ADDITIONAL PROVISIONS

1. Secretary of State Policy Regarding Political Activity in the Workplace

SECRETARY OF STATE POLICY REGARDING POLITICAL ACTIVITY IN THE WORKPLACE

The Secretary of State is the state's chief elections officer. It is, therefore, imperative that staff in the Secretary of State's Office, and those who contract with the Secretary of State's Office, refrain from engaging in any political activity that might call into question the office's impartiality with respect to handling election issues. Accordingly, the policy of the Secretary of State's Office with respect to political activity in the workplace, a copy of which will be given to every employee in the Secretary of State's office and incorporated as an attachment to contracts with the Secretary of State's Office, is as follows:

- a. No employee of or contractor with the Secretary of State's Office shall engage in political campaign-related activities on state-compensated or federal-compensated time, except as required by official duties, such as answering inquiries from the public. In those cases where the contractor with the Secretary of State's Office is a county, the term "contractor" shall apply only to county elections office employees, county employees redirected to work temporarily for the county elections office, or any person, firm, company or business that provides reimbursable election-related services to a county elections office in furtherance of a contract. This prohibition shall not apply while an employee is on approved vacation or approved annual leave. This prohibition shall not apply to activities engaged in during the personal time of an employee.
- b. No employee of or contractor with the Secretary of State's Office shall use any state property in connection with political campaign activities. It is strictly prohibited to schedule political campaign-related meetings or to conduct political campaign-related meetings in state office space, even if after normal working hours.
- c. No employee of or contractor with the Secretary of State's Office shall use his or her official status with the Secretary of State's Office to influence political campaign-related activities or to confer support for or indicate opposition to a candidate or measure at any level of government.
- d. No employee of or contractor with the Secretary of State's Office may be involved with political campaign-related telephone calls, letters, meetings or other political campaign-related activities on state-compensated or federal-compensated time. Requests by employees to switch to alternative work schedules, such as 4-10-40 or 9-8-80 work weeks, or to take vacation in order to accommodate political campaign-related activities or to attend political campaign functions, will be judged in the same manner and on the same basis as any other requests of this nature (i.e., existing needs of the office and discretion of the division chiefs).
- e. The receipt or delivery of political campaign contributions or photocopies thereof on state property is strictly prohibited, as is the use of office time or state resources (e.g., intra-office mail or fax machines) to solicit or transmit political campaign contributions.
- f. No employee of or contractor with the Secretary of State's Office may authorize any person to use his or her affiliation with the Secretary of State's Office in an attempt to suggest that the employee's or contractor's support or opposition to a nomination or an election for office or a ballot measure is of an "official," as distinguished from private, character.

- g. No employee of or contractor with the Secretary of State's Office may display political campaign-related buttons, posters, or similar materials in areas visible to individuals who are in public areas of the Secretary of State's Office; nor may an employee of or contractor with the Secretary of State's Office display political campaign-related posters or other materials on windows facing out of the state office building. No employee of or contractor with the Secretary of State's Office may use official authority or influence for the purpose of interfering with or attempting to affect the results of an election or a nomination for any public office.
- h. No employee of or contractor with the Secretary of State's Office may directly or indirectly coerce or solicit contributions from subordinates in support of or in opposition to an election or nomination for office or a ballot measure.
- i. An employee who is paid either partially or fully with federal funds, including the Help America Vote Act of 2002 (HAVA), is subject to the provisions of the federal Hatch Act, and is, therefore, prohibited from being a candidate for public office in a partisan election, as defined in the federal Hatch Act. However, any employee who is to be paid either partially or fully with funds pursuant to HAVA, shall first be consulted about the proposed funding and be informed about the prohibitions of the federal Hatch Act. The employee, whenever possible, shall be given the opportunity to engage in employment that does not involve HAVA funding.
- j. Provisions limiting participation in political campaign-related activities as provided for in this policy statement shall be included in every contract with the Secretary of State's Office.

5. Amount of additional ongoing support, if any, necessary to sustain the program (e.g., software licensing costs; upgrade costs; continued vendor support; device maintenance, etc.)

3. Executive Order N-6-22-Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State

If you have questions concerning these restrictions, please refer them to the Secretary of State Office contact person listed on the contract in Exhibit A.

County Clerk/Registrar of Voters (CC/ROV) Memorandum #23115

TO: All County Clerks/Registrars of Voters

FROM: /s/ Susan Lapsley
Deputy Secretary of State and Counsel

RE: New State and Federal Help America Vote Act (HAVA) Polling Place
Accessibility Funding Available

New state and federal HAVA funding for polling place accessibility have been authorized by the state and federal governments. For fiscal year 2023-2024, \$4.2 million in state and federal funds for costs associated with polling place accessibility will be made available to counties.

As with all previous funding, these county funds will be allocated through state contracts with the counties and be reimbursement based.

Approval by your County Board of Supervisors along with the appropriate County Resolution will be required. Draft contracts will be sent in November.

See Attachment A for the breakdown by county for these funds. Reimbursement will be allowed for qualifying payments made through June 2025. See Attachment B for the Statement of Work that will be sent to each county.

We recently procured a vendor for the polling place accessibility trainings. Information on the polling place accessibility trainings scheduled in November 2023 can be found in [CCROV #23107](#), and more information on the trainings scheduled for April and May 2024 will be provided soon.

Daneka Huynh is the contact for the polling place accessibility contracts and funds. Any questions you have about the status of your contract or reimbursement claims should be directed to Ms. Huynh. She can be reached by telephone at (916) 695-1557 or by email dhuyh@sos.ca.gov. If Ms. Huynh is unavailable, please contact Antwanette Wiley by telephone at (916) 695-1657 or by email awiley@sos.ca.gov.

Thank you.

SPECIAL TERMS AND CONDITIONS

A. AUDITING

1. Receipt of HAVA funds by a county indicates agreement to establish a dedicated HAVA account for these funds. Therefore, any payment received by County pursuant to this program shall be deposited in a separate, segregated account and any payment made by County related to this program shall be paid from that account whether or not the County has paid the vendors for services rendered before submitting invoices to the State.
2. Any recipient of federal funds to meet the Help America Vote Act requirements agrees to be audited pursuant to federal and state law. Accordingly, all documents and electronic files must be produced upon request by the auditors. CFDA Number for this contract is 90.404. The audit may include a review of all books, papers, accounts, documents, or other records of County as they relate to any HAVA funds. County shall also provide access to all employees having knowledge of the HAVA funds program to assist the auditor. County shall provide a copy of any document, paper, or electronic record requested by the auditor;
3. OMB Circular A-133 ("Audits of States, Local Governments, and Non-Profit Organizations"), and OMB Circular A-87, incorporated herein by reference, shall govern with respect to all aspects of this program. The provisions of these circulars may be found at <http://www.whitehouse.gov/omb/circulars>;
4. County shall maintain records in a manner that:
 - a. Accurately reflects fiscal transactions with necessary controls and safeguards;
 - b. Provides complete audit trails, based whenever possible on original documents (purchase orders, receipts, progress payments, invoices, timesheets, cancelled warrants, warrant numbers, etc.);
 - c. Provides accounting data so the costs can readily be determined throughout Agreement period.
5. Records shall be maintained for three years after expiration of Agreement and for at least one year following any audit or final disposition of any disputed audit finding;
6. If the final disposition of any disputed audit finding is determined to be a disallowed cost that the Secretary of State has paid the County, the County shall return to the Secretary of State an amount equal to the disallowance.
7. County shall permit periodic site visits by the Secretary of State or the Secretary of State's designee or designees to determine if any HAVA funds are being used or have been used in compliance with Agreement and all applicable laws;
8. Upon request, county shall report to the Secretary of State at least once every 90 (ninety) days until all funds received have been expended, on the status of HAVA funds received, in a manner determined by the Secretary of State.

B. GENERAL PROVISIONS

1. The program is conditioned on State receiving reimbursement from the federal government pursuant to HAVA, for federal fiscal year 2023.
2. HAVA funds can only be used for the purposes for which the HAVA funds are made;

3. No portion of any HAVA funds shall be used for partisan political purposes. All contractors providing services are required to sign an agreement, please see Exhibit E Item 1, to abide by the Secretary of States' policy to refrain from engaging in political activities that call into question the impartiality of the Secretary of State's Office. County is to submit agreement signed by each employee of contractor's firm who worked for County pursuant to this Agreement with the County's first invoice.
4. The provisions of the federal *Hatch Act* shall apply to employees working for state and local entities receiving HAVA funds. The *Hatch Act* may be reviewed at <https://osc.gov/Services/Pages/HatchAct.aspx>;
5. Any interest earned by County on money received pursuant to this Agreement must be reported in writing to the Secretary of State within 30 days of expiration of this Agreement. All interest must be used by the County for the purposes of implementing activities allowable under this Agreement;
6. Failure by any eligible County to execute a contract within 90 days of the date on which this contract is made available shall constitute an express desire to forego its use of the County's proportionate share of these funds, which may result in reallocation of that County's proportionate share of funds to other counties for the purposes provided under this contract.
7. Funds not claimed by County within 90 days of the end date of this contract, or any funds claimed by a county that are not approved for county use by the Secretary of State within 180 days of the end date of this contract, shall be reallocated to the Counties based on need and may only be used to meet Section 251 of HAVA;

County warrants by execution of Agreement, that no person or selling agency has been employed or retained to solicit or secure this contract upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by County for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this contract without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee;
12. Nothing contained in Agreement or otherwise, shall create any contractual relation between the State and any subcontractor or vendor, and no subcontractor shall relieve County of its responsibilities and obligations hereunder. County agrees to be as fully responsible to State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by County. As a result, State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor or vendor of County;

13. Pursuant to federal law, by signing this agreement or execution of this purchase order the Contractor certifies under the penalty of perjury that the contracting entity is not excluded or ineligible from federal assistance programs and thereby is not on the federal government's list of suspended or debarred entities.
- Pursuant to federal law, as a component of the procurement process, the Contractor must review the federal government's list of debarred and suspended vendors and ensure no contract award is provided to a vendor on this list. This list may be viewed at <https://sam.gov/content/home>.
14. Upon request, county agrees to provide the Secretary of State with a summary report on its activities under this agreement following each election for which funds are expended that includes: the method used to determine the need for funding an eligible activity, including the reliance on an advisory committee or advisory groups, surveys or any other methodology used to assess the need for the eligible activity; the activity performed and funded; the amount of funding expended; the category or categories of need being met; and any performance metric or assessment of the quality of the activity, including unsolicited public comment, advisory committee or advisory group comment, public comment solicited through surveys and on-site assessments conducted by the County, its agents or others.

ADDITIONAL PROVISIONS

1. Secretary of State Policy Regarding Political Activity in the Workplace

SECRETARY OF STATE POLICY REGARDING POLITICAL ACTIVITY IN THE WORKPLACE

The Secretary of State is the state's chief elections officer. It is, therefore, imperative that staff in the Secretary of State's Office, and those who contract with the Secretary of State's Office, refrain from engaging in any political activity that might call into question the office's impartiality with respect to handling election issues. Accordingly, the policy of the Secretary of State's Office with respect to political activity in the workplace, a copy of which will be given to every employee in the Secretary of State's office and incorporated as an attachment to contracts with the Secretary of State's Office, is as follows:

1. No employee of or contractor with the Secretary of State's Office shall engage in political campaign-related activities on state-compensated or federal-compensated time, except as required by official duties, such as answering inquiries from the public. In those cases where the contractor with the Secretary of State's Office is a county, the term "contractor" shall apply only to county elections office employees, county employees redirected to work temporarily for the county elections office, or any person, firm, company or business that provides reimbursable election-related services to a county elections office in furtherance of a contract. This prohibition shall not apply while an employee is on approved vacation or approved annual leave. This prohibition shall not apply to activities engaged in during the personal time of an employee.
2. No employee of or contractor with the Secretary of State's Office shall use any state property in connection with political campaign activities. It is strictly prohibited to schedule political campaign-related meetings or to conduct political campaign-related meetings in state office space, even if after normal working hours.

3. No employee of or contractor with the Secretary of State's Office shall use his or her official status with the Secretary of State's Office to influence political campaign-related activities or to confer support for or indicate opposition to a candidate or measure at any level of government.
4. No employee of or contractor with the Secretary of State's Office may be involved with political campaign-related telephone calls, letters, meetings or other political campaign-related activities on state-compensated or federal-compensated time. Requests by employees to switch to alternative work schedules, such as 4-10-40 or 9-8-80 work weeks, or to take vacation in order to accommodate political campaign-related activities or to attend political campaign functions, will be judged in the same manner and on the same basis as any other requests of this nature (i.e., existing needs of the office and discretion of the division chiefs).
5. The receipt or delivery of political campaign contributions or photocopies thereof on state property is strictly prohibited, as is the use of office time or state resources (e.g., intra-office mail or fax machines) to solicit or transmit political campaign contributions.
6. No employee of or contractor with the Secretary of State's Office may authorize any person to use his or her affiliation with the Secretary of State's Office in an attempt to suggest that the employee's or contractor's support or opposition to a nomination or an election for office or a ballot measure is of an "official," as distinguished from private, character.
7. No employee of or contractor with the Secretary of State's Office may display political campaign-related buttons, posters, or similar materials in areas visible to individuals who are in public areas of the Secretary of State's Office; nor may an employee of or contractor with the Secretary of State's Office display political campaign-related posters or other materials on windows facing out of the state office building.
8. No employee of or contractor with the Secretary of State's Office may use official authority or influence for the purpose of interfering with or attempting to affect the results of an election or a nomination for any public office.
9. No employee of or contractor with the Secretary of State's Office may directly or indirectly coerce or solicit contributions from subordinates in support of or in opposition to an election or nomination for office or a ballot measure.
10. An employee who is paid either partially or fully with federal funds, including the Help America Vote Act of 2002 (HAVA), is subject to the provisions of the federal Hatch Act, and is, therefore, prohibited from being a candidate for public office in a partisan election, as defined in the federal Hatch Act. However, any employee who is to be paid either partially or fully with funds pursuant to HAVA, shall first be consulted about the proposed funding and be informed about the prohibitions of the federal Hatch Act. The employee, whenever possible, shall be given the opportunity to engage in employment that does not involve HAVA funding.
11. Provisions limiting participation in political campaign-related activities as provided for in this policy statement shall be included in every contract with the Secretary of State's Office.

2. Tablet Criteria

1. The software and device must be capable of accurately recording all data necessary to assess polling place accessibility (i.e., all portions of the statewide guidelines and checklist used for surveying for polling place accessibility).
2. The software and device must be capable of transferring all data collected during polling place surveys to a medium where results can be aggregated for purposes of comparing potential polling places, and for purposes of analyzing data at the site level and countywide.
3. The devices used for housing software to capture data must be used only for the purposes of assessing polling place accessibility with exclusive use safeguarded by appropriate inventory policies and controls.
4. Polling place specific (site-level) survey results and aggregate survey results must be publicly available upon request.
5. A report on the program must be produced prior to reimbursement approval that provides certain information, including:
 1. A description of the program.
 2. Cost of the program, including staff training costs and any costs for data storage (e.g., EMS modification)
 3. Amount of vendor support needed for the program's launch and the amount of ongoing support, if any
 4. Increased productivity of the program, if any, measured by staff time, ease of data recall and analysis, and other relevant factors
 5. Amount of additional ongoing support, if any, necessary to sustain the program (e.g., software licensing costs; upgrade costs; continued vendor support; device maintenance, etc.)

If you have questions concerning these restrictions, please refer them to the Secretary of State Office contact person listed on the contract in Exhibit A.

Assembly Bill No. 545 **CHAPTER 658**

An act to amend Sections 14105 and 14282 of the Elections Code, relating to elections.

[Approved by Governor October 10, 2023. Filed with Secretary of
State October 10, 2023.]

LEGISLATIVE COUNSEL'S DIGEST

AB 545, Pellerin. Elections: access for voters with disabilities.

(1) Existing law requires elections officials to furnish each polling place with specified supplies for an election.

This bill would expand the list of required supplies to include specified items to assist voters with disabilities.

(2) Existing law restricts who may be within the voting booth area and who may occupy a voting booth or compartment. Existing law allows a voter, after declaring under oath before a member of the precinct board that the voter is unable to mark a ballot, to receive assistance of up to two persons selected by the voter, as specified.

This bill would eliminate the requirement that the voter issue a declaration under oath before receiving assistance, as specified.

(3) In certain inaccessible polling places, existing law allows a voter with a disability to appear outside the polling place and vote by regular ballot. Where it is impractical to vote a regular ballot outside the polling place, existing law requires vote by mail ballots to be provided in sufficient numbers to accommodate voters with disabilities who present themselves on election day, and authorizes a voter with a disability to vote a vote by mail ballot in the same manner as a regular ballot may be voted by that person outside the polling place.

This bill would expand that authority to allow a voter with a disability to vote by regular ballot outside any polling place, regardless of whether the polling place is inaccessible. The bill would require the posting of signage in specified areas indicating that the option is available for a voter with a disability to vote there, and the establishment of a method for a voter with a disability to contact a precinct board member in order to vote outside the polling place. The bill would require elections officials to include information regarding this option in the county elections internet website and the county voter information guide.

(4) By imposing additional duties on local elections officials, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

SECTION 1.

Section 14105 of the Elections Code is amended to read:

14105.

The elections official shall furnish to each polling place all of the following:

- (a) At least one accessible copy of the voter list.
- (b) Necessary printed blanks for the roster, tally sheets, voter list, declarations, and returns.
- (c) Not fewer than 6 nor more than 12 instruction cards to each polling place for the guidance of voters in obtaining and marking their ballots. On each card shall be printed necessary instructions and the provisions of Sections 14225, 14279, 14280, 14287, 14291, 14295, 15271, 15272, 15273, 15276, 15277, 15278, 18370, 18380, 18403, 18563, and 18569.
- (d) A digest of the election laws with any further instructions the county elections official may desire to make.
- (e) An American flag of sufficient size to adequately assist the voter in identifying the polling place. The flag is to be erected at or near the polling place.
- (f) A ballot container, properly marked on the outside indicating its contents. If it is necessary to supply additional ballot containers, these additional containers shall also be marked on the outside indicating their contents.
- (g) At least one copy of the certified write-in list, if applicable.
- (h) A sufficient number of cards to each polling place containing the telephone number of the office to which a voter may call to obtain information about the voter's polling place. The card shall state that the voter may call collect during polling hours.
- (i) An identifying badge or insignia for each member of the precinct board. The member shall print the member's name on the badge or insignia, and shall wear the badge or insignia at all times in the performance of duties, so as to be readily identified as a member of the precinct board by all persons entering the polling place.
- (j) Facsimile copies of the ballot containing ballot measures and ballot instructions printed in Spanish or other languages as provided in Section 14201.
- (k) Sufficient copies of the notices to be posted on the voter list used at the polls. The notice shall read as follows: "This voter list shall not be marked in any manner except by a member of the precinct board acting pursuant to Section 14297. Any person who removes, tears, marks, or otherwise defaces this voter list with the intent to falsify or prevent others from readily ascertaining the name, address, or political affiliation of any voter, or the fact that a voter has or has not voted, is guilty of a misdemeanor."
- (l) A roster for each polling place in the form prescribed in Section 14107.

(m) Printed copies of the Voter Bill of Rights, as supplied by the Secretary of State. The Voter Bill of Rights shall be conspicuously posted both inside and outside every polling place.

(n) For a partisan primary election, printed copies of the posters or other materials described in Section 14105.2. The posters or other materials shall be conspicuously posted both inside and outside every polling place.

(o) Handheld magnifying glasses, displayed and available at the table or desk used by the precinct board.

(p) A signature guide card, to assist persons while signing their names on the roster, displayed and available at the table or desk used by the precinct board.

SEC. 2.

Section 14282 of the Elections Code is amended to read:

14282.

(a) If a voter is unable to mark a paper ballot or the ballot marking device, the voter shall receive the assistance of not more than two persons selected by the voter, other than the voter's employer, an agent of the voter's employer, or an officer or agent of the union of which the voter is a member.

(b) The county elections official shall provide information on the county elections internet website and in the county voter information guide informing voters that a voter who is unable to mark a ballot may bring up to two individuals to the polls to assist them in voting as specified in subdivision (a), and that a voter with a disability may vote a regular ballot outside a polling place in accordance with subdivision (d). The information shall be available in all languages for which the county has requirements under Section 14201 of this code and Section 203 of the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et seq.).

(c) A person assisting a voter shall not divulge any information regarding the marking of the ballot.

(d) (1) A voter with a disability may appear outside the polling place and vote a regular ballot. The person may vote the ballot in a place that is as near as possible to the polling place and that is accessible to people with disabilities. A precinct board member shall take a regular ballot or ballot marking device to that person, qualify that person to vote, and return the voted ballot to the polling place.

(2) A precinct board member may satisfy paragraph (1) by only bringing a regular ballot outside to the voter if the county does not have the capability to bring the ballot marking device outside of the polling place.

(3) Signage shall be posted outside the polling place and adjacent to the area where the voter may appear to vote indicating that the option is available for a voter with a disability to vote there. The polling place shall establish a method for a voter with a disability to contact a precinct board member in order to vote outside the polling place, such as a posted phone number, doorbell device, or the stationing of a precinct board member outside the polling place.

SEC. 3.

If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

CITY AND COUNTY OF SAN FRANCISCO
DEPARTMENT OF ELECTIONS

John Arntz, Director

April 11, 2024

Angela Calvillo, Clerk of the Board of Supervisors
1 Dr. Carlton B. Goodlett Place, Room 244
San Francisco, California 94102

Dear Ms. Calvillo:

Attached are the original and copies of a proposed accept and expend resolution from the Department of Elections requesting the Board of Supervisors' approval to utilize funds totaling \$60,380.03 for costs associated with polling place accessibility.

Funds totaling \$4.2 million were made available under the Help America Vote Act (HAVA) and will be disbursed to counties by the California Secretary of State's Office (SOS). The SOS determined the funding amount allocated to each county according to a county's percentage of registered voters during the November 2022 election in relation to the statewide number of registered voters. To receive funds, each county elections office must obtain legislative approval from its Board of Supervisors before entering into contracts administered by the SOS.

The Department of Elections has not made purchases or obtained services dependent on receiving the HAVA funds. Instead, prior to receiving notice of the availability of funds, the Department had begun implementing measures to meet new requirements set in Assembly Bill 545 regarding accessible voting at polling places. If this resolution is approved by the Board of Supervisors, the Department will seek reimbursement for costs associated with this state legislation.

Additionally, Department personnel must still attend training sessions organized by the SOS regarding polling place accessibility prior to receiving the funds. The Department expects its personnel will attend the next training session which is scheduled for April 23, 2024.

Respectfully,

John Arntz, Director
