RE: Proposed Resolution for the contract agreement with Seneca Family of Agencies for the Provision of FCS Wraparound Services 25-29

Dear Ms. Calvillo:

Enclosed for the Board of Supervisors' consideration and approval, please find a resolution which will authorize the contract between the City and County of San Francisco and Seneca Family of Agencies for an amount not to exceed \$15,974,640 for the period from July 1, 2025 to June 30, 2029.

The purpose of this agreement is to provide funding for Seneca Family of Agencies for the provision of the Wraparound program, which provides a blended stream of funds for mental health and social services for high needs children in out-of-home placements or at risk of out of home placements through the Family and Children's Services or Juvenile Probation systems. Seneca is the lead agency for the WRAP collaborative, and partners with Edgewood Center for Children and Families. The Wraparound program serves youths and nonminor dependents with the goal of appropriately stepping them down to lower levels of care or help them maintain placement in home-based family settings.

Because the contract is over \$10,000,000, the Department is requesting approval from the Board of Supervisors in accordance with the Section 9.118 of the Charter.

If you need additional information, please contact Elizabeth Léone, Contract Manager at Elizabeth.leone@sfgov.org.

Attached please find a copy of the proposed resolution and supporting documents. Please calendar this item at the Board's earliest convenience and advise us of the date of introduction.

Thank you for your assistance.

Respectfully,
