Executive Director
Our Kids First
5845 Mission Street
San Francisco, CA 94112

Dear Jackie,

I am pleased to inform you that the Department of Children, Youth and Their Families has allocated \$165,000 in additional funds to your **Our Kids First Out of School Time (OST) Year-Round & Summer Learning** grant. This one-time augmentation is granted in support of the Dream Keeper Initiative to provide support for families and youth age 0-5 and resources, tools and support to prepare youth school and learning, in partnership with the African American Early Education Providers. In accepting these funds your agency also agrees to the following reporting and engagement expectations:

- Contract Management System (CMS) monthly invoices
- Referrals from the Dream Keeper Initiative
- Quarterly meetings with the Dream Keeper team
- Monthly engagement with Dream Keeper staff

DCYF intends to award these funds in the current fiscal year, 2020/21. However, we are aware that programs may prefer instead to add all or part of the funds into their upcoming 2021/22 grant. This could be to avoid reopening their current workplan (and thus delay invoice payments), align the funds with their expenditure timeline, allow additional time to make the necessary accounting entries, or other rationales. DCYF will support any program that wishes their Dream Keeper funds to begin next fiscal year. If you would prefer this option, please contact your Program Specialist as soon as possible, but no later than **Friday, May 21**. After this date we will include the funds in your current grant.

If you decide to keep these funds in the current fiscal year, please note that should your program be unable to spend the full amount of the Dream Keeper funding by June 30, 2021, DCYF will allow a carryforward of the unspent balance into next fiscal year. Should you require a carryforward, please contact your Program Specialist as soon as possible following the submission of your June 2021 invoice. DCYF will require an accounting of your Dream Keeper spending in order to process the carryforward request.

Please note that your 2021/22 workplan release, currently scheduled for May 17, will be delayed for two weeks in order to accommodate your decision process.

Re: Notification of Selection, OEWD Request for Proposals (RFP) #215 Economic Development and Business Development Grants

Project Title: The Good Force's Workforce Development Program

Congratulations and thank you for your proposal submitted in response to Request for Proposals #215. The proposal submitted by your organization has been selected to provide services under proposal area **CC. Human Centered Design / Innovation: Organizational Development Projects for Youth, Education, and Opportunity**. We appreciate the time you took in preparing your submission.

Please be advised this is a notice of the tentative award of a grant, pending successful negotiations with OEWD. Following the conclusion of the appeal process, a Program Manager will be in touch with you to begin negotiation discussions. While negotiations may begin within the next few months, funding may not become available until later in 2021. If you submitted additional proposals under this or other program areas, please be advised that those announcements will be communicated in separate correspondence.

Should you have questions about this notice, please contact Marissa Bloom, Acting Director, Contracts and Grants Division, at oezd.procurement@sfgov.org.

Sincerely,

DocuSigned by:

Dear Director Fitzpatrick,

Congratulations! The Good Rural has been selected from the San Francisco Human Rights Commission's Request for Qualifications respondents as a qualified candidate to receive funding for the Technical Assistance grant as part of the Dream Keeper Initiative. HRC's grant panel was impressed with the depth and vision your organization displayed in your application.

The Dream Keeper Initiative is an historic initiative created by Mayor London N. Breed in 2020 to reinvest \$120 million in San Francisco's Black communities over two years. You will join our inaugural cohort of community partners in building a bold, sustainable future for Black San Franciscans.

I look forward to working with you all. Please contact me with any questions.

Kind Regards,

Brittini Chicuata

Technical Assistance – Proposed Scope of Work

Organization	Technical Assistance Proposed Scope of Work
Black Women Revolt Against Domestic Violence	Provide capacity building, technical assistance, and program support for community-based organizations and agencies, with a goal of equipping organizational leaders, staff, and volunteers to support Black women, girls, and families experiencing domestic violence and dysfunctional relationship patterns.
Boys & Girls Clubs of San Francisco	Provide capacity building, technical assistance, and program support to The Village Project, Rebels Basketball, Talent All Stars and J&J which have Black, Indigenous, and People of Color (BIPOC) leadership and serve BIPOC communities.
Charity Cultural Services Center	Expand existing capacity building, technical assistance, and program support for Black communities through their educational and workforce programmatic experiences.
Collective Impact	Assist smaller nonprofits with administrative support, capacity building, and organizational development; develop and host workshops for low-income community members on topics related to small business development, doing business with the City, research and evaluation, and other tech and finance skills; and, grant writing assistance.
New Community Leadership Foundation	Assist grassroots, community-based organizations with grant writing assistance and matching them with collaborative fundraising efforts that are supported by a grant writer
PJS Consultants/Black Female Project	Provide training, capacity building, and technical assistance on targeted communications, brand design and marketing.
Scholastic Interest Group	Provide 7-10 organizations with up to 300 hours (in summation) of coaching and professional development.
SF Black Wall Street	Expand direct program services to community-based organizations in need of startup support.
St. James Infirmary	Assist the St. James Infirmary Sex Worker Cultural Competency Initiative with coalition building and increased engagement on community-facing board.
The Good Rural	Hire service coordinator(s) to support Innovation Center programming for early care education providers
The Transgender District	Capacity building for the Transgender District
UCSF	ECHO hub expansion to support community member capacity to conduct research, assessment, and evaluation of target communities, and assist with development and support of community-led research advisory boards, community-derived research coalitions and task forces.
Young Community Developers	Provide fiscal agent sponsorship; organizational development, including organizational structural development; and, programmatic development support, including community needs, program design and implementation, and data/information collection and analysis assessment and development.
