Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Marianne Oest

It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,

Dear San Francisco Board of Supervisors,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Jennifer Lewis

Dear San Francisco Board of Supervisors,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Sarah Rogers

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Robin Hubinsky

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Jennifer Schroeder

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Robert Gee

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Dennis Fitzsimons

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Carl Wendorf

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Leah Edwards

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
CHONGKAL SENG

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Amy Chen

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Irving Sambolin

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,
Charlotte Worcester
