12 arm's length to, any other business.

13 (2) The business is continuously in operation.

14 (3) The business is a for-profit enterprise.

15 (4) The business performs a commercially useful function.

16 (5) The business maintains its principal place of business in a fixed office within the
17 geographic boundaries of the City that provides all of the services for which LBE certification
18 is sought, other than work required to be performed at a job site; provided, however, that
19 suppliers are not required to maintain their principal place of business in San Francisco, but
20 are required to maintain a fixed office in San Francisco that meets all of the requirements of
21 this Section other than the principal place of business requirement.

22 An office is a fixed and established place of business, including a qualified home office,
23 where business is conducted on a regular basis of the type for which certification is sought. A

5 construction project office, or work space provided in exchange for services, as opposed to
6 monetary rent.

7 To establish a principal place of business in San Francisco, a business must
8 demonstrate that the majority of its principals are based in the San Francisco office, and that it
9 pays San Francisco payroll taxes on at least 51% of its total payroll.

18 certifications, or, where licensing is not required, relevant training and experience that are
19 appropriate for the type of business for which the business seeks certification.

20 (9) The business is owned and controlled as defined herein by individuals who reside in
21 the United States or its territories.

22 (10) The business has average gross annual receipts in the prior three fiscal years that

5 goods/materials/equipment and general services - \$7,000,000; (4) professional services and
6 architect/engineering - \$2,500,000; and (5) trucking - \$3,500,000. The City shall determine
7 gross receipts, according to recognized accounting methodologies that the City determines
8 most accurately reflect the actual money that the business received during the relevant
9 period. Any business under common ownership, in whole or in part, with any other business
10 meets the requirements of this subparagraph only if the aggregate gross annual receipts of all
11 of the businesses under such common ownership do not exceed these limits. All businesses
12 owned by married spouses or domestic partners are considered under common ownership
13 unless the businesses are in unrelated industries and no community property or other jointly
14 owned assets were used to establish or are used to operate either business.

15 (C) Criteria for Micro - LBE. The Director shall certify as a "Micro - LBE" any business
16 that meets the requirements in 14B.3(A) and also has average gross annual receipts in the
17 prior three fiscal years that do not exceed the following limits: (1) public works/construction -
18 \$7,000,000; (2) specialty construction contractors - \$3,500,000; (3)
19 goods/materials/equipment and general services - \$3,500,000; (4) professional services and
20 architect/engineering - \$1,250,000; and (5) trucking - \$1,750,000. The City shall determine
21 gross receipts, according to recognized accounting methodologies that the City determines
22 most accurately reflect the actual money that the business received during the relevant
23 period. Any business under common ownership, in whole or in part, with any other business
24 meets the requirements of this subparagraph only if the aggregate gross annual receipts of all
25 of the businesses under such common ownership do not exceed these limits. All businesses

1 owned by married spouses or domestic partners are considered under common ownership
2 unless the businesses are in unrelated industries and no community property or other jointly
3 owned assets were used to establish or are used to operate either business.

7 Business Administration benchmarks: (1) public works/construction - \$33.5 million; (2) specialty
8 construction contractors - \$17 million; (3) goods/materials/equipment and general services - \$17
9 million; (4) professional services and architect/engineering - \$7 million and (5) trucking - \$8.5 million.

10 ~~This certification is available to graduated LBE firms and to other firms that meet these~~
11 ~~criteria.~~ The City shall determine gross receipts, according to recognized accounting methodologies
12 that the City determines most accurately reflect the actual money that the business received during the
13 relevant period. Any business under common ownership, in whole or in part, with any other business
14 meets the requirements of this subparagraph only if the aggregate gross annual receipts of all of the
15 businesses under common ownership do not exceed these limits. All businesses owned by married
16 spouses or domestic partners are considered under common ownership unless the businesses are in
17 unrelated industries and no community property or other jointly owned assets were used to establish or
18 are used to operate either business.

19
20 Section 2. The San Francisco Administrative Code is hereby amended by amending
21 Section 14B.7, to read as follows:

22 **SECTION 14B.7. PRIME CONTRACTS**

23 A) Good Faith Efforts to Obtain LBE Bids on Contracts Subject to this Ordinance.
24 Contract awarding authorities shall use good-faith efforts for all contracts subject to the
25 discount provisions of this Ordinance to solicit and to obtain bids from the broadest possible

1 range of LBEs and to ensure that neither MBEs nor WBEs nor OBEs are arbitrarily excluded
2 from participation. Good faith efforts shall include the following.

3 (1) Arranging contracts by size and type of work to maximize the opportunities for
4 LBEs to participate. This includes dividing projects into smaller parts.

5 (a) As soon as practical before soliciting bids or proposals, contract awarding
6 authorities shall submit large contract proposals to the Director for review. The Director shall
7 determine whether the proposed contract can be divided into smaller contracts so as to
8 enhance the opportunity for participation by LBEs. For purposes of this paragraph, "large
9 project" means any public works/construction contract estimated to cost more than
10 \$5,000,000, any professional services contract estimated to cost more than \$100,000, and
11 any multiple year commodities contract with a term greater than one year, including any
12 options to renew or extend.

13 (b) If the Director determines, after consulting with the contract awarding authority,
14 that the contract can be divided into smaller contracts, then the Director and the contract
15 awarding authority shall confer regarding all of the costs and benefits of soliciting the contract
16 as a single contract or dividing it into smaller contracts, including but not limited to the
17 potential for enhanced opportunities for LBE participation as prime contractors, the potential
18 for LBE participation as subcontractors, relative costs, administrative issues, and any other
19 matters relevant to the accomplishment of the purpose of the subject contract or contracts. If,
20 after exchanging information and conferring regarding these issues, the contract awarding
21 authority and the Director are unable to agree on whether or how the contract divided into
22 smaller contracts, or on the size and number of contracts, the Mayor or the Mayor's designee
23 shall resolve the matter.

24 (2) Encouraging LBEs to attend prebid meetings that are held to inform potential
25 bidders of contracting opportunities.

1 (3) Advertising in general circulation media, trade association publications and local
2 business media, and posting the contracting opportunity on the Department's website or other
3 centralized City website.

4 (4) Notifying LBEs that are certified to perform the work contemplated in a contract
5 and soliciting their interest in the contract.

6 (5) Providing LBEs with adequate information about the plans, specifications and
7 requirements of the contract.

8 (6) When allowed by local laws governing City contracting, negotiating with LBEs in
9 good faith.

10 (7) Using the services of community and contractors' groups to assist in the
11 recruitment of LBEs.

12 (8) For professional services, general services, architectural/engineering and
13 commodities contracts, the estimated cost of which exceeds \$10,000 but is less than the
14 minimum competitive amount or for public works/construction contracts, the estimated cost of
15 which exceeds \$10,000 but is less than the threshold amount, contract awarding authorities
16 are not required to undertake the good faith efforts steps set forth in Sections 14B.7(A)(3)
17 when it is impracticable to do so.

18 (B) Best Efforts on Contracts Not Otherwise Subject to this Ordinance. In the award of
19 leases, franchises, concessions, and other contracts not subject to the discount provisions of
20 this Ordinance, contract awarding authorities shall utilize the good faith efforts steps unless
21 impracticable to do so. At a minimum, contract awarding authorities should notify LBEs that
22 are certified to perform the work contemplated in a contract and solicit their interest in the
23 contract.

24 (C) Non-Discrimination in Prime Contracting. Contract awarding authorities shall
25 ensure that all aspects of the contracting process are free from discrimination against any

1 person on any basis prohibited by law, and ensure broad contracting opportunities for all
2 categories of LBEs. Contract awarding authorities shall maintain such documentation of their
3 selection process as required by the Director to monitor and ensure compliance with this
4 provision.

5 (D) Contracts Subject to Prime Bidding Discounts. Unless otherwise provided in this
6 Ordinance, contract awarding authorities shall apply discounts to all contracts the estimated
7 cost of which exceeds \$10,000.

8 (E) Amount of Discount. Unless otherwise provided in this Ordinance, contract
9 awarding authorities shall apply a 10% discount to any bid from a Small - LBE or Micro - LBE.
10 ~~Unless otherwise provided in this Ordinance, contract awarding authorities shall apply a 2%~~
11 ~~bid discount to any bid from an SBA-LBE.~~ Contract awarding authorities shall apply these
12 discounts to each stage of the selection process, including qualifications, proposals and
13 interviews.

14 If after the application of the discounts provided for in this Subsection 14B.7(E) or
15 Subsection 14B.7 (F) to any bid or proposal from a Small or Micro-LBE, the apparent low
16 bidder or highest ranking proposer is not a Small or Micro-LBE, contract awarding authorities
17 shall apply a 2% bid discount to any bid or proposal from an SBA-LBE. Contract awarding
18 authorities shall apply this 2% discount to each stage of the selection process, including
19 qualifications, proposals and interviews, except that the 2% discount for SBA-LBEs shall not
20 be applied at any stage if it would adversely affect a Small or Micro-LBE. For contracts
21 estimated by the contract awarding authority to cost in excess of \$10,000,000 but less than
22 \$20,000,000, contract awarding authorities shall apply a 2% discount to any bid or proposal
23 from an SBA-LBE

24 (F) Joint Ventures For Professional Services and Architecture/Engineering. Unless
25 otherwise provided in this Ordinance, contract awarding authorities shall extend the following

1 bid/rating discount to all bids, proposals and contracts from Small and Micro-LBEs on
2 professional services and architecture/engineering prime contracts: (1) five percent to a joint
3 venture with Small and/or Micro-LBE prime contractor participation that equals or exceeds 35
4 percent but is under 40 percent; (2) seven and one-half percent to a joint venture with Small
5 and/or Micro-LBE prime contractor participation that equals or exceeds 40 percent; (3) ten
6 percent to a Small and/or Micro-LBE prime contractor or a joint venture among Small and/or
7 Micro-LBEs prime contractors. Contract awarding authorities shall apply the bid/rating
8 discount to each stage of the selection process, including qualifications, proposals and
9 interviews.

10 The contract awarding authority shall apply the joint venture bid/ratings discount only to
11 professional services and architecture/engineering contracts and only to a joint venture (1)
12 that meets the requirements contained in this Ordinance, and (2) when the LBE is an active
13 partner in the joint venture, performs work, manages the job and takes financial risks in
14 proportion to the required level of participation stated in the bid documents, is responsible for
15 a clearly defined portion of the work to be performed, and shares proportionately in the
16 ownership, control, management responsibilities, risks, and profits of the joint venture. The
17 portion of the LBE joint venture's work shall be set forth in detail separately from the work to
18 be performed by the non-LBE joint venture partner. The LBE joint venture's portion of the
19 contract must be assigned a commercially reasonable dollar value.

20 (G) Affidavit. Each bidder, proposer and contractor shall be required to sign an
21 affidavit declaring under penalty of perjury its intention to comply fully with the provisions of
22 this Ordinance and attesting to the truth and accuracy of all information provided regarding
23 such compliance.

24 (H) Additional Requirements and Required Contract Terms. Contract awarding
25 authorities shall include in all contracts with their contractors, and all contractors shall include

1 in their contracts with subcontractors the following requirements, in addition to other
2 requirements set forth in the Municipal Code. For the purposes of this Section, "contractor"
3 includes all subcontractors.

4 (1) Each contract shall incorporate this Ordinance by reference, shall require
5 contractors to comply with its provisions in awarding and administering such contracts, and
6 shall provide that the willful failure of any bidder or contractor to comply with the requirements
7 of this Ordinance or rules and regulations implementing this Ordinance shall be deemed a
8 material breach of contract.

9 (2) Contracts shall provide that in the event that the Director finds that any bidder,
10 subcontractor or contractor willfully fails to comply with any of the provisions of this Ordinance,
11 rules and regulations implementing the Ordinance, or contract provisions pertaining to LBE,
12 MBE, WBE, OBE or Micro-LBE participation, outreach, or non-discrimination, the bidder,
13 subcontractor or contractor shall be liable for liquidated damages for each contract in an
14 amount equal to the bidder's or contractor's net profit on the contract, 10 percent of the total
15 amount of the contract or \$1,000, whichever is greatest, as determined by the Director. All
16 contracts shall also contain a provision in which the bidder, subcontractor or contractor
17 acknowledges and agrees that the liquidated damages assessed shall be payable to the City
18 upon demand and may be set off against any monies due to the bidder, subcontractor or
19 contractor from any contract with the City.

20 (3) Contracts shall require all contractors to maintain records, including such
21 information requested by the Director or Commission, necessary for monitoring their
22 compliance with this Ordinance. Contracts shall require prime contractors to include in any
23 subcontract with a LBE a provision requiring the subcontractor to maintain the same records.
24 Contracts shall require contractors and subcontractors to maintain such records for three
25

1 years following completion of the project and shall permit the Director, Commission and
2 Controller to inspect and audit such records.

3 (4) Contracts shall require prime contractors, during the term of the contract, to fulfill
4 the LBE participation commitments submitted with their bids. Willful failure to comply with the
5 level of LBE subcontractor participation specified in the contract shall be deemed a material
6 breach of contract.

7 (5) Contracts shall require, and shall require prime contractors to include in any
8 subcontract with a LBE a provision requiring, the prime contractor to compensate any LBE
9 subcontractor for damages for breach of contract or liquidated damages equal to 5% of the
10 subcontract amount, whichever is greater, if the prime contractor willfully fails to comply with
11 its commitment to use the LBE subcontractor as specified in the bid/proposal unless the
12 Director and the contract awarding authority both give advance approval to the prime
13 contractor to substitute subcontractors or otherwise modify the commitments in the
14 bid/proposal documents. This provision shall also state that it is enforceable in a court of
15 competent jurisdiction.

16 (6) Contracts shall require prime contractors, whenever amendments, modifications,
17 supplements, or change orders cumulatively increase the total dollar value of the contract by
18 more than 10 percent, to comply with those provisions of this Ordinance that applied to the
19 original contract with respect to the amendment, modification, supplement or change order.

20 (7) Contracts shall require prime contractors to submit to the Director for approval all
21 contract amendments, modifications, supplements, and change orders that cumulatively
22 increase by more than 20 percent the total dollar value of all contracts originally valued at
23 \$50,000 or more. The Director shall review the proposed amendment, modification,
24 supplement or change order to correct any contracting practices that exclude any category of
25 LBEs from new contracting opportunities.

1 (8) Contracts in which subcontracting is used shall prohibit back contracting to the
2 prime contractor or lower-tier subcontracting for any purpose inconsistent with the provisions
3 of this Ordinance, rules and regulations adopted pursuant to this Ordinance, or contract
4 provisions pertaining to LBE utilization.

5 (9) Contracts in which subcontracting is used shall require the prime contractor to pay
6 its subcontractors within three working days after receiving payment from the City unless the
7 prime contractor notifies the Director in writing within 10 working days prior to receiving
8 payment from the City that there is a bona fide dispute between the prime contractor and the
9 subcontractor, in which case the prime contractor may withhold the disputed amount but shall
10 pay the undisputed amount. The Director may, upon making a determination that a bona fide
11 dispute exists between the prime contractor and subcontractor, waive this three-day payment
12 requirement. In making the determination as to whether a bona fide dispute exists, the
13 Director shall not consider the merits of the dispute. Contracts in which subcontracting is used
14 shall also require the contractor, within 10 working days following receipt of payment from the
15 City, to file an affidavit, under penalty of perjury, that he or she has paid all subcontractors.
16 The affidavit shall provide the names and address of all subcontractors and the amount paid
17 to each.

18 (I) Exceptions.

19 (1) The bid discount provisions of this Ordinance *for Small and Micro-LBEs* are not
20 applicable to any contract estimated by the contract awarding authority to cost in excess of
21 \$10,000,000~~7~~, *and the bid discount provisions of this Ordinance for SBA-LBEs are not applicable to*
22 *any contract estimated by the contract awarding authority to cost less than \$400,000 ~~\$5,000,000~~*
23 *and in excess of \$20,000,000.*

24 (2) Notwithstanding any other provision of this Section, contract awarding authorities
25 shall not apply a discount where to do so would result in a contract being awarded to a

1 business without the capacity to perform it. The Commission may adopt rules and regulations
2 setting standards for determining that an LBE has sufficient skill, experience, and financial
3 capacity to perform the contract.

4 (J) Waivers. The Director shall waive the LBE bid discounts, and report the waiver to
5 the Commission, if:

6 (1) The Director finds, with the advice of the contract awarding authority and the
7 Office of Contract Administration, that needed goods or services are available from a sole
8 source that is qualified to do business with the City;

9 (2) The contract awarding authority certifies in writing to the Director, prior to the
10 Controller's contract certification, that the contract is being awarded under the emergency
11 provisions of Administrative Code Section 6.60 or Administrative Code Section 21.15 and that
12 there is either (i) no time to apply bid discounts or establish subcontracting goals, or (ii) no
13 immediately available LBEs that are capable of performing the emergency work; or

14 (3) For contracts in excess of \$5,000,000, a contract awarding authority establishes
15 that sufficient qualified LBEs capable of providing the needed goods and services required by
16 the contract are not available, or the application of the LBE discount will result in significant
17 additional costs to the City if the waiver of the bid discount is not granted.

18 (K) ~~Pilot~~ Micro-LBE Set-Aside Program. Each fiscal year, the Contract awarding
19 departments in consultation with the ~~The Director may shall~~ set aside for competitive award to
20 Micro - LBEs ~~any of the following~~ not less than 50% of the ~~contracts that fall within each of the~~
21 ~~following categories:~~

22 (1) Public work/construction contracts where the estimated contract amount is equal to
23 or less than \$400,000; ~~250,000;~~

24 (2) ~~Contracts other than public work/construction contracts where the contract amount~~
25 ~~is equal to or less than \$100,000.~~

1 In order to satisfy the requirement to set aside not less than 50% of the contracts that fall within
2 this category each of these categories, contract awarding departments may count Job Order
3 Contracts, without limitation as to dollar value, that the department has set aside for Micro-LBEs
4 under Administrative Code Section 6.62(C).

5 Other contracts. Each fiscal year, the contract awarding departments in consultation
6 with the Director shall set aside for competitive award to Micro - LBEs contracts other than
7 public work/construction contracts where the estimated contract amount is equal to or less
8 than \$100,000 . The contract awarding departments shall have a goal of setting aside in each
9 fiscal year 25% of all contracts that fall within this category, but 120 days from the effective
10 date of this Subsection, the 25% goal shall become a requirement.

11 (3) The competitive award requirements of the Municipal Code shall otherwise apply to
12 contracts in the set-aside program, except that if (a) fewer than two Micro - LBEs submit bids,
13 or (b) the contract awarding authority determines that the contract would not be awarded at a
14 fair market price, then the contract awarding authority may reject all bids and remove the
15 contract from the set-aside program.

16 ~~(4) The Director shall have a goal of setting aside in each fiscal year 25% of all contracts that~~
17 ~~are eligible to be set aside in each fiscal year.~~

18 (4) In the year 2010, contract awarding departments must make the following disclosures to
19 the Board of Supervisors each quarter. Thereafter, beginning in 2011, contract awarding departments
20 must make the following disclosures to the Board of Supervisors every year when the contract
21 awarding department makes its annual budget submission to the Board of Supervisors. These
22 disclosures shall include: (1) the number of contracts and the amount of each contract awarded under
23 the Micro – LBE set-aside program; and (2) all public work/construction contracts equaling \$400,000
24 or less not awarded under this program, and all other contracts equaling \$100,000 or less not awarded
25 under this program, accompanied by an explanation as to why the contract was not set-aside for award

1 under this program, or, if set aside, whether it was subsequently not awarded or awarded under any
2 other procedure.

3 (5) Contracts that are set-aside for award to Micro - LBEs shall not be subject to
4 subcontracting goals under Section 14B.8. Micro - LBEs that subcontract any portion of a set-
5 aside contract should subcontract to businesses certified as Micro - LBEs, to the maximum
6 extent possible. Micro - LBEs that subcontract any portion of a set-aside contract must serve
7 a commercially useful function based on the contract's scope of work, and must perform at
8 least ~~50%~~ 25% of the contract work.

9 (L) Prompt payment. The City shall pay LBEs within 30 days of the date on which the
10 City receives an invoice for work performed for and accepted by the City. The Controller shall
11 work with the Director and contract awarding authorities to implement this Citywide prompt-
12 payment policy. The City shall consult with affected community members and relevant City
13 officials, including the Director, the Controller, and contract awarding authorities, to design
14 and implement a prompt payment program within six (6) months of the effective date of this
15 Ordinance. Such program shall include procedures for the payment of late penalties where
16 prompt payment does not occur.

17 (M) Application of Chapter 14B. Within 60 days of the effective date of this
18 Subsection, contract awarding departments shall report to the Board of Supervisors on their
19 implementation, and recommendations for any amendment, of the requirement in Sections
20 14B.7(E) and (F) that contract awarding authorities shall apply the discounts authorized by
21 those sections "to each stage of the selection process, including qualifications, proposals and
22 interviews."

23 Section 3. The San Francisco Administrative Code is hereby amended by amending
24 Section 14B.8, to read as follows:

25 **SECTION 14B.8. SUBCONTRACTING.**

1 (A) **LBE Participation Goals.** Prior to soliciting bids or proposals, contract awarding
2 authorities shall provide the Director with a proposed job scope for all public
3 work/construction, and for all architect/engineering, professional service and general service
4 contracts that exceed 50% of the minimum competitive amount or threshold amount. The
5 contract awarding authority may ask the Director to waive subcontracting goals where it
6 anticipates that there are no subcontracting opportunities or there are not sufficient LBEs
7 available to perform the subcontracting work available on the contract.

8 The Director shall set LBE subcontracting participation goals for each such contract,
9 where appropriate, based on the following factors:

10 (1) The extent of subcontracting opportunities presented by the contract; and

11 (2) The availability of Small and Micro-LBE subcontractors capable of providing goods
12 and services on the contract.

13 Contractors shall satisfy the LBE subcontracting participation goals by using Small and
14 Micro-LBEs with the following exception. If the Director determines there are not sufficient
15 Small and Micro-LBEs available to perform the subcontracting work on the contract, the
16 Director may set goals based on the availability of all LBEs and permit contractors to satisfy
17 the goals by using Small, Micro or SBA-LBEs, or may set separate goals for Small and Micro-
18 LBE s and for SBA-LBEs.

19 (B) Satisfaction of Good Faith Efforts Requirements. At the time of a bid or proposal, all bids
20 and proposals must meet the LBE subcontracting participation ~~subcontractor and subconsultant~~
21 goals set by the Director, and also must conduct good faith efforts and file evidence of good faith
22 efforts as required in Sections 14B.(D) and (E) respectively, with the following exception. If upon
23 submission of a bid or proposal, the bid or proposal ~~demonstrates~~ provides for a total LBE
24 ~~participation rate~~ that exceeds by 35% the established LBE subcontracting participation
25 ~~subcontractor and subconsultant~~ goal of the bid or proposal, the contractor will not be

1 required to conduct good faith efforts or to file evidence of good faith efforts as required in Sections
2 14B.(D) and (E). For the sole purpose of determining whether a bid or proposal exceeds by
3 35% the established LBE subcontracting participation goal, and therefore exempts the
4 contractor from the requirement to conduct and file evidence of good faith efforts, participation
5 by the ~~The following LBEs shall be counted~~ considered in determining the total LBE
6 ~~participation on a bid or proposal rate:~~ Small and Micro- LBE prime contractors, Small and
7 Micro-LBE joint venture partners, and Small and Micro- LBE subcontractors and subconsultants.
8 Participation by SBA-LBE firms as subcontractors and subconsultants shall be counted if
9 under subsection 14B(8)(A), the Director permitted use of SBA-LBE firms to satisfy
10 subcontracting goals on the contract.

11 (~~CB~~) Bids or proposals that do not meet the LBE participation goal set under 14B.8(A)
12 will be rejected as non-responsive unless the Director finds that the bidder diligently undertook
13 all the good faith efforts required by this Ordinance and that the failure to meet the goal
14 resulted from an excusable error. The contract awarding authority shall require bidders or
15 proposers on the contracts to contact a LBE before listing that LBE as a subcontractor in the
16 bid or proposal. A bid or proposal that fails to comply with this requirement will be rejected as
17 non-responsive. In addition only LBE's that have been contacted and agreed to be listed as
18 subcontractors shall be credited toward meeting the LBE participation goal.

19 (~~DE~~) Good Faith Outreach. In addition to meeting the LBE participation goal bidders
20 shall undertake good faith outreach as set forth in this Section 14B.8(~~DE~~) to select
21 subcontractors to meet LBE goals, except that bidders on public works/construction contracts
22 for less than the threshold amount are not required to undertake the good faith efforts steps
23 set forth in Sections 14B.8(~~DE~~)(3) when it is impracticable to do so. Bids or proposals from
24 bidders who fail to undertake the adequate good faith outreach steps and/or who fail to submit
25 the applicable documentation of such good faith outreach required in Section 14B.8(~~ED~~) shall

1 be declared nonresponsive, unless they meet the exception in Section 14B.8(B). The Human
2 Rights Commission shall by Rule and Regulation assign a numeric value to each of the good
3 faith outreach steps listed below. Adequate good faith outreach shall be a minimum of 80
4 points with a total of 100 points possible.

5 (1) Attending any presolicitation, or prebid, or pre-proposal meetings scheduled by the
6 City to inform all bidders of LBE program requirements for the project for which the contract is
7 awarded;

8 (2) Identifying and selecting subcontracting opportunities to meet LBE goals;

9 (3) Advertising for LBE subcontractors by posting the opportunity in an accessible
10 location, specified by the City, not less than 10 calendar days before the date the bids can first
11 be submitted. The advertisement must include information where bidders may obtain
12 adequate information about the plans, specifications, requirements for the work. This
13 paragraph applies only if the City gave public notice of the project not less than 15 calendar
14 days prior to the date the bids can first be submitted;

15 (4) Not less than 10 calendar days before the date the bids can first be submitted,
16 contacting at least the requisite number of LBEs by trade certified to perform the identified
17 work required by the 14B Rules and Regulations, and

18 (5) Performing follow-up contact on the initial solicitation with interested
19 subcontractors or subconsultants and negotiating in good faith with LBEs, as set forth in the
20 14B Rules and Regulations, and not unjustifiably rejecting their bids or proposals.

21 (6) Advising and assisting interested LBEs that are bidding on and performing City
22 public work and construction contracts with the City's bonding and financial assistance
23 programs to obtain bonds, lines of credit, or insurance required by the City or the bidder.

24 (~~E-D~~) Documentation of Good Faith Outreach. Each bid and proposal shall document
25 good faith outreach and include the documentation with the bid. Such documentation shall

1 include: (1) the dollar amount of each subcontract and a statement of the scope of work to be
2 performed under the subcontract; (2) the identification of each subcontract awarded to an LBE
3 and, (3) for each subcontract, copies of the subcontractor bids submitted. Such
4 documentation shall contain at least the bid amount and a description of the scope of work,
5 and separately, for each subcontract, a full and complete statement of the reason(s) for
6 selection of the subcontractor. If the reason is based on relative qualifications, the statement
7 must address the particular qualifications at issue. If the reason is the bid's respective dollar
8 amounts, the statement must state the amounts and describe the similarities and/or
9 dissimilarities in the scope of work covered by the bids. If no written bids were submitted by
10 some or all of the subcontractors who bid the job, the bidder shall submit a written statement
11 containing (1) the amount of each oral bid; and (2) separately, for each subcontract, a full and
12 complete statement of the reason(s) for selection of the subcontractor. Bidders shall maintain
13 the documentation described in this paragraph for three years following submission of the bid
14 or completion of the contract, whichever is later.

15

16 Section 9. The San Francisco Administrative Code is hereby amended by amending
17 Section 14B.13 to read as follows:

18 **SECTION 14B.13. POWERS AND DUTIES OF CONTRACT AWARDING AUTHORITIES.**

19 (A) In addition to the powers and duties given to contract awarding authorities
20 elsewhere, contract awarding authorities shall:

21 (1) Adjust bid bonding and insurance requirements in accordance with the most current
22 version of the City's "Contract Insurance Manual" or as otherwise authorized by the City Risk
23 Manager, Department of Administrative Services.

24

25

1 (2) Use the City's Surety Bonding Program set forth in Section 14B.16 to assist LBEs
2 bidding on and performing City public works/construction contracts to meet bonding
3 requirements and/or obtain construction loans.

4 (3) Submit to the Office of Contract Administration (OCA) in electronic format or a
5 format specified by the OCA, all bid opportunities, requests for proposals and solicitations for
6 which published notice or advertising is required, no later than 10 calendar days prior to the
7 due date of the bid opportunity, request for proposals or solicitation. A contract awarding
8 authority must obtain a waiver from its commission, or in the case of a department that has no
9 commission, from the Board of Supervisors, if it cannot meet the requirements of this Section.

10 (4) Impose such sanctions or take such other actions as are designed to ensure
11 compliance with the provisions of this Ordinance, which shall include, but are not limited to:

12 (a) Refuse to award a contract.

13 (b) Order the suspension of a contract.

14 (c) Order the withholding of funds.

15 (d) Order the revision of a contract based upon a material breach of contract provisions
16 pertaining to LBE participation or outreach to MBEs, WBEs, or OBEs.

17 (e) Disqualify a bidder, contractor, subcontractor, or other business from eligibility for
18 providing goods or services to the City for a period not to exceed five years, based on the
19 standards set forth in this Ordinance and rules and regulations promulgated by the
20 Commission. Any business disqualified under this subsection shall have a right to review and
21 reconsideration by the Commission after two years upon a showing of corrective action
22 indicating that violations are not likely to recur.

23 (5) Not award any contract to a person or business that is disqualified from doing
24 business with the City under the provisions of this Ordinance.

25

1 (6) Designate a staff person to be responsible for responding to the Director and
2 Commission regarding the requirements of this Ordinance.

3 (7) Maintain accurate records as required by the Director and the Commission for each
4 contract awarded, its dollar value, the nature of the goods or services to be provided, the
5 name of the contractor awarded the contract, its identity as a Small-LBE, Micro - LBE, MBE,
6 WBE or OBE, the efforts made by the contract awarding authority to solicit bids from LBEs,
7 including Micro - LBEs, MBEs, WBEs and OBEs, responses received from such businesses,
8 and a full and complete statement of the reason(s) for selection of the contractor addressing
9 the particular qualifications at issue.

10 (8) Where feasible, provide technical assistance to LBEs to increase their ability to
11 compete effectively for the award of City contracts.

12 (9) Work with the Director and the Controller to implement a City-wide prompt-payment
13 policy requiring that LBEs be paid by the City within 30 days of the date on which the City
14 receives an invoice from a LBE for work performed for the City.

15 (10) Provide the Director with written notice of all contract amendments, modifications,
16 supplements and change orders that cumulatively result in an increase or decrease of the
17 contract's dollar amount of more than 10 percent. Such notice shall be provided within 10
18 days of each such contract modification.

19 (11) Whenever contract amendments, modifications, supplements or change orders
20 cumulatively increase the total dollar value of a contract by more than 10 percent, the contract
21 awarding authority shall require compliance with those provisions of this Ordinance that
22 applied to the original contract.

23 (12) All contract amendments, modifications, supplements or change orders that
24 cumulatively increase by more than 20 percent the total dollar value of all contracts originally
25 valued at \$50,000 or more shall be subject to prior approval of the Director, who shall review

1 the proposed amendment, modification, supplement or change order to correct contracting
2 practices that exclude Small-LBEs or Micro - LBEs from new contracting opportunities or
3 discriminate against MBEs, WBEs or OBEs.

4 (B) Contract awarding authorities or departments may invite, encourage or request
5 businesses to joint venture on any professional services or architecture/engineering contact to
6 promote LBE participation.

7 (C) For the purpose of determining LBE participation, contracts awarded to joint
8 ventures in which one or more LBEs are combined with one or more business that are not
9 LBEs shall be deemed by the contract awarding authority to be awarded to LBEs only to the
10 extent of the LBE participation in the joint venture.

11 (D) Subject to the budgetary and fiscal provisions of the San Francisco Charter and to
12 any limitations or requirements associated with the issuance of municipal financings, including
13 but not limited to the use of tax-exempt financing and other long-term obligations, contract
14 awarding authorities shall set aside the following percentage of the value of each contract, as
15 defined in Section 14B.2, to fund the administration and enforcement of this Chapter 14B by
16 the HRC. Such funds shall be used solely for the actual costs of administering and enforcing
17 this Chapter. The HRC shall provide monthly statements to contract awarding authorities and
18 the Controller's Office that account for all expenditures related to administering and enforcing
19 this Chapter, broken down by staff member, project, and activity. Any funds that are not
20 expended on the actual costs of administration and enforcement relating to the subject
21 contract shall be returned to the source fund as soon as practicable. This Section 14B.13 (D)
22 shall not apply to contracts that are funded by bonds that were authorized prior to the effective
23 date of this Ordinance.

1 (1) For contracts having an estimated value under \$1 million, the contract awarding
2 authority shall set aside 2% of the value of the contract for the purpose described in this
3 Section.

4 (2) For contracts having an estimated value of at least \$1 million but less than \$10
5 million, the contract awarding authority shall set aside 1% of the value of the contract for the
6 purpose described in this Section.

7 (3) For contracts having an estimated value of at least \$10 million but less than \$50
8 million, the contract awarding authority shall set aside .5% of the value of the contract for the
9 purpose described in this Section.

10 (4) For contracts having an estimated value of \$50 million or more, the HRC Director, in
11 consultation with the contract awarding authority, shall determine the level of funding
12 necessary to administer and enforce this Ordinance with respect to the subject contract,
13 provided that the funding shall not exceed .5% of the value of the contract. The contract
14 awarding authority shall set aside the designated funds to be used solely for the purpose
15 described in this Section.

16 (5) Notwithstanding Sections 14B.13 (D)(1), (2), (3) and (4), for the Port of San
17 Francisco, the San Francisco Public Utilities Commission, the San Francisco Department of
18 Public Works and the San Francisco International Airport, each such contract awarding
19 authority and the HRC Director shall confer and jointly shall estimate the costs of
20 administering and enforcing this Chapter with respect to each contract to be issued by each
21 such contract awarding authority. The contract awarding authority shall set aside the agreed-
22 upon funds to be used solely for the purpose described in this Section.

23 If, after exchanging information regarding the nature of the contract and the
24 administrative activities required, the contract awarding authority and the Director do not
25 agree on the cost of administering and enforcing this Chapter, the Mayor or the Mayor's

1 designee shall determine the appropriate amount to be set aside for the purpose described in
2 this Section.

3 The Human Rights Commission shall report on compliance by contract awarding
4 authorities with set-asides determined under this Section 14B.13 (D)(5) and on the agreed
5 upon funds for contract awarding authorities under 14B.13 (D)(5) in the Commission's annual
6 report under Section 14B.15 (B).

7 The Board of Supervisors shall assess the operation of this Section 14B.13 (D)(5) in its
8 three-year review under Section 14B.18 (H).

9

10 Section 11. The San Francisco Administrative Code is hereby amended by amending
11 Section 14B.15 to read as follows:

12 **SECTION 14B.15. REPORTING AND REVIEW.**

13 (A) Reporting by the Director. Commencing January 1, 2007, and no later than the first
14 day of every third month thereafter, the Director shall issue a written report to this Board. That
15 report shall document each City department's performance under the terms of this Ordinance,
16 including, among other things, each City department's progress in meeting LBE goals and
17 ensuring non-discrimination against MBEs, WBEs, and OBEs, and the success of each
18 department's prime contractors in complying with the LBE subcontracting provisions of this
19 Ordinance and ensuring non-discrimination against MBEs, WBEs, and OBEs. That report
20 shall also state the level of participation of all categories of LBEs and whether or not each City
21 department has fully reported all data required by this Ordinance or requested by HRC or the
22 Controller.

23 (1) Whenever the Director's report concludes that a department management's
24 intentional disregard or negligent performance of obligations imposed by this Ordinance has
25 contributed to that department's failure to meet its prime contracting goals or requirements of

1 this Ordinance, or the failure of its prime contractors to meet their subcontracting goals or
2 requirements of this Ordinance, or whenever the Director's report concludes that a City
3 department has failed to provide any data required by this Ordinance or requested by the
4 HRC or the Controller, the Clerk of this Board shall schedule before the appropriate
5 Committee of the Board a hearing on that report. The Clerk shall also give notice of that
6 hearing to the heads of the departments identified in the report and request the attendance of
7 the heads of those departments at the committee hearing. The Clerk's notice shall inform the
8 department heads that they must be prepared to respond to the Director's finding of
9 intentional disregard and/or negligent performance and to explain what steps they intend to
10 take to forestall repetition of the problems identified in the Directors' report. The same
11 procedure shall be followed whenever the Director's report identifies any department as
12 having failed to meet its prime or subcontracting goals for three consecutive quarters. If the
13 Director's report indicates that a City department has not met its goals for three consecutive
14 quarters, HRC and the City department shall institute a targeted program to remedy lack of
15 participation by LBEs in any affected industry.

16 (2) The Director shall report to the Commission all waivers acted upon pursuant to
17 Section 14B.7(J) and 14B.8(A). Such report shall be made on a monthly basis following the
18 granting of the waiver.

19 (B) Reporting by City Departments. ~~By the last day of each fiscal year,~~ As part of their
20 annual budget submission to the Board of Supervisors, all contract awarding authorities and City
21 departments shall report annually to the Mayor on their progress in the preceding fiscal year
22 toward the achievement of the LBE goals and their steps to ensure non-discrimination against
23 MBEs, WBEs, and OBEs. All contract awarding authorities and City departments shall cooperate
24 with requests by the Human Rights Commission for information needed by the Human Rights
25 Commission to make the reports to the Board of Supervisors required by Chapter 14B.15(A).

1 (C) Reporting by the Commission. By July 1st of each fiscal year, the Commission shall
2 submit an annual report to the Mayor and this Board on the progress of the City toward the
3 goals of this Ordinance, together with an identification of problems and specific
4 recommendations for: (1) improving the City's performance in fostering LBE participation in
5 City contracting, and (2) ensuring non-discrimination against MBEs, WBEs, and OBEs. The
6 Commission's report shall include an analysis of the bidding environment in the various
7 industries that participate in City contracts.

8 Each year, after receiving the Commission's annual report, the Board shall hold a
9 hearing to review the City's performance under this Ordinance, the administration of this
10 Ordinance by the HRC, and the progress of City departments towards the purposes of this
11 Ordinance, and other subjects pertaining to the ordinance.

12 The Board shall act upon the Commission's recommendations by the first Board
13 meeting of January in each fiscal year.
