2. PREMISES

2.1. Lease Premises

Landlord leases to City and City leases from Landlord, subject to the provisions of this Lease, those premises in the building identified in the Basic Lease Information (the "**Building**") and shown on the floor plan(s) attached as **Exhibit A** (the "**Premises**"). The Premises contain the rentable area and are located on the floor(s) of the Building specified in the Basic Lease Information. As used in this Lease, the term "**rentable area**" means that measurement of interior floor area computed in accordance with the "Office Buildings: Standard Methods of Measurements" (ANSI/BOMA Z65.1-2017 Method B), adopted by the Building Owners and Managers Association (the "**BOMA Standard**"). The Building, the land on which the Building is located, and all other improvements on or appurtenances to the land are referred to collectively as the "**Property**."

2.2. Common Areas

City has the non-exclusive right to use, together with any other tenants in the Building, the lobbies, corridors, elevators, stairways, and other public areas of the Building and the Property (collectively, the "**Common Areas**"), and the non-exclusive right of access to and from the Premises by the main entrances to the Building and the Property.

2.3. Condition of the Premises on Delivery

Landlord will deliver the Premises to City in good, broom clean condition, fully demised, water tight, with all Building Systems (as defined in Section 8.1 (Landlord's Repairs)) in good working order, condition, and repair, and all other systems in and serving the Premises in good working order, condition, and repair, and the Premises, the Building, and the Common Areas in compliance with all applicable Laws, as provided in Section 10.1 (Landlord's Compliance with Laws; Premises Condition; Indemnity) with the Leasehold Improvements (as defined below) substantially completed by Landlord and confirmed by City under Section 6.1 (Landlord's Obligation to Construct Improvements).

2.4. Disability Access

California Civil Code Section 1938 requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist ("**CASp**") to determine whether the property meets all applicable construction-related accessibility requirements.

Landlord discloses (i) Landlord has not been issued a disability access inspection certificate as described in California Civil Code ("**CC**") Section 55.53(e), (ii) pursuant to

CC Section 1938, that Landlord has not ordered, performed, or caused to be performed, a CASp inspection of the Premises (sometimes referred to as "premises" or "subject premises" for the herein disclosures), and (iii) Landlord makes the following statutory disclosure per CC Section 1938 (the required "**CASp Disclosure**"):

"A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises."

If City elects to obtain an inspection, City and Landlord will mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the CASp inspection fee, and the cost of any repairs necessary to correct violations of construction-related accessibility standards.

3. TERM

3.1. Term of Lease

The Premises are leased for a term (the "**Term**") commencing on the date that Landlord has delivered and City has accepted the Premises in the condition required under this Lease with the Leasehold Improvements (as defined below) substantially completed by Landlord and confirmed by City under Section 6.1 (Landlord's Obligation to Construct Improvements), which may not be before the Effective Date, as provided in Section 24.22 (Effective Date). The Term will end on the expiration date specified in the Basic Lease Information, or the date that this Lease is earlier terminated under the provisions of this Lease, unless City extends the Term pursuant to Section 3.4 (Extension Option(s)), below.

3.2. Commencement Date and Expiration Date

The dates that the Term commences and expires under this Lease are the "**Commencement Date**" and the "**Expiration Date**." If the Commencement Date occurs on a date other than the Estimated Commencement Date provided in the Basic Lease Information, then Landlord will promptly deliver to City a notice substantially in the form of the attached **Exhibit B** confirming the actual Commencement Date, but Landlord's failure to do so will not affect the dates of commencement or expiration of the Term.

3.3. Delay in Delivery of Possession

Landlord will deliver possession of the Premises in the condition required under this Lease, with all of the Leasehold Improvements completed and accepted by City's Director of Property under Section 6.1 (Landlord's Obligation to Construct Improvements) on or before the Estimated Commencement Date. If Landlord is unable to deliver possession of the Premises by the Estimated Commencement Date, then, subject to the provisions of this Section below, the validity of this Lease will not be affected by Landlord's inability to deliver possession except that City's obligations to pay Rent will not commence until the Rent Commencement Date. If the Commencement Date is later or earlier than the Estimated Commencement Date, this Lease will still expire on the Expiration Date, unless sooner terminated under the provisions under this Lease. If Landlord is unable to deliver possession of the Premises to City as required under this Lease within thirty (30) days after the Estimated Commencement Date, then, by written notice to Landlord, City may terminate this Lease, without any further liability to Landlord or City.

3.4. Extension Option(s)

Landlord grants City the right to extend the Term (the "**Extension Option(s)**") for the additional term(s) specified in the Basic Lease Information (the "**Extended Term(s)**"). The Extended Term(s) will be on all of the terms and conditions contained in this Lease, except that rent will be set at the greater of (a) the final 12 months of the initial term as increased by three percent (3%) or (b) 95% of the Prevailing Market Rate, as determined in Section 4.3 of this Lease. City may exercise an Extension Option, if at all, by giving written notice (the "**Extension Notice**") to Landlord no earlier than two-hundred and seventy (270) days before expiration of the Term to be extended and no later than one-hundred and eighty (180) days before expiration of the Term to be extended; provided, however, if there is an uncured Event of Default (as defined in Section 16 (Defaults; Remedies) on the date City gives an Extension Notice, then Landlord may reject City's Extension Notice if City fails to cure the Event of Default within ten (10) days after Landlord's written demand for City to cure the Event of Default. If City extends the Term as provided in this Section, then the word "Term" will mean and include any Extended Terms.

4. RENT

4.1. Full Service Gross Rent

Beginning on the date that is sixty (60) days after the Commencement Date, (the "**Rent Commencement Date**"), City will pay to Landlord the annual Full-Service Gross Rent specified in the Basic Lease Information (the "**Rent**"). The Rent is payable in equal monthly payments at the address specified for Landlord in the Basic Lease Information, or other place as Landlord may designate in writing on not less than thirty (30) days' advance notice. City will pay the Rent monthly within thirty (30) days after invoice from Landlord and without any deductions or setoff except as otherwise provided in this Lease. If the Rent Commencement Date occurs on a day other than the first day of a calendar month or the Expiration Date occurs on a day other than the last day of a calendar month, then the monthly payment of the Rent for the fractional month will be prorated based on a thirty (30)-day month. The parties acknowledge and agree that the Rent includes all of Landlord's operating expenses incurred by Landlord over the course of the Term. Operating expenses for purpose of this Lease includes all costs and expenses actually paid or incurred by Landlord in connection with the management, operation, maintenance, and repair of the Building throughout the Term, including: **(1)** the cost of air conditioning, electricity, steam, water, sewer, heating, mechanical, telephone, ventilating, escalator, and elevator systems and all other utilities, **(2)** the cost of general maintenance, cleaning, and service contracts, including all supplies, tools, and equipment for that maintenance, cleaning, and service, **(3)** the cost incurred by Landlord for all insurance required to be carried on the Building, **(4)** wages, salaries, payroll taxes (not including any taxes imposed under the Business and Tax Regulations Code based on payroll expense), and other labor costs and employee benefits relating to Landlord's employees or its Agents (defined in Section 24.5 (Parties and Their Agents, Approvals) below) engaged in the operation, repair, or maintenance, of the Building, allocated in proportion to the percentage of that person's working time actually spent working in connection with the Building, **(5)** property taxes, parking taxes, reasonable management fees, **(6)** fees, charges, and other costs of all independent contractors engaged by Landlord, allocated in proportion to the percentage of that person's working time actually spent working in connection with the Building, **(7)** accounting and legal expenses, **(8)** depreciation on personal property, including carpeting in public corridors and Common Areas and window coverings provided by Landlord, **(9)** the fair market rental value of offices in the Building for the property manager, and **(10)** costs of capital repairs, capital improvements, and equipment **(A)** required by applicable Laws enacted on or after the date of this Lease amortized over the useful life of the improvement and/or equipment, together with interest at the actual interest rate incurred by Landlord in connection those capital repairs, improvements, or equipment, unless caused by Landlord's deliberate or negligent violation of applicable Laws, and except to the extent the improvements are attributable to or are made for the primary benefit of a tenant or occupant other than City, or **(B)** acquired to cause, in Landlord's good faith judgment, an immediate (i.e., commencing within the first year after completion of the repairs or improvements or installation of equipment) reduction in other

Operating Costs, amortized over the useful life of the repairs, improvements, or equipment at an annual rate reasonably calculated to equal the amount of Operating Costs to be saved in each calendar year throughout the Term (as determined at the time Landlord elected to proceed with the capital repair or improvement or acquisition of the capital equipment to reduce Operating Costs), together with interest at the actual interest rate incurred by Landlord.

4.2. Adjustments in Rent

On each date specified in the Basic Lease Information for the adjustment of Rent (an "**Adjustment Date**"), the Rent payable under Section 4.1 (Rent) will be adjusted as follows:

The Consumer Price Index for All Urban Consumers (base years 1982-1984 = 100) for the San Francisco-Oakland-San Jose area, published by the United States Department of Labor, Bureau of Labor Statistics (the "**Index**") published most immediately preceding the Adjustment Date (the "**Adjustment Index**"), will be compared with the Index published for the same month the prior year (the "**Base Index**").

If the Adjustment Index has increased over the Base Index, then the Rent payable on and after the Adjustment Date will be set by multiplying the Rent by a fraction, the numerator of which is the Adjustment Index and the denominator of which is the Base Index. In no event will the monthly Rent on or after the Adjustment Date be less than three percent (3.0%) or more than five percent (5.0%) of the monthly Rent in effect for the last full month immediately before the Adjustment Date.

If the Index is changed so that the base year differs from that used as of the date most immediately preceding the Commencement Date, the Index will be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the Term, another government index or computation that replaces it will be used in order to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised.

4.3. Determination of Rent for the Extended Term

(a) At the commencement of the Extended Term, the Rent will be adjusted to equal the prevailing market rate for space of comparable size and location to the Premises then being offered for full-service gross rent or the combined total of base rent and all operating expenses, property and parking taxes paid by tenants directly and as pass-throughs in other buildings similar in age, location, and quality to the Building ("**Comparable Space**") situated within the South Civic Center area of San Francisco ("**Reference Area**"); provided, however, in no event will the Rent be reduced below the Rent for the twelve (12)-month period before the Extended Term, as increased by three percent (3%). As used in this Section, "**prevailing market rate**" means the rent for Comparable Space, taking into account (ii) floor location and size of the premises covered by leases of the Comparable Space, (iii) the duration of the Extended Term under this Lease and the term of the leases for Comparable Space, (iv) free rent and any other tenant concessions given under the leases for Comparable Space, and (v) tenant improvement allowances and other allowances given under the leases for Comparable Space.

(b) Within thirty (30) days after City's exercise of the Extension Option, Landlord will notify City of Landlord's determination of the prevailing market rate for the Premises, together with reasonable supporting documentation. If City disputes Landlord's determination of the prevailing market rate, City will notify Landlord within fourteen (14) days after Landlord's notice to City of the prevailing market rate and the dispute will be resolved as follows:

(i) Within thirty (30) days after Landlord's notice to City of the prevailing market rate, Landlord and City will attempt in good faith to meet no less than two (2) times, at a mutually agreeable time and place, to attempt to resolve the disagreement.

(ii) If within that thirty (30)-day period Landlord and City cannot agree on the prevailing market rate, then each will select one appraiser to determine the prevailing market rate. Within thirty (30) days after the expiration of the thirty (30)-day consultation period, each party will cause its appraiser to prepare and complete an appraisal report determining the prevailing market rate and submit the report to Landlord and City.

(iii) If only one appraisal report is submitted within that thirty (30)-day period, then the prevailing market rate determined in that appraisal report will be used to establish the Rent for the Extended Term. If both appraisal reports are submitted within the thirty (30)-day period, and if the prevailing market rates determined in the two appraisal reports differ by less than ten percent (10%) of the higher of the two, then the average of the two will be the prevailing market rate. If the prevailing market rates in the two appraisal reports differ by more than ten percent (10%) of the higher of the two, then the two appraisers will immediately select a third appraiser. Within ten (10) days after selection, the third appraiser will determine which of the first two appraisal reports specified a value closest to the actual fair market value, which will be the prevailing market rate. The determination of the third appraiser will be final and binding on the parties.

(iv) If City's Director of Property does not approve the prevailing market rate as determined by the appraisal procedure specified above, the Director of Property may revoke City's exercise of the Extension Option.

(v) All appraisers must be "MAI" designated members of the Appraisal Institute with not less than five (5) years' recent experience appraising leases of commercial properties similar to the Premises in the Reference Area. Landlord and City will pay the cost of the appraiser it selects and one-half of the cost of the third appraiser.

4.4. Audits

After not less than five (5) business days' notice to Landlord, City may audit the books and records of the Building related to this Lease and Additional Charges (as defined in Section 4.9 (Additional Services)) paid by City under this Lease. If the audit discloses any discrepancies that would result in a reduction of any amount paid by City, Landlord will immediately refund to City the amount of any overpayment. City will pay the cost of the audit, but if an audit discloses any discrepancies that result in a reduction of City's payment by three percent (3%) or more for any year during the Term, then Landlord will pay the costs of the audit.

4.5. Records

Landlord will maintain in a safe, complete, and organized manner all of its records related to this Lease, for at least three (3) years after the Expiration Date or earlier termination of the Term. Landlord will maintain the records on a current basis and in sufficient detail to facilitate adequate review and audit. All books and records will be available for inspection, copying, and audit by City and its representatives, at City's expense, subject to the provisions of Section 4.4 (Audits).

4.6. Payments by City

Landlord acknowledges that City cannot make any payments to Landlord unless Landlord is qualified as an approved vendor in City's financial and payment system. Therefore, City will not be in default of any monetary obligation under this Lease and no interest or late charge will apply, if Landlord is not an approved vendor with City. More information about being an approved vendor with City is available at <https://sfcitypartner.sfgov.org/Vendor/BecomeSupplier>. All Rent that has accrued while Landlord was not an approved vendor will be payable within twenty (20) days after City receives Landlord's written notice and the Contract Monitoring Division confirms that Landlord has been approved as a City vendor.

4.7. Landlord's Compliance with City Business and Tax Regulations Code

Landlord acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code. If, under that authority, any payment City is required to make to Landlord under this Lease is withheld, then City will not be in breach or default under this Lease, and the Treasurer and Tax Collector will authorize release of any payments withheld under this paragraph to Landlord, without interest, late fees, penalties, or other charges, upon Landlord coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

4.8. Additional Services

City may request that Landlord provide or arrange for additional services for the Premises, which Landlord may provide or arrange in its reasonable discretion. If Landlord elects to provide the requested additional services and City has approved the cost and scope of those services in advance, then City will pay Landlord the cost of those services plus a five percent (5%) administrative fee ("**Additional Charges**"). Landlord may not contract for or provide any services (and City will not be obligated to pay for such services) without City's prior written approval of the cost of the additional services (which may be the known costs, or an hourly rate and maximum number of hours, or a cost estimate with a not-to-exceed maximum amount) in writing before Landlord incurs any costs. City will pay for the cost of the additional services and the administrative fee within thirty (30) days after receipt of an invoice; provided, however, that City may elect to provide any deposit or other prepayment that City determines is appropriate given the nature of the requested services. Any additional terms for the additional services will be memorialized by a written agreement, which, upon execution by Landlord and City, will be considered a part of this Lease.

5. USE

5.1. Permitted Use

City may use the Premises for general office uses and any other uses specified in the Basic Lease Information, and for no other use without Landlord's prior written consent, which may not be unreasonably withheld, conditioned, or delayed.

5.2. Observance of Rules and Regulations

City will observe the rules and regulations for the Building attached to this Lease as **Exhibit C** (the "**Rules and Regulations**"), but the provisions of this Lease will govern over any conflicting Rules and Regulations. Landlord may make reasonable changes to the Rules and Regulations, but all changes must be applicable to all other Building tenants and the changes may not **(a)** reduce Landlord's obligations under this Lease, **(b)** conflict with the provisions of this Lease, **(c)** materially increase City's burdens or obligations, **(d)** impose a charge on City for services that this Lease expressly states are to be provided to City at no charge, or **(e)** materially adversely affect any permitted use of the Premises. The changes permitted under this Section will be binding on City within a reasonable implementation period after delivery of Landlord's written notice of the changes to City. Landlord will administer the Rules and Regulations in a fair and nondiscriminatory manner and use reasonable efforts to cause other Building tenants to comply with them. Landlord will notify City of any waiver of or special dispensation under the Rules and Regulations granted by Landlord to any other tenant in the Building and on request, City will be entitled to the same waiver or special dispensation.

5.3. Interference with Access

Landlord will provide to City uninterrupted access to the Building and the Premises twenty-four (24) hours per day, seven (7) days per week, including during any power outages affecting the Premises or any portion of the Building; but Landlord may, after consultation with City's Administrator, interrupt City's access to the Premises or the Building if there is an

immediate threat that will render the Premises, the Common Areas, or any other portion of the Building unsafe for human occupancy. If City's use of any of the Premises or access to the Premises is interrupted because the Premises, the Common Areas, or any other portion of the Building is unsafe for human occupancy due to Landlord's failure to comply with its obligations under this Lease or for any other reason other than an Event of Default, then Landlord will immediately undertake all necessary steps to correct the condition. If the condition continues for two (2) business days and impairs City's ability to carry on its business in the Premises, then the Rent will be abated based on the extent to which the condition interferes with City's ability to normally and safely carry on its business at the Premises. If the condition continues for thirty (30) days or more after City's use is interrupted or impaired then, without limiting any of its other rights under this Lease, City may terminate this Lease, unless Landlord supplies City with evidence reasonably satisfactory to City that City's normal and safe use will be restored within sixty (60) days after the date City's use was interrupted or impaired, and City's full use is actually restored within that sixty (60)-day period. Nothing in this Section will limit City's rights with respect to any disruption due to casualty under Section 12 (Damage and Destruction).

6. LEASEHOLD IMPROVEMENTS

6.1. Landlord's Obligation to Construct Improvements

Prior to the Commencement Date, at no cost to City, and in accordance with the provisions of this Section, Landlord, through its contractor(s), will perform the work and make the installations in the Premises described below in a good workman-like manner and as approved by City:

(a) Replace existing carpet with floor coverings of the same manufacture, weight, style, line, model and color ("Type") of the existing laminate floor coverings, and repair and refinish existing laminate floor covering to a like-new condition as reasonably approved by City. In the event City does not reasonably approve the condition of the repaired and refinished floor coverings, all floor coverings in the Premises will be replaced with the same Type of floor coverings of the manufacture, weight, line, model and color of the original laminate floor coverings or a Type reasonably acceptable to City.

(b) Replacement of all damaged or stained ceiling tiles with those of the same manufacturer and style of ceiling tiles or those that match the existing undamaged and unstained ceiling tiles.

(c) Paint the premises-facing side of any demising partitions and gypsum board partitioning ("Wall(s)") within the Premises in the following manner: (i) "touch-up," clean, and patch, as needed, small holes, chips, marks, dirt and blemishes in and on the Walls; (ii) repaint and patch, as needed, larger holes, chips, marks, blemishes, areas of dirt and paint the Walls; and in the event the appearance of painted areas is not uniform with the remaining Wall paint, (iii) repaint the entire Wall.

7. INTENTIONALLY OMITTED

8. ALTERATIONS

8.1. Alterations by City

City may not make or permit any alterations, installations, additions, or improvements (collectively, "**Alterations**") to the Premises without first obtaining Landlord's written consent, which Landlord will not unreasonably withhold, condition, or delay. Installation of furnishings, fixtures, equipment, or decorative improvements that do not affect the Building Systems or structural integrity of the Building, and the repainting and recarpeting of the Premises do not constitute Alterations and do not require Landlord's consent. Any Alterations permitted under this Lease will be made at City's cost in compliance with applicable Laws (as defined in Section 10.1 (Landlord's Compliance with Laws)). Without cost to itself, Landlord will cooperate with City in securing building and other permits and authorizations needed for any permitted Alterations. Landlord will not be entitled to any construction or other administrative fee in connection with any Alteration. City will not be required to remove any Alteration on the

expiration or sooner termination of this Lease unless Landlord notifies City in writing at the time Landlord approves the Alterations that they must be removed. City is not required to remove any improvements not requiring Landlord's consent.

8.2. Intentionally Omitted

8.3. City's Personal Property

(a) All furniture, furnishings, equipment, trade fixtures, and articles of movable personal property installed in the Premises by or for City and that can be removed without structural damage to the Premises (collectively, "**City's Personal Property**") are and will remain City's property. If City requests, Landlord may assist City by ordering and installing City's Personal Property and City will reimburse Landlord for all fees, costs, and expenses approved by City in advance within thirty (30) days after receipt of an invoice; provided, however, that City may elect to provide any deposit or other expense required at the time of ordering City's Personal Property. To the extent possible, any maintenance contract or warranty in connection with the purchase or lease of tangible personal property will be optional (namely, City may, but is not required to, purchase a maintenance contract or warranty). To the extent feasible, Landlord and any vendors of Landlord will separately itemize any shipping charges. Although Landlord may order and install City's Personal Property, all items will remain City's Personal Property and not be considered Leasehold Improvements or constitute any component of the Leasehold Improvements. With regard to any personal property purchased by Landlord on behalf of City or leased by City under this Lease, (a) Landlord represents that it is fully compliant with the California Sales and Use Tax Law and warrants to City that Landlord will fulfill its use tax obligations under that law with respect to the subject transaction; (b) Landlord will accept a Use Tax Direct Payment Exemption Certificate in lieu of any use tax payment if the City, in its sole discretion, elects to provide such Certificate to Landlord; (c) If the City pays use tax to Landlord, Landlord will remit the entire amount of the use tax payment to the State and provide the City with a receipt in accordance with the California Sales and Use Tax Law; and (d) Landlord will be liable to the City for all amounts of use tax paid to Landlord that Landlord fails to remit to the State. This obligations of Landlord under the foregoing sentence will survive the termination or expiration of this Lease.

(b) At any time during the Term, City may remove any of City's Personal Property, and City will repair any damage to the Premises resulting from that removal. On the expiration or earlier termination of this Lease, City will remove City's Personal Property from the Premises in accordance with Section 20 (Surrender of Premises). Landlord acknowledges that some of City's Personal Property may be financed by an equipment lease financing otherwise subjected to a security interest, or owned by an equipment company and leased to City ("**Secured Personal Property**"). Landlord recognizes the rights of any supplier, lessor, or lender who has an interest in any items of Secured Personal Property to enter the Premises and remove that Secured Personal Property at any time during the Term or within thirty (30) days after the Expiration Date. On City's reasonable request, Landlord will execute and deliver any document required by any supplier, lessor, or lender in connection with the installation of any items of Secured Personal Property in the Premises, under which Landlord waives any rights it may have or acquire with respect to the Secured Personal Property, so long as the supplier, equipment supplier, lessor, or lender agrees that it (i) will remove the Secured Personal Property from the Premises within thirty (30) days after the Expiration Date (and if it does not remove the Secured Personal Property within that time the equipment supplier, lessor, or lender will have waived any rights it may have had to the Secured Personal Property), and (ii) will repair any damage caused by the removal of the Secured Personal Property.

8.4. Alteration by Landlord

Landlord will use its best efforts to minimize interference with or disruption to City's use and occupancy of the Premises during any alterations, installations, additions, or improvements to the Building, including any leasehold improvement work for other tenants in the Building. Landlord will promptly remedy any interference or disruption on receiving City's notice thereof.

9. REPAIRS AND MAINTENANCE

9.1. Landlord's Repairs

At its cost, Landlord will repair and maintain the exterior and structural portions of the Building in first-class condition, including, the roof, foundation, bearing and exterior walls, windows, doors, door frames, demising walls, and subflooring, and the heating, ventilating, air conditioning, plumbing, electrical, fire protection, life safety, security, and other mechanical, electrical, and communications systems of the Building (collectively, the "**Building Systems**") and the Common Areas. Without limiting the foregoing, Landlord will maintain the Building in a clean, safe, and attractive manner, will provide exterior graffiti removal with reasonable frequency, and will not permit any other tenant of the Building to disturb or interfere with City's use of the Premises or permit to be done in or about the Building or the Common Areas anything that is illegal, is dangerous to persons or property, or constitutes a nuisance.

9.2. City's Repairs

Subject to Landlord's warranty under Section 10.1 (Premises Condition), any construction warranties or guaranties received in connection with Landlord's completion of the Leasehold Improvements, and Landlord's repair and maintenance obligations under this Lease, City will repair and maintain at its cost the interior portions of the Premises and will keep the Premises in good working order and in a safe and sanitary condition, except for ordinary wear and tear and damage by casualty or condemnation. City will make any required repairs and replacements to the interior of the Premises that Landlord specifies in writing **(a)** at City's cost, **(b)** by contractors or mechanics selected by City and reasonably approved by Landlord, **(c)** so that the interior portions of the Premises will be at least substantially equal in quality, value, and utility to the original work or installation before the damage, **(d)** in a manner and using equipment and materials that will not materially interfere with or impair the operations, use, or occupation of the Building or the Building Systems, and **(e)** in compliance with all applicable Laws, including any applicable contracting requirements under City's Charter and Administrative Code. At all times during the Term, promptly after City's reasonable notice, Landlord will provide City and its Agents with access to those portions of the Building that are necessary to maintain or repair the telecommunications and data and computer cabling facilities and equipment installed by City.

9.3. Liens

City will keep the Premises free from liens arising out of any work performed, material furnished, or obligations incurred by City during the Term. Landlord may post on the Premises any notices permitted or required by Laws or that are needed for the protection of Landlord, the Premises, or the Building, from mechanics' and material suppliers' liens. City will give Landlord at least ten (10) days' prior written notice of commencement of any repair or construction by City on the Premises.

10. UTILITIES AND SERVICES

10.1. Landlord's Provision of Utilities

Landlord will furnish the following utilities and services to the Premises: **(a)** heating, air conditioning, and ventilation in amounts required for City's comfortable use and occupancy of the Premises, during the period from 7:00 a.m. to 6:00 p.m., Monday through Friday, except holidays generally recognized in San Francisco; **(b)** electric current in amounts required for normal lighting and for the operation of personal computers and other normal office machines and equipment, on a twenty-four (24) hours-a-day, three hundred sixty-five (365) days-a-year

basis ("**Daily Basis**"); (c) elevator service on a Daily Basis; and (d) water for lavatory, kitchen, and drinking purposes on a Daily Basis. Without limiting Landlord's obligations under this Section, Landlord will furnish all utilities and services required under this Lease in a manner consistent with utilities and services normally provided in other buildings similar to the Building in the Reference Area.

10.2. Services

(a) Janitorial Service

At its cost, Landlord will provide janitorial service at no additional cost to City in accordance with the specifications contained in the attached Exhibit E.

(b) Security Service

(i) Landlord has installed and will maintain commercial-grade security lighting to illuminate the building entry area and parking area.

(ii) Landlord provides, at its cost, existing security patrol services. At City's request and cost, Landlord shall station at Building entry and/or parking area, a security guard employed by a recognized security service company. City shall reimburse Landlord for its cost to providing stationary security guard services at standard rates plus a 10% percent administration fee.

(iii) City may, at City's cost, activate, operate and maintain existing security and intercom systems in the Premises.

10.3. Conservation

Landlord may establish reasonable measures to conserve energy and water, including automatic light shut off after hours and efficient lighting forms, so long as these measures do not unreasonably interfere with City's use of the Premises.

10.4. Disruption in Essential Utilities or Services

If any failure, stoppage, or interruption of any utilities or services to be furnished by Landlord occurs, Landlord will immediately notify City of the failure, stoppage, or interruption; diligently attempt to restore service as promptly as possible; and keep City apprised of its efforts. If Landlord is unable to supply any of the Building's sanitary, electrical, heating, air conditioning, water, elevator, fire protection and security, audio, video or electronic communications, hazard detection and alarm, or other essential services serving the Premises (collectively, "**Essential Services**") and that inability of Landlord impairs City's ability to carry on its business in the Premises for (a) one (1) or more business days and it is in Landlord's reasonable control to restore the Essential Services or (b) five (5) or more consecutive business days if the failure is not within Landlord's reasonable control, then the Rent will be abated based on the extent that the lack of the Essential Services impairs City's ability to normally carry on its business in the Premises, or, alternatively at City's election, City may provide the Essential Services and offset the reasonable cost against the Rent next due under this Lease. The abatement or right to provide the Essential Services and offset against Rent will continue until the Essential Services have been restored so that the lack of any remaining Essential Services no longer materially impairs City's ability to carry on its business in the Premises. Landlord will use its best efforts to restore disrupted Essential Services as soon as possible. If the failure to provide any Essential Service occurs for any reason for fifteen (15) days or more in any sixty (60)-day period and that failure interferes with City's ability to normally carry on its business in the Premises, then, without limiting any of its other rights or remedies under this Lease or at law or in equity, City may terminate this Lease on written notice to Landlord, unless Landlord supplies City with evidence reasonably satisfactory to City that the Essential Services will be reliably restored within sixty (60) days after the date City's use was first interrupted, and the Essential Services are actually restored and reliable within the sixty (60)-day period. City will not be entitled to any abatement of Rent or right to terminate if Landlord's inability to supply Essential Services to City results solely to the negligent acts or omissions of City and its Agents.

11. COMPLIANCE WITH LAWS; PREMISES CONDITION

11.1. Landlord's Compliance with Laws; Premises Condition; Indemnity

Subject to City's obligation under Section 8.2 (City's Repairs), Landlord will at all times during the Term maintain, at its cost, the Property, Building, Common Areas, and the Building Systems in compliance with applicable present or future federal, state, local, and administrative laws, rules, regulations, orders, and requirements (collectively, "**Laws**"). Landlord represents and warrants to City, and covenants with City, as follows. To the best of Landlord's knowledge: **(a)** the physical structure, fixtures, and permanent improvements of the Premises (including the Leasehold Improvements) and all portions of the Property and the Building along the path of travel to the Premises (including the Building entrances, Common Areas, restrooms, elevators, lobbies, telephone banks, and drinking fountains and parking areas) are now, and as of the Commencement Date will be, in compliance with the requirements of the Americans With Disabilities Act of 1990, California Code of Regulations Title 24, and all other applicable Laws intended to provide equal accessibility for persons with disabilities (collectively, "**Disabilities Laws**"); **(b)** the Building is not an unreinforced masonry building, and is now, and as of the Commencement Date will be, in compliance with all applicable Laws relating to seismic safety (collectively, "**Seismic Safety Laws**"); **(c)** the Building, the Common Areas, and Building Systems serving the Premises are now, and as of the Commencement Date will be, in full compliance with all applicable Laws relating to fire and life safety (including the San Francisco High-Rise Sprinkler Ordinance) (collectively, "**Life Safety Laws**"); **(d)** the Building, the Common Areas, and Building Systems serving the Premises are now, and as of the Commencement Date will be, in compliance with all other applicable Laws; and **(e)** there are not now, and as of the Commencement Date will not be, any material physical or mechanical defects in the Premises, Building, or the Building Systems that would materially adversely affect City's intended use of the Premises. Without limiting Section 16.2 (Landlord's Indemnity), Landlord will Indemnify City against any and all Claims (defined in Section 16.1 (City's Indemnity) below) arising out of (i) any failure of the Property, Building, Common Areas, Building Systems (or any portion of any of them) to comply with applicable Laws; or (ii) any misrepresentation by Landlord under this Section.

11.2. City's Compliance with Laws; Indemnity

City will use the Premises during the Term in compliance with applicable Laws, except that City will not be required to make any structural alterations, additions, or other modifications in order to comply with applicable Laws unless the modifications are necessary solely because of any Alterations to the Premises made by City under Section 7 (Alterations) and the modifications are not otherwise Landlord's responsibility under this Lease. City will be responsible for complying with any requirement of the Disabilities Laws relating to the placement of City's furniture or other City Personal Property and the operation of any program in the Premises, other than any requirement relating to the physical structure, fixtures, and permanent improvements of the Premises or portions of the Property or Building along the path of travel to the Premises, which are Landlord's obligation as provided in Section 10.1 (Premises Condition). Without limiting Section 16.1 (City's Indemnity), City will Indemnify Landlord against any and all Claims arising out of City's failure to comply with all applicable Laws as provided in this Section.

11.3. City's Compliance with Insurance Requirements

City will not conduct any use in or about the Premises that would: **(a)** invalidate or be in conflict with any fire or other casualty insurance policies covering the Building or any property located in the Building, **(b)** result in a refusal by casualty insurance companies of good standing to insure the Building or property in the Building in amounts reasonably satisfactory to Landlord or the holder of any mortgage or deed of trust encumbering the Building, **(c)** cause an increase in the casualty insurance premium for the Building unless City agrees to pay the increase, or **(d)** subject Landlord to any liability or responsibility for injury to any person or property solely because of the business operation conducted by City in the Premises; provided, however,

Landlord will provide City with reasonable prior written notice of any applicable insurance requirements and no insurance requirements will materially and adversely interfere with City's normal business in the Premises.

12. SUBORDINATION

(a) Subject to subsection (b) below, this Lease is subject and subordinate at all times to the following (each an "**Encumbrance**"): (i) any reciprocal easement agreements, ground leases, or other underlying leases that may later be executed affecting Landlord's interest in the Property (or any portion of it), and (ii) the lien of any mortgages or deeds of trust and renewals, modifications, consolidations, replacements, and extensions of any of the foregoing that may be executed by Landlord at any time in any amount for which any part of the Property, any ground lease, or underlying lease, or Landlord's interest or estate in them is subject. But, if the ground lessor, mortgagee, trustee, or holder of any mortgage or deed of trust (each an "**Encumbrancer**") elects to have City's interest in this Lease be superior to its Encumbrance, then, on City's receipt of a notice from the Encumbrancer, this Lease will be deemed superior, whether this Lease was executed before or after the date of the Encumbrance or the date of its recording. The provisions of this subsection are self-operative and no further instrument will be required. At Landlord's request, however, City will enter into a subordination, nondisturbance, and attornment agreement ("**SNDA**") with Encumbrancer in a form reasonably acceptable to City and Encumbrancer evidencing the subordination or superiority of this Lease. City's covenant under this subsection (a) to subordinate this Lease to any Encumbrance is conditioned on each senior instrument containing the commitments in subsection (b) below.

(b) If any mortgage or deed of trust to which this Lease is subordinate is foreclosed or a deed in lieu of foreclosure is given to the mortgagee or beneficiary, or if any ground lease or underlying lease to which this Lease is subordinate is terminated, then this Lease will not be barred, terminated, cut off, or foreclosed and the rights and possession of City under this Lease will not be disturbed unless an Event of Default has occurred and is continuing. City will attempt to and become the tenant of the successor-in-interest to Landlord, provided that City has received proper written notice of the succession and the name and address of the successor landlord. The provisions of this Section are self-operative and no further instrument will be required. Landlord agrees, however, upon request by City and in a form reasonably acceptable to City to cause any Encumbrancer to execute an SNDA evidencing the foregoing non-disturbance provisions together with the priority or subordination of this Lease with respect to any such Encumbrance.

13. DAMAGE AND DESTRUCTION

(a) If the Premises, the Building, or any Building Systems are damaged by fire or other casualty, Landlord will repair the same without delay (and if Landlord is then carrying insurance on the Leasehold Improvements or if, at its sole option, City makes sufficient funds available to Landlord, Landlord will also repair the Leasehold Improvements) so long as the repairs can be made under applicable Laws within sixty (60) days after Landlord obtains all necessary permits but not later than two hundred ten (210) days after the date of the damage (the "**Repair Period**"). If Landlord is obligated to repair as provided above, then this Lease will remain in full force and effect, except that City will be entitled to an abatement of Rent until the Premises are restored to their condition before the casualty. The abatement in Rent will be based on the extent to which the damage, the making of the repairs, and reoccupying the repaired Premises interferes with City's use of the Premises. Landlord's repairs will not include, and the Rent will not be abated as a result of, any damage by fire or other cause to City's Personal Property or any damage caused by the negligence or willful misconduct of City or its Agents that is not covered by insurance.

(b) Within twenty (20) days after the date of the damage, Landlord will notify City whether, in Landlord's reasonable judgment made in good faith, the repairs can be made within the Repair Period. If the repairs cannot be made within the Repair Period, then either party may terminate this Lease by giving written notice to the other within thirty (30) days after the date of Landlord's notice. The termination date will be the date specified in the termination notice,

which date may be not less than thirty (30) or more than sixty (60) days after Landlord's notice. If either party elects to terminate this Lease, then the Rent will be reduced by a proportionate amount based on the extent to which the damage interferes with the normal conduct of City's business in the Premises, and City will pay the reduced Rent up to the date of termination. Landlord will refund to City any Rent previously paid for any period after the date of termination.

(c) Notwithstanding the foregoing, if the Premises are damaged or destroyed by flood or earthquake, and the damage or destruction is not fully covered by insurance proceeds payable under the insurance policies Landlord is required to carry under this Lease (excluding any deductible, for which Landlord is solely responsible), then Landlord may terminate this Lease by written notice to City within thirty (30) days after the date Landlord receives written notice that the damage is not covered by insurance. Landlord's termination notice must include adequate written evidence of the denial of insurance coverage. If Landlord does not elect to terminate this Lease, then subsections (a) and (b) will apply.

(d) If during the last six (6) months of the Term there is substantial damage that Landlord would be required to repair under this Section, then within thirty (30) days after the date of the damage Landlord or City may, each at its option, terminate this Lease as of the date the damage occurred by giving written notice to the other party of its election to do so; provided, however, Landlord may terminate this Lease only if it would take more than thirty (30) days to repair the damage.

(e) The parties intend that the provisions of this Section fully govern their rights and obligations in the event of damage or destruction. Accordingly, Landlord and City each waives and releases any right to terminate this Lease in whole or in part under Section 1932, subdivision 2, Section 1933, subdivision 4, and Sections 1941 and 1942 of the Civil Code of California or under any similar Law now or later in effect, to the extent those rights are inconsistent with the provisions of this Section.

14. EMINENT DOMAIN

14.1. Definitions

"Taking" means a taking or damaging, including severance damage, by eminent domain, inverse condemnation, or for any public or quasi-public use under law. A Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation, or in settlement of a condemnation action.

"Date of Taking" means the earlier of (a) the date on which title to the portion of the Property taken passes to and vests in the condemnor or (b) the date on which City is dispossessed.

"Award" means all compensation, sums, or anything of value paid, awarded or received for a Taking, whether under any judgment, agreement, settlement, or otherwise.

14.2. General

If during the Term or during the period between the execution of this Lease and the Commencement Date, there is any Taking of all or any part of the Premises or the Building or any interest in this Lease, the rights and obligations of the parties will be determined under this Section. City and Landlord intend that the provisions of this Section govern fully in the event of a Taking and accordingly, Landlord and City each waives any right to terminate this Lease in whole or in part under Sections 1265.110, 1265.120, 1265.130 and 1265.140 of the California Code of Civil Procedure or under any similar Law now or later in effect.

14.3. Total Taking; Automatic Termination

If there is a total Taking of the Premises, then this Lease will terminate as of the Date of Taking.

14.4. Partial Taking; Election to Terminate

(a) If there is a Taking of any portion (but less than all) of the Premises, then this Lease will terminate in its entirety if all of the following exist: **(i)** the partial Taking, in City's reasonable judgment, renders the remaining portion of the Premises untenable or unsuitable for continued use by City for its intended purposes or otherwise materially adversely affects City's normal operations in the Premises or access to the Premises, **(ii)** the condition rendering the Premises untenable or unsuitable or that materially adversely affects City's normal operations or limits access to the Premises either is not curable or is curable but Landlord is unwilling or unable to cure the condition, and **(iii)** City elects to terminate.

(b) If a partial Taking of a substantial portion of the Building occurs, but subsection (a) above does not apply, then within thirty (30) days after the Date of Taking either City or Landlord may terminate this Lease by written notice to the other, provided that, as a condition to City's right to terminate, the portion of the Building taken must, in City's reasonable judgment, render the Premises unsuitable for continued use by City for its intended purposes or otherwise materially adversely affect City's normal operations in the Premises or access to the Premises.

(c) If either party elects to terminate this Lease under this Section, then this Lease will terminate on the later of the thirtieth (30th) day after the written notice is given or the Date of Taking.

14.5. Termination of Lease; Rent and Award

On termination of this Lease in its entirety under Section 13.3 (Total Taking; Automatic Termination) or under Section 13.4 (Partial Taking; Continuation of Lease), then: **(a)** City's obligation to pay Rent will continue up until the date of termination and then will cease, and **(b)** Landlord will be entitled to the entire Award, except that City will receive any portion of the Award for the unamortized cost of any Leasehold Improvements paid for by City and any Award made specifically for City's relocation expenses or the interruption of or damage to City's business or damage to City's Personal Property.

14.6. Partial Taking; Continuation of Lease

If there is a partial Taking of the Premises and this Lease is not terminated in its entirety under Section 13.4 (Partial Taking; Continuation of Lease) above, then this Lease will terminate as to the portion of the Premises taken, but will remain in effect as to the portion not taken, and the rights and obligations of the parties will be as follows: **(a)** Rent will be equitably reduced depending on the configuration of the Premises and the portion taken (for instance, if the area of the Premises taken has no special or significant use, then the reduction may be by an amount that is in the same ratio to the Rent as the area of the Premises taken bears to the area of the Premises before the Date of Taking), and **(b)** Landlord will be entitled to the entire Award in connection therewith, provided that City will receive any portion of the Award for the unamortized cost of any Leasehold Improvements paid for by City in the portion of the Premises taken and any Award made specifically for City's relocation expenses or the interruption of or damage to City's business or damage to City's Personal Property.

14.7. Temporary Taking

Notwithstanding anything to contrary in this Section, if a Taking of the Premises occurs for sixty (60) consecutive days or fewer, this Lease will remain unaffected by the temporary Taking, and City will continue to pay Rent and to perform all of the terms, conditions, and covenants of this Lease. In the event of a temporary Taking, City will be entitled to receive that portion of any Award representing compensation for the use or occupancy of the Premises during the Term up to the total Rent owing by City and any out-of-pocket costs incurred by City due to the temporary Taking for the period of the Taking.

15. ASSIGNMENT AND SUBLETTING

Except as provided in this Section, City may not directly or indirectly sell, assign, encumber, pledge, or otherwise transfer or hypothecate all or any part of its interest in or rights with respect to the Premises or its leasehold estate created by this Lease or permit all or any portion of the Premises to be occupied by anyone other than itself or sublet all or any portion of the Premises, without Landlord's prior written consent in each instance, which will not be unreasonably withheld, conditioned, or delayed. From time to time, on notice to Landlord, but without Landlord's consent, City may transfer this Lease or use and occupancy of all or any portion of the Premises to any department, commission, or agency of the City and County of San Francisco for uses permitted under this Lease.

16. DEFAULT; REMEDIES

16.1. Events of Default by City

Any of the following will constitute an "**Event of Default**" by City:

(a) After Landlord is qualified as an approved vendor as provided in Section 4.6 (Payments by City), City fails to make any timely payment of Rent and to cure the nonpayment within five (5) business days after receipt of written notice of nonpayment from Landlord, provided that for the first two (2) monthly payments of Rent at the beginning of the Term and for the first monthly payment of Rent after the beginning of each new fiscal year for City or any Adjustment Date, City will have twenty (20) days after written notice from Landlord to cure any nonpayment.

(b) City's abandons the Premises (within the meaning and under the requirements of California Civil Code Section 1951.3).

(c) City's failure to perform any other of its covenants or obligations under this Lease (not involving the payment of money) and failure to cure the non-performance within thirty (30) days of the date of receipt of Landlord's notice of the failure, provided that if more than thirty (30) days are reasonably required for the cure, no Event of Default will occur if City commences the cure within the thirty (30)-day period and diligently prosecutes the cure to completion.

16.2. Landlord's Remedies

On the occurrence and during the continuance of any Event of Default by City, Landlord will have all rights and remedies available under law or granted pursuant to this Lease, including the following:

(a) The rights and remedies provided by California Civil Code Section 1951.2 (damages on termination for breach), including the right to terminate City's right to possession of the Premises and to recover the worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of rental loss for the same period that City proves could be reasonably avoided, as computed under subsection (b) of Section 1951.2.

(b) The rights and remedies provided by California Civil Code Section 1951.4 (continuation of lease after breach and abandonment), which allows Landlord to continue this Lease in effect and to enforce all of its rights and remedies under this Lease, including the right to recover Rent as it becomes due, for so long as Landlord does not terminate City's right to possession, if City has the right to sublet or assign, subject only to reasonable limitations.

16.3. Landlord's Default

If Landlord fails to perform any of its obligations under this Lease, then (without limiting any of City's other cure rights under this Lease), at its sole option, City may cure the default at Landlord's expense if the default continues ten (10) days after the date City gives notice to Landlord of City's intention to perform the cure. However, if a default occurs because of a cause beyond Landlord's control (excluding any financial inability to perform), and Landlord cannot

with due diligence cure the default within the ten (10)-day period, then the ten (10)-day period will be extended if, promptly on receipt of City's notice, Landlord advises City of Landlord's intention to take all steps required to cure the default, and Landlord promptly commences the cure and diligently prosecutes the cure to completion. But if any default by Landlord continues for sixty (60) days and impairs City's ability to carry on its normal business in the Premises, then City may terminate this Lease on written notice to Landlord within thirty (30) days after the expiration of the sixty (60)-day period. Subject to the other provisions of this Lease relating to abatement of Rent, if Landlord fails to cure any default within the ten (10)-day cure period provided above (as it may be extended as provided above), then, whether or not City elects to cure Landlord's default, the Rent will be abated based on the extent to which the default interferes with City's ability to carry on its normal business in the Premises. City's rights under this Section and under any other provision of this Lease will not limit in any way any of its other rights and remedies under this Lease or at law or in equity.

17. INDEMNITIES

17.1. City's Indemnity

City will indemnify, defend, and hold harmless ("**Indemnify**") Landlord and its Agents from and against any and all claims, losses, damages, costs, and expenses, including reasonable attorneys' fees (collectively, "**Claims**"), incurred as a result of (a) City's use of the Premises, or (b) any negligent acts or omissions of City or its Agents in, on, or about the Premises or the Property; provided, however, City will not be obligated to Indemnify Landlord or its Agents to the extent any Claim arises out of the negligence or willful misconduct of Landlord or its Agents. In any action or proceeding brought against Landlord or its Agents because of a Claim Indemnified by City under this Section, at its sole option, City may elect to defend the Claim by attorneys in City's Office of the City Attorney, by other attorneys selected by City, or both. City will have the right to control the defense and to determine the settlement or compromise of any action or proceeding, provided that Landlord will have the right, but not the obligation, to participate in the defense of the Claim at its sole cost. City's obligations under this Section will survive the termination of the Lease.

17.2. Landlord's Indemnity

Landlord will Indemnify City and its Agents against any and all Claims incurred as a result of (a) any default by Landlord in the performance of any of its obligations under this Lease or any breach of any representations or warranties made by Landlord under this Lease, or (b) any negligent acts or omissions of Landlord or its Agents in, on, or about the Premises or the Property; provided, however, Landlord will not be obligated to Indemnify City or its Agents to the extent any Claim arises out of the negligence or willful misconduct of City or its Agents. In any action or proceeding brought against City or its Agents because of a Claim Indemnified by Landlord under this Section, at its sole option, Landlord may elect to defend the Claim by attorneys selected by Landlord. Landlord will have the right to control the defense and to determine the settlement or compromise of any action or proceeding, provided that City will have the right, but not the obligation, to participate in the defense of any Claim at its sole cost. Landlord's obligations under this Section will survive the termination of this Lease.

18. INSURANCE

18.1. City's Self-Insurance

Landlord acknowledges that City maintains a program of self-insurance and City is not required to carry any insurance with respect to this Lease. City assumes the risk of damage to City's Personal Property, except for damage caused by Landlord or its Agents.

18.2. Intentionally Omitted

18.3. Intentionally Omitted

19. ACCESS BY LANDLORD

Landlord reserves for itself and any of its designated Agents the right to enter the Premises at all reasonable times and, except in cases of emergency (in which event Landlord will give any reasonable notice), after giving City at least twenty four (24) hours' advance written notice, to **(a)** inspect the Premises, **(b)** supply any service to be provided by Landlord under this Lease, **(c)** show the Premises to prospective purchasers, mortgagees or, during the last six (6) months of the Term, tenants, **(d)** post notices of non-responsibility, and **(e)** alter, improve, or repair the Premises and any portion of the Building, and, for that purpose, Landlord may erect, use, and maintain necessary structures in and through the Premises where reasonably required by the work to be performed, provided that the entrance to the Premises may not be blocked. Landlord may not interfere with City's use of the Premises.

20. ESTOPPEL CERTIFICATES

From time to time during the Term, by not less than thirty (30) days' prior written notice to the other party, either party may request the other party to execute, acknowledge, and deliver to the persons or entities designated by the other party a certificate stating: **(a)** the Commencement Date and Expiration Date of this Lease, **(b)** that this Lease is unmodified and in full force and effect (or, if there have been modifications, this the Lease is in full force and effect as modified and stating the modifications), **(c)** that there are no defaults under this Lease (or if so, specifying the same), and **(d)** the date to which Rent has been paid.

21. SURRENDER OF PREMISES

On the expiration or sooner termination of this Lease, City will surrender the Premises to Landlord in good order and condition, excepting reasonable use and wear and damage by fire or other casualty or condemnation. Within ten (10) days after the Expiration Date, City will remove from the Premises all of City's Personal Property, City's telecommunications, data, and computer facilities and any Alterations City desires or is required to remove from the Premises under the provisions of Section 7.1 (Alterations by City). City will repair or pay the cost of repairing any damage to the Premises or the Building resulting from that removal. City will not be required to demolish or remove from the Premises any of the Leasehold Improvements. City's obligations under this Section will survive the expiration or earlier termination of this Lease.

22. HAZARDOUS MATERIALS

22.1. Definitions

As used in this Lease, the following terms are defined below:

"Environmental Laws" means any Law relating to industrial hygiene, environmental conditions, or Hazardous Material, whether now in effect or later adopted.

"Hazardous Material" means any material that, because of its quantity, concentration, or physical or chemical characteristics, is deemed by any federal, state, or local governmental authority to pose a present or potential hazard to human health or safety or to the environment. Hazardous Material includes any material or substance defined as a "hazardous substance," or "pollutant" or "contaminant" under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA", also commonly known as the Superfund law), as amended (42 U.S.C. Section 9601 et seq.), or under California Health & Safety Code Section 25316; any "hazardous waste" listed under California Health & Safety Code Section 25140; any asbestos and asbestos containing materials whether or not those materials are part of the structure of the Building or are naturally occurring substances on or about the Property; and petroleum, including crude oil or any fraction thereof, natural gas, or natural gas liquids.

"Release" when used with respect to Hazardous Material includes any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping,

leaching, dumping, or disposing into or inside the Building, or in, on, under, or about the Property.

22.2. Landlord's Representations and Covenants

Landlord represents and warrants to City that, to the best of Landlord's knowledge, the following statements are true and correct and will be true and correct as of the Commencement Date: **(a)** the Property is not in violation of any Environmental Laws; **(b)** the Property is not now, and has not been, used for the manufacture, use, storage, discharge, deposit, transportation, or disposal of any Hazardous Material, except for the use of Hazardous Material in limited quantities as are customarily used in offices, which limited use is and has been in compliance with Environmental Laws; **(c)** the Property does not consist of any landfill or contain any underground storage tanks; **(d)** the Building does not contain any asbestos-containing materials or have building materials that contain any other Hazardous Material, and the Premises or the common areas of the Building do not contain any lead-based paints; **(e)** there is and has been no Release of any Hazardous Material in the Building or in, on, under, or about the Property; and **(f)** the Property is not subject to any claim by any governmental regulatory agency or third party related to the Release of any Hazardous Material, and there is no inquiry by any governmental agency (including the California Department of Toxic Substances Control or the Regional Water Quality Control Board) with respect to the presence of Hazardous Material in the Building or in, on, under, or about the Property, or the migration of Hazardous Material from or to other real property. Subject to City's obligations under this Section below, Landlord will maintain the Property throughout the Term in compliance with all Environmental Laws that could affect the health, safety, and welfare of City's employees or City's use, occupancy, or enjoyment of the Premises for the intended purposes of this Lease.

22.3. Landlord's Environmental Indemnity

Without limiting Landlord's Indemnity in Section 16.2 (Landlord's Indemnity), Landlord will Indemnify City and its Agents against any and all Claims arising during or after the Term **(a)** as a result of any breach of any of Landlord's representations, warranties, or covenants in the preceding Section, or **(b)** in connection with any presence or Release of Hazardous Material in the Building or on, under, or about the Property, unless City or its Agents caused the Release.

22.4. City's Covenants

Neither City nor its Agents will cause any Hazardous Material to be brought on, kept, used, stored, generated, or disposed of in, on or about the Premises or the Property, or transported to or from the Premises or the Property, in violation of any Environmental Laws.

22.5. City's Environmental Indemnity

If City breaches its obligations contained in the preceding Section 21.4 (City's Covenants), or if City or its Agents cause the Release of Hazardous Material from, in, on, or about the Premises or the Property, then City will Indemnify Landlord against any and all Claims arising during or after the Term as a result of the Release, except to the extent Landlord or its Agents is responsible for the Release. The foregoing Indemnity will not include any Claims resulting from the non-negligent aggravation by City, its Agents, or Invitees of physical conditions of the Premises, or other parts of the Property, existing before City's occupancy.

23. SPECIAL PROVISIONS

23.1. Parking Stalls

(a) City may rent up to two (2) unreserved parking stalls in the Building parking area, at the rate of One Hundred Twenty Dollars (\$120.00) per stall, per month, during the initial Term.

(b) The hours of operation of the on-site parking area are 24 hours per day and 7 days per week.

(c) City employee(s), contractors, vendors, licensees, invitees and volunteers for conducting City business at the Premises and using the Parking Spaces shall abide by the Parking Terms and Conditions described in **Exhibit F**.

24. CITY PROVISIONS

24.1. MacBride Principles - Northern Ireland

The provisions of San Francisco Administrative Code Section 12F are incorporated into this Lease by this reference and made part of this Lease. Landlord confirms that Landlord has read and understood that City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

24.2. Controller's Certification of Funds

The terms of this Lease are governed by and subject to the budgetary and fiscal provisions of City's Charter. Notwithstanding anything to the contrary contained in this Lease, there will be no obligation for the payment or expenditure of money by City under this Lease unless the Controller of the City and County of San Francisco first certifies, under Section 3.105 of City's Charter, that there is a valid appropriation from which the expenditure may be made and that unencumbered funds are available from the appropriation to pay the expenditure. Without limiting the foregoing, if in any fiscal year of City after the fiscal year in which the Term of this Lease commences, sufficient funds for the payment of Rent are not appropriated, then City may terminate this Lease, without penalty, liability, or expense of any kind to City, as of the last date on which sufficient funds are appropriated. City will use its reasonable efforts to give Landlord reasonable advance notice of the termination.

24.3. Prevailing Wages and Working Conditions

Any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code section 23.61. Landlord will require its Contractors and Subcontractors performing **(i)** labor in the construction of a "public work" as defined in California Labor Code Section 1720 *et seq.* (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling if paid for in whole or part out of public funds), or **(ii)** Covered Construction at the Premises to **(A)** pay workers performing the work not less than the Prevailing Rate of Wages, **(B)** provide the same hours, working conditions, and benefits as in each case are provided for similar work performed in San Francisco County, and **(C)** employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, "**Prevailing Wage Requirements**"). Landlord will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements.

Landlord will include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each Construction Contract must name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any Contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Landlord's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party.

24.4. Non-Discrimination in City Contracts and Benefits Ordinance

(a) Covenant Not to Discriminate

In the performance of this Lease, Landlord will not to discriminate against any employee of Landlord, any City employee working with Landlord, any applicant for employment with Landlord, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of those protected classes, or in retaliation for opposition to discrimination against those classes.

(b) Subcontracts

Landlord will include in all subcontracts relating to the Premises a non-discrimination clause applicable to the subcontractor in substantially the form of subsection (a) above. In addition, Landlord will incorporate by reference in all subcontracts the provisions of San Francisco Administrative Code Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 and require all subcontractors to comply with those provisions. Landlord's failure to comply with the obligations in this subsection will constitute a material breach of this Lease.

(c) Non-Discrimination in Benefits

Landlord does not as of the date of this Lease, and will not during the Term, in any of its operations in San Francisco, on real property owned by City, or where the work is being performed for City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits, or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of the employees, where the domestic partnership has been registered with a governmental entity under state or local law authorizing that registration, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2(b).

(d) CMD Form

As a condition to this Lease, Landlord will execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division (the "CMD"). Landlord represents that before execution of the Lease: **(i)** Landlord executed and submitted to the CMD Form CMD-12B-101 with supporting documentation, and **(ii)** the CMD approved the form.

(e) Incorporation of Administrative Code Provisions by Reference

The provisions of San Francisco Administrative Code Chapters 12B and 12C relating to non-discrimination by parties contracting for the lease of property to City are incorporated into this Section by reference and made a part of this Lease as though fully set forth. Landlord will comply fully with and be bound by all of the provisions that apply to this Lease under Administrative Code Chapters 12B and 12C, including the remedies provided in those Chapters. Without limiting the foregoing, Landlord understands that under San Francisco Administrative Code Section 12B.2(h) a penalty of Fifty Dollars (\$50) for each person for each calendar day during which that person was discriminated against in violation of the provisions of this Lease may be assessed against Landlord and/or deducted from any payments due Landlord.

24.5. Intentionally Omitted

24.6. Bicycle Parking Facilities

San Francisco Planning Code (the "**Planning Code**") Article 1.5, Section 155.3 requires that bicycle parking must be provided at City-leased buildings at no cost to Landlord. During the Term, City will have the right to install and maintain, at no cost to Landlord, all Class 1 Bicycle Parking Spaces (as defined in the Planning Code) and all Class 2 Bicycle Parking Spaces (as defined in the Planning Code) in the Building locations required under the Planning Code.

24.7. Resource-Efficient City Buildings

Landlord acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Sections 700 to 713 relating to green building requirements for the design, construction, and operation of City buildings. Landlord will comply with all applicable provisions of those code sections.

24.8. Sunshine Ordinance

In accordance with San Francisco Administrative Code Section 67.24(e), contracts, contractors' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between City and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement, or other benefit until and unless that person or organization is awarded the contract, lease, agreement, or benefit. Information provided that is covered by this Section will be made available to the public on request.

24.9. Conflicts of Interest

Through its execution of this Lease, Landlord acknowledges that it is familiar with the provisions of City's Campaign and Governmental Conduct Code Article III, Chapter 2 and California Government Code Section 87100 et seq. and Section 1090 et seq., and certifies that it does not know of any facts that would constitute a violation of those provisions. If Landlord becomes aware of any such fact during the Term of this Lease, Landlord will immediately notify City.

24.10. Notification of Prohibition on Contributions

By executing this Lease, Landlord acknowledges its obligations under Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to **(a)** a City elected official if the lease must be approved by that official, **(b)** a candidate for that City elective office, or **(c)** a committee controlled by that elected official or a candidate for that office, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Landlord acknowledges that the foregoing restriction applies only if the lease or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Landlord further acknowledges that **(i)** the prohibition on contributions applies to each prospective party to the lease; any person with an ownership interest of more than 10 percent (10%) in Landlord; any subcontractor listed in the lease; and any committee that is sponsored or controlled by Landlord; and **(ii)** within thirty (30) days of the submission of a proposal for this Lease, the City department with whom Landlord is leasing is obligated to submit to the Ethics Commission the parties to this Lease and any subcontractor. Additionally, Landlord certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Lease, and has provided the names of the persons required to be informed to the City department with whom it is leasing.

24.11. Preservative-Treated Wood Containing Arsenic

Landlord may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Environment Code Section 1304. The term "preservative-treated wood containing arsenic" means wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Landlord may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Landlord from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" means a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

25. GENERALLY APPLICABLE PROVISIONS

25.1. Notices

Except as otherwise specifically provided in this Lease, any notice given under this Lease must be in writing and given by delivering the notice in person or by commercial courier, or sending it by first-class mail, certified mail, return receipt requested, or Express Mail, return receipt requested, with postage prepaid, to: **(a)** City at City's address set forth in the Basic Lease Information; or **(b)** Landlord at Landlord's address set forth in the Basic Lease Information; or **(c)** any other address designated by Landlord or City as its new address for notices by notice given to the other in accordance with this Section. A properly addressed notice transmitted by one of the foregoing methods will be deemed received upon confirmed delivery, attempted delivery, or rejected delivery. For convenience of the parties, copies of notices may also be given by email to the email address number set forth in the Basic Lease Information or any other email address as may be provided from time to time, but, neither party may give official or binding notice by email.

25.2. No Implied Waiver

No failure by either party to insist on the strict performance of any obligation of the other party under this Lease or to exercise any right, power, or remedy after a breach of this Lease will constitute a waiver of any breach or of term, covenant, or condition. No acceptance of full or partial Rent by Landlord while there is an uncured Event of Default by City will constitute a waiver of the Event of Default by Landlord. No express written waiver of any default or the performance of any provision of this Lease will affect any other default or performance, or cover any other period of time, other than the default, performance, or time specified in the express waiver. One or more written waivers of a default or the performance of any provision of this Lease will not be deemed to be a waiver of a subsequent default or performance. The consent of Landlord or City given in one instance under the terms of this Lease will not relieve the other party of any obligation to secure the consent to any other or future instance under the terms of the Lease.

25.3. Amendments

The terms and provisions of this Lease may only be changed, waived, discharged, or terminated by a written instrument signed by both parties. No waiver of any breach will affect or alter this Lease, and each and every term, covenant, and condition of this Lease will continue in full force and effect with respect to any other then-existing or subsequent breach. Whenever this Lease requires or permits City's consent or approval, the Director of Property, or the Director's designee, will be authorized to provide the consent or approval, except as otherwise provided by applicable Law, including the Charter of the City and County of San Francisco. City's agreement to any amendments or modifications to this Lease (including the exhibits) may be made on the sole approval of the Director of Property, or Director's designee; provided, however, material amendments or modifications to this Lease **(a)** changing the legal description

of the Premises, **(b)** increasing the Term, **(c)** increasing the Rent, **(d)** changing the general use of the Premises from the use authorized under Section 5.1 (Permitted Use), and **(e)** any other amendment or modification that materially increases City's liabilities or financial obligations under this Lease will also require the approval of City's Board of Supervisors.

25.4. Authority

Landlord represents and warrants to City that it is the sole owner of the Property and the execution and delivery of this Lease by Landlord does not violate any provision of any agreement or any applicable Laws. If Landlord is a corporation, limited liability company, or a partnership, each person executing this Lease on behalf of Landlord, by their signature, covenants and warrants that Landlord is a duly authorized and existing entity, that Landlord is qualified to do business in California, that Landlord has the full right and authority to enter into this Lease, and that each person signing on behalf of Landlord is authorized to do so. On City's request, Landlord will provide City with evidence reasonably satisfactory to City confirming these representations and warranties.

25.5. Parties and Their Agents; Approvals

If applicable, the word "**Landlord**" will include the plural as well as the singular. The term "**Agents**" when used with respect to either party includes the agents, employees, officers, and contractors of the party, and the term "**Invitees**" when used with respect to City will include the clients, customers, invitees, guests, licensees, assignees, or subtenants of City. All approvals, consents, or other determinations permitted or required by City under this Lease, including City's exercise of any option, must be made by or through City's Director of Property unless otherwise provided in this Lease, subject to any applicable limitations in City's Charter. If there is more than one entity that comprises Landlord, the obligations and liabilities under this Lease imposed on Landlord are joint and several.

25.6. Interpretation of Lease

The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and will in no way define or limit the scope or intent of any provision of this Lease. Except as otherwise specifically provided in this Lease, wherever Landlord or City is required or requested to give its consent or approval to any matter or action by the other, the consent or approval will not be unreasonably withheld or delayed and the reasons for disapproval of consent will be stated in reasonable detail in writing. Provisions in this Lease relating to number of days will be calendar days, unless otherwise specified. If the last day of any period to give notice, reply to a notice, or to take any other action occurs on a Saturday, Sunday, or a bank or City holiday, then the last day for taking the action or giving or replying to the notice will be the next succeeding business day. The words "**include**" or "**including**" or similar words will not be construed to limit any general term, statement, or other matter in this Lease or any of its attached exhibits, whether or not language of non-limitation, such as "without limitation" or similar words, are used.

25.7. Successors and Assigns

Subject to the provisions of Section 14 (Assignment and Subletting), the terms, covenants, and conditions contained in this Lease will bind and inure to the benefit of Landlord and City and, except as otherwise provided in this Lease, their personal representatives and successors and assigns. There are no third-party beneficiaries to this Lease.

25.8. Brokers

Neither party has had any contact or dealings or communications regarding leasing the Premises through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the lease of the Premises, except for the broker, if any, identified in the Basic Lease Information. That broker's commission is Landlord's sole responsibility under a separate written agreement between Landlord and the broker, and City has no liability for that commission. If any other broker or finder perfects a claim for a commission

or finder's fee based on any contact, dealings, or communication, the party through whom the broker or finder makes a claim will be responsible for the commission or fee and will Indemnify the other party from any and all Claims incurred by the indemnified party. The provisions of this Section will survive any termination of this Lease.

25.9. Severability

If any provision of this Lease or its application to any person, entity, or circumstance is found to be invalid or unenforceable, the remainder of this Lease, or the application of the provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, will not be affected by that finding, and each other provision of this Lease will be valid and be enforceable to the full extent permitted by Law, except to the extent that enforcement of this Lease without the invalidated provision would be unreasonable or inequitable under all the circumstances or would frustrate a fundamental purpose of this Lease.

25.10. Governing Law

This Lease will be construed and enforced in accordance with the laws of the State of California and City's Charter. Any legal suit, action, or proceeding arising out of or relating to this Lease shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Lease has been brought in an inconvenient forum.

25.11. Entire Agreement; Incorporation of Exhibits

The parties intend that this Lease (including all of the attached exhibits, which are made a part of this Lease by this reference) are the final expression of their agreement with respect to the lease of the Premises and may not be contradicted by evidence of any prior or contemporaneous written or oral agreements or understandings. The parties further intend that this Lease will constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts and changes) may be introduced in any judicial, administrative, or other legal proceeding involving this Lease.

25.12. Holding Over

If City holds over in possession of the Premises after the expiration of the Term with Landlord's consent, that holding over will not be deemed to extend the Term or renew this Lease, and City's tenancy will continue as a month-to-month tenancy until the tenancy is terminated by either party by giving least thirty (30) days' prior written notice of termination. The month-to-month tenancy will be on all the terms and conditions of this Lease and at the monthly Rent in effect during the last month of the Term or as Landlord and City may mutually agree in writing. If City holds over without Landlord's consent, the rent payable by City during the period of holding over will be one hundred ten percent (110%) of the monthly Rent in effect during the last month of the Term of this Lease, and the tenancy will otherwise be on the terms and conditions contained in this Lease.

25.13. Cumulative Remedies

All rights and remedies of either party set forth in this Lease are cumulative, except as otherwise specifically provided in this Lease.

25.14. Time of Essence

Time is of the essence for all provisions of this Lease.

25.15. Survival of Indemnities

Termination of this Lease will not affect the right of either party to enforce any indemnities and representations and warranties given or made to the other party, and it will not affect any provision of this Lease that expressly states it will survive termination. With respect to each of the indemnities contained in this Lease, the indemnitor has an immediate and independent obligation to defend the indemnitees from any claim that actually or potentially falls within the indemnity provision even if the claim is or may be groundless, fraudulent, or false, and the obligation to defend arises at the time the claim is tendered to the indemnitor by the indemnitee and continues at all times until resolved.

25.16. Signs

City may erect or post exterior signs on or about the Premises with Landlord's prior approval. Landlord reserves the right to review and approve the placement, design, and plan for before erecting or posting any sign, which review and approval will not be unreasonably withheld or delayed. Interior signs not visible from the exterior of the Premises are permitted as provided under Article 7 (Alterations).

25.17. Quiet Enjoyment and Title

Landlord covenants and represents that it has full right, power, and authority to grant the leasehold estate as provided in this Lease, and covenants that City, on paying the Rent and performing the covenants contained in this Lease, will peaceably and quietly have, hold, and enjoy the Premises and all related rights during the Term as against all persons or entities or on account of any action, inaction, or agreement of Landlord or its Agents. Without limiting the provisions of Section 16.2 (Landlord's Indemnity), Landlord will Indemnify City and its Agents against Claims arising out of any assertion that would interfere with City's right to quiet enjoyment as provided in this Section.

25.18. Bankruptcy

Landlord represents and warrants to City that Landlord has neither filed nor been the subject of any filing of a petition under the federal bankruptcy law or any federal or state insolvency laws or laws for composition of indebtedness or for the reorganization of debtors, and, to the best of Landlord's knowledge, no such filing is threatened. City's leasehold estate under this Lease includes all rights to receive and enjoy all services, facilities, and amenities of the Premises and the Building as provided in this Lease. If any of the services, facilities, or amenities are terminated, or materially limited or restricted because of any such case or proceeding, or for any other reason, City may **(a)** contract directly with any third-party provider of those services, facilities, or amenities, and **(b)** offset against the Rent all reasonable costs and expenses incurred by City in obtaining those services, facilities, or amenities.

25.19. Transfer of Landlord's Interest

Landlord may transfer its interest in the Property, the Building, or this Lease to any other financially responsible person or entity. If Landlord transfers its interest in the Property, the Building, or this Lease to another other financially responsible person or entity, then Landlord will be relieved of Landlord's obligations under this Lease accruing from and after the date of the transfer when **(a)** Landlord has provided notice to City of the name and address of Landlord's successor, **(b)** Landlord has provided City with supporting documentation reasonably acceptable to City demonstrating the transferee's financial ability to assume this obligations transferred to it by Landlord, and **(c)** Landlord has delivered to City an express written assumption by the transferee of all of Landlord's obligations under this Lease.

25.20. Non-Liability of City Officials, Employees, and Agents

Notwithstanding anything to the contrary in this Lease, no elected or appointed board, commission, member, officer, employee, or other Agent of City will be personally liable to Landlord, its successors, or its assigns for any City default or breach or for any amount that may

become due to Landlord or its successors or assigns, or for any obligation of City under this Lease.

25.21. Counterparts

This Lease may be executed in two or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument.
