12 SEC. 5.240. ESTABLISHMENT AND PURPOSE.

13 There shall be established a City Hall Preservation Advisory Commission for the purpose of
14 ensuring that City Hall is maintained and preserved in a manner befitting its historic and architectural
15 significance. San Francisco's City Hall is a national landmark and a valued legacy to the people of
16 this city. After its completion in 1915, it suffered a process of gradual alteration and degradation until
17 the Loma Prieta earthquake of 1989 forced its temporary closure. Inadequate repair and maintenance
18 contributed to the decline. Between 1989 and 2000, in addition to earthquake retrofitting, the City did
19 extensive work to repair and refurbish City Hall and to reverse many alterations which had
20 compromised the building's historical integrity. This Commission is intended to be an advisory body
21 responsible for ensuring that the building's historical character and beauty are preserved henceforth
