Re: Liquor License "PCN" Request
Double Transfer Type 48, Pending License No: 677122
537 Stevenson St, San Francisco, CA 94103

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's calendar for Public Convenience and Necessity approval with regard to our Type 48 license. We are taking over the premises at 537 Stevenson St, San Francisco, CA 94103, and wish to place a Type 48 license (On-sale General Public Premises License) to operate a multi-story playground featuring offbeat arcade games, rare pinball, and curated cocktails—designed for social gatherings and community engagement, where game culture and creativity collide. As a Type 48 license, the premises will operate as a public establishment for patrons 21 years of age and over, offering thoughtfully crafted cocktails, beer, and wine in a professionally managed and responsibly operated environment.

Our business concept is to create an experiential venue where guests can step away from the mainstream, enjoy thoughtfully crafted cocktails (including non-alcoholic options), and engage with the offbeat humor and innovative creativity of independent makers. The space will offer a distinctive atmosphere that balances entertainment with originality, located in the heart of Mid-Market and SoMa. Our objective is to contribute positively to the neighborhood's nightlife and economic vitality while maintaining strict operational and compliance standards.

Our desired hours of operation are Tuesday through Friday: 5:00 pm – 12:00 am, and Saturday: 2:00 pm – 2:00 am. We will vigilantly monitor the surrounding area to ensure the safety of our business and customers at all times and maintain a lawful business. We understand the importance of responsible alcohol service. We are committed to strict age verification procedures, comprehensive staff training in responsible beverage service, active management oversight, and ongoing communication with neighboring businesses and community stakeholders. Appropriate security measures and clear operational policies will be implemented to ensure the safety of patrons and the surrounding community.

We respectfully seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of our City.

Thank you for your time and consideration.

Sincerely,

Christian Gainsley
