San Francisco Board of Supervisors,

I strongly support Sara Barz's nomination to the SFMTA Board of Directors. While on the SFCTA Citizens' Advisory Committee and through her volunteer work in Sunnyside, Sara has been a dedicated advocate for street safety and equity, with a proven commitment to protecting vulnerable populations like seniors, children, and people with disabilities. Her leadership and expertise will be invaluable in helping the city achieve our Vision Zero and climate goals, and making our city the most pedestrian-friendly in the nation.

Please vote in favor of Sara Barz's nomination.

I oppose the appointment of Sara Barz to the SFMTA Board

Message:

Dear Board of Supervisors,

I oppose the appointment of Sara Barz to the SFMTA Board.

This four year SFMTA appointment is more appropriately left to the new Mayor.

Furthermore, this candidate should be opposed for lack of qualifications to deal with SFMTA's precarious financial situation. With enormous looming City and SFMTA budget deficits, financial expertise should be one of the primary qualifications for the next SFMTA Board appointee.

Ms. Barz's history of impractical activism is not what the SFMTA Board or SF needs right now.

Solving the challenges which led to massive city and SFMTA deficits and addressing the slowest economic recovery of any major city in the U.S.A., requires someone who will put pragmatism and fiscal responsibility above impractical ideology. Appointing another activist, like Ms. Barz, who will push to continue the failed policies that have brought SFMTA to its current unsustainable fiscal nightmare would do nothing to help the agency turn itself around and plot a more reasonable, common sense approach to transit that would benefit ALL residents. Appointing a candidate who has a history of supporting non-

essential, business-killing, congestion-creating projects is quite the opposite of what SFMTA desperately needs to dig itself out of its financial hole.

The Board of Supervisors needs to read the budget shortfalls as well as the room:

San Francisco doesn't need or want any more hindrances to economic recovery. The actions of the SFMTA Board have a dramatic effect on accessibility for residents, visitors, tourists, and commuters and the continual efforts to make that MORE DIFFICULT need to stop.

In deference to the Mayor-Elect, as well as the interest of fiscal responsibility and much-needed pragmatism, please reject Mayor Breed's appointment of Sara Barz to the SFMTA Board.

Thank you.

Message:

Dear Board of Supervisors,

I oppose the appointment of Sara Barz to the SFMTA Board.

This four year SFMTA appointment is more appropriately left to the new Mayor.

Furthermore, this candidate should be opposed for lack of qualifications to deal with SFMTA's precarious financial situation. With enormous looming City and SFMTA budget deficits, financial expertise should be one of the primary qualifications for the next SFMTA Board appointee.

Ms. Barz's history of impractical activism is not what the SFMTA Board or SF needs right now.

Solving the challenges which led to massive city and SFMTA deficits and addressing the slowest economic recovery of any major city in the U.S.A., requires someone who will put pragmatism and fiscal responsibility above impractical ideology. Appointing another activist, like Ms. Barz, who will push to continue the failed policies that have brought SFMTA to its current unsustainable fiscal nightmare would do nothing to help the agency turn itself around and plot a more reasonable, common sense approach to transit that would benefit ALL residents. Appointing a candidate who has a history of supporting non-

essential, business-killing, congestion-creating projects is quite the opposite of what SFMTA desperately needs to dig itself out of its financial hole.

The Board of Supervisors needs to read the budget shortfalls as well as the room:

San Francisco doesn't need or want any more hindrances to economic recovery. The actions of the SFMTA Board have a dramatic effect on accessibility for residents, visitors, tourists, and commuters and the continual efforts to make that MORE DIFFICULT need to stop.

In deference to the Mayor-Elect, as well as the interest of fiscal responsibility and much-needed pragmatism, please reject Mayor Breed's appointment of Sara Barz to the SFMTA Board.

Thank you.

San Francisco Board of Supervisors,

Dear members of the Board of Supervisors,

As San Francisco plans for a future of more residents, especially on the west side of the city, we need leaders at SFMTA who can help to plan for their transportation needs. As a westside community leader and mom, and transportation professional, Sara Barz can help SFMTA navigate the challenges ahead, from rebuilding public trust to transit operations funding. I urge you to approve her nomination to the SFMTA board of directors without delay.
