EXECUTIVE SUMMARY

Legislative Objective

- The proposed resolution would approve the amendment of the lease and the exercise of the third of four five-year options to extend the lease between the Department of Public Health (DPH), as tenant, and BRCP 1390 Market, as landlord, for 27,826 square feet of office and storage space at 1390 Market Street from December 1, 2013 through November 30, 2018.

Key Points

- In 1996, the Board of Supervisors approved a seven-year lease for DPH and Calfox, Inc. for 25,939 square feet of office and storage space at 1390 Market Street from December 1, 1996 through November 30, 2003. The lease included four five-year options to extend.
- The Board of Supervisors previously approved two of the four five-year options and the five-year term of the existing lease extension is from December 1, 2008 through November 30, 2013.
- BRCP 1390 Market, LLC acquired 1390 Market Street in 2007 and assumed all existing leases.
- DPH's Environmental Health Section occupies the space and the leased premises now have 22 additional employees than under the original lease, resulting in a total of approximately 136 employees (114 original Environmental Health employees plus 22 additional employees) occupying the subject 1390 Market Street leased space.
- The proposed resolution would amend the lease agreement to include the expansion of the existing 25,939 square feet by 1,887 square feet for a total of 27,826 square feet, as 2,759 square feet of Suite 820-822 office space would be changed to 4,646 square feet in Suite 810.

Fiscal Impacts

- Under the proposed exercise of the five-year option to extend the existing lease for DPH, the base monthly rent is \$82,818 (approximately \$2.98 per square foot per month), which is \$993,816 annually.
- DPH also pays approximately \$490 per month in separately metered utilities (approximately \$0.034 per square foot per month) on 14,549, square feet of the Premises, for an annual cost of approximately \$5,880.
- One-time costs for the move and the build-out of the new office space in Suite 810 include tenant improvements (not covered by the Landlord), such as telephone/data, casework, moving expenses, and equipment. Such one-time costs total will be \$132,000. The first year rent, utilities, and one-time costs total \$1,131,696 (\$993,816 rent plus \$5,880 metered utilities plus \$132,000 in one-time costs).
- According to Ms. Comerford, the majority of the Environmental Health Section's programs are fee-based regulatory programs and the rent, utilities, and one-time costs are fully recovered by fees and have been included in the FY 2013-14 DPH budget.

Recommendations

- Amend the proposed resolution to make the following technical corrections:
 - Delete November 30, 2013 and insert December 1, 2013 on Line 6 of Page 1, and
 - Delete 27,846 square feet and insert 27,826 square feet on Line 18 of Page 2.
- Approve the proposed resolution, as amended.

MANDATE STATEMENT / BACKGROUND

Mandate Statement

Under Administrative Code Section 23.27, leases with a term of more than one year or rent of more than \$5,000 per month, in which the City is the tenant, are subject to the Board of Supervisors approval, by resolution.

Background

In 1996, the Board of Supervisors approved a seven-year lease for the Department of Public Health (DPH), as tenant, and Calfox, Inc. as landlord, for 25,939 square feet of office and storage space at 1390 Market Street, commonly known as Fox Plaza, from December 1, 1996 through November 30, 2003. The lease included four five-year options to extend. The Board of Supervisors previously approved two of the four five-year options, and the five-year term of the existing lease extension is from December 1, 2008 through November 30, 2013. BRCP 1390 Market, LLC acquired 1390 Market Street in 2007 and assumed all existing leases.

The base monthly rent for the existing lease is \$70,062, or approximately \$2.70 per square foot per month for 25,939 square feet. The City also pays approximately \$490 per month in separately metered electricity (approximately \$0.034 per square foot per month) on 14,549 square feet (Suite 210).¹ In total, DPH pays approximately \$70,552 for rent and electricity per month or approximately \$846,624 annually for the 25,939 square feet of office and storage space at 1390 Market Street.

Table 1 below shows the composition of the total premises, consisting of 25,939 square feet.

Suite	Area (RSF)	Comments
210	14,549	Net of electrical outlet electricity load
410	3,247	Fully serviced
820-822	2,759	Fully serviced
910	4,971	Fully serviced
Subtotal Office Space	25,526	
Storage Premises	413	Garage Level
Total Square Feet	25,939	

Under the existing lease, DPH's Environmental Health Section occupies the space. The Environmental Health Section provides Federal, State, and local mandated services including Underground Storage Tank Removal, Hazardous Materials/Waste, Childhood Lead Prevention, Consumer Protection (retail and wholesale food), Solid Waste, Water Recreation, Asbestos, and Emergency Response. Following the dissolution of the City's Department of Consumer Assurances in 2004, the Environmental Health Section, which had approximately 114

¹ According to Mr. Charles Dunn, of the Real Estate Division, the City pays the Suite 210 electrical outlet electricity which is separately metered from the electricity used for Suite 210's common areas, including elevators, central HVAC chillers, etc., and light fixtures and other ceiling equipment. The separately metered electricity is based on the Public Utilities Commission's Hetch Hetchy rate.

employees² in the leased premises at 1390 Market Street, absorbed the Agricultural, Weights & Measures Program consisting of nine inspectors and one part-time junior administrative analyst, or a total of 10 employees. The 10 employees were re-located from Port of San Francisco space and were intended to be temporarily located at 1390 Market Street until suitable facilities were determined. Additionally in FY 2007-08, one Agricultural Commissioner/Sealer was hired for the Agricultural, Weights & Measures Program as mandated by State law. The 11 (ten plus one) employees of the Agricultural, Weights & Measures Program have continued to remain in the leased premises at 1390 Market Street.

Additionally, according to Ms. Cyndy Comerford, Planning and Fiscal Policy Manager, DPH Environmental Health Section, during the existing lease term, the Environmental Health Section added 11 new full-time employees including (a) four full-time employees to establish requirements for the Automated Point of Sale ("scanner") Program³, to ensure compliance with California Business and Professions Code, within the Agricultural, Weights & Measures Program; and (b) seven⁴ full-time employees for additional regulatory responsibilities, for a total of 11 employees. Therefore, the leased premises have 22 (11 plus 11) additional employees than under the original lease, resulting in a total of approximately 136 (114 plus 22) employees occupying the subject 1390 Market Street leased space.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would authorize the exercise of the third of the four five-year options under the existing lease to extend the lease from December 1, 2013 through November 30, 2018, and would amend the lease agreement to include the expansion of the existing 25,939 square feet by 1,887 square feet for a total of 27,826 square feet as seen in Table 2 below.

Suite	Area (RSF)	Comments
210	14,549	Net of electrical outlet electricity load
410	3,247	Fully serviced
810	4,646	Fully serviced
910	4,971	Fully serviced
Subtotal Office Space	27,413	
Storage Premises	413	Garage Level
Total Premises	27,826	

² According to Ms. Cyndy Comerford, Planning and Fiscal Policy Manager, DPH Environmental Health Section, the approximate count of employees include grant funded positions and other temporary positions that may include fellowship positions and work order positions.

³ In 2010, the Board of Supervisors established the Automated Point of Sale Inspection Program (Ordinance No. 195-10).

⁴ The seven full time employees for additional regulatory responsibilities, include (a) three employees in the Healthy Housing Program to comply with new local legislation, (b) one employee for increases in inspections of massage businesses, (c) one employee to enforce local tobacco legislation, (d) one employee for enforcing Federal standards relating to menu labeling, (d) and one employee for inspections and issues around bed bugs.

Under the proposed five-year option to extend the lease, the 2,759 square feet of Suite 820-822 office space would be changed to 4,646 square feet in Suite 810, an increase of 1,887 square feet of office space. According to Ms. Comerford, 21 employees will be consolidated and co-located in Suite 810.

A summary of the proposed five-year option to extend the lease is shown in Table 3 below:

Term	5 years (December 1, 2013 through November 30, 2018)
Square feet (approximate)	27,826
Average rent per square foot per month	Approximately \$2.98
Total rent per month	\$82,818
Total annual rent	Approximately \$993,816
Annual rent increases over the five year option period	None
Utilities and services	The lease is fully serviced except for the separately metered utilities paid by the City on 14,549 square feet of Suite 210.
Additional options to Extend	Includes the final one existing five-year option to extend the lease.

The lease would continue to provide office and storage space for DPH’s Environmental Health Section. The proposed lease extension continues to be a fully serviced lease with the exception that the City will continue to pay for the separately metered electricity on 14,549 square feet (Suite 210) of the leased space. Under the proposed five-year option to extend the lease, the Landlord will pay for tenant improvements for Suite 810 (provided the cost is less than \$300,000), as well as all other utilities, janitorial services, building maintenance and repairs.

As noted above, the lease contains a final five-year option to extend from December 1, 2018 through November 30, 2023 that provides for a rent adjustment of 95% of Fair Market Value rent, as determined by the City’s Real Estate Division, subject to the Board of Supervisors approval.

FISCAL IMPACTS

Under the proposed exercise of the five-year option to extend the existing lease for DPH, the base monthly rent is \$82,818, or approximately \$2.98 per square foot per month for 27,826 square feet. The proposed rent would remain constant for all five years of the extension. The monthly base rent of \$82,818 (\$993,816 annually) includes an increase of \$12,756 from the existing base rent of \$70,062. The proposed \$82,818 monthly rent is based on the 95% of Fair Market Value as determined by the City’s Real Estate Division, based on similar space in the Civic Center area according to Mr. Charles Dunn of the Real Estate Division.

DPH also pays approximately \$490 per month in separately metered utilities (approximately \$0.034 per square foot per month) on 14,549 square feet of the Premises, for an annual cost of approximately \$5,880. According to Ms. Comerford, one-time costs for the move and the build-out of the new office space in Suite 810 include tenant improvements (not covered by the Landlord), such as telephone/data, casework, moving expenses, and equipment. Such one-time costs total will be \$132,000. The first year rent, utilities, and one-time costs total \$1,131,696 (\$993,816 rent plus \$5,880 metered utilities plus \$132,000 in one-time costs).

According to Ms. Comerford, the majority of the Environmental Health Section's programs are fee-based regulatory programs and the rent, utilities, and one-time costs are fully recovered by fees and have been included in the FY 2013-14 DPH budget. Ms. Comerford, reports that of the \$132,000 in one-time costs, \$41,000 has been previously approved by the Board of Supervisors for a planned move of the Agricultural, Weights & Measures Program staff that did not occur, resulting in a net budget line item for the one-time costs in the FY 2013-14 budget of \$91,000.

RECOMMENDATIONS

1. Amend the proposed resolution to make the following technical corrections:
 - a. Delete November 30, 2013 and insert December 1, 2013 on Line 6 of Page 1, and
 - b. Delete 27,846 square feet and insert 27,826 square feet on Line 18 of Page 2.
2. Approve the proposed resolution, as amended.

DPH-EHS

Through Naomi Kelly
City Administrator

Honorable Board of Supervisors
City and County of San Francisco
City Hall, Room 244
#1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Dear Board Members:

Attached for your consideration is a resolution authorizing an extension of an existing lease term and an expansion of the Premises by 1,887 sq. ft. for the Department of Public Health's Environmental Health Section (DPH-EHS) at Fox Plaza (1390 Market Street).

The Department of Public Health's Environmental Health Section (DPH-EHS) among other public services provides federal, state, and local mandated services including Underground Storage Tank Removal, Hazardous Materials/Waste, Childhood Lead Prevention, Consumer Protection (retail and wholesale food), Solid Waste, Water Recreation, Asbestos, and Emergency Response.

DPH-EHS has occupied space at Fox Plaza for the past 25 years. The lease's current term expires on November 30, 2013 and contains an option to extend the term for five years on the same terms and conditions except that the Base Monthly Rental is to be adjusted to 95% of the market rental value. The exercise of such option to extend is subject to enactment of a resolution by the Board of Supervisors and the Mayor, in their respective sole and absolute direction, approving and authorizing such lease extension.

The existing lease premises consist of 25,939 sq. ft. (25,526 sq. ft. of office and 413 sq. ft. of storage). City currently pays \$70,062 per month or approximately \$32.94 psf annually. City also pays approximately \$490.15 per month in separately metered utilities (approximately \$.40 psf annually) on 14,549 sq. ft. of the Premises.

130795

DPH reports that additional office space is critical to the Department's ability to operate the wide array of mandated programs and the Resolution authorizes an expansion of the Premises by 1887 sq. ft.

According to DPH, in September 2004, the Mayor's Office dissolved the Department of Consumer Assurances and DPH -EHS was given organizational responsibility for the Agricultural, Weights & Measures Program. In the 2004 transition from Consumer Assurance to the Environmental Health Section, Agricultural, Weights & Measures staff was disbanded from a collective working unit and scattered throughout the DPH -EHS. The physical relocation from Port space to 1390 Market Street was intended to be temporary until suitable facilities were located.

In 2005, the Agricultural, Weights and Measures Program was staffed with nine inspectors (9 FTE) and a part time (.5 FTE) junior administrative analyst. In Fiscal Year 2010/2011, the Department began implementing the Automated Point of Sale Inspection Program pursuant to Ordinance 195-10. The Agricultural, Weights & Measures Program is now 14.5 FTE to enforce its new regulatory responsibilities.

In addition to additional staffing for the Agricultural, Weights & Measures Automated Point of Sale Inspection Program, DPH EHS has also added seven new regulatory positions per new local and federal laws since its last lease agreement. This includes the following:

- Two Environmental Health Technician (2 FTE – 6108 class) and one account clerk (1 FTE - 1632) for our Healthy Housing Program to comply with a new local legislation
- One Environmental Health Specialist (1 FTE – 6122 class) per Supervisors Chu's request in our massage program to increase inspections to deter illegal activity
- One Environmental Health Specialist to enforce new local tobacco legislation (1 FTE – 6122 class).
- One Health Program Coordinator (.60 FTE – 2589) for enforcing federal standards around menu labeling.
- One Environmental Health Specialist (1 FTE – 6120 class) per Supervisors Kim's request to work on inspections and issues around bed bugs

DPH reports that the majority of EHS's programs are fee based regulatory programs and the increase in rental space will be fully recovered by fees. DPH EHS reports that it has included funding for both the additional rent and one-time costs (telephone, data, etc) for the additional 1887 sq. ft. in its 2013/2014 fiscal budget.

Under the proposed lease renewal, the proposed base rent is fixed for the entire 5 year renewal term (December 1, 2013 through November 30, 2018) at \$76,362.79 or approximately \$35.33 per sq. ft annually which City and Landlord have negotiated to be 95% of fair market value, considering all factors, for the existing space. The proposed expansion of the Premises by 1887 sq. ft. is at the fixed fully serviced additional cost of \$6,006.95 per month or approximately \$38.20 per sq. ft. The Landlord would be required to complete tenant improvements pursuant to a mutually agreeable

space plan (provided the cost is less than \$300,000). The additional rent would begin upon Substantial Completion of those improvements.

Upon Substantial Completion of the tenant improvements and commencement of the renewal term, the Premises would be 27,826 total sq. ft. and the proposed total rent would be \$82,818.07 per month (approximately \$35.72 per sq. ft. annually). City will continue to pay for electricity on the 14,549 square feet which is separately metered. City shall also pay for the standard operating expense pass throughs over a 2014 base year.

We recommend approval of the extension terms. If you have questions regarding this matter, please contact Charlie Dunn of our office at 554-9861.

Respectfully,

Commencing on December 1, 2013, the Base Year and Base Tax Year for the calculation of Additional Rent under Paragraph 6.B. of the Lease shall be the calendar year 2014.

3. **ADDITIONAL EXTENSION OPTION.** Effective as of the Effective Date of this Third Amendment, as defined in Section 17 below, Paragraph 4.C. of the Lease shall be deleted and the following provisions shall be substituted therefor:

City shall have one (1) option to extend the Term for an additional term (the “**Fourth Extended Term**”) of five (5) years, commencing on December 1, 2018 (“**Extension Option**”). Upon commencement of the Fourth Extended Term, all references in the Lease to the Term shall mean the Term as extended by the Fourth Extended Term.

(a) City’s lease of the Premises during the Fourth Extended Term shall be on all of the terms and conditions set forth in the Lease, except that (i) the Base Monthly Rental shall be adjusted to ninety-five percent (95%) of Market Rental Value in accordance with Paragraph 6.C. hereof, and (ii) the Base Year and the Base Tax Year, for purposes of determining City’s Additional Rent, shall be calendar year 2019.

(b) Landlord acknowledges and agrees that City’s notice of its intent to exercise the Fourth Extension Option shall be subject to enactment of a resolution by the Board of Supervisors and the Mayor, in their respective sole and absolute discretion, approving and authorizing the same no later than ninety (90) days after the date such notice of exercise is given. If such approval and authorization is not received by Landlord on or before such date, the Fourth Extension Option shall terminate and City shall have no further option to extend the Term.”

4. DETERMINATION OF MARKET RENTAL VALUE FOR EXTENSION TERM. Effective as of the Effective Date of this Third Amendment, the second and third grammatical paragraphs of Paragraph 6.C. of the Lease shall be deleted and the following provisions shall be substituted therefor:

Such Landlord’s estimate of the Base Monthly Rental will be provided to City for City’s internal budgeting program only. Such estimate shall not be binding upon either City or Landlord.

Then Landlord, not less than six (6) months before the commencement of the Fourth Extended Term, shall submit to City in writing Landlord’s determination of Market Rental Value for the Premises for the Fourth Extended Term. The amount of Market Rental Value submitted by Landlord shall become the monthly rental for the Fourth Extended Term thirty (30) days after Landlord gives said determination in writing to City unless before expiration of said thirty (30) day period City gives written notification to Landlord of City’s determination of Market Rental Value. Such dispute shall be resolved as follows:”

5. SUBSTITUTION OF SUITE 810 PREMISES FOR SUITE 820-822 PREMISES.

(a) Substitution; Suite 810 Premises. Beginning on the date the Leasehold Improvements are Substantially Completed (as defined in Section 6) (the “**Substitution Date**”), as provided in Section 6 below of this Third Amendment, those premises commonly known as Suite 810, shown outlined on the attached Exhibit A-3 (the “**Suite 810 Premises**”), shall be

added to the Premises under the Lease and that portion of the existing Premises commonly known as Suite 820 -822 shall be deleted from the Premises under the Lease.

(b) Base Rent; Modification of Base Rent. The parties acknowledge that the Suite 810 Premises is comprised of 4,646 rentable square feet of space and Suite 820-822 is comprised of 2,759 rentable square feet of space. City shall pay Base Rent in the amount of \$14,789.77 per month (\$38.20 psf annually) for the Suite 810 Premises. Effective as of the Substitution Date the Base Rent payable under the Lease shall be modified by (i) deleting the Base Rent for Suite 820-822 (in the amount \$7,451.60 per month through November 30, 2013 and \$8,334.48 per month commencing December 1, 2013) and adding the \$14,789.77 Base Rent payable for the Suite 810 Premises.

(c) Confirming Amendment. Upon the Substantial Completion of the Suite 810 Tenant Improvements in accordance with this Third Amendment, Landlord and Tenant shall to execute an amendment to the Lease confirming Substitution Date and the Base Rent payable. Execution of such confirming amendment shall be ministerial, and shall not require the prior approval of the City's Board of Supervisors, although it shall be subject to the prior written approval of City's Director of Real Estate and the City Attorney.

6. TENANT IMPROVEMENTS FOR SUITE 810 PREMISES. Landlord, through its general contractor reasonably approved by City, shall perform the work and make the installations in the Suite 810 Premises at Landlord's sole cost (subject to the limitations set for below) pursuant to the Construction Documents (as defined in this Section below) approved by City, and in accordance with the provisions of this Section below. Such work and installations are referred to as the "**Leasehold Improvement Work**" and "**Leasehold Improvements.**"

(a) Plans and Specifications. Before the reference date of this Third Amendment, Landlord has caused its architect or space planner approved by City to prepare and submit to City for its approval an architectural plan, power and signal plan, reflected ceiling plan, floor plans, and tenant finish specifications for the Leasehold Improvements, based on City's program requirements for use of the Suite 810 Premises, and in form and detail sufficient for purposes of contractor pricing. City hereby approves the plans and specifications dated February 5, 2013 (the "**Pricing Plans**"), prepared by Weske Associates, copies of which are attached hereto as Exhibit C-3.

Immediately following the Effective Date of this Amendment (as defined in Section 17 hereof), based on the approved Pricing Plans and any adjustments authorized by City, Landlord shall cause final plans, specifications and working drawings for the Leasehold Improvements to be prepared, in conformity with the requirements hereof. Landlord shall submit a copy of such final plans, specifications and working drawings to City within sixty (60) days after the Effective Date. Such final working drawings and specifications shall be subject to City's approval, which approval shall not be unreasonably withheld or delayed. If City disapproves such final working drawings and specifications, or any portion thereof, then City shall promptly notify Landlord thereof and of the revisions that City reasonably requires in order to obtain City's approval. As soon as reasonably possible thereafter, but in no event later than thirty (30) days after City's notice, Landlord shall submit to City final plans, specifications and working drawings incorporating the revisions required by City. Such revisions shall be subject

to City's approval, which shall not be unreasonably withheld or delayed. The final plans, specifications and working drawings for the Leasehold Improvements approved by City shall be referred to as the "**Final Construction Documents.**" If, following approval, the Director of Property for the City requests any change, addition or alteration in the Final Construction Documents, Landlord shall cause its architect to prepare plans with respect thereto. As soon as practical, Landlord shall notify City of the cost that would be incurred by reason of such change, addition or alteration. If City approves the cost thereof in writing within five (5) days of receipt from Landlord such approved cost shall be referred to herein as the "**Approved Change Cost**" and (i) Landlord's contractor shall proceed with such change, addition or alteration as soon as reasonably practical thereafter, and (ii) City shall pay for any increase in the cost of the Leasehold Improvements resulting from such change, alteration or addition up to the Approved Change Cost and shall not have a right to terminate pursuant to Section 6(b) below with respect to any such changes, alterations or additions. If City does not approve such cost within the above mentioned five (5) day period, construction shall proceed in accordance with the original completed and approved Final Construction Documents and City shall pay the reasonable and actual architect fees for designing the changes, up to a total of Five Hundred Dollars (\$500).

(b) Permits; Right to Terminate Provisions Regarding Substitution. Landlord shall secure and pay for any building and other permits and approvals, government fees, licenses and inspections necessary for the proper performance and completion of the Leasehold Improvement Work shown on the approved Final Construction Documents. Promptly following City's approval of the Final Construction Documents, Landlord shall apply for any permits, approvals, including but not limited to the City's Mayor's Office of Disability or licenses necessary to complete such construction and shall provide copies to City promptly following receipt thereof. Notwithstanding the foregoing, in the event that Landlord, after using commercially reasonable efforts, is unable to obtain all necessary permits, approvals and licenses required to construct the Leasehold Improvements within one hundred and eighty (180) days after the Effective Date (the "**Trigger Date**"), or if prior to the Trigger Date, based on the Final Construction Documents, Landlord determines and notifies City in writing that the total cost of the Leasehold Improvements exceeds \$300,000, either party shall have the right to terminate the provisions providing for the substitution of the Suite 810 Premises for Suite 820-822 upon written notice to the other within ten (10) days after the Trigger Date or within ten (10) days following Landlord's notice set forth above that the total cost of the Leasehold Improvements shall exceed \$300,000, as applicable. Landlord shall be responsible for arranging for all inspections required by City's Bureau of Building Inspection and City's Mayor's Office of Disability.

(c) Prevailing Wage and First Source Hiring. City has adopted a First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98) which establishes specific requirements, procedures and monitoring for first source hiring of qualified economically disadvantaged individuals for entry level positions. Within thirty (30) days after the City and County of San Francisco Department of Public Health adopts a First Source Hiring Implementation and Monitoring Plan in accordance with the First Source Hiring Ordinance, Landlord shall enter into a First Source Hiring Agreement that meets the applicable requirements of Section 83.9 of the First Source Hiring Ordinance in connection with certain building permit applications.

Landlord agrees that any person performing labor in the construction of the Leasehold Improvements or other improvements to the Premises, which Landlord provides under the Lease, shall be paid not less than the highest prevailing rate of wages as required by Section 6.22(E) of the San Francisco Administrative Code, shall be subject to the same hours and working conditions, and shall receive the same benefits as in each case are provided for similar work performed in San Francisco, California. Landlord shall include in any contract for construction of such Leasehold Improvements or other improvements to the Premises, a requirement that all persons performing labor under such contract shall be paid not less than the highest prevailing rate of wages for the labor so performed. Landlord shall require any contractor to provide, and shall deliver to City upon request, certified payroll reports with respect to all persons performing labor in the construction of any Leasehold Improvements or other improvements to the Premises.

(d) Construction. Immediately upon approval of the Final Construction Documents and Landlord's procurement of all necessary permits and approvals, Landlord shall commence construction and shall cause the Leasehold Improvements to be completed in a good and professional manner in accordance with sound building practice. Landlord shall comply with and give notices required by all laws, rules, regulations, ordinances, building restrictions and lawful orders of public authorities bearing on construction of the Leasehold Improvements. Without limiting the foregoing, construction of the Leasehold Improvements shall comply with all applicable disabled access laws, including, without limitation, the requirements of the Americans With Disabilities Act of 1990, Title 24 of the California Code of Regulations (or its successor) and City's requirements for program accessibility. Landlord agrees that any person performing labor in the construction of the Leasehold Improvements or other improvements to the Premises, which Landlord provides under this Lease, shall be paid not less than the highest prevailing rate of wages as required by Section 6.22(E) of the San Francisco Administrative Code, shall be subject to the same hours and working conditions, and shall receive the same benefits as in each case are provided for similar work performed in San Francisco, California. Landlord shall include, in any contract for construction of such Leasehold Improvements or other improvements to the Premises, a requirement that all persons performing labor under such contract shall be paid not less than the highest prevailing rate of wages for the labor so performed. Landlord shall require any contractor to provide, and shall deliver to City upon request, certified payroll reports with respect to all persons performing labor in the construction of any Leasehold Improvements or other improvements to the Premises. The provisions of Paragraphs 6 and 13 of Exhibit B-3 attached to this Third Amendment shall apply to the construction of the Leasehold Improvements.

(e) Construction Schedule; Substantial Completion. Landlord shall keep City apprised on a regular basis of the status of plan preparation, permit issuance and the progress of construction. From time to time during the design and construction of the Leasehold Improvements, City shall have the right upon reasonable advance oral or written notice to Landlord to enter the Suite 810 Premises at reasonable times to inspect the Suite 810 Premises, provided such inspections do not unreasonably interfere with the construction. Landlord or its representative may accompany City during any such inspection. When construction progress so permits, but not less than fifteen (15) days in advance of completion, Landlord shall notify City of the approximate date on which the Leasehold Improvement Work will be substantially completed in accordance with the Construction Documents. Landlord shall revise such notice of

the approximate substantial completion date as appropriate from time to time and shall promptly notify City when the Leasehold Improvement Work is in fact substantially completed and the Suite 810 Premises are ready for occupancy by City. On such date or other mutually agreeable date as soon as practicable thereafter, City and its authorized representatives shall have the right to accompany Landlord or its architect on an inspection of the Suite 810 Premises.

The Leasehold Improvement Work shall be deemed to be "**Substantially Completed**" for purposes of this Third Amendment when the Leasehold Improvements shall have been sufficiently completed in accordance with the approved Construction Documents so that City can occupy the Suite 810 Premises and conduct its business for its intended uses, Landlord has procured a temporary or final certificate of occupancy for the Suite 810 Premises and City, through its Director of Property, shall have approved the Leasehold Improvements. City may, at its option, approve the Leasehold Improvements even though there may remain minor details that would not interfere with City's use. Landlord shall diligently pursue to completion all such details. Notwithstanding the foregoing, City shall have the right to present to Landlord within thirty (30) days after acceptance of the Suite 810 Premises, or as soon thereafter as practicable, a written punchlist consisting of any items that have not been finished in accordance with the Construction Documents. Landlord shall promptly complete all defective or incomplete items identified in such punchlist, and shall in any event complete all items within thirty (30) days after the delivery of such list. City's failure to include any item on such list shall not alter the Landlord's responsibility hereunder to complete all Leasehold Improvement Work in accordance with the approved Construction Documents, nor constitute any waiver of any latent defects.

No approval by City or any of its Agents of the Pricing Plans, Construction Documents or completion of the Leasehold Improvement Work for purposes of this Lease shall be deemed to constitute approval of any governmental or regulatory authority with jurisdiction over the Suite 810 Premises, and nothing herein shall limit Landlord's obligations to obtain all such approvals.

Subject to any Unavoidable Delays (as defined in the Lease), City shall be responsible for any delay in the construction of the Leasehold Improvement Work due solely and directly to any of the following (collectively, "**Tenant Delays**"); (i) a delay in granting its reasonable approval of plans and specifications (beyond the period granted therefor), (ii) City's material changes in the Final Construction Documents after City has approved them, (iii) a delay in excess of one week in delivery of data or telephone cables provided that Landlord has given City a minimum of four (4) weeks prior notice of the desired delivery date, and (iv) a delay in excess of one week in Tenant's installation of furniture systems. The Leasehold Improvement Work shall be considered to be Substantially Completed for purposes of the determination of the Substitution Date on the date by which the Leasehold Improvement Work would have been completed if there had been no such Tenant Delay. Notwithstanding the foregoing, City shall be responsible only to the extent any delays are actually caused by Tenant Delays.

7. LANDLORD'S RIGHT TO RELOCATE STORAGE PREMISES. During the Term or any extension thereof, Landlord shall have the right upon not less than ninety (90) days prior written notice to City to relocate the Storage Premises to an area (the "**Relocated Storage Premises**") in Landlord's Commercial Parcel of the Building provided that (i) the

Relocated Storage Premises are reasonably the same size as the Storage Premises, and (ii) Landlord shall be responsible for all costs to move City's property from the Storage Premises to the Relocated Storage Premises. City shall pay the same amount of Base Rent for the Relocated Storage Premises as is payable under the Lease for the Storage Premises, and no Additional Rent shall be payable with respect to the Relocated Storage Premises. City acknowledges that the Relocated Storage Premises may not be in the garage area of the Building. In the event of that City does not want to lease the Relocated Storage Premises, City shall have the right to terminate the Storage Premises from the Lease (and reduce the Base Rent owed accordingly) by written notice to Landlord.

8. **LANDLORD'S ADDRESS.** Effective as of the Effective Date, Landlord's address set forth in the Lease for notices and payment of rent and other amounts due under the Lease is deleted in its entirety and replaced by the following:

Landlord agrees to indemnify and hold Tenant harmless for any loss, cost, liability or expense incurred by Tenant as a result of a claim for brokerage commissions or finder's fee from any broker claiming to have represented Landlord in connection with this Third Amendment.

11. **DEFINED TERMS.** All capitalized terms used but not defined in this Third Amendment will have the meanings set forth for such terms in the Lease. All terms that are defined in this Third Amendment and used in any provisions that are added to the Lease pursuant to this Third Amendment will have the meanings in the Lease set forth for such terms in this Third Amendment.

12. **WHOLE AGREEMENT.** This Third Amendment sets forth the entire agreement between the parties with respect to the matters set forth herein. There have been no additional oral or written representations or agreements. Except as amended herein, there shall be no other changes or modifications to the Lease between the parties and the Lease and the terms and provision contained therein shall remain in full force and effect.

The execution of this Third Amendment shall not constitute a waiver of relinquishment of any rights which Landlord or Tenant may have relating to the Lease.

15. **NO JOINT VENTURE.** This Third Amendment or any activity by Tenant hereunder does not create a partnership or joint venture between Tenant and Landlord relating to the Lease or otherwise. This Third Amendment does not constitute authorization or approval by the City of any activity conducted by Landlord.

16. **COUNTERPARTS.** This Third Amendment may be executed in one or more counterparts, each of which shall be deemed an original, including transmittals by facsimile, all of which together shall constitute one and the same instrument.

17. **EFFECTIVE DATE.** This Third Amendment shall become effective on the later date that this Third Amendment is (i) fully executed and delivered by both parties or (ii) authorized by a Resolution by City's Board of Supervisors and Mayor in their sole discretion.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS THIRD AMENDMENT, LANDLORD ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY HERETO UNLESS AND UNTIL CITY'S BOARD OF SUPERVISORS SHALL HAVE DULY ADOPTED A RESOLUTION APPROVING THIS THIRD AMENDMENT AND AUTHORIZING CONSUMMATION OF THE TRANSACTION CONTEMPLATED HEREBY. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT

UPON ADOPTION OF SUCH A RESOLUTION, AND THIS THIRD AMENDMENT SHALL BE NULL AND VOID UNLESS CITY'S MAYOR AND BOARD OF SUPERVISORS APPROVE THIS THIRD AMENDMENT, IN THEIR RESPECTIVE SOLE AND ABSOLUTE DISCRETION, AND IN ACCORDANCE WITH ALL APPLICABLE LAWS. APPROVAL OF THIS LEASE BY ANY DEPARTMENT, COMMISSION OR AGENCY OF CITY SHALL NOT BE DEEMED TO IMPLY THAT SUCH RESOLUTION WILL BE ADOPTED NOR WILL ANY SUCH APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY.

IN WITNESS WHEREOF, Landlord and Tenant have duly executed this Third Amendment as of the day and year first above written.

The terms of this Lease shall be governed by and subject to the budgetary and fiscal provisions of the City's Charter. Notwithstanding anything to the contrary contained in this Lease, there shall be no obligation for the payment or expenditure of money by City under this Lease unless the Controller of the City and County of San Francisco first certifies, pursuant to Section 3.105 of the City's Charter, that there is a valid appropriation from which the expenditure may be made and that unencumbered funds are available from the appropriation to pay the expenditure. Without limiting the foregoing, if in any fiscal year of City after the fiscal year in which the Term of this Lease commences, sufficient funds for the payment of Rent and any other payments required under this Lease are not appropriated, then City may terminate this Lease, without penalty, liability or expense of any kind to City, as of the last date on which sufficient funds are appropriated. City shall use its reasonable efforts to give Landlord reasonable advance notice of such termination.

2. Non-Liability of City Officials, Employees and Agents

Notwithstanding anything to the contrary in this Lease, no elective or appointive board, commission, member, officer, employee or agent of City shall be personally liable to Landlord, its successors and assigns, in the event of any default or breach by City or for any amount which may become due to Landlord, its successors and assigns, or for any obligation of City under this Lease.

3. MacBride Principles - Northern Ireland

The City and County of San Francisco urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.1 et seq. The City and County of San Francisco also urges San Francisco companies to do business with corporations that abide by the MacBride Principles. Landlord acknowledges that it has read and understands the above statement of the City and County of San Francisco concerning doing business in Northern Ireland.

4. Prevailing Wages for Construction Work

Landlord agrees that any person performing labor in the construction of the Leasehold Improvements or other improvements to the Premises, which Landlord provides under this Lease, shall be paid not less than the highest prevailing rate of wages as required by Section 6.22(E) of the San Francisco Administrative Code, shall be subject to the same hours and working conditions, and shall receive the same benefits as in each case are provided for similar work performed in San Francisco, California. Landlord shall include, in any contract for construction of such Leasehold Improvements or other improvements to the Premises, a requirement that all persons performing labor under such contract shall be paid not less than the highest prevailing rate of wages for the labor so performed. Landlord shall require any contractor to provide, and shall deliver to City upon request, certified payroll reports with respect to all persons performing labor in the construction of any Leasehold Improvements or other improvements to the Premises.

5. Non Discrimination in City Contracts and Benefits Ordinance

(a) Covenant Not to Discriminate

In the performance of this Lease, Landlord covenants and agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability, weight, height, or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee or, any City employee working with, or applicant for employment with, Landlord in any of Landlord's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Landlord.

(b) Subcontracts

Landlord shall include in all subcontracts relating to the Premises a non-discrimination clause applicable to such subcontractor in substantially the form of subsection (a) above. In addition, Landlord shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k) and 12C.3 of the San Francisco Administrative Code and shall require all subcontractors to comply with such provisions. Landlord's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Non-Discrimination in Benefits

Landlord does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco or where the work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits specified above within the United States, between employees with domestic partners and employees with spouses, and/or between domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the condition set forth in Section 12.B2(b) of the San Francisco Administrative Code.

(d) HRC Form

As a condition to this Lease, Landlord shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission (the "HRC"). Landlord hereby represents that prior to execution of the Lease: **(a)** Landlord executed and submitted to the HRC Form HRC-12B-101 with supporting documentation, and **(b)** the HRC approved such form.

(e) Incorporation of Administrative Code Provisions by Reference

The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by parties contracting for the lease of property to City are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Landlord shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Landlord understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of Fifty Dollars (\$50) for each person for each calendar day during which such person was discriminated against in

violation of the provisions of this Lease may be assessed against Landlord and/or deducted from any payments due Landlord.

6. Tropical Hardwood and Virgin Redwood Ban

(a) Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environment Code, neither Landlord nor any of its contractors shall provide any items to City in the construction of the Leasehold Improvements or otherwise in the performance of this Lease which are tropical hardwood, tropical hardwood wood products, virgin redwood, or virgin redwood wood products.

(b) The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood products.

(c) In the event Landlord fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environment Code, Landlord shall be liable for liquidated damages for each violation in an amount equal to Landlord's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greatest. Landlord acknowledges and agrees that the liquidated damages assessed shall be payable to the City and County of San Francisco upon demand and may be set off against any monies due to Landlord from any contract with the City and County of San Francisco.

7. Bicycle Storage Facilities

Article 1.5, Section 155.1, of the San Francisco Planning Code (the "Planning Code") requires the provision of bicycle storage at City-leased buildings at no cost to Landlord and if funds are available. Landlord agrees to continue at no cost to the City, the existing bicycle facilities located in the garage. In the event public and/or private donations, grants or other funds for additional facilities become available, at any time during the Term of this Lease including any extension thereof, City may, by giving a 60-day advanced written notice to Landlord, install additional compliant bicycle storage in the Building garage provided the garage owner approves the same. Landlord agrees to use commercially reasonable efforts to obtain such approval. If parking spaces are lost, City shall pay the monthly rent value for any such parking spaces used for such bicycle parking, and Landlord also agrees that City may install bicycle racks in other location(s) in front of the Building, which are required to meet the Class 1 and/or Class 2 requirements of the Planning Code. Landlord, at no cost to Landlord, shall reasonably cooperate with City regarding the location of such spaces in furtherance of the implementation of such requirements of the Planning Code. The above notwithstanding, City acknowledges that Landlord does not own the entire building and only has limited rights to the parking garage and the common areas.

8. Resource-Efficient City Buildings and Pilot Projects

Landlord acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Sections 700 to 707 relating to resource-efficient City buildings and resource-efficient pilot projects. Landlord hereby agrees that it shall comply with all applicable provisions of such code sections.

9. Certification by Landlord

By executing this Lease, Landlord certifies that neither Landlord nor any of its officers or members have been suspended, disciplined or disbarred by, or prohibited from contracting with, any federal, state or local governmental agency. In the event Landlord or any

of its officers or members have been so suspended, disbarred, disciplined or prohibited from contracting with any governmental agency, it shall immediately notify the City of same and the reasons therefore together with any relevant facts or information requested by City. Any such suspension, disbarment, discipline or prohibition may result in the termination or suspension of this Lease. Landlord acknowledges that this certification is a material term of this Lease.

10. Sunshine Ordinance

In accordance with Section 67.24(e) of the San Francisco Administrative Code, contracts, contractors' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between City and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

11. Conflicts of Interest

Through its execution of this Lease, Landlord acknowledges that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of said provisions, and agrees that if Landlord becomes aware of any such fact during the Term of this Lease, Landlord shall immediately notify City.

12. Notification of Limitations on Contributions

Through its execution of this Lease, Landlord acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from the City whenever such transaction would require approval by a City elective officer or the board on which that City elective officer serves, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Landlord acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Landlord further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Landlord's board of directors, chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Landlord; any subcontractor listed in the contract; and any committee that is sponsored or controlled by Landlord. Additionally, Landlord acknowledges that Landlord must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Landlord further agrees to provide to City the names of each person, entity or committee described above."

13. Preservative-Treated Wood Containing Arsenic

As of July 1, 2003, Landlord may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code, Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The term "**preservative-treated wood containing arsenic**" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Landlord may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Landlord from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "**saltwater immersion**" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

14. Graffiti Removal

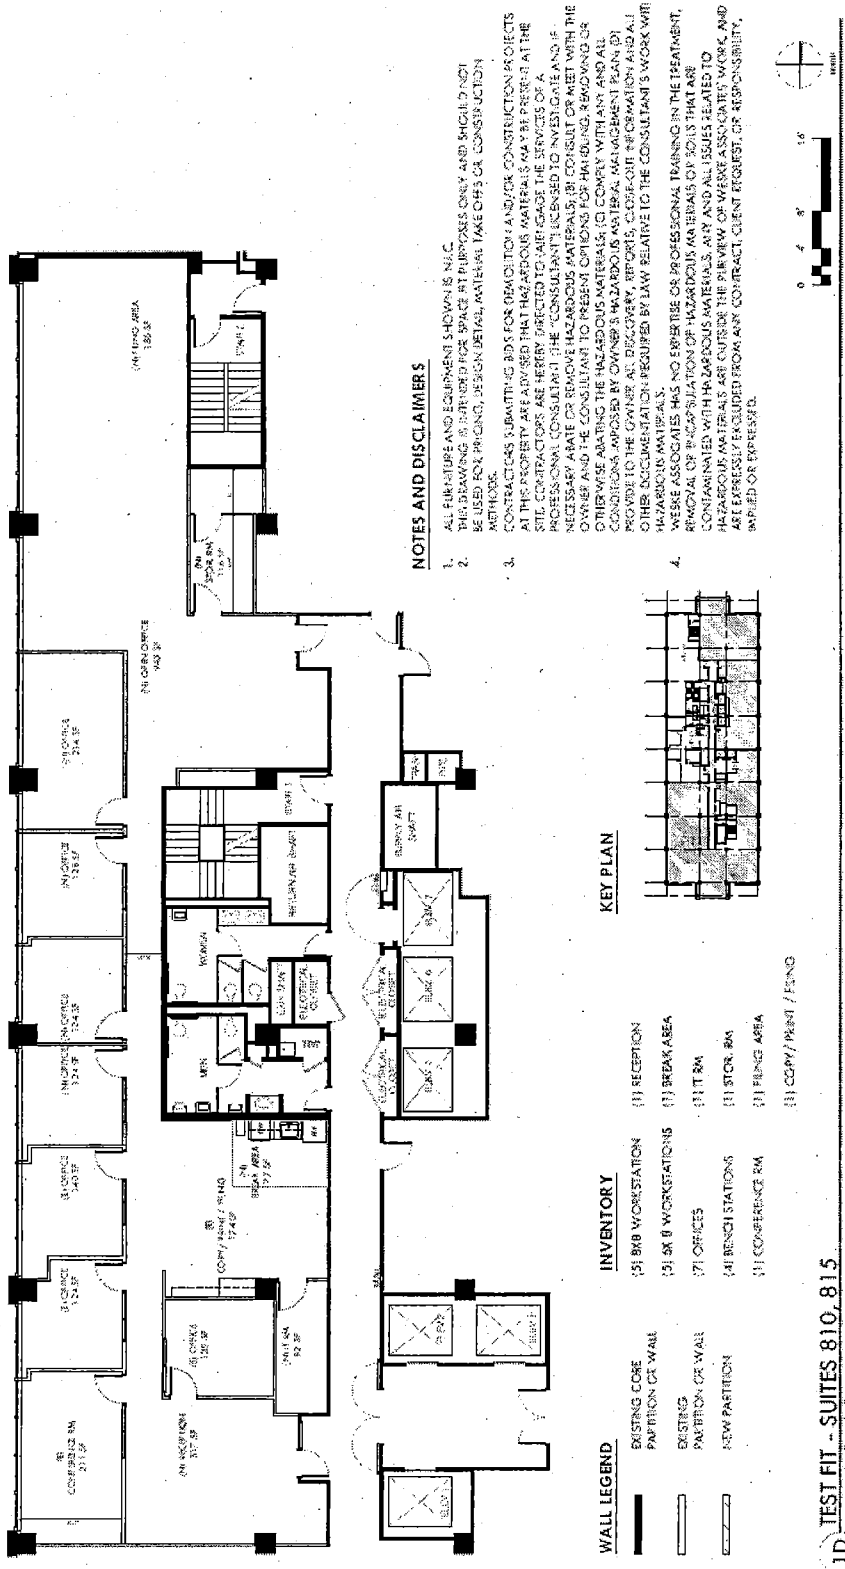

(a) Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

(b) Landlord shall use good faith and commercially reasonable efforts to remove all graffiti from the Building and from any real property owned or leased by Landlord in the City and County of San Francisco within forty eight (48) hours of the earlier of Landlord's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require Landlord to breach any lease or other agreement that it may have concerning its use of the real property. The term "**graffiti**" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

(c) Any failure of Landlord to comply with this section of this Lease shall constitute a breach of this Lease.

OFFICE LEASE

1. **PARTIES.** THIS LEASE, dated for reference purposes only as of September 9, 1996, is made by and between CALFOX, INC., a California corporation, as managing agent for owner, Polk Market Co., ("Landlord"), and the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("Tenant" or "City").

2. **PREMISES.** Landlord does hereby lease to Tenant, and Tenant does hereby lease from Landlord, those certain premises situated in the City and County of San Francisco, State of California, known as Suites 210 and 230 on the second floor, Suite 820 on the eighth floor, Suite 910 on the ninth floor and storage spaces C, D and E on the parking garage level of that certain building known as Fox Plaza, 1390 Market Street (the "Building"), and as shown on the floor plans attached hereto as Exhibit "A," hereinafter called the "Premises."

Tenant shall have the non-exclusive right to use and enjoy the elevator lobbies, corridors, sidewalks, elevators, stairways and other public areas of the Building and land upon which the Building is located (collectively, the "Common Areas") and the non-exclusive right of access to and from the Premises by the entrances of the Building. The Common Areas shall be subject to the exclusive control and management of Landlord, and Tenant shall use the Common Areas in accordance with the restrictions contained herein and the Rules and Regulations as provided in paragraph 11 below. Landlord may, from time to time, alter, eliminate, relocate or reserve for private use any of the Common Areas and may temporarily close or restrict the use of any Common Areas as needed for repairs, provided that any and all such changes shall not materially interfere with Tenant's use and enjoyment of the Premises or Tenant's ability to conduct normal administrative office operations in the Premises.

3. **COVENANTS.** It is mutually agreed that the letting hereunder is upon and subject to the following terms, covenants and conditions. Tenant covenants, as a material part of the consideration for this Lease, to keep and perform each and all of the terms, covenants and conditions by it to be kept or performed, and this Lease is made upon the condition of such performance.

4. **TERM.** A. The Premises are leased for an initial term (the "Initial Term") commencing on the date as Landlord shall have delivered either Suites 210, 910 or 820 of the Premises to City with the Leasehold Improvements having been Substantially Completed (as defined in the attached Work Letter) pursuant to Paragraph 5 [Tenant Improvements] hereof and the attached Work Letter. Landlord will deliver the second floor portion of the Premises in its entirety and will not deliver it in increments as the increments are Substantially Completed unless so instructed by City, in writing, to do so. The Term of this Lease shall end on November 30, 2003, or such earlier date on which this Lease terminates pursuant hereto, provided that City shall have the right to extend the Initial Term pursuant to Paragraph 4(C) [Extension Options], below. The word "Term" as used herein shall refer to the

Initial Term and any Extended Terms if City exercises any of the Extension Options as provided hereinbelow.

The dates on which the Term commences and terminates pursuant hereto are referred to respectively as the "Commencement Date" and the "Expiration Date." After the Commencement Date occurs, Landlord shall deliver to City a notice substantially in the form of Exhibit B attached hereto, confirming the actual Commencement Date and Expiration Date, but Landlord's failure to do so shall not affect the commencement of the Initial Term.

--- B. If, at any time during the Term of this Lease funds are not requested in the annual departmental budget of the City and County of San Francisco Public Health Department for the payment, during the following fiscal year of City, of rent and all other charges under this Lease or under a new lease of like-office space to be used by the Public Health Department for the personnel then located in the Premises, or if such funds are requested but the Board of Supervisors or Mayor of the City and County of San Francisco (the "Board of Supervisors") fails to appropriate the funds in their sole and absolute discretion, then in either such case Tenant may terminate this Lease by giving written notice to Landlord of the circumstances giving rise to such right of termination and of Tenant's election to terminate. In the event Tenant gives to Landlord such notice of termination, this Lease shall terminate upon the last date sufficient funds are appropriated (the "Termination Date") with the same effect as if the Termination Date were the Expiration Date, but such termination would not relieve City from any obligation under this Lease prior to the Termination Date or surrender of the Premises. In the event of termination hereunder for non-appropriation, City agrees that it will not appropriate funds for the payment of rent and other charges due hereunder and utilize such funds for the purpose of renting similar premises in a non-City building in which City will conduct the operations conducted by City in the Premises prior to the Termination Date for one year from the Termination Date. Rent shall be apportioned as of the Termination Date and any prepaid portion of rent for any period after such date shall be refunded by Landlord or Tenant.

C. Extension Options. City shall have the right to extend the Initial Term of this Lease (collectively, the "Extension Options") for the additional terms set forth below (collectively, the "Extended Terms") as follows:

(1) Five-Year Extension Options. City shall have an option to extend the Initial Term for two (2) additional terms (the "Five-Year Extended Terms"), the first of which shall be a five (5) year term commencing upon the expiration of the Initial Term and the second of which shall be a five (5) year term commencing upon the expiration of the first Five-Year Extended Term (such options are referred to herein as the "Five-Year Extension Options"). City's lease of the Premises during each of the Five-Year Extension Terms shall be on all of the terms and conditions set forth in this Lease, except that the Basic Monthly Rent shall be adjusted to ninety-five percent (95%) of Market Rental Value in accordance with Paragraph 6.C. hereof. Additionally, City shall pay Additional Rent for its share of increased Operating Expenses and Direct Taxes as described below, and Landlord will provide building standard carpet and paint throughout the Premises under Lease at the

commencement of each of the Five-Year Extended Terms; provide, however, that, if the determination of Market Rental Value as set forth in Paragraph 6.C. herein does not direct Landlord to provide any tenant improvements to the Premises upon the commencement of such Five-Year Extended Term, the rent shall be adjusted to include such tenant improvements provided by Landlord. City may exercise the Five-Year Extension Options, if at all, by giving written notice to Landlord no later than December 1, 2002 for the first Five-Year Extension Option and no later than December 1, 2007 for the second Five-Year Extended Term; provided, however, if City is in material default hereunder on the date of giving such notice and fails to cure such default as provided herein, Landlord may reject such exercise by delivering written notice thereof to City promptly after such failure to cure.

Landlord acknowledges and agrees that City's notice of its intent to exercise any of the Additional Extension Options shall be subject to enactment of a resolution by the Board of Supervisors and the Mayor, in their respective sole and absolute discretion, approving and authorizing such exercise, within ninety (90) days after the date such notice of exercise is given. If such approval and authorization is not received by Landlord within ninety (90) days after the date such notice of exercise is given, City's Five-Year Extension Options shall cease and City shall have no further options to extend the Term.

5. **TENANT IMPROVEMENTS.** Landlord shall furnish and install the Tenant Improvements set forth in the Exhibit F Work Letter at Landlord's expense.

6. **RENT.** A. **Base Rent.** Beginning on the Commencement Date, City shall pay to Landlord during the Initial Term the annual Base Rent specified in the Basic Lease Information (the "Base Rent") for the Premises or that portion of the Premises that has been delivered with the Leasehold Improvements Substantially Completed. The portions of the Premises that may be separately delivered and Base Rent correlated to each such portion are identified in the Basic Lease Information. The Base Rent shall be payable in equal consecutive monthly payments on or before the first day of each month, in advance, at the address specified for Landlord in the Basic Lease Information, or other place as Landlord may designate in writing upon not less than thirty (30) days' advance notice. City shall pay the Base Rent without any prior demand and without any deductions or setoff except as otherwise expressly provided in this Lease. If the Commencement Date occurs on a day other than the first day of a calendar month or the Expiration Date occurs on a day other than the last day of a calendar month, then the monthly payment of the Base Rent for such fractional month shall be prorated based on a thirty (30) day month.

B. **Additional Rent**

(1) As Additional Rent, Tenant shall pay to Landlord during the Terms at the times hereinafter set forth, an amount equal to (a) Tenant's Share specified herein below of any increase in Operating Expenses of the Office Portion of the Building (defined below in this paragraph) paid or incurred by Landlord on account of the operating or maintenance of the Building above such Operating Expenses paid or incurred by Landlord during the Base Year specified herein below and (b) Tenant's Share specified

hereinbelow of any increase in Direct Taxes (defined below in this paragraph) for the Office Portion of the Building paid or incurred by Landlord in any calendar year in excess of those paid or incurred in the Base Tax Year specified herein below, (all such rentals, charges and sums other than minimum monthly rent being referred to in this lease as "Additional Rent," whether or not the same may be designated Additional Rent). If such amounts are not paid at the time they are due and payable under this Lease, they shall nevertheless be collectable as Additional Rent with the next installment of the Base Monthly Rental. Nothing herein contained shall be deemed to suspend or excuse the payment of any amount of money or charge at the time the same becomes due and payable hereunder, except as otherwise expressly provided in this Lease. Where the time for payment of any Additional Rent is not specified herein, the same shall be due and payable twenty-one (21) days after receipt of Landlord's invoice. If at any time during the Term of the Lease, less than ninety-five percent (95%) of the total rentable area of the Office Portion of the Building is occupied, the Operating Expenses and Direct Taxes shall be adjusted by Landlord to reasonably approximate the Operating Expenses and Direct Taxes which would have been incurred if the Office Portion of the Building had been at least ninety-five percent (95%) occupied.

At or within a reasonable time after the commencement of any calendar year subsequent to the Base Year, Landlord shall notify Tenant in writing of Landlord's estimate of the amount of any increase in Operating Expenses for such calendar year over Operating Expenses for the Base Year, the amount of any increase in Direct Taxes over those paid or incurred in the Base Year and of the amount of such estimated increases payable by Tenant. Such statement shall specify in reasonable detail the basis of Landlord's estimates. Tenant shall pay to Landlord on the first day of each calendar month, one-twelfth (1/12) of the amount of such estimated increases in Operating Expenses and Direct Taxes payable by Tenant hereunder. Statements of the amount of actual Operating Expenses for the preceding calendar year, of Direct Taxes for the appropriate fiscal year and the amount of such increases payable by Tenant shall be given to Tenant by April 1st of each succeeding calendar year subsequent to the Base Year. All amounts payable by Tenant as shown on such statement, less any amounts theretofore paid by Tenant on account of Landlord's estimate of increases in Operating Expenses and Direct Taxes made pursuant to this paragraph, shall be paid by Tenant upon delivery of such statement to Tenant. In the event that Tenant has paid in any given year estimated increases beyond those later determined from actual reconciliation, then such over-payment shall be applied toward the next installments of Base Monthly Rental and Additional Rent until satisfied in full or, if the Lease terminates before all of such over-payment has been applied to Base Monthly Rental and Additional Rent due and payable hereunder, the balance of the over-payment shall be promptly refunded to Tenant.

(2) The amount of any increase in Operating Expenses and Direct Taxes payable by Tenant for the calendar year in which this Lease terminates shall be prorated on the basis which the number of days from and including the commencement of such calendar year to and including the date on which this Lease terminates bears to 365 and shall be due and payable when rendered notwithstanding termination of this lease.

(3) The term "Operating Expenses" as used herein shall mean all reasonable direct costs of operation, maintenance and management of the Office Portion of the Building (as hereinafter defined) which directly benefit the Building's operation, are generally accepted office building operational expenses and conform with generally accepted accounting practices. The term "Operating Expenses" as used herein shall exclude those costs which are the exclusive responsibility of Tenant or any other tenant of the building under this lease or other applicable leases including, without limitation, utility costs paid by Tenant pursuant to paragraph 18 hereof and maintenance costs paid by Tenant pursuant to Paragraph 36 hereof, which costs shall be clearly excluded on Landlord's statements to Tenant. By way of illustration, but not limitation, Operating Expenses shall include the direct and reasonable cost or charges for the following items: power, heat, light, water, sewer, steam, and other utilities (including without limitation any temporary or permanent utility surcharge or other exaction, whether now or hereafter imposed), waste disposal, janitorial services, stationary engineering services, lobby attendant services, window cleaning, air conditioning, materials and supplies, equipment and tools and service agreements on elevators, equipment, insurance premiums, licenses, permits and inspections, wages and salaries, related employee benefits and payroll taxes, accounting and legal expenses, management fees, depreciation on personal property, including, without limitation, window coverings, provided by Landlord and carpeting in public corridors and Common Areas, amortization of the capital cost of operating cost saving installations, depreciation or amortization of required capital improvements to Common Areas or Building systems serving Common Areas imposed by governmental regulation, and the cost of contesting the validity or applicability of any governmental enactments which may affect Operating Expenses. The cost of real estate brokerage commissions and promotions, and legal fees for document review and evictions shall not be included as Operating Expenses. Notwithstanding anything to the contrary above, Operating Expenses shall exclude those items described on the attached Exhibit "E."

The term "Direct Taxes" as used herein shall mean the Office Portion of the Building's share of all real property taxes and assessments, imposition, levies and fees on the Building and the land on which the Building is situated and shall also include all personal property taxes levied on the property used in the operation of the Building; taxes of every kind and nature whatsoever levied and assessed in lieu of, in substitution for, or in addition to, existing or additional real property taxes on the Building or land, whether or not now customary or within the contemplation of the parties hereto, other than taxes associated with Tenant equipment, furniture, fixtures and other personal property to the extent that Landlord is reimbursed therefor by Tenant or by an other tenant of the Building; taxes upon the gross or net rental income of Landlord derived from the Building and land (excluding, however, state and federal personal or corporate income taxes measured by the income of Landlord from all sources) and a reasonable cost to Landlord of contesting the amount or validity or applicability of any of the aforementioned taxes. Net recoveries through protest, appeals or other actions taken by Landlord in its discretion, after deduction of all costs and expenses, including counsel and other fees, shall be deducted from Direct Taxes for the year of receipt. Notwithstanding the foregoing, Direct Taxes shall exclude (i) franchise, transfer, inheritance, or capital stock taxes or income taxes measured by the net income of Landlord from

all sources unless, due to a change in the method of taxation, any of such taxes is levied or assessed against Landlord as a substitute for, or as an addition to, in whole or in part, any other tax that would otherwise include reasonable legal fees, costs, and disbursements incurred in connection with proceedings to contest, determine, or reduce Direct Taxes, (ii) any penalties, fines, interest or charges attributable to the late payment of any taxes, except to the extent the same is attributable to Tenant's failure to pay its portion of Direct Taxes hereunder, (iii) any personal property taxes payable by Tenant hereunder or by any other tenant or occupant of the Building. Any increase in "Direct Taxes" resulting from the re-assessment of the Building which is attributable to the sale or transfer of any interest in or title to the Building shall not be passed on to Tenant.

In calculating Operating Expenses of the Office Portion of the Building and Direct Taxes of the Office Portion of the Building, the parties recognize that the Building is a multi-use facility with large residential and retail areas. Certain expenses are shared by residential and retail areas and actual usage cannot be determined. The parties agree to the following allocations of total Building Operating Expenses and Direct Taxes to the Office Portion of the Building:

(i) Real estate taxes, licenses, gross receipts tax, landscaping, insurance, management fee, water, waste disposal, gas, administrative salaries and expense, public area maintenance and life safety maintenance: 40.06%

(ii) Electrical: From total electric charges paid by Landlord, deduct (a) apartment consumption, (b) apartment related equipment electric consumption listed on Rent Board Utility Pass Through, (c) retail and office tenant electrical reimbursements, (d) garage consumption, and (e) for Suite 210 only 39.9% of total electric charges, the percentage to which City and Landlord have stipulated as representing electrical costs for lighting and power outlets in office spaces of the Building. The remaining electrical cost shall be allocated to Office Portion.

(iii) Other expenses and taxes shall be prorated to Office Portion of the Building based upon invoice or identified use. If an item cannot be specifically identified to an area of the building, the proration method set forth in (i) above shall be used.

(4) The annual determination and statement of Operating Expenses and Direct Taxes as those terms are defined in subparagraph "C" above shall be made in reasonable detail and shall be certified by an accounting or auditing officer designated by Landlord. A copy of such determination shall be made available to Tenant upon demand. If Tenant contests such statement in writing within sixty (60) days after receipt thereof, Tenant shall have the right to audit the books and records of Landlord pertaining directly to the determination of Operating Expenses and Direct Taxes as are relevant to the Operating Expenses and Direct Taxes in question at the offices of Landlord and during regular business hours. Tenant shall keep (and shall cause its agents and employees conducting the audit to keep)

confidential any and all information contained in such books and records, except to the extent disclosure of such information is required by ordinance, statute, regulation, a court order or decision, or any other law. Any investigation of Operating Expenses and Direct Taxes conducted by Tenant shall be conducted for it by Tenant's Controller or by a so-called "Big Eight" accounting firm under a compensation arrangement that does not provide for incentive payments based upon the amount of savings that the audit procures. If Tenant does not give notice of intent to examine Operating Expenses and Direct Taxes within such sixty (60) day period, then the annual determination and statement of Operating Expenses and Direct Taxes as furnished by Landlord shall be conclusive and binding upon Tenant. The audit shall be binding on the parties; if the audit determines an over-payment by Tenant, Landlord shall promptly refund the amount of such overpayment to Tenant; if the audit determines an underpayment by Tenant, Tenant shall promptly pay the amount of such underpayment to Landlord. Should the audit determine an overcharging by Landlord of three (3%) percent or more of the amount determined by the audit to be chargeable to Tenant, then Landlord shall pay the cost of the audit; should the variance between the amount charged by Landlord and the amount determined by the audit to be chargeable to Tenant have a variance of less than three (3%) percent, then Tenant shall pay the cost of the audit. Landlord shall maintain at the Building in a safe and orderly manner all of its records pertaining to this Lease and Direct Taxes and Operating Expenses and any other charges paid by Tenant pursuant hereto, for a period of not less than three (3) years following expiration of the Term of this Lease. Landlord shall maintain such records on a current basis, and in sufficient detail to facilitate adequate audit and review thereof. All such books and records shall be available for inspection, copying and audit by Tenant and its representatives, at Tenant's expense, in accordance with the audit provisions above.

(5) The Base Year referred to hereinabove is defined as calendar year 1996; the Base Tax Year referred to hereinabove is defined as the tax payments payable during calendar year 1996, except that: (1) any tax or assessment resulting from a new tax or from an assessment district imposed after the date of execution of the herein Lease and which has an initial assessment date prior to January 1, 1997 shall be excluded from Direct Taxes of the Base Year and (2) in the event that Landlord is unable to deliver Suite 210 by January 31, 1997 plus the number of days of delay, if any, caused by City, labor stoppage, substantial material shortage for which there are no substitutions or natural disaster, the Base Year for Suite 210 shall be 1997 instead of 1996.

Tenant's Share, as referred to hereinabove, is defined as:

<u>Premises</u>	<u>Tenant's Share</u>	<u>Tenant's Rentable Area</u>
Suite 210	7.48%	14,549 s.f.
Suites 230, 820, 910	5.65%	10,977 s.f.

For purposes hereof, the Premises contain the rentable area of 25,526 square feet and the Office Portion of the Building contains a total rentable area of 194,361 square feet. As used herein,

the term "rentable area" shall mean that measurement of useable interior floor area computed in accordance with the "Standard Method for Measuring Floor Area in Office Buildings, the American National Standard" (ANSI Z65.1 1980, reaffirmed 1989), approved June 21, 1989 by American National Standard Institute Incorporated, and adopted by Building Owners and Managers Association International in 1980, multiplied by a load factor of 1.18.

The "Office Portion of the Building," as referred to herein, is defined as that portion of the Building on the first to the 12th floors, excluding the retail area on the first and second floors containing a rentable area of 38,077 square feet and the residential portion of the Building above the 12th floor and excluding the building garage.

C. Determination of Market Rental Value.

At the commencement of each of the Extended Terms, the Base Rent shall be adjusted to ninety-five percent (95%) of the Market Rental Value (the "Market Rental Value") for the Premises then demised. Market Rental Value shall be defined as the probable rental for space of comparable size and location to the Premises then being offered for rent in other buildings similar in age, location and quality to the Premises situated within the Civic Center area of San Francisco ("Reference Area"). The other provisions of this Lease to the contrary notwithstanding, in no event shall the Base Rent be reduced below the Base Rent and Additional Rent for the lease year prior to commencement of such Extended Terms. The term Market Rental Value shall mean the base rental for such comparable space, taking into account (i) any additional rental and all other payments and escalations payable hereunder including the Base Year and portions of the Premises that are separately metered, (ii) floor location and size of the premises covered by leases of such comparable space, (iii) the duration of the renewal term and the term of such comparable leases, (iv) free rent given under such comparable leases, moving allowances, lease take-over/assumptions and any other tenant concessions, and (v) building standard tenant improvement allowances and other allowances, if any, given under such comparable leases, the quality of property management of the comparable space, the time the particular rate under consideration became or is to become effective and any other relevant terms or conditions.

Landlord, no later than: (1) January 1, 2003 for the first Five-Year Extended Term; (2) January 1, 2008 for the second Five-Year Extended Term; (3) December 1, 1997 for the First Expansion Opportunity, as hereinafter defined; and (4) December 1, 1998 for the Second Expansion Opportunity, as hereinafter defined, shall provide City with a preliminary notice of Landlord's good faith best estimate of the Base Monthly Rental for the respective Extended Term or Expansion Opportunity as of the respective commencement date. Such Landlord's estimate of Base Monthly Rental will be provided to City for City's internal budgeting program only. Such estimate shall not be binding upon either City or Landlord.

Then, Landlord, not less than six (6) months before the commencement of each of the Extended Terms and within sixty (60) days of receipt of the RFL Notice pursuant to Paragraph 30 herein, shall submit to City in writing Landlord's determination of Market Rental Value for the Premises. The amount of Market Rental Value

submitted by Landlord shall become the monthly rental for the applicable period of said Lease term thirty (30) days after Landlord gives said determination in writing to City unless before the expiration of said thirty (30) day period City gives written notification to Landlord of City's determination of Market Rental Value. Such dispute shall be resolved as follows:

(1) Within thirty (30) days following City's written notice to Landlord of City's determination of the Market Rental Value, Landlord and City shall attempt in good faith to meet no less than two (2) times, at a mutually agreeable time and place, to attempt to resolve any such disagreement.

(2) If within this thirty (30) day period Landlord and City cannot reach agreement as to the Market Rental Value, they shall have thirty (30) days to meet and select an arbitrator who will determine the Market Rental Value. The arbitrator shall be a person who holds the senior professional designation awarded by one of the following professional groups: the American Institute of Real Estate Appraisers, the Society of Real Estate Appraisers, the American Society of Real Estate Counselors, the Institute of Real Estate Management, or the then pre-eminent real estate appraisal, counseling or management professional organization. In addition, the appraiser-arbitrator shall have at least five (5) years of current experience, within the Central Business District area of San Francisco, in the appraisal of market rental value in office buildings. If the parties are unable to agree upon such a person within thirty (30) days after the thirty (30) day period specified in subparagraph (a) above for the determination of Market Rental Value, then either party shall have the right to apply to the Presiding Judge of the Superior Court of the City and County of San Francisco, acting in his or her private, non-judicial capacity, to make the appointment. The appointment made by such Judge shall be final and binding upon the parties.

(3) The arbitration proceeding shall be conducted in accordance with American Arbitration Association rules or any other procedures to which the parties may agree with the arbitrator (except that the arbitrator shall be bound by the rules of law) and shall take place in San Francisco, California. As soon as convenient after appointment, the arbitrator shall meet with City and Landlord to hear evidence and argument on the determination of Market Rental Value. The arbitrator shall not be bound by the rules of evidence in the conduct of such proceeding, although the arbitrator shall take account of said rules in considering the weight of the evidence. The decision of the arbitrator shall conform to law and the arbitrator shall be entitled to retain an independent attorney to advise him or her as to such questions of law that may arise during the proceeding. In making a decision, the sole function of the arbitrator shall be to select Market Rental Value as proposed by City or Landlord. The arbitrator shall have no right to fashion an independent or different Market Rental Value nor to amend the terms of this Lease.

(4) Costs. Each party shall pay one-half (1/2) of the fees and costs of the arbitrator and all of its own costs and attorneys' fees in connection with the arbitration; provided, however, that at the end of the arbitration proceeding, the arbitrator shall award reasonable and necessary costs and attorneys' fees up to \$4,000 to the

prevailing party. The arbitrator's costs shall include the costs and fees of any attorney retained by the arbitrator.

(5) In the event that a final determination of the Market Rental Value of the Premises is not arrived at until after the applicable Lease Term shall have commenced, Tenant shall pay the greater of (1) Landlord's written submittal of Landlord's determination of the Market Rental Value, or (2) the same monthly rental per rentable square foot of the Premises monthly throughout the applicable Lease Term as was paid in the immediately preceding period, until such final determination is arrived at. Within thirty (30) days after such final determination is arrived at and the Board of Supervisors has approved such Extension Option or Expansion Option, Landlord shall pay to Tenant, retroactively for the period until the date of such determination, the excess rental (if any) actually received by Landlord over the rental payable pursuant to such determination.

(6) If City's Director of Property does not approve of the Market Rental Value as determined by the arbitration procedure specified above, the Director of Property shall revoke the exercise of the respective Extension Option or Expansion Opportunity by City.

7. **SURRENDER.**

Tenant agrees to surrender the Premises at the termination of the tenancy herein created, in the same condition as herein agreed they have been received, except for reasonable use and wear thereof and damage by the act of God, the elements, fire or any other casualty not caused by Tenant. Upon termination of this Lease, Tenant shall remove from the Premises all of its personal property described in paragraph 14 below and any Tenant Work City is required to remove from the Premises pursuant to the provisions of paragraph 14 hereof. Tenant shall repair or pay for the cost of repairing any damage to the Premises or the Building resulting from such removal. Tenant shall not be obligated to remove or demolish any of the Tenant Improvements. The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, shall not work a merger and shall at the option of Landlord, terminate all of any existing subleases or subtenancies, or may, at the option of Landlord, operate as an assignment to him of any or all such subleases or subtenancies, in the absence of any other agreement between Landlord and Tenant or such subtenants.

8. **HOLDING OVER.**

If Tenant holds possession of the Premises after the Term of this Lease, Tenant shall, at the option of Landlord to be exercised by Landlord's giving written notice to Tenant, become a tenant from month to month upon the terms and conditions herein specified, so far as applicable, at a Base Monthly Rental equal to prevailing fair market rent but in no event less than 125% of the sum of Base Monthly Rental and Additional Rent payable for the final month of the Term, payable as if the Term of this Lease had been extended. Tenant shall continue to be such tenant until thirty (30) days after Tenant shall have given to Landlord or Landlord shall have given to Tenant a written notice of intention to terminate such month-to-month tenancy. Unless Landlord shall consent to the holdover tenancy as provided above, Tenant shall be a tenant at sufferance only, whether or not

Landlord shall accept any rent from Tenant while Tenant is so holding over.

9. **DELIVERY OF POSSESSION.** In the event of the inability of Landlord to deliver possession of the Premises at the time of the commencement of the Term of this Lease in the condition required hereunder, neither Landlord nor its agents shall be liable for any damage caused thereby, nor shall this Lease thereby become void or voidable, nor shall the Term herein specified be in any way extended, but in such event Tenant shall not be liable for any Base Monthly Rental, Additional Rent or other charges until such time as Landlord can deliver possession in accordance with the provisions of this Lease. However, if Landlord is unable to deliver possession of all of the Premises to City as required hereunder on or before June 30, 1997, then City may, at its option, terminate this Lease in its entirety or, at City's option, terminate the Lease as to that portion of the Premises which has not been delivered, without any further liability hereunder, upon written notice to Landlord not later than August 1, 1997.

10. **USE.** The Premises are to be used for administrative offices of the San Francisco Public Health Department, Bureau of Environmental Health Management and for no other purpose without the written consent of Landlord. The Premises shall not be used for a medical, counseling clinic or drug treatment facility or for an employment agency or high volume public visitation. Landlord is familiar with City's current operations and finds such operations acceptable. There will be some public visitation and processing, and City has agreed to limit such functions primarily to the second floor tower section of the Premises. Rental is based upon normal, weekday hours of operation. Any laboratory work would be subject to safeguarding of Building tenants' and employees' health and protection of building systems; any reasonable additional costs related to such protection or ventilation would be reimbursed by Tenant. Tenant shall not do or permit anything to be done in or about the Premises, nor bring nor keep anything therein which will in any way materially increase or cause a cancellation or a policy exclusion of fire or other insurance upon the Building, or any of its contents, or which shall violate any law, ordinance, rule or regulation affecting the occupancy and use of the Premises, which is or may hereafter be enacted or promulgated by any public authority, or obstruct or interfere with the rights of other tenants of the Building, or injure or annoy them, nor use, nor allow the Premises, to be used, for any improper, immoral, unlawful or objectionable purpose, or for any kind of eating house, or for sleeping purposes, or for washing clothes, or cooking therein (except for microwave cooking in the kitchens), and nothing shall be prepared, manufactured, or mixed in the Premises which would emit an odor into the corridors of the Building. Tenant shall be solely responsible and liable for any medical wastes. Tenant will not, without the written consent of Landlord, either (1) use any apparatus or device in connection with the Premises which will injure, vibrate or shake the Premises or materially increase the amount of electricity or water usually furnished or supplied to the Premises, or (2) connect with the water pipes any apparatus or device for the purpose of using water.

Landlord shall maintain the Building in a good, clean and safe manner and shall not permit any other tenants of the Building to disturb

or interfere with Tenant's use of the Premises or permit to be done in or about the Building anything that is illegal, will be dangerous to life or limb or will constitute a nuisance to Tenant, its agents, contractors, officers, employees and invitees.

If Tenant's use of any of the Premises is interrupted as a result of the Premises' being rendered unsafe for human occupancy due to Landlord's failure to comply with its obligations under this Lease or for any other reason, then, without limiting any of Tenant's other rights or remedies hereunder or at law or in equity, Landlord shall immediately undertake all necessary steps to correct such condition, and, in the event such condition continues for five (5) days, the Base Monthly Rental and Additional Rent shall be subject to abatement based on the extent to which such default materially interferes with Tenant's ability to conduct normal administrative office operations in the Premises. If any such condition shall continue for thirty (30) days or more after Landlord has been advised in writing by Tenant ("Tenant's Notice") and shall materially impair Tenant's ability to carry on its business in the Premises, then Landlord shall promptly provide Tenant with its good faith estimate of the time required to restore the Premises or eliminate the condition ("Landlord's Notice"). If Tenant's normal and safe use of the Premises cannot be restored within ninety (90) days of the date City's use was interrupted, then Tenant may, without limiting any of its other rights or remedies hereunder or at law or in equity, by written notice ("Termination Notice") given to Landlord within one hundred (100) days after the date of Tenant's Notice, terminate this Lease as of the date specified in such Termination Notice, which date shall be not less than thirty (30) nor more than ninety (90) days after the date of Landlord's Notice.

11. **RULES.** Tenant shall faithfully observe and comply with the rules and regulations that Landlord shall promulgate from time to time for the safety, care and cleanliness of the Premises and the preservation of good order thereon, as provided below. The current rules and regulations for the Premises are attached hereto as Exhibit "D" (the "Rules and Regulations") and are hereby expressly made a part hereof. Any reasonable additions or modifications thereto by Landlord shall be binding upon Tenant upon Landlord's delivery to Tenant of a copy thereof, provided that such additions or modifications shall not reduce the obligations of Landlord hereunder nor materially interfere with Tenant's use of the Premises, and such additions or modifications must be applicable to other office tenants in the Building. Landlord agrees to administer the Rules and Regulations in a fair and nondiscriminatory manner, and to cause other tenants or occupants to comply with the Rules and Regulations.

12. **ASSIGNMENT AND SUBLETTING.** Tenant will not assign, mortgage or hypothecate this Lease, or any interest therein, or permit the use of the Premises by any person or persons other than Tenant, or sublet the Premises, or any part thereof, without the written consent of Landlord, provided that Tenant may assign this Lease or sublet the Premises to any other department or agency of the City and County of San Francisco for administrative office use by giving Landlord written notice thereof so long as such administrative office use by any such other City department or agency shall not (i) include psychological or substance abuse counseling, medical treatment, correctional, police or probation work as part of the business

conducted on the Premises, (ii) involve substantial walk-in visitation from the general public without appointments (such as a welfare or recorder's office) or (iii) cause a material increase in the demands upon the utilities, services or Common Areas of the Building. Consent to any assignment or subletting requiring Landlord's consent as provided above shall not operate as a waiver of the necessity for such a consent to any subsequent assignment or subletting, and the terms of such consent shall be binding upon any person holding by under or through Tenant. Landlord shall not unreasonably withhold its consent to subletting or assigning the Premises, subject to the following provisions:

(a) If Tenant desires at any time to assign this Lease or sublet all or any portion of the Premises, Tenant shall first notify Landlord at least sixty (60) days prior to the proposed effective date of the assignment or sublease, in writing, of its desire to do so and shall submit in writing to Landlord (1) the name of the proposed subtenant or assignee, (2) the nature of the proposed subtenant's or assignee's business to be carried on in the Premises, (3) a copy of the proposed sublease or assignment and (4) financial statements for the two most recent completed fiscal years of the proposed subtenant or assignee, and a bank and landlord reference. Thereafter, Tenant shall furnish such supplemental information as Landlord may reasonably request concerning the proposed subtenant or assignee. At any time within fifteen (15) days after Landlord's receipt of the information specified above, Landlord may by written notice to Tenant elect to (1) terminate this Lease not less than forty-five (45) nor more than ninety (90) days after the end of such fifteen (15) day period as to the portion of the Premises so proposed to be assigned or subleased, with a proportionate abatement in rent payable hereunder, (2) consent to the sublease or assignment, or (3) reasonably disapprove of the sublease or assignment, setting forth in writing Landlord's grounds for so doing. Such grounds may include, without limitation, a material increase in the impact upon the Common Areas of the Building, a material increase in the demands upon the utilities and services supplied by Landlord, a possible material adverse effect upon the reputation of the Building from the nature of the business to be conducted, or a reputation for financial reliability on the part of the proposed subtenant or assignee which is unsatisfactory in the reasonable judgment of Landlord. If Landlord consents to the sublease or assignment within the fifteen (15) day period or if Landlord takes no action within that period, Tenant may thereafter enter into such assignment or sublease of the Premises, or a portion thereof, upon the terms and conditions and as of the effective date set forth in the information furnished by Tenant to Landlord.

(b) Each permitted assignee, transferee or sublessee, other than Landlord, shall assume and be deemed to have assumed this Lease and shall be and remain liable jointly and severally with Tenant for the payment of the rent and for the due performance or satisfaction of all of the provisions, covenants, conditions and agreements herein contained on Tenant's part to be performed or satisfied. No permitted assignment shall be binding on Landlord unless such assignee or Tenant shall deliver to Landlord a counterpart of such assignment which contains a covenant of assumption by the assignee, but the failure or refusal of the assignee to execute such instrument of assumption shall not release or discharge the assignee from its liability as set forth above.

(c) Any notice by Tenant to Landlord pursuant to subparagraph 12(a) of a proposed assignment or subletting that requires Landlord's consent, shall be accompanied by a payment of \$350 as a non-refundable fee for Landlord's time and the processing of Tenant's request for Landlord's consent. In the event that Tenant should sublease to another tenant, Tenant shall pay to Landlord monthly on or before the first of each month one-half of the excess rent received from such subtenant or subtenants over and above the concurrent underlying rent payable by Tenant to Landlord for that portion of the Premises being sublet to such other tenant or tenants. Tenant shall furnish Landlord with a true signed copy of such sublease or subleases and any supplementary agreements or amendments thereto, within five (5) days after their respective execution.

13. **SALE.** If Landlord sells or conveys the Building containing the Premises and the successor-in-interest of Landlord expressly assumes the terms, covenants and conditions of this Lease in writing, then upon notice to Tenant of the name and address of Landlord's successor, Landlord shall be released thereby from any future liability upon any of such terms, covenants and conditions upon receipt of a copy of such assumption, and Tenant agrees to look solely to the responsibility of such successor-in-interest of Landlord for claims arising on or after the date of the transfer.

14. **MAINTENANCE AND REPAIRS; ALTERATIONS.** Tenant has examined and inspected and knows the condition of the Premises and every part thereof and, subject to the provisions of paragraph 5 hereof, the Work Letter and the Plan (Exhibits "F" and "G"), accepts the Premises in their present "as is" condition. Tenant shall maintain the interior portions of the Premises and shall keep the Premises in good working order and in a safe and sanitary condition, subject to Landlord's obligations hereunder and except for ordinary wear and tear and damage by casualty. Tenant shall not alter, repair or change the Premises without the prior written consent of Landlord. However, installation of furnishings, fixtures, equipment or decorative improvements, none of which affect the Building systems or structural integrity of the Premises, shall not constitute an alteration requiring Landlord's consent for purposes hereof. Tenant waives the provisions of California Civil Code Section 1932(1), 1941 and 1942 with regard to Landlord's obligation for tenantability of the Premises and Tenant's right to make repairs at Landlord's expense. Tenant, with prior written approval by Landlord, shall have the right during the Term hereof to make alterations, attach fixtures and erect additions or structures ("Tenant Work") in or upon the Premises provided the same shall not be detrimental to the structural integrity or appearance of the Building. All Tenant Work shall at once become part of the realty and belong to Landlord. Movable furniture and equipment and other items of personal property shall remain the property of Tenant. However at Landlord's election, Tenant shall, at Tenant's expense, remove any or all Tenant Work and restore the Premises to the condition before the last day of the Term if Landlord requires such removal at the time of Landlord's consent to any such Tenant Work as provided below. At least thirty (30) days before the commencement of Tenant Work, Tenant shall submit to Landlord reproducible plans, specifications, and product samples of the proposed Tenant Work for Landlord's review and consent. Tenant shall be responsible to assure that the Tenant Work shall include properly engineered modifications to Landlord's air conditioning, lighting, fire sprinkler and life safety

systems and shall comply with all governmental regulations, including life safety, handicap and seismic requirements applicable to such Tenant Work, which compliance shall be done at Tenant's sole cost and expense. Repair of all damage or injury done to the Premises by Tenant, or by any person who may be in or upon the Premises with the consent of Tenant, shall be paid for by Tenant. To the extent permissible under applicable laws, Tenant shall not at any time prior to or during the Term hereof, either directly or indirectly, use any contractors, labor or materials whose use would conflict with union contractors or labor engaged by Tenant or by Landlord or by others in the construction, maintenance, or operation of the demised Premises or the Building.

Landlord shall maintain in first-class condition consistent with other Class A office buildings in the Civic Center area, the exterior and structural portions of the Building (including, without limitation, the roof, foundation, bearing and exterior walls and subflooring), the windows in the Building, the Common Areas of the Building, and the heating, ventilating, air conditioning, plumbing, electrical, fire protection, life safety, security and other mechanical, electrical and communications systems of the Building (collectively, the "Building Systems"), except for damage occasioned by the act of Tenant, which damage, upon Landlord's request, shall be repaired by Tenant at Tenant's expense. Landlord shall maintain the Common Areas of the Building and the Building Systems in compliance with all applicable earthquake, life safety and disability access laws and all other applicable laws, rules and regulations of all governmental authorities, including, without limitation, the Americans with Disabilities Act, so long as Tenant is using the Premises for their intended purpose and the repairs are not made necessary due to the negligence or willful misconduct of Tenant or by any Tenant Work made by or on behalf of Tenant to the Premises. The foregoing sentence notwithstanding, Landlord shall retain any right to which it may be entitled to contest or appeal an interpretation of said laws, rules and regulations prior to compliance. Tenant shall maintain its use of the Premises in compliance with all applicable laws, statutes and regulations, except that Tenant shall not be required to make any structural or non-structural alterations in order to comply therewith unless such alterations shall be necessitated by Tenant's unique use of the Premises or any Tenant Work made by or on behalf of Tenant to the Premises.

15. **DAMAGE OR DESTRUCTION.** If during the Term the Premises or any major Building System, e.g. mechanical or electrical, is totally or partially damaged or destroyed from any cause, rendering the Premises totally or partially inaccessible, untenable or unusable, Landlord shall restore the Premises (including the Tenant Improvements) to substantially the same condition as they were in immediately before destruction, provided the restoration can be made under the existing laws, after Landlord obtains all necessary permits for such restoration, but in no event shall the restorations be completed later than two hundred ten (210) days after the date of destruction.

In such event, this Lease shall remain in full force and effect; provided, however, unless such damage is the result of the negligence or willful misconduct of Tenant or Tenant's employees or invitees, Tenant shall be entitled to a proportionate reduction of Base Monthly Rental and Additional Rent while such repairs to be

made hereunder by Landlord are being made. Such proportionate reduction shall be based upon the extent to which such damage and the making of such repairs by Landlord shall interfere with Tenant's ability to conduct normal administrative office operations in the Premises.

Within thirty (30) business days after the date of such damage, Landlord shall notify Tenant whether or not, in Landlord's reasonable judgment made in good faith, such repairs can be made within two hundred ten (210) days after the date of such damage. If such repairs cannot be made within such two hundred ten (210) day period, then either party may, by written notice to the other given at any time within one hundred (100) business days after the date of such notice, terminate this Lease as of the date specified in such notice, which date shall be not less than thirty (30) nor more ninety (90) business days after the date of Landlord's notice. If Tenant fails to terminate this Lease and if restoration is permitted under the existing laws, Landlord, at its election, can either terminate this Lease by written notice to Tenant within fifteen (15) days after the date for Tenant to elect to terminate this Lease as provided above, or restore the Premises within a reasonable time and this Lease shall continue in full force and effect. If the existing laws do not permit the restoration, either party can terminate this Lease immediately by giving notice to the other party. In case of termination, the Base Monthly Rental and Additional Rent shall be reduced by a proportionate amount based upon the extent to which such damage interferes with the conduct of City's business in the Premises, and City shall pay such reduced Base Monthly Rental and Additional Rent up to the date of termination. Landlord shall refund to City any Base Monthly Rental and Additional Rent previously paid for any period of time subsequent to such date of termination.

Provided that the events are not the result of Landlord's or its authorized representatives' active negligence or willful misconduct, Landlord shall not be required to repair any injury or damage by fire or other cause, or to make any restoration or replacement of any Tenant Work made by or on behalf of Tenant (unless Landlord's insurance covers the same) or of any of Tenant's personal property including, but not limited to, any decorations, partitions, railings, or office fixtures. Except as provided above, Tenant shall be responsible for restoring or replacing such Tenant Work and personal property in the event of damage if Tenant desires to repair or restore the same. Except for any abatement of Base Monthly Rental and Additional Rent, Tenant shall have no claim against Landlord for any damage suffered by reason of any such damage, destruction, repair or restoration (except to the extent of events that result from Landlord's or its employees, contractors, agents or authorized representatives' willful misconduct or negligent acts or omissions), nor shall Tenant have the right to terminate this Lease as the result of any statutory provision now or hereafter in effect pertaining to the damage and destruction of the Premises or the Building, except as expressly provided herein. Tenant hereby waives the provisions of Sections 1932(2) and 1933(4) of the California Civil Code.

Tenant hereby agrees that Landlord shall not be liable for injury to Tenant's business or any loss of income therefrom or for damage to the goods, wares, merchandise or other property of Tenant, Tenant's employees, agents or contractors, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, or from the breakage, leakage, obstruction or other defects of pipes,

sprinklers, wires, appliances, plumbing, air-conditioning or lighting fixtures, or from any other cause, whether such damage or injury results from conditions arising upon the Premises or upon other portions of the Building, or from other sources or places, and regardless of whether the cause of such damage or injury or the means of repairing the same is inaccessible to Tenant except to the extent that such events are the result of Landlord's or its employees, contractors, agents or authorized representatives' willful misconduct or negligent acts or omissions or breach of Landlord's obligations hereunder. Landlord shall not be liable for any damages arising from any act or neglect of any other tenant of the Building.

Notwithstanding the foregoing, in the event the Premises are damaged or destroyed by reason of earthquake or flood, and such damage or destruction is not fully covered by insurance proceeds payable under the insurance policies Landlord is required to carry hereunder (excluding any deductible, for which Landlord shall be responsible), Landlord may terminate this Lease by written notice to City within thirty (30) days of the date Landlord receives written notice that such damage is not covered by insurance. If Landlord does not elect to terminate this Lease as provided above, the Lease shall remain in full force and effect, and Landlord shall repair and restore the Premises as provided above.

If at any time during the last six (6) months of the Term of this Lease there is substantial damage (that is damage that would take more than two months to repair) that Landlord would be required to repair hereunder, Landlord or City may, at the respective option of each, terminate this Lease with respect to the floor affected by the damage as of the date such damage occurred by giving written notice to the other party of its election to do so within thirty (30) days after the date of such damage.

16. **ENTRY.**

Landlord reserves and shall at all reasonable times and with reasonable advance notice of not less than 24 hours (except in emergency situations, in which case Landlord shall use efforts to give notice as appropriate under the circumstances) have the right to enter the Premises: to inspect the same; to supply any service to be provided by Landlord to Tenant hereunder (except that no advance notice will be required for any regularly scheduled service, such as regular janitorial service and building engineering); to submit the Premises to prospective purchasers or tenants; to post notices of non-responsibility and for "for lease" or "for sale" signs; and to alter, improve or repair the Premises and any portion of the Building and may for that purpose erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed, always providing the entrance to the Premises shall not be blocked thereby, and further providing that the business of Tenant shall not be unreasonably interfered with. In connection therewith, Landlord agrees to perform such alterations, improvements and repairs to the Premises or any portion of the Building in an expeditious manner calculated to least interfere with Tenant's business operations at the Premises. Unless a claim arises due to Landlord's negligence or willful misconduct or breach of Landlord's obligations under this Lease, Tenant hereby waives any claim for damages for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises, and any other loss occasioned thereby. For the purpose of access as provided above, Landlord shall at all times have and retain a key with which to unlock

all of the doors in, upon and about the Premises, excluding Tenant's vaults and safes, and Landlord shall have the right to use any and all means which Landlord may deem proper to open such doors in an emergency, in order to obtain entry to the Premises, and any entry to the Premises obtained by Landlord by any of such means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of the Premises, or an eviction of Tenant from the Premises or any portion thereof; with the further understanding that if Landlord gains access by forcible entry (unless at the request of Tenant), Landlord, at its sole expense, shall repair the doors and any other damage to the Premises to the same condition as before such entry and will take the necessary steps to protect and safeguard the Premises until permanent repairs are made. All extraordinary cost and expenses incurred by Tenant as a result of the exercise by Landlord of its right of entry hereunder shall be borne by Landlord unless Tenant requests Landlord to enter the Premises, or except on account of a default by Tenant under the Lease, in which case such costs and expenses shall be borne by Tenant. As used herein, "extraordinary costs and expenses" refers to the costs and expenses not normally incident to the conduct of Tenant's business operations in the Premises, such as the provision of additional security, or provision of additional electrical or HVAC service.

17. **HOLD HARMLESS.**

To the fullest extent permitted by law, Landlord shall not be liable to Tenant for any damage to Tenant or Tenant's property from any cause except as otherwise provided in this Lease and except for the willful misconduct and negligent acts and omissions of Landlord, its officers, employees, agents, contractors and representatives or occasioned directly by Landlord's breach of its obligations under this Lease.

To the fullest extent permitted by law, Tenant shall hold Landlord and Landlord's officers, agents and employees harmless from, and shall defend them against, any and all claims, direct or vicarious liability, damage or loss arising out of: (a) any injury to or death of any person or damage to or destruction of any property occurring in or on the Premises, or any part thereof, (b) any default by Tenant in the observance or performance of any of the terms, covenants or conditions of this Lease to be performed by Tenant hereunder, or (c) any willful misconduct or negligent acts or omissions of Tenant, its employees, agents, representatives and contractors in, or its invitees or visitors on or about the Premises. The foregoing indemnity obligation of Tenant shall exclude only claims, liability, damage or loss to the extent that they result from the active negligence or willful misconduct of Landlord or Landlord's officers, employees, agents, contractors and authorized representatives and which are not caused by Tenant's actions. The provisions of this paragraph shall survive the termination of this Lease, with respect to any damage, destruction, injury or death occurring prior to such termination.

To the fullest extent permitted by law, Landlord shall hold Tenant and Tenant's officers, agents and employees harmless from, and shall defend them against, any and all claims, direct or vicarious liability, damage or loss arising out of: (a) any injury to or death of any person or damage to or destruction of any property occurring in or on the Common Areas of the Building, (b) any default by Landlord in the observance or performance of any of the terms, covenants or conditions of this Lease to be performed by Landlord hereunder, or (c) any willful misconduct or negligent acts or omissions of Landlord, its employees, agents, representatives and contractors in, on or about the Premises. The foregoing indemnity obligation of Landlord shall exclude only claims, liability, damage or loss to the extent that they result from the active negligence or willful misconduct of Tenant or

Tenant's officers, employees, agents, contractors and authorized representatives and which are not caused by Landlord's actions. The provisions of this paragraph shall survive the termination of this Lease, with respect to any damage, destruction, injury or death occurring prior to such termination.

18. **SERVICES AND UTILITIES.** Provided Tenant shall not be in default hereunder, and subject to the provisions elsewhere herein contained and to the Rules and Regulations of the Building, Landlord agrees to furnish to the Premises from 7:30 a.m. to 5:15 p.m., Monday through Friday (exclusive of Saturdays, Sundays and legal holidays) heating and air conditioning in the amount necessary in Landlord's reasonable judgment and consistent with standards in comparable quality office buildings for the comfortable use and occupancy of the Premises for Tenant's business operations. Passenger elevator service, electric current and water will be available twenty-four (24) hours a day, 365 days a year. Landlord shall also furnish to Tenant janitorial supplies and services and scavenger service in accordance with the standards attached hereto as Exhibit "C." Freight elevator service shall be available upon Tenant's reasonable advance oral request, in accordance with the Rules and Regulations. Landlord shall also furnish lobby attendant service consisting of a lobby attendant stationed in the lobby of the Building by the elevators serving the Premises, on a twenty-four (24) hours a day, 365 days a year basis. All services provided by Landlord under this Lease shall be furnished in a manner consistent with such services normally provided in other Class A office buildings similar to the Building in the San Francisco Civic Center area as of the Commencement Date of this Lease. Notwithstanding the above, services shall be provided to Storage Spaces D, E, and F only as set forth in Paragraph 34 hereof.

Suite 210 shall be separately metered for electricity for power other than central mechanical, elevator and common area power, at Landlord's sole expense. Tenant shall pay directly to the local public utility, prior to delinquency, all charges for electricity for such portions of the Premises. Any interruption of service due to non-payment of such utility bills by Tenant shall not be deemed an interruption of an Essential Service as set forth below. If the local public utility shall for any reason cease to separately meter electricity for the Premises, Landlord shall submeter such electrical usage and Tenant shall agree to reimburse Landlord monthly at Landlord's average cost per kilowatt hour which reimbursement shall be deemed "Additional Rent" as set forth herein.

Except as provided below, Landlord shall not be in default hereunder or be liable for any damages directly or indirectly resulting from, nor shall the rental herein reserved be abated by reasons of (i) the installation, use or interruption of use of any equipment in connection with the furnishing of any of the foregoing utilities and services, (ii) failure to furnish or delay in furnishing any such utilities or services when such failure or delay is caused by Acts of God or the elements, labor disturbances of any character, any other accidents or other conditions beyond the reasonable control of Landlord, or by the making of repairs or improvements to the Premises or to the Building, or (iii) the limitation, curtailment, rationing or restriction on use of water or electricity, gas or any other form of energy or any other service or utility whatsoever serving the Premises or the Building in

compliance with any mandatory or voluntary governmental laws, ordinances, regulations or requirements.

In the event Landlord is unable to supply any of the Building's sanitary, electrical, heating, air conditioning, water or other essential services serving the Premises (collectively, "Essential Services") and such inability of Landlord materially impairs Tenant's ability to conduct normal administrative office operations in the Premises for a period of three (3) or more consecutive days after notice from Tenant if such failure is in the reasonable control of Landlord, or a period of five (5) or more consecutive days after notice from Tenant if such failure is not within the reasonable control of Landlord, then the Base Monthly Rental and additional charges hereunder shall be abated based on the extent such inability of Landlord materially impairs Tenant's ability to conduct normal administrative office operations in the Premises. Such abatement shall continue until the Essential Services have been restored so that the lack of any remaining services no longer materially impairs Tenant's ability to conduct normal administrative office operations in the Premises. Landlord shall use its reasonable diligence to restore disrupted Essential Services as soon as possible. If any such condition shall continue for thirty (30) days or more after Landlord has been advised in writing, then Landlord shall promptly provide written notice to Tenant with its good faith estimate of the time required to restore the disrupted Essential Services. If such Essential Services cannot be restored within ninety (90) days of the date such services were interrupted and such failure materially interferes with Tenant's ability to conduct normal administrative office operations in the Premises, then Tenant may, without limiting any of its other rights or remedies hereunder or at law or in equity, by written notice given to Landlord within one hundred (100) days after the date such Essential Services were disrupted, terminate this Lease as of the date specified in such notice, which date shall be not less than thirty (30) nor more than ninety (90) days after the date of Landlord's notice. Tenant shall not be entitled to any abatement of Base Monthly Rental and additional charges or right to terminate if Landlord's inability to supply Essential Services to Tenant is due to the acts, omissions or negligence of Tenant, its employees, officers, contractors, agents or representatives.

19. **DEFAULT.**

The failure to perform or honor each covenant, condition and representation made under this Lease shall constitute a default hereunder by Tenant upon expiration of the appropriate grace period hereinafter provided. Tenant shall have a period of ten (10) days from the date of written notice from Landlord within which to cure any default in the payment of Base Monthly Rental or other money hereunder, provided that for the first two (2) payments of Base Monthly Rental and Additional Rent at the beginning of each new fiscal year for City, City shall have twenty (20) days to cure any such nonpayment after the payment of Base Monthly Rental and Additional Rent is due. Tenant shall have a period of thirty (30) days after written notice from Landlord within which to cure any other default under this Lease, provided, however, that with respect to defaults which cannot be reasonable cured within thirty (30) days, the default shall not be deemed to be uncured if Tenant commences to cure within thirty (30) days from Landlord's notice and continues to prosecute diligently the curing thereof. Such notices shall be coincident with and not in addition to any required for an unlawful detainer. Upon an uncured default of this Lease by Tenant, Landlord

shall have the following rights and remedies in addition to any other rights or remedies available to Landlord at law or in equity:

(a) The rights and remedies provided by California Civil Code Section 1951.2, including but not limited to, recovery of the worth at the time of award of the amount by which the unpaid rent for the balance of the Term after the time of award exceeds the amount of rental loss for the same period that the Tenant proves could be reasonably avoided, as computed pursuant to Section 1951.2(b);

(b) The rights and remedies provided by California Civil Code Section 1951.4, that allows Landlord to continue this Lease in effect and to enforce all of its rights and remedies under this Lease, including the right to recover rent as it becomes due, for so long as Landlord does not terminate tenant's right to possession, if Tenant has the right to sublet or assign, subject only to reasonable limitations. Acts of maintenance or preservation, efforts to relet the Premises or the appointment of a receiver upon Landlord's initiative to protect its interest under this Lease shall not constitute a termination of Tenant's right to possession. If Tenant has vacated the Premises and Landlord exercises its rights under California Civil Code Section 1951.4, Landlord may from time to time sublet the Premises or any part thereof for such term or terms (which may extend beyond the Term of this Lease) and at such rent and such other terms as Landlord may obtain on the market, with the right to make alterations and repairs to the Premises. Upon each such subletting, (i) Tenant shall be immediately liable to pay to Landlord, in addition to Monthly Base Rent and Additional Rent hereunder, any commercially reasonable real estate commissions paid by Landlord in connection with such subletting and the commercially reasonable cost of such subletting and such alterations and repairs incurred by Landlord and the amount, if any, by which the Monthly Base Rent and Additional Rent owing hereunder for the period of such subletting (to the extent such period does not exceed the Term hereof) exceeds the amount agreed to be paid as Base Monthly Rental and Additional Rent for the Premises for such period pursuant to such subletting or (ii) at the option of Landlord, rents received from such subletting shall be applied first, to payment of any indebtedness other than rent due hereunder, from Tenant to Landlord; second, to the payment of any costs of such subletting and of such alterations and repairs; third, to payment of Base Monthly Rental and Additional Rent due and unpaid hereunder; and the residue, if any, shall be held by Landlord and applied in payment of future Base Monthly Rental and Additional Rent as the same becomes due hereunder. If Tenant has been credited with any rent to be received by such subletting under option (i) above and such rent shall not be promptly paid to Landlord by the subtenant(s), or if such rentals received from such subletting under option (ii) during any month be less than that to be paid during that month by Tenant hereunder, Tenant shall pay any such deficiency to Landlord. Such deficiency shall be calculated and paid monthly. No taking possession of the Premises by Landlord shall be construed as an election on its part to terminate this Lease unless a written notice of such intention be given to Tenant. Notwithstanding any such subletting without termination, Landlord may at any time thereafter elect to terminate this Lease for such previous breach;

(c) The right to terminate this Lease by giving

notice to Tenant in accordance with applicable law;

(d) The right and power to enter the Premises and remove therefrom all persons and property, to store such property in a public warehouse or elsewhere at the cost of and for the account of Tenant, and to sell such property and apply the proceeds therefrom, pursuant to applicable California law; and

(e) The right to have a receiver appointed for Tenant, upon application by Landlord, to take possession of the Premises and to apply any rental collected from the Premises and to exercise all other rights and remedies granted to Landlord pursuant to applicable law.

20. **INSURANCE.**

Tenant shall, at its sole cost and expense, obtain and keep in force during the Term of this Lease as it may be extended, liability and property damage insurance with limits of not less than \$5,000,000 to protect Landlord and Tenant against liability to the public and property, incident to the use of or resulting from any accident occurring in, on or about the Premises and facilities, to indemnify against the claims of one or more persons. Such insurance described above shall be issued by companies qualified to do and doing business in the State of California, rated at least "A plus XV" by Best's Insurance Reports and as may be approved by Landlord, shall name Landlord as an additional insured, shall be primary and noncontributing with any insurance which may be carried by Landlord, and shall provide that such policy(ies) cannot be canceled or altered without thirty (30) days prior written notice to Landlord. Within ten (10) days of Landlord's execution of this Lease, each such policy or official policy duplicate(s) or official certificate(s) thereof shall be submitted to Landlord for Landlord's review and approval and for Landlord's retention. Should Tenant fail to provide policy(ies) or certificate(s) or renewals thereof, Tenant shall be in default under the terms, covenants and conditions of this Lease.

Notwithstanding the foregoing paragraph, City, but not City's assignee or sublessee (unless another department or agency of the City of San Francisco), may elect not to carry such insurance, thereby being "self-insured," provided that Tenant shall notify Landlord in writing of such election. Landlord hereby acknowledges that Tenant has elected as of the Commencement Date to self-insure and no further notice of such election shall be required. Nothing herein shall limit indemnity made by Tenant in favor of Landlord in paragraph 17 above.

At all times during the Term, Landlord shall keep the Building (excluding the land upon which it is located) insured against damage and destruction by fire, vandalism, malicious mischief, sprinkler damage and other perils customarily covered under an all risk insurance policy in an amount equal to one hundred percent of the full insurance replacement value (replacement cost new, including, debris removal and demolition) thereof. Such insurance coverage shall include the Tenant Improvements. Landlord shall, prior to the Commencement Date and thereafter prior to any expiration of such policy, provide to City an original certificate of insurance issued by the insurance carrier, evidencing the insurance required above. The certificate shall expressly provide that the policy is not cancelable or

subject to reduction of coverage or otherwise be subject to modification except after thirty (30) days prior written notice to Tenant.

21. EMINENT DOMAIN.
have the following meanings:

For purposes hereof, the following terms shall

"Taking" means a taking or damaging, including severance damage, by eminent domain, inverse condemnation or for any public or quasi-public use under law. A Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation or in settlement of a condemnation action.

"Date of Taking" means the earlier of (i) the date upon which title to the portion of the Property taken passes to and vests in the condemnor or (ii) the date on which Tenant is dispossessed.

"Award" means all compensation, sums or anything or value paid, awarded or received for a Taking, whether pursuant to judgment, agreement, settlement or otherwise.

A. General. If during the Term or during the period between the execution of this Lease and the Commencement Date, there is any Taking of all or any part of the Premises or any interest in this Lease, the rights and obligations of the parties hereunder shall be determined pursuant to this Section. City and Landlord intend that the provisions hereof govern fully in the event of a Taking and accordingly, the parties each hereby waive any right to terminate this Lease in whole or in part under Sections 1265.120 and 1265.130 of the California Code of Civil Procedure or under any similar law now or hereafter in effect.

B. Total Taking: Automatic Termination.
If there is a total Taking of the Premises, then this Lease shall terminate as of the Date of Taking.

C. Partial Taking: Election to Terminate.
a) If there is a Taking of any portion (but less than all) of the Premises, then this Lease shall terminate in its entirety if all of the following exist: (i) the partial Taking, in City's reasonable judgment, renders the remaining portion of the Premises untenable or unsuitable for continued use by City for its intended purposes or otherwise materially adversely affects City's normal operations in the Premises provided, however, Landlord is given an opportunity to cure the effect on City and its operations in the Premises on or before the Date of Taking, at Landlord's sole cost, by making alterations to the Premises or providing alternate space elsewhere in the Building (such alternate space shall contain approximately the same rentable area and be in the same configuration as the space so taken and shall be altered to provide the same quantity and quality of Tenant Improvements as

the space so taken), (ii) the condition rendering the Premises untenable or unsuitable either is not curable or is curable but Landlord is unwilling or unable to cure such condition, and (iii) City elects to terminate.

b) In the case of a partial taking of a substantial portion of the Building and subsection a) above does not apply, City and Landlord shall each have the right to terminate this Lease by written notice to the other within thirty (30) days after such date, provided that as a condition to City's right to terminate, the portion of the Building taken shall, in City's reasonable judgment, render the Premises unsuitable for continued use by City for its intended purposes or otherwise materially adversely affect City's normal operations in the Premises.

c) Either party electing to terminate under the provisions of this paragraph shall do so by giving written notice to the other party before or within thirty (30) days after the Date of Taking, and thereafter this Lease shall terminate upon the later of the thirtieth day after such written notice is given or the Date of Taking.

D. Rent: Award. Upon termination of this Lease pursuant to an election under this paragraph above, then: (i) City's obligation to pay Base Monthly Rental and Additional Rent shall continue up until the date of termination, and thereafter shall cease, except that Base Monthly Rental and Additional Rent shall be reduced as provided in this paragraph below for any period during which this Lease continues in effect after the Date of Taking, and (ii) Landlord shall be entitled to the entire Award in connection therewith, except that City shall receive any Award made specifically for City's relocation expenses or the interruption of or damage to City's business or damage to City's personal property or Tenant's Work.

E. Partial Taking: Continuation of Lease. If there is a partial Taking of the Premises under circumstances where this Lease is not terminated in its entirety under this paragraph above, then this Lease shall terminate as to the portion of the Premises so taken, but shall remain in full force and effect as to the portion not taken, and the rights and obligations of the parties shall be as follows: (a) Base Monthly Rental shall be reduced for the suite(s) on the floor(s) involved in the taking by an amount that is in the same ratio to the Rent as the area of the Premises taken bears to the area of the Premises for the suite(s) on the floor(s) involved prior to the Date of Taking, (b) Tenant's Share for purposes of determining Additional Rent shall be reduced to reflect the amount of area of the Premises taken, and (c) Landlord shall be entitled to the entire Award in connection therewith, provided that City shall receive any Award made specifically for City's relocation expenses or the interruption of or damage to City's business or damage to City's personal property or Tenant's Work.

F. Temporary Takings. Notwithstanding anything to contrary in this paragraph, if a Taking occurs with respect to the Premises for a limited period of time not in excess of sixty (60) consecutive days, this Lease shall remain unaffected thereby, and City shall continue to pay Base Monthly Rental and additional charges and to perform all of the terms, conditions and covenants of this Lease. In the event of such temporary Taking, City shall be entitled to receive that portion of any Award representing

compensation for the use or occupancy of the Premises during the Term up to the total Base Monthly Rental and additional charges owing by City for the period of the Taking.

22. **ESTOPPEL CERTIFICATE: SUBORDINATION AND ATTORNMENT.** Within ten (10) days after notice from Landlord, Tenant shall execute and deliver at no charge to Landlord, or to such party as Landlord may designate, in recordable form, a certificate stating (a) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease is in full force and effect, as modified, and stating the date and nature of each modification), (b) the date, if any, to which rental and other sums payable hereunder have been paid, (c) that no notice has been received by Tenant of any default which has not been cured, except as to defaults specified in such certificate and (d) such other matters as may be reasonably requested by Landlord. Failure to deliver the certificate within the ten (10) days shall be conclusive upon Tenant for the benefit of Landlord and any successor to Landlord, that this Lease is in full force and effect and has not been modified except as may be represented by Landlord.

Tenant is hereby informed that the Building of which the demised Premises are a part is leased by Landlord under the terms of a ground lease (Indenture of Lease) between Massachusetts Mutual Life Insurance Company and Two Polk Corporation, Fox San Francisco Plaza Corporation & Sunset-Fox Plaza, Inc., dated September 30, 1964. The Tenant will, upon request of Massachusetts Mutual Life Insurance Company ("Lessor") or any holder ("holder") of a first deed of trust covering the leasehold estate created under the such Indenture of Lease ("encumbrance"), agree to attorn to the such Lessor or such holder in the event of a termination of the such Indenture of Lease, a sale under the power of sale contained in such deed of trust, or a foreclosure of such deed of trust provided that:

(a) such Indenture of Lease or other encumbrance or a separate written agreement between Tenant and Lessor or any holder of an encumbrance shall contain a covenant that permits the proceeds of all property insurance covering the Building or Premises (other than rental interruption insurance), and all proceeds of any appropriation, to be paid over or made available for the repair, replacement and rebuilding of the Premises and/or Building as provided in this Lease; and

(b) a written agreement is entered into by Lessor or holder and is recorded providing that notwithstanding any default in the encumbrance by Landlord and the foreclosure or termination thereof, or the enforcement by Lessor or any holder of any rights or remedies thereunder or with respect thereto, (including, without limitation, a sale thereunder) Tenant shall be joined or made a party to any such foreclosure, termination or other proceeding and this Lease shall be recognized to be and shall remain in full force and effect, and Tenant shall be permitted to remain in quiet and peaceable possession of the Premises throughout the Term in accordance with the provisions of this Lease, as long as no event of default by Tenant is outstanding beyond any cure period provided herein as of the date of such foreclosure or termination.

In the event of any such request of Tenant for attornment, Landlord shall, upon Tenant's request, deliver to Tenant the instrument or instruments between Landlord and Lessor or any holder that contain the covenants of Holder required hereunder, which instrument shall be enforceable by City. In the event that any ground lease or master lease terminates for any reason or a conveyance in lieu of foreclosure is made for any reason, Tenant shall, notwithstanding any subordination, attorn to and become the tenant of the successor in interest to Landlord, at the option of such successor in interest, provided such successor in interest recognizes this Lease and agrees not to disturb Tenant's quiet enjoyment of the Premises. Upon request by Landlord, Tenant shall execute and deliver such instruments as may be reasonably necessary or convenient to evidence such subordination and/or attornment.

23. **LANDLORD'S RIGHT TO BUILD.** During the Term hereof, Landlord shall have the right to construct an additional building, including a tower, in the block bounded by Market Street, Polk Street and Hayes Street, and may for that purpose erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed, provided that Landlord shall always ensure adequate access to the Premises. Landlord shall give Tenant at least 90 days' prior written notice of any such construction activity. Landlord shall perform all construction work as expeditiously as possible and shall use reasonable diligence to minimize any interference with Tenant's normal administrative office operations in the Premises as a result of such construction or any pre-construction or post-construction activities. To the extent that Tenant's normal administrative office functions in any portion of the Premises are impaired by such construction, then Base Monthly Rental and Additional Rent for the space so affected shall be abated to the extent and for the duration of such disruption. Tenant's acknowledgement of Landlord's right to construct an additional building as provided above is made in City's capacity as tenant only. Nothing herein shall be deemed to constitute approval of any such project by any governmental agency or authority with jurisdiction. If such construction occurs during the last six months of the Term and such construction materially adversely affects Tenant's use of the Premises, Tenant shall have the right to terminate this Lease as to the floor on which the affected Premises are located.

24. **ASBESTOS: HAZARDOUS MATERIAL.** The sprayed-on fireproofing materials applied to certain structural members in the Building (which structural members are primarily located above the ceiling in the Premises) contain asbestos. In order to preserve the air quality of the Building, and prevent exposure to asbestos-containing materials, Landlord has established rules and regulations governing the manner in which alterations and improvements are to be undertaken in the areas where the subject fireproofing is located. Tenant must comply with all such rules and regulations established by the Landlord. Such rules and regulations may be modified from time to time by Landlord, provided no such modification results in any material interference with Tenant's business in the Premises for the purposes provided herein. If any governmental entity promulgates or revises a statute, ordinance, code or regulation, or imposes mandatory controls or mandatory guidelines with respect to such asbestos-containing materials, or if Landlord is required to make alterations to, or to remove such asbestos-containing materials, Landlord shall comply with such mandatory controls or mandatory guidelines (including, without limitation, any asbestos worker safety laws that impose a duty of Tenant

toward Tenant's employees) and shall, in its reasonable discretion, comply with any applicable voluntary guidelines. Except as required by applicable law (including, without limitation, any asbestos worker safety law that imposes a duty of Tenant toward Tenant's employees), Landlord shall have no obligation to remove, encapsulate or remediate the asbestos-containing materials but may elect to do so in its sole discretion. So long as Tenant is not displaced from the Premises, or any portion thereof, and Tenant's use of the Premises is not materially adversely affected, any compliance or the making of alterations, or the removal of all or a portion of such asbestos-containing materials by Landlord, whether in the Premises or elsewhere in the Building, shall not, in any event, (a) entitle the Tenant to receive any damages, (b) relieve Tenant of the obligation to pay any sums due hereunder, (c) constitute or be construed as a constructive or other eviction of Tenant, or (d) constitute or be construed as a breach of Tenant's quiet enjoyment.

However, if such compliance, alterations or removal do materially interfere with Tenant's ability to conduct normal administrative office operations in the Premises, Tenant shall be entitled to an abatement of rent based on the extent to which Tenant's ability to conduct normal administrative office operations in the Premises is impaired, and if such compliance, alterations or removal cannot be completed within ninety (90) days, Tenant shall have the right to terminate this Lease upon written notice to Landlord. Any asbestos abatement work by Landlord shall be done in an expeditious, first-class professional manner and in accordance with construction specifications approved by an independent asbestos consultant (certified by the Division of Occupational Safety and Health after July 1, 1992, according to the requirements of SB 732). In addition, the performance of the abatement work shall be monitored by such consultant, or another independent asbestos consultant meeting the qualifications specified above. Before asbestos abatement areas are released for re-occupancy, the consultant shall certify in writing to Tenant, that the areas have been determined to be safe for reoccupation based on air monitoring results, according to applicable law and industry standard practice.

Landlord shall keep all records regarding asbestos related work performed at the Building at a location where it is accessible to Building occupants for review. Landlord shall provide notices and maintain records in compliance with California Health and Safety Code Section 25915 et seq. Tenant acknowledges receipt of a copy of such notice dated January 31, 1996, which is attached to this Lease.

Landlord hereby represents and warrants to City that, to the best of Landlord's knowledge, neither the Premises, the Building nor the real property upon which the Building is located (collectively, the "Property") is in violation of any federal, state, local or administrative law, rule, regulation, order or requirement relating to Hazardous Material (as defined below), industrial hygiene or other environmental conditions (collectively, "Environmental Laws"). To the best of Landlord's knowledge, the Property does not contain any underground storage tanks nor do the Premises or the Building consist of any building materials that contain Hazardous Material except as expressly provided hereinabove

with respect to the presence of asbestos-containing materials and in the attached Notice to Fox Plaza Employees and Contractors. No Hazardous Material is presently stored or located on or in the Property by Landlord or, to the best of Landlord's knowledge, by any tenant or occupant of the Property other than City, except for such substances used in such limited quantities as is customary in office use and common office cleaning products as further described in the Hazardous Materials Storage Permit Application Filing Form submitted by Landlord in March 1991, as the same may be revised, provided such storage and use is and shall be in compliance with Environmental Laws throughout the Term hereof. To the best of Landlord's knowledge, there has been no release and there is no threatened release of any Hazardous Material on, in, under or about the Property. The Property is not subject to any claim by any governmental regulatory agency or third party related to the release, or threatened release, of any Hazardous Material, and to the best of Landlord's knowledge there is no inquiry by any governmental agency (including, without limitation, the California Department of Toxic Substances Control or the Regional Water Quality Control Board) with respect to the presence of Hazardous Material on, in, under or about the Property, or the migration of Hazardous Material from or to other property. Without limiting any other provisions of this Lease, Landlord shall indemnify and hold harmless Tenant against and from any and all claims, judgements, damages, penalties, fines, costs, liabilities, losses and expenses arising during or after the Term of this Lease as a result of any breach of any of the foregoing representations or warranties or any presence of Hazardous Material on or in the Property unless City is responsible therefor as provided herein.

Tenant covenants and agrees that neither Tenant nor any of Tenant's agents, employees, contractors, invitees, assignees or sublessees, shall cause or permit any Hazardous Material (as hereinafter defined) to be brought upon, kept, used, stored, generated or disposed of in, on or about the Premises or the Property, or transported to or from the Premises or the Property, in violation of any Environmental Laws; provided that nothing herein shall prevent Tenant from using such substances in such limited amounts as are customarily used in offices so long as such use is in compliance with all applicable Environmental Laws. If Tenant breaches any of its obligations contained herein, or, if any act or omission of Tenant or any of its agents, employees, contractors, invitees, assignees or sublessees results in any contamination of the Premises or the Building or in the release or threatened release of Hazardous Material from, on or about the Premises or the Building, then Tenant shall indemnify and hold harmless Landlord against and from any and all claims, judgements, damages, penalties, fines, costs, liabilities, losses and expenses arising during or after the Term of this Lease as a result of such release or threatened release except to the extent caused by Landlord, its agents, employees, contractors, invitees or licensees.

As used herein, the term "Hazardous Material" shall mean any material that, because of its quantity, concentration or physical or chemical characteristics, is deemed by any federal, state or local governmental authority to pose a present or potential hazard to human health or safety or to the environment. Hazardous Material includes, without limitation, any material or substance defined as a "hazardous substance," or "pollutant" or "contaminant" pursuant to the Comprehensive Environmental

Response, Compensation and Liability Act of 1980 ("CERCLA", also commonly known as the "Superfund" law), as amended, (42 U.S.C. Sections 9601 et seq.), or pursuant to Section 25316 of the California Health & Safety Code; any "hazardous waste" listed pursuant to Section 25140 of the California Health & Safety Code; any asbestos and asbestos containing materials whether or not such materials are part of the structure of the Building or are naturally occurring substances on or about the Property; and petroleum, including crude oil or any fraction thereof, natural gas or natural gas liquids. The term "release," when used with respect to Hazardous Material, shall include any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into or inside the Building, or in, on, under or about the Property.

25. **CONTROLLER'S CERTIFICATION OF FUNDS.** Notwithstanding anything to the contrary herein, there shall be no obligation for the payment or expenditure of money by the City under this Lease unless the Controller of the City and County of San Francisco first certifies, pursuant to Section 3.105 of the Charter of such City and County, that there is a valid appropriation from which the expenditure may be made and that unencumbered funds are available from the appropriation to pay the expenditure.

26. **TENANT ADVANCE.** It is agreed that the Base Monthly Rental for the Premises includes the repayment of an advance to Tenant for the Tenant Improvements listed in paragraph 5 hereof, which sum shall be repaid by applying the payments of the Base Monthly Rental to such repayment plus interest of 10% per annum from the date of delivery of the Premises until such repayment plus interest is repaid in full. Such repayment and interest are included in the Base Monthly Rental as set forth paragraph 6 hereof. Notwithstanding the foregoing, in the event of an early termination of this Lease pursuant to paragraph 4 hereof or for any reason other than Tenant's default hereunder, the advance to Tenant shall be forgiven and there shall be no right of recovery against Tenant for any unpaid principal or interest, and Landlord shall release Tenant from and waive any liability with respect thereto. Landlord shall indemnify and hold harmless Tenant, its officer, directors, agents and representatives, from and against any and all claims, losses, fines, penalties, costs, damages and expenses (including, without limitation, attorneys' fees) arising out of this Paragraph.

27. **FUTURE ELEVATOR:** If Tenant chooses to expand into Suite 201, pursuant to Paragraph 30 hereof, Landlord shall have the right to exclude approximately 84 square feet from the second floor portion of the expanded Premises in order to install an additional elevator as shown as Space "X" on Exhibit "A," page 5, by serving sixty (60) days advance written notice on Tenant. At the end of such sixty (60) day period, Tenant shall vacate and surrender Space "X." Landlord shall install demising walls at Landlord's expense, and shall pay for any costs of relocating Tenant from such portion of the Premises. Tenant's Base Monthly Rental shall be reduced proportionately by the area so excluded and Tenant's Share of Direct Taxes and Operating Expenses shall be reduced proportionately by the area so excluded. Landlord shall perform all construction work as expeditiously as possible and shall use reasonable diligence to minimize any interference with Tenant's normal administrative office

operations in the Premises as a result of such construction or any pre-construction or post-construction activities.

28. MISCELLANEOUS. Except as otherwise provided herein, all notices to be given between the parties hereto shall be in writing and may be served personally or by depositing the same in the United States mail, postage prepaid and addressed to Landlord, 425 California Street, Suite 2300, San Francisco, CA 94104 and to Tenant in care of Director of Property, 25 Van Ness Avenue, Suite 400, San Francisco, CA 94102, or to such other address as either Landlord or Tenant may designate as its new address for such purpose by notice given to the other in accordance with the provisions of this Paragraph. Any such notice or other communication shall be deemed to have been rendered or given two (2) days after the date when it shall have been mailed if sent by certified mail, or upon the date personal delivery is made. For convenience of the parties, copies of notices may also be given by telefacsimile to the telephone number set forth in the Basic Lease Information or such other number as may be provided from time to time; however, neither party may give official or binding notice by facsimile.

This Lease, together with its exhibits, contains all the agreements of the parties hereto and supersedes any previous negotiations. There have been no representations made by the Landlord or understanding made between the parties other than those set forth in this Lease and its exhibits. This Lease may not be modified except by a written instrument duly executed by the parties hereto.

If any provision of this Lease or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Lease and the application of such provision to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law. This Lease shall be governed by and construed pursuant to the laws of the State of California and City's Charter.

The captions preceding the paragraphs and subparagraphs of this Lease and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this Lease. This Lease has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein and shall be interpreted to achieve the intents and purposes of the parties, without any presumption against the party responsible for drafting any part of this Lease. Except as otherwise specifically provided herein, wherever in this Lease Landlord or City is required or requested to give its consent or approval to any matter or action by the other, such consent or approval shall not be unreasonably withheld or delayed and the reasons for disapproval of consent shall be stated in reasonable detail in writing. Provisions in this Lease relating to number of days shall be calendar days, unless otherwise specified, provided that if the last day of any period to give notice, reply to a notice or to undertake any other action occurs on a Saturday, Sunday or a bank or City holiday, then the last day for undertaking the action or giving or replying to the notice shall be the next

succeeding business day. Use of the word "including" or similar words shall not be construed to limit any general term, statement or other matter in this Lease, whether or not language of non-limitation, such as "without limitation" or similar words, are used.

Landlord's failure to take advantage of any default or breach of covenant on the part of Tenant shall not be or be construed as a waiver thereof, nor shall any custom or practice which may grow up between the parties in the course of administering this instrument be construed to waive or to lessen the right of Landlord to insist upon the performance by Tenant of any term, covenant or condition hereof, or to exercise any rights given him on account of any such default. A waiver of a particular breach or default shall not be deemed to be waiver of the same or any other subsequent breach or default. The acceptance of rent hereunder shall not be, nor be construed to be a waiver of any breach of any term, covenant or condition of this Lease.

The rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be expressly provided herein.

The words "Landlord" and "Tenant" as used herein shall include the plural as well as the singular. Words used in masculine gender include the feminine and neuter. Subject to the provisions hereof relating to assignment and subletting, this Lease is intended to and does bind the heirs, executors, administrators, successors and assigns of any and all of the parties hereto. Time is of the essence of this Lease.

The City and County of San Francisco urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.1, et seq. The City and County of San Francisco also urges San Francisco companies to do business with corporations that abide by the MacBride Principles. Landlord acknowledges that it has read and understands the above statement of the City and County of San Francisco concerning doing business in Northern Ireland.

Landlord agrees that any person performing labor in the construction of the Tenant Improvements or any other improvements which Landlord is obligated to provide under this Lease shall be paid not less than the highest prevailing rate of wages and that Landlord shall include, in any contract for construction of the Tenant Improvements or such other improvements, a requirement that all persons performing labor under such contract shall be paid not less than the highest prevailing rate of wages for the labor so performed. Landlord further agrees that, as to the construction of the Tenant Improvements under this Lease, Landlord shall comply with all the provisions of subsection (b) of San Francisco Charter Section A7.204 and Sections 6.33 through 6.45 of the San Francisco Administrative Code that relate to payment of prevailing wages.

Except as expressly permitted by the application of Sections 12I.3.b and 12I.4.b of the San Francisco Administrative Code, neither Landlord nor any of its contractors shall use any items in the construction of the Premises which are tropical hardwoods or tropical hardwood products. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood or tropical hardwood product.

Notwithstanding anything to the contrary in this Agreement, no elective or appointive board, commission, member, officer, employee or agent of Tenant shall be personally liable to Landlord, its successors and assigns, in the event of any default or breach by Tenant or for any amount which may become due to Landlord, its successors and assigns, or for any obligation of Tenant under this Lease.

Neither party has had any contact or dealings regarding the leasing of the Premises, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the lease contemplated herein. In the event that any other broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, the party through whom the broker or finder makes his claim shall be responsible for such commission or fee and shall indemnify and hold harmless the other party from all claims, costs, and expenses (including, without limitation, reasonable attorneys' fees and disbursements) incurred by the indemnified party in defending against the same. The provisions of this Paragraph shall survive any termination of this Lease.

In the event that either Landlord or Tenant fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees. For purposes of this Agreement, Tenant shall not be precluded from contending in any action or proceeding that the reasonable fees of attorneys of the Office of City Attorney of the City and County of San Francisco should be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorneys' services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney's Office.

Landlord covenants and represents that it has full right, power and authority to grant the leasehold estate hereunder, and covenants that Tenant, upon paying the Base Monthly Rental and Additional Rent hereunder and performing the covenants hereof, shall peaceably and quietly have, hold and enjoy the Premises and all appurtenances during the full Term of this Lease as against all persons or entities claiming by and through Landlord or on account of any action, inaction or agreement of Landlord, its agents or employees. Landlord further covenants and represents that Landlord has good and marketable

title to the Building and leasehold title to the real property on which it is located, free and clear of all claims, encumbrances and liens except for the Indenture of Lease noted in paragraph 22 and any other encumbrances approved in writing by Tenant prior to the date hereof. Without limiting the provisions of this Lease, Landlord agrees to indemnify and defend Tenant against and hold Tenant harmless from any and all liabilities, claims, suits, demands, judgments, costs, interest and expenses (including, without limitation, reasonable attorneys' fees) arising out of any claim that would interfere with Tenant's right to quiet enjoyment as provided in this Paragraph.

Landlord represents and warrants that each and all of the persons signing this Lease on behalf of the managing agent of the Building are duly authorized to do so, that the managing agent is duly authorized to execute this Lease on behalf of the owner of the Building, and that this Lease does not violate any provision of any agreement to which Landlord or the Property is subject. Upon City's request, Landlord shall provide City with evidence reasonably satisfactory to City confirming the foregoing representations and warranties.

Landlord represents and warrants to Tenant that Landlord has neither filed nor been the subject of any filing of a petition under the Federal Bankruptcy Law or any federal or state insolvency laws or laws for composition of indebtedness or for the reorganization of debtors, and to the best of Landlord's knowledge no such filing is threatened. In the event that Landlord becomes subject of any bankruptcy, insolvency, rehabilitation, reorganization or other debtor-relief case or proceeding under any applicable federal or state law, whether now existing or hereinafter enacted, Tenant shall not be deprived of Tenant's leasehold estate created hereby or any rights or benefits of Tenant under this Lease without Tenant's consent given in its sole discretion. The parties agree that Tenant's leasehold estate created hereby includes, without limitation, all rights to receive and enjoy all services, facilities and amenities of the Premises and the Building as provided herein, and that if any of such services, facilities or amenities are terminated, or materially limited or restricted on account of any such case or proceeding, Tenant shall have the right to (i) contract directly with any third-party provider of such services, facilities or amenities to obtain the same, and (ii) offset against the Rent payable hereunder any and all reasonable costs and expenses incurred by Tenant in obtaining such services, facilities or amenities.

29. **COMMUNICATION LINE REPAIRS.** Tenant agrees that any new or existing telephone or data line serving its Premises located within the building shall be its sole responsibility to maintain, repair, upgrade or replace unless the line is damaged by an act of Landlord, its agents, employees or subcontractors. "Line" as used herein shall include both copper and fiberoptic cable and wire, conduit, switchboard, splice box, riser and related items. Tenant shall be responsible for any loss, damage or injury caused by Tenant, its employees, agents or subcontractors to building communication lines. Access to telephone risers, closets and equipment outside of the Premises may be reasonably controlled by Landlord to prevent disturbance of asbestos and to regulate security of telephone/data equipment. If repair or replacement of a line shall pierce a fire-rated separation, Tenant shall be responsible for costs

of restoring the integrity of such separation.

30. EXPANSION.

A. The Expansion Opportunities. During the initial Term, Landlord shall provide City with two (2) expansion opportunities: one expansion opportunity for Suite 201 on the second floor of the Building and the second expansion opportunity for Suites 906 and 908 on the ninth floor of the building (the "Expansion Opportunities") at the then Market Rental Value as defined in Paragraph 6.C. The first opportunity will be Suite 201 on the second floor of the Building (the "First Expansion Opportunity"). Suite 201 consists of approximately 1,302 rentable square feet and should be available for occupancy on July 16, 1998 if City Exercises its Expansion Opportunity. The second opportunity will be for Suites 906 and 908 of the ninth floor of the Building (the "Second Expansion Opportunity"). Suites 906 and 908 consist of approximately 3,489 rentable square feet and should be available for occupancy by City on November 1, 1999 if City exercises its Expansion Opportunity. Landlord shall offer the First Expansion Opportunity by written notice to the City between January 1, 1998 and January 31, 1998 and offer the Second Expansion Opportunity by written notice to the City between April 1, 1999 and April 30, 1999 (the "Availability Notices"). Each Availability Notice shall provide City with the dates the Expansion Spaces, as described in pages six and seven of Exhibit A (the "Expansion Space"), are projected to be available for City's occupancy. Each Expansion Opportunity shall be a one-time opportunity to lease the Expansion Spaces before Landlord leases such space to a third party, including the current tenant or other tenant who has a subsequent right to lease such space or portions of such space.

B. Exercise of Expansion Opportunities. For City to effectively exercise either Expansion Opportunity, City shall, within thirty (30) days after the delivery to City of the Availability Notice, deliver to Landlord written notice (the "RFL Notice") of the exercise of City's right to lease the Expansion Space at a Base Rent to be determined in accordance with Paragraph 6.C. including the methodology for determining the Market Rental Value provided in that Paragraph. If City fails to so timely deliver to Landlord the RFL Notice, then City's Expansion Opportunity shall cease and Landlord shall have the right to lease the Expansion Space to a third party. If City exercises either of its Expansion Opportunities, Landlord shall use its best efforts to encourage prompt vacating by the occupant(s) of the Expansions Spaces.

C. Implementation of Expansion Opportunities. If City exercises its Expansion Opportunities consistent with the manner required above, effective upon the date each Expansion Space shall be available for occupancy:

(1) The Premises shall be expanded to include the Expansion space and the initial Premises (the "Expanded Premises").

(2) The Base Rent shall be increased by the Market Rental Value for the Expansions Spaces. The Market Rental Value shall be calculated in accordance with the methodology provided in Paragraph 6.C. ("Determination of Market

Rental Value"). Notwithstanding the above, in no event shall the Base Rent per rentable square foot for the Expansion Spaces be less than the Base Rent per rentable square foot for the ninth floor portion of the Premises for the final month of the Term as defined in Paragraph 4.

(3) For purposes of determining City's payment for increased Operating Expenses and Direct Taxes under Paragraph 6.2 for the Expanded Premises, the Base Year for the Expanded Premises shall be the same as the Base Year for the initial Premises. The percentage of increase in Operating Expenses and Direct Taxes for which City shall reimburse Landlord in conformance with Paragraph 6.2 above shall be increased by adding a percentage computed by dividing the rentable area of the Expansion Space by the rentable area of all office space in the Building.

D. No Material Default. City shall not be in material default under any term, covenant, condition, provision or agreement of the Lease from the date Tenant delivers the RFL Notice to the Expansion Commencement Date. If City is in material default hereunder on the date of giving such RFL Notice and fails to cure as provided in Paragraph 19 above ("Default"), Landlord shall reject such RFL Notice by delivering notice thereof to City promptly after City's failure to cure.

E. Coterminous Provisions. In the event that City elects to exercise any of the Expansion Opportunities, the Term of the Lease as applied to the Expanded Premises shall be coterminous with the Term of the Lease for the initial Premises.

F. Board of Supervisors Approval and Amendment to Lease. Landlord acknowledges and agrees that City's RFL Notices shall be subject to enactment of a resolution by the Board of Supervisors and the Mayor, in their respective sole and absolute discretion, approving and authorizing exercise of the applicable Opportunity to Expand within ninety (90) days after the date such final Market Rental Value is determined. If such approval and authorization is not given within ninety (90) days after such date, the Opportunity to Expand shall cease. Upon the Board of Supervisors' and Mayor's approval and authorization, the parties shall promptly execute an amendment to this Lease showing the Expanded Premises and stating the rent for such premises.

31. DIRECTOR OF PROPERTY. All approvals, consents or other determinations permitted or required by City as Tenant hereunder shall be made by or through City's Director of Property unless otherwise provided in this Lease, subject to applicable law.

32. PARKING. During the Term and any extension thereof, provided that Tenant is not in default of the parking agreement of the garage operator for payment of parking fee, Tenant shall be provided up to forty (40) non-reserved, monthly parking spaces in the garage of the Building at the rate that Landlord commonly charges for other tenants of the Building as such rate may change from time-to-time. Tenant hereby agrees to follow all garage rules and procedures established by Landlord or Landlord's garage operator. Landlord's

obligation to make such parking spaces available to Tenant shall be subject to ordinances and regulations of the applicable governmental authority concerning off-street parking or loading facilities, either now existing or hereafter enacted.

33. **BICYCLE ORDINANCE.** Article 1.5 of the San Francisco Planning Code ("Code") requires the provision of bicycle storage at all City leased properties at no cost to Landlord and if funds are available. In the event public and/or private donations, grants or other funds become available, at any time during the Lease or any extension thereof, City shall have the option, by giving a sixty (60) day advance written notice to Landlord, to amend this Lease to include up to two (2) parking stalls in the Building garage and an area in front of the Building to be mutually determined by Landlord and City's Planning Department which meets the Class 1 and/or Class 2 requirements of the Code to accommodate such bicycle storage facilities. Any revenue from garage spaces or storage spaces lost to accommodate this requirement shall be paid by City as additional Base Rent. In the event of storage locker installation, the storage lockers shall be considered a trade fixture and City shall have the right to remove such lockers at Lease termination provided City repairs any damage, restoring the storage locker area to its original condition. Class 2 bicycle racks shall be considered a permanent Building improvement and City shall not be required to remove said bicycle racks at Lease termination. Landlord, at no cost to Landlord, shall reasonably cooperate with City regarding the implementation of the Bicycle Ordinance.

34. **STORAGE.** Notwithstanding any other provisions contained in this Lease, City shall use and occupy the storage spaces described under the heading Premises in the Basic Lease Information for storage purposes only, and only such lighting will be furnished as will be adequate for use as storage space and no cleaning, pest control, water, heat, janitorial, waste disposal, mechanical ventilation or air cooling will be furnished by Landlord. City shall leave a clearance of no less than eighteen (18) inches around any and all sprinkler heads. In addition to the Tenant Improvements set forth in Paragraph 5 and Exhibit F of this Lease, Landlord agrees to remove the current fencing between storage spaces D and E and to install a single four(4) plex outlet in storage space D. Such power outlet shall be a convenience outlet only and shall not be used for office equipment or space heating or cooling. Landlord will have the right to relocate City's storage to another storage location in the Building, provided (a) Landlord shall give City thirty (30) days notice prior to the effective date of such relocation, (b) the new storage space will be as accessible as and equivalent in size to the old storage space, (c) there shall be no increase in rent due to such relocation, and (d) Landlord will pay for the cost of such relocation.

35. **EXISTING LEASE.** It is understood that City presently leases from Landlord Suite 230, which is part of the Premises under a lease dated May 23, 1994, expiring May 31, 1999 (the "existing lease"). Upon the Commencement Date of this Lease, the existing lease shall automatically terminate and shall be superseded in its entirety by this Lease. It is agreed that Tenant's occupancy of the Premises on and after the Commencement Date shall be governed solely by the provisions of this Lease. In the event that prior to the Commencement Date of this Lease City exercises its option to terminate the existing lease for any reason other

than a default of Landlord thereunder, Landlord may, at its option, terminate this Lease on or before ninety (90) days after the termination date of the existing lease by giving written notice thereof to City. In the event that City commits a material default under the existing lease and Landlord elects to terminate the existing lease, Landlord may also terminate this Lease by giving written notice to City on or before ninety (90) days after the earliest termination of the existing lease.

36. MAINTENANCE OF CITY'S AUXILIARY POWER AC SYSTEM. City shall reimburse Landlord for costs actually and reasonably incurred by Landlord in response to a written request from City for maintenance of City's 2nd floor switch room auxiliary power and AC system. In making any request for reimbursement of such maintenance costs, Landlord shall furnish to City copies of all invoices and statements evidencing such costs, together with such other information as City may reasonably request to verify the costs. City shall be responsible for all maintenance of City's 2nd floor A/C system. If such maintenance is completed through Landlord, City shall have the right to approve in advance all costs for such maintenance. City shall also be responsible for all monitoring, including heat sensing of the equipment in the switch room.

37. RELOCATION. Landlord shall have the option of relocating City from Suites 820, 910 and Suites 906 and 908 if the Expansion Opportunity is exercised pursuant to Paragraph 30 hereof to other office space on floors 2 through 12 of the Building only if such relocation is necessary and for the purpose of removing asbestos, installing a sprinkler system or complying with other governmental regulations that require substantial structural renovations and the vacating of the entire floor. To exercise such option, Landlord shall serve not less than ninety (90) days advance written notice on Tenant. Such alternate Premises shall contain same a rentable area no less than 97% of the original Premises and be in the same configuration as Suites 820, 910 and Suites 906 and 908 and shall be altered to provide the same quantity and quality of Tenant Improvements as those required hereunder for Suites 820, 910 and Suites 906 and 908. If such option is exercised, Landlord shall pay all costs of the Tenant Improvements for such alternate space, shall complete all such improvements before relocating City, such relocation shall occur over a single weekend and be accomplished so as to minimize the disruption to the business of City, and shall reimburse City for all reasonable and necessary costs including but not limited to weekend moving costs, up to \$1,000 for city's move supervision, data and telephone relocation, and new letterhead and business cards. Subject to the foregoing, Base Monthly Rental for the alternate office space shall be the same as that for Suites 820, 910 and Suites 906 and 908.

RULES AND REGULATIONS OF FOX PLAZA

In the event of any conflict or inconsistency between any of the Rules and Regulations set forth hereinbelow and any of the provisions of the Lease between Landlord and Tenant, the Lease provisions shall control.

1. **SIGNS:** No sign, placard, picture, advertisement, name or notice shall be inscribed, displayed, printed or affixed on or to any part of the outside or inside of the Building without the written consent of Landlord first had and obtained, and Landlord shall have the right to remove any such objectionable sign, placard, picture, advertisement, name or notice without notice to and at the expense of Tenant (Lessee). Upon approval, Tenant will affix the sign to the wall as directed; no glue or screws will be used. If a sign is glued, the costs incurred to repair the damage resulting from removal of the sign will be the responsibility of the Tenant. Notwithstanding the foregoing, as of the date of the Lease Landlord approves all of Tenant's existing signs, placards, pictures, names and notices inscribed, displayed, printed or affixed on or to any part of the outside or inside of the Building.
2. **BULLETIN BOARD:** The Bulletin Board or Directory of the Building will be provided exclusively for the name and location of Tenant only; and Landlord reserves the right to exclude any other names therefrom, and also charge Tenant for Landlord's cost to provide directory strips for each and every name, in addition to the name of Tenant, placed by it upon such Bulletin Board or Directory.
3. **LOCKS:** No additional locks shall be placed upon any doors of the Premises, and Tenant agrees not to have any duplicate keys made without the consent of Landlord; provided, however, Landlord agrees that all employees of Tenant working in the Premises shall have a copy of the key(s) to the Premises. If more than two keys for any door lock are desired, the additional number shall be paid for by Tenant. Upon termination of Tenant's lease, Tenant shall surrender all keys.
4. **WIRING:** When wiring of any kind is introduced, it must be connected as directed by Landlord, and no boring or cutting for wires will be allowed except with the consent of Landlord. The location of telephones, call boxes, telephone boards, and other office equipment affixed to the Premises shall be reasonably prescribed by Landlord.
5. **NON-RESPONSIBILITY:** Landlord is not responsible to any tenant for non-observance or violation of the Rules and Regulations by any other tenant, except as may be otherwise provided in the Lease.
6. **OBSTRUCTING LIGHT:** Tenant shall not allow anything to be placed against or near the glass in the partitions or in the doors between the Premises leased and in the halls or corridors. The doors between the Premises and the corridors of the Building shall at all times, except when in actual use for ingress and egress, be kept closed.

7. **HALLS AND STAIRWAYS:** The entries, passages, stairways and elevators shall not be obstructed by Tenant, or used for any other purpose than ingress or egress to and from their respective offices. Tenant shall not bring into or keep within the Building any animal, vehicle, or bicycle, except for see-eye dogs for any sight impaired employees or invitees of Tenant and any mechanized wheelchairs or similar devices.
8. **PLUMBING:** The wash basins, water closets and urinals shall not be used for any purpose other than those for which they were constructed.
9. **CLOSING PRECAUTIONS:** Tenant shall see that the windows, transoms and doors of the Premises are closed and securely locked before leaving the Building and Tenant shall exercise due care and caution that all water faucets or water apparatus are entirely shut off before Tenant or Tenant's employees leave the Building, and that all electricity, gas or air shall likewise be carefully shut off, so as to prevent waste or damage. Tenant shall make good all injuries sustained by other tenants or occupants of the Building or by Landlord due to any default or carelessness herein.
10. **MOVING FURNITURE, SAFES, ETC.:** No furniture, freight or equipment of any kind shall be brought into or removed from the Building without prior notice to Landlord or Landlord's agent, and all moving of same, into or out of the Building, by tenants, shall be done at such times and such manner as Landlord shall designate. Landlord shall have the right to prescribe the weight, size and position of all safes and other heavy property brought into the Building, and also the times and manner of moving the same into and out of the Building. Landlord will not be responsible for loss or for damage to any such safe or property from any cause; but all damage done to the Building by moving or maintaining any such safe, furniture, freight, equipment or property shall be repaired at the expense of Tenant. Tenant shall advise Landlord at least seven days in advance of any move.
11. **JANITOR SERVICE:** Tenant shall not employ any person or persons other than the janitor of Landlord for the purpose of cleaning the leased Premises, unless otherwise agreed. Except with the written consent of Landlord, no person shall be permitted to enter the Building for the purpose of cleaning same. Tenants shall not cause any unnecessary labor by carelessness or indifference in the preservation of good order and cleanliness. Janitor service shall not include moving of furniture, shampooing of rugs or carpets, or other special services. Janitor service will not be furnished when rooms are occupied during the regular hours when janitor service is provided. Window cleaning shall be done only at the regular and customary times determined by Landlord for such services.
12. **VIOLATION OF RULES:** Landlord reserves the right to exclude or expel from the Building any person who, in the judgment of Landlord, is intoxicated or under the influence of liquor or drugs, or who shall in any manner do any act in violation of any of the Rules and Regulations of the Building.

13. **REQUIREMENTS:** The requirements of Tenant will be attended to only upon application at the Office of the Building. Employees of Landlord shall not perform any work or do anything outside of their regular duties unless under special instruction from the office, and no employee will admit any person (tenant or otherwise) to any office without specific instructions from the Office of the Building.
14. **ROOMS USED IN COMMON:** Rooms used in common by tenants including Mall areas, elevators, restrooms, corridors and exterior plaza shall be subject to these Rules and Regulations as they may apply and to any special regulations posted therein, including but not limited to "no smoking" regulations.
15. **ENTRANCE DOORS:** Landlord reserves the right to close and keep locked all entrance and exit doors of the Building during such hours as Landlord may deem to be advisable for the adequate protection of the property. All tenants, their employees, or other persons entering or leaving the Building at any time when it is so locked are required to sign the Building register when so doing, and the Security Guard in charge may refuse to admit to the Building while it is locked, Tenant or any of Tenant's employees, or any other person, without a Valid Building Pass, or other satisfactory identification showing his right to access to the Building at such time. Landlord assumes no responsibility and shall not be liable for any error in regard to any such pass or identification, or from the admission of any authorized person to the Building.
16. **ELECTRICITY:** Tenant may operate a reasonable number of typical office machines, including adding machines, personal computers, calculators, clocks, coffee machines, microwave oven, refrigerator and small copy machines. Tenant may not operate large office machines, including but not limited to mini or mainframe computers, additional air conditioning units and similar large scale equipment without Landlord's prior written approval, except that Landlord hereby approves any and all such equipment existing as of the date of the Lease.

20. **NAME:** Landlord, with prior written notice to Tenant, at anytime may change the name of the Building.

21. **FREIGHT ELEVATOR:** The Building freight elevator will be used for all deliveries of supplies, packages, equipment, furniture and other deliveries. Asbestos is known to the State of California to cause cancer. In tenant spaces, this asbestos-containing material is located in the ceiling plenum (above the ceiling tiles) and in the telephone and electrical closets. Landlord has established special procedures for all repairs, maintenance, alterations, additions, modifications, improvements or other such work to be undertaken by Tenant in areas of the Building where asbestos-containing material may be present. Before Tenant or its contractors remove or otherwise disturb any ceiling tiles, or do any work in the electrical or telephone closets, Tenant must notify the Asbestos Site Manager through the Office of the Building about such work. The Asbestos Site Manager must issue Tenant a work permit before any such work begins. Tenant and its contractor(s) must strictly comply with all work permit requirements, all directions (written or oral) and all asbestos work procedures, plans and documents given them by Building Management. Tenant shall also immediately report to the Asbestos Site Manager through the Building Management Office any time Tenant observes or suspects there has been a spill or other release of asbestos containing materials.

23. **"BUILDING":** The word "Building" as used in these Rules and Regulations means the Building which is a part of the Premises leased pursuant to the Lease to which these Rules and Regulations are attached. Each tenant shall be liable to Landlord for any loss, cost expense, damage or liability, including attorney's fees, caused or occasioned by the failure of such first named tenant to comply with these Rules and Regulations, but Landlord shall have no liability for such failure or for failing or being unable to enforce compliance therewith by any tenant except as may be otherwise provided in the Lease, and such failure by Landlord or non-compliance by any other tenant shall not be grounds for termination of the Lease to which these Rules and Regulations are attached by the Tenant thereunder.

This Work Letter is part of the Office Lease dated as of September 9, 1996 (the "Lease"), executed concurrently herewith, by and between Calfox, Inc., a California corporation, as managing agent for Polk Market Co., Owner, as Landlord, and the City and County of San Francisco ("Tenant" or "City") covering certain premises described in the Lease. All terms that are capitalized but-not defined herein shall have the same meanings given to them in the Lease.

Landlord, at its sole cost and expense, and through its general contractor approved by City (the "Contractor"), shall furnish and install within the Premises the improvements (the "Tenant Improvements" or "Tenant Improvement Work") shown on the Plans (as defined below) and described herein and in Schedule 1 and Schedule 2 attached hereto, all in accordance with the provisions of this letter.

1. Plans and Specifications

a. Plans. Prior to the date of the Lease, Landlord has caused its architect or space planner approved by City (the "Architect") to prepare the plan drawings and specifications for the Tenant Improvements, including the items described in Schedule 1 attached hereto (the "Plans"). A copy of such Plans, approved by City, are attached to the Lease as Exhibit G.

b. Final Plans. Based on the Plans and any further adjustments approved by City, on or before July 1, 1996, Landlord shall have caused its Architect to prepare and submit to City for its approval final plans, specifications and working drawings for the Tenant Improvements, setting forth in detail all aspects of the design, function and construction of the Tenant Improvements, in form sufficient for bidding of all elements of construction, and in conformity with all of the requirements of this Work Letter (the "Final Plans"). Such Final Plans shall be subject to approval by City, which approval shall not be unreasonably withheld or delayed.

c. Payment. The costs of preparing the Plans and the Final Plans shall be paid by Landlord.

d. Changes to Plans. If following approval City requests any change, addition or alteration in the Final Plans, Landlord shall cause the Architect to prepare plans with respect to such change, addition or alteration. As soon as practical, Landlord shall notify City of the cost that would be incurred by reason of such change, addition or alteration. If City approves the cost thereof within five (5) days of receipt from Landlord,

then Landlord's Contractor shall proceed with such change, addition or alteration as soon as reasonably practical thereafter. If City does not approve such cost within the above-mentioned five (5) day period, construction of the Premises shall proceed in accordance with the original completed and approved Final Plans and City shall pay the reasonable and actual architect fees for designing the changes. If following City's approval of the Final Plans, Landlord requests or is required to make any change, addition or alteration thereto relating to the design or specifications of the Tenant Improvements ("Landlord Change Order"), Landlord shall provide City with plans and specifications with respect to such change, addition or alteration and shall notify City of the delay in completion of the Tenant Improvements, if any, caused by such Landlord Change Order. Any such Landlord Change Order shall be subject to City's approval, which approval shall not be unreasonably withheld or delayed.

2. Permits

a. Responsibility for Obtaining Permits. Landlord shall have the responsibility for obtaining all governmental permits and approvals required to commence and complete the Tenant Improvement Work, and promptly upon receipt thereof shall deliver copies of all of such permits and approvals to City. Landlord shall use its best efforts to obtain all such approvals and permits as soon as possible after execution by City of this Lease, in order to comply with the construction schedule referred to in paragraph 5.a. below. Tenant shall reasonably cooperate with Landlord in obtaining such approvals and permits, without expense to Tenant.

3. Construction

a. Construction of Tenant Improvements. Landlord shall cause the Tenant Improvements to be constructed and installed in a good and professional manner in accordance with sound building practice consistent with other first-class buildings in the Civic Center area and in conformity with the Final Plans, the terms of this Work Letter and the Lease. - i. All of the Tenant Improvement Work shall be performed in compliance with all laws, codes, regulations and building requirements bearing on construction of the Tenant Improvements;
- ii. The construction of the Tenant Improvements shall comply with all applicable laws (including, without limitation, the applicable portions of the Americans With Disabilities Act); and
- iii. Landlord and its Contractor shall be responsible for all required

insurance; and

iv. Landlord shall through its approved Contractor furnish and install all improvements that are required to bring the Premises, the path of travel to the Premises, and the lobby, corridors, public bathrooms on the floor of the Building in which the Premises are located into compliance at the commencement of the herein Lease with City's standards for accessibility by disabled persons, consisting of the items set forth in the attached Schedule 2. Landlord shall not be responsible for making accessible any of Tenant's furniture, workstations, shelving or equipment which Landlord does not design or install.

c. Asbestos Related Work. In the event that Landlord or City encounter any asbestos containing materials ("ACM") in the Building in connection with the construction of the Tenant Improvement Work, Landlord agrees promptly to cease performance and to be responsible, in Landlord's reasonable discretion and in compliance with applicable laws, codes, regulations and building requirements for all work relating to the containment, removal and disposal of such ACM as necessary for such construction and agrees to bear all costs thereof.

d. Installation of Furniture Systems, Telecommunications and Other Equipment. Landlord and City acknowledge that the Tenant Improvement Work shall be completed by Landlord exclusive of the installation of furniture systems and telecommunications, data and computer cabling facilities and equipment. City shall be responsible for installing such systems, facilities and equipment, provided that Landlord shall furnish access to City and its consultants and contractors to the main telephone service serving the floors on which the Premises are located and all other parts of the Building for which access is needed for proper installation of all such systems, facilities and equipment. City shall have the right to enter the Premises and such other portions of the Building at reasonable times during the course of construction of the Tenant Improvements in order to install such systems, facilities and equipment. City and Landlord shall use their good faith efforts to coordinate any such activities to allow the Tenant Improvements and the installation of such furniture systems, telecommunications, data and computer cabling facilities and equipment to be completed in a timely and cost-effective manner. It is understood that Landlord will perform all above-ceiling work related to installation of Tenant-furnished telephone and data cable.

4. Payment for Work

All costs of the Tenant Improvement Work shall be performed at Landlord's sole cost and expense. Landlord shall not be entitled to an administrative fee from Tenant relating to the Tenant Improvement Work.

5. Substantial Completion

a. Construction Schedule. Landlord shall perform the Tenant Improvement Work in accordance with the construction schedule attached hereto as Schedule 3. In no event shall construction of the Tenant Improvements be Substantially Completed later than June 30, 1997, subject to Tenant Delays (as hereinafter defined). Landlord shall keep City apprised of the status of permit approval and the progress of construction. From time to time during the construction of the Tenant Improvements, City shall have the right upon reasonable advance oral or written notice to Landlord to enter the Premises at reasonable times to inspect the Premises, provided such inspections do not unreasonably interfere with the construction. Landlord or its representative may accompany City during any such inspection. When construction progress so permits, but not less than fifteen (15) days in advance of completion, Landlord shall notify City of the approximate date on which the Tenant Improvement Work will be Substantially Completed in accordance with the Final Plans and the provisions hereof. Landlord shall notify City when the Tenant Improvement Work is in fact Substantially Completed and the Premises are ready for occupancy by City, and City or its representatives shall be permitted to accompany Landlord or its architect on an inspection of the Premises on such date or other mutually agreeable date soon thereafter.

b. Substantial Completion. The Tenant Improvements shall be deemed to be "Substantially Completed" and "Substantial Completion" shall be deemed to occur for purposes hereof when the Tenant Improvements are sufficiently complete in accordance with the Final Plans and the terms of this Work Letter to the extent necessary to enable City to occupy the Premises and to conduct its normal business operations therein without unreasonable interference or impairment and City shall have approved the Tenant Improvements after its inspection of the Premises. City may, at its respective option, approve the Tenant Improvements even though there remain minor details that would not interfere with City's use. Landlord shall diligently pursue to completion all such details. Notwithstanding the foregoing, City shall have the right to present to Landlord within thirty (30) days after acceptance of the Premises, or as soon thereafter as practicable, a written punchlist consisting of any items that have not been finished in accordance with the Plans and the terms of this Work Letter. Landlord shall promptly complete all defective or incomplete items identified in such punchlist, and in any event within thirty (30) days after the delivery of such list. City's failure to include any item on such list shall not alter Landlord's responsibility hereunder to complete all Tenant Improvement Work in accordance with the Final Plans and the provisions hereof, nor constitute a waiver of any latent defects.

6. Delays in Construction

a. Unavoidable Delays. For purposes hereof, "Unavoidable Delays" shall mean any delays by reason of acts of God, accidents, breakage, repairs, strikes, lockouts, permit issuance without fault and beyond the reasonable control of Landlord, other labor disputes, inability to obtain labor or materials after diligent and timely efforts, enemy

action, civil commotion, protests, riots, demonstrations, federal or state governmental restrictions, or by any other reason beyond the reasonable control of the party obligated to perform. In the event of any such delays, Landlord shall give prompt written notice to City of the occurrence of such event and the projected delay in performance and thereafter shall keep City regularly informed of the status of such Unavoidable Delay.

b. Tenant Delays. Subject to any Unavoidable Delays, City shall be responsible for any delay in the construction of the Tenant Improvements due solely and directly to any of the following (collectively, "Tenant Delays"): (i) a delay in granting its reasonable approval of plans and specifications (beyond the period granted therefor), (ii) City's material changes in the Final Plans after City has approved them, (iii) a delay in excess of one week in delivery of data or telephone cables, and (iv) a delay in excess of one week in Tenant's installation of furniture systems. No such Tenant Delays in the completion of construction of the Tenant Improvement Work shall be considered in the determination of the Commencement Date of the Lease and the Tenant Improvements shall be considered to be Substantially Completed for purposes of the determination of the Commencement Date on the date by which the Tenant Improvements would have been completed if there had been no such delay. Notwithstanding the foregoing, City shall be responsible only to the extent any delays are actually caused by Tenant Delays.

c. Landlord Delays. If Landlord's delivery of possession of the Premises to City is delayed due to Landlord's failure to complete construction of the Tenant Improvements in a timely manner (subject to Tenant Delays), Landlord and Tenant shall have the rights and obligations provided in paragraph 9 of the Lease.

7. General Provisions.

FOX PLAZA NOTICE TO EMPLOYEES/CONTRACTORS

California Health and Safety Code Sections 25915-25924 requires that periodic notification be given to employees and contractors regarding commercial and public buildings in which asbestos-containing material ("ACM") is present. We are providing this notice to you in compliance with this law and to provide related information.

ACM is present at the Fox Plaza Building (the "Building") as (1) sprayed-on fireproofing covering the structural steel and other structural elements in the Building; (2) part of the core of certain fire-rated doors; (3) the insulation on pipes and similar items; and (4) as a component in some of the Building's floor tiles and its adhesive. On commercial and mechanical floors, the sprayed-on fireproofing ACM can be found in the space above the suspended ceilings, in telephone and electrical closets, in mechanical rooms, and behind drywall or plaster soffits, columns, and exterior walls. On apartment floors, the sprayed-on fireproofing ACM is generally located behind plaster or drywall soffits, ceilings, columns, and exterior walls, and is located in locked electrical closets and in certain non-accessible mechanical areas.

ACM can become a health risk by moving, drilling, boring, or otherwise disturbing it. Contractors and Employees who are not specially qualified and trained in ACM work procedures should not handle or in anyway disturb ACM. If you have any reason to believe the asbestos containing materials have been disturbed or damaged, please call the Property Manager of Fox Plaza at (415) 626-6900.

Building Management has implemented a comprehensive Asbestos Management Plan which governs asbestos-related plans and work procedures for work in or to areas of the Building in which ACM is located. All work which might in any way disturb ACM must be reviewed and approved by the Building's Asbestos Control Coordinator. The existing rigorous procedures established for the work procedures meet or exceed the relevant state and federal standards. Building Management has prepared rules for tenants and for contractors, which are part of the Asbestos Management Plan and which will require tenants, contractors and other workers to (a) obtain authorization from Building Management for work in areas of the Building in which ACM is located, and (b) to perform such work in compliance with the asbestos work procedures. The Asbestos Management Plan is designed to protect the health and safety of all occupants, and to maintain good building air quality.

Asbestos exposure can cause asbestosis and other respiratory diseases, and is listed under Proposition 65, California Health and Safety Code Sections 25249.5 - 25249.13, as a chemical known to the State of California to cause cancer. There are uncertainties surrounding the level which can cause disease. The major reason for implementing the Asbestos Management Plan is to prevent airborne asbestos exposure of Building Occupants. If you would like to obtain further information regarding potential health risks or impacts of airborne asbestos, please contact the California Occupational Safety and Health Administration at (916) 920-6123 or the Federal Occupational Safety and Health Administration at (916) 978-5641.

Air monitoring measurements have been taken annually as part of a comprehensive building-wide ambient air monitoring study by an independent industrial hygiene consulting firm, Crawford FPE Group ("F.P.E."). F.P.E. has advised the Building management that because of the stringent management programs and removal procedures put in place in Fox Plaza that fiber release has been minimized. In addition to these reports, air quality measurements have also been taken during the Building's asbestos abatement projects and for various other reasons. The sampling and laboratory procedures utilized, other specifics and the results of each air monitoring study conducted to date in the Building are described in air monitoring reports which are available for your review in the Managing Agent's Office. ACM survey reports which collectively identify the presence, type and location of ACM in the Building, and include a description of the bulk sample analysis procedures, are also maintained in the Managing Agent's Office. The most recent reports are listed below. An industrial hygiene consulting firm specializing in asbestos surveys will be conducting periodic reinspections of the ACM to monitor its condition.

The Managing Agent's Office is at the office of Calfox, Inc., 425 California Street, Suite 2300, San Francisco. The asbestos-related documents covered by the asbestos notification laws are maintained there and are available for you to review and copy, at tenant's cost, upon request during regular business hours. Also upon request, these documents can be made available at the Fox Plaza Building Office. Please do not hesitate to call the Property Manager at (415) 626-6900 if you wish to arrange for access to these materials.

City shall have two (2) remaining options to extend the Term for an additional term (each an "Extended Term", and collectively the "Extended Terms") of five (5) years each commencing upon the expiration of the existing Term, or November 30, 2008 ("Extension Options"). Upon commencement of the an Extended Term, all references in the Lease to the Term shall mean the Term as extended by that Extended Term.

(e) In addition to the improvements to the Relocation Premises, Landlord shall also be required to make the following improvements to the Tower Premises at Landlord's sole cost (the "Additional Improvements"): (i) new "green label" carpet squares and paint throughout the Tower Premises, reasonably acceptable to City; (ii) upgrades to the HVAC system to a standard equivalent to that done for Suites 900-903 and as recommended by the American Society of Heating, Refrigerating and Air-

Conditioning Engineers (ASHRAE); and (iii) such additional improvements as may be requested by City at the time of exercise of the Extension Option, and as may be agreed to or changed by the parties thereafter following consultation with Landlord's architects or agents, with a tenant allowance of \$100,000, provided City may request additional work above the allowance if City agrees to pay Landlord for the work above the allowance. Landlord shall complete the Additional Improvements after normal working hours pursuant to a schedule approved by City, but in no event later than November 30, 2008, and such work shall be completed in a manner designed to minimize any disruption to City's business.

(f) City may exercise the Extension Option (s), if at all, by giving written notice to Landlord no later than January 1, 2008 for the first Extension Option and January 1 2013 for the second Extension Option; provided, however, if Landlord has not completed the space plans and specifications for the Relocation Premises and the Tower Premises by January 1, 2008 for the first Extension Option, then City shall have the right to extend the notice date for the first Extension Option to the date that is ten (10) days following Landlord's completion of such plans and specifications reasonably acceptable to City. If City is in material default hereunder on the date of giving such notice and fails to cure such default following notice as provided herein, Landlord may reject such exercise by delivering written notice thereof to City promptly after any such failure to cure. If, for any reason, the Relocation Premises are not ready for City's occupancy by the start of the first Extended Term, the Lease shall continue on all of the terms and conditions set forth herein, including but not limited to the Base Rent set forth in subparagraph (a) above, provided, City shall not be required to vacate the Second Floor Pad Premises and move into the Relocation Premises until the Relocation Premises are (i) substantially complete and ready for City's occupancy, and (ii) Landlord has completed the relocation of City. If, for any reason, the Relocation Premises or the Additional Improvements to the Tower Premises are not ready for City's occupancy by the June 30, 2009, City shall have the right to terminate the Lease anytime thereafter, without cost or penalty, by providing Landlord with thirty (30) days' advance written notice.

(g) Landlord acknowledges and agrees that City's notice of its intent to exercise each Extension Option shall be subject to enactment of a resolution by the Board of Supervisors and the Mayor, in their respective sole and absolute discretion, approving and authorizing the same no later than ninety (90) days after the date such notice of exercise is given. If such approval and authorization is not received by Landlord on or before such date(s), City's Extension Option shall terminate and City shall have no further option to extend the Term.
