Support Lurie's Fentanyl Emergency Ordinances

Message:

Dear Supervisors,

I am writing to urge you to support Mayor Daniel Lurie's Fentanyl State of Emergency Legislation.

San Francisco's public health crisis has overtaken our streets, creating unsafe and dangerous environments for residents of all ages. The current conditions are having devastating impacts on every aspect of life in SF. The response-to-date from city leadership demonstrates a total lack of compassion and political will.

Mayor Lurie's plan offers a crucial first step toward addressing this humanitarian crisis by cracking down on drug dealers and providing vital services for those suffering on our streets.

Vote yes on the Fentanyl State of Emergency to establish critical initiatives such as:

- Permanent Drug Market Agency Coordination Center
- S.F. Hospitality Zone Task Force
- Crisis Stabilization Unit
- Emergency powers for procurement, contracting funding and hiring to ensure the on-going success of this initiative. Mayor Lurie promises contracts WITH accountability.

Your YES vote supports a bold and essential move toward creating a safer, cleaner and more

compassionate San Francisco, one that voters made clear they wanted. I urge you to take this decisive step to alleviate the many burdens and dangers this crisis has placed on our city for far too long. Return San Francisco's compassion and common sense to ensure the safety and well being of all her residents. Vote yes to join San Francisco's movement for accountability and real solutions to our city's fentanyl crisis.

Thank you,

From: [Scott Bowen](#)

Support Lurie's Fentanyl Emergency Ordinances

Message:

Dear Supervisors,

Please support Mayor Daniel Lurie's Fentanyl State of Emergency Legislation.

The support and enabling of addiction to fentanyl is ruining lives and our city.

Treatment, yes! Silver foil, straws, and needles that end up on our streets, no! I work near civic center. There is literally feces all over the place along with other garbage. The door of my workplace is often blocked by crumpled, broken bodies and/or feces. The door was rotted away by urine. Windows are often broken. There is no kindness in presiding over this dystopia.

Furthermore, I want fentanyl dealers arrested, prosecuted, and deported if they are here illegally. The silent majority does not support sanctuary for felons.

Vote yes on the Fentanyl State of Emergency to establish critical initiatives such as:

- Permanent Drug Market Agency Coordination Center
- S.F. Hospitality Zone Task Force
- Crisis Stabilization Unit
- Emergency powers for procurement, contracting funding and hiring to ensure the on-going success of this initiative. Mayor Lurie promises contracts WITH

accountability.

Your YES vote supports a bold and essential move toward creating a safer, cleaner and more compassionate San Francisco, one that voters made clear they wanted. I urge you to take this decisive step to alleviate the many burdens and dangers this crisis has placed on our city for far too long. Return San Francisco's compassion and common sense to ensure the safety and well being of all her residents. Dear Supervisors,

I write to urge your support for Mayor Lurie's Fentanyl State of Emergency Legislation.

Fentanyl and other devastating drugs have overtaken our streets, making entire neighborhoods dangerous for everyone, and killing hundreds every year through overdoses.

This plan is a first step toward addressing this humanitarian crisis by cracking down on drug dealers and providing vital services for those suffering on our streets. And it is an important step in reducing other crimes ranging from murder to shoplifting, all driven by the illegal narcotics trade.

- Vote yes on the Fentanyl State of Emergency to establish critical initiatives such as:
- Emergency short-term powers for faster procurement, contracting and hiring to deal with this crisis.
 - Enlisting charitable donors to help finance City programs.
 - Permanent Drug Market Agency Coordination Center
 - Hospitality Zone Task Force
 - Crisis Stabilization Unit

We join Stop Crime SF in supporting this vote for an important step toward creating a safer and more compassionate San Francisco.
