SUBJECT: CARES Act Emergency Solutions Grant (ESG-CV) Round 2 Amendment –
Retroactive Request (File 210308)

We respectfully request retroactive approval to modify the expenditure plan for the CARES Act Emergency Solutions Grant (ESG-CV) Round 2 grant for period beginning July 1, 2020 through June 30, 2023 (File 210308).

When the Board of Supervisors initially approved the ESG-CV Round 2 grant in August 2020, 100% of the grant was required to cover the City's anticipated expenditures for the COVID Shelter-in-Place (SIP) Hotel program serving homeless San Franciscans. In early 2021, the new Federal administration announced that FEMA would be covering additional costs related to the SIP Hotel program. This announcement allows \$10M of ESG-CV Round 2 grant funds to be redeployed to the COVID homeless shelter program at Moscone, reducing potential burden on the General Fund.
