The Center for New Music (C4NM) was founded in 2012 by co-founders Brent Miller (current Executive Director) and Adam Fong, and has been in residence at 55 Taylor Street from the birth of the organization. The mission of C4NM is to foster contemporary music's growth by giving practicing artists access to professional resources and expertise, and by providing them with opportunities for sharing knowledge and exploring new ideas. We present approximately 150 concerts, workshops, gallery exhibitions, and music-focused events every year.

We are applying for a Type 64 liquor license so that we can serve alcoholic beverages to our audiences directly before concerts, at intermission, and directly after concerts. This would allow us to join the rest of the theaters and venues in our neighborhood in offering this option to our patrons. Alcoholic beverages would only be available to ticketed patrons of the shows during regular performances. For concerts and performances, our normal operating hours are 5pm-10pm on weekdays, and 12pm-10pm on weekends, depending on the length of the show and the artist's desired concert start time. Should we be approved for this liquor license, we will only serve alcoholic beverages up to two hours before the concert and one hour afterwards.

Currently we have been utilizing one-day liquor licenses for selected concerts on our calendar, and to date have received no community complaints regarding our use of daily liquor licenses. In fact, many of our neighbors and patrons have expressed enthusiastic support for the expansion of our beverage offerings to all performances. We have found that on nights when we have daily liquor licenses, we are able to draw larger audiences to our venue. Audiences expect, from experience at other local organizations like EXIT Theater, Pianofight, Cuttingball Theater, The

Warfield, A.C.T., and others, to be able to enjoy a glass of wine or a drink before or during a show. This license would therefore help us draw more audiences to our neighborhood and help provide a positive influx of foot traffic to the heart of the Tenderloin. As our audiences are drawn from all over the city, it will also help enhance the arts experience for patrons from across San Francisco, thereby serving public convenience or necessity.

For these reasons we respectfully request that the Board of Supervisors and ABC make a finding that issuance of a Type 64 license at this location will serve public convenience or necessity. If you have any questions about this application or C4NM's operations, please contact me at Brent@centerfornewmusic.com or at 415-275-2466.

Sincerely,

Brent Miller
Co-Founder and Executive Director

The Center for New Music (C4NM) was founded in 2012 by co-founders Brent Miller (current Executive Director) and Adam Fong, and has been in residence at 55 Taylor Street from the birth of the organization. The mission of C4NM is to foster contemporary music's growth by giving practicing artists access to professional resources and expertise, and by providing them with opportunities for sharing knowledge and exploring new ideas. We present approximately 150 concerts, workshops, gallery exhibitions, and music-focused events every year.

We are applying for a Type 64 liquor license so that we can serve alcoholic beverages to our audiences directly before concerts, at intermission, and directly after concerts. This would allow us to join the rest of the theaters and venues in our neighborhood in offering this option to our patrons. Alcoholic beverages would only be available to ticketed patrons of the shows during regular performances. For concerts and performances, our normal operating hours are 5pm-10pm on weekdays, and 12pm-10pm on weekends, depending on the length of the show and the artist's desired concert start time. Should we be approved for this liquor license, we will only serve alcoholic beverages up to two hours before the concert and one hour afterwards.

Currently we have been utilizing one-day liquor licenses for selected concerts on our calendar, and to date have received no community complaints regarding our use of daily liquor licenses. In fact, many of our neighbors and patrons have expressed enthusiastic support for the expansion of our beverage offerings to all performances. We have found that on nights when we have daily liquor licenses, we are able to draw larger audiences to our venue. Audiences expect, from experience at other local organizations like EXIT Theater, Pianofight, Cuttingball Theater, The
