10	Be it ordained by the People of the City and County of San Francisco:		
11			
12	Section 1. Background and Purpose.		
13	(a) The Neighborhood Beautification and Graffiti Clean-up Fund was approved by the		
14	voters of San Francisco by initiative ordinance (Proposition D) at the June 5, 1990 election.		
15	That ballot measure is now codified in Administrative Code Section 10.100-114. The		
16	Neighborhood Beautification and Graffiti Clean-up Fund is commonly referred to as the		
17	Community Challenge Grant Program. Proposition D directed the Chief Administrative Officer		
18	(an office abolished in the 1996 Charter, with many of its functions assumed by the office of		
19	City Administrator) to promulgate such rules and regulations as that official may deem		
20	appropriate, with a requirement to publish notice of such rules and regulations in an official		
21	newspaper of general circulation in the City, with a 30-day public comment period, prior to		
22	issuing them, and that the rules and regulations be approved by the Board of Supervisors by		
23	resolution. In 1990, the proposed rules and regulations were published in such a newspaper,		
24	with public comment invited, and were subsequently submitted to the Board of Supervisors,		
25	which approved them by Resolution No. 944-90.		

(b) The City Administrator now seeks Board of Supervisors approval under
 Administrative Code Section 10.100-114 of amendments to the rules and regulations for the
 Neighborhood Beautification and Graffiti Clean-up Fund.

5 Section 2. Approval of Amendments to Rules and Regulations for the Neighborhood
6 Beautification and Graffiti Clean-up Fund.

(a) Pursuant to Administrative Code Section 10.100-114, prior to amending the rules
and regulations, the City Administrator published a notice of intent to amend the rules and
regulations for the Neighborhood Beautification and Graffiti Clean-up Fund in an official
newspaper of general circulation in the City, public comment was invited, and the required 30day public comment period has ended.

12 (b) The proposed amended rules and regulations remove language from the rules and 13 regulations that is redundant in light of the enactment of Administrative Code Section 21G, or 14 inconsistent with current grantmaking practices. Among other amendments, the proposed 15 amended rules and regulations: (1) remove the opportunity for other City departments to apply 16 for grant funding from the Fund; (2) remove grant preferences except for the preferences 17 included in the voter initiative establishing the Fund (Proposition D); and (3) remove the 18 requirement that grantees raise in-kind contributions in an amount equal to 15% of the grant amount. In addition, Proposition D has certain funding provisions that were incorporated into 19 20 the rules and regulations but are duplicative with the proposition. Those funding provisions 21 have been removed from the proposed amended rules and regulations.

(c) A copy of the proposed amended rules and regulations for the Neighborhood
Beautification and Graffiti Clean-up Fund is in Board File No. 250488, and is incorporated
herein by reference.

1	(d) The Board of Supervisors hereby approves the proposed amended rules and	
2	regulations for the Neighborhood Beautification and Graffiti Clean-up Fund.

4	Section 3. Effective Date. This ordinance shall become effective 30 days after	
5	enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the	
6	ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board

LEGISLATIVE DIGEST

[Administrative Code - Neighborhood Beautification and Graffiti Clean-up Fund]

Ordinance approving amendments to the rules and regulations for the Neighborhood Beautification and Graffiti Clean-up Fund.

Existing Law

Under Administrative Code Section 10.100-114, the City Administrator must seek Board of Supervisors approval of amendments to the rules and regulations for the Neighborhood Beautification and Graffiti Clean-up Fund. The Neighborhood Beautification and Graffiti Cleanup Fund is commonly referred to as the Community Challenge Grant Program.

Amendments to Current Law

The proposed amended rules and regulations would remove language from the rules and regulations that is redundant in light of the enactment of Administrative Code Section 21G, or inconsistent with current grantmaking practices. Among other amendments, the proposed amended rules and regulations would: (1) remove the opportunity for other City departments to apply for grant funding from the Fund; (2) remove grant preferences except for the preferences included in the voter initiative establishing the Fund (Proposition D); and (3) remove the requirement that grantees raise in-kind contributions in an amount equal to 15% of the grant amount. In addition, Proposition D has certain funding provisions that were incorporated into the rules and regulations but are duplicative with the proposition. The proposed amended rules and regulations would remove those funding provisions.

This ordinance would approve the amended rules and regulations for the Neighborhood Beautification and Graffiti Clean-up Fund.
