no employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower must incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will

be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it contracts and, in the event of a breach, Borrower must take prompt and diligent action to cause the breach to be remedied and compliance to be restored.

(b) Borrower represents that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2, and Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq.* of the California Government Code, all of which relate to prohibited conflicts of interest and prohibited contributions in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation. The City will notify its Ethics Commission of the parties to this Agreement in accordance with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code.

(c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.

4. Disability Access. Borrower must comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower must provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.

5. Lead-Based Paint. Borrower must satisfy the requirements of Chapter 36 of the San Francisco Building Code ("Work Practices for Exterior Lead-Based Paint") and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower must also comply with the provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.

6. Relocation. Borrower must meet any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 *et seq.*) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code and similar Laws. Borrower may use vacant Units in the Project to accommodate the temporary relocation of Qualified Tenants in other Small Sites Program Projects to complete rehabilitation for a period of up to 30 days, during which time, relocated Qualified Tenants must sign a relocation lease, approved as to form by the City, giving the relocated Qualified Tenant temporary right to the Unit for no more than a 30 day period. The use of Small Sites Program Units for temporary relocation applies only to other Small Sites Program Qualified Tenants and not to tenants residing in properties subject to other funding sources and/or program regulations.

7. First Source Hiring. Borrower agrees to comply with San Francisco Administrative Code, Chapter 83, as applicable.

8. Non-Discrimination in City Contracts and Benefits Ordinance.

(a) Borrower Shall Not Discriminate. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Subcontracts. Borrower shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code. Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(c) Non-Discrimination in Benefits. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Condition to Contract. As a condition to this Agreement, Borrower shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division.

(e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B ("Nondiscrimination in Contracts") and 12C ("Nondiscrimination in Property Contracts") of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Borrower understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions

of this Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.

9. MacBride Principles. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.

10. Tropical Hardwood & Virgin Redwood Ban. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

11. Preservative-Treated Wood Containing Arsenic. Borrower may not purchase preservative-treated wood products containing arsenic until the SSP Deed of Trust and PASS Deed of Trust have been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Borrower may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

12. Submitting False Claims; Monetary Penalties. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:

(a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval;

(b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;

(c) conspires to defraud the City by getting a false claim allowed or paid by the City;

(d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or

(e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

13. Sunshine Ordinance.

(a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting. [Substitute last sentence if Borrower is LP/LLC: Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.]

(b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable. [If Borrower is not a nonprofit corporation, may delete remainder of Subsection.] By executing this Agreement, Borrower agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the San Francisco Administrative Code. Borrower further agrees to make good faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Borrower acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. Borrower further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

(c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the loan will be used for a City Project, this Agreement

will not become effective until fifteen (15) days following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that this Agreement relates to a City Project and that the requisite sign has not been posted, Borrower must notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.

14. Prohibition on Use of Public Funds for Political Activities. Borrower shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. Borrower is subject to the enforcement and penalty provisions in Chapter 12G.

15. Nondisclosure of Private Information. Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information", and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.

16. Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

(a) Borrower shall remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any

mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

(b) Any failure of Borrower to comply with this section of this Agreement shall constitute an Event of Default of this Agreement.

17. Resource-Efficient Building Ordinance. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it shall comply with the applicable provisions of such code sections as such sections may apply to the Property.

18. Consideration of Criminal History in Hiring and Employment Decisions.

(a) Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Borrower's obligations under Chapter 12T is set forth in this Section. Borrower is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

(b) The requirements of Chapter 12T shall only apply to a Borrower's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, shall apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

(c) Borrower shall incorporate by reference in all subcontracts the provisions of Chapter 12T, and shall require all subcontractors to comply with such provisions. Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(d) Borrower or Subcontractor shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(e) Borrower or Subcontractor shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(f) Borrower or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(g) Borrower and Subcontractors shall post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.

(h) Borrower understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.

19. Food Service Waste Reduction Requirements. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.

20. Bottled Drinking Water. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- the applicant has a disability;
- reasonable accommodation or modification is necessary because of the disability; and
- the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider shall:
 - Hold a comparable unit for the household during the entire appeal process.
 - promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
 - give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
 - unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
 - confine the subject of the appeal to the reason for denial listed in the notice;
 - give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
 - have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
 - within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

EXHIBIT I

Tenant Screening Criteria Policy

The screening criteria and considerations outlined below encourage providers to “screen in” rather than “screen out” applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers shall not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
 - arrests that did not result in convictions, except for an open arrest warrant;
 - convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - juvenile adjudications.
- Housing providers shall consider:
 - the individual circumstances of each applicant; and
 - the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 7 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
 - mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;
 - (2) the age and/or circumstances of the applicant at the time of the offense;
 - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;

² The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

³ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release “from all penalties and disabilities resulting from the offense.”

- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

[Note: May delete the following section if inapplicable. Renumber if deleted.]

3. Commercial Space.

Borrower must require that all nonresidential tenants' liability insurance policies include Borrower and the City as additional insureds, as their respective interests may appear. Throughout the term of any lease of Commercial Space in the Project, Borrower must require commercial tenants to maintain insurance as follows:

(a) to the extent the tenant has "employees" as defined in the California Labor Code, workers' compensation insurance with employer's liability limits not less than One Million Dollars (\$1,000,000) each accident;

(b) commercial general liability insurance, with limits not less than One Million Dollars (\$1,000,000) each occurrence, combined single limit for bodily injury and property damage, including coverage for contractual liability; personal injury; advertisers' liability; including coverage for loss of income due to an insured peril for twelve (12) months; owners' and contractors' protective; broadform property damage; explosion, collapse and underground (XCU); products and completed operations coverage;

(a) General and automobile liability policies of Borrower, contractors, commercial tenants and property managers must include the City, including its Boards, commissions, officers, agents and employees, as an additional insured by endorsement acceptable to the City.

(b) All policies required by this Agreement must be endorsed to provide no less than thirty (30) days' written notice to the City before cancellation or intended non-renewal is effective.

(c) With respect to any property insurance, Borrower hereby waives all rights of subrogation against the City to the extent of any loss covered by Borrower's insurance, except to the extent subrogation would affect the scope or validity of insurance.

(d) Approval of Borrower's insurance by the City will not relieve or decrease the liability of Borrower under this Agreement.

(e) Any and all insurance policies called for herein must contain a clause providing that the City and its officers, agents and employees will not be liable for any required premium.

(f) The City reserves the right to require an increase in insurance coverage in the event the City determines that conditions show cause for an increase, unless Borrower demonstrates to the City's satisfaction that the increased coverage is commercially unreasonable and unavailable to Borrower.

(g) All liability policies must provide that the insurance is primary to any other insurance available to the additional insureds with respect to claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought and that an act of omission of one of the named insureds that would void or otherwise reduce coverage will not void or reduce coverage as to any other insured, but the inclusion of more than one insured will not operate to increase the insurer's limit of liability.

(h) Any policy in a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs are included in the general annual aggregate limit must be in amounts that are double the occurrence or claims limits specified above.

(i) All claims based on acts, omissions, injury or damage occurring or arising in whole or in part during the policy period must be covered. If any required insurance is provided under a claims-made policy, coverage must be maintained continuously for a period ending no less than three (3) years after recordation of a notice of completion for builder's risk or the Compliance Term for general liability and property insurance.

(j) Borrower must provide the City with copies of endorsements for each required insurance policy and make each policy available for inspection and copying promptly upon request.

[If the environmental reports show the presence of, or activities may cause exposure to, hazardous materials, special coverage will be required. Check with Risk Manager.]

DECLARATION OF RESTRICTIONS

[Property Address]

THIS DECLARATION OF RESTRICTIONS ("Declaration") is made as of [Date], 20___, by [**BORROWER'S NAME IN BOLD, CAPITAL LETTERS**], [a California nonprofit public benefit corporation/a California limited partnership/a California limited liability company] ("**Borrower**"), in favor of the **CITY AND COUNTY OF SAN FRANCISCO**, represented by the Mayor, acting through the Mayor's Office of Housing and Community Development (the "**City**").

RECITALS

[Alternatives for funding sources. If alternative funding sources are used, select the appropriate recital from the general MOHCD Loan Agreement template and revise and re-letter as appropriate. If multiple funding source recitals are used, adjust defined terms accordingly so that "Funds" covers all sources. For example, if using HOME funds and CDBG funds, define the HOME funds as ("HOME Funds"), the CDBG funds as ("CDBG Funds") and together with the HOME Funds, (the "Funds")]

A. The City is making [a loan/loans] (the "Loan") to Borrower of [Affordable Housing Funds – Inclusionary funds and general obligation bond funds] to finance costs associated [with the acquisition and rehabilitation of/provide permanent financing for] the real property described in **Exhibit A** attached hereto and incorporated herein by reference (the "Property") as low- to moderate-income housing (the "Project"). The Loan is evidenced by, among other documents, a Loan Agreement between the City and Borrower dated as of the

date of this Declaration, as it may be amended from time to time (the "Agreement"). The Agreement is incorporated by reference in this Declaration as though fully set forth in this Declaration and is available through the Mayor's Office of Housing and Community Development ("MOHCD") at the address first specified in the recording request set forth above. Definitions and rules of interpretation set forth in the Agreement apply to this Declaration.

B. Pursuant to the Agreement, Borrower has agreed to comply with certain affordability and other use and occupancy restrictions (collectively, the "**Regulatory Obligations**"), commencing on the Agreement Date, and continuing for as long as the Project or any modification of the Project remains in existence, but in any event no event less than seventy five (75) years from the date the Deed of Trust is recorded in the Official Records of San Francisco County (the "**Compliance Term**"), even if the Loan is repaid or otherwise satisfied or the Deed of Trust is reconveyed. Borrower's covenants and agreements described in this Declaration are a material part of the consideration for the City in making the Loan, and without Borrower's agreement to subject the Property to the Regulatory Obligations even after the Loan is satisfied, the City would be unwilling to make the Loan to Borrower.

AGREEMENT

Now, therefore, in consideration of the City's providing the Loan in accordance with the City Documents, Borrower agrees as follows:

1. Definitions. Any capitalized terms in this Declaration that are not defined herein shall have the meaning set forth in the Agreement. In the event of any conflict between the terms of this Declaration and the terms of the Agreement, the terms of the Agreement (including the following defined terms) shall control unless otherwise expressly stated. As used in this Declaration, the following words and phrases have the following meanings:

(a) "**Median Income**" means median income as published annually by MOHCD, derived from the Income Limits determined by HUD for the San Francisco area, adjusted solely for household size, but not high housing cost area, also referred to as "Unadjusted Median Income".

(b) "**Qualified Tenant**" means a household occupying of the Project that has certified and been approved as earning no more than the maximum permissible annual income level allowed by the Agreement and that has entered into a lease with Borrower in a form approved by City.

(c) "**Rent**" means the monthly sum charged to Qualified Tenants for rent in accordance with this Declaration.

(d) "**Severely Rent Burdened**" means a Qualified Tenant household paying monthly Rent that is fifty percent (50%) or more of its gross monthly income (as shown on

the Qualified Tenant's income certification required by Section 5 and confirmed by MOHCD).

(e) "Unit" means any residential rental unit within the Project.

2. Regulatory Obligations. Borrower must comply with the Regulatory Obligations through the expiration of the Compliance Term, including without limitation those described in this Declaration, regardless of any reconveyance of the Deed of Trust.

3. Affordability and Restrictions.

(a) Restrictions. The Project may be occupied only by Qualified Tenants and their households. As provided in Section 7.2(b) of the Agreement, a Qualified Tenant may not be required to vacate the Unit due to subsequent rises in household income. In no event shall any Qualified Tenant be required to pay Rent in excess of 30% of 120% Median Income except as provided in Section 4(d) [revise to Section 4(c) if there is no phased rent in 4(a)].

(b) Rents on Agreement Date. Required Rents for the Units as of the Agreement Date shall be as follows:

Unit Number	Unit Size	Rent (monthly payments) as of the Agreement Date
[#]	[#]	[#]
[#]	[#]	[#]
[#]	[#]	[#]
[#]	[#]	[#]
[#]	[#]	[#]

(c) Vacancies after the Agreement Date. After the Agreement Date, the Rent for each Unit that becomes vacant shall be set at the amount necessary to bring the Project's combined average Rents for all Units as close as is possible to the amount calculated as 30% of 80% Median Income, but no more than 30% of 120% Median Income.

4. Rent Adjustments and Restrictions. Rent for all Units shall be increased annually on the anniversary of the Agreement Date by the greater of: (x) the percentage change in annual operating expenses, up to a maximum of 3.5%; or (y) 2%, except as follows:

(a) [Delete and specify as Reserved if no phased increases.] Phased Increases. Increases in Rent for existing Qualified Tenants occupying Units __ and __ shall

be increased on the following anniversaries of the Agreement Date according to the following table. After such phased increases, Rent shall be adjusted as otherwise described in this Section 4.

Unit Number	Rent (monthly payments) as of the Agreement Date	[Rent (monthly payments) on 1st anniversary of Agreement Date]	[Rent (monthly payments) on 2nd anniversary of Agreement Date]	[Rent (monthly payments) on 3rd anniversary of Agreement Date]	[Rent (monthly payments) on 4th anniversary of Agreement Date]

[(a) Reserved]

(b) Severely Rent Burdened Qualified Tenants. If the Rent increase described in this Section 4 results in any Qualified Tenant household becoming Severely Rent Burdened, Borrower is not required to increase the Rent of the Severely Rent Burdened Qualified Tenant until such time as the Qualified Tenant is no longer Severely Rent Burdened, provided that: (i) Borrower first demonstrates to the satisfaction of MOHCD, in MOHCD's sole discretion, that the Project maintains short- and long-term financial sustainability in the form of positive cash flow, adequately funded reserves, and other indicators as MOHCD may reasonably request; (ii) at each annual income recertification, the ability of all households to pay required rent increases will be reassessed, as will the Borrower cash flow, to ensure short- and long-term financial sustainability if Borrower elects not to impose the required annual Rent increase for any Severely Rent Burdened Qualified Tenant; and (iii) all Regulatory Obligations continue to be met. Similarly, if the circumstances described in this subsection are met, a Unit becomes vacant and a Qualified Tenant demonstrates to Borrower that it is Severely Rent Burdened, Borrower may reduce such Qualified Tenant's Rent to a level no lower than 40% of that Qualified Tenant's gross monthly income, thus resulting in a higher Rent that will be required for the vacant Unit. If more than one Qualified Tenant is eligible for such a Rent reduction, the reduction shall be equally distributed among such eligible Qualified Tenants.

(c) Recovery of Project Expenses. With the City's prior written approval, Rent increases for Units exceeding the amounts permitted under the first sentence of Section 4 may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) in no event may single or aggregate Rent increases exceed ten percent (10%) per year unless such an increase is contemplated in a City-approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed 30% of 120% Median Income. The City's approval for such Rent increases under this subsection shall not be unreasonably withheld.

(d) Rent Subsidy Programs. For those households that hold rent subsidy vouchers, such as Section 8 and VASH, on an annual basis Borrower shall request and use best efforts to receive an increase in contract rent equivalent to the percentage change in Fair Market Rent or equivalent payment standard, whichever is greater. For any Qualified Tenant participating in a rent or operating subsidy program where the rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program, provided that the Qualified Tenant paid portion of Rent does not exceed 30% of 120% Median Income. For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, there is no limit on the increase in Rent charged as long as it does not exceed 30% of 120% Median Income.

(e) Recovery of Property Tax Increases. In addition to the Rent increases contemplated in this Section 4 and with the City's prior written approval, if a Qualified Tenant's household income exceeds eighty percent (80%) of California Median Income (as published by the California Department of Housing and Community Development) during occupancy of a Unit, Borrower may adjust the charges for Rent for such Qualified Tenant to absorb the amount of property taxes attributable to the Qualified Tenant's Unit as a result of the loss of the State of California's welfare exemption for low-income housing properties. The City may, in its sole discretion, require that Rent increases allowed under this subsection be implemented over a period of time in order to reduce the burden on an existing Qualified Tenant. Rents charged under this subsection may not exceed 30% of 120% Median Income. The City's approval for such Rent increases shall not be unreasonably withheld. If such Qualified Tenant's household income subsequently decreases and the Unit becomes eligible for the California welfare property tax exemption, Borrower may reduce such Qualified Tenant's Rent by the amount of property tax savings attributable to the Qualified Tenant's Unit, as provided in Section 4(b).

(f) Excess Rent. If Borrower increases Rents or offers a vacant Unit for rent at a rate that exceeds the rules described in this Declaration, the resulting excess cash flow will be paid by Borrower to the Qualified Tenants who were overcharged, and Borrower's actions will constitute an Event of Default pursuant to Section 19 of the Agreement.

5. Certification.

(a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project must sign and deliver to Borrower a certification in the form

attached to the Loan Agreement as Exhibit C, in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant, which certification is reviewed and approved by Borrower and the City. In addition, each person must provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective tenant's income. Certifications provided to and accepted by the San Francisco Housing Authority will satisfy this requirement.

(b) Each Qualified Tenant in the Project must recertify its household income to Borrower annually.

(c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year must be maintained on file at Borrower's principal office, and Borrower must file copies thereof with the City promptly upon request by the City.

6. Nondiscrimination. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Qualified Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.

7. Remedies. During the Compliance Term the City may rely on the Deed of Trust and/or this Declaration, in the City's discretion, to enforce any of the City's rights under the City Documents.

8. Covenants Run with the Land. This Declaration and the Regulatory Obligations constitute covenants running with the land and bind successors and assigns of Borrower and any non-borrower owner of the Property. In the event that Borrower fails to comply with the Regulatory Obligations to the City's satisfaction, in its sole discretion, within thirty (30) days of Borrower's receipt of notice from the City to so comply, the City at its option may exercise any rights available at equity or in law, including, without limitation, institute an action for specific performance. Borrower shall pay the City's costs in connection with the City's enforcement of the terms of this Declaration, including, without limitation, the City's attorneys' fees and costs.

Borrower has executed this Declaration as of the date first written above.

Interest will be compounded monthly and computed on the basis of a 360-day year consisting of 12 months of 30 days each, which will result in higher interest charges than if a 365-day year were used.

3. Default Interest Rate. Upon the occurrence of an Event of Default under any City Document, interest will be deemed to have accrued on the outstanding principal balance of the BMR Loan at a compounded annual rate equal to the Prime Rate most recently announced by Bank of America, for the immediately preceding month, plus four percent (4%), which rate will automatically be reduced if it is higher than the rate an individual is permitted to legally charge, commencing on the date the BMR Loan Amount is disbursed through the earlier of: (x) the date on which the Event of Default is cured; or (y) the date on which all amounts due under the City Documents are paid to Holder. Maker acknowledges and agrees that the default interest that must be paid in the event of an Event of Default pursuant to this Section represents a reasonable sum considering all the circumstances existing on the date of this Note and represents a fair and reasonable estimate of the costs that will be sustained by Holder if Maker defaults. Maker further agrees that proof of actual damages would be costly and inconvenient and that default

interest will be paid without prejudice to Holder's right to collect any other amounts to be paid or to exercise any of its other rights or remedies under any City Document.

4. Repayment of BMR Loan Amount. Maker must make payments of principal and interest in monthly installments (each, a "Payment") equal to the amount specified by the amortization schedule attached as Exhibit A. All Payments will be applied to the following in the following order: (a) costs and fees incurred and unpaid; (b) accrued and unpaid interest; and (c) reduction of the principal balance of the BMR Loan. The unpaid principal balance of the BMR Loan, together with accrued and unpaid interest and unpaid fees and costs incurred, will be due and payable on the date that is the fortieth (40th) anniversary of the First Payment Date as defined in Section 6.5 (the "Maturity Date"). Any Payment Date, including the Maturity Date, that falls on a weekend or holiday will be deemed to fall on the next succeeding business day.

5. Security. Maker's obligations under this Note are secured by the PASS Deed of Trust.

6. Terms of Payment.

6.1 All Payments must be made in currency of the United States of America then lawful for payment of public and private debts.

6.2 All Payments must be made payable to Holder and mailed or delivered in person to Holder's office at One South Van Ness Avenue, 5th Floor, San Francisco, CA 94103, or to any other place Holder from time to time designates.

6.3 In no event will Maker be obligated under the terms of this Note to pay interest exceeding the lawful rate. Accordingly, if the payment of any sum by Maker pursuant to the terms of this Note would result in the payment of interest exceeding the amount that Holder may charge legally under applicable state and/or federal law, the amount by which the payment exceeds the amount payable at the lawful interest rate will be deducted automatically from the principal balance owing under this Note.

6.4 Maker waives the right to designate how Payments will be applied pursuant to California Civil Code Sections 1479 and 2822. Holder will have the right in its sole discretion to determine the order and method of application of Payments to obligations under this Note as set forth in Section 4 of this Note.

6.5 No prepayment of this Note shall be permitted except as otherwise set forth in this Note or in the Agreement. This Note may be prepaid on or after the tenth anniversary of the first day of the first full month following the date that the PASS Deed of Trust is recorded in the Recorder's Office of San Francisco County (the "First Payment Date"). On or after the tenth anniversary of the First Payment Date, the BMR Loan may be prepaid, in whole but not in part, and the Maker shall be required to pay a premium of: (i) 2% of the total amount being prepaid if the BMR Loan is prepaid prior to the eleventh anniversary of the First Payment Date; (ii) 1% of the total amount being prepaid if the BMR Loan is prepaid on or after the eleventh anniversary of the First Payment Date and prior to the twelfth anniversary of the First Payment Date; or (iii) no prepayment premium if the BMR Loan is prepaid on or after the twelfth anniversary of the First Payment Date. The BMR Loan may not be prepaid unless the Deferred Loan and the Market Rate Loan, and in Holder's sole discretion, the SSP Loan, are also all paid in full. Maker shall provide the Holder with at least thirty (30) days' prior written notice of any intended prepayments. Maker shall be required to pay any premiums, and proportionate costs and expenses associated with the redemption of the Bonds which would result from a prepayment of the BMR Loan including, but not limited to, accrued interest on the Bonds from the date of such prepayment to the date of redemption of the Bonds.

6.6 To compensate Holder for continued monitoring of compliance with the Declaration of Restrictions and/or the Agreement after a prepayment in full of the BMR Loan, Maker shall pay to the Holder \$2,500 per year for each remaining year of the Compliance Term. In connection with a prepayment of the BMR Loan, in its sole discretion Holder may require Maker to prepay such annual monitoring fees through the end of the Compliance Term. In such event, the prepayment amount will be calculated as the present value of the stream of annual monitoring fee payments through the end of the Compliance Term discounted at a rate not to exceed 2%.

7. Default.

7.1 Any of the following will constitute an Event of Default under this Note:

(a) Maker fails to make any Payment required under this Note within ten (10) days of the date it is due; or

(b) the occurrence of any other Event of Default under the Agreement or other instrument securing the obligations of Maker under this Note or under any other agreement between Maker and Holder with respect to the Project, including without limitation, the Market Rate Note, the Deferred Note, and the SSP Note.

7.2 Upon the occurrence of any Event of Default, without notice to or demand upon Maker, which are expressly waived by Maker (except for notices or demands otherwise required by applicable laws to the extent not effectively waived by Maker and any notices or demands specified in the City Documents), Holder may exercise all rights and remedies available under this Note, the Agreement or otherwise available to Holder at law or in equity. Maker acknowledges and agrees that Holder's remedies include the right to accelerate the Maturity Date by declaring the outstanding principal balance of the BMR Loan (along with the Market Rate Loan, the Deferred Loan, and the SSP Loan), together with all accrued and unpaid interest and unpaid fees and costs incurred, due and payable immediately, in which case, the Maturity Date will be superseded and replaced by the date established by Holder.

8. Waivers.

8.1 Maker expressly agrees that the term of this Note or the date of any payment due hereunder may be extended from time to time with Holder's consent, and that Holder may accept further security or release any security for this Note, all without in any way affecting the liability of Maker.

8.2 No extension of time for any Payment made by agreement by Holder with any person now or hereafter liable for the payment of this Note will operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part.

8.3 The obligations of Maker under this Note are absolute, and Maker waives any and all rights to offset, deduct or withhold any Payments or charges due under this Note for any reason whatsoever.

9. Miscellaneous Provisions.

9.1 All notices to Holder or Maker must be given in the manner and at the addresses set forth in the Agreement, or to the addresses Holder and/or Maker hereafter designate in accordance with the Agreement.

9.2 In the event of any legal proceedings arising from the enforcement of or a default under this Note or in any bankruptcy proceeding of Maker, the non-prevailing party

promises to pay all reasonable costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the proceeding, as provided in the Agreement.

9.3 This Note may be amended only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

9.4 This Note is governed by and must be construed in accordance with the laws of the State of California, without regard to the choice of law rules of the State.

9.5 Time is of the essence in the performance of any obligations hereunder.

1. Agreement. This Secured Promissory Note ("Note") is given under the terms of a Loan Agreement by and between Maker and Holder dated as of the date of this Note, as it may be amended from time to time (the "Agreement"), which Agreement is incorporated herein by reference. 2. Interest. Interest will accrue on the principal balance outstanding under this Note from time to time at the rate of (1.38908%) per annum, from the date of [Use if funds are disbursed through escrow: the close of escrow] [Use if funds are not disbursed at closing: disbursement of funds by Holder] through the date of full payment of all amounts owing under the City Documents. Interest will be compounded monthly and computed on the basis of a 360-day year consisting of 12 months of 30 days each, which will result in higher interest charges than if a 365-day year were used.

3. Default Interest Rate. Upon the occurrence of an Event of Default under any City Document, interest will be deemed to have accrued on the outstanding principal balance of the Deferred Loan at a compounded annual rate equal to the Prime Rate most recently announced by Bank of America, for the immediately preceding month, plus four percent (4%), which rate will automatically be reduced if it is higher than the rate an individual is permitted to legally charge, commencing on the date the Deferred Loan Amount is disbursed through the earlier of: (x) the date on which the Event of Default is cured; or (y) the date on which all amounts due under the City Documents are paid to Holder. Maker acknowledges and agrees that the default interest that must be paid in the event of an Event of Default pursuant to this Section represents a reasonable sum considering all the circumstances existing on the date of this Note and represents a fair and reasonable estimate of the costs that will be sustained by Holder if Maker defaults. Maker further agrees that proof of actual damages would be costly and inconvenient and that default

interest will be paid without prejudice to Holder's right to collect any other amounts to be paid or to exercise any of its other rights or remedies under any City Document.

4. Repayment of Deferred Loan Amount. Provided that no uncured Event of Default exists under any City Document, the entire principal balance of the Deferred Loan, together with all interest and unpaid fees and costs incurred (all together, the "Payment"), will be due and payable on the date that is the fortieth (40th) anniversary of the First Month Date as defined in Section 6.5 (the "Maturity Date"). If the Maturity Date falls on a weekend or holiday, it will be deemed to fall on the next succeeding business day. Any Payments will be applied to the following in the following order: (a) costs and fees incurred and unpaid; (b) accrued and unpaid interest; and (c) reduction of the principal balance of the Deferred Loan.

5. Security. Maker's obligations under this Note are secured by the PASS Deed of Trust.

6. Terms of Payment.

6.1 All Payments must be made in currency of the United States of America then lawful for payment of public and private debts.

6.2 All Payments must be made payable to Holder and mailed or delivered in person to Holder's office at One South Van Ness Avenue, 5th Floor, San Francisco, CA 94103, or to any other place Holder from time to time designates.

6.3 In no event will Maker be obligated under the terms of this Note to pay interest exceeding the lawful rate. Accordingly, if the payment of any sum by Maker pursuant to the terms of this Note would result in the payment of interest exceeding the amount that Holder may charge legally under applicable state and/or federal law, the amount by which the payment exceeds the amount payable at the lawful interest rate will be deducted automatically from the principal balance owing under this Note.

6.4 Maker waives the right to designate how Payments will be applied pursuant to California Civil Code Sections 1479 and 2822. Holder will have the right in its sole discretion to determine the order and method of application of Payments to obligations under this Note as set forth in Section 4 of this Note.

6.5 No prepayment of this Note shall be permitted except as otherwise set forth in this Note or in the Agreement. This Note may be prepaid on or after the tenth anniversary of the first day of the first full month following the date that the PASS Deed of Trust is recorded in the Recorder's Office of San Francisco County (the "First Month Date"). On or after the tenth anniversary of the First Month Date, the Deferred Loan may be prepaid, in whole but not in part, and Maker shall be required to pay a premium of: (i) 2% of the total amount being prepaid if the Deferred Loan is prepaid prior to the eleventh anniversary of the First Month Date; (ii) 1% of the total amount being prepaid if the Deferred Loan is prepaid on or after the eleventh anniversary of the First Month Date and prior to the twelfth anniversary of the First Month Date; or (iii) no prepayment premium if the Deferred Loan is prepaid on or after the twelfth anniversary of the First Month Date. Maker shall provide Holder with at least thirty (30) days' prior written notice of any intended prepayments. Maker shall be required to pay any premiums, and proportionate costs and expenses associated with the redemption of the Bonds which would result from prepayment of the Deferred Loan including, but not limited to, accrued interest on the Bonds from the date of such prepayment to the date of redemption of the Bonds.

7. Default.

7.1 Any of the following will constitute an Event of Default under this Note:

(a) Maker fails to make any Payment required under this Note within ten (10) days of the date it is due; or

(b) the occurrence of any other Event of Default under the Agreement or other instrument securing the obligations of Maker under this Note or under any other agreement between Maker and Holder with respect to the Project, including without limitation, the Market Rate Note, the BMR Note, and the SSP Note.

7.2 Upon the occurrence of any Event of Default, without notice to or demand upon Maker, which are expressly waived by Maker (except for notices or demands otherwise required by applicable laws to the extent not effectively waived by Maker and any notices or demands specified in the City Documents), Holder may exercise all rights and remedies available under this Note, the Agreement or otherwise available to Holder at law or in equity. Maker acknowledges and agrees that Holder's remedies include the right to accelerate the Maturity Date by declaring the outstanding principal balance of the Deferred Loan (along with the Market Rate Loan, the BMR Loan, and the SSP Loan), together with all accrued and unpaid interest and unpaid fees and costs incurred, due and payable immediately, in which case, the Maturity Date will be superseded and replaced by the date established by Holder.

8. Waivers.

8.1 Maker expressly agrees that the term of this Note or the date of any payment due hereunder may be extended from time to time with Holder's consent, and that Holder may accept further security or release any security for this Note, all without in any way affecting the liability of Maker.

8.2 No extension of time for any Payment made by agreement by Holder with any person now or hereafter liable for the payment of this Note will operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part.

8.3 The obligations of Maker under this Note are absolute, and Maker waives any and all rights to offset, deduct or withhold any Payments or charges due under this Note for any reason whatsoever.

6.3 In no event will Maker be obligated under the terms of this Note to pay interest exceeding the lawful rate. Accordingly, if the payment of any sum by Maker pursuant to the terms of this Note would result in the payment of interest exceeding the amount that Holder may charge legally under applicable state and/or federal law, the amount by which the payment exceeds the amount payable at the lawful interest rate will be deducted automatically from the principal balance owing under this Note.

6.4 Maker waives the right to designate how Payments will be applied pursuant to California Civil Code Sections 1479 and 2822. SECURED PROMISSORY NOTE

(Small Sites Program – [Project name])

[For SSP Loans in conjunction with PASS Loans]

Principal Amount: \$[Numerical value]

San Francisco, CA

Date: [Date]

FOR VALUE RECEIVED, the undersigned, **[NAME OF BORROWER IN BOLD, CAPITAL LETTERS]**, [a California nonprofit public benefit corporation/a California limited partnership/a California limited liability company] ("**Maker**"), hereby promises to pay to the order of the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation, or holder (as the case may be, "**Holder**"), the principal sum of [Amount in Words, Initially Capitalized] and No/100 Dollars ([Numerical Amount \$ _____ .00]) (the "**SSP Loan Amount**"), or so much of the SSP Loan Amount as may be disbursed from time to time pursuant to the Agreement described in Section 1 below, together with interest thereon, as provided in this Note.

1. Agreement. This Secured Promissory Note ("**Note**") is given under the terms of a Loan Agreement by and between Maker and Holder dated as of the date of this Note, as it may be amended from time to time (the "**Agreement**"), which Agreement is incorporated herein by reference. Maker's obligations under this Note and the Agreement are secured by that certain Deed Of Trust, Assignment Of Rents, Security Agreement And Fixture Filing (Small Sites Program) dated as of the date of this Note ("**SSP Deed of Trust**"), made by Maker for the benefit of Holder. Definitions and rules of interpretation set forth in the Agreement apply to this Note. In the event of any inconsistency between the Agreement and this Note, this Note will control.

2. Interest. Interest will accrue on the principal balance outstanding under this Note from time to time at the rate of three percent (3%) per annum, simple interest, from the date of [Use if funds are disbursed through escrow: the close of escrow] [Use if funds are not disbursed at closing: disbursement of funds by Holder] through the date of full payment of all amounts owing under the City Documents. Interest will be calculated on the basis of actual days elapsed and a 360-day year, consisting of 12 months of 30 days each, which will result in higher interest charges than if a 365-day year were used.

3. Default Interest Rate. Upon the occurrence of an Event of Default under any City Document, interest will be deemed to have accrued on the outstanding principal balance of the SSP Loan at a compounded annual rate equal to the Prime Rate most recently announced by Bank of America, for the immediately preceding month, plus four percent (4%), which rate will automatically be reduced if it is higher than the rate an individual is permitted to legally charge, commencing on the date the SSP Loan Amount is disbursed through the earlier of: (x) the date on which the Event of Default is cured; or (y) the date on which all amounts due under the City Documents are paid to Holder. Maker acknowledges and agrees that the default interest that must be paid in the event of an Event of Default pursuant to this Section represents a reasonable sum considering all the circumstances existing on the date of this Note and represents a fair and reasonable estimate of the costs that will be sustained by Holder if Maker defaults. Maker further agrees that proof of actual damages would be costly and inconvenient and that default

interest will be paid without prejudice to Holder's right to collect any other amounts to be paid or to exercise any of its other rights or remedies under any City Document.

4. Repayment of SSP Loan Amount.

4.1 Subject to Section 12.1 and Section 13.4 of the Agreement, Maker must make annual payments of principal and interest (each, a "**Payment**") in an amount equal to two-thirds of the Residual Receipts, if any, attributable to the prior calendar year, beginning on the first December 31st after the date that the SSP Deed of Trust is recorded in the Recorder's Office of San Francisco County, and continuing each December 31st thereafter up to and including the Maturity Date, as defined below (each, a "**Payment Date**"). All Payments will be applied to the following in the following order: (a) costs and fees incurred and unpaid; (b) accrued and unpaid interest; and (c) reduction of the principal balance of the SSP Loan. The unpaid principal balance of the SSP Loan, together with all accrued and unpaid interest and unpaid costs and fees incurred, will be due and payable on the date that is the fortieth (40th) anniversary of the first day of the first full month following the date that the SSP Deed of Trust is recorded in the Recorder's Office of San Francisco County (the "**Maturity Date**"). Any Payment Date, including the Maturity Date, which falls on a weekend or holiday will be deemed to fall on the next succeeding business day.

4.2 Maker's obligation to pay interest annually is contingent on and limited to the amount of available Residual Receipts on each Payment Date. Interest not paid as of each Payment Date due to lack of available Residual Receipts will be forgiven and will not accrue.

5. Security. Maker's obligations under this Note are secured by the SSP Deed of Trust.

6. Terms of Payment.

6.1 All Payments must be made in currency of the United States of America then lawful for payment of public and private debts.

6.2 All Payments must be made payable to Holder and mailed or delivered in person to Holder's office at One South Van Ness Avenue, 5th Floor, San Francisco, CA 94103, or to any other place Holder from time to time designates.

6.3 In no event will Maker be obligated under the terms of this Note to pay interest exceeding the lawful rate. Accordingly, if the payment of any sum by Maker pursuant to the terms of this Note would result in the payment of interest exceeding the amount that Holder may charge legally under applicable state and/or federal law, the amount by which the payment exceeds the amount payable at the lawful interest rate will be deducted automatically from the principal balance owing under this Note.

6.4 Maker waives the right to designate how Payments will be applied pursuant to California Civil Code Sections 1479 and 2822. Holder will have the right in its sole discretion to determine the order and method of application of Payments to obligations under this Note as set forth in Section 4.1 of this Note.

6.5 Except as otherwise set forth in this Note or in the Agreement, no prepayment of this Note shall be permitted without Holder's prior written consent, which may be given or withheld in Holder's sole discretion.

7. Default.

7.1 Any of the following will constitute an Event of Default under this Note:

(a) Maker fails to make any Payment required under this Note within ten (10) days of the date it is due; or

(b) the occurrence of any other Event of Default under the Agreement or other instrument securing the obligations of Maker under this Note or under any other agreement between Maker and Holder with respect to the Project, including without limitation, the Market Rate Note, the BMR Note, and the Deferred Note.

7.2 Upon the occurrence of any Event of Default, without notice to or demand upon Maker, which are expressly waived by Maker (except for notices or demands otherwise required by applicable laws to the extent not effectively waived by Maker and any notices or demands specified in the City Documents), Holder may exercise all rights and remedies available under this Note, the Agreement or otherwise available to Holder at law or in equity. Maker acknowledges and agrees that Holder's remedies include the right to accelerate the Maturity Date by declaring the outstanding principal balance of the SSP Loan (along with the Market Rate Loan, the Deferred Loan, and the BMR Loan), together with all accrued and unpaid interest and unpaid fees and costs incurred, due and payable immediately, in which case, the Maturity Date will be superseded and replaced by the date established by Holder.

8. Waivers.

8.1 Maker expressly agrees that the term of this Note or the date of any payment due hereunder may be extended from time to time with Holder's consent, and that Holder may accept further security or release any security for this Note, all without in any way affecting the liability of Maker.

8.2 No extension of time for any Payment made by agreement by Holder with any person now or hereafter liable for the payment of this Note will operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part.

8.3 The obligations of Maker under this Note are absolute, and Maker waives any and all rights to offset, deduct or withhold any Payments or charges due under this Note for any reason whatsoever.

9. Miscellaneous Provisions.

9.1 All notices to Holder or Maker must be given in the manner and at the addresses set forth in the Agreement, or to the addresses Holder and/or Maker hereafter designate in accordance with the Agreement.

9.2 In the event of any legal proceedings arising from the enforcement of or a default under this Note or in any bankruptcy proceeding of Maker, the non-prevailing party promises to pay all reasonable costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the proceeding, as provided in the Agreement.

9.3 This Note may be amended only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

9.4 This Note is governed by and must be construed in accordance with the laws of the State of California, without regard to the choice of law rules of the State.

9.5 Time is of the essence in the performance of any obligations hereunder.

PROJECT DESCRIPTION

The Mayor’s Office of Housing and Community Development (MOHCD) is proposing to acquire six existing multifamily housing developments through the agency’s Small Sites Program, totaling 69 units ranging in size from studios to 2-bedroom units (located at 4830 Mission Street, 65 Woodward street, 1411 Florida Street, 1201 Powell Street, 462 Green Street, and 3280 17th Street). The program provides loans to nonprofit organizations to buy existing rental buildings at risk of market-rate conversion or loss due to physical decline. These buildings are then converted to permanently affordable housing, thereby helping limit residential displacement. The program requires that buildings complete improvements to meet life safety requirements, including seismic soft-story retrofits. Some of the projects also include existing retail spaces that will be preserved through the program.

ENVIRONMENTAL REVIEW

The environmental analysis and/or permits have been issued for 4830 Mission Street (2017-014686PRJ and 2019-002886PRL), 65 Woodward Street, and 1411 Florida Street (2017-014686PRJ and 2019-002886PRL).

The work proposed at 1201 Powell Street, 462 Green Street and 3280 17th Street includes the following:

- 1201 Powell Street: Project includes a soft story retrofit with approximately 15 cubic yards of soil disturbance, approximately 5 feet depth of excavation, and approximately 30 wood windows to

be replaced in-kind. All window permits would be reviewed by the San Francisco Planning Department and the window types and materials would be required to meet the Secretary of Interior Standards.

- 462 Green Street: Project has filed an Accessory Dwelling Unit (ADU) Permit with facade alterations (2019-003746PRJ/BPA 201903195622). The replacement and facade work must meet the Secretary of Interior Standards before the plans are signed and the permit issued.
- 3280 17th Street: Project includes in-kind roofing and repair work.

The physical work associated with 1201 Powell, 3280 17th Street and 462 Green are Categorically Exempt from CEQA pursuant to CEQA Guidelines Section 15301 (Planning Case No. 2019-006619PRJ).

GENERAL PLAN COMPLIANCE AND BASIS FOR RECOMMENDATION

The proposal to acquire the six buildings through the Small Sites Program is, on balance, in conformity with the General Plan, as described in the body of this Report.

Note: General Plan Objectives are shown in **BOLD UPPER CASE** font; Policies are in **Bold** font; staff comments are in *italic* font.

HOUSING ELEMENT

OBJECTIVE 1

IDENTIFY AND MAKE AVAILABLE FOR DEVELOPMENT ADEQUATE SITES TO MEET THE CITY'S HOUSING NEEDS, ESPECIALLY PERMANENTLY AFFORDABLE HOUSING.

POLICY 1.1

Plan for the full range of housing needs in the City and County of San Francisco, especially affordable housing.

Comment: The Small Sites Program was established to help stabilize buildings that are occupied by low- to moderate-income tenants throughout San Francisco that are particularly susceptible to market pressures, resulting in property sales, increased evictions, and rising tenant rents. The program provides housing for tenants earning up to 120% of Area Median Income (AMI), and further requires that when units are vacated and rented to new tenants that the property strive for an average income level of 80% AMI.

OBJECTIVE 2

RETAIN EXISTING HOUSING UNITS, AND PROMOTE SAFETY AND MAINTENANCE STANDARDS, WITHOUT JEOPARDIZING AFFORDABILITY.

POLICY 2.4

Promote improvements and continued maintenance to existing units to ensure long term habitation and safety.

POLICY 2.5

Encourage and support the seismic retrofitting of the existing housing stock.

Comment: The six Small Sites Program developments would be required to upgrade the buildings to meet minimum life safety and seismic standards, and that they maintain the units for the duration of the program (minimum 75 years).

OBJECTIVE 3

PROTECT THE AFFORDABILITY OF THE EXISTING HOUSING STOCK, ESPECIALLY RENTAL UNITS

POLICY 3.1

Preserve rental units, especially rent controlled units, to meet the City's affordable housing needs.

POLICY 3.2

Promote voluntary housing acquisition and rehabilitation to protect affordability for existing occupants.

POLICY 3.4

Preserve "naturally affordable" housing types, such as smaller and older ownership units.

POLICY 3.5

Retain permanently affordable residential hotels and single room occupancy (SRO) units.

OBJECTIVE 4

FOSTER A HOUSING STOCK THAT MEETS THE NEEDS OF ALL RESIDENTS ACROSS LIFECYCLES.

POLICY 4.4

Encourage sufficient and suitable rental housing opportunities, emphasizing permanently affordable rental units wherever possible.

Comment: The goals of the Small Sites Program are to permanently stabilize existing rental housing stock that is serving low- to moderate-income households, by acquiring and preserving "naturally affordable" units. It allows existing tenants to continue living in the developments when they are accepted into the program. It also focuses on preserving a variety of unit sizes and types, and the six projects currently proposed for inclusion in the program include units ranging from studios to 2-bedroom units.

OBJECTIVE 7

SECURE FUNDING AND RESOURCES FOR PERMANENTLY AFFORDABLE HOUSING, INCLUDING INNOVATIVE PROGRAMS THAT ARE NOT SOLELY RELIANT ON TRADITIONAL MECHANISMS OR CAPITAL.

POLICY 7.3

SMALL SITES PROGRAM – ACQUISITION OF MULTIFAMILY
AFFORDABLE HOUSING DEVELOPMENTS

Recognize the importance of funds for operations, maintenance and services to the success of affordable housing programs

POLICY 7.6

Acquire and rehabilitate existing housing to maximize effective use of affordable housing resources.

Comment: The proposed project would provide funding to maintain and preserve existing affordable housing, including funding for operations and the necessary rehabilitation to bring projects up to current life safety and seismic standards.

OBJECTIVE 8

BUILD PUBLIC AND PRIVATE SECTOR CAPACITY TO SUPPORT, FACILITATE, PROVIDE AND MAINTAIN AFFORDABLE HOUSING

POLICY 8.1

Support the production and management of permanently affordable housing.

OBJECTIVE 9

PRESERVE UNITS SUBSIDIZED BY THE FEDERAL, STATE OR LOCAL SOURCES.

POLICY 9.2 Continue prioritization of preservation of existing affordable housing as the most effective means of providing affordable housing.

Comment: The program partners with nonprofit organizations to protect existing low- and moderate-income residents in rental housing developments, utilizing local funding sources.

COMMERCE & INDUSTRY ELEMENT

OBJECTIVE 2

MAINTAIN AND ENHANCE A SOUND AND DIVERSE ECONOMIC BASE AND FISCAL STRUCTURE FOR THE CITY.

POLICY 2.1

Seek to retain existing commercial and industrial activity and to attract new such activity to the city.

OBJECTIVE 3

PROVIDE EXPANDED EMPLOYMENT OPPORTUNITIES FOR CITY RESIDENTS, PARTICULARLY THE UNEMPLOYED AND ECONOMICALLY DISADVANTAGED.

POLICY 3.1

Promote the attraction, retention and expansion of commercial and industrial firms which provide employment improvement opportunities for unskilled and semi-skilled workers.

**SMALL SITES PROGRAM – ACQUISITION OF MULTIFAMILY
AFFORDABLE HOUSING DEVELOPMENTS**

Comment: The project would preserve buildings that include existing retail spaces, ensuring they can continue to serve as spaces for neighborhood-serving businesses and provide employment opportunities for workers of different skill levels.

PROPOSITION M FINDINGS – PLANNING CODE SECTION 101.1

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

Eight Priority Policies Findings

The subject project is found to be consistent with the Eight Priority Policies of Planning Code Section 101.1 in that:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced.

The project will not displace or restrict access to any existing neighborhood-serving retail or restrict future opportunities. The existing retail spaces at some of the sites will be preserved through the program.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhood.

The project will enhance the economic diversity of our neighborhoods by preserving existing affordable housing at a range of income levels.

3. That the City's supply of affordable housing be preserved and enhanced.

The project will directly support the preservation and enhancement of the City's supply of affordable housing.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking.

The proposed project will not impede Muni transit service, nor overburden our streets or neighborhood parking.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for residential employment and ownership in these sectors be enhanced.

The project will not displace any individual businesses.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.

The proposed project will not hinder earthquake preparedness efforts. Further, the project will require the subject buildings to meet current seismic and safety codes and standards.

SMALL SITES PROGRAM – ACQUISITION OF MULTIFAMILY
AFFORDABLE HOUSING DEVELOPMENTS

7. That landmarks and historic buildings be preserved.

The project would not have an adverse effect on landmarks or historic buildings.

8. That our parks and open space and their access to sunlight and vistas be protected from development.

The project will not impact parks and open spaces.
